Begighors of ours, we have gone to ridiculous langths of submission and first of Mottains and Resitucky, 10 choing in concession; while the home government, the concession; while the home government, and concession; while the home government, the concession; while the home government and concession; the concession of the home government and concession of the home government and concession of the home government and the present the concession of the home government and the

seen what the year may bring forth. Let us hope that, if any such expectation be entertained by our neighbors, they will be promptly undeceived. Concerning this whole fishery business the fullest explan
Bootskeepers Endly Paid.

ationists get no comfort from Mr. Hague, holders of the Toronto Land and Investment corporation was held at their offices, 34 Toronto street, to-day. A very large representation of shareholders was present.

Bootskeepers Endly Paid.

Mr. Geo. R. R. Cockburn was appointed.

In spite of the absence of stirring issues at present between liberalism and conservation, Mr. Macmaster has been keeping up a factionist fire which appears to dry up the independent thought of the first days of his career. But in this instance ripening experience may be trusted to cool the heated head of the partizah. A more specific and far graver charge is an apparent fack of moral courage in not voting on an amendment to the Scott law. The axiom: to heated the second course is a standard of the partizah. A more specific and far graver charge is an apparent fack of moral courage in not voting on an amendment to the Scott law. The axiom: to heated the second course is should look to a labor union as a potent condition, but it remains to be seen whother that to the Scott law. The axiom: to heated the second course is should look to a labor union as a potent condition, but it remains to be seen whother that union will be strong and numerous the second course is rapidly wages, except in cases where unusual expertness, careful apprenticeship and dexterity are required. The new theory of cure is rapidly growing in fashion but is illogical threason and solvence. Faith without works is dead. Those who have faith in Hagyard's Yellow wages, except in cases where unusual expertness, careful apprenticeship and dexterity are required. The new theory of cure is rapidly growing in fashion but is illogical threason and solvence. Faith without works is dead of the partizah. A more required. The new theory of cure is rapidly growing in fashion but is illogical threason. The without works is dead of the partizah. A more required. The new theory of cure is rapidly growing in fashion but is illogical threason. The whole the proving in fashion but is illogical threason. The without works to such that bookkeepers and clerks have been generally unable to fix and maintain to woll have its good works to assure their falls. It is an unfailing external and internal relief for aches, pains, family and solvence. The new theory of cure is

pinion on this score. These restrictions, though of import, sould not as yet justify the county conser-vatives consenting to change their standardbearen because: firstly, he is a square piece of parliamentary timber; next, the junior file of the party would resent such action as a shelving of one of their foremost fighters; and he is their best because their sharpest weapon to lop the ears of Midas watives consenting to change their standardpiece of parliamentary timber; next, the junior file of the party would resent such action as a shelving of one of their foremost fighters; and he is their best because their sharpest weapon to lop the ears of Midas to whose influence the Glengarry liberals are reported to be succumbing.

If the party council will hearken to the succumbing with women shows that a rich man may be the success of the success of

Hopkins, The Dwyers have a remarkable string of whisky, guaranteed to be over fifteen years old, and said to be the finest whisky in the world for medicinal purposes, at Mara & Co., 280 Queen street west, near Beverley street. Telephone 713. edx

-R. J. Licence & Co., wholesale and retail dealers in picture frames, mats, room mouldings, &c., &c., have opened out a new sitablishment at the south east corner of Bay and Adelaide streets, and are new fully prepared to supply all comers. The firm make a specialty of the above articles, and are second to none in regard to quality, price, &c. horses this spring.

Referring to the report that Fred. Goldsmith is to be appointed a National league umpire the Chicago Herald says: "When Goldsmith left Chicago there was anything but the best of feeling between the club and himself. Unless time has softened the differences Chicago is not apt to receive many favors from Goldsmith's hands."

The stakes offered by the different jockey clubs, which closed Jenuary 1 and 15, filled remarkably well. In nearly every case they exceed the numbers gained in previous years. Coney Island heads the list with a grand total of 1516 entries; St. Louis has 923 entries; Washington Park, 877; Latonia, 836; and Louisville, 441.

interiors: Washington Park, 871; Latonia, 836; and Louisville, 421.

There was a raid on pool-sellers in New York last Thursday, who were making a big day of if owing to the fine weather and good racing at New Orleans. Among those arrested were Samuel Francis, a clerk for W. Lovell, the bookmaker: Kdward Pearsell, Robert Williams and Christopher Miller. At the Tombs Justice Patterson hold them for trial.

Editor World: I think that if the managers of the Toronto Baseball clubs would reduce the ages of members of clubs in the junior amateur league from 20 years to 18 years and under it would be an improvement. Such a direct class of tobacco and made by union men and manufactured by w. e. dobson, 169 King 246x

Of Vital Importance.

It is just as essential that the human body should have pure blood, as that a tree or plant should have sap to nourish and invigorate its growth. Nearly all our bedily ills arise from unbealthy blood. Burdock Blood Bitters purifies this fountation of the properties of the vital interior of the properties of the vital interior of the properties.
