BASEBALL G. P.

O'Keefe Wins the Cigars.

On Saturday last July we had a visit
from Newcastle Ball team, but we did
not do what we did to Van Burin. It
was too hot for swimming even and
our superb ball players all went to
sleep in the third innings with the
result that Newcastle pinched their
runs in that session and thereafter
we made endeavors to keep our eyes
open—even the bandman feeling the
beat. No, we didn't win, and the
man who scores the errors fell into a
sweet slumber after the second in-
nings, a slumber so deep that copious
libations of Iron Brew failed to
awaken him, hence the reason of no
score. Next time we play Newcastle
we shall see that the man with the
pencil is awake, very wide awake
believe us.

Monday's game between the Town
and I. C. R. was postponed owing to
the storm and Wednesday evening
brought out all the sweet young
things and Ho Ho's to see the first
game between the Mechanics and the
Town.

The Town boys were under strength
and suffered defeat to the tune of 10 to
3. In the third innings H. O'Keefe
slammed out a home run, winning the
box of cigars donated by Young &
Keays.

SNOW COVERS MANY PEAKS

Summit mountains scenery 19
miles from Vancouver, was the place
selected by Father Campbell pastor of
St. Patrick's for an outing for the
Altar Boys and first Communion
Children at the close of the school.
Nineteen miles from Vancouver,
at River Park, on the North Arm of
Burard inlet, are mountains that
rear themselves to nearly mile high
heights, show from the water edge
and clothed luxuriant in Nature's garb
of forest and fern almost to the top
most domes, on which great fields of
snow lie gleaming in the sun, with
here and there a tree top showing
through.
The rugged slopes are softened
and mellowed by variegated foliage
and moss, while laughing waters
whipped to a foam of silver sheen,
leap and plunge down hundreds of
yards to form.
What a sublime sight for the tired
city dweller, who seeks respite from
the business battle of the week at the
foot—"Vancouver paper"

CAMPBELLTON SCHOOL STANDING

List of Pupils Who Have Passed
Examinations Successfully
This Term.

Notwithstanding the many difficul-
ties with which the School Trustees
were faced, this grading list for this
term shows that the work has gone
on very satisfactorily under Prin-
cipal Carr and his worthy assistants.
The following is a list of those who
have graded:

GRADE III—Ananda Lunam, Muriel
Stevens, Rutilla McLaughlin, Alvin
Metzler, Mamie Dobson, Christian
Yorston, Bernice Miller, Dorothy
Miller, Gertrude Lewis, Eldred Mow-
at, Hazel Lockhart, George Dewar,
Ella Ramsay, Irvine Fairley, Avis
Miller, Albert McMaster, Lillian Nor-
man, Nellie Roberts, Bertha Larsen,
Bennie Jones, John Boucher, Murray
Grey, Robert Currie, Hilda Tyler,
Harry Chandler, Violet Smith, Mabel
Sargent, Marion Watson, Howard
Mann, Jennie Grenley, Harold Crock-
et, Laura Sargent.
GRADE IV—Marjorie Murray,
Georgie McDonald, Estella Bruce,
Murray Fairley, Audrey McKenzie,
Cecil Jones, Dorothy Haines, Bessie
Baird, Dorothy Downs, Gwendolyn
Richards, Jean Jardine, Arthur Dew-
ar, George Lockhart, Ethel Conely,
Allison Murray, Percy Sullivan, De-
Forest Sullivan, Maynard Price,
Robert Sharpe, Roy McLean, Boulah
Henderson, Bertha Mann, Felsie Har-
ris, Gariand Lutz, Mand Pratt, Rit-
chie Duncan, Monica White.
GRADE V—Jean Jamieson, Hazel
Quinn, Raymond Andrew, Basil
Hughes, Walter Pratt, Winnie De-
laney, Sarah Roberts, Marguerite
Sullivan, Ethel Baird, Lloyd Scott,
Grace Roberts, Lillian Sullivan, Eric
Hwyer, Fred Thomas, Mabel Turn-
er, Reta Ramsey, Hilda Pratt, Jessie
Norman, Eddie Larsen, Wesley Dob-
son.
GRADE VI—Janetta Duncan, Ha-
rie McDonald, Doreen Farrer, George
Lewis, Gordon Hickey, Colin McKen-
zie, Wilfred Comeau, Whitney Stev-
ens, Jack Jardine, Doris Mowat, Au-
drey Graham, Ritchie Henderson,
Harold Clark, Colin McLaughlin,
Frank Boucher, Daniel Dewar, Lillian
Scott, Harry Stevens, Helen Crockett,
James Mountain, Sophie Metzler,
Trocene White, Fred Wheelhouse,
Annie Theberge, Marguerite Cham-
berlain, Charles Killam, Gordon
Pratt.
GRADE VII—Ethel Lingley, Ber-
tha Boucher, Fred LeBlanc, Glenford
Mowat, Blanche Crockett, Clarence
Duncan, Dorothy Duncan, Ingram
McKenzie, John Clark, Viola McKen-
zie, Sarah Lutz, Opal Sprout, Ada
Boucher, Rita McLaughlin, Della
McKenzie, Clara McTae, Reginald
Henry, Harry McLennan, Georgina
Munroe, Walter Sargent, Mary Price,
Lindsay Sullivan, Richard Norman,
Bertha Ferguson.
GRADE VIII—(Division I)—Carrie
Sharp, Ninetta Alexander, Reginald
McLean, Lun McKenzie, Constance
Murray, Gilford Bruce.
(Division II)—Burgess, James Fraser,
Stanley Fraser, Enid McKenzie, Rob-
ert Firth, Gertrude Firth, Ralph
Murray, Jennie Sheals, Greta Wall,
Harold Brown, Elsie McLeod, Marg-
aret Firth, Claude Farrer.
GRADE IX—Margaret Adams, Feo-
dora Renaud, Fred Mowat, Mott
Lingley, Greta Metzler, Hope Quinn,
Guy Wyers, Florence Andrew, Ewart
Quinn, Georgie Appleton, Louis An-
nett, Edna Wall, Emile Cantin, Mar-
guerite Henry, Gladys Kean, Muriel
Hickey, Joseph Alexander.
GRADE XI—Florence Fairley, Ly-
dia Campbell, Lottie Keith, Lillian
Mowat.
GRADE X—Aubrey McLean, Dom-
inique Renaud, Austin McDonald,
Hazel Mowat, Muriel Mowat, Austin
Murray, Margaret McLennan, Jean
Henderson, Irene Murray.

Mr. Norman Gray has installed
the first electric piano in Camp-
bellton, in the Woodcock Cafe.
Drop in any time you are pass-
ing and have a nice selection of
the latest music for a nickel.

BETTER SEWERAGE FOR CAMPBELLTON

Town Council in Regular Session
Decide to Improve Our Sewer-
age System.

The Council met on Tuesday
evening His Worship Mayor Mc-
Donald, presiding. There were
present Councillors Alexander,
Pinault, Miller, White, Mowat and
Lunam.

Minutes of two previous meet-
ings read and confirmed, during
the reading of which Councillor
Moore entered the meeting.

Communication read from Henry
J. Currie on behalf of the Canadian
Oil Co. for permit to erect an oil
storing warehouse. After dis-
cussion it was moved and seconded
that the request be granted, plan
to be filed with Building Inspector.

Communication from A. Hopper
asking permit to build an addition
to his shack. This being an in-
fringement of the By-Law permission
was refused.

Communications from Robert
Butler and Robert Mann regard-
ing taxes were referred to Assess-
ment and Appeals Committee.

Communication from Chas. N.
Hughes, Chief of Police, asking
permission to grant Officers Harris
and Brown holidays was referred
to Police and License Committee.

Communication from J. G.
MacColl asking the use of the
town roller for the new tennis club
was referred to Public Property
and Streets Committee.

Report from Police Judge
Matheson was received from
Jan. 7th, 1910, till June 30th, 1911,
enclosing cheque for amount of
fines collected which amounted to
\$698. The report was referred to
the Police and License Committee
and makes interesting reading.

Communication from James
Reid, Esq. M. P., regarding the
matter of a town clock in the new
Post Office building which Mr.
Reid promises to look after at
once.

Petition from J. J. Bondreau for
pool room license in Ellsworth's
new Building on Gervais St. re-
ferred to Police and Light Com-
mittee.

Petitions from residents of
first reserved street N. of the I. N.
R. tracks in the Duncan prop-
erty for water and sewer con-
nections was referred to Water and
Sewerage Committee.

Verbal request from Jos. Dam-
boise for water service of 1 1/4
pipe for new hotel was left over
for dealing with later.

A batch of Board of Health
bills were presented to the Coun-
cil and ordered to be paid.

REPORTS OF STAND- ING COMMITTEES

Councillor Lunam submitted re-
port of Police and Light Com-
mittee recommending payment of
accounts totalling \$13.25 which
was received and adopted. In a
further report Councillor Lunam
stated that the price of rain capes
as required by the policemen was
\$2.40 each. This style of cape
was used exclusively in the old
country and in Toronto and were
found to be most serviceable. These
capes were ordered to be pro-
cured. Councillor Mowat sub-
mitted report of Electric Light
Committee recommending pay-
ments of accounts totalling \$1165.
20; Councillor White from Fire
Protection Committee accounts
\$265.18; Councillor Miller from
Finance Committee accounts \$37.
62; Councillor Pinault from
Public Property and Streets
accounts, \$226.10; Councillor Alex-
ander from Water and Sewerage
Committee accounts, \$1205.63; and
Councillor Moores from Public
Charities Committee accounts \$18;
were all received and adopted.

In a further report from the Fire
Protection Committee, Councillor
White submitted a list of 45 fire-
(Continued on Page 4.)

MATAPEDIA ACCIDENT

Man and Horse Killed by Lightning.

On Monday afternoon Stanford
Bopper of Matapedia was killed
by lightning as was also the horse
he was riding.

As far as can be learned the
deceased was engaged towing
three scows on the river while the
storm was at its height and was
riding one of the horses, both
being killed by the one shaft of
lightning. The other horses start-
ed off across the river dragging
the dead animal with them while
Hopper dropped into one of the
deep pools. The body was re-
covered and Dr. Martin the cor-
oner viewed it on Wednesday
evening. Deceased was only 22
and was highly respected in the
community. He leaves a young
widow and one child.

UNCLE TOM'S CABIN

AT CAMPBELLTON

Stetson's Company presented
the old well-known drama at the
Opera House last Thursday even-
ing, and the numbers who turned
out to greet the virtues of Uncle
Tom, and the wickedness of Topsy
are proof of the great hold the old
slave tale has yet on the minds
and hearts of the people. There
was not a vacant seat in the house
when the curtain was rung up,
and many who could not even get
standing room were turned away
disappointed. Mr. Dimock apol-
ogised for the little confusion that
had been caused regarding the
seating arrangements, but prom-
ised that the Opera House would
be enlarged before the next show
was booked. The play went
through without a hitch although
there were a few long waits be-
tween the acts owing to the lack
of room on the stage, these how-
ever, went pleasantly past to the
accompaniment of some rag time
playing. The pianist certainly
made it hum. We shall be glad
when the house is enlarged for
at the present time it gives neither
Mr. Dimock nor any company a
fair show with such a small stage.
A feature of the performance was
the dancing by Topsy (Miss
Bennet) and Sambo (Mr. Mose
Boxton).

YOU TAKE NO RISK

Our Reputation and Money is Back
of This Offer.

We pay for all the medicine used
during the trial, if our remedy fails to
completely relieve you of constipation.
We take all the risk. You are not
obligated to us in any way whatever,
if you accept our offer. Could any-
thing be more fair for you? Is there
any reason why you should hesitate
to put our claim to a practical test?

The most scientific, common-sense
treatment is Rexall's Orderlies, which
are eaten like candy. They are very
pronounced, gentle and pleasant in
action, and particularly agreeable in
every way. They do not cause
diarrhoea, nausea, flatulence, griping
or any inconvenience whatever. Rexall
Orderlies are particularly good for
children, aged and delicate persons.

We urge you to try Rexall Orderlies
at our risk. Two sizes, 10c and 25c.
Remember, you can get Rexall
Remedies in this community only at
our store—The Rexall Store, Thos.
Wann.

Mr. Sanson has now got his
Electric Laundry going and is
ready for all the business of the
town. The plant is of first class
construction and up-to-date being
driven by electric power, and is a
great improvement over the
machinery of the old laundry.

Stuart Loggie, Chatham; Paymaster, Lieut. James McNaughton, Chatham; Signalling officer, Capt. Harry Fair, Campbellton; Chaplain, Rev. Geo. Wood, Chatham.

A SOUTHERN EDITOR

APPRECIATES I. C. R.

"Finest Trip Ever Had" is His Verdict.

"First impressions are lasting" in the case of the editor and proprietor of the "Carrollton Chataqua" of Carrollton, Georgia, U. S. A. Last summer this gentleman enjoyed an extensive trip through Eastern Canada, and that he was well satisfied, may be gathered from the following extract from his letter.

"Would be glad for you to send us one of your folders for it is our intention to make a trip to the Prince Edward Island some day. We have already made a fine trip over your road, having written it up extensively in the Atlanta paper and also in our local paper. The finest trip I ever had in my life was over your road."

HAPPIEST GIRL IN LINCOLN

A Lincoln, Neb., girl writes, "I had been ailing for some time with chronic constipation and stomach trouble. I began taking Chamberlain's Stomach and Liver Tablets and in three days I was able to be up and got better right along. I am the happiest girl in Lincoln to find such good medicine." For sale by all dealers.

SULLIVAN—MURDOCH

At Loggieville, June 20th, of Mrs. Caroline Murdoch, daughter of Mr. and Mrs. Alexander J. Murdoch, and niece of Rev. E. S. Murdoch of Renous Bridge was married to Mr. James Sullivan son of Mr. Daniel Sullivan of Renous Bridge.

The ceremony took place in St. Andrew's church and nuptial mass was celebrated by Rev. Fr. O'Leary. The bride looked very charming was attended by Miss Laura McCarthy and A. Fred Murdoch supported the groom. After the ceremony the happy couple drove to the home of the bride where a wedding breakfast and reception was held. They went to Boston and other American cities on a honeymoon trip.

NEW STATION MASTER

Mr. G. F. Ward of Chatham Junction, who succeeds Mr. R. Z. Walker as I. C. R. station master has arrived here and entered upon his duties. Wednesday's Fredericton Mail.

A Prize Contest open to the Farmers of Canada

\$3,600 in Cash Prizes for Farmers

READ the conditions of the Prize Contest we are conducting for the farmers of Canada. \$400.00 in prizes will be awarded to each Province. These prizes will be divided into four groups, consisting of:

PRIZE "A"—\$100.00 to be given to the farmer in each Province who will use during 1911 the greatest number of barrels of "CANADA" Cement. PRIZE "B"—\$100.00 to be given to the farmer in each Province who uses "CANADA" Cement for the greatest number of purposes. PRIZE "C"—\$100.00 to be given to the farmer in each Province who furnishes us with the photograph showing the best of any kind of work done on his farm during 1911 with "CANADA" Cement. PRIZE "D"—\$100.00 to be given to the farmer in each Province who submits the best and most complete description of how any particular piece of work (shown by photograph and text) was done.

Every farmer in Canada is eligible. Therefore do not be deterred from entering by any feeling that

you would have little chance against your neighbor. For remember, Prizes "C" and "D" have no bearing whatever upon the quantity of cement used. As a matter of fact, your success in this contest will depend to a great extent on your careful reading of our 146-page book, "What the Farmer Can Do With Concrete." In this book—sent free on request to any farmer, full instructions are given as to the uses of concrete, and plans for every kind of farm buildings and farm utility. You'll see the need of this book, whether you are going to try for a prize or not. If you have not got your copy yet, write for it to-night. Simply cut off the attached coupon—or a postcard will do—sign your name and address thereon and mail it to-night.

Please send Circular and Book.

THE EASTERN SLOPE

Work of Dominion Forest Service on this Great Reserve.

The boundary of the Rocky Mountain Forest Reserve has now been located from the international boundary northward to a point due west of Lacombe. This was accomplished last summer (1910) by two parties sent out by the Dominion Forest Service. One of these, under Mr. G. H. Edgecombe, B. Sc., started at Calgary and worked southwards, while the other, under P. Z. Caverhill, B. Sc., worked northward from the same starting point. The full report of these gentlemen has just been published.

During the coming summer (1911) it is expected that the rest of the eastern boundary of the reserve will be located to its northern limit (about forty or fifty miles north of the latitude of Edmonton).

OBJECT OF THE RESERVE

The primary aim in preserving the forests of this area is to provide a supply of timber easily accessible to the dwellers on the prairie. But there are other things to be considered. To use water for irrigation and for the generation of power it is important to have an even flow throughout the year, and the effect of forests along streams, and especially at their headwaters, in thus regulating stream-flow is well-known. Moreover, in order to keep up the level of the water in the soil throughout the prairie regions the level of the rivers must be maintained, and the flow not allowed to decrease to a mere dribble in the summertime. In the maintaining of this volume of water in the rivers the forests have an important effect.

THE LAND WITHIN THE RESERVE

In deciding what land to include in the reserve the chief question asked has been, "Is it suitable for farming?" If it is the rule has been to leave it out; if not so suitable, to include it on the reserve. The altitude, or height above sea-level, has also been an important consideration.

The boundary fixed by the Order in Council setting aside the reserve was found largely unsuitable. It took in, to a great degree, only the mountainous country, much of it above the tree line, and the rest of it unsuitable—at any rate for many years—for timber production. Many valleys were found to be quite suitable for grazing.

FOREST FIRES IN THE RESERVE

The reserve has suffered to a very great degree from fire. Of about one hundred and forty miles run by the southern party south along the eastern boundary of the reserve mature virgin timber was encountered only in a small tract of some twelve consecutive miles, the dry standing sticks, windfalls and rocky exposures telling the tale. Of the part covered by the northern party, eighty per cent had been burned over within the past fifty years (sixty per cent of this area within the last twenty five years).

THE TIMBER ON THE RESERVE

The frequent and disastrous fires account for the type of timber found over much of the reserve. Of an area of eight hundred square miles covered by the southern party, the land was distributed as follows: Timber, 9 per cent; spruce and pine poles (a tree of pole size is from four to twelve inches in diameter), 31 per cent; pine and poplar, 26 per cent; poplar, 10 per cent; open grazing land, 14 per cent; bare rock, 10 per cent. The pine (the lodgepole pine found on the reserve is closely related to the jack pine found so often on burned-over districts in the East) and the poplar are both trees that spring up quickly after fires and by their rapid growth overtop other trees, for a time, at least. As can be seen from the above table, a large proportion of the country is covered with these trees, either alone or growing together, and the small size of other timber points to the fire having run over this too, at no distant period. About seventy five per cent of the country covered by the northern party is covered by forests of this lodgepole pine—a silent evidence of what has happened to this region in the past. Measurements taken by the southern party indicate that in

END OF NEPISIGUIT LUMBER CO

The Nepisiguit Lumber Company's property is to be sold under judgment at Bathurst, Gloucester county, Thursday, Sept. 7th.

that region (south of Calgary) the lodgepole pine required thirty years to reach a diameter of five inches and sixty years to grow to nine inches in diameter. The spruce (Engelmann's) and red (or Douglas) fir respectively, ninety and one hundred and ten years to reach twelve inches in diameter.

OTHER RESOURCES

Throughout all the territory reported on game was plentiful. Special mention is made of the bull, cut-throat and grey trout, among the fish, and, among the birds and animals, in their respective districts, duck, grouse and prairie chicken, deer, moose, elk and sheep and many kinds of fur bearing animals. Among the mineral resources of the area are the coal-beds, oil-fields (in the south) and quarries of building

CONVICTED OF BURGLARY

Two men giving their names as George Anderson of St. John, N. B., and Roy Oakes, of Perth, Ont., pleaded guilty before Magistrate Maitly here Friday to the charge of robbery of D. J. Buckley's store at Rogersville on Wednesday evening. Large quantities of goods were found on the prisoners. Clerk of the Peace Butler asked for an adjournment to investigate the characters of the men and sentence was postponed until tomorrow. Mr. Buckley will ask for sentence if the past characters of the men warrant it. Both Anderson and Oakes told hard luck stories and said the robbery was their first offence. The capture of the men was a clever piece of work on the part of Constable John Blatin and Irene Boudreau, clerk of Buckley's store. The prisoners were seen to enter a barn about a mile from the railway and the constable followed them to surrender at a point on a revolver. In addition to the stolen goods a rather crude burglar outfit was found on the prisoners. Anderson had been in the vicinity for some time and had stolen from Buckley on Monday.

"Blind pool" Sheldon will have five years of quiet retirement in which to hatch fresh schemes.

WOLCAST WON

Ad. Wegast, lightweight champion of the world, successfully defended his title against Owen Moran at San Francisco yesterday. Wolcast won in the thirteenth round.

Frederick won from Chatham in two good games on Monday, by the scores of 4-1 and 12-5. Kind of puts a damper on Chatham's championship aspirations. Don't it?

Sam Langford, the Canadian negro heavyweight, knocked out Jack Fitzgerald, a Philadelphia "white hope," in a scheduled ten round bout at the National Sporting Club, New York, Thursday night.

On a wet wicket St. John defeated Chatham in a cricket match at Chatham Thursday by an innings and ten runs. Victor Cousins, who played with St. John, is a son of Rev. Dr. Cousins of Newcastle.

Baker's Cocoa and Chocolate

ARE THE STANDARDS OF THE WORLD

53 Highest Awards in Europe and America

THE NEW MILL AT 1000 ALBERT STREET, MONTREAL

For over 131 years these well-known preparations have been made only at the company's mills (the largest in the world) at Dorchester, Mass., U. S. A. In order to keep pace with the rapidly increasing demand for its goods in the Dominion of Canada and the British Provinces, a large mill has been put in operation in Montreal.

With the finest possible equipment of modern machinery, with the accumulated experience of more than a century and a quarter in the selection and blending of cocoa beans and by the employment of a perfect mechanical process of manufacture, consumers and dealers are assured that the uniformity of quality and delicacy of flavor which have made these goods the standards of the world will be maintained.

To facilitate the distribution of goods, selling offices are located at Montreal, Winnipeg and Vancouver.

We guarantee the absolute purity of these goods under the pure food laws of Canada

CAMPBELLTON, N. B., JULY 5, 1911

THE CROWNING

The Crowning of the King, begun on the 22nd ult., ended on the 29th. Every colony and every independent country was represented, and hundreds of thousands of strangers witnessed the most splendid pageants that the world, in all probability, has ever seen.

No attempt was made on the life of the King, for British Kings are never interfered with by the desperate class of men who seek the lives of such sovereigns as the Czar of Russia. In Britain, it is truer than in any other great country, that the Chief Magistrate does no wrong. He rules according to the laws passed by the parliament, for, while he has by the constitution the right to veto every act of parliament that veto has never been exercised by a British sovereign within the last two centuries. Therefore no political party can reasonably blame the King for any inequality or oppression under which they may be suffering. Hence the immunity enjoyed by Britain's sovereign but unknown to the heads of so many countries.

The prospects are that, whatever political party may come into power and whatever changes may be made in the constitution of the United Kingdom, King George V will, if he lives, long remain in peaceful possession of the throne handed down to him by his father and a long line of predecessors. The British throne appears to be the safest in Europe, and this is largely because it, more than the others, is, as yet, "based upon the people's will."

WEDDINGS

BAIN—THOMPSON

The marriage of George W. Bain of Flatlands to Miss Annie J. Thompson of Dawsonville, N. B., took place at the Methodist Parsonage on Wednesday, July 5th. Rev. Geo. Morris tied the knot in the presence of relatives of the contracting parties.

SHIVES—WRIGHT

Summerside, P. E. I., July 5.—The marriage was performed yesterday morning at the residence of the bride's sister, Mrs. Henry T. Holman, Summerside, of Miss Lou Wright, third daughter of Mr. E. H. and Mrs. Wright, of Summerside, to Mr. Reginald K. Shives, of Campbellton, N. B., eldest son of the late Mr. Kilgour Shives, Rev. James H. Strothoff officiating. The bride wore a travelling suit of white serge. The house was tastefully decorated for the occasion. The happy couple left on a wedding trip to Montreal, Toronto, Niagara Falls, and other Canadian cities, after which they will return to Summerside by the Cascapedia and will reside in Campbellton, N. B.

in tea must be distinctive, pleasing and unvarying to merit continuous use. The flavor of Red Rose Teas all its own, and it never fails to win and hold approval because it never fails in quality. Try it.

COUNTY COUNCIL HOLDS SESSION

Board of Health Bills All Held Up.

The County Council held their summer meeting on Tuesday when a lot of routine business was gone through. Among the matters of interest it was noted that all the Board of Health bills were held over till next meeting, and a committee appointed to confer with the Provincial Government as to the best means of dealing with this phase of Public Health accounts. The amount is over \$9000.

A petition was received and presented by the Presbyterian minister and two R. C. Priests from the Parish of Durham praying that an election be held at the same time as the County election for a plebiscite on the Local Option Act. The prayer of the petition was granted by the council. Messrs. D. C. Firth and Claude Brown not being able to attend, Messrs. W. W. Doherty and T. Robinson were appointed in their stead. Mr. Robinson resigned his seat as Councillor to accept nomination.

LOCALS

Never leave home a journey without a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is almost certain to be needed and cannot be obtained when on board the cars or steamships. For sale by all dealers.

A correspondent in the Old Country writes us of the good times they have had at the hands of our brethren across the seas. They received an enthusiastic welcome at Liverpool and the Londoners think that the Canadians are the real top-notchers. The strength of the Canadian troop is 712, including 53 officers and they have been quarantined at Duke of York's School, Chelsea, and as our correspondent says, "have had the time of their life."

Right in your busiest season when you have the least time to spare you are most likely to take diarrhoea and lose several days' time, unless you have Chamberlain's Colic, Cholera and Diarrhoea Remedy at hand and take a dose on the first appearance of the disease. For sale by all dealers.

MARRIED

On Wednesday, June 28th, by Rev. James Barclay D. D., L. L. D. of St. Paul's Presbyterian church, Montreal, Miss Maude Corbett, second daughter of Lewis Corbett, Petit Rocher, N. B., to Bliss Johnson of Campbellton N. B.

MRS. ROBERT TAIT

The funeral of Mrs. Tait, relict of the late Robert Y. Tait, formerly a prominent ship builder in northern New Brunswick took place here today. Rev. Mr. Kirk conducted the funeral services and interment was in St. John's Presbyterian cemetery. The pallbearers were George Haddow, Charles Stewart, Charles Powell, Thos. G. Scott, Daniel McDonald, George Miller. Mrs. Tait was ninety three years of age and is survived by one daughter Eliza at home four sons, David of Boston, George, San Francisco, James, Winnipeg, Alberta at home.

INDEPENDENT ORDER OF ODDFELLOWS

Grand Master with Degree Team from Moncton Visit Campbellton.

Grand Master Dr. E. D. Smith, of St. John, accompanied by a degree team from Moncton, came to Campbellton on the Ocean Limited on Friday for the purpose of conferring degrees and instituting a new lodge for Jacques River. The Moncton contingent consisted of Messrs. Isaiah Steeves, J. M. Ross, W. B. Logan, John Fraser, P. A. Macgowan, Alex. Stronach, H. Carlyle, Joseph Barton, Gordon Manning, Howard McWilliam, Mel Mehar and Chester A. Buck. At Jacques River they were joined by some twenty-five residents of that place, who proceeded to the town where the lodge was duly organized and degrees conferred upon some twenty-five members of North Star Lodge. This was the first regular meeting of the Campbellton lodge since the fire, but it is in a very satisfactory condition, and it is the intention to proceed this season with the erection of a new lodge room. After the degree work refreshments were served by the ladies and the Moncton contingent returned home on the Ocean Limited Saturday, after having a most enjoyable time.

The following officers were elected:—W. G. D. F. Graham; V. G. Harry Miller; R. S. W. Storey; F. S. A. F. Ferguson; W. McWilliam; L. S. N. G. J. T. Reid; Warden, H. McLellan; Conductor, H. Currie; O. G. R. Keith; I. G. H. Montgomery; R. S. S. Jos. Goldenberg; L. S. S. A. McG. McDonald; Chaplain, Rev. Geo. Morris.

The lodge is in a healthy condition and the enthusiasm of the new members bids fair to carry the work on to a very successful issue.

At the meeting on Monday evening July 3rd, held in the Curling Rink one candidate was initiated. The lodge will hold regular meetings weekly and a committee has been appointed to deal with the matter of a new hall.

BASEBALL AT PRICE

Sayabec broke into the Matapedia baseball season by going some. They came up to Price on Sunday, July 2 and sauntered through the local nine to the tune of 5 to 1.

It was a hot afternoon and the fans were gasping for breath in deep, sonorous gasps.

The features of the game, were the super-excellent pill twirling by E. Fisher of Sayabec, who confused, confounded and conquered the Price stick artists through nine hard innings, and the sky-scraping swoot of Mr. Eustache Langis resulting in a rottaway to third and then some to home sweet home. The latter's little brother, Master Edmund Langis played classy ball at third.

Mr. J. Rostand of Price pitched one good game while his arm lasted, but it wilted in the fifth. His delivery was swift as a bolt from the cerulean blue, so swift, in fact that his right wing couldn't stand the pace. Smoky as his balls were, they failed to prevent the visitors from elucidating his mystery. Mr. J. Dupe stepped into the box in the sixth but was unable to make the Sayabecers say "well, I'll be gosh-swiggled."

Geo. Gallant caught a plucky game for Sayabec with a fractured finger. Umpire, Mr. Arthur Roy. Sayabec Team—Edward Fisher, P; George Gallant, C; Eustache Langis, 1B; Vine Summers, 2B; Fred Ellis, SS; Edmond Lang, 3B; Max Gauthier, LF; Ernest Tremblay, RF; R. W. Costello, CF.

Price Team—Joseph Rostin, P; X. Michael, LF; J. LaBrie, 2B; J. Dube, CF; E. Michael, 3B; E. Gagne, B; A. St. Louis, SS; J. Barco, RF; Adolphe Poirier, C.

S. McC. Sention of the Oliver Type-writer Co., spent Monday in town in the interest of his firm. While here he appointed an agent for this very popular typewriter, of which further announcement will appear later.

TOWN COUNCIL

(continued from page 1)

men who had been sworn in and were forming themselves into a firemen's club.

Councillor Alexander from Water and Sewerage Committee submitted a further report recommending that a new sewer outlet be provided at Andrew St. to relieve the present outlet which is in an unsatisfactory state. Through the new sewer the Andrew Street and Water Street East sewerage would flow to the river and it is supposed to take this outlet through the Shives mill property, permission for which has been received. The size of the new outlet will be 16 inch cast iron. Also recommending that the present outlet on Water Street, which runs through the Town Lane east of Victoria Street be enlarged to relieve the congestion at this point making the outlet 16 inch cast iron, and further recommending that the tender of W. J. Christie for the laying of sewer on Hanover Street for \$877 be accepted. After discussion and explanations from the Town Engineer the report was received and adopted.

Councillor Lunan asked the town clerk if all builders and contractors had been supplied with a copy of building By-Laws and was answered in the affirmative.

The Public Charities Committee were empowered to look around for a suitable piece of land to build a poor-house.

Owing to the pressure now placed on the Town Clerk in his dual capacity of Building Inspector and clerk, the need of an assistant for the office work was very much required and his request was referred to the Finance Committee.

Councillor Pinault brought up the matter of Thos. Ellsworth's building which was built on the sidewalk. Although it was felt that the owner should remove the building it was felt that it would save a lot of worry and expense for the town to remove it back, contractor Wallace agreeing to remove it for the sum of \$47.00. This plan was adopted Councillor Alexander dissenting.

Councillor White brought up the matter of the matter of \$125 which had been voted to the firemen and never had it handed over. After some good natured bandinage in which Councillor Pinault quoted the epigram amid loud laughter of the army which was "Invincible in time of peace, Invincible in time of war."

It was resolved to pay this sum over to the firemen.

After a sum of questions regarding the proposed subway which we found were in the same position as before the fire. Council adjourned.

Amatite ROOFING
Needs No Painting.

A MATITE roofing is wanted. It doesn't need to be watched over and fussed with and cared for. It takes care of itself from the start. As soon as it is laid on your roof, you can go away and forget about it. You don't have to paint Amatite every two years as you do the "rubber" kinds. Amatite has a mineral surface which needs no painting. The mineral surface is better and more durable than many coats of paint. Back of the mineral surface is a layer of pitch, the greatest waterproofing compound known. Back of the pitch is a layer of felt (a whole ready roofing in itself), and behind this is another layer of pitch and another layer of felt. The result is a strong, durable roof which can take care of itself in any climate without painting. We will be glad to send you free a sample of Amatite Roofing so that you can see for yourself just what it looks like. Address our nearest office.

Everjet Elastic Paint
Low in price. Great in durability. Invaluable for prolonging the life of masonry, fences, iron work, etc.

Creonoid Low Destructive and Corrosive. It will keep flies away from the cow. It will keep lice and ticks away from the poultry, make everything sanitary and increase the output.

AFTER DOCTORS FAILED

Lydia E. Pinkham's Vegetable Compound Cured Her.

Midgie Station, N. B.—One can hardly believe this as it is not natural, but it was my case. For ten months I suffered from suppression. I had different doctors, tried different medicines, but none helped me. My friends told me I would go into a decline. One day a lady friend told me what your medicine had done for her, so I wrote you for advice and received your reply with pleasure.

I started taking Lydia E. Pinkham's Vegetable Compound, and at the second bottle showed improvement. Now I am regular and neater was so well in my life, thanks to Mrs. Pinkham's medicine.

Please publish my letter for the benefit of others. Mrs. JOSEPH W. BIGGS, Midgie Station, N. B.

Indian Head, Sask.—Lydia E. Pinkham's Vegetable Compound is indeed a boon to women who suffer from female life. My health is better now than it has been for my five years of married life and I thank you for the good your advice and medicine have done me. I had spent hundreds of dollars on doctors without receiving any benefit.—Mrs. FRANK COOPER, Box 463, Indian Head, Saskatchewan.

The most successful remedy in this country for the cure of all forms of female complaint is Lydia E. Pinkham's Vegetable Compound.

Freehold Lots For Sale!

On McMillan Ave, prices \$150 to \$300. On Prince William Street, the most beautiful spot in town, prices from \$600 to \$950. Remember I don't tie you down for 999 years. When you buy it is yours.

TRADE MARK DECISION

British Columbia Supreme Court
Promptly Ordered the Delinquents
to Change Their Name or Quit
Business.

Half a dozen local men in Van-
couver recently sought to secure a
provincial charter under the name
of Semi-ready, Limited, for the
purpose of tailoring and selling
high-class garments. The Supreme
Court of British Columbia was
promptly appealed to by the Semi-
ready Company, of Montreal, and
this judgment was recorded:

"This court doth order and
adjudge that the name of the de-
fendant be changed so that the
name 'Semi-ready' do not appear
therein, and that until such change
is effected by the Registrar of
Joint Stock Companies the de-
fendant be restrained from carry-
ing on any business in the Pro-
vince of British Columbia under
the name of the 'Semi-ready Ltd.,'
similar to that carried on by the
plaintiff."

The "Semi-ready" name covers
articles of all kinds for men's wear,
and for women's wear, and the
registered rights are vested in the
Semi-ready garments.

Alfred Wood, vice-president of
the Semi-ready, Limited, and a
director in other corporations in
Montreal said: "We got quick
action. Most people do not. I
am going to work hard for a Busi-
ness Men's Court, where trans-
gressions against the honor and
integrity of the moral business
code will be dealt with by trained
business men, by men of stainless
business reputation. Every pro-
fession has such a domestic court,
and the industrial or business pro-
fession is the highest type of oc-
cupation in any civilized country.
Such a court would be business-
like and quick, would be sound in
its view and certain in its direc-
tions. It would not be hampered
by heavy rules of practice and
procedure, nor delayed by any ad-
miration for the traditions of the
kindergarten age of commerce."

Sad Drowning Accidents

Arthur Jones of Newcastle and James
Gillis of Flatlands Meet Death
in the Cruel Waters

Arthur Jones, aged 12 years and
seven months, son of Mr. and Mrs.
Harry Jones, was drowned about
four o'clock Monday afternoon
while attempting to save his
younger brother Clayton. The
three children—Susie, the eldest,
and the two boys—had been bath-
ing along the Matheson's shore
about six hundred yards below
Ritchie's mill. Their mother had
been present, and had left them
only a few minutes before the
tragedy occurred. The three had
stayed behind to take another dip,
when Susie and Clayton, going out
too far, suddenly found themselves
over the brink of the channel
which there is about forty feet
deep. Neither of them were good
swimmers. Gertrude Vicars, who
was on the shore, waded out as far
as she dared and handed to Susie
a board which enabled her to swim
ashore. Clayton being beyond his
depth, Arthur, utterly regardless
of his own life, thinking only of
his little brother, swam after him,
caught him, lost hold of him, and
sank into the channel. Mean-
while John Adair swam out and
rescued Clayton just as he was
sinking for the third time. He
swam back as soon as possible for
Arthur, but the latter had vanished
in the swift and cruel current.
Men grappled all afternoon and
far into the night but found no
trace of the body. Four bodies
grappled all forenoon yesterday.
When returning abreast, near
noon tide, James Forrest's grapping
irons caught the body and brought

it up, about five minutes before
twelve o'clock.

Arthur Jones was a general
favorite and his death under such
tragic circumstances has cast a
gloom over the community. The
family is grief-stricken. His father
is an engineer at Hicksons mill
and is very well known as a trusty
workman and good citizen. His
mother and the brother and sister
above mentioned survive.

Another sad drowning accident
occurred at Flatlands, twelve miles
above Campbellton, on Sunday
afternoon when Jas. Gillis son of
Mr. Harvey Gillis, met death while
swimming in the Restigouche
River. Shortly after dinner the
deceased with his father and
brother, Charles and Karl Mac-
Aleese, went to the river back of
Mr. Ellis' home for a bath. After
swimming for a while they all
came out and then the deceased
returned for another dip. He
swam away from the others and it
is thought a cramp seized him, for
while he was in the swift current
he was suddenly heard to cry for
help. Both his father and Mr.
MacAleese swam out to him, but
he sank before they could render
assistance. The body was recovered
with the aid of a boat about
twenty-five minutes after sinking.
Young Gillis was about 24 years
old, was attending the University
of New Brunswick and would have
graduated next year.

VIOLENT LIGHTNING FOLLOWS INTENSE HEAT

Terific Storm Sweeps Miramichi and the Whole Provin-
ce—Fredericton Cathedral Nearly Destroyed

After a period of intense heat
the thermometer showing a tem-
perature of 87 in the shade, one
of the worst electrical storms that
ever swept the Miramichi began
here about 5 o'clock Monday
afternoon, and continued several
hours. It seemed to come in sev-
eral distinct squalls. Rain fell in
torrents, the thunder was deafen-
ing and the lightning blazed forth
with shocking vividness. Many
of the people were terrified and,
although few could venture out
on account of the fierceness of the
storm, it seemed certain that at
least some of the buildings in the
town would suffer.

Wm. Curtis' house at Bridge-
town was struck, but only slight
damage was done. The chimney
of Hotel McEvoy was struck, the
lightning going down and coming
up again bringing a shower of
ashes and then bursting like a
rocket but doing no damage.
Many persons received slight
shocks at the telephones. In Mr.
E. A. McCurdy's private office,
Mrs. McCurdy received a severe
shock from the telephone and Miss
Jessie Lyon was knocked down off
her seat. In the Bank of Nova
Scotia John Robinson, Jr., was
slightly benumbed by a shock.
Strange to say, no con-
siderable damage was done any-
where in the vicinity.

On the lower river the steamer
Alexandra had great difficulty in
keeping her course. As it was,
she did not reach Newcastle till
about 9.30 p.m., an hour and a
half late. She had about 300
excursionists on board, but there
were no fatalities.

The storm began in Fredericton
about 9 o'clock Monday night.
About 11.30 Christ Church Cathed-
ral was struck by lightning,
caught fire, and by 2 o'clock very
little but the walls were left stand-
ing.

The church was built in Bishop
Medley's time, at a cost of more

than thirty thousand pounds
sterling and was consecrated in
1853. It was built of stone, and a
great deal of fine hardwood was
used in finishing the interior. This
material was brought from the old
country. The church was famous
for its magnificent fixtures and
altogether was considered one of
the finest church buildings in the
maritime provinces. Only last
year a new organ was installed at
a cost of several thousand dollars.
The Cathedral was a Gothic
structure and one of the hand-
somest in Canada. It was worth
at least \$200,000, and insured for
about \$75,000. The loss will be
from \$75,000 to \$100,000.

The storm broke over Moncton
at 9 o'clock. Some damage was
done to wires and a house on
Waterloo street, owned by John
Weir was struck. Part of the
roof was torn off and the electric
bolt entered the house, tearing off
the plaster in one of the rooms,
but fortunately doing no other
damage.

HOW'S THIS?

We offer One Hundred Dollars Re-
ward for any case of Catarrh that
cannot be cured by Hall's Catarrh
Cure.

F. J. CHENEY & CO., Toledo, O.

will accompany the Sackville Orange-
men here on July 12th, is one of the
finest civilian bands in the Maritime
Provinces. This band is over thirty
strong and the announcement that it
will visit Newcastle will be heard with
pleasure by all music lovers.

**Anchor
SHINGLE
STAINS**

The Best
Preservative of
Undressed Wood

Anchor Shingle Stains indefinitely
postpone, if not absolutely prevent wet
or dry rot. They show up the grain of the wood, giving delicately artistic
finish, not only to the surface coated, but to the entire building.

We have used infinite pains in the selection of pigments best suited
to combine with our specially treated COAL TAR CREOSOTE, and
our success has been proportionate with our care.

Anchor Shingle Stains are being very largely used on the roofs, and
in many instances also on the bodies, of the most attractive houses in
our midst; they are also employed with excellent results from an
economic standpoint on sheds and other outbuildings.

If your dealer cannot at the moment
supply Anchor Shingle Stains, please
write us to arrange for you.

REV. W. J. DEAN DISCUSSES CURRENT QUESTIONS

Speaks Strongly on Many Subjects Including the Liquor Evil in Newcastle.

(The Union Advocate)

In the Methodist church Sunday night, Rev. W. J. Dean preached on Citizenship, from the text in Psalm 72:16.

In declaring that Canada now stood at the parting of the ways, the preacher said in part:

Canada, although but an infant in years, is, nevertheless, reaping where other nations have sown.

IMMIGRATION

In seeking immigrants no longer should we send our agents into Southern Europe to bring in the scum of that population.

SCHOOLS

The Bible has been banished, virtually, from our day schools, but the cry from thoughtful people now is to put the Bible back into the schools, and set apart time for religious instruction. Thousands of children are going out into the world today ignorant of the Bible—only a few are found in our Sunday schools. A burning question is the immorality going on today in the day schools. The time has come when in high schools there must be separation made among the pupils. The evil is due to the banishment of the Bible.

WHITE SLAVE TRAFFIC

There are in this land today many persons—often women—luring the innocent to moral and physical destruction. First of all no girl should be seen in the company of anyone she does not know. She should trust to NO ONE. She should not accept the offer of a walk, a drive, or a drink with persons not thoroughly known. There have been instances given of well dressed women pretending to faint on the streets so as to persuade the sympathetic girls coming to their assistance to get into cabs to see them safely home—the trusting girls were never heard of more—kidnapped and sold into a life of slavery and unspeakable shame, to be followed quickly by loathsome disease and early death.

RECIPROCITY

45 years ago—one year before confederation—Canada was practically on her knees begging admittance to the United States markets. But times have changed. It is now the United States begging admittance to Canada's markets. Canada has come to realize her strength. All nations recognize that she has a great future before her. What Canada does in the next few years—probably what the present government of Canada does—may settle her fate for good or for woe for the next hundred years.

CUT TO PIECES ON A CIRCULAR SAW

Andrew Paulin Meets Untimely Death in Snowball's Mill.

Andrew Paulin, aged 16, son of Prudent Paulin, of Chatham, fell on a circular cut-off saw in the J. B. Snowball Co. mill, on Thursday afternoon and was instantly killed. The verdict of the coroner's jury was as follows:

We find that the deceased came to his death accidentally by cuts from a saw in the J. B. Snowball Company's mill. We recommend the saws be covered if it is necessary for any person to get on the table when the mill is working.

WEDDINGS

DEAN-FERGUSON

A fashionable event took place Wednesday afternoon at 2.30 o'clock at the residence of Mr. and Mrs. John Ferguson, Newcastle, when their eldest daughter, Miss Bessie was united in marriage to Harry Dean, formerly of York-shire, Eng. and now director of the Halifax Conservatory of Music, Halifax, N. S. Rev. St. J. MacArthur, pastor of St. James' Presbyterian church, officiated. The bride was charmingly attired in a gown of white satin with tunic of white net and carried a shower bouquet of bridal roses. Miss Florence Ferguson, sister of the bride, was bridesmaid and she was becomingly gowned in yellow satin, and carried a bouquet of pink carnations. Mr. and Mrs. Dean received a large number of beautiful presents, cut glass and silverware forming an abundant quota. The staff at the Halifax Conservatory with which both contracting parties were connected presented a handsome tea service to them. Mr. and Mrs. Dean will sail from Quebec on the Allan liner Corsican on a honey moon trip to the old country. Their itinerary includes visits to various points of interest in England and Scotland and will extend during July and August. On their return they will reside in Halifax.

THE MODERN WAY OF HOME DYEING

Is to use ONE DYE that will color either Wool, Cotton, Silk or Mixed Goods Perfectly. You will find this in

DYOLA

Send for Sample Card and Booklet. RICHARDSON, CO. LTD., Montreal, Can.

With this Modern Dye all you have to do is to ask for DYOLA then you CAN'T make a mistake and use the Wrong Dye for the goods you have to color.

CRIPPLE FROM RHEUMATISM

NOW IN PERFECT HEALTH THANKS TO "FRUIT-A-TIVES"

Vancouver, B.C., Dec. 1st, 1920.

"I am well acquainted with a man, known to thousands in Vancouver, Victoria and New Westminster, who for nearly a year was practically a cripple from Rheumatism. He was so troubled with the disease that he found it difficult to even turn over in bed. His heart appeared so weak that he could hardly walk up stairs.

Last June, he received a sample of "Fruit-a-tives". He used them and dates his recovery from that time. To-day, there is no man in Vancouver enjoying better health.

He was building a house this fall and stunged a good part of the roof in a driving rain, without suffering any bad effects."

JOHN B. LACY.

Mr. F. E. MUIR, (assistant pharmacist at Knappton, Que.) also writes: "I honestly believe that "Fruit-a-tives" is the greatest Rheumatism cure in the world". Try it yourself.

Box, 6 for \$4.00, trial size, 25c. At dealers, or from Fruit-a-tives Limited, Ottawa.

A BIG DAY AT NEWCASTLE ON JULY 12TH

Orangemen from All the Northumberland, Moncton and Westmorland Lodges to Parade Here

Wednesday next, July 12th, will be a gala day in Newcastle. Not only the two local Orange lodges, but all the lodges of the county will congregate in town that day. Also the members of Westmorland lodges both in Moncton and the surrounding country, are booked to come to Newcastle to help in the celebration. The Restigouche County brethren are also expected, and it is thought, should the weather be at all fine, there will be fully 2,000 outsiders in Newcastle for the occasion.

The grand parade begins at 2.30 p.m. from the Orange Hall. After the procession speeches will be delivered in the open air by Grand Master A. A. D. Thomas and others prominent in the order.

Dinner will be served from 11 to 2, and supper from 5 to 7 on the grounds near the Orange Hall.

SILVER JUBILEE.

On last Thursday, the feasts of Sts. Peter and Paul, His Lordship Bishop Casey, of St. John, celebrated the silver jubilee of his ordination to the priesthood. The present Bishop of this diocese, after finishing his classical course, at the University of St. Joseph's, was raised to the priesthood by his predecessor in the Episcopate, the late Rt. Rev. John Sweeney, on June 29th, 1880—New Freeman.

BLACK CAPE

Black Cape, July 3rd.—Quite a number of our young people attended the coronation celebration at New Carlisle on the 22nd.

Mrs. Thomas Young of Oak Bay Mills is visiting her mother, Mrs. Peter McRae.

Mr. Hugh Johnston has returned from Matapedia where he has been for some time on duty.

Mr. and Mrs. D. L. Campbell and son have returned from Paspébiac West.

Two steamers are in the harbor of New Richmond loading lumber one for Montgomery & Sons and the other for the Casapedia Mill and Trading Co.

The Norwegian barque Serridge which has been loading a cargo of deal at Pritchard's Cove for J. H. Starak sailed on Sunday morning.

A large picnic was held at the New Richmond Driving Park on Saturday and was largely attended the day being all that could be expected.

Mr. and Mrs. D. L. Campbell and son have returned from Paspébiac West.

NEW CARLISLE

Coronation Day was celebrated here and everything went off satisfactorily.

There were over 2000 people from up and down the coast. The Chatham band supplied the music. One feature of note was the marching of about three hundred children, through the village down to the grounds.

The three clergymen of the place took an interest in the children.

The young people had a very enjoyable picnic on Dominion Day at St. Godfrey's.

Master D. Shearer is improving slowly from his illness and we trust will soon be about again.

Mrs. Capt. Clifford Smith and Miss Ella Smith arrived here a few days ago.

Miss Gertrude Smith of Dee Side is visiting her home here.

Mrs. Thomas Smith and daughter have returned to their old home for the summer.

NOTICE OF SALE

To, Marie Louise Magee of the Town of Dalhousie, in the County of Restigouche, and Province of New Brunswick, wife of J. Valentine Magee of the same place, Clerk, and to the said J. Valentine Magee.

NOTICE is hereby given that under and by virtue of a power of sale contained in an indenture of Mortgage, dated the Third day of October, A. D. 1910, made between the said Marie Louise Magee and J. Valentine Magee, of the first part, and the undersigned Myra O'Leary, wife of Frederick O'Leary, both lately of the said Town of Dalhousie, but now residing in the Town of Campbellton, in the said County and Province, of the second part, and duly registered in the Office of the Registrar of Deeds in and for the said County, by the number 11,946 on the Twenty-Seventh day of February, A. D. 1911 for the purpose of satisfying the moneys secured by the said Mortgage, default having been made in the payment thereof, and in pursuance of the said power of sale, there will be sold at Public Auction in front of the Court House in the said Town of Dalhousie, on Thursday the Thirtieth day of August next, at two o'clock in the afternoon, the lands and premises mentioned and described in said mortgage as follows: "All and singular that following lot of land and premises situate, lying and being in the town place of Dalhousie aforesaid, and bounded as follows: 'beginning at a point on the North-east side of Adelaide Street, at its junction with the street running west along north-east side of Adelaide street one hundred feet, thence northerly at right angles to Adelaide street fifty feet, thence parallel with Adelaide street one hundred feet or until it strikes Brunswick street, and thence south along the western side of Brunswick street fifty feet to the place of beginning, together with all the buildings, and improvements thereon, and the rights and appurtenances to the said lands and premises belonging and appurtenant.

Dated this sixteenth day of June, A. D. 1911.

W. A. Trueman, Solicitor of Mortgage.

Myra O'Leary, Mortgagee.

Province of New Brunswick, ss. County of Restigouche.

I, W. Alder Trueman, a Notary Public in and for the said Province, by Royal authority duly appointed, admitted and sworn, residing and practising at the Town of Dalhousie in said County and Province, do hereby certify that on this sixteenth day of June, A. D. 1911, before me, the said Notary Public, at the Town of Campbellton in the said County and Province, personally came and appeared Myra O'Leary, wife of Frederick O'Leary, and being the Mortgagee named in the above notice, and being by me then and there examined separately and apart from her said husband, did acknowledge to me that she did sign the said above notice as her free act, to and for the uses and purposes there in written and contained, so done freely and voluntarily without any threat, fear or compulsion by, of or from her said husband.

In Faith and Testimony whereof, I, the said Notary Public, have hereunto set my hand and affixed my Notarial Seal, at Campbellton aforesaid, the day and year above, in this certificate written.

W. Alder Trueman, Notary Public.
