103 ANNIVERSARY OF ODDFELLOWSHIP

Dr. Boyle Addresses Crescent Lodge At The St. James Church Sunday Afternoon

Crescent Lodge, No. 63, I.O.O.F., celebrated the 103rd anniversary of Oddfellowship by attending divine service in St. James' Church on Sunday afternoon. The speaker for the occasion was Rev. Dr. Boyle, President of Kings College.

The officers and members to the number of about sixty, paraded to the church and the concourse of people gathered filled the edifice to capacity. The Reverend speaker chose as his text Zechariah Ch. 2 portion verses 4 and 5 "Jerusalem shall be inhabited as towns without walls. For I, saith the Lord, will be with her a wall of fire round about and will be the glory in the midst of her".

Dr. Boyle referred briefly to the historic setting and in the course of his remarks did not go into statistics regarding the work of Oddfellowship, its good deeds and many benefactions well known arrangements of the Order but rather took general lines of discourse suggested by this text chosen. Reference was made in the early part of the discourse to the scattering of the Jews into exile without which the race would never have given Promises to Great Britain and franchises to the world. A powerful and eloquent plea was made for the highest degree of concord and good feeling between the various denominations and the breaking down of any of the "walls" which effected this was a function and a noble field of work for the efforts of Oddfellowship. The special music was excellently rendered and included "The Magnificent" in which the solo part was splendidly taken by Mrs. Harry Ruggles, and "King of Kings". We regret that pressure on our columns prevents a more extended report of the splendid service.

BARN BURNED AT PARADISE

A barn at Paradise, belonging to the estate of the late Mr. Ambrose Bent, was destroyed by fire on Saturday afternoon. Hay and some farming implements belonging to Mr. G. D. Covert, valued at about \$250, which were stored in the building, were also burned. Total loss about \$1,000.

A distance of about ten feet separated this building from the main buildings. Owing to the prompt assistance of the men and boys in the community these adjoining buildings were, with some difficulty, saved from destruction.

The fire spread through the meadow for some distance, and for a time the barn belonging to Mr. F. W. Bishop was in some danger. The origin of the fire is unknown. There was no insurance.

Bridgetown Post Office Up In Federal House

L. J. Lovett, M. P. Calls Attention to the Miserably Inadequate Post Office Facilities Prevailing Here

For the Maritime Provinces generally Dominion Public Buildings improvements, repairs, etc., \$38,000 was provided in the estimates a decrease of \$7,000 over last year. Mr. L. J. Lovett, M.P., for this constituency, is reported as follows in Hansard on a matter of much interest to Bridgetown citizens generally the most inadequate post office accommodation. His remarks were as follows: Mr. Lovett: Before the item is passed I would like to direct the attention of the minister to the inadequate accommodation provided for post office purposes in the town of Bridgetown in the County of Annapolis, which I have the honor to represent. That accommodation is so

limited that the citizens are compelled to stand out on the sidewalk while the mail is being separated and distributed. The people there feel that they have been patient in putting up with this drawback and now that the war is over are anxious to have better accommodation provided. I direct the attention of the minister to this matter, and ask his favorable consideration towards placing in the supplementary estimates an amount sufficient to provide a creditable post office for the town. The MONITOR proposes to refer to this matter in succeeding issues. The accommodation here is utterly inadequate for a town doing the volume of business carried on through the local post office.

MR. DURLING RECEIVES PENSION

The heart of Sidney Durling a veteran of the Spanish-American war, was made glad a few days ago by the information from the American Government that he would receive back pay to the amount of \$168 and a pension of \$12 per month as well. Mr. Durling served in Cuba but was somewhat incapacitated by illness.

Some time ago he put his case in the hands of Mr. F. R. Foy, who, after a large amount of correspondence, has been successful in having the matter adjusted to the satisfaction of Mr. Durling, who now feels that his war record has received with health impaired and secured a suitable measure of recognition at the hands of the Washington authorities.

YARMOUTH FIREMEN TO CELEBRATE IN TOWN NATAL DAY

Birthday Party Held—Splendid Financial Report—Permanent Investment \$7500

The tenth anniversary birthday party in connection with the Riverside Cemetery Company, of Bridgetown, was held on Tuesday evening in Warren's Hall, with a good attendance, Dr. M. E. Armstrong presiding. After the reading and approval of the Minutes of last year's regular meeting the Financial Report was presented by the Board of Directors and read by Secretary, W. A. Warren. It was a most satisfactory one and showed the company to be in splendid financial condition.

To bal. cash on hand . . . \$ 768.57
Last year permanent investments were made to the extent of \$500 and this year the permanent investments were \$1,000, so that now the permanent investments total \$7,500. Mrs. W. H. Warren, who has been most active throughout in the interests of the cemetery, has expressed the hope of seeing, during her lifetime, the fund up to \$10,000. The idea is to have the income from permanent investments meet the yearly cost of taking care of and improving the property. Reference was made by Dr. Armstrong to the old private cemetery in which were interred the remains of Captain Crosskill, the founder of Bridgetown, as well as those of two or three others of periods long past. Plans have been made to remove the remains of the captain and re-inter them in a suitable location in the new cemetery and it is expected that the Nova Scotia Historical Society will erect a tablet to his memory and this will be unveiled during Centennial week.

During last evening's meeting letters were read from non-residents who have relatives buried here and still retain much interest in the cemetery. Among public spirited non-residents is Dr. Walter Chipman, now resident in Montreal. His donations to the cemetery have reached \$250. Receipts last evening from collection from those attending the meeting totalled \$71.87. Other amounts are still coming in.

Mrs. W. H. Warren was the prime mover in having the company organized. Previous to this \$1500 was collected but the organization of a company put the arrangement on a good financial basis and it has grown and prospered with the result that Bridgetown has today one of the finest and best tended cemeteries in the whole Province of Nova Scotia. After the founding of the company the Mrs. (Dr.) Freeman, now deceased, conceived the idea of Birthday Anniversary parties and these have been very successful in stimulating public interest in the carrying out of plans for improvement and beautifying this last resting place of the citizens of the town.

The old Board of Directors was unanimously re-elected, consisting of Dr. M. E. Armstrong, F. E. Bath, H. B. Hicks, J. W. Peters, J. W. Salter, W. A. Warren (Sec.), and E. R. Orlando.

Minard's Liniment Co., Limited.

Sirs,—I have used your Minard's Liniment for the past 25 years and while I have occasionally used other liniments I can safely say that I have never used any to equal yours.

If rubbed between the hands and inhaled frequently, it will never fail to relieve cold in the head in 24 hours. It is also the best for bruises, sprains, etc.

Yours truly,
J. G. Leslie.

Bridgetown Centennial Programme Drafted

Very Interesting Work Promised in Centennial Celebration Commencing Sept. 3rd. Outline of Proceedings.

The Bridgetown Centennial Celebration Committee held a meeting this week and prepared a tentative programme which is full varied and interesting.

Proceeding will open on Sunday September 3rd, with services of an appropriate nature in the various churches and the preachers on these occasions will be natives of Bridgetown now residing in other places.

Reference will doubtless be made to the founder of the town, Capt. John Crosskill, R.N., who was distinguished for his interest in the work of the churches. In 1825 he gave to Bishop John James the lot upon which St. James Anglican Church was erected and in the same year gave subscriptions for the erection of the first Methodist Church in the town. The Baptist Church edifice had been erected some years previously.

On Monday, Labor Day—There will be a Trades Procession in the morning and baseball and athletic sports generally in the afternoon under the auspices of the Bridgetown Amateur Athletic Club.

On Tuesday, French History Day—Visitors in the morning will be taken on auto drives around Bridgetown and points of interest in surrounding country. In the afternoon there will be a historical meeting. Addresses will be delivered by Lieutenant Governor Grant and by French Cabinet Ministers.

This last matter of the Cabinet Ministers being arranged for by Mr. L. J. Lovett, the Federal member for the constituency. A Tablet will be unveiled by the Dominion Archives Department at Bloody Creek, the scene of bloody massacres in the old days of Indian warfare. In the evening there will be a session of the Nova Scotia Historical Society in town. History papers will

be read by specialists in French History referring especially to occurrences along the Annapolis River in the period from 1604 to 1755. From the founding of Fort Royal to the Expulsion of the Acadians.

Wednesday, the founding of Bridgetown by Captain Crosskill will be celebrated by a Historical Pageant covering various periods of our History, the Indian period, French period, Early English Settlement, Pre Loyalist, and Loyalist periods.

Public services at the School Park where addresses will be delivered by Lieut.-Governor Grant, representing the Nova Scotia Government, members of the Historical Society and other distinguished visitors.

A Memorial Tablet will be unveiled to the memory of Captain John Crosskill, R.N., founder of Bridgetown. That afternoon there will be a reception and social function at which tea will be served.

In the evening there will be a meeting of the N. S. Historical Society. Papers will be read relating to the founding of the town, the first settlers and history generally during the past hundred years.

Citizens generally are expected to make early preparations, trimming of hedges, putting up of lawns in best shape, planting of rose bushes and other ornamental plants, etc., etc., in short to do everything which will contribute to give our town its best possible appearance and our visitors an impression which will be lastingly agreeable one.

The programme above is tentative and subject to modifications, due notice of which will be given through the columns of THE MONITOR. Let every person in Bridgetown do his or her best to make the Centennial a grand success. All that is needed is general public interest and united persistent effort.

NEURALGIA AND SCIATICA

Caused By Starved Nerves Due to Weak, Watery Blood

People think of neuralgia as a pain in the head or face, but neuralgia may affect any nerve of the body. Different names are given to it when it affects certain nerves. Thus neuralgia of the sciatic nerve is called sciatica, but the character of the pain and the nature of the disease is the same. The cause is the same, and the remedy to be effective, must be the same. The pain of neuralgia, whether it takes the form of sciatica, or whether it affects the face and head, is caused by starved nerves. The blood, which normally carries nourishment to the nerves, for some reason no longer does so and the excruciating pain you feel is the cry of the nerves for food. The reason why the blood fails to properly nourish the nerves is usually because the blood itself is weak and thin.

When you build up the thin blood with Dr. Williams' Pink Pills, you are attacking neuralgia, sciatica and kindred diseases at the root. The value of these pills in cases of this kind is shown by the experience of Miss Beulah M. Fairweather, Cumberland Bay, N.S., who says: "A few years ago, following an attack of measles, I was left in a badly run down condition. I was weak and very nervous, and had no appetite. A doctor was called in and gave me medicine, but it did not help me. My blood was thin and my hands and my feet were always cold. Then to add to my misery I was attacked with neuralgia, from which I suffered greatly. I was reduced to a mere skeleton, and did not care whether I lived or not. I was in this deplorable condition when I began taking Dr. Williams' Pink Pills. It was some time before I could notice any benefit from the pills, but before a half a dozen boxes were used there was no doubt that they were helping me. Then I got six more boxes, and before they were done, I was once more enjoying good health and an now strong and healthy. I shall always feel grateful for what the pills have done for me, and urge all weak people to give them a trial."

You can get these pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50, from The Dr. Williams' Medicine Co., Brockville, Ont.

Nothing Else is Aspirin--say "Bayer"

Warning! Unless you see name "Bayer" on tablets, you are not getting Aspirin at all. Why take chances? Accept only an unbroken "Bayer" package which contains directions worked out by physicians during 21 years and proved safe by millions for Colds, Headache, Earache, Toothache, Neuralgia, Rheumatism, Neuritis, Lumbago, and Pain. Made in Canada. All druggists sell Bayer Tablets of "Bayer Cross."

Aspirin in handy tin boxes of 12 tablets, and in bottles of 24 and 100. Aspirin is the trade mark (registered in Canada) of Bayer Manufacture of Monoaceticacidester of Salicylicacid. While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company will be stamped with their general trade mark, the "Bayer Cross."

WAS READY TO GIVE UP WHEN RESCUE CAME
New Brunswick Man Restored From Bad Stomach Trouble, Declares Tanlac Is In Class By Itself.
"When it comes to building a man up and making him feel fine I don't believe there is a medicine in the same class with Tanlac," said Frederick Lord, Navy Island, West St. John, N.B.
"For a year I went down hill as a result of a bad case of stomach trouble and had gotten so weak I could hardly drag myself around. I was discouraged, too, and about ready to give up."
"Tanlac suited my case exactly. It took hold of me at once, gave me a splendid appetite, toned up my stomach and soon had me feeling like a new man. It certainly is a grand medicine and I am strong for it."
Tanlac is sold by all good druggists.

EXAMINE YOUR SKIN
Be on your guard against that early patch of eczema, which if unheeded, may lead to nights and days of fiery irritation! Watch for the first pimple and rash that may spell ugly disfigurement! Don't let that simple cut, bruise or burn, take "bad ways."
Examine your skin frequently and carefully, and treat the first sign of disorder at once with Zam-Buk.
The secret of Zam-Buk's power in creating a clear healthy skin is that it stimulates the cells to renewed activity, and rids the tissues of accumulated impurities. Nightly dressings with Zam-Buk soothe, soften and purify the skin, and improve your appearance wonderfully.
Unlike coarse lard ointments and fatty creams, Zam-Buk contains active medicinal essences that sink into the skin and expel inflammation and itching irritation. Zam-Buk quickly replaces diseased tissue and grows healthy new skin.
For eczema, pimples, boils, abscesses, ringworm, poisoned wounds, bad legs, cuts, burns, scalds, or for piles Zam-Buk provides the unrivalled remedy.

WEDNESDAY, MAY 3rd, 1922

REPORT OF SUPT. OF EDUCATION

The annual report of the Superintendent, tabled in the House of Assembly, showed a general advance beyond previous records. During the year the schools increased from 2,835 to 2,898, an addition of 63; and they averaged 192.1 days in session against 186.4 days the previous year. The enrollment of pupils increased from 108,696 to 109,483, an addition of 787; while the total days attendance of pupils rose from 13,221,901 to 14,658,494, a total increase of 1,436,593 days.

The increase in the Common School grades was 1,173, and in the High School grades 214. The number who desired to test their scholarship by writing the Provincial School Examinations was 7,657, as compared with 6,682 of the previous year. The number of pupils daily present at school during the year was 73,238, as against 66,441 the previous year. The percentage of those enrolled in daily attendance, 66.9, was also the best in the history of the Province. The number of sections without schools was 13 less than the previous year. They still number 114; but a large number of these are decayed sections having no children of school age. Another large part of this group has only a few school children who attend school in the neighboring sections. This leaves very few sections with children who have no school to attend—some due to the accidental loss of the school building during the previous year. There are, every year, however, in about one half of the counties, one, two or more sections which fail to have school on account of other local conditions or the inactivity or feuds of the residents. But there have been 42 school sections averaging an annual attendance of only eight or nine pupils, which had secured teachers and kept their small schools going.

A. P. ANDERSON APPOINTED MGR. FOR C. P. R. AT HALIFAX

Mr. A. P. Anderson, son of Councilor Avaril L. Anderson and Mrs. Anderson, has been promoted from Manager of the C. P. R. Telegraph office in Sydney to Manager of the Halifax office, succeeding W. S. Shroy, who has been transferred to Montreal. Mr. Anderson who has been in the Telegraph business for the past twenty-five years has held positions in St. John and Montreal, with steady promotion, but for the past thirteen years has been Manager at Sydney. His many friends in Bridgetown hear of his recent promotion with much satisfaction. Halifax office is the largest in Eastern Canada.

LOCAL HAPPENINGS

Provincial Parliament concluded its sessions on Saturday last.

There was a large attendance of officers and members of Crescent Lodge, I.O.O.F., on Thursday night and the first and second degrees were exemplified.

The last issue of the Royal Gazette contains the notice of appointment as a Commissioner under Section 1 of Chapter 35 of the Revised Statutes of Nova Scotia, 1900,—of Edmund Clay Hall, of Bridgetown, in the County of Annapolis.

Fishing from the Bay of Fundy ports has been very considerably retarded by the rough weather. Lobsters have been coming very scantily into the local market. Rough weather and scarcity of bait are among the causes attributed.

Harbor revenue at the port of St. John for March was higher than ever in the history of the port, totalling about \$21,000, or more than \$4,000 greater than during the same month last year. The previous high record was \$20,000, collected during one of the war-time months.

Fifteen years ago L. R. Fairn, of Aylesford, drew the plans for a \$101,000 school in Sussex, N.B. This school was destroyed a short time ago by fire. Plans were called for a new school, and L. R. Fairn's design was accepted by the Sussex trustees. This building when completed will cost in the neighborhood of \$160,000.

Mr. J. E. Lloyd, the popular and respected Town Clerk of Bridgetown, on Monday reached his seventy-fifth birthday and was warmly congratulated by his friends. Mr. Lloyd is still very active and a much more efficient official than many a man much younger. His many friends, including THE MONITOR Management, wish him health and strength to enjoy years of active and useful service.

Mr. Wambolt, formerly owner of the Palace Theatre, Sydney, has purchased the Arthur Bent place at West Paradise. Mr. Raymond Leslie, of River Hebert, Cumberland County, purchased M. Wentzell's farm at Upper Granville and I. S. Higgins, proprietor of the Richmond Dairy, Halifax, has purchased the farm of Mrs. William Spurr, Clarence. The above sales were made through Mr. V. A. Lloyd, manager of the Lloyd Real Estate Agency.

The Baptist Church Brotherhood now has a membership of 175 and efforts are being made to increase this to 200. It is already the largest organization of its class in the Maritime Provinces. With this addition and fifteen more members in the ladies class, the total Sunday School enrollment will amount to 600, the largest Sunday School in the Eastern Provinces. A most remarkable result in a town of this size and a splendid tribute to the unflagging energies of the pastor, Rev. Clyde W. Robbins and his energetic co-workers.

Quarterly examination results crowded out will appear in next issue of THE MONITOR.

Collections for the Riverside Cemetery handed the Treasurer to date amount to over \$101.

The W.M.A.S. of the Baptist Church will meet at the home of Mrs. James Messenger Tuesday, May 8th, at 3 p.m.

The third degree will be conferred in Crescent Lodge, No. 63, I.O.O.F., on Thursday night, May 4th. A large attendance is requested.

A new safe was installed in the post office this week—No. not through governmental agencies, but by Post Master Brown himself.

The ordinance of baptism was administered to six candidates on Sunday evening at the Baptist Church by the pastor, Rev. Clyde Robbins.

Chief of Police George Gill, of Yarmouth, was a visitor in town Monday en route to Kentville. Mr. Gill was a year or so ago was police officer at Bridgetown and received a warm welcome from his many friends.

The banquet which the Ladies Class tendered the Brotherhood as the result of losing out in the membership competition for the first quarter of the year will take place on the evening of May 23rd and will be the biggest affair of the kind ever held in Bridgetown.

Middleton is making a drive for \$1,000 for their Band to purchase new instruments and to increase its efficiency generally. Middleton is to be commended highly. A first class band is a splendid asset to any town and always worthy of more support than usually accorded.

The annual meeting of the Board of School Commissioners for the District of Annapolis West will meet in the Court House, Annapolis, Wednesday, May 10th, at 2 p.m. The Annapolis East Board will convene in the Agricultural Building, Lawrencetown, Saturday, May 13th, at 2 p.m.

The Rev. Dr. Boyle, President of Kings College, Windsor, was in town over the week-end for the annual service of the local Lodge of the Independent Order of Oddfellows, of which an account appears in another column of this issue. He also preached at the usual morning and evening services in St. James' Church. Whist in town he was the guest of the Rev. E. and Mrs. Underwood at the rectory.

Mrs. C. R. Brooks, who, for the past ten years, has most successfully conducted the book store in this town, has retired from the business which, on May 1st, was taken over by the firm of W. R. Longmire & Sons, Chas. W. Longmire, Manager. Attention is called to their adv. in this issue. There is no doubt that the new firm will meet with excellent patronage.

Purina Calf Chow

Is Different

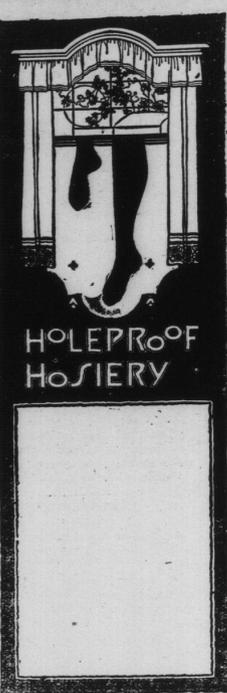

Yes, it's unlike any calf meal on the market.

- 1st. It's different because it's better.
- 2nd. Every ingredient is a pure feed of recognized value, no "phony" products of unknown worth. It does not contain anise, or any appetizer. Calves eat it as greedily as they do whole milk.
- 3rd. It does not scour; blood flour is one of the important ingredients, which insures freedom from scours.
- 4th. Easy to feed, no boiling, just mix with warm water.
- 5th. It is balanced just like whole milk. Calves thrive from the first on Purina Calf Chow and it keeps them making gains without sickly periods. It is used by many of the best dairy farms in the country to raise the finest calves.
- 6th. But it is cheap enough to use on any calf, costs less than half as much as milk feeding. So easy to feed that boys or girls are assured of success.

Stop in and talk it over.

CRIPPLED WITH RHEUMATISM

Then She Took "FRUIT-A-TIVES" And Has Been Well Ever Since

MADAM SLOAT

FRANK JUNCTION, N.B., Jan. 22nd, 1922

"For many years, I was a great sufferer from Indigestion, Constipation and Rheumatism. My Stomach was weak and gave me constant distress, while Rheumatism in my joints made me almost a cripple, was treated by two different doctors but their medicine did me no good.

Then I tried "Fruit-a-tives" and at once that fruit medicine helped me. Soon the Constipation and Indigestion were relieved and the Rheumatism began to go away, and in a few months entirely disappeared. For twelve years now, my health has been first class, and I attribute it to the use of "Fruit-a-tives" which I take regularly."

Mrs. CLARA SLOAT, 50c a box, 6 for \$2.50, trial size 25c. At dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

ONE HUNDRED AND THIRTY-TWO ATTEND SCHOOL FOR DEAF

The sixty-fourth annual report of the School for the Deaf for the last calendar year, tabled in the Local House, is a most encouraging document. "The year," the directors report, "has been most satisfactory, the work of the school has been efficiently done; the principal, teachers and officers have the welfare of the pupils at heart, and strive to train them to become useful and respectable citizens. The health has been remarkably good. For the first time in five years the revenue has exceeded expenditure, due to careful and economical management and decrease in prices."

The total attendance for the year was 132 pupils. Of these, eighty were from Nova Scotia, twenty-eight from New Brunswick, fifteen from Newfoundland, seven from Prince Edward Island, one from Alberta and one from British Columbia. During the year, sixteen new pupils were admitted and three returned after an absence of a year or so. Cape Breton County with thirteen leads in number attending. Annapolis County has eight, Clare section of Digby County two.

Mrs. George MacNeill and little daughter Jennie, of Boston, are spending the summer with Mr. MacNeill's parents, Mr. and Mrs. C. B. MacNeill.

The Sunday School held its annual Easter rally on Sunday evening in the Church. A large number were present, and all appreciated the music and programme given by the school.

Mr. Robert Marshall, who has been confined to his bed during the past four months, is, we are glad to report, able to be around the house again. All are hoping to see Robbie out soon.

Mrs. Jane Andrews is visiting her daughter, Mrs. A. Marshall, in Bear River. She will also spend a few days with her daughter, Mrs. H. Armstrong, of Granville, before she returns to her home.

Mr. Albert Cook and Miss Libbie M. Cook, who were quietly married on Wednesday, 19th, have moved into their bungalow, where they were saluted by old and young the following evening. We wish them a long and happy married life.

HUNDREDS KILLED IN EXPLOSION OF AMMUNITION DUMPS

Several hundred persons were killed, 1,000 wounded and 30,000 made homeless by the explosion of four hundred carloads of ammunition stored near the railway station at Monastir, Southern Serbia. The disaster was one of the greatest in history. Half the city was destroyed and all telegraphic and telephonic communication was cut off. The explosion blew up all the dumps in which was gathered all the ammunition of the former Allied armies in the near East.

Schooner Nellie, Captain Trueman, Salter, is chartered to load coal at Parreboro for Westport, Brier Island.

WOMAN COULD NOT WORK

Made Strong and Well by Lydia E. Pinkham's Vegetable Compound

St. Paul, Minn.—"I took Lydia E. Pinkham's Vegetable Compound for a tired, worn-out feeling and painful periods. I used to get up with a pain in my head and pains in my lower parts and back. Often I was not able to do my work. I read in your little book about Lydia E. Pinkham's Vegetable Compound and I have taken it. I feel so well and strong and can do every bit of my work and not a pain in my back now. I recommend your medicine and you can use this letter as a testimonial."—Mrs. PAUL MASON, 501 Winklow St., St. Paul, Minn.

Just another case where a woman found relief by taking Lydia E. Pinkham's Vegetable Compound. Many times these tired, worn-out feelings and pains about the body are from troubles only women have. The Vegetable Compound is especially adapted for just this condition. The good results are noted by the disagreeable symptoms passing away—one after another.

Lydia E. Pinkham's Vegetable Compound is a Woman's Medicine for Women's Ailments. Always reliable.

KARSDALE

Miss Lizzie Ellis has gone to Boston to remain indefinitely.

Mrs. Thomas Ellis was an Easter guest of Mrs. Mary A. Nelson.

Mrs. James P. Morrison returned on Saturday from a visit to St. John.

Miss Sarah Manning, after visiting relatives in St. John, returned to her home on Saturday.

Mrs. Margaret Baxter and the Misses Lucy B. and Myrtle Ellis were Easter guests of Mr. and Mrs. Arthur L. Baxter.

An Easter concert was held in the Baptist Church on the evening of the 17th. The attendance was large and the programme an excellent one.

Each following his part well—the whole reflecting great credit upon Miss Bertha Hudson, who had it in charge. The collection, \$6.77, went to the Mission Fund, \$10.00 having been before given to the Russian Relief.

CANADIAN LOAN IS OVER-SUBSCRIBED

In the House of Commons, Ottawa, recently, Hon. W. S. Fielding, Minister of Finance, announced that the \$100,000,000 loan floated through J. P. Morgan & Company, New York, had been over-subscribed and the books closed.

Sir Henry Drayton asked the minister what the commissions paid the bankers amounted to.

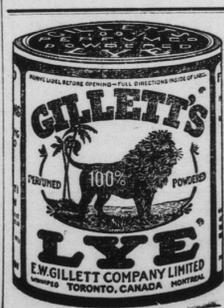

Mr. Fielding: "The government received the net price of ninety-seven and a half. The bankers were free to place the loan on the market at any price, not exceeding par. They placed it at par, and that leaves the bankers and brokers concerned 2 1/2 per cent. for their services."

After office hours the publishers of The MONITOR may be reached as follows:—Frank H. Beattie, Phone 102; Edmund Stratton, Phone 112.

FAVOR RETURN NINE INCH LOBSTER LAW

There is a growing feeling in favor of a return to the nine or eight and a half inch law in connection with the catching of lobsters. At present there is no size limit. All sizes are caught; the small are turned over to the canneries, while the large ones are placed on the market. And all the time lobsters are becoming scarcer. This is not surprising when the baby fish are being caught up year after year. It would be surprising if the industry did not show signs of decay under such conditions.

Unless there is a change and that in the near future, the lobstering will be a thing of the past in this district at least. Once the lobster industry is killed one of the most important branches of the fisheries is gone, and this will mean the loss of probably two millions of dollars annually to Nova Scotia—Shelburne Gazette.

SOLDIERS' CIVIL RE-ESTABLISHMENT

Ottawa.—The sum of \$55,621,469.71 was expended by the Department of Soldiers' Civil Re-establishment and the Board of Pension Commissioners for Canada during the calendar year 1921, according to information brought down in the Commons last Thursday by Hon. H. S. Beland, Minister of Health and Soldiers' Civil Re-establishment in answer to a series of questions asked by William Duff, Lunenburg, N.S.

Pensions \$36,671,013.98 or 66 per cent.; treatment \$18,568,012.46 or 24.3 per cent.; vocational training and loans \$3,378,007.40 or seven per cent.; relief of unemployment, \$1,504,435.87 or 2.7 per cent. The Department could give no information regarding amounts expended during the year by Soldier Settlement Board. Under the heading of unemployment relief expenditures an outlay of \$1,398,297.50 for relief is shown, together with an administration cost of \$104,133.27.

Camp Hill Hospital, Halifax, had an average of 227 patients with a staff of 112. Salaries were \$104,403.69. Total cost \$190,823.98.

Lancaster, St. John, N.B., average patients 72; staff 44; salaries \$31,107.63; total cost \$53,918.91; Jordan Memorial, River Glade, N.B., average patients, 36; civilians, 25; staff, 41; salaries \$29,291.42; total cost \$73,341.08.

OUR NEW COAT-OF-ARMS

Little attention has been paid in Canada to the new coat-of-arms which has recently been authorized by royal patent. The New York Times, in an editorial, makes the following interesting comment: "Canada starts the new year not only with a new Government in control, but with a brand new coat-of-arms for that Government's official seal. A Royal Proclamation has declared obsolete the former crest, a composite arrangement of the different Provincial Coats-of-arms, which with the creation of each additional province, came to have something of the aspect of a patch-work quilt. Its successor, authorized by the same Royal patent, emblazons the characteristic chivalric symbols of the four great nations from which the present Dominion sprang, England, Scotland, Ireland and France, and unites them with the native emblem, the Maple Leaf. The design thus links the ancient memories of twelfth century Plantagenet battlefields with the later glory of Vimy Ridge."

COST OF CANADIAN NAVY

In the House of Commons this afternoon, the Minister of Naval Services informed Fernand Rivest (Liberal, St. James, Montreal) that the cost of the Canadian Navy for eleven months ending February 28th, 1922, was \$1,791,129. The number of officers serving on the ships of the navy is thirty-three and of men five hundred and ten. The total number of men employed in the naval service is ten thousand and seventy-five, of whom two hundred and seventy-eight are civil employees and seven hundred and ninety-seven officers and men.

Purchases by the Canadian Government of coal in the United States, totalling over one and a half million tons in the course of the last fiscal year, was the subject of information given to the House in a return tabled in answer to questions placed on the order paper by Hance Logan (Liberal, Cumberland County, N.S.).

MAINE YOUTH KILLS SELF ACCIDENTALLY

An accident occurred in Calais, Me., last Sunday evening, when Carl Armstrong, son of Dr. Charles Armstrong, Robbinston, accidentally shot and killed himself while cleaning a revolver. The young man was seventeen years of age and lived with his grandmother, Mrs. Karlenburg, Calais.

He had been in the woods mow-flowering in the afternoon and the evening retired to his room, taking his revolver with him. Shortly after he had gone upstairs, Mr. Karlenburg heard a shot and thinking it was someone in the yard went out to investigate. Finding nothing he started for the house when he noticed a light in the boy's room and on going up he found him dead. The bullet had entered his chin and gone through the head.

WANT N. S. LOBSTERS KEPT OUT

East Boston, Mass.—A Fishermen's Protective Union has been formed in the State of Maine, the principal object of which is to press for a tariff on live lobster imports. The agitation was started last fall when it was claimed large receipts from Nova Scotia competed with Maine catchers and caused their earnings to sink below living wage. The Union was organized in Rockland. Local politicians took a hand in the constitution drawn up by Congressmen branches and it will be established in other shore districts. It is planned to have a clause added to the Administration Tariff Bill, now under advisement at Washington.

The Most Beautiful Car in America

A Luxurious Five Passenger Coupe on the Chassis that Masters the Highway

REAL closed car comfort starts with a chassis—not merely a body. There must be ample power in the motor, a long solid frame, elastic spring suspension and perfectly balanced construction of every mechanical unit.

That is why the 6-66 closed models are supremely fine motor cars. They are equipped with a mighty engine of 70 horse power and a chassis 131 inch wheel base that represents the last word in six cylinder engineering.

One ride will convince you that the 6-66 is, indeed, the Master of the Highway. It will show you that a fine mechanical foundation is essential in any car—closed or open. And you will be surprised and delighted to learn that the new prices range from \$3325 up.

MIXING THE MEASURES

I started one rainy night
For the dancing hall gay,
To watch the graceful dancers
And to hear the orchestra play.

I sat up in the balcony
And watched the joyful throng,
The instruments were all tuned up
And waiting for the song.

It was a dreamy waltz
That the orchestra started to play,
And, oh boy! it was a sight
To see those those dancers gay.

Here a couple were fox-trotting
To that slow moving tune,
And were a-jazzing to it
As if they were full of prunes.

I watched another fair couple
Waltzing around the floor,
And she limped very slightly
As if her foot was sore.

Another pair of jazzers fast,
Who ought to be certainly shot,
For to this dreamy waltz
They were dancing the turkey trot.

Another fair young female
Treated her partner with scorn,
And he didn't say anything
For her had stepped on her corn.

About two of them all
Were waltzing with a swing,
But it took "old hard cyder"
To make my heart-strings sing.
—Printer's Devil.

HOPE ON, HOPE EVER

Every day is a new beginning,
Every morn is the world made new,
You who are weary of sorrow and
sinning,
Here is a beautiful hope for you,
A hope for me and hope for you.

All the past things are past and over,
The tasks are done and the tears
are shed,
Yesterday's errors led yesterday cover,
Yesterday's wounds, which smarted
and bled,
Are healed with the healing which
night hath shed.

Every day is a fresh beginning;
Listen, my soul, to the glad refrain
And, spite of old sorrow and older
sinning,
And puzzles forecasted and possible
pain,
Take heart with the day, and begin
again.
—S. Coolidge.

LETTER 22 YEARS FROM
NEWCASTLE TO VANCOUVER

Vancouver.—Like a voice from the
grave, a letter which has taken twenty-
two years to travel from Newcastle,
N.B., to Vancouver, was handed to
James Copeland in this city by the
postman in his regular round of deli-
veries recently.

The letter was written by the late
Charles Anslow, in July, 1900, while
on service with the Canadian con-
tingent in the South African war. It
was addressed to Mr. Copeland's old
home in Newcastle, where it was re-
ceived, according to the postmark, in
August, 1900.

The original envelope was enclosed
in a new one bearing a recent Chicago
date mark, when received by Mr.
Copeland. On the original cover was
a blurred post mark of St. John, N. B.
Where the letter has lain for twenty-
two years is a mystery to both Mr.
Copeland and the local post office
authorities.

Mr. Anslow has been dead for over
fifteen years, according to Mr. Cop-
eland.

ers of THE MONITOR may be

5,926 ACCIDENTS REPORTED
IN NOVA SCOTIA LAST YEAR

In the report of the Workmen's
Compensation Board for 1921, the
total number of accidents listed was
5,226. Of this number, forty-eight
were fatal, 151 caused permanent dis-
ability, 3,870 caused temporary total
disability, 487 required medical aid
only, 328 are pending adjustment, and
462 are not compensable. It is esti-
mated that compensable accidents oc-
curring in 1921 were less than in any
year since the Compensation Act
came into force, while the year 1920
showed the largest number of such
accidents. The cost of accidents in
1921 was \$427,000.00 less than in
1920.

ORANGE LODGE TO MEET AT HALIFAX

The sixty-fourth annual session of
the R. W. Grand Orange Lodge will
convene in Halifax this year. The
meetings will be held in the Orange
Temple, commencing May 10th.

It is expected that a record gather-
ing will be held. The great work of
the Protestant Orphanage at Truro
will be presented. This work has
made marked progress and success
under the leadership of John Power,
the superintendent.

There will also be the annual
memorial service Wednesday evening,
May 10th, in St. Matthew's Church,
when the G. W. Grand Master, Rev.
F. C. Ward-White, Grand Chaplain of
British America, will be the preacher.

A memorial service is held every
year at Grand Lodge session, in order
to remind the members of the great
sacrifice paid by their brethren and
others in the cause of freedom and
patriotism.

Extensive repairs are being made to
the slip of the North Sydney marine
railway, and the plant will this year
be larger and better than ever.

Local Happenings

The G.W.V.A. Bridge will be held in the Rugles Block on Thursday evening in connection with the Memorial Fund. This event was postponed from a previous week.

Early closing Wednesday afternoons now in force prevails during May, June, July, August, September and October, and is a decided boon to both business men and clerks.

The General Committee in connection with the Centennial Celebration meet in the Board of Trade rooms on Wednesday night at eight o'clock. All citizens interested in this movement are invited to attend.

The many friends of Mr. Charles F. DeWitt are pleased to learn that he is now making excellent progress toward recovery after a severe illness and is now able to sit up in bed. It is anticipated that ere long he will be restored to his usual health.

Miss Mildred Lockett graduates in June from the New England Baptist Hospital with an exceedingly high standing. Her mother, Mrs. W. D. Lockett, will attend the graduation exercises and Miss Lockett returns home the first of August for a two months' visit, after which she takes up a private nursing practice in Boston. The many friends of this talented and popular young lady are greatly pleased with her brilliant success in the studies of her chosen profession.

Henry, the magician, appeared at the Court House, Bridgetown, last Wednesday evening, and was greeted with a crowded house. His feats of mystifying magic and lightning crayon sketch work certainly made a hit with the audience. Henry gave a brilliant awe-inspiring and mystifying program. An elaborate stage equipment was carried. Excellent music was furnished during intermission by the Leslie orchestra. Manager Leslie is to be congratulated on securing this high class entertainer for Bridgetown, and we believe entertainments of this character in the future will receive bumper houses.

Miss Vera Langille, of Annapolis, who has been visiting in North Sydney for some weeks as the guest of Mrs. Sidney Salter, was, on the eve of her departure for her home, "showered" with many beautiful gifts by many friends whom she had made during her stay in the Cape Breton town. The evening was spent very pleasantly at the home of Mrs. Harry Christie and music by local artists formed part of the programme. Miss Langille made many friends in North Sydney, particularly in musical circles, and her fine contralto voice was heard with great pleasure in church choirs and at various entertainments.

J. W. Hutchinson, of Berwick, representing the Kings Mutual, and J. F. Taylor, of Lunenburg, the Northern Insurance Co., were in town last week adjusting the losses to property of J. R. Skinner, Granville Street East. The house of course was a total loss, and there was also loss and considerable damage to furniture through the fire. Insurance on the house was, it is understood, \$2,500, and \$1,000 on furniture. Mr. Skinner may rebuild on the present site. As the fire occurred last week just as The MONITOR was going to press it was then impossible to secure details as exactly as one would like. It was at the moment supposed that the furniture was all out of O. K., but it was found a little later that a considerable amount was missing and the rest was, in a number of cases, considerably damaged.

The first lady to be seen in Bridgetown in knickerbockers with snappy Norfolk jacket made her appearance on Monday afternoon about the time mail was being opened and excited considerable interest among the large crowd gathered. This ultra modern apparel, well adapted for women who go in for sports, may be a long time in gaining favor in most parts of the Province. The following comment from the Sydney Record may be of interest, though the situation in Sydney is not likely to be duplicated here: "When lovely woman stoops to follow she hasn't got a thing on a lovely man stooping to enquire into the newest ideas in ladies' wear and summer accoutrements. Nevertheless that's what a bold-headed reporter of this journal of the home and barber-shop did when he puffed into Merchant's yesterday ostensibly to find out if the new knickerbocker suits for women are 'catching on' in the city. Let us say right here they are, and the golf links, the motor car, and it may be the streets, will be populated this season by women wearing the most comfortable and sensible feminine sports outfit that has yet hit the market."

COUNCIL HOLDS BUSY SESS

Report of Vendor. Clean-Up
May 22nd and 23rd. Considerable Routine Work

The Town Council held their regular monthly meeting on Friday, May 22nd, at 8 o'clock in the evening. Mayor Warren presiding, and Councilors present except Councilor Anderson. A very fair amount of business was put through. After reading and approval of the minutes of last meeting a number of bills were ordered paid.

A communication was received from the Deputy Provincial Secretary, Barnstead, acknowledging the receipt of the resolution passed by the Bridgetown Town Council, respecting an appropriation for expending Main Trunk Roads within incorporated towns, and also a resolution respecting the appointment of a commission to investigate the present system of Assessment throughout the Province. Attention was promised both these matters.

A letter was read from Dr. W. Hattie, Provincial Health Officer, regarding work of Health Clinic headquarters at Bridgetown, cost in 1921 was \$2014.19 and borne by the Red Cross, but not being carried on by the towns Municipalities. The cost for the three months this year was \$48. Bridgetown furnishes room, heat and furnishings. Other expenses are borne jointly of Annapolis, Middleton, Annapolis, Digby, Bridgetown and Municipality, and it is intimated that Bridgetown's share cash contribution this year will be about \$175. No action was taken on Mr. Hattie's letter.

Mr. W. A. Swift, of Water Street was present, and registered a protest against payment of sewer rates on the ground that there was not sufficient drop in his property to sewer. The matter was referred to the Public Works Committee.

A committee was appointed to locate and secure a suitable public dump for the town.

May 22nd and 23rd were set officially as "Clean-Up Days" for town and it was decided to have notice inserted in The MONITOR that effect. Chief Bishop requested new rate book, and his request complied with by the Council.

The Chief was instructed to report up all speed fiends who make a habit of endangering the safety of the public. There have been numerous complaints in this respect and the Council is determined that these dangerous nuisances shall be brought to an end.
