Beatrice, Neb. - "Just after my marriage my left side began to pain me and the pain got so severe at times that I suffered terribly with it. I visited three doctors and each one wanted to operate on me but I would not consent to an operation. I heard of the good Lydia E. Pinkham's Vegetable Compound was doing for others and I used several bottles of it with the result that I haven't been bothered with my side since then. I am in good health and I have two little girls."-Mrs. R. B. CHILD, Beatrice, Neb.

The Other Case. Cary, Maine. - "I feel it a duty I owe to all suffering women to tell what Lydia E. Pinkham's Vegetable Compound did forme. One year ago I found myself a terrible sufferer. It seemed almost impossible to move or do a bit of work and I thought I never would be any better until I submitted to an operation, but my husband thought I had better write to you and I did so, stating my symp-toms. I commenced taking Lydia E. Binkham's Vegetable Compound and Soon felt like a new woman. I had no pains, slept well, had good appetite and could do almost all my own work for a family of four.
