The copy filmed here has been reproduced thanks to the generosity of:

The Nova Scotia  
Legislative Library

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol ➡ (meaning "CONTINUED"), or the symbol ▼ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

The Nova Scotia  
Legislative Library

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole ➡ signifie "A SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

## GENERAL REGULATIONS.

---

1. The Exhibition Grounds and Buildings will be opened on Monday, October 1st, 1877, at 9 o'clock, A. M., and continue open during the day and evening for the reception and arrangement of exhibition articles and animals. Exhibitors on arrival will immediately report themselves at the office of the Secretary, who, with the assistance of the Committee of Management, will allot appropriate pens or space for their exhibits. This day none but members of the General Committee, officials, exhibitors and necessary attendants will be admitted.

2. Live animals, cut flowers, and perishable articles will be received on Tuesday morning, from sunrise up to 9 o'clock. Unavoidable delays to be dealt with at the discretion of the Committee.

3. The Exhibition will be open to the public on Tuesday, the 2nd, at 2 o'clock, P. M., when an opening address will be given. The grounds and buildings will be open each succeeding day from 9, A. M., to 5, P. M., and the buildings on Wednesday and Thursday evenings from 7 to 10, P. M. Admission 25 cents; children 10 cents. Bands of music will be in attendance.

4. The Judges will meet at the Secretary's office on Tuesday the 2nd, at 9 A. M., obtain entry books, and proceed to award premiums. On completing their work, (which, if practicable should be finished by 5 P. M. of the same day,) they will hand over their books and reports to the Secretary, who will furnish the requisite prize tickets, which it will be their duty to place carefully, and as soon as possible, upon the various articles.

5. Exhibits may be removed from the ground on Friday afternoon, 5th October, immediately after the closing address

has been delivered. The Treasurer will commence to pay premiums on the ground, at 9 A. M. on Friday. Prizes not claimed within three months from the close of the exhibition will be forfeited.

6. Every intending competitor must transmit to the Secretary not later than the date mentioned below, an entry paper containing a correct list of the animals or articles which he intends to exhibit, together with certificate of pedigree, in the case of thorough bred stock, or else a reference to registry numbers of the Nova Scotia Stock Register. Any competitor failing to transmit his entry certificate at the proper time will be excluded from competition. No fee is charged for the entry of animals or articles.

[For the convenience of exhibitors and judges, a list of all cattle recorded in the Nova Scotia Stock Register, with their registry numbers, and the numbers of their sires and dams, will be published in the *Journal of Agriculture* about the 1st day of August.]

7. Horses, cattle, sheep, swine, and poultry, must be entered on or before Saturday, September 1st, one month preceding the show, and the age of each animal should be stated in years and months, at the date of exhibition—the precise date of birth to be given when necessary.

8. Plants, fruits, flowers, grain, roots, vegetables, and other field and garden products, agricultural implements, and manufactures of all kinds, articles not elsewhere enumerated, may be entered up to Saturday, September 22nd—one week preceding the show.

9. Exhibitors of bulky articles, requiring extensive or unusual accommodation, should communicate with the Secretary on or before the 8th of September, in order that there may be time for the Committee to make the requisite arrangements.

10. All articles for exhibition must be on the grounds on Monday, October 1st, after which day none will be received, except live stock, fruit, flowers, and other perishable articles,

which will be received up to 9 A. M. on Tuesday, the 2nd. All necessary erections, and bulky articles requiring to be put together on the grounds, or in the buildings, must be finished, and waste material and rubbish removed, not later than 12 o'clock on Saturday, 29th September, as no such work will be permitted during the show week.

11. Exhibitors will in every case give the necessary personal attention to whatever they exhibit. Necessary attendance upon stock, and workmen actually required to attend to machinery, will be furnished with admission tickets free, with their names written upon them; such tickets to be obtained from the Secretary by personal application.

12. All articles for competition shall be the production or manufacture of the Province, except when otherwise mentioned; field produce, and manufactures therefrom, must be the growth or production, or manufacture of 1877, except where otherwise specified; and all live stock must have been owned by the competitor, and kept in the Province for a period not less than three months immediately prior to the exhibition.

13. Articles from other countries, and especially from other provinces of the Dominion, are solicited; but not for competition. The Committee will have the power of granting a limited number of honorary prizes for such articles.

14. All expenses incurred in the conveyance of articles or animals to and from Kentville, placing them in the exhibition, and maintaining them while there, shall be borne by the exhibitor, who must also undertake all risk of loss or damage. Articles must in every case be delivered and unpacked free of expense to the Committee.

15. Each exhibitor will receive from the Secretary an entry ticket for every article to be exhibited by him, and he is required to affix such ticket upon the article, or upon the stall or pen of the animal which he exhibits.

16. When the articles exhibited are of inferior merit, the judges shall have the discretionary power of awarding or

withholding prizes, or reducing their values. No article can take two prizes, or be exhibited in two collections, unless the contrary is distinctly expressed in the prize list. In estimating the merit of live stock, the judges are requested to take age into consideration where animals of different ages are competing against each other.

17. The Committee may reject all articles which they shall consider unworthy or unfit for exhibition.

18. No person shall be allowed to enter for exhibition more than one specimen (or required quantity) in any one section or class. This rule is not to apply to animals, but to all kinds of grain, vegetable products, plants and flowers, fruits, implements, home manufactures, &c.

19. During the exhibition, all vegetable products and manufactured articles, shall be under the control of the Exhibition Committee and their superintendents, and all live stock shall be taken charge of by their owners—the Committee, or superintendents appointed by them, giving all practicable assistance in providing the necessary accommodation and water, and affording facilities for the purchase of hay, straw, oats, and roots, which will be supplied on the grounds at reasonable prices.

20. Articles sent for competition or exhibition shall not be removed from the exhibition rooms or grounds till the time appointed, without special permission of the Exhibition Committee or superintendents.

The Committee will, as far as practicable, allow or make arrangements to facilitate the sale of animals and other exhibits; but they will not undertake any responsibility in connection with such transactions, and no auctioneer will be allowed to sell, by public auction, any animals or articles on the grounds or in the buildings, without permission of the Committee, and under such regulations as they may find it necessary to impose.

22. Any exhibitor who may feel aggrieved in consequence of any irregularity, is requested to draw the attention of the committee of that department to the matter, without entering into any discussion to cause hinderance or distraction. Should he not receive what he may consider sufficient redress on the spot, he must, nevertheless, abide by the decision given; but he may, at the close of the exhibition, bring the matter before the General Committee by written statements, with a view to full enquiry.

23. No animal can be admitted within the enclosure that has not been previously entered in accordance with Regulations 6 and 7, and animals of an inferior character only by permission of the General Committee.

24. Space will be provided for any article that may be forwarded for exhibition, subject to approval of Committee, apart from such as are mentioned in the prize list. Awards of merit will be given by the Committee for such, all which exhibits must be entered in the Secretary's books, in the manner prescribed for those within the prize list.

25. Exhibitors must supply themselves with proper fastenings for safely securing the animals in their stalls. All bulls (not under a year old) must have nose-rings.

# PRIZE LIST.

## CLASS 1.—HORSES.
