" It is the duly of your Parliamenta-YOUR INTEREST TO HIS OWN."

THE FAMOUS LAND BILL.

The world has seen the Bill and it is by no means full-freighted with tidings of joy and tuture peace to the Irish people. Perhaps it was as good asGladstone could do. A bill that provides for ridding a country of her inhabitants, is a curious enough land bill; and a bill that had to be changed twenty-two times before it was "piesentable," is a queer enough commentary on the fixed theories on Land Reform inIrcland possessed by Bright and Gladstone for so many, many months. After all the poking and talk about the Bill, Lord Daff erins suggestions are the only features in it worth calling an improve-The roof of the land trouble in Ire-

some of the outgrowths of it, are O, cannot men be men, though polislightly affected. For example it is ties be their trade! good that the tenant is assured of recompense for improvements upon his holding; it is good that the landlord is deprived of the power to put his rents at any figure; it is good that Mr. Wayman A. Smythe of Centrethe value of lands and the naming of ville, Carleton County, on our first mission is authorized to purchase such Royal Readers, one or two little troyel by late Earthquakes—which, how lands as the landlords may feel dis-posed to sell at fuir figures and sell great loss to our schools, if these the same at easy terms to the tonant. Toyar Readers, one or two little ever, rent the whole island. Fully 7,000 people were killed, and twenty five per cent, of the whole population besides afforded to some small extent, to the fully to Mr. Smythes letter. Irish people, to leave a land accursed, blasted and despoiled by a hereditary monster, that has no care but to live iself, and that is so firmly rooted, by time, by wealth, by associations and by custom, as to be beyond the reach and the power of such stern re-

without employing the ponderous and week to consider the question. costly machinery of the law; the commission without any round about The Mail says the passage of the are doing all they can to relieve the peogives a crown deed of the land to Scott Act in cities means, "free trade ple; 30,000 of whom are without a may authorize the Board of Works to the purchaser. It is good that con- in liquor, and a deterioration in its house to cover them. It will be rememtracts made between landlord and quality." tenant, outside the new act, will be void; it is good that the Commission will be a final court of appeal, for in the majority of cases it would suit the wealthy lord better than the poor tenant to go to law: and it is especially good that disputes between land lord and and tenant are to be sub-

mitted to arbitration But the root of the matter, which is the hereditary lords and their entailed lands, is not touched at all. There is nothing to compel the land-

Fowler of Blackville. Shortly after the sale, Mr. Enoch Bamford, C. C. and Mr. Havi-Enoch Bamford, C. C. and Mr. Haviland discovered a seam of coal, protruding through the surface of the field. A little digging showed an extensive deposit, in triple strata, at moderate depth.

The stand employs 3 mes, and T. W. Williston of J. & T. Williston of J. & T. W. Williston of J. & T. W. Williston of J. & T. W. Williston will occupy this stand. Mr. Williston will occupy this stand. Mr. What must his thoughts have been been whatever to a particle of the property, whatever to a particle of the property, whether to a particle of the property, whether the property is the did not own a stone of it." The widow, worn and nervous with the great trouble she had passed through, was unsafely the property, and the property is the property in the property is the property in

posit, in triple strata, at moderate depth. is a man—a man who is not mean withiston will occupy tuis stand. In able to bear this new trouble, him. What must his thoughts have been ship's violence gave her a shock from in that supreme moment. They beat the The coal crops out along the rivers bank, enough to make a probably break it before the eyes of to receive all the fish he cannot market. which she never recovered. He then and extends up and down a long way. shamefully break it before the eyes of to receive all the fish he cannot market. which she never recovered. He then life out of him, he defending himself to and extends up and down a long way.

Mr Bamford brought home some of the country.

The people here have this before them:

Mr. Snowball told the country the country that the country the coal, and put it in the stove. It burnt briskly, without leaving much residue. briskly, without leaving much residue. The mine is thought to be valuable, and that his constituency would be derivative and the first three first in his mind; that his own included the freezer. Two men emerged again doubling the rent. Her eldest son, and realet the place to her, to the mountains and escaped. The mine is thought to be valuable, and that his own included the freezer. Two men emerged again doubling the rent. Her eldest son, and realet the place to her, to the mountains and escaped. The Earl fell, his head in a pool of people that his constituency would be ever first in his mind; that his own interests would be second. Yet just as the Commons opened, with the greatest public question ever mooted in Canada before it, he ran off to England and bartered about his deals. No Grit "revival" here can save him. And by the way—two

COMMUNICATIONS.

The Earl fell, his head in a pool of water. The Country people coming in his mother, went to his aunt, living at some distance, and besought her to send him out of the country, lest he should be tempted to take vengence in his own hand. His aunt seeing this danger, lord were carried in a cart into Milford.

The Earl fell, his head in a pool of water.
