K. OF P. PICNIC A GRAND SUCCESS

Biggest Day Hartland Has Seen in a Generation—All Had a Happy Time

Labor Day was the first all-day day for two weeks, and the Knights of Pythias proved themselves capital entertainers. Their big picnic was a huge success from every standpoint, and the immense crowd that attended was thoroughly well-satisfied. Free admission, free ball game, free sports proved a great drawing card, and those who came seemed disposed to spend money freely wherever opportunity offered.

Before one o'clock autos and teams began pouring in from all roads and shortly more than 250 cars were parked on the grounds and at every possible chance for a long distance up and down the street. A smile of good humor was on everybody's face, and there was not the slightest ruffle of dissatisfaction from start to the conclusion of the long afternoon and evening program. The steam merry-go-round started business just after one o'clock and never ceased giving joy to the juvenile portion of the multitude until ten. The ball game between Bath and Hartland was decidedly interesting, one of the best games played this season. It was well played to the close of the seventh innings, when the score stood tied at four runs for each, and the game was called off. The fans would have liked to witness a play-off but the game was determined too much from the other sports, and the diamond was needed as a stage for the carrying out of the rest of the program. Following is the line up:

Bath	Hartland
Brennan	Billings
D. Commins	DeWitt
Giberson	1st Ward
Vanstone	2nd O. Hovey
F. Commins	3rd Keith
McRae	4th Kyle
Day	5th Lavigne
McGinley	6th I. Hovey
Kirk	7th Hatfield

The score:

Bath 10 0 0 0 0 3—4

Hartland 0 0 1 0 1 2 0—4

At five o'clock the long-sounded for supper and the hungry crowd surged toward the dining pavilion where a splendid repast was served in most commendable style. Beans, whole beans, salads, and a wealth of dainties were provided in abundance that the hungry might be filled, and cooks and waitresses received their just meed of praise.

The charming music supplied by Knowles' orchestra, brought from Fort Fairfield, was indeed a delight. This was another of the free attractions and by no means the least enjoyed, for standing room around the orchestra was at a premium at all times. Mr. Knowles, the talented leader of this splendid organization, is no stranger to the older citizens of the town, for 20 years ago he was employed as instructor by the old 67th Reg. Band and brought it to a very high degree of proficiency.

The evening entertainment in the hall drew such a crowd that so soon as it was over the hall filled a second time and the show was repeated. The play put on by a number of local young ladies was much appreciated. Other specialties gave the audience enjoyment while the real piece de resistance was the showing of the pictures depicting the arrival of the Prince of Wales at St. John and the soldiers' reception.

Thanks to Brighton Lodge K. of E. Hartland has been the scene of holiday pleasure-seekers for once in a blue moon—and it was some holiday at that. As

has been stated, the primary object of the picnic was to raise funds for the building of a hall, a movement that had the instant sympathy of the whole town. It is pleasing to know that financially as well as otherwise the affair was a success. More than \$1,100 was taken in and the net proceeds, not yet figured down to the last penny, are pretty sure to go well over \$600.

EAST FLORENCEVILLE TO CELEBRATE

Will Have a Big Day on Sept. 17—A Peace Memorial Picnic

The citizens of East Florenceville and vicinity are enthusiastically engaged in the preparations for a joy day of gigantic proportions on Wednesday, Sept. 17. This will be in the way of a peace memorial picnic and the object will be to raise funds to endow a memorial hall in the school building. The event will be an all-day affair, the occasion to be enlivened by both a brass band and an orchestra. A ball game between two strong teams will be called in the forenoon, and Florenceville teams will try conclusions with the winning team in the afternoon. There will be a steam merry-go-round and all the usual and unusual picnic attractions including a 60-foot dancing floor. Both dinner and supper will be served, and the day will end by a grand pyrotechnic display such as has never been seen in the county. A grand, great and glorious orphan and trade proceeds will be a feature of the program and the whole day promises to be one packed full of interest. There can be no doubt that, granted a fair day, a huge crowd will find its way to East Florenceville.

W. P. Stapleford of Bath has been engaged as manager of the whole enterprise, and any person wishing concessions on the grounds should communicate with him.

CHOLERA INFANTUM

Cholera infantum is one of the fatal ailments of children. It is a trouble that comes on suddenly, especially during the summer months and unless prompt action is taken little one may soon be beyond aid. Baby's Own Tablets are an ideal medicine in warding off this trouble. They regulate the bowels and sweeten the stomach and thus prevent all the dreaded summer complaints. They are an absolutely safe medicine being guaranteed by a government analyst to contain no opiates or narcotics or other harmful drugs. They cannot possibly do harm—they always do good. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Engagements Announced

Mr. and Mrs. Frank Hayward of Jacksonville announce the engagement of their daughter, Wilhelmina Olivia to Dr. Waldo R. Currie.

Mr. and Mrs. George O. Borne of Calais, Me., announce the engagement of their daughter, Rita Anna, to Harry Cressley Boyd, son of Mr. and Mrs. F. M. Boyd of Woodstock.

Lieut. McLeod Boyer, M.C. son of Mr. and Mrs. Fred J. Boyer of Victoria returned last week from overseas service. He gave up his course at Acadia and enlisted in the early period of the war, and for conspicuous valor in the field was awarded the Military Cross. After the armistice he went with the Canadian forces into Germany and was there for a considerable time. He was accompanied home by his friend, Lieut. Simmons of Brandon.

WOODSTOCK INVITES YOU TO COME

Big Exhibition Next Week will be Great Attraction

The directors of the St. John Valley Exhibition Association extend to all readers of The Observer a cordial invitation to visit their first annual Fair at Woodstock, Sept. 9-10-11-12. The Fair will be held on a beautiful island in the St. John River, just opposite the town.

On this island, where nature has already bestowed beauty with a lavish hand, over \$50,000 has been expended in the preparation of an exhibition plant and race course, pronounced by those who know, to be unequalled in these parts.

It is our aim to have something to interest and please every visitor. We are sure that when the curtain rises on this our first fair we will have succeeded.

For the love of live stock we will have a collection of the finest herds from the Maritime Provinces, Ontario, Quebec and the State of Maine, our Agricultural, Industrial and Educational displays will certainly please and interest all, and to those who come seeking entertainment and excitement our half mile of midway, not to mention ocean-wave, merry-go-round, ferris wheel, the free open air attractions and the fire works, will supply the thrills.

Three fast keenly contested horse races each day will be sufficient entertainment for the lovers of this sport.

Every need and wish of our thousands of visitors have been anticipated. Up-to-date restaurants will be conducted on the ground where a wholesome meal at reasonable prices may be had, and the usual refreshments including the savory "hot-dog" will be in superabundance.

Therefore if you wish to meet all your old friends and have the time of your life you will come to Woodstock Sept. 9-10-11-12.

Presentation on Leaving

On Friday evening a pleasant social event took place at the home of Chas. Ebbett of Middle Simonds where upwards of half a hundred friends and well-wishers gathered to show their esteem for Miss Elta Belva who left on the following evening for Ballows, Falls, Vt., to enter training for the nursing profession. Games, music, etc., were indulged in, after which cake and ice cream was served by the hostess.

A nice purse of money was presented to Miss Belva by Rev. J. M. Mallory, who gave a very appropriate address in which he suggested that the money be used to purchase a gift that would be useful and such as would cause her to have a pleasant memory of the event. A neat travelling-bag was purchased with the money and will doubtless be very highly appreciated by Miss Belva.

Mr. Cambridge of St. John has been visiting his daughter, Mrs. William McPherson.

FORMER MAYOR OF BIRMINGHAM, ALA. ENDORSES TANLAC

"You will hardly know me when we meet again; for I am getting well," he writes friend.

One of the latest additions to the list of leaders of thought and action who have come forward with their unqualified endorsement of Tanlac is the name of Hon. Frank V. Evans, former Mayor of Birmingham, Ala. ex-State Examiner of Public Accounts of Alabama, and at one time editor of one of the South's greatest newspapers, The Birmingham Age Herald.

Writing to a personal friend in Atlanta Mrs. Evans says:

Birmingham, Ala. Feb. 2nd. ".....By the way, you will hardly know me when we meet again, because I am getting so well and strong again. As I told you while in Atlanta last month, I have been suffering a long time with gastritis, as the doctors call it really a disordered stomach with consequent constipation pains in the shoulders, headache, belching, heartburn, loss of appetite, loss of sleep, and fainting spells. For weeks I could not sleep on my back.

"One week ago, upon recommendation of friends who had tried the medicine, I purchased one bottle of Tanlac and began taking it. Since my second dose I have suffered none of those troubles to which I refer, and really believe I am going to get perfectly well and strong again. Won't that be wonderful at my age? Well, certain it is that Tanlac is a wonderful medicine, and you know I am not given to 'puffing' mere experiments and am rather orthodox as to material medicines."

"I shall continue the treatment with perfect confidence in the final results."

Signed
"Frank V. Evans."

Commenting on this splendid endorsement of Tanlac G. B. Willis, International Distributor of Tanlac said:

"Although the list of endorsers is a long one I recall a few leading names that lend both dignity and credit to the entire array. Some of the are:

"Hon. C. W. Mangum, of Atlanta, Ga. for three terms Sheriff of Fulton County; Hon. Moses R. Glenn, Superintendent of Printing for the state of Kentucky; Mr. C. C. Cooper, President of the Georgia Cotton Oil Company; Mr. H. W. Hill, Bank President of South Pittsburg, Tenn. Mr. J. H. Corroll, Cotton Mill Superintendent of Chattahoochee, Ga.; Hon. A. E. Anderson, of Houston Texas, for seven terms Mayor of Harris County; Hon. S. S. Shepard ex-city Councilman of Atlanta, and many others whose names have heretofore been given to the public."

"Tanlac is sold in Hartland by Estey & Curtis Co., in Bristol by Dr. G. W. Somerville, in Centreville by Stevens Bros., and in Woodstock by E. W. Mair, in Benton by W. E. Porter, and in River de Chute by Daniel B. Baird."

For your children's injuries nothing is equal to Zam-Buk—it ends pain so quickly! Children know this and when they have once had it applied will cry for it again.

Mrs. T. D. Ruston of the Children's Aid Society, Belleville, Ont., says: "We never use anything but Zam-Buk for our children's cuts, burns, bruises, etc. We have found it superior to all other remedies for ending pain and healing, and we have also found, by experience, that an injury treated with Zam-Buk never festers. With so many children in our shelter, we really could not afford to be without Zam-Buk, not only for their injuries, but also for their sores and skin troubles."

Mothers! Be sure to keep a box of Zam-Buk on the medicine shelf. It will save you much needless anxiety as well as expense. Zam-Buk does not deteriorate with keeping, but retains its strength and purity to the very last. For eczema, ringworm, boils, pimples, ulcers and piles, Zam-Buk is equally good.

If you have not already tried this herbal balm, cut out this advertisement, write across it the name of this paper and send it with 10 stamps for our return postage to Zam-Buk Co., Dupont St., Toronto. We will then send you a free trial box. All dealers 50c. box.

LEMONS WHITEN AND BEAUTIFY THE SKIN

Make this beauty lotion cheaply for your face, neck, arms and hands.

At the cost of a small jar of ordinary cold cream one can prepare a full quart of the most wonderful skin softener and complexion beautifier by squeezing the juice of two fresh lemons into a bottle containing three ounces of orchard white. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, yellowness and tan and is the ideal skin softener, whitener and beautifier.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quart of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It is marvelous to smooth rough, red hands.

Concerning Your Fall Shoes

IF you would secure service and satisfaction from your shoes this Fall, it is more than ever important that you should go to a reputable dealer in whom you have confidence, and see that the maker's trade-mark is on the shoes you buy. This for the reason that leather is now scarcer than at any time during the war, prices are higher, and some grades of leather are to-day almost unobtainable at any price.

Millions of pairs of shoes, millions of feet of leather, have been bought for the Nations of Europe whose stocks of footwear were entirely wiped out by the war. This has more than offset the reduction in demand for army shoes. And coming upon a supply of material which was already scarce, it has resulted in a situation which, for the time being, is serious.

Therefore, unless you have first-hand technical knowledge of shoes and leather, you must rely more closely than ever this Fall upon the reputation of the maker and of the retailer.

The retailer who has a reputation to sustain will not endanger it for the sake of a little extra profit. And no established manufacturer will stamp his trade mark upon goods which do not represent good value at a fair price.

The chances are that you do not feel any great interest in the leather market, or in the conditions which govern the manufacture and distribution of shoes. But you ARE interested—vitaly interested—in securing for yourself and your family reliable footwear at fair prices. And the value which you receive for your hard-earned dollars is inextricably determined by those same conditions which govern what we call the shoe trade. You cannot control them, any more than we can. But you CAN control your method of buying, so as to get the greatest possible value for every dollar you spend.

So we think it only just and proper to tell you, at the commencement of each season, what the conditions really are, so that you may base your buying judgment upon them.

To Buy Wisely This Fall:

FIRST: Go to a reliable dealer whose reputation you know and whose judgment you can trust; and

SECOND: Make sure that the trade-mark of a manufacturer whose standing is known is stamped upon the shoes you buy.

Our booklet, "How to Buy Shoes," is gladly sent without charge to any address in Canada. Please address inquiries to our head office at Montreal.

Robbing the Larlee Creek cemetery of plants and flowers seems to be a favorite past time of some people, or auto parties. A resident, in passing the cemetery on Saturday noticed a Maine car by the church and a woman came out of the cemetery with a large bouquet of flowers. Those flowers and plants are put there to beautify the last resting place of our loved ones. In one case, the plants, pots and all were taken from a grave. This thing must be stopped at once or measures shall be taken to prevent it.

Douglas Baird one of our most highly respected residents and business men passed away on Friday night, about nine o'clock following an illness of several weeks, at the age of 54 years. He was a son of the late Mr. and Mrs. George Bird of Bairdville, and a brother of the late Senator Baird. Three brothers survive: Daniel, Wesley and William, and one sister, Mrs. Joseph Porter of Andover. The funeral took place at his late home on Sunday afternoon, and was very largely attended. Rev. J. R. Belyea, spoke with much feeling. A mixed quartette composed of Mrs. J. W. McPhail, Mrs. H. W. Estabrooks, H. E. Blakeslee and C. Whitlock, sang, "Abide with Me" and "Thy will be done" very sweetly. Miss Blakeslee was accompanist. There was a profusion of beautiful flowers. About 35 Masons marched in a body to the Episcopal cemetery followed by the auto cortage where the beautiful and touching Masonic rites were carried out. The pall bearers were J. W. McPhail, O. C. Craig, A. E. Kuprey, and A. Stratton. The deceased leaves to mourn a widow, a daughter of Mr. and Mrs. E. T. Witherly of Weaver and three daughters, Miss Edith, who has recently returned from Ottawa, Muriel and Louise, besides a large circle of other relatives. He was a kind, indulgent husband and father, and a friend to all. The family have the sincere sympathy of all in their hour of sorrow.

Proof that Some Women do Avoid Operations

Mrs. Etha Doran, of Ogdensburg, Wis. says:

"I suffered from female troubles which caused piercing pains like a knife through my back and side. I finally lost all my strength so I had to go to bed. The doctor advised an operation but I would not have it. I thought of what I had read about Lydia E. Pinkham's Vegetable Compound and tried it. The first bottle brought me real relief and six bottles have entirely cured me. All women who have female trouble of any kind should try Lydia E. Pinkham's Vegetable Compound."

How Mrs. Boyd Avoided an Operation.

Canton, Ohio: "I suffered from a female trouble which caused me much suffering, and two doctors decided that I would have to go through an operation before I could be cured."

"My mother, who has been helped by Lydia E. Pinkham's Vegetable Compound, advised me to try it before submitting to an operation. It relieved me from my troubles so I can do my house work without any difficulty. I advise any woman who is afflicted with female troubles to give Lydia E. Pinkham's Vegetable Compound a trial and it will do as much for them."—Mrs. MARY BOYD, 1451 6th St., N. E., Canton, Ohio.

HARTLAND, N. B., SEPT. 4, 1919

THE FARMERS

On Tuesday more than a hundred representative members of the United Farmers of New Brunswick met at Woodstock for the purpose of nominating a candidate to contest the bye-election on Oct. 27 to fill the parliamentary vacancy caused by the resignation of Hon. F. B. Carvell. In Carleton-Victoria the United Farmers are indeed a factor to reckon with and their convention was the occasion for much interest. The selection of T. W. Caldwell, president of the Union, was generally anticipated, although the names of Rennie Tracey, C. Gordon Sharpe, and Fred Smith were also before the convention.

Mr. Caldwell is one of the best known men of the county. Of magnificent physique, he is a man of commanding presence, one who makes and holds friends and a man of unquestioned integrity. That he is of keen intelligence, manifestly solid judgment and a fluent and graceful platform speaker qualifies him for membership in parliament and assures whoever may come into the field to oppose him a very lively contest. Mr. Caldwell is known to have been a lifelong advocate of low tariff. The forthcoming contest may develop into a three cornered fight, but it will not be surprising if Mr. Caldwell is returned by acclamation. If the Liberals place a candidate against him the Conservative candidate will beat both of them. If only a Tory aspirant goes up against the Farmers choice he will simply waste his powder.

The Farmer's platform has one serious defect. They do not bind themselves to oppose a high tariff government or to support a low tariff party. The Liberal platform and the Farmer's platform are so nearly identical, and the Tory policy so opposed to Farmer's interests, that in their own best interests they should vote for change of government, and the election of the Liberal party pledged to all the essentials contained in the farmer's platform.

COPENHAGEN CHEWING TOBACCO

Copenhagen is used differently from ordinary chewing tobacco. Take a small pinch, for a start, and put it between the lower lip and gum, in the centre. Afterwards you can increase the size of the pinch to suit the strength of the chew you desire. Copenhagen is strong, because the tobacco of which it is made is cut into fine grains, which makes it impart its strength thoroughly and quickly. Hence, a little "pinch" goes a long way, showing that Copenhagen is not only an unusually economical chew, but also one of the finest quality, being made of the best, old, rich, high-flavored tobacco.

Election Card

To the Electors of the Federal Constitu-
ency of Carleton-Victoria:

Having been nominated by a Conven-
tion of the UNITED FARMERS OF
NEW BRUNSWICK, which was held in
Woodstock on September 2nd, to contest
the coming Bye-Election in the above
Constituency to fill the vacancy caused
by the resignation of the Dominion Min-
ister of Public Works, and as the Election
is to be held on October 27th and the
time being so short it will be impossible
for me to personally call on all the Elec-
tors in the two Counties. I therefore,
take this opportunity to state to you what
the aims of the UNITED FARMERS
are.

They are in brief as follows:
THE UNITED FARMERS are strictly
independent of both the old Political
Parties, and their representatives will be
perfectly free to support any measure
that is for the best interests of the Farm-
ers of Canada, and free to oppose
any measure that they feel is not in the
interests of the Farmers.

And Canada, being an Agricultural
Country, we believe that any legislation
that is beneficial to Agriculture is in-
directly beneficial to every citizen of
Canada.

THE UNITED FARMERS also stand
for PURITY in elections, as they be-
lieve that the lack of this in the Starting
point of all the Political Graft and Cor-
ruption which is so much in evidence in
Canada to-day.

We would therefore appeal to every
loyal citizen of Canada to support the
FARMER'S PARTY, and to the Electors
of Carleton-Victoria, to support me as
the UNITED FARMERS Candidate in
the coming Bye-Election.

Nelson's moving pictures is getting better crowds each evening due chiefly to a better class of photo plays. The feature picture shown Saturday evening "Over Niagara Falls" was a good detective yarn with gripping interest all the way through the four reels.

Mr. and Mrs. Birmingham of Connell visited their daughter, Mrs. Eldon Estey, on Friday.

Dr. and Mrs. C. E. Main and son Wilmer Main, recently returned from England were the guests last week of Mr. and Mrs. R. W. Ballouch.

Lee Cain, David Burt, the Misses Dancy Burt and Laura Wilkinson and Mrs. Ray McCall spent Sunday on a motor trip to Arcostock Falls.

Mr. and Mrs. J. C. Stevens returned from Boston on Monday.

Miss Margaret Campbell of Arcostock Jct. came home for the holiday.

Everyone now is more or less interested in the several fairs being held about the last excitement of the season. Centreville was very well represented at the Houlton Fair, though a much larger percentage attended the Northern Main Fair at Presque Isle this present week.

Our people will look forward with pleasurable anticipation to the big picnic announced for East Florenceville on Sept. 17.

WHY BEAUTY FADES

A Condition Due Entirely to Poor, Watery Blood

The girl who returns home from school or from work thoroughly tired out will be fortunate if she escapes a physical breakdown, because this getting tired so easily is probably the first warning symptom of a thinning blood that must not be disregarded if her health is to be preserved.

When the blood becomes thin and impure the patient becomes thin, pale, haggard and angular. She not only tires out easily but suffers from headaches, palpitation of the heart, dizzy spells and a loss of appetite. This condition will go from bad to worse, until perhaps fatal consumption sets in, if prompt steps are not taken to increase and enrich the blood supply. To make the rich red blood that brings the glow of health, no medicine yet discovered can equal Dr. Williams' Pink Pills. If given a fair trial they use brings rosy cheeks, bright eyes, a good appetite and good spirits. Dr. Williams' Pink Pills have made thousands of pale, languid girls active and strong. On the first sign of poor, thin blood mothers should insist upon their daughters taking a fair course of these pills. They will not only restore health, but will save further doctor bills.

Dr. Williams' Pink Pills can be obtained from any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
