Perry Davis' Palu Miller. We clip the following from the Providence eneral Advertiser

"At this season of the year when cholera, cholera morbus, dystentery, and other kin dred complaints are sure to prevail, everybody should be liberally supplied with Perry Davis' Vege; able Pain Killer. Persons leaving bome, whether it be for a days excursion or a trip to Europe, should be in a position to place their hands on it in a moment's warning. Many diseases in incident to the summer morths, which will prove fatal if not immediately checked, can be promptly cured by one or two doses of the Pain Killer. On more than one occasion have we been relieved of intense suffering by the timely use of the above named preparation."
