

Watford Guide-Advocate

VOLUME XLIX, NO. 26

WATFORD, ONTARIO,

FRIDAY, JULY 6, 1923

\$2.00 PER YEAR IN ADVANCE
In United States \$2.50

LOCAL HAPPENINGS

Cut the weeds.
Wheat \$1.05, oats 50c, eggs 17c, butter 28c.
Are the radio bug and the coffee-borer any relation?
Smart new dresses open today, new styles.—Swift's.
Many politicians will remember June 18th as Blue Monday.
Fault finding is an easy job and thousands of people are working at it without pay.
T. Roche's trotter "The Destruct" won third money at the Flint, Mich., races on Friday.
Shoe up the family during our sale it will require only about half the usual money.—A. Rumford.
The Presbyterian Sunday school picnicked at Hillsboro Wednesday afternoon. All report a good time.
Trinity church Sunday school will hold their annual picnic at Briar's Grove on Wednesday afternoon, 11th inst.

A shipment of linens open this week. July specials.—Swift's.
The strawberry season is about over. The quality and supply has been good and the price reasonable this year.
Tell us about your visitors or if you are going away for your holidays. Your friends are interested in this kind of news.
The official figures of the East Lambton election will be found elsewhere. Mr. Oke's majority over Mr. Dawson is 458.

The regular meeting of the Woman's Missionary Auxiliary will meet in the church on Tuesday afternoon at three o'clock, July 10th.
Good patterns in Gingham, 15 cents a yard.—Swift's.
The thanks of the Guide-Advocate is tendered to Mr. W. C. Caldwell for a donation of luscious strawberries and delicious Jersey cream.
Short sermons these hot Sundays should encourage attendance. People always feel better if part of Sunday is given to worship and not all rest.
Miss Myriol Logan has been engaged as teacher in the Watford High School during the absence of Miss Mitchell, who has been granted a year's leave of absence.

Two youths, Arthur Wright and L. McGillicuddy upset the car in which they were riding in the ditch on the fourth line Sunday night. Fortunately they were uninjured but the car was considerably damaged.
Watford defeated Parkhill 6-0 at baseball at the Waterworks Park Friday night and Strathroy 10-2 at Strathroy on Monday. Strathroy played here Wednesday night and was again defeated by the locals 5-3.
Fine wool black Cashmere Sox, 10, 10 1/2, 11, July special, 2 pair for \$1.—Swift's.

The officers of Peabody Lodge, I.O.O.F. will be installed by D.D.G.M. Alex. Westgate, on Monday evening, July 9th. A full attendance requested.—S. W. Reycraft, N.G.
W. T. Fuller of Saskatoon in sending his subscription to the Guide-Advocate says:—"I am like a goodly number of your distant subscribers, always waiting for the old home paper and the news it contains."
Watford was a quiet place on the Dominion Day holiday. Almost every person who could possibly do so went by auto or train to the lakes, or to the country, or to places where sports or demonstrations were held. The weather was ideal for an outing but a jealous husband, flirting flappers, bathing beauties—they all lead Wallace Reid a merry chase in his best of all comedys "Thirty Days" the last production of the famous screen favorite which will be presented at the Lyceum next Thursday, July 12.

Get your shoe repairing done at Rumford's and save time—and time is money.
Seven of the H. S. cadets went to London on Saturday to attend the cadet camp for a week. They were in charge of Lieut. J. F. Steadman and included Cadets Roy Cooke, D. H. Rayner, Gordon Kelly, Don Vail, O. Westgate and Signaller O. Shugz.
The Methodist Church Sunday school picnicked at Bright's Grove on Monday. The day was an ideal one and both young and old spent a most pleasant afternoon. Sports, bathing, etc., were indulged in and a sumptuous lunch added to the pleasure of the outing.
July is a month of opportunities for our customers, as all summer goods must be sold.—Swift's.

A bright occurrence in connection with the Watford Methodist Sunday School took place on Sunday, June 24th, when the superintendent, Dr. Hicks, was presented with a bouquet of twenty roses denoting twenty years of good service as superintendent of the Sunday School. It was in 1903 that Dr. Hicks first took over the superintendency and since then has carried the banner through many trying times. The roses were given by the Sunday school as an appreciation of the doctor's splendid work as a superintendent. In reply Dr. Hicks thanked the Sunday School for the gift.

PERSONAL

Public schools will reopen Sept. 4th.
Advice has been received from Washington through the Automobile Association that a card of membership in the Ontario Motor League will be accepted by the United States customs officers at any port of entry as a certificate of identification in lieu of a Consular letter, or its equivalent, otherwise required.
A successful garden fete was held at Naper on Tuesday evening. A first-class program including the noted Wilson-Kinney entertainers of Toronto, was offered the many hundreds in attendance. Many booths were on the grounds where supper was served. The Imperial Male Quartet and the Petrolia Brass Band provided the music for the evening.
The old Ontario Ministers will have all business cleaned up by the 16th of this month after which date Hon. G. Howard Ferguson will form a new government, having accepted the responsibility from the Lieutenant-Governor. The names of the new cabinet will be announced as soon as decided on. Among those likely to be appointed are Geo. S. Henry, W. F. Nickle, F. G. McDiarmid.

Every person in business should advertise it and in this way do their share to boost the town. It's all right for the newspaper to toot away 52 weeks in the year but it takes coin to keep it and if the town and countryside benefit it should be worth paying for. Nearly everybody believes in advertising of some kind and for that reason they place their name on the sign, put goods in the window, and put price tickets on what they offer for sale, perhaps. These are all good but customers must come to town to read or see them, whereas a well written advert in a live newspaper goes to the homes, is read by nearly every member of the family and from the information thus gleaned they start out to patronize the shrewd business men. The man who don't advertise is benefitted by the boosting of the other fellow but he ought to help.

We've a great shoe bargain aggregation here now. Every buyer gets his money's worth and then some.—A. Rumford, Watford.
Mrs. H. W. Nixon, wife of the manager of the local branch of the Sterling Bank, got a big surprise on Sunday morning when she was notified by phone from Port Huron that she was the winner of the Studer sedan car given among other prizes, by the merchants of that city to purchasers during the month of June. Shoppers signed a ticket when making a purchase. These tickets, 600,000 in all, were placed in a large vat on the street, and on Saturday night a small child was taken out of the crowd and placed in the vat. After the tickets had been well mixed up the child drew out one, which proved to be signed by Mrs. Nixon and entitled her to the car. Mr. and Mrs. Nixon went to Port Huron Monday morning and were given the car without any delay. The car was invoiced in the amount of \$1795, and when brought to Canada the duty paid is worth \$2,500. The purchase Mrs. Nixon made was the first ever made by her in Port Huron. She is now receiving the congratulations of her many friends.

July specials in Boys' Suits, size 28 to 34, \$6.75.—Swift's.
Watford has always been a good shopping town, and of late years has been gradually improving. Since the pavement was put down, Watford's out of the muddy Main street has been removed, and many persons from the surrounding country come here regularly who previously went elsewhere. The Saturday night crowds are exceptionally large and visitors appreciate the excellent parking arrangements provided. On these occasions you can meet almost anyone you want to see who lives within a radius of a dozen miles. Everyone seems to be out to do their trading or shopping, and have a real old-fashioned visit with neighbors and friends. "Meet me in Watford Saturday night," seem to have been adopted as the slogan of Brooke and Warwick. One is lead to seek the reason of this happy, eager, hustling crowd of shoppers in Watford every Saturday night and it is gratifying to see the hustling folks getting their supplies, exchanging the gossip of the neighborhood and gathering in groups to talk about crops and family matters. The merchants say the large stocks they keep and the reasonable prices asked for their goods is partly the answer. However, the people say that Watford is a popular place to come to, that they are always well treated, that the glad hand is always out, and that they get better service here than elsewhere. Whether this answers the question or not the fact remains that the popularity is widening and the men endeavoring to keep pace with the times and put out such inducements in the buying line that will keep Watford in the proud position that it now occupies as the best business place of its size in Western Ontario. Everyone is welcome and the citizens of the village appreciate the generous patronage of the countryside.

RESULTS PROVINCIAL ELECTION, 1923.

LAMBTON EAST
Official Count, July 4th,
Following are the official figures of the election held on Monday, June 18, as issued by Returning Officer Tedford of Alvinston.

Two terrific bolts of lightning badly frightened guests at Mrs. Young's Chateau la Rose, Amherstburg, on Sunday afternoon, and a man and his little daughter had a narrow escape from instant death. They were walking a few feet apart on the lawn among the trees when the flash came directly between them. The girl's hair was singed with the fire, and both were so shocked and frightened they returned at once to their home in Detroit. The second bolt went through Mrs. Young's kitchen, where she was working alone. She felt the electric charge plainly and her arms were rendered numb from hand to elbows.

DEATH OF MRS. JAMES ANNETT

On Sunday, July 1st, death called Mrs. James Annett from her earthly home on Huron street, Watford, in her 86th year, after a lengthy illness.
Mrs. Annett whose maiden name was Eleanor Walker, was born at Newbline, near Kingston, Ont., in the year 1833 and with her parents and family moved to Onondaga, Brant Co., at the age of four. In November 1865 she was married to James Annett of the 12th concession of Brooke and there lived till 1912 when they retired and moved to her late residence on Huron street, Watford.
She is survived by a bereaved husband, three daughters, Mrs. Philip E. Fuller of Watford; Mrs. James Arthur Kersey, Warwick, and one son C.R. Annett of New York City, also fourteen grandchildren and five great grandchildren.
Funeral services were held at her late residence Tuesday at 2.30 and interment in Watford cemetery. A very large number of her relatives from the old home neighborhood, Florida, New York, Fort William and many distant points attended, also practically all her neighbors from the old homestead surroundings in Brooke, speaking in no uncertain terms the esteem and respect held for her by all those who were privileged to know her as a loving affectionate mother and neighbor. The bearers were her son, C. R. Annett, her three sons-in-law, Philip E. Fuller, James Hair, Arthur Kersey, and her two nephews, James and Thomas Walker of Onondago.

Mr. Lindsay Newell and bride of Detroit, spent a few days of their honeymoon last week with his aunt, Mrs. H. T. MacLachlan, 10th line east.
The new pastor of the Brooke Methodist circuit, Rev. Jas. L. Foster, whose former charge was Varna, commenced his ministry in the circuit last Sunday and was warmly received by the congregations of Walnut, Salem and Bethesda.
James Wiley of Detroit, Mich., died at his home on June 26th, having suffered many months with cancer of the throat. He left to mourn his loss a wife who during his long illness, proved a faithful and comforting helpmate. He was a nephew of the late Mrs. Richard Morris of Warwick, Wm. J. Morris and wife of Sarnia, Mrs. Kearney and son Roscoe of Watford, attended the funeral.

Mr. Fred Cook lost a valuable steer by lightning on Tuesday afternoon.
Mrs. Jane Bryson of Warwick is visiting with her sister at Niagara Falls, N. Y.
Mr. and Mrs. Sidney Barnes and family spent a day recently with friends in London.
Mrs. Morris and Mr. Richard Ligsley of Sarnia spent a day with Mr. and Mrs. S. Barnes.
Mr. Lee A. Cook of Detroit is spending a week's vacation at the home of his parents, Main road.
Mrs. W. J. Stewart of Calgary, visited with her niece, Mrs. Sidney Barnes and other relatives recently.
Mr. and Mrs. Green and Mr. and Mrs. A. White of Bad Axe, Mich., visited their cousins, Mr. and Mrs. Fred Cook, Main road.
Mr. and Mrs. John Muxlow and family and Mr. Paullay of Strathroy Mr. and Mrs. Dingham and family of Mt. Brydges and Mr. William Muxlow of Bothwell spent Sunday with Arthur Muxlow, Gordon and Merritt Muxlow remaining to spend the following week.
The regular meeting of the Warwick Women's Institute was held in the town hall, Warwick, on June 14. The meeting opened with the Maple Leaf followed by prayer. General business was transacted. Mrs. Main favored us with a solo "My Ain Wee House." The next meeting will be held on Thursday, July 12th, at 8 p.m.
On Friday evening June 29th, an exciting basketball game was played between the sixth and fourth line girls at S.S. No. 6, Warwick. The game was refereed by Mrs. A. Sisson. The score for the game was 7-5 in favor of the sixth line girls. The line up: Sixth line—Rheta Higgins, Lena Bryce, Mabel Bryce, Annie Higgins, Audrey King, Estelle Acton, Nettie Shea. Fourth line—Mary Smith, Gertrude Manders, Mrs. Cecil McNaughton, Mildred Duncan, Agnes Bryce, Marguerite Smith, Hilda Morris.

Two barns, stable annex and garage belonging to Dan McKeellar, 2nd concession, Bosanquet, a couple of miles south of Thedford, were totally destroyed by fire shortly before midnight Sunday night. Two motor cars and about 15 tons of hay were also destroyed. A new car which was in the garage was the only thing saved. The fire is supposed to have originated from spontaneous combustion of the new hay. Slight insurance.

FRIDAY, JULY 6, 1923

The Sydney Steel and Coal Strike

Most of the readers of The Guide-Advocate have no doubt been reading the dispatches in the daily press this week about the striking and rioting of the steel workers employed in the big steel plants of the British Empire Steel Corporation at Sydney, Cape Breton. We have read all about troops being rushed from Halifax and even from our own midst (London, Ont.) for the express purpose of quelling the riots and to protect the property of the corporation from the frenzied mobs. Then we read of a British warship being dispatched from St. John's, Newfoundland, to suppress the uprisings, and we wonder why should such things be in Canada and what are the reasons for all this controversy. We have no doubt that every one of the publishers of the Canadian Weekly Newspapers Association who had the privilege of inspecting the wonderful plants and mighty industries of this Corporation at Sydney while on their tour of the Maritime Provinces during the past few weeks, came home and read with greater intelligence these thrilling reports of lawlessness and wilful destruction of valuable property than we gave to almost the same news reports last summer when the same condition arose.

Two weeks ago the Weekly Press party spent two full days visiting the immense steel plants, the blast furnaces, the coke ovens, the steel rod, wire and nail plants with kindred industries, at Sydney and the coal mines, miners' homes and getting an insight into living conditions generally in this eastern extremity of Canada. While we cannot come back to Old Ontario and wisely point our finger at the root of this trouble, we can form individual opinions from personal observations of things we were supposed to see and many things we were supposed not to see. In a nutshell, the strike centres around a difference between the Organized Labor Unions of the Steel and Mine Workers and the British Empire Steel Corporation. About the only principal "bone of contention" seems to be "shorter hours and higher pay," but digging deeper we find that sinister, red undercurrent of eruption against society that seems to be steadily revealing itself in various parts of the country. The publisher of the Guide-Advocate talked with steel workers who, passing through their section of the plants, questioned men in the blast furnaces in the yards, in the coke ovens, in the coal collieries of New Glasgow and even inspected miners' homes, and on the whole we found very little dissatisfaction in fact as one man put it, when a strike was called by the union officials the majority of the men stayed at home because they were afraid to be found at work. Wages in all departments are as high as in any part of the country, ordinary laborers earning as high as \$4.00 per day, with a rising scale to expert mechanics at \$12 and \$14 per day; and the same may be said of the coal area. We found that wages were based accordingly and were indeed considerably higher than we have been lead to believe back here in Ontario. We have all read gruesome reports in various papers depicting the terrible conditions under which the miners live; that they are a poor, ignorant lot, laboring under conditions to which no other man would submit, living in hovels, with their families half-starved and naked.

Everything we had the privilege of seeing with our own eyes brands all these descriptions as "tommyrot." When we state that every publisher and his good wife walked through these various plants and down in to the coal shafts at New Glasgow in their multi-colored holiday togs this dispels the filth and dirt story. As for ignorance, most of the workers spoke French but readily changed to fluent English whenever questioned on any point. Although this strike cloud has been hovering for some time, and although there were at some instances open looks of hostility between occasional workers and plant officials who guided us through, and although these men were aware that our party of over two hundred newspaper men and women were there as guests of this huge corporation, every one of them was ready to answer any question with a smile, and when you picture a bunch of green printers' devils from Ontario who had never seen soft coal before, nor 100 lb. steel rails run out at the rate of 520 per hour, nor twin rivers of steel and iron flowing out of the huge blast furnaces, nor huge steel rods drawn down to the size of wire that Fred Mahony's boys and girls twist up into all sorts of kitchen utensils, down here at our own local Works, nor seen 7 1/2 tons of coal converted into coke in 7 minutes, nor seen these ingenious little ma-

chines rattling out various sized nails at a terrific rate, you can well imagine all the foolish questions we all fired at them, and when we come back home again and think of the innumerable times that each and every one of us displayed our absolute ignorance, no wonder they smiled. But they no doubt realized, as did their employers, that with the coming of this representative gathering of the press from every province and county of the whole Dominion, here was an unexcelled opportunity for each of them to give us all the information we desired and could carry away, and when a few of us were bold enough to suggest to our driver that we would actually like to inspect the interior of some of these so-called poor down-trodden miners' homes, he was perfectly willing to see what the good miners' housewife thought of it. After explaining our desire and purpose, and waving aside her embarrassment and apologies, we entered and she conducted us through the entire home. Whatever the good miner thought when she informed him of our intrusion we cannot say, as we were away down on the beautiful Bras d'Or Lakes, by that time. Without being too intimate in our description of this good lady's home, we can truthfully say that Harper Bros., our local furniture dealers, would revel in the joy of equipping every home in East Lambton with similar furnishings. There were excellent rugs on the floors, both a player-piano and a victrola in the living room, an abundance of first class furniture through out every room in the house, and on the whole, looked like one of those happy contented homes that every young couple craves. The majority of the homes are rented from the Company and the highest rent is \$8.00 per month, which also includes water, electric lights, running water, many more bathrooms than we can boast, and joy! O Joy! they buy coke all

the year round from the Company for \$2.25 per ton! Can you wonder that some of them are still dissatisfied?

NEW MUNICIPAL LEGISLATION

Owing to the rather abrupt dissolution of the Legislative Assembly, a smaller quota of amendments than usual was passed.

The Municipal Act authorizes county officials to pass by-laws fixing the date of the first meeting of the council to the Monday next preceding the fourth Tuesday in January.

Retiring allowances for municipal officers have been extended and grants may now be made by councils to hospitals in any municipality; provision is also made for the licensing of food shops.

The Assessment Act provides for adjustment of business assessment in case of a manufacturer who is also a retailer. Township councils in future may have assessment made between May 1st and September 30th.

The Municipal Franchise Act provides that in all cities, the names of persons who are municipal electors under the Municipal Franchise Act, 1922, may be entered in a separate or supplementary roll.

The Local Improvement Act is amended to allow for estimates of cost of unfinished work and unsettled claims in respect of land affected by work undertaken under the provisions of this Act, and also gives councils authority to amend by-laws to complete only part of a work, outlined in an original by-law.

The Municipal Arbitration Act provides that proceedings begun under this Act shall not be discontinued by reason of the death of an official arbitrator, but that award shall be made by his successor; and provision is made for the appointment of a deputy official arbitrator, and his duties defined.

The Community Halls Act enacts that where a community hall, or a

THE STERLING BANK

OF CANADA

SAVE, Because—

The path of wise economy is the shortest route to comfort.

hall and athletic field have been established for a school section, a township council may vest the property in the board of trustees.

The Public Health Act gives the Provincial Board of Health fuller control over the inspection of public water supplies in the province, and provision is made for the abatement of nuisances in respect of same, upon recommendation of the provincial board. Commencing March 1st, 1924, provincial board may make such regulations as may be deemed necessary in connection with the manufacture of beverages. A permit shall be obtained from the M.O.H. and the local Board of Health before any person engages in the manufacture, for sale, of carbonated waters, etc., or any dry substances in concentrated form, for the manufacture of any non-intoxicating drinks.

The Rural Hydro Electric Dis-

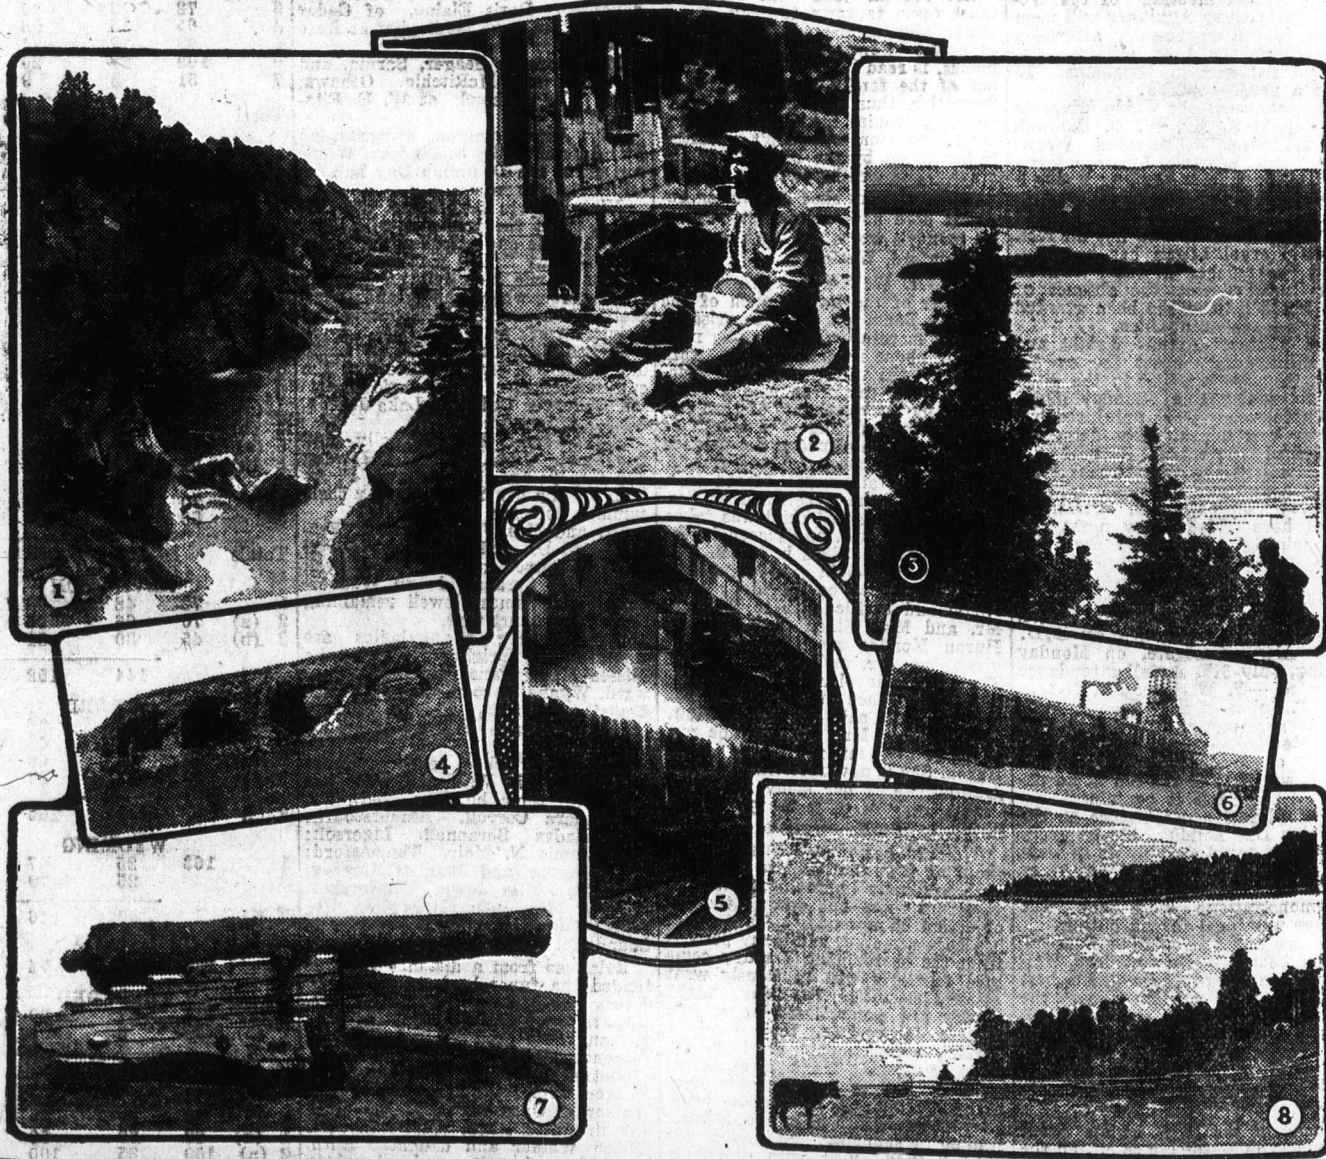

tribution Act specifies certain grants to a municipality which is a distributor of electrical power.

The Adolescent School Attendance Act relieves rural adolescents under certain conditions, from attending school.

The Tile Drainage Act increases the borrowing power of councils for work initiated under this Act, and slight amendments are made in the Registry Act whereby a registrar shall provide certain township officials with a list of conveyances of the next preceding year, at a fee of five cents for each instrument in the list.

The Highway Traffic Act, 1923, is a consolidation of: (1) The Motor Vehicles Act; (2) The Load of Vehicles Act; (3) The Highway Travel Act, and (4) The Traction Engine Act, and comes into force on December 31st, 1923.

Cape Breton Island - The Front Door of Canada

1.—A typical bit of rugged coast scenery in Cape Breton. 2.—Cape Breton Indian making butter pails. 3.—One view of the Bras d'Or Lakes. 4.—Ruins of old Fort Louisburg. 5.—Pouring molten metal Sydney Steel Mills. 6.—A coal mining plant near Sydney. 7.—One of the old guns at Fort Louisburg. 8.—Another view of the beautiful Bras d'Or Lakes.

There are few spots in Canada with greater romantic history than Cape Breton Island, through which, to Sydney and return, members of the Canadian Weekly Press Association travelled recently over the Canadian National Railways.

Before Columbus discovered America, Basque and Breton fishermen explored its harbors and there are many traces which indicate that as far back as 1,000 A.D. the venturesome Norsemen cruised its shores. When Shakespeare was writing his plays there were more than 300 English vessels fishing off the Cape Breton coast and French and Spanish fishermen had their recognized harbors along the seaboard. In the sheltered coves along the quiet salt water lakes, privateers and gentlemen-at-arms roved, building up a wealth of rich romantic tradition which still clings to its shores. While the French revolution in America was the greatest fortress in America was being built on this tiny little island, Louisburg is the historical center

of Cape Breton. Its erection cost more than \$25,000,000 in current valuation of money, and although it was commenced in 1720 it was not until 20 years later that it was completed. In 1744, when war broke out between England and France, it was attacked and captured by an expeditionary force comprised entirely of volunteers from New England. It was returned to France in 1848, but 10 years later was attacked by a British war fleet and again captured. With this fleet were General Wolfe, later conqueror of Quebec, and Captain Cook, whose name is linked forever with exploration and discoveries in the Pacific Ocean. Britain, however, considered the fortress too strong to take further chances with it and ordered it razed. Although a party of engineers, employing hundreds of men, worked for months at this task, the remains of its vast defences are still able to tell the tale of the valorous past.

Included within the term of "The Sydneys" are three towns, namely, Sydney, North Sydney and Sydney Mines. An important town which can lay claim to be within the district is Glace Bay, fourteen miles from Sydney.

Sydney is the principal city of the island. It is the Eastern terminus of the Canadian National Railways and a sea port of importance. It is the centre of the steel making industry of the Dominion, and around it, in a limited area, are situated eighteen or twenty of the greatest coal mines in North America. The industry is one which is growing in importance every year and one which contains unbounded possibilities, there being unworked as yet, a huge submarine coal field under the straits which separates Cape Breton from New-

foundland. Access to all points of interest and entertainment is made easy by the Canadian National Railways. There is an abundance of fine trout and salmon fishing as well as small game hunting.

Much of the route lies along the borders of the far-famed Bras d'Or, the great inland salt water lake of Cape Breton. The Bras d'Or waters have a surface area of 450 square miles, the width varying from less than a mile to 18 miles. So, too, does the depth vary, soundings having been taken at a depth of 700 feet in one part of Little Bras d'Or. The length of these lakes is about fifty miles, its waters being sheltered from the ocean, of which it forms a part, by hills of great beauty. Along its length it expands into bays, inlets and romantic havens, while picturesque islands dot its surface, singly and in fairy clusters. Along this stretch of country nothing is common, nothing tame, all is tuned to play upon the emotions the strings of keenest pleasure. Every variety of landscape meets the eye and the senses are never wearied. The scenery along the Bras d'Or route of the Canadian National Railways is unquestionably one of the most diversified and beautiful in the Dominion.

Pastor Gerries' congregation presented him with a fur coat. Joe Rainey of Metcalfe had team killed while crossing railway track at Strathroy.

(Concluded on Page Four.)

Canada Confident of the Future

CANADA is endeavoring to regain her after-the-war stride in the midst of many difficulties, — debt, deflation and depression being some of them.

Quack remedies and academic theories beset her path on every side. Some suggest that our debt worries can best be eased by going further into debt. Others preach blue ruin, decry their own country and indulge in mischievous propaganda generally, while still others look for a new social order or some miraculous sign to indicate a better coming day—all this in apparent forgetfulness of the fact that just as there was no royal road to win the war, there is now no royal road to pay for it or regain our former buoyancy, vigor and confidence.

Some are leaving Canada hoping to escape taxation, only to find there is no escape anywhere. In seeking for easy remedies too many of us overlook the fact that the greatest remedy is honest, hard work faithfully and intelligently performed, accompanied by old-fashioned thrift.

It takes time, it takes patience, it takes grit. But every Canadian knows in his heart that Canada is coming through all right.

Our Experience Proves It

Look back over the path Canada has trod. The French Colonists, cut off from civilization by 3,000 miles of sea, faced a continent—a wilderness—without the aid of

even a blazed trail. They had to fight savages, frosts, scurvy, loneliness and starvation.

The United Empire Loyalists subdued an unbroken forest in one generation, growing their first wheat amid the stumps and snags of the new clearing.

The Selkirk settlers came to Manitoba when the prairie was a buffalo pasture, and grew wheat where none had grown before and where those who knew the country best at that time said wheat would never grow. Today the Canadian prairies grow the finest wheat in the world.

In proportion to population Canada stands to-day among the wealthiest nations in the world, with average savings on deposit per family of \$800. Canada's foreign trade per head of population stands amongst the highest of the commercial nations, being \$192 per capita in 1922-23, as compared with \$135 in 1913-14, the "peak" year before the war.

New Opportunities for Canada

In Canada, although prices in the world markets fell below war level, our farmers reaped last autumn the largest grain crop in Canadian history, and Canada became the world's largest exporter of wheat, thus in large measure making up for lower prices.

Last year, Great Britain, after an agitation extending over thirty years, removed the embargo on Canadian cattle, and a profitable and practically unlimited trade is opening up for Canadian stockers and feeders.

"The 20th Century belongs to Canada"—if Canadians keep faith.

The next article will suggest practical opportunities for profit making on our Canadian farms.

Have Faith in Canada

W. R. MOTHERWELL, Minister. Dr. J. H. CRISDALE, Deputy Minister.

WONDERFUL RESULTS FROM TWO WEEKS TREATMENT

Mr. Burrell Suffered Untold Agony From Sciatica, Rheumatism and Lumbago—Dreco—the Only Remedy that Helped Him—Rapidly Resuming Normal Activity.

Tortured cruelly by sciatica, rheumatism and lumbago, Mr. F. Burrell of 509 Ottawa Avenue, London, like many another workman, was forced to hide his sufferings and carry on with his daily toil. He had a family to support. Little did any one, except his wife, realize the effort it was costing him as he left his home each morning with only grim determination between him and a breakdown. A year and four months he carried on without a change, though medicine after medicine was tried. Then Mrs. Burrell heard of Dreco. Let her tell you of the wonderful results it achieved in two short weeks.

"My husband suffered for the past year and four months with sciatica, lumbago and rheumatism. He had terrible pains across the back, just over the kidneys so that at times he could hardly get around. He was constantly taking laxatives, his appetite was miserable and very seldom did he get a restful night. Nothing helped him until two weeks ago I heard of Dreco and persuaded him to try it. Now he is like a new man. The pains in his back and limbs are almost gone, his bowels are like clock work and he sleeps like a tired child. No other remedy has ever gone to the bottom of his troubles like Dreco. It has worked wonders and I gladly do we praise it.

Men and women of all ages and conditions can once again know the joy of a springy, pain-free, healthy body by allowing Dreco, the natural herb root remedy, to tone and regulate their whole system. Its gentle action gives immediate relief to the most obstinate cases of stomach, liver, kidney and intestinal disorders. Dreco is being specially introduced in Watford by Siddall's Drug Co. and is sold by a good druggist everywhere.

KERWOOD

Misses Vera and Babe Manicom and Mr. Alton Oliver of Sarnia spent Sunday at Mr. Wm. Manicom's.

Mr. and Mrs. Irwin Little of Flint, Mich., were guests of Mr. and Mrs. G. J. Dowding over Sunday.

Mr. Robt. Dell of Sarnia is visiting his niece Mrs. Wm. McLaughlin.

Miss Thelma Brunt of Windsor is home for the holidays.

The Mission Circle will meet on Saturday afternoon at 2.30 at the home of Miss Mildred Morgan. A good attendance is requested and a collection will be taken.

The new pastor, Rev. Brookes will take charge of the services both morning and evening next Sabbath.

Mr. and Mrs. H. Eastbrook have returned from visiting friends in St. Thomas and London. They were accompanied by Miss Helen Johnson of London.

The W.M.S. will meet at the home of Mrs. I. Morgan on Thursday, July 12th. A good attendance is requested.

Mr and Mrs. G. J. Dowding have returned after spending a few days in Detroit.

On Tuesday evening of last week the congregation of the Methodist church met in the church to bid farewell to their pastor and his wife. Several hours were spent in games and an impromptu program, at the close of which Mrs. Moorehouse was presented with a silver tray and sugar shell by the choir, and Mr. Moorehouse a generous sum of money from the congregation. The ladies' aid had previously presented Mrs. Moorehouse with a handsome purse. The best wishes of all follow them to their new field of labor.

A very large congregation turned out Thursday evening to welcome the new pastor, Rev. Brookes also to attend the Women's Missionary meeting. A very pleasing program was given. The president, Mrs. S. Langford, very ably took charge. Mrs. Jas. Richardson gave the address of welcome to the two visiting societies, Bethesda and Cairnholm. Mrs. Silas Martin delighted all with a solo and Mrs. Howard McLean gave a reading in her usual good style. Mrs. O'Kell gave a talk on Missions and Miss Sparling, a returned missionary, was interesting and instructive. Mrs. O'Kell also gave a talk on missions. Mr. J. J. Foster gave the

address of welcome to our new pastor, who very ably responded. After the meeting all repaired to the basement where the ladies served strawberries and cream, the tables looking very pretty with their decoration of roses.

ARKONA

Mr. John L. Fuller motored from Toronto to Muskoka Thursday of last week, with Mr. C. H. Barnes and family. He purposes remaining in Muskoka two or three weeks.

Mr. Geo. Evans and wife of Durand, Mich., visited the former's parents, Mr. and Mrs. Wm. Evans last week.

Mrs. Otto Schmidt returned from Stratford after spending a month with her mother, Mrs. John McKay, who has been ill from the effects of a stroke.

The Arkona and West Adelaide Presbyterian Sunday Schools held a picnic at Hillsboro, Saturday, June 30. The weather was ideal and those present enjoyed a good time.

Men's fine straw sailor hats at Fuller Bros.

Mrs. F. U. Davidson, who has been visiting her daughter, Mrs. Andrew Barnes, Toronto, for the past two months returned to her home last Friday and the following Tuesday went to Flint to visit her sister Mrs. Mark Hackle.

Mr. Fred Nelson made a business trip to London this week.

Mrs. Drew of Detroit is visiting Miss Lillian Johnston.

Mr. and Mrs. Jas. Evans motored to Durand on Monday last with Mr. Geo. Evans who has been visiting in town a few days.

The lawn social on the Baptist church grounds Friday evening of last week, was a decided success. The Wright Bros. are splendid entertainers and all present enjoyed a musical treat.

A MOTHER'S HEALTH NEEDS GREAT CARE

Care of Home and Children Often Causes a Breakdown.

The woman at home, deep in household duties and the care of motherhood, needs occasional help to keep her in good health. The demands upon a mother's health are many and severe. Her own health trials and her children's welfare exact heavy tolls, while hurried meals, broken rest and much indoor, living tend to weaken her constitution. No wonder that the woman at home is often indisposed through weakness, headaches, backaches and nervousness. Too many women have grown to accept these visitations as a part of the lot of motherhood. But many and varied as her health troubles are, the cause is simple and relief at hand. When well, it is the woman's good blood that keeps her well; when ill she must make her blood rich to renew her health. The nursing mother more than any other woman in the world needs rich blood and plenty of it. There is one way to get this good blood so necessary to perfect health and that is through the use of Dr. Williams' Pink Pills.

Mrs. W. T. Riley, R.R. No. 1, Apple Hill, Ont., has proved the great value of Dr. Williams' Pink Pills to mothers, and tells her story as follows:

"Two years ago, after the birth of my boy, I became very weak and run down. Gradually I lost weight and energy until I was unable to do my household work. I could not sleep, my nerves would twitch and jump so that I arose in the morning with heavy aching limbs and head. Indigestion helped to make the misery worse, and my heart would palpitate terribly. I doctored steadily for a year without getting better, but just dragged along feeling that I would never be well again. But one lucky day, on the advice of a friend, I began treatment with Dr. Williams' Pink Pills. I have taken only six boxes, but I wish you could see the difference. I am now able to do my work, go about and enjoy myself. I feel so entirely like a new woman that I advise every weak or ailing woman to try Dr. Williams' Pink Pills and I know they will get beneficial results."

If you are ailing, easily tired or depressed it is a duty you owe yourself and your family to give Dr. Williams' Pink Pills a fair trial. What this medicine has done for others it will surely do for you. You can get Dr. Williams' Pink Pills through any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

CHOP STUFF

Sunday, June 24th, the Parkhill Baptist church held its fifty-third anniversary. The services were conducted by the Rev. Mr. Jones, of Arkona, who preached two very interesting and instructive sermons.

The R. C. parish of Sarnia has been divided, the new parish being named St. Joseph's and will comprise the territory south of Wellington street from the St. Clair river east to the boundary of the old parish of Our Lady of Mercy.

A horse driven by Alfred Kettle became alarmed on July 2 and ran into the large show window of C. Humphrey & Co., Petrolia, completely demolishing it. The horse escaped with severe cuts while the damage is estimated at about \$70.

Loewie Frederick, a native of Caradoc, and for a time a teacher and business man of Glencoe, died at his home in Seattle recently. He was in his 48th year. He leaves his wife, formerly Miss Hannah Sutherland, three sons and two daughters.

Dorothy Amos of Lieury climbed a pear tree to look at the wee robins in a nest and on descending a limb broke and she fractured both bones of her arm a few inches above her wrist. Dr. Racey was passing at the time and had it set in fifteen minutes after the accident.

Fifty-two candidates throughout Canada were successful at the June examinations of the medical council of Canada and are now to be registered on the Canada medical registry. Those from this district are D. M. Campbell, Strathroy; W. L. Graham, Lobo; R. J. Neelands, Forest.

The death occurred at his home in Detroit last week of John W. Campbell, one of the prominent residents of Glencoe in the early days of the village. At the first election in Glencoe after incorporation, which was held in January, 1874, Mr. Campbell was elected reeve.

The Ford dealers of Lambton County will hold their annual picnic at Lake Huron Park on Wednesday August 1. This picnic was held last year at Bright's Grove and was the largest ever held in Western Ontario. Twenty thousand people are expected to turn out for this year's big event.

While thinning sugar beets near Comber, Jacobus Leunis, twenty years old, out from Holland nine days, was stricken with the heat Monday afternoon, June 25, at four o'clock, and died one hour later. The deceased drank a pint of cold well water, and continued working without taking a rest, and collapsed in fifteen minutes.

The tobacco acreage in Kent county, according to reports from the agricultural representative will be much greater this year than last. The farmers of South Kent, particularly are growing more tobacco to make up for the loss of their wheat which was killed by unfavorable weather at the beginning of the present year.

Overcome by heat while working in a beet field near Comber, Jacobus Neutius, 21 years old, an employee of the Dominion Sugar Company, died Tuesday morning in Hotel Dieu Windsor. Neutius was found in the field late Monday night. His identity was not established until officials of the company visited the Windsor hospital, after death.

Miss Mildred Malroy, who has resigned her duties as organist of West Adelaide Presbyterian church where she has filled the position the past ten years was taken by complete surprise on Friday morning previous to her marriage, when she was waited upon by Rev. Mr. Gale, on behalf of the members and adherents of the congregation; and presented with a purse of money in token of her good work.

What is apparently a new kind of insect pest has made its appearance in Perth county. So far it has only been found on one farm and that is in Perth township. For want of a better name the new pest has been named a root maggot. It has been found in potatoes in the form of white larvae, 20 or 30 in a bunch. Efforts are being made to develop the larvae and see what it really is and what can be done to check it. So far as they know it is a new thing in this part of the country.

A granite mausoleum costing \$10,000 is being erected in the cemetery at Wyoming on the Moore plot. It is being built by Mr. A. Moore of New York, formerly of that village.

Work has been commenced on the new bridge at the foot of Cadman's hill, on the provincial highway, over the Sauble river. The old bridge will be taken down on the completion of the new one and will replace the one over the river at Hungry Hollow. The building of the new structure will not interfere with travel on the provincial highway at that point.

Lawton McDonald, eighteen years of age, the son of Mr. and Mrs. Andrew McDonald of Harwich township met his death by drowning in the Rondeau Bay at Government Park late Tuesday afternoon.

Young McDonald, together with a number of other young men, were in bathing near the park dock when he got beyond his depth and sank without being missed. The body was recovered a short time afterwards.

Robert Whiting of Sarnia has been appointed High County Constable.

The 1-year-old son of a Mr. and Mrs. Richards, near Leamington, was badly scalded Wednesday about the neck, both shoulders and the left leg between the knee and ankle. While a pot of baked beans was being removed from the stove, some of the contents in some way, spilled on the child.

SEVERAL DWELLING HOUSE properties in Watford and a few farms in this vicinity for sale. Before buying elsewhere apply to W. E. Fitzgerald, Barrister & Co., Watford, Ont.

For the very best Ice Cream and the nicest dishes and most Cooling Drinks, try our parlors these hot days! Fresh Cakes and Good Bread Every Day. LOVELL'S BAKERY & CONFECTIONERY

The 'Fly' Cop. HERE we have I. Knockem Dead, the fearless fly hunter, with his famous Flyosan fly gun. Mr. Dead takes considerable credit himself but it is really Flyosan that flies fear. Flies just can't stand Flyosan. A few sprays of this wonderful non-poisonous liquid will clear any room of flies inside of five minutes. Flyosan's pleasant aromatic odor quickly disappears when a room is aired. It will not stain. It kills practically every kind of insect pest such as mosquitoes, roaches, bedbugs, ants, moths and lice. Get a can today. A complete outfit containing a pint of Flyosan and sprayer costs only \$1.00.

All Children Free on Monday, September 10th. This will be the Big Year for the Exhibition. Everybody Come. All Information from the Secretary J. H. SAUNDERS, President. A. M. HUNT, Secretary.

Canadian National Railway's Solid Steel Press Special. (Image of a train)

at train was that which carried delegates to the annual Canadian Weekly Newspaper Association, through the Atlantic and back to Toronto. It was composed of the best of the Canadian National Railways could furnish. There were sleepers of the latest design, two modern diners with specially equipped baggage car, a tourist car for the use of a locomotive engine of the transcontinental type. From the engine to the last car was the subject of many compliments from all on board. Accompanying the delegates were the following members of the Canadian National Railways staff: C. K. Howard, General Tourist Agent; Montreal: F. W. Robertson, General Passenger Agent; Moncton: A. H. Lindsay, Advertising Agent; Moncton: H. C. MacFarlane, District Passenger Agent; Halifax: F. L. Douglass, Travelling Passenger Agent; Moncton: G. E. Leash, Publicity Representative, Montreal.

NOTE AND COMMENT Be flush and the world is with you. Be broke and you must go it alone.

Two million nine hundred thousand persons in Great Britain are drawing disability allowances, costing \$160 a head.

In the early eighties at a charity bazaar in Baltimore, patrons were allowed to talk over Mr. Bell's telephone for 10 cents. Only \$10 was realized, however, as most people ridiculed the invention.

Do women appreciate the privilege they have of voting for parliamentary candidates? In Amherst there were 1508 names of all persons on the lists eligible to vote on Monday. It is safe to assume that 700 of these were women, and of these 154 exercised their franchise. The position taken by the late lamented James Pliny Whitney seems to be justified by history when he set his face against extending the franchise to these women and of these or didn't want the vote.

Talk meters are being installed telephones and it is claimed that measure conversation after the fashion that other meters in the house measure gas, electricity a water. The new instrument is known as the telechronometer, and as fully per cent. of all telephone conversation is either unnecessarily long or frivolous, the new invention would work a saving to the operator. Every time the receiver is taken off the hook on a party line, the meter begins to operate. The eavesdropper will be charged as much as if he had made the call.

Halifax Chronicle: Canada may well take a leaf from the book New Zealand's example in restoring the "penny postage" rate. The rate in Canada has remained at ten cents, but there is a cent tax that makes the postage equivalent to three cents. It is possible that the ten cent rate would result in an increase in the letter business that would more than make up for any loss sustained by the lower rate. That was the result when the two-cent rate was established by Hon. Willie Mackay, when Postmaster-General. Similar reduction, at all levels, would be welcomed by the public. Why not give it a trial?

Toronto Saturday Night editor discussing this terrible condition society concludes his deductions with the remark that the youngsters must be running the homes and not the parents. He is not far astray. Juvenile depravity and crime have their origin in homes where parental strain and control are lacking. This was an old time method that seemed to succeed with a fair amount of regularity. Children were simply to be bed and they remained there and if there was any fuss, it was easily cured by a liberal application of a strap or slipper. Parental authority seems to have collapsed; the children are performing going at astonishing pace to the bad. Parents are the sinners.

Ottawa Journal: More than fifty years have passed, and we are able to measure with a good deal of accuracy what the Mother Court has done in the way of clearing her problems. As a basis to what followed, she last year balanced her budget, and had a surplus of \$10,000,000. She has funded her debt, other countries, and has got along on a plan of systematic payments. In particular, she has made adjustment with the United States which provides for the reduction of her debt every year. True to her pledge, the first semi-annual payment for 1923 reached New York other day. It makes one's bling tingle with pride to see such a demonstration of courage and dignity.

GET NEWS IN EARLY People who think that a local newspaper like the Guide-Advocate is up in a day or two have a small conception of the amount of mechanical work required to get out a paper. Even with the fast linotype machine it means that work is going ahead in the preparation of the paper until the last day and expect to see in print. Often enough, the type is left out and the contributor is blamed and sometimes "hurt." If you were to attempt to handle this old material on publication day, it would mean holding-over an entire volume of last minute news. You realize the situation as outlined here in a few words, wouldn't a thoughtfulness sometimes help a derfuh?

YOU HAVE TRIED THE BEST NOW TRY THE BEST. CHIROPRACTIC DR. A. C. ANDERSON, D.C. Adjustments for all Ailments. Watford Office, over Mr. Rog's Grocery Store Monday, Wednesday and Friday 9 to 11 a.m. New patients please come early.

Swift, Sons & Co.

Slats' Diary

By Ross Farquhar

Friday—I took a long walk and winded up by stopping at the grave yard, and had a long talk with the Janitor of the same and we got to talking about 1 thing another & he said Sunny if these here dead people could raise up and talk they cud tell you a awful lot. I sed Well if they wood raise up and wanted to tell me enny thing they wood half to tell it by telephone. Or emby Radio.

Saturday—Ma went away to spend the weak end with sum friends of hern & a good time has ben had by pa and me so fur. When she went it was like a Bank holiday, we dont sprinkel the lawn or wash the dishes or etc. but of coarse we will be glad to see her when she returns back again.

Sunday—Pa says mebbey we will move some place another 1 of these days. I dont care much where it is but they are 1 town I dont want to go and live in and that is called Am bush. Every nite in the nosepaper I here pa read about sumbuddy getting shot frum Ambush. I spect they are a lot of Bootleg wiskey there mebbey.

Monday—Pa says we simply got to economose next winter more than formerly in the past. I think I will offer a suggestion to him. I offen herd him say it costed a hole lot to send me to skool so I am going to offer to stay out next yr. Then mebbey we can get a new 2ond handed ford.

Tuesday—Jane & me dussett tawk much enny more. We went out to the picnick on the buss today and it was awfully crouted. I managed to get a seat but Jane suddent find none and when we got there she woodent have no more to do with me. After I had spent a good dime on her.

Wednesday—Went to a speaking tonite to here a polished Orator. I offen wandered what they ment by a polished Orator but now I gess I no what it means. For this fellow had a ball hed witch sure did shine.

Thursday—I ast pa what the sientests ment by the Conversation of Energy and he sed Well I cant xactly define the meaning of it but if you was ever at a woman club meeting or a afternoon matiny why you will redly understand what they mean by Conversation of Energy.

BOSANQUET COUNCIL

guests of the latter's mother, Mrs. S. Gence.

Miss Teresa Reid spent the weekend as the guest of friends in London and Strathroy.

Mr. and Mrs. Hugh Leitch and daughter, Iva, of Courtright, spent Sunday with relatives in town.

Mr. and Mrs. Ross McEachern and daughters of Glenora spent Sunday as the guests of Mrs. Susan Gence.

Some fifty-two entrance candidates completed examinations at the local school last week.

RED HOT JULY DAYS HARD ON THE BABY

July—the month of oppressive heat; red hot days and sweltering nights; is extremely hard on little ones. Diarrhoea, dysentery, colic and cholera infantum carry off thousands of precious little lives every summer. The mother must be constantly on her guard to prevent these troubles or if they come on suddenly to fight them. No other medicine is of such aid to mothers during the hot summer as is Baby's Own Tablets. They regulate the bowels and stomach, and an occasional dose given to the well child will prevent summer complaint, or if the trouble does come on suddenly will banish it. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

BROOKE COUNCIL

Alvinston, June 30th, 1923 Council met pursuant to adjournment. Members all present. Minutes of former meeting read and on motion by Johnston and Loosemore were adopted.

Loosemore—Holbrook, that Wm. Chalk be paid \$50.00 for three lambs killed two lambs and three sheep worried by dogs.—Carried.

Mr. Ronald Sinclair, owner of e 1/2 lot 10, con. 5, made complaint re earth from Smith-Patterson drain.

Loosemore—Campbell, that complaint of Ronald Sinclair be referred to solicitor.—Carried.

Tender received from Chas. Van Slambrook to repair the 12 and 13 sideroad drain according to plans and specification for the sum of \$6000.

Campbell—Johnston, that tender be accepted.—Carried.

Brooke Municipal Telephone System asked that \$500 be advanced for telephone purposes. Granted on motion by Campbell and Loosemore.

Trustees of School Section No. 23 asked that \$204 be advanced for school purposes.

Loosemore—Johnston, that as there are no moneys in Treasury due the Section that amount be not advanced.—Carried.

Johnston—Holbrook that Council do now adjourn to meet in Inwood on Saturday, the 4th day of August, 1923.—Carried. W. J. Weed, Clerk.

Several from Inwood attended the races at Thamesville and Strathroy on Monday.

IDEAL BRANTFORD WINDMILLS

PUMPS WATER FREE

Hundreds of "Brantford" Windmills have been pumping water from deep and shallow wells for over 20 years—at absolutely no expense for repairs and upkeep. It is the cheapest Pumping power obtainable. "Brantford" Windmills are double girted and double braced. We also make Concrete Mixers; Kerosene Engines; Grain Grinders; Saw Frames; Pumps and Tanks.

Manufactured by **Goold, Shapley & Muir Co., Limited** Brantford, Canada.

Sold by **John Mc Kercher** WATFORD, ONTARIO

PETROLEA

Richard Rainsbury, who has been drilling in foreign fields for the past four years is visiting relatives in Petrolia and vicinity.

Mr. and Mrs. G. A. Bennett who spent the winter in Texas, motored from that state to Petrolia and are now visiting in Oil Springs and Thamesville prior to their departure for Florida by motor where they will spend the coming winter.

Mrs. Madge Perkins, only sister of Mrs. J. Greenizen, died suddenly at her home in Windsor, on June 14th of heart trouble. Her husband predeceased her some time ago.

Word was received Wednesday from Regina, Sask., of the death of William Henry Brake, a former resident of Petrolia and son of the late John Brake, one of the early pioneer oil drillers of the town. Mr. Brake died suddenly after a stroke of apoplexy and was buried in Regina on Thursday.

At the graduation exercises of the Charlotte Eleanor Englehart Hospital held in Victoria hall Friday evening, Mabel Jean Reid, Mildred Hattie Augustine and Edith Pearl Southcott received their diplomas, having successfully completed their year's course of training. There was a large and interested audience.

On Saturday, June 23rd, a quiet wedding was solemnized at the Methodist parsonage, Petrolia, by the Rev. J. D. Richardson, when Margaret E. Galloway, of Sarnia, became the bride of Edward Franklin Pollard, son of Mrs. Pollard and the late Mayor Pollard.

FOREST

J. Rupp has sold his marble and stone works here to Chas. R. Alpaugh of Fergus, Mr. Rupp, who is retiring on account of poor health, has been in business here for 37 years, and always taken an active interest in town enterprises. Mr. Alpaugh will move his family here at an early date.

James Sadler has sold his confectionery business here to Orville Frayne, who has taken possession. Mr. Sadler has purchased N. Daly's store at Ravenswood.

A farewell party was tendered Miss Nina Pickering Tuesday evening by the members of the Sunshine Class of the Presbyterian church at the home of Miss Marie Shepherd. The presentation of a fountain pen to Miss Pickering was part of the evening's entertainment, the presentation being made by Miss Jean Ross, while Miss Jennie Grey read an address, expressing regret at Miss Pickering's early removal to Listowel.

Prior to the Rev. Mr. and Mrs. Jewett moving to London, the ladies' aid of the Methodist church met at the home of Mrs. S. J. Rawlings and presented Mrs. Jewett with a crest course. Mr. Jewett was presented by the bible class with a gold ever-sharp pencil.

Hugh McCrie, of Sarnia has rented W. G. Milner's residence on George street and moved to town this week.

Douglas Lawrie of the Bank of Commerce, Peterboro, son of Mr. and Mrs. Andrew Lawrie, formerly of Forest, was married in St. John's church, Peterboro, to Miss Nora Hutton. They are motoring through Western Ontario on their honeymoon and called on Mr. Lawrie's uncle, Wm. Lawrie and family here.

The Duty of Fire Prevention

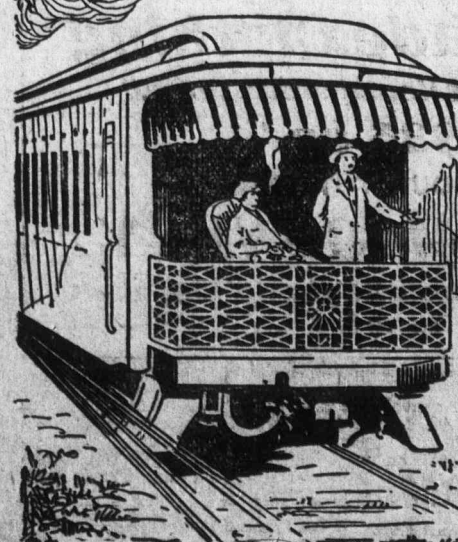

Carelessness with cigarette butts, cigar ends, matches, pipe ashes, camp fires, fly smudges, railway locomotives, slash-burning operations—human carelessness of some kind accounts for over 95% of the forest fires in Ontario.

It is impossible to say how many fires along railway lines are not due to engine sparks, but to the thoughtless smoker tossing away his cigarette or cigar butt. However, there is no doubt a fair number of forest fires originate in this way, and such are preventable. Each individual should realize his personal responsibility to be careful with fire in any form in northern Ontario.

Save Ontario's Forests

The Ontario fire ranger is at the mercy of all types of carelessness, and cannot prevent fires starting, as a rule. He can only attempt to limit the consequences. He is entitled to your help and co-operation by being careful with fire.

June Weddings

PEAKER—RESTORICK

An interesting but quiet wedding took place at the home of Mr. and Mrs. Joseph Restorick, Horton street, London, at 8 o'clock Wednesday evening, June 27th, when their daughter, Velma Pearl, became the bride of Mr. Harry Peaker, son of Mr. and Mrs. Charles W. Peaker, Delaware avenue, South London. The ceremony was performed by the Rev. J. A. Aznew, in the presence of about forty relatives and friends, the bride being given away by her father. The bride was attended by Miss Marjorie Hill, while Mr. O. Restorick, brother of the bride, attended the groom. Mr. and Mrs. Peaker will make their home in Delaware avenue, London.

WILSON—MCINROY

A pretty wedding was solemnized at the home of Mr. and Mrs. E. J. McInroy, Adelaide township on Wednesday, June 25th, at 3 o'clock when their youngest daughter, Mildred Elizabeth, was united in marriage to Wilfred Stanley Wilson, only son of Mr. and Mrs. David Wilson, niece of Adelaide. The ceremony was performed by Rev. Jas. Gale of West Adelaide, under an arch of maple leaves and orange blossoms, banked with roses and ferns. The bride, who looked lovely in her Grecian costume of white kitten's crepe trimmed with pearls and caught on the left side with a pearl ornament, wore the groom's gift, a white gold bar pin with pearl setting, and carried a bouquet of sunset roses and valley lilies. She was given away by her father to the strains of Lohengrin's bridal chorus played by Alice Stewart, cousin of the bride. The groom's gift was a crown ducal jewel case. Miss Edna McInroy, sister of the bride, acted as bridesmaid, wearing a jade green canton crepe dress, and the groom's gift a sterling silver bar pin, and carried a bouquet of large white peonies. The groom was supported by Roy Stewart, cousin of the bride, his gift being a sterling silver Eversharp pencil. During the signing of the register Mrs. Alfred Cuddy, sister of the bride sang "Until", after which about 75 guests sat down to luncheon, served in the dining room and lawn by the young friends of the bride and groom. Guests from a distance were present.

WELLINGTON—CAIRNS

A quiet but pretty event took place at the home of Mr. and Mrs. Elmer Cairns on Wednesday, June 27th, when his sister, R. Jean Mildred became the bride of Mr. Thomas Harold Wellington, second son of Mr. and Mrs. David Wellington, Lake Road.

Immediately at high noon to the strains of the wedding march played by Mrs. Bannatyne, the bride gown in sand georgette, with trimmings of satin and iridescent beads and carrying a bouquet of Ophelia and Sweetheart roses entered the room on the arm of her brother, Elmer, who gave her away, and took her place beside the waiting groom, under an arch of orange blossoms, peonies and roses.

Rev. J. D. Bannatyne of Ilderton, cousin of the bride officiating in the presence of immediate relatives of the contracting parties.

After the ceremony the bride and groom led the way to the dining room where a sumptuous wedding luncheon was served the color scheme being carried out in pink and

FORBES—GRIEVE

A very pretty wedding was solemnized on Wednesday, June 27th, at the home of the bride's parents, Mr. and Mrs. John D. Grieve, London Road, Plympton, when their daughter, Clara Jean, was united in marriage to Dr. Harry L. Forbes of Toronto, son of Mr. John Forbes, London Road, the Rev. F. Ballantyne M. A. of London, uncle of the bride officiating assisted by Rev. J. C. Robinson of Plympton. The wedding march was played by Miss Ella Grieve, sister of the bride.

The bride, who entered the room on the arm of her father, was becomingly gowned in white flat crepe with pearl trimmings. Her flowers were Ophelia roses and carnations and she wore the groom's gift, a rope of pearls. Little Anna Grieve, niece of the bride made a dainty flower girl, dressed in honey-dew crepe de chene and carried a basket of white roses.

The house was decorated in pink and white. The ceremony taking place under an arch of maple leaves and orange blossoms.

Following the ceremony about 30 guests sat down to a wedding dinner after which the happy couple left, amid showers of confetti and good wishes for a short honeymoon. The bride travelling in a navy tricotine suit with sand blouse and hat, and upon their return will reside in Toronto.

The bride was the recipient of many beautiful and valuable gifts, among them being a miscellaneous shower from the Young People of South Plympton church.

CAPE—ANDERSON

A pretty wedding was solemnized on Wednesday at "Cedar Crest" second line Plympton, when Ruby Winona, youngest daughter of Mr. and Mrs. D. N. Anderson, was united in marriage to John E. Capes, youngest son of Mr. and Mrs. James Capes of Hillside Farm, Warwick townline. The ceremony was performed by the Rev. T. Steadman of Watford. The bride looked charming, gowned in white satin with lace trimmings and wearing the conventional veil bound with pink. The bride was given away by her father and entered the parlor as the bridal chorus was played by Mr. Westman of London, who also sang during the signing of the register. The home was decorated with pink and green and the arch of evergreen was trimmed with pink roses and maple boughs. During the afternoon photographs were taken of a number of groups of the guests, among others the four generations Mrs. Walter Jardine, her daughter, Mrs. Capes, her granddaughter, Mrs. S. Johnston, and her great granddaughter Olive Johnston. The wedding dinner was served in the dining room to about eighty guests from London, Sarnia, Forest, Watford and Camlachie. The bride was the recipient of many beautiful and useful presents, including several checks.

For going away the bride wore a sand colored serge suit. Mr. and Mrs. Capes will be at home on their farm on the townline of Warwick and Plympton.

TWO THINGS THAT HURT THE EYES

A person has been known to say, "I have ruined my eyes by reading too much." Not so—the eyes were made to use. One sure way to permanently injure the eyes is

READING BY INTENSE LIGHT

The light should come through ground glass to soften it. Never use clear glass for either gas or electricity. Oil lamps give out a soft light, therefore clear glass chimneys.

READING BY DIM LIGHT

Take our advice—do not read or sew by a dim light—it will be a direct strain upon the sight centres of the brain. On these two things hang the fundamental laws of sight economy. Never use cheap or pick-up glasses—come to us for advice about things optical.

Everything needful here.

Take good care of your iiiiii's!

Carl A. Class
Jeweler and Optician

YOUNG DAUGHTER MADE WELL

Mother Tells How Her Daughter Suffered and Was Made Well by Lydia E. Pinkham's Vegetable Compound

Vancouver, B.C.—"My daughter is a young girl who has been having severe pains and weak and dizzy feelings for some time and had lost her appetite. Through an older daughter who had heard of a woman who was taking it for the same trouble, we were told of Lydia E. Pinkham's Vegetable Compound. My daughter has been taking it for several months and is quite all right now. It has done all it was represented to do and we have told a number of friends about it. I am never without a bottle of it in the house, for I myself take it for that weak, tired, worn-out feeling which sometimes comes to us all. I find it is building me up and I strongly recommend it to women who are suffering as I and my daughter have."—Mrs. J. McDONALD, 2947 26th Ave. East, Vancouver, B.C.

From the age of twelve a girl needs all the care a thoughtful mother can give. Many a woman has suffered years of pain and misery—the victim of thoughtlessness or ignorance of the mother who should have guided her during this time.

If she complains of headaches, pains in the back and lower limbs, or if you notice a slowness of thought, nervousness or irritability on the part of your daughter, make life easier for her.

Lydia E. Pinkham's Vegetable Compound is especially adapted for such conditions.

INTERNAL PARASITES

Internal parasites in the shape of worms in the stomach and bowels of children sap their vitality and retard physical development. They keep the child in a constant state of unrest and if not attended to, endanger life. The child can be spared much suffering and the mother much anxiety by using a reliable worm remedy, such as Miller's Worm Powders, which are sure death to worms.

A hole 70 feet in diameter and 268 feet deep suddenly appeared in a wheat field of a farmer living near Bland, Missouri. Water to a depth of 112 feet promptly filled the hole. Many scientists have visited the hole.

The heavy gypsy earrings of the latest fashion in London are stretching the ears of women who wear them into triangular shapes, and permanently disfiguring them. Some of the earrings weigh four ounces. Paris women are wearing earrings attached to their hats or evening head-dresses.

Citizens of Harrah, Oklahoma, protest the ringing of the 9 o'clock curfew, because it interrupts their slumbers. Every night after the village has settled down for a good rest and the lights are turned out, the clanging of the curfew rouses the citizenry from their slumbers and the situation is becoming well-nigh unbearable, according to the delegation that registered a complaint with the County Attorney.

Henry Ford, czar of the automobile world, owner of vast tracts of timber and coal lands, railroad magnate and financier, has embarked upon a new enterprise which if successful will revolutionize the motor fuel industry. and—it is not too much to imagine—provide a substitute for gasoline which will be as universally used as that natural product. Mr. Ford, it is learned from sources close to him, is confident that the new enterprise will succeed. It is a two-fold enterprise. As revealed Monday night, the new Ford industry will distill from coal a by-product which, chemists says, will be as good a motor fuel as gasoline, and will leave the coal as good a fuel as if the by-product had not been taken from it. A factory, to cost \$500,000, now is being erected at the Walkerville, Ont. plant of the Ford Company. It is being equipped with new machinery for the distillation of coal by a low temperature process.

Members of the Canadian Weekly Newspapers Association have arrived home from their tour of the Maritime Provinces. Asked what their impression was of the trip the answer was in nearly every case—the kindness and greatness of Canada. Many of them had never been in the Maritime Provinces and but few of them in Nova Scotia. What they saw down that way was a revelation in the way of knowledge and it was an inspiration in the way of impression. Many of them would have liked to spend a longer time in the Annapolis Val-
