A Few Facts

You have yet to view the Finest Display of Shoes for Ladies Spring Footwear, if you have not seen our Display.

We have Women's and Misses Shoes

in such a variety of styles that it would be hard to adequately describe them, but you can make a pleasing selection if you want a pair.

MEN'S SHOES that cannot be duplicated elsewhere for the same price, but don't merely take our word—step in and be convinced.

We have Shoes for the children, too—the kind that not only look well but wear well.

A. E. CALKIN & Co.

Acadia Villa School Closing Exercises will be held in the school hall at Hortonville next Tuesday Evg. 21st inst., at 8 o'clock. Miss Miller violinist, Mrs. Sinnett vocalist of Canning and several young ladies from the community will assist in the program admission 25 cents, children 10 cents. Proceeds for local patriotic purposes.

ST. JOHN—DIGBY SERVICE

S. S. Empress will be taken off the St. John-Digby service to undergo annual overhauling Saturday night May 25th, and it is expected she will be back in service Monday morning June 3rd.

The best of our news will be found on pages 2 and 3.

Miss Nina McKittrick of Kentville has been visiting with Mr. and Mrs. Geo. D. Geldert at Windsor.

The Hants Journal says there are nearly 800 soldiers in camp there of whom 750 are B. E. F. recruits.

W. C. Archibald of Wolfville was in town on Sunday last. He is setting out this spring a new plum orchard of about 4000 young trees from 1 to 3 years old.

BRAVE KENTVILLE AND WOLFVILLE BOYS WIN MILITARY MEDAL.

Most gratifying news has been received from the Western front to the effect that Carl M. Dickey, son of Mrs. Robert Dickey, of Kentville, has been awarded the Military Medal for bravery and skill in repairing telephone wires and rendering other most valiant and necessary service during an engagement on March 28th, when terrific gas and shell fire was in progress. Carl is serving in the British heavy artillery, and associated with him in this daring exploit was Clyde West of Wolfville who also received the same recognition. We extend heartiest congratulations to Mrs. Dickey and the many friends of our brave son, not only in the achievement gained but for the recognition he merited. Our boys are truly proving their worth and showing how prominent was their early training in duty patriotism and sacrifice if necessary.

RECITAL AT WOLFVILLE.

Mrs. John D. Clark of Kentville will give a recital in College Hall Wolfville on Wednesday afternoon, May 24th at 4.30 P. M. She will be assisted by Miss Arlen McKenney, Mezo contralto.

The following program will be rendered:—
Prelude, Fuga No 21 Bach
Sonata Op. 21 No 2 Beethoven
Scherzo Mendelssohn

Mrs. Clark
Lover in Damascus (song cycle) Amy Woodforde Finden
Far across the Desert Sands.
How many a lonely Caravan.

WALL Decorations

WALL PAPER—Exclusive, artistic goods—that's the whole story in a few words—wall papers that are different to what you can find elsewhere—now don't be frightened by the word artistic and exclusive, it doesn't necessary mean expensiveness; in this case it means designs and colors, artistic to the highest degree.

Styies with newness and out of the ordinary effects yet well within the bounds of reason in price. Come in and let us show you all the latest ideas in wall decorations, you will miss some nice things if you buy any wall papers without seeing our stock.

posed visit of an auto to Margareville, on quest of liquid refreshments. The car did leave Kentville at 9 o'clock in the evening and wended its lone some trail to Margareville and the three occupants must have had visions of heavy profits from over proof spirits. Policemen Davis and Bond left town in chase at midnight, in a car with Walker at the lever. At the Aylesford bog the Margareville visitors were met on their return, and recognized when passing. The police car had

to proceed some time before they could turn and give chase but after some turns in the wrong direction at Berwick the fleeting car was overtaken at Waterville. The driver, back to his car but the other occupants struck for the tall timber. The police took the car in charge and then went back to the old Aldershot camp ground at Aylesford where after a long search alongside the road four kegs of overproof rum was found, which had been hastily hid from the car after the pursuit commenced. The liquor was brought to Kentville and the fleeing men were found quietly waiting in their car when the police returned to Waterville. The Police were well pleased with their mid-ride. The case will be tried in Court on Saturday morning.

MARRIED AT KENTVILLE

Vaughn—Weaver.

On Wednesday afternoon the Methodist Parsonage Kentville was scene of a very interesting event it being the marriage of Mr Harding Gladstone Vaughn of Sheffield Mills, to Emma Althea, daughter of Henry Weaver of Kingsport. The ceremony was performed by Dr. A. C. Borden in the presence of the immediate relatives of the bride and groom.

Both the young people are well known in this county and have the best wishes of all. They will reside on the Weaver farm at Kingsport.

Gin Pills
FOR THE KIDNEYS
Succeeded Where
Operation Failed!

"During August last I went to Montreal to consult a specialist as I had been suffering terribly with stones in the bladder. He had decided on an operation and was assisted by another doctor. They said the calculus was larger than a bean and too hard to crush and they could not take it out. . . . was recommended by a friend to try Gin Pills. I bought a box and found relief from the pain at once. . . . I did not expect that they would relieve me of the stone, but to my great joy I passed the stone on October 3rd and am now a well man and very happy."
J. ALBERT LESSARD.

Gin Pills are the greatest solvent for uric acid ever offered. Profit by Mr. Lessard's example if you have Stone or Gravel, Rheumatism or other Kidney or Bladder disorder.

Sold at all dealers at 50c a box or 6 boxes for \$2.50.

Sample free if you write National Drug & Chemical Co. of Canada, Limited, - Toronto.

U. S. Address: No-Drugs Co., Inc. 202 Main St., Buffalo, N. Y.

BIG CANADIAN FLOUR CONCERN AIDS FOOD BOARD BY PULLING TRAVELLERS FROM ROAD.

Withdrawal of all road salesmen for a period of several months is the order that has gone forth from the Western Canada Flour Mills Company, Limited, of Toronto.

That this action will be of incalculable aid to the Food Board in the conservation of the food supply must be recognized by every person in that it removes entirely the temptation of the average consumer to purchase an unnecessary supply of flour.

THE DEMAND CATEGORICAL

A black woman halted in front of a produce store in a Georgia town and addressed the proprietor, who was also of color. "Here aize fresh?" "I ain't sayin' dey ain't," he answered back. "I ain't axin' you is dey ain't?" she snapped; "Ise axin' is dey is. Is dey?"

Minard's Liniment used by Physicians.

KENTVILLE TO HAVE A BIG CHATAUQUA MEETING.

Many people in Kentville, Wolfville, Canning, Berwick, and other places are eagerly looking forward to the big Chatauqua Association meeting to be held in Kentville for a whole week during July or August. This will be the first series of meetings of the Association held during the Summer season in the Maritime Provinces.

Several other towns and cities are also fortunate enough to secure the Chatauqua Meetings among them are New Glasgow, Sydney, Amherst, Moncton, Spring Hill, Truro, Windsor and Halifax.

Here are two extracts from a letter written by one of the citizens of St. Stephens N. B., where the Association held a "Chatauqua" during the past winter.

"Chatauqua as produced in St. Stephens by the Association was eminently satisfactory indeed it exceeded our expectations. I hope it will be introduced throughout the cities and towns of the Maritime provinces. I realize the difficulty of making people understand just what Chatauqua means, indeed it is a bit hard to describe, one has to attend one in order to see what enthusiasm is aroused.

Two young ladies Miss Bennett and Miss Ulrich representatives of the Association were in town about two weeks ago arranging for the appearance here of this wonderful organization. They interviewed a number of citizens who are to be responsible for the success of interesting the people in the movement. Following are the names of Kentville, and Wolfville people who are lined up to "make the big drive".

- R. L. McDonald.
- F. A. Masters.

**Something New,
Something Helpful,
The B-H Color Scheme Adviser**

WOULD you like to "see" your house in its new coat of paint, before you paint it? You can. The Brandram-Henderson "Color Scheme Adviser" enables you to try out different color combinations before deciding on the color scheme most pleasing to your eye.

This unique device consists of a transparent outline of a house, behind which you place color cards of every known shade—one color for the walls and another color for the roof. With the transparent sheet, there comes a set of 40 cards each of a different color. First you try a white card on the walls, in combination with a green card for the roof. Then you try a brown card behind the wall section of the transparency, along with a red card for the roof. And so on, until you have exhausted the possibilities of every known color combination.

We have one of these "Color Scheme Advisers" and will be pleased to let you experiment with it before you select your B-H "ENGLISH" 70% Pure White Lead (Brandram's Genuine B.H.) 30% Pure White Zinc 100% Pure Paint

for the Spring painting of your house or any other building. Of course you are going to paint this Spring—and equally, of course, you are going to use B-H "English" Paint—the paint with the guarantee behind it.

Our store is the B-H Store—which means that this is paint headquarters. The outstanding reputation of this brand is based on its superior covering capacity and exceptional durability—both of which features we know to be due to the combination of Brandram's Genuine B.H. white lead and pure white zinc, which the makers of B-H "English" Paints maintain in spite of the repeated advances in the cost of these ingredients.

Color Cards from our local agents.

EXEMPTIONS BETWEEN AGES OF TWENTY AND TWENTY-TWO INCLUSIVE ON ONE GROUND ONLY.

OTTAWA, May 4—The following official announcement is made by the department of militia:

"It should be clearly understood that every man who is ordered by registers to report, must do so on date specified whether he proposes to claim leave of absence or not. Should he be between the ages of twenty and twenty-two, both inclusive, leave of absence will be granted on one ground only, namely, that he is the sole remaining son of military age in a family, the others being already serving, or having suffered death or disablement. Service in this case means service in some field of operations or in a unit in England or Canada providing drafts for service in field of operations. Men desiring to claim leave of absence on the above grounds should so state upon reporting to the depot battalion. They should have prepared a careful statement showing other sons of

Parasites.

The man who makes his living in a community by selling his services or his merchandise to the people of that community, and sends his money away to a mail order house, is a parasite. He is a blood sucker that takes everything and gives nothing. That is a very straightforward statement of the case, but it expresses a plain fact. Our neighbors who help support our churches and schools, are entitled to our patronage in anything like equal terms, and a perusal of the advertising columns of this paper will prove conclusively that it is not necessary to send elsewhere for any staple commodity.

A Complete List in Stock

Theodore Roosevelt, speaking on the Lusitania anniversary, said that the United States "will probably have three million men on the battle line before the end of 1918." The estimate seems to be much too generous, but we must hope the President has sound reasons for making it. By midsummer, at all events, the American forces in France will have more than compensated for the Allied casualties in the campaign of this spring. Germany has no reservoir from which to make its losses good. To win, it must win quickly, and to do that is beyond its power. The Allies should finish this year's

campaign with a decided numerical superiority and be able to increase it indefinitely. It is not enough to hold the enemy; it is necessary to pile up reserves enough to make sure that the enemy can be beaten and Allied terms imposed upon him.

In a modern store every day is a new day—every day witnesses new over-turnings of stocks, repricings, re-groupings of bargains, new ideas in "special sale." So that, always, the ads should reflect this store-life, and make it interesting to outsiders.

ACTIVITIES AT ALDERSHOT

The camp at Aldershot is again assuming considerable proportions. Troops have been arriving in small and larger quantities each day and more are expected this week. The outgo from here each week will also be considerable. None of the drafted men have yet arrived to take up their training in camp.

Depot Battalion Arriving.

On Thursday a number of the officers of the Depot Battalion at Halifax arrived and on Friday a carload of men came on a coach attached to the morning express. The rest of the Battalion was expected to arrive here yesterday.

Husky Australians Visit Kentville.

On Friday morning about 45 officers and men of an Australian Battalion came from Halifax on a pleasure trip. They were accompanied by Mr. Sillars of the Passenger Department of the D. A. Ry. who did all he could for their enjoyment. Although they had been seven weeks on a continuous journey from home and were tired of travel they enjoyed to the fullest their visit to the County district of Nova Scotia. They had learned to love Canada because Canadians were equally good fighters with their own Australians—the best all round soldier in the world. They kept their eyes open keenly compared our farm operations with that of their own country. Kentville citizens extended a hearty welcome to these brave Empire defenders and the young ladies regaled them with the choicest apples and prettiest mayflowers. The members of the Board of Trade bought out autos in the afternoon giving them a long ride through the country to Wolfville etc. They bade adieu to Kentville the same afternoon expressing their heartiest thanks for attentions shown.

KING'S COUNTY MAN CAPTURED NEAR WINDSOR

Hants Journal.—About a month ago a young man in King's County attacked his mother and succeeded in making his escape. The police were notified of the affair, and asked to assist in locating him, it being thought that he had come in this direction. On Saturday afternoon the police received word that the man in question was on Chester Road, armed. Proceeding in an auto the Chief was soon at the scene, the young man being found seated on a bridge. Slipping into a house nearby, McDonald waited until the young man was enticed in by Mr. Keddy. After resisting he was placed under arrest and brought to Windsor. On Monday morning he was taken to Kentville to await his trial.

DALHOUSIE CLOSING.

HALIFAX, May 9.—The fifty-fourth spring convocation of Dalhousie University was held this afternoon, Dr. G. B. Cuten, president of the Acadia University, offered the invocation, after which A. S. McKenzie, president of Dalhousie, reviewed the work of the year, referred to the university's splendid record of contributions to the empire's man power and noted the fact that just 100 years ago Lord Dalhousie, then governor of Nova Scotia, founded the university.

The number of degrees conferred today was limited. There are eighteen graduates in the bachelor of arts course, one in engineering, one in science, five in law, four in music, two masters of arts and one master in science.

The Avery prize for graduates was shared by Miss Christine A. M. McKinnon, of Louisburg

(N. S.), and Claude J. W. Keddy, of Mahone Bay N. S.

The Governor-General's medal was awarded to John H. Mitchell, of Halifax (proficiency in French language).

The Alliance Francaise bronze medal was won by Miss Mary C. Sutherland, of Pictou, N. S.

The address to the graduates was delivered by Dr. T. Starnage Boyle, president of King's College.

KENTVILLE.

Rev. A. M. Bent was in Bridgetown on May 5th and gave a fine address to the members of the I. O. O. F. Lodge in St. James Church in that town.

Mary Alberta daughter of conductor and Mrs. A. G. Herbert of Annapolis was married April 27th to Mr. Frank Reginald Howe of Mochille.

Mr. Milledge Salter was in Bridgetown last Monday and Tuesday visiting his parents.

Round Hill item in Monitor:

—The body of Miss E. J. Whitman, youngest daughter of the late Hon. George Whitman, was brought home on Monday, April 29th, and laid to rest in the family lot beside her parents. Miss Whitman died on May 6th, 1917, in Paris, of cerebro spinal meningitis, contracted while ministering to the comforts of the weary soldiers on their way to and from the battle fields. She, anxious to do her bit, joined by friends, stood and poured hot coffee and served sandwiches in a small canteen at the station and there is no doubt, in this way, contracted this disease.

Miss Evelyn Taylor of Clementsville has been visiting at Kingston.

Germany has been losing about 750 aeroplanes a month on the western front, according to recent calculation. The British and French together have lost less than half as many. Yet while the Allies have had the best of it in the air for some weeks they do not yet enjoy "sustained and unquestioned supremacy." They hope to attain that before long, having more pilots in training and a much greater ability to turn out machines than the enemy.

The High School at Milton, Queens Co., has been entirely destroyed by fire.

Harold Colpitts, B. A., Principal of the Dorchester, N. B., High School, has been called to the colors, and has been obliged to resign his position.

Two real "Slackers" have been unearthed at the Narrows, N. B. These brothers to wit clear of the draft, took to the woods, hiding with rifles ready to resist arrest. Their equally cowardly father, kept them supplied with food. The papa is now in jail and the two cubs are in the hands of the military police.

FRENCHMAN HITS HUN AVAITORS HARD.

PARIS, May 10.—Six German airplanes were brought down yesterday, by Sub-Lieut. Rene Fonck. The war office announces this.

The statement follows—"Yesterday Lieut. Fonck brought down six German biplanes in the course of two patrols. He downed the first two in ten seconds, the third five minutes later, and the other three in the course of the second patrol.

"Lieut. Fonck's achievement of yesterday has never been equalled. He is the greatest French air batter since the death of Captain Guynemer."

"There is perhaps not a man in Canada today shouting about the folly of the government in not leaving the young men on the farms, who would not admit that Great Britain and France had no choice in the matter; but Canada, it is argued, is indifferent case and still has the right to make a choice," says the Manitoba Free Press. "This is a fatal illusion, which may destroy us. We have only this choice: we can make the sacrifice necessary to win or we can submit to the world domination which the Prussian war lord seeks to establish."

Rev. E. Simonson, who was educated at King's College, graduating in 1890, and was married to Miss Albertine of Wolfville, related to families in this country, is now stationed in Douglas, Arizona. On Palm Sunday he preached a very impressive sermon on the moral condition of the city. He is one of the many graduates of King's who have gone into the world as a worker for its uplift.

MRS. BERTHA BENNETT BURLEIGH AT PASTIME THEATRE TONIGHT.

Bertha Bennett Burleigh, daughter of England's greatest war correspondent, is to give an illustrated lecture in Kentville this Friday evening, May seventeenth under the Auspices of the Provincial Branch of the Red Cross Society. At Halifax, Sydney, Truro, New Glasgow and Amherst, hundreds were turned away from Miss Burleigh's lectures unable to gain admission and return dates are being asked for. Miss Burleigh finishes her United States tour at Buffalo last Tuesday and will immediately leave for Kentville.

Arriving here on Friday afternoon by way of St. John and Digby route.

Miss Burleigh is still in her early twenties a girl of striking appearance and one whose life has been full of Adventure. After the Declaration of war she landed at Ostend and from there walked to Brussels. She was in Brussels for nearly two months while that City was under German occupations. At first hand she witnessed German atrocities and became familiar with the methods of the Hun. For information she gained on that trip she was warmly congratulated by the British Authorities. She escaped from Belgium in an open boat and was fired upon by the Germans. She returned again to the continent, in fact, she had crossed the English channel sixteen times since the outbreak of the war. Her last trip being a visit to the American training camps, where she addressed the troops, her efforts winning warm appreciation of the British Foreign office under whose permission she is now visiting Canada and the United States. Of Miss Burleigh's four brothers, three have been killed in Action and the fourth seriously wounded.

Miss Burleigh is to speak next week in Wolfville and Windsor but will not be able to make a return trip to the Valley. When she spoke in Halifax the hall of the School for the Blind with a seating capacity of only six hundred was sold out the first day the tickets were offered, and many hundreds were disappointed. Her next address in Halifax will be in the Academy of Music.

GO TO IT!—!!!—THE RUM- MAGE SALE!!!

Held in McKenna Block Wolfville, Fri. & Sat. May 17th & 18th from 8 to 10 p. m. Great Bargains are offered in China Brica Brac, Furniture Kitchen Utensils, Clothing, including Hats Boots & Shoes, Books Cloaks Lamps, Carpet ends, Mats, Mat Rags, Carpet Sweepers, Vacuum Cleaners, Curtains Cushions etc. etc. Proceeds for Field Comforts.

NOVA SCOTIA "SOLDIER OF THE SOIL" GO "OVER THE TOP"

Nova Scotia farmers who are looking for labor will do well to consider securing young "Soldiers of the Soil," composed of boys 15—19 years of age. Some of the lads have already left for the farms and are rendering satisfactory service. Many farmers who were sceptical last year about boy labor have enthusiastically endorsed the plan this spring.

Nova Scotia is the banner Province of the Dominion having recruited over 2150 boys for farm service, coming next in number to Ontario. Here are the figures:—

(returns incomplete)
L. A. Buckley, Superintendent of the "Soldiers of the Soil" states that careful supervision

will be given to the boys who go out on the farm to see that they render just labor to their employers and that the boys have proper accommodation. These supervisors are qualified by wide knowledge and sympathy with boys, also tact to deal with any difficult situations that may arise.

The following men have been appointed by Mr. Buckley.

C. L. Wood, Windsor, for Western Nova Scotia;
G. H. Wigle, for Central Countries.

E. B. Brundage, Amherst, for Western Nova Scotia.

The medals supplied by the Canada Food Board are shield like in form with a sheaf of wheat in the centre, bordered by the words "Soldiers of the Soil"—"Canada Food Board." They are artistic and will be worn by the boys with a great deal of pride.

Many boys are anxiously waiting to go out on the farms. The Provincial Superintendent hopes that the farmers throughout Nova Scotia will so respond that every "Soldier of the Soil" who has enlisted may find an opportunity to express his patriotic zeal by helping to feed the soldiers.

NAVY LEAGUE FORMED AT KENTVILLE.

On Tuesday evening last a great mass meeting of the citizens of Kentville and vicinity was held in the Nickel Theatre. Mayor Yould presided and much interest was manifest in the occasion.

A fine picture film showing activities and work on a British war ship was first shown giving much that was of great interest. Then Mr. Percy Strong Secretary of the Navy League told of its origin in Canada and the great work it was taking up and the progress made in organizing branch societies in the province.

Rev. Harold T. Roe was the speaker of the evening and he told in his inimitable way of the navy, its heroic deeds and what our sailors were now doing to protect our shores and preserve for us the liberties we now enjoy.

No braver deeds in the world are recorded than those of our sailor lads. He stirred the audience when he related the noble efforts of our heroic cadets and sailors of the Niobe who perished in their attempt to save Halifax as much as possible by towing the ill fated ship away from the shore when she was on fire. While the army was doing great and heroic work the safety of the Empire as a maritime power was with the navy, and the Navy League was to interest people on the blue jackets and their work.

At the close an organization was formed for Kentville with Mayor Yould president Mrs. H. L. Cole Secty. treasurer and Mrs. Capt. McBride, Mrs. H. A. Haanel, Dr. P. C. Woodworth and H. G. Harris members of the executive.

The Sister Susie Society Girls were appointed to canvas for membership which is 2.00 per year. Proceeds for comforts for the sailors.

TRAGIC SHOOTING AT WIND- SOR.

Son of Postmaster Goudge Accidentally and Instantly Killed While Practicing at the Rifle Range.

WINDSOR, May 15—The tragic and instant death of Stuart Goudge, son of Postmaster Goudge and grandson of Hon. M. H. Goudge, president of the Legislative Council, has shocked Windsor. The young man, twenty years of age, was with some others of about the same age practising at the rifle range late this afternoon, when, in some way, the accidental discharge of a rifle killed him instantly. The tragedy occurred about a quarter of a mile from his home. He was expecting soon to get his call to the colors and for some weeks had been practicing with a rifle and had acquired a remarkable degree

The memorial service of the late Walter Brown, killed in Action in France will be held in the Kentville Baptist Church on Sunday evening next. The choir will present special and appropriate music.

Mr. P. N. Parker returns this week from his trip to Vancouver B. C.

Tonight at Pastime Theatre the famous Bertha Bennett Burleigh will lecture. Views exhibited of places she has visited. Band in attendance. Admission 35 cents to all parts of the hall.

Mr. S. A. Porter of the Experimental Farm has been ill the past fortnight suffering from rheumatism.

Farmers are moving along rapidly with their spring work as the weather has been fine and the land quite dry. While Kings County will give a heavy production the loss of so many of our young men for military training, is most sorely felt and help is more scarce than ever. The shipyards, and building up of Halifax is drawing many away from the necessary farm work.

The Military Exemption Board—Messrs Lamont and Harris held a session at Kentville yesterday.

About three hundred of the men with their officers, from Aldershot Camp, principally from Upper Ontario, attended the morning service at St. James Church last Sunday. The soldiers voices added greatly to the singing and the Rector, Rev. A. W. Bent, preached a most eloquent sermon on the text.

"Put on the whole armor of God".

Mr. and Mrs. Arthur S. Harris of Fitchburg Mass arrived in Wolfville this week and are visiting Mr. and Mrs. R. E. Harris. Yesterday Messrs R. E. and Arthur Harris and John Collins left for the head of the Aylesford lakes on a fishing expedition. They are sure to return with a good trout catch.

Mr. and Mrs. Arthur Harris went as far as Sydney to visit their son Hay Harris and also their daughters in St. John and Amherst.

Miss Mae Donnell who for some years has been laboring among the lepers of India will address a woman meeting in the Baptist Church on Sunday afternoon May 19th at 3.30 o'clock. All ladies of the town are invited to attend.

LADIES! You will need a Suit or Dress

JAMES GORDON BENNETT IS DEAD.

Proprietor of the New York Herald Passes Away in France—His Father, Who Founded the Paper, Was Once a School Teacher at Eastern Passage.

Beaulieu, France, May 14.—James Gordon Bennett, proprietor of the New York Herald, died at five thirty o'clock this morning after having been unconscious for two days. Mr. Bennett's last words before lapsing into unconsciousness were in relation to his newspaper interests. Mrs. Bennett was with her husband when he died.

Despatches from France early this month reported Mr. Bennett so seriously ill that his condition was giving cause for anxiety.

BELAND WAS EXCHANGED FOR VON BUELOW

OTTAWA, May 14.—In view of Dr. Beland's arrival in Holland, the foreign telegram received by the prime minister thru the governor general from the colonial secretary on May 7th, may now be published. "German government has agreed to exchange Dr. Beland for Von Buelow, interned in England, and state that he will join next party transferred via Holland. Advise your ministers not to publish at present.

The gaspereau fishing is not very good so far this year.

The potato market which took a bad tumble last month from 3.50 per barrel to \$2.00 has again weakened and the price is reduced to \$1.75 including the barrel. This is disappointing to our farmers as a good many potatoes are still on hand. The Advertiser had for months, warned the people that on account of the great surplus in stock prices must go down but many held for more than \$3.50 while others who sought an opportunity to sell had no chance to ship. Prices will not improve until the new crop is harvested.

NERVOUS PROSTRATION

May be Overcome by Lydia E. Pinkham's Vegetable Compound - This Letter Proves It.

West Philadelphia, Pa. - "During the thirty years I have been married, I have been in bad health and had several attacks of nervous prostration until it seemed as if the organs in my whole body were worn out. I was finally persuaded to try Lydia E. Pinkham's Vegetable Compound and it made a well woman of me. I can now do all my housework and advise all ailing women to try Lydia E. Pinkham's Vegetable Compound and I will guarantee they will derive great benefit from it." - Mrs. FRANK FITZGERALD, 25 N. 41st Street, West Philadelphia, Pa.

There are thousands of women everywhere in Mrs. Fitzgerald's condition, suffering from nervousness, backache, headaches, and other symptoms of a functional derangement. It was a grateful spirit for health restored which led her to write this letter so that other women may benefit from her experience and find health as she has done. For suggestions in regard to your condition write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of their 40 years experience is at your service.

SIR ROBT. BORDEN MEETS GREAT FARMERS DELIGATION AT OTTAWA

Facing Almost Five Thousand Delegates, Prime Minister of Canada Tells Them That the Supreme Duty of the Government is to See That the Ranks of the Gallant Men Holding the Line are Maintained.

OTTAWA, May 14.—Facing an audience of two thousand hostile farmers, who in a memorial to the cabinet, practically charged the government with breach of faith and demanded that agriculture be specifically exempted from the military man-power draft, Sir Robert Borden today declared that the supreme duty of the house was the maintenance of Canada's forces in France and that he did not propose to be intimidated or in any way distracted from that duty. The prime minister's speech characterized by utter fearlessness and disregard for party consequences, was the government's reply to a deputation which in point of size and conduct stands without a precedent in this country.

For upwards of four days farmers have been pouring in upon the capital. They arrived with every incoming train and they came from practically every province of the Dominion.

Today, when their numbers had been swelled to almost five thousand, they assembled in the Russell theatre—the scene of many a famous political combat—and in overflow meetings outside and in a number of resolutions and speeches practically tried to hold a pistol to the head of the government and intimidate it into treating farmers as a special class to be exempted from the sacrifice and

Earth as acres owner and Millville Roads cuts tons hay, level land, 4 ac young orchard in bearing, 2 ac 3 yrs set, half ac straw berries, good building connected, large veranda 60 ft., house and barn cellars among the farmers themselves, Sir Robert Borden declared that the government had not entered lightly upon its course and that such being the case nothing could induce it to turn back. Speaking with solemn emphasis, the premier said:—

"You gentlemen have told us that this measure will produce hardship, difficulties, and inequalities throughout this country. I can conceive that a military service act must produce hardships, but I cannot conceive of a Nation participating in this world welter of war without hardships, bereavement and sorrow. We do not want to impose unnecessary hardships. It was hard for the government four years ago to plunge

the youth of this country into war. It was hard for us ten months ago to impose compulsory military service upon this land. It was a still sterner task for the government to pass the measure with which we are concerned here today.

"You have referred to statements made by members of the government on the platform in the course of the election a few months ago. I want to tell you that those words were spoken in the National interest at that time. I want to further tell you that the orders-in-council passed in April were passed for the National interest at that time. Do you realize that a battle was begun on the twenty-first of March in which most of your relatives and next of kin are probably engaged. Do you realize that that battle may prove the decisive ending of this war? Do you realize that if that Allied line breaks, the production of which you speak here today will be of little avail?"

"If that line should be decimated and the foe should reach the channel ports, of what advantage would your production be to our cause? The supreme duty of the government is to see that the ranks of these gallant men who are holding that line, who are fighting this great battle for you and me, are maintained.

"You have spoken of pledges and covenants. May I remind you that you have given pledges and covenants to these men in France and Flanders. How could we face them if on their return defeated we told them that we could not reinforce their ranks because we were too absorbed in production.

While this straightforward declaration was accepted as satisfactory by the better elements in the deputation, it failed to satisfy many of the leaders, and these, aided and encouraged by a number of politicians, repaired to the city arena to listen to a series of noisy and clamorous speeches. Most of the three thousand or more who gathered in this building were French Canadians, and at the suggestion of Thomas Vein, Lot Biennere, an anti-conscriptionist, it was decided to march to parliament and demand a hearing before the bar of the house of commons. When the embattled agriculturists reached the parliament buildings, however, they were informed that while they were at liberty to use the commons chamber during the six o'clock dinner recess, they could not be permitted to interrupt the business of the house. Thereupon the multitude dispersed, some remaining in the vicinity of parliament and crowding the galleries of the commons in the evening, and others returning to the arena to hold an indignation meeting.

A GRAND MEDICINE FOR LITTLE ONES.

Baby's Own Tablets are a grand medicine for little ones. They are a laxative—mild but thorough in action and never fail to regulate the bowels, sweeten the stomach and make baby well and happy. Concerning them Mrs. Francois Fourier, Tourville, Que., writes:— "I have used Baby's Own Tablets for my baby and would recommend them to all mothers the little ones." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

JUNE 22 LIKELY REGISTRATION DAY.

OTTAWA, May 13.—Provided the many difficult details of organizations can be completed in time, Saturday, June 22, will be the day upon which general registration will take place. The Registration board is putting forth every possible effort to make the machinery simple and effective and it is said that voluntary assistance will be rendered on a very large scale.

CONGRATULATIONS TO SIR WILFRID.

OTTAWA, May 14.—Sir Wilfrid and Lady Laurier have received the following message from their majestys, King George and Queen Mary, congratulating them on the occasion of their golden wedding: Windsor Castle, May 4, 1918 Sir Wilfrid Laurier, Ottawa.

The queen joins with me in offering you and Lady Laurier our warmest congratulation on the occasion of your golden wedding and we trust you may enjoy a continuance of your happy married life together. (Signed) GEORGE R. I.

THE MURDER AT BRANDENBURG.

The burning alive of seven prisoners of war—one English sailor, one French soldier, and five Russians—in the German prison camp at Brandenburg is officially established. The statements of the British and German Governments agree on the fact. The fire was accidental; that is to be assumed. Eyewitnesses assert that when the prison shack took fire the Germans made no attempt to rescue the seven inmates; that they forcibly prevented other prisoners from going to the rescue; and that when the endangered men tried to climb out through the window, a sentry bayoneted them one after the other and they fell back into the flames. The first to suffer in this way was John Genower, the English sailor, and his fate is thus described in a memorandum drawn up by eight Spanish sailors who saw it: Those inside the dungeon were being choked. The Englishman broke the panes of a small window with the idea of freeing himself and his companions. The sentry, seeing him leaning out of the window, gave him a tremendous thrust in the chest. The wounded man fell like lead. A small but revolting struggle took place. The prisoners attempted to get out, and the German soldier redoubled his bayonet again and again with the blood of the men shut up, who saw with horror that the fire was increasing. So say the Spanish sailors. An English prisoner of war, who tells the same story, adds that after the bayoneting of Genower "a rush forward" was made to break the place open, but we were driven off by other armed Germans who had arrived on the scene. Another eyewitness says that when he and other prisoners attempted to go to the rescue, "they placed a cordon of German soldiers at a distance of sixty yards around the cells, with rifles loaded and fixed bayonets, so that we could not get near."

The German Government, while admitting the death of Genower from fire, denies the other allegations. The German Government's word on any subject is worth nothing unless uncontradicted. In this case it is contradicted by the testimony of eyewitnesses; of the eight Spanish sailors taken from the Gravinia, and of two prisoners of war. It will be assumed by everybody that the eight Spaniards and the two prisoners of war are telling the truth, especially as their stories all agree, and that the German Government is telling as much truth as it did when it officially assured the President of the United States that its submarine did not sink the Sussex. — N. Y. Times.

ASTATE OF SEIGE IN SUBURB OF PRAGUE.

FERMENT IN BOHEMIA SHOWS ITSELF IN DEMONSTRATION BY THE WOMEN.

LONDON, May 14.—A state of seige has been declared at Smichow, a suburb of Prague, Bohemia, and the troops there have been sent away, an Ex-

change Telegraph dispatch from Amsterdam reports. One hundred and fifty women are said to have been arrested on account of demonstrations. The burghmaster has resigned. The ferment is extending thru Bohemia, according to the dispatch.

King George on Monday, May 6, celebrated the eighth anniversary of his accession to the Throne, succeeding his father, Edward VII in May 6, 1910.

The American soldiers do not like to be called "Amexes" or "Sammies" but want to be known as "Buddies". It means a "pal" or "comrade."

Unique Find In Ontario

The locked antlers. In September and October during the rutting season, the hunter occasionally hears the sounds of terrific combat between those giants of the forest, the bull moose. With their formidable antlers these huge creatures can span a young birch tree like a piece of matchwood, and although it is only rarely that the bull moose will attack a man, if he does so the man has little chance unless he is quick with his revolver. The other day on St. Lawrence Island, in the Gulf of St. Lawrence, on the C. P. R., a pair of locked horns was found as the trophy record of a combat. They remained locked together for several days, and the moose who were locked together in the forests of Ontario.

BUILD UP THE BLOOD.

You Cannot Have Health if the Blood is Weak and Watery.

It is a hopeless task to try to restore your health while your blood is deficient in quantity or quality. The blood circulates through every portion of the body. It takes nourishment from the food and distributes it to the various organs and muscles; it takes also any medication that is administered through the mouth. The blood is the only means by which medicine can reach the nerves. Hence if the blood is poor the body becomes weak and the nerves shaky, and the victim may be subject to headaches and dizziness, poor appetite, indigestion, a constantly tired feeling or perhaps to rheumatism, sciatica or neuralgia. Poor blood is the forerunner of nearly every ailment to which mankind is subject, and you can only enjoy robust health by keeping the blood rich, red and pure. To keep the blood in this condition no medicine yet discovered can equal Dr. Williams' Pink Pills. Every dose helps to make new, rich blood which carries new health and new strength to every part of the body. When one becomes weak and pale Dr. Williams' bring the glow of health to the cheek and make weak, ailing people energetic and strong. Mrs. Stephen H. Williams, Kitchener, Ont., says:—"Some years ago my health started to fail. The doctor said my blood was thin and watery, but the medicine I took did not do me any good. My joints and limbs would ache and swell, until was almost impossible for me to get up and down, and no one knows how much I suffered or how discouraged I was. Reading of Dr. Williams' Pink Pills one day I decided to try them. I got a couple of boxes, and by the time I had taken them felt an improvement. I then got six boxes more and before I had taken them all felt like a new woman in every way. I could do my housework without feeling tired, and in fact I was enjoying better health than I had done for years. You may be sure I will halways strongly recommend Dr. Williams' Pink Pills to all other sufferers."

You can get these pills through any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

REGARDING SHIPMENTS GOING TO CANADA.

Washington, May 13—The war trade board announced today that applications for licenses authorizing exportation to Canada of vegetables oils imported from the Orient, entering the United States at Pacific coast ports and passing through in bond or through export bills of lading, will be favorably considered provided the shipments have been purchased by Canadian firms for consumption in Canada, and they are routed to pass into Canada at Duluth (Minn.) or at a border point west of that city.

GEN. MAURICE RETIRED FOR ATTACKS IN PRESS.

LONDON, May 13—The war office has issued the following statement:—
The army council, having considered the explanation tendered by Major-General Maurice of a breach of regulation committed by him in writing and causing to be published a letter which appeared in the press on the 7th inst., have decided that he be placed forthwith on retired pay.

Capt. Leander Publicover, who has been ill for some time, was found dead in his barn on his Liverpool, N. S. premises, on the 8th.

—Says a St. John's N.F. dispatch: "A movement is under way to bring up for action at the next regular session of the Newfoundland Legislature the question of making a reciprocal fisheries agreement with the United States similar to that recently concluded between United States and Canada."

—The town of Truro has made a grant of \$100 towards encouraging the planting of town gardens. The grant was made in pursuance of requests from delegations representing the Canadian Club and the Board of Trade.

I cured a horse of the Mange with MINARD'S LINIMENT. CHRISTOPHER SAUNDERS, Dalhousie.

I cured a horse, badly torn by a pitch fork, with MINARD'S LINIMENT. St. Peter's C. B. EDW. LINLIEF.

I cured a horse of a bad swelling by MINARD'S LINIMENT. Bathurst, N. B. THOS. PAYNE.

—The third United States liberty loan has been oversubscribed by \$6,888,900. Later figures are expected to raise the total far above three billion.

Burglars at noon on May 2, entered a branch of the Union Bank of Canada, Toronto, and at the point of revolvers gathered in \$1200 in bills from the teller's cage. These daring bank robberies are becoming alarmingly prevalent of late.

A British freighter has arrived at a port on this side of the Atlantic with a Hun submarine on her credit which she sunk off the Irish coast.

FOR SPRING RENOVATING.

A good way to remove old wallpaper is to use the following mixture: A thick paste should be made by adding flour and a few spoonfuls of salt to boiling water. Then add a few ounces of acetic acid, which may be purchased at any drug store. This pasty solution should be applied in quantities with a brush to the old wall paper. After a few minutes the paper can easily be removed in great stripes with very little dust or dirt.

TRIBUTES TO MOTHERHOOD

I remember my mother's prayers, and they have always followed me. They have clung to me all my life.—Abraham Lincoln.

Every man, for the sake of the great blessed mother in heaven, and for the love of his own little mother on earth, should handle all womankind gently, and hold them in all honor.—Alfred Tennyson.

Mother is the name for God in the lips and hearts of little children.—William Makepeace Thackeray.

My dear mother with the truthfulness of a mother's heart, ministered to all my woes, outward and inward, and even against hope kept prophesying good.—Thomas Carlyle.

The New York City Consumers' League estimates that \$11.70 a week is the least upon which a woman can live decently and healthfully in New York.

Lady Henderson, wife of General Sir David Henderson, to whom Britain owes her flying corps, has been "mentioned" for her services at the Royal Flying Corps hospital.

The appointment of Miss Katherine Wallis as deputy chairman of the London County Council marks the first occasion on which a woman has been elected in this position.

BE CAREFUL

In your choice of an ointment. An inferior ointment is worse than none at all, because it irritates and inflames, and sometimes even poisons the place it is intended to soothe and heal. In using Zam-Buk you take no risk, as its soothing, healing properties have been proved by thousands of users, and its purity is vouched for by the famous English Chemist, Mr. W. Lascelles Scott, who says: "I have made an exhaustive analytical examination of Zam-Buk, and find it exclusively of vegetable origin, with none of the impure and irritating mineral drugs and animal fats found in ordinary ointments. The germ-destroying powers of Zam-Buk exceed those of carbolic acid, yet it does not inflame even the most sensitive skin. I have no hesitation in certifying the purity of Zam-Buk, and its value for skin diseases and injuries."

Zam-Buk is best for eczema, ulcers, running sores, old wounds, abscesses, blood-poisoning, boils, pimples, piles, cuts, burns, scalds and all skin injuries. 50c. box, 3 for \$1.25, all druggists or Zam-Buk Co., Toronto. Send 1c. stamp for postage on free trial box.

CANADA'S ARMY.

Registration in Canada, soon to be effected, will considerably amplify the carrying out of the steps necessary to produce reinforcements, more rapidly. This registration is about three years in age. In England as the need for reinforcements became more acute all exemptions between the ages of eighteen and twenty-five were abolished. In Canada the abolition thus far has been confined to men of twenty, twenty-one and twenty-two.

Up to the end of last March Canada had sent \$64,000 men overseas, or about five per cent of a population of 8,000,000. It is a great number, but by comparison with what Great Britain and France have done. Nor is that all. The other British dominions are leading us strongly in the matter of enlistments. We should be to send 150,000 more men to equal Australia's contribution per capita, and 300,000 men to get on a par with New Zealand. We should have to send 400,000 more to equal the record of South Africa, 600,000 more to match the record of Great Britain, and 800,000 more to reach that of France.

In commenting on these figures and comparisons recently Hon. Mr. Rowell said that if the Canadian forces became engaged in heavy fighting, as must be expected the available infantry reserves would not last until July 1. Some men had said to him that Canada has already sent all the men that she can spare. Mr. Rowell said that only reminded him of what Australia, New Zealand, Britain and France had done. What they did Canada also can do. In France, as long ago as 1915, the women and boys alone sowed the grain and harvested it, and in England millions of women are today doing the work of men so that the men can be released for the firing line.

"What value is food," asked Mr. Rowell, "if the line is broken and Germany wins the war and we lose our liberty? With the confidential information we have from Great Britain just at this hour man power is more important on the western front than production."

Such are the conditions which forced the government to re-cast the Military Service Act, to abolish exemptions for the younger men, to cut down delay in the case of agricultural labor, and to order national registration. National registration may be followed by action diverting workers from unnecessary industries, and turning their activities in the vital forms of production. This may lead to some dislocation of business, but Canada will be compelled to copy in some measure at least readjustments found necessary in Great Britain and France in order to secure men for the army and to maintain

Headlights on Eastern Rails

JACK HARTNEY.

TOM TURNER.

ART CHARLEBOIS.

Showing how the name of noteworthy engineers is being painted on the insignia of C. P. R. locomotives.

No new policy undertaken of recent years by the C. P. R. has received such widespread expression of approval as that of naming passenger locomotives after the engineers, who by reason of their fine service or deeds of exceptional heroism have earned special distinction at the hands of their Company. If the engineers themselves are pleased, still more so is covered for paying due tribute to a splendid race of men who have hitherto hid their lights under a bushel. The C. P. R. is displaying these names in no haphazard fashion. They are incorporated on the newly adopted insignia of the railway—a circular band enclosing a beaver mounted shield on which is painted a Maple Leaf. The name of the engineer is shown in letters of gold upon a blue ground, while the green leaf, the white shield and the brown beaver afford a color combination exceedingly striking and effective. This insignia is painted under the windows of the engineer's cab, the most conspicuous, and at the same time most appropriate position that could have been selected.

Jack Hartney, who runs the President's engine when the head of the great system leaves Montreal for the West, has such skill in starting a train that the passengers would not know it is in motion unless they looked out of the window.

Arthur Charlebois has been forty-two years in railway service and comes of a family of engineers—his father, Pierre Charlebois, having been the oldest conductor in Canada when he died. The tradition is being kept up for he has a son a fireman on the C. P. R. to-day. Arthur Charlebois was one of the founders of the Brotherhood of Locomotive Engineers in Montreal. Tom Turner is well known and exceedingly popular at North Bay. He has been in railway life since 1882, when he worked with an extra gang on the Brockville, Ottawa and Canadian Central Railways. In 1887 he was promoted to locomotive engineer, and in 1888 to run out of North Bay, where he is still running.

- The following is the first list of engineers on Eastern Lines who have been selected for the honor of having their names painted on a locomotive President's engine 2025, Jack Hartney, Montreal; 2026, Harry Saunders, Aloc. SOCIAL AT ST. PAUL'S CHURCH.

The Christian Endeavor Society of St. Paul's Presbyterian Church held the first of a series of socials for the Soldiers on Monday evening last, which was largely attended. The regular meeting was conducted by Miss A. McGregor and addressed by Pte. (Rev.) Morgan who gave a very interesting talk on "Fellowship". At the close of meeting, a social hour was enjoyed at which some of the talent from camp favored us with several musical selections. After war-time refreshments, the evening closed by the singing of "God be with You," The National Anthem, and the Benediction, the soldiers giving three hearty cheers and a tiger for the Young People of St. Paul's.

SANFORD—HANF.

A very pretty but quiet wedding took place in the parlor of the residence of Mt Allison University, Sackville N. B., Monday evening, May 6th, when Ralph F. Sanford, of Windsor, and Edna C. Hanf of Wolfville, N. S., adopted daughter of the officiating clergyman were united in marriage by the Rev. J. Merrill.

FIFTY ROSES FROM THE PRESS GALLERY.

OTTAWA, May 14—The occasion of the fiftieth anniversary of the marriage of Sir Wilfrid and Lady Laurier was marked by the press gallery of parliament by the presentation of a bouquet of fifty red roses, the presentation being made by a representative deputation of the press men in Sir Wilfrid's office in the afternoon.

T. P. O'CONNOR SAYS NATIONALISTS WILL PRESS FOR HUN DEFEAT.

Washington, May 14—T. P. O'Conner the Irish Nationalist leader, in an address here last night, at a meeting attended by many members of congress, declared that his party is inflexibly convinced of the justness of the allied cause and would press for a vigorous prosecution of the war until Germany had been completely defeated.

CONVENTION

A Convention, under the auspices of the Kings Co. Temperance Alliance and the Social Service Council and Temperance Alliance of Nova Scotia will be held in Kentville on Thursday 23rd day of May.

There will be two sessions, afternoon at two o'clock, evening at eight o'clock.

The afternoon program will include the following:—
1. The work accomplished by the Temperance Alliance.
2. Social Service Problems, Dominion and Provincial.
3. Local Organization and Co. Problems.

The afternoon and evening sessions will be addressed by Rev. Dr. J. G. Shearer and other prominent workers.

All churches and Temperance Organizations are requested to send delegates, and all persons interested in temperance and social reform movements are cordially invited to attend. All clergymen in the County are requested to announce this convention from their pulpits on Sunday May 12th and 19th.

The time has come for a union of moral forces to undertake energetic action for the betterment of conditions along social service lines.

We appeal to all Christian agencies to co-operate in making the convention a success.

C. I. WOLFE President Co. Alliance.
S. V. SAFORD Secretary Co. Alliance.
H. R. GRANT General Secretary Social Service Council and Temperance Alliance.
