The latest ambition of the United States is to become the first naval power in the world.

With this end in view Commander Holton has prepared a bill calling for an appropriation of \$2,750,000,000. Eighteen years is the time required to build the fleet.

The boom at Sydney is over and business and property values are resuming their normal level.

The readjustment will no doubt be heavily on individuals, but it is no doubt much better for Sydney as well as the great industries located there, to be working out their destinies on a real rather than a fictitious foundation.

"Credit" is usually a good thing to have, but there is little doubt that business in this country has too much of it.

Under the heading "Lotteries and Such," the Yarmouth Herald prints the following: Several of the papers in the Maritime Provinces and elsewhere have recently been publishing an advertisement of the Maxim & Gay Company, which we believe violates the criminal act of Canada, as it deals with betting on horse races.

NEWS FROM ALL OVER THE COUNTY.

MIDDLETON. Mr. E. V. Thomas, who has been confined to his home with sickness, is improving. He is able to be out again.

Middleton is to be lighted with street lamps. They will be ready for service this week. This is a move in the right direction, and they will prove a great benefit to our town.

The first snow came on Friday night. A few sleighs were in evidence on Saturday. Our merchants report business good. There is more money in circulation than at this time last year, and the prospects are better for the holiday trade.

We are pleased to know that our town is to have a Y. M. C. A. We hope that our young men will be benefited by their connection with the organization. It is indeed a good thing if used in the right way, and cannot fail to prove beneficial in behalf of the better life of the community.

Rev. J. G. Gault, of Bridgetown, occupied the Methodist pulpit here on Sunday. Owing to the increase in work, Mr. L. S. Schaffner has found it necessary to enlarge his boot and shoe repairing department, and to add another shoe maker to his staff.

A pleasant evening was enjoyed by about 40 members of Royal Oak Division last evening in a fraternal visit to their sister lodge at Teabrook. Mr. Wm. Armstrong, who has been at work in Annet, returned home last week.

Quite a number of people complain of sore throat. This is a bad time of year for sickness and every precaution should be taken to prevent the development of more dangerous diseases. The Consolidated School building is nearing completion. It will probably be ready for use by the first of the year.

The apple houses present a busy appearance these days. Large shipments are being made and good returns reported. UPPER GRANVILLE. Mr. Lloyd Lloyd of Halifax, was the guest for a few days last week of Mr. and Mrs. Alfred Barnes.

Miss Lena Westwood, of Granville Ferry, spent last week with her cousin, Mrs. B. R. Bath. Mrs. Albert Foster has returned from a visit of two months with friends in Boston. She was accompanied by Mr. Foster, who will remain the winter.

Miss Annie Longley left yesterday for Middleton, where she will spend several weeks visiting friends. Mr. Louis Walker has gone with Capt. Delap to the West Indies. Miss Jennie Gilliat has returned from a fortnight's visit with friends at Granville Ferry.

We regret that Mrs. Allen Miller, who came a few weeks ago to visit her son, Mr. F. E. Miller, is quite seriously ill. Her sister, Mrs. Wm. E. Brown, is with her. BELLEFLEUR. Mrs. Alfred Bent and her sister, Mrs. Sylvester Bent, who were visiting relatives in St. John, N. B., arrived home last Saturday.

Mrs. Stephen Wade is visiting her aunt, Mrs. Harris Oakes, at New Albany. The Rev. R. Atkinson Smith, of Rosette, officiated at the Church of St. Mary on Sunday last. The Rev. gentleman delivered a most eloquent and impressive sermon from Zeph. 3:16. He exchanged pulpits with the Rev. E. Underwood.

We are sorry to learn that our respected citizen Mr. James Longley, is laid by, owing to had swellings on his hands. Mr. Gilbert Ray informed your correspondent that he picked from one of his 12 apples of the "Golden Drop" variety, that weighed 12 1/2 lbs. Your correspondent had a squash vine that grew 26 feet long and yielded three good squashes.

LOWER GRANVILLE. The marriage of Mr. Ralph R. Bohaker to Miss Cora Halliday took place on Wednesday evening, 25th November, at the residence of the bride's father, Mr. John Halliday, Parker's Cove. Rev. F. P. Greston officiated. The happy couple took the train for St. John on the following day. When they return they will occupy the groom's residence at Kersville which is being fitted up in first class shape. We extend congratulations and wish them many years of happy married life.

Rev. Mr. Albany, of St. John, N. B., was the guest of B. W. Shaffer, Esq., on Monday. Howard Crossop returned on Thursday from a trip to St. John. Wm. J. Crossop, Esq., has removed from Bevis to this place and is boarding with his daughter, Mrs. F. W. Thorne. Miss Atta Robbles, of Belleisle, is visiting friends here.

PORT LOHNE. The standing made by the high school pupils during the month of November is as follows: Grade XI. Mr. Lewis Sabvan is attending to the repairs of his house by a neat workman.

ENGLISVILLE. Service for Sunday by Rev. Joseph Gault, East Inglisville, 3 p. m.; West Inglisville, 7 p. m. Mr. J. O. Nelly, of Brooklyn, organized a singing school on Thursday evening last. Mr. Zebulon Durling while cutting wood last week had the misfortune to cut his knee quite badly. At Inglisville on Friday, Nov. 20th, Lydia Whitman, daughter of Charles A., passed to her eternal home, in the 21st year of her age. For some time that dear old lady had been suffering from rheumatism and her spirit went to join the sister who had, four years previously, gone home to that land where there shall be no more pain. Mrs. Whitman was a great sufferer, but her ambition kept her up where others would have given up the struggle, but at length the silent messenger came and she laid down life's burden and went to that restful home in the presence of her dear friends. Several times our pastor had visited the deceased and always found her resting in her Saviour and looking for the resurrection of the faithful. The funeral service was conducted by Rev. W. L. Archibald, a beautiful and comforting sermon being preached from the words of our Saviour, "And he shall sit as a refiner and purifier of silver," after which the remains were laid to rest in the Whitman cemetery. The deceased leaves a father, a mother, four brothers and four sisters, and a large number of sorrowing and sympathizing friends and relatives. Two brothers, Lewis, of Glen-stewak, and Charles, of U. S., and a sister, Mrs. Armstrong, of N. H., were unable to attend the funeral.

BEAR RIVER. Mrs. Dr. Morse and child, of Digby, spent Sunday with her parents, Mr. and Mrs. Edw. Clarke. J. L. Strothard, manager Union Bank here, went to St. John Saturday, returning Monday. Frank Jones, Esq., went to Middleton yesterday on professional business. Mrs. M. Armstrong, accompanied by her son, left for a visit to her old home near Kington on Wednesday. Rev. J. Harry King will deliver his popular lecture, "Church Characters," in the Baptist church this evening.

Capt. Chas. Smith, who has spent the summer at the Central House, left last week for Hantsport, from whence he will sail for Cuba. A most enjoyable evening party was given by Miss Hattie Wade to her young friends Tuesday evening. Despite the stormy night the attendance was large, and a good time thoroughly enjoyed. Rev. J. W. Porter tendered his resignation as pastor of the Bear River Baptist church last Sunday morning. He has since had a unanimous request from the congregation to reconsider his resignation and remain with the church. It is expected the matter will be decided next Sabbath.

Apples and Inspectors.

To the Editor of the Monitor, Dear Sir—Will you permit me to refer once more to the lot of apples which I sent to St. John for sale some weeks ago, and in respect to which I have my agent, was fined for falsely marking? My solicitor wrote to the Spendiary Magistrate of St. John to know whether this conviction was obtained upon evidence or by confession of Captain Genser, and I appended the reply. From this it appears that the inspector took four apples to the police court, charged me with having fourteen barrels of apples for sale, "falsely marked," from which he had taken the four samples, the captain of the vessel pleaded guilty to the charge and the magistrate convicted me of having "four packages" for sale. If any of your readers is led to wonder why I was not convicted for having the whole fourteen barrels for sale, as admitted by the captain, I can only suggest that "the conviction was for the purpose of emphasizing the fact that there was law bearing on the matter." Now after the proceedings in the police court the inspector branded fifteen barrels of my apples "falsely marked" and notified me of the fact. The adjudication and conviction only extended to four barrels and one would suppose that the inspector would have stopped when he branded four, but perhaps he too, wanted to emphasize the fact that there was law bearing on the matter, but if so he emphasized it in a far different spirit than that which appears to have actuated the magistrate. I repeat what I said in my previous letter that my apples were not falsely marked, and the head and front of my offending appears to be that four apples "manifestly below" in grade, the marks said to be on the barrels, were picked out of the lot. Every shipper and dealer in apples understands the necessary use of these small apples in packing—two or three may be used in each barrel—and it appears to me that the thing emphasized by the proceedings in the police court and subsequently was discreditable to the parties responsible for them.

Yours sincerely, C. E. INGLIS, Tupperville, N. S., Nov. 30th, 1903.

Following is the letter referred to above: Saint John, Nov. 7, 1903. Dear Sir—In reply to your enquiry, the Police Magistrate requests me to say that the apples manifestly below as being falsely marked or some of them were brought to the Police court and were so marked below in grade, the marks said to be on the barrel, that Capt. Genser, who was acting as agent of the owner, was sent for and admitted that they were in his hands for sale, but that he only got for Inglis the minimum fine for having four barrels was imposed upon him.

It was said there were fourteen barrels, but only four samples were produced. The adjudication was limited to the latter number of packages. There was no evidence, and the conviction was upon defendant's admission. The fine was nominal and more for the purpose of emphasizing the fact that there was law bearing on the matter.

Yours truly, GEO. A. HENDERSON, Clerk to the Police Court.

Y. M. C. A. Notes. The Lawrenceton Y. M. C. A. held their first men's meeting last Sunday at 2 o'clock. There were 40 men in attendance. The singing was exceptionally good. Frank Palfrey sang a solo in a very pleasing manner. Walter Palfrey, being chairman of the religious work committee, presided. Several earnest prayers were made for God's special blessing on the meetings that should be held. County Secretary L. W. Archibald then addressed the meeting, taking for his theme, "The power of the gospel of Jesus Christ." Miss Saunders, Miss Wheelock and Mrs. W. L. Archibald were present and assisted with the music.

The gymnasium part of the Y. M. C. A. in Middleton will be opened to night. Morrison's hall has been rented and is being thoroughly fitted up with apparatus for physical culture and games; the reading room and other features of the work will be started as soon as things can be fitted up.

The attendance at the gymnasium classes in the Y. M. C. A. here is steadily increasing. The attendance at the business men's class on Friday was large; at the young men's class twenty; and at the boy's class on Saturday, sixteen.

New Brand of Flour. J. S. Harding, manager for the Ogilvie Flour Mills Co., for the Maritime Provinces, has just returned from Montreal, where he has been for a week in connection with their new flour, Royal Household, that this company are just putting on the market. Mr. Harding states that this flour is a revelation, as no flour of as good a quality has ever before been made on this continent.

Royal Household flour is the outcome of a strenuous endeavor on the part of F. W. Thompson, the general manager, to produce a better flour than has hitherto been made, and it is commended by experts in Montreal that he has accomplished it.—St. John Telegraph.

Out in Wages Affects 75,000 Hands.

Boston, Nov. 30.—The wages of about 32,000 cotton operatives were reduced yesterday. To-day's addition brings the total number in New England which have had their wages cut down this afternoon to about 64,000, and the cut which takes effect in New Bedford next Monday will swell the total to about 75,000. The cut down in the majority of factories averages 10 per cent. To-day practically every cotton mill in Rhode Island, in which state there are about 2,200,000 spindles, adopted the new scale. Nearly 20,000 operators are affected and the new order of things means a loss of nearly \$20,000 in wages. The cut also became operative in Massachusetts and Connecticut, controlled by Rhode Island capital and employing about 70,000 additional hands. The reports from the mill district show that the schedules were received without any serious protest on the part of the operatives.

Low Standard of Apple Packing How to Raise It.

To the Editor, Dear Sir:—The fact that growers are unable to obtain sufficient new or second-hand barrels to ship their apples in is beginning to be very serious matter. Complaints come from all sections of the country, and are forced to ship their apples in bulk to New York, Boston and other markets and having them sold for from \$1.00 to \$1.20 per 150 lbs. This is a serious loss to growers, as they could not reasonably have fully one hundred per cent more money if they could only market their fruit in some kind of a package. Instead of these being, prospectively, any relief in the direction of an increased supply of barrels, there is every indication that of second-hand four barrel barrels coming more scarce than ever, as railcars in the West are using less barrels for flour every year, as there appears to be an increase in the demand for flour in bags of different sizes over that for bags in the barrel.

Fruit sent with instructions will be received, and it is earnestly requested that exhibitors will notify T. R. Patillo Local Secretary at Bridgewater, not later than Dec. 10, 1908, of the number and kinds of their exhibits, using the number of the sections on the prize list in making the entries, or by kind of fruit, as much as possible. This is most necessary that the requisite amount of room may be provided for displaying the fruit. Plates will be provided by the Association. Now, reader, make us glad by your attendance at the several meetings, that you may get noted in the best methods of growing fruit. The exact dates of the gathering will be published in the papers. F. C. S. SMITH, Chairman Exhibition Committee, R. W. Starr, Secretary.

From Poorhouse to Parliament.

From the poorhouse to a seat in parliament is the notable advance of William Crooks, a working cooper in the Woodstock district of London, England. Heretofore the district has always polled over 70,000 votes, always giving the government a large majority. But in the election the cooper was elected as a Liberal by a majority of 3,229 in a total vote of fourteen thousand. When Crooks's father died the mother and children were ordered to the poorhouse at Poplar, England, and in 1878 young Crooks was a tramp on the road from London to Liverpool, looking for work. He is now chairman of the board of guardians, the "poor" body that ordered him, as a boy, to the poorhouse. He is also president of several other public houses and organizations. Among his personal friends is Lord Rosebery. The man selected for this position cooper in the election is Geoffrey Drago, one of Great Britain's most prominent statesmen, and author of many works on a social economy. He was a Liberal Co-op member in the election of 1892 to 1900. He takes the seat vacated by Lord Charles Beresford.
