REPORT OF THE COUNCIL
OF THE
ONTARIO RIFLE ASSOCIATION
FOR 1884.

Your Council, in submitting its report for the year 1884, has first to call attention to the Annual Prize Meeting which began on the 25th August and continued four days, the weather with the exception of part of a day being good.

Owing to the large expenditure made in the years 1882 and 1883, in providing new targets and butts, the finances were at the beginning of the year in such a low state as to render advisable a reduction in the expenses of the annual competition. As the very liberal prize-lists of the preceding years had latterly failed to augment the number of competitors, the Council determined upon effecting a saving by curtailing the number and amount usually offered; and a saving of some seven hundred dollars was by this means obtained. The ordinary running expenses of the meeting were also reduced.

Notwithstanding, however, that fewer prizes were given, the receipts from entries, sighting shots, &c., were rather larger than usual, and an increase in the membership and Affiliated Associations over last year has taken place.

The District Camp, which was held on the Garrison Common in the latter part of June, caused a loss of at least one hundred and fifty dollars to the Association through the damage done to the pasturage, as at that time of the year the grass was in its best state.

A complete set of canvas targets had to be bought for the matches, and from experience a similar outlay may be looked for every year.

The general result of the year, in a financial point of view, may be looked upon as satisfactory.

In connection with the matches your Council has to record its most grateful thanks for the many donations and contributions received.

His Excellency the Governor-General, the Marquis of Lansdowne, following the example of his predecessors, generously offered two medals (one silver and one bronze) for competition, with the promise of similar prizes each year during the term of his administration.

The Dominion and Provincial Governments again afforded most substantial aid in the form of money grants, and the Canada Company continues its handsome donation of twenty-five guineas.

From the following municipalities most welcome assistance has been received, viz. :—Counties of Bruce, Haldimand, Huron, Lincoln, Middlesex, Oxford, Stormont, Victoria, Wentworth and York, also the cities of Hamilton and Toronto.

Contributions in the shape of value prizes were very kindly given by Messrs. J. H. Steward & Co., London, Eng. ; Robinson Bros., Copp, Clark & Co., T. Crean, Lugsdin & Barnett, Russell & Co., Brown Bros., C. T. Brandon & Co., *Mail* Printing Company, R. Hay & Co., of Toronto ; Lieut.-Col. Grasett, Lieut.-Col. Gibson, M. P. P., Lieut.-Col. Alger, Capt. Cooper, Major Mason and Lieut.-Col. Otter.

Your Council has also to express its high appreciation of the services rendered by the under-named gentlemen in the conduct of Prize Meeting, viz. :—Lieut.-Col. Hon. Matthew Aylmer and Lieut.-Col. Jones, Dufferin Rifles, the Executive Committee, Lieut.-Col. Miller, Q. O. R., the Statistical Officer, Captain McLaren, 13th Battalion, Captain Boomer, Retired List, and Lieut. Mutton, Q. O. R., the Range Officers, Captain James Graham, Reserve Militia, Auditor, and Surgeon Major De la Hooke, with Surgeons Macdonald, Strange and Lesslie, the Medical Officers ; while to the managers of the several Railway companies and proprietors of the *Globe* and *Mail* its thanks are equally due for the low rates granted to competitors and full accounts published of the proceedings.

The Association will learn with regret that Lieut.-Col. John Walker, its President for the past three years, has been obliged, in consequence of a change in residence, to resign his office. Lieut.-Col. Walker's connection with the Association has been a lengthy one, and his most substantial tokens of the interest he has taken in its work will not soon be forgotten.

Lieut.-Col. Gibson, M. P. P., 13th Battalion, takes up the duties of President.

J. M. GIBSON, LIEUT.-COL.,
President.

W. D. OTTER, LIEUT.-COL.,

XVII.—PRIZE WINNERS.

1. Winners of prizes must apply to the Treasurer's office on the ground for them, and on receiving the amount of such prizes sign a receipt for the same.
2. All prizes not claimed before the 31st December, 1884, will be forfeited to the Association.

XVIII.—GENERAL REGULATIONS.

The Meeting will be under the direction of an Executive Committee, composed of the chairman and two members of the Council, to be nominated by the Council, whose decision shall be final and binding in all matters submitted to them for their consideration; but they may, at their discretion, refer any questions to the decision of the Council, in which case the decision of the Council on such questions shall be final.

1. All Competitors will be subject to the Executive Committee, Officers or Non-Commissioned Officers, in charge of their respective ranges or squads, the Camp Police, and the General Regulations for the conduct of the meeting.
2. Competitors must make themselves acquainted with the General Regulations of the meeting, as also with the conditions attached to the prize or prizes for which they have entered, *as the plea of ignorance of such regulations and conditions will not be entertained.*
3. They must refer to the Notice Boards daily, and ascertain whether any orders have been issued which alter or affect the original detail.
4. They must attend at the firing point punctually at the hour detailed on the Firing Detail Board, and deliver their tickets to the Register Keeper. Unless a competitor produces his firing ticket at the firing point, he will not be allowed to fire. Should a competitor lose his firing ticket, omit to take it to the firing point, or fail to attend at the hour detailed, and so by *his own neglect* miss the opportunity given him of competing for the prize for which his ticket was issued, his claim on the Association in regard to such competition will be cancelled.
5. The Matches will take place, if possible, at the time named. Any deviations from the rule will be posted on the board at the Secretary's Hut. Temporary discontinuance on account of bad weather will be at the discretion of the Executive Committee.
6. The firing will begin daily at 9 a.m., and cease when the mid-day gun is fired. It will be resumed at 1 p.m., and cease at 6 p.m., except on the second day, when the firing will cease at 5 p.m., to enable members of the Association to attend the Annual General Meeting.
7. Two guns will be for the "Fire," one ten (10) minutes before the named hour, to warn competitors to move to the firing points, the second being the signal that firing is to begin; two guns also at the "Cease fire," one ten (10) minutes before the named hour, after which no competitor will be allowed to begin his score, the second as a signal that all the scores begun before the first gun are completed.
8. Competitors must submit their rifles and ammunition for inspection whenever required.
9. No hair triggers will be allowed.
10. Slings may be used as an assistance in all matches; but in those restricted to the Militia the slings must be of regulation length and pattern, and attached to the rifles, as in Government arms.
11. No "fouling" shots will be allowed.
12. Competitors may wipe out or clean out their rifles during any competition between distances only. This does not apply to the "Small-bore" Match.

13. No two competitors shall shoot with the same rifle in the same match (except in the "Martini-Henry"); nor shall a competitor change his rifle during a match, unless it becomes unservicable through an accident, which must be verified by the Range Officer.

14. Every competitor must enter and shoot under his own name, and, unless otherwise specified, not oftener than once for any prize.

15. No member of a squad or firing party shall absent himself without leave during firing. Any competitor delaying the squad will be passed by.

16. No competitor using a breech-loader shall load until called to the front to shoot.

17. In all competitions restricted to the use of breech-loading rifles, competitors will be formed up by files, and fire shot and shot *alternately*, but only one file at a time will be allowed within the firing ropes; and no person, except the Register Keeper, will be permitted to speak to a competitor after he has taken his place at the firing point, except in cases hereafter specified.

18. In competitions open to "Any rifle," the competitors will be formed in a squad, and fire shot for shot in the order in which their names are called.

19. Where only one competitor is present, he must necessarily fire his shots consecutively and without undue delay.

20. A competitor may have any one present within the ropes to see that the scores recorded by the Register Keeper are in accordance with the signals from the butts.

21. In individual competitions, a competitor may use a binocular or telescope, *not mounted on any kind of stand*, provided his doing so is not allowed to delay the shooting.

22. In matches shot for by "representative" Teams, all competitors will be permitted to have a "coach" or "spot," and to use binoculars or telescopes, provided that their doing so does not delay the firing.

23. The duly recognized Captain or Adjutant of a team, although not himself shooting, will be permitted to assist his team in like manner, and to appoint a "spotter" to assist him; but no person, with the above exceptions, will be permitted within the ropes, or allowed to offer advice or give instructions to competitors.

Any violation of this rule, or of any part of it, must be at once reported by the Register Keeper to the officer in charge, who will caution the offender, and on a repetition of the offence shall report the same to the Executive Committee, who will deal with the case as laid down in the Regulations under the head of Penalties, and may remove any person advising or instructing a competitor from the ground.

24. Any competitor protesting against the ruling of the officer of the Range, or feeling aggrieved in any way, must make a statement of his grievances in writing (upon forms to be had at the office), giving the names of two or more members of the squad who can bear him out in his statements, and hand it in to the Secretary; but his firing must not be delayed for that purpose.

25. No practice will be allowed on the ranges during the continuance of the meeting, either before or after the day's firing.

By Order.

W. D. OTTER, LIEUT.-COL.,

Secretary.
