TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a small bottle of Dandruff right now—Also keeps itching scalp.

This, little, colorless and odorless hair is made of a neglected scalp, of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life, eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Dandruff tonight—none any time—will surely save your hair.

Get a small bottle of Knowlton's Dandruff from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Dandruff. Save your hair! Try it!

Miss Lella Cummings returned on Saturday from Canterbury where she had been spending a week or two at her home.

HARTLAND BRIDGE IS BEING REBUILT

Work Started Monday Morning and Will Continue Until Entirely New Structure Result

The bridge across the river at Hartland is to be entirely rebuilt and the work is already well underway. R. O. Fletcher of the Department of Public Works is in charge and has a large crew actively engaged. It is planned to put temporary repairs on the piers to safeguard them against the spring run of ice, and to erect three new permanent spans, so that the bridge will be safe for use immediately the ice ridge falls. Work will not stop at this, however, for the entire bridge will be rebuilt—the new piers erected during the summer and the remaining old spans renewed next winter. The spans will all be covered, a measure calculated to preserve the structure for a much longer period than if exposed to the weather as was the former bridge.

The new work is being done by the day and the workmen are chosen for their ability to perform the services required of them without regard to political affiliation. Ordinary workmen get \$3 a day, and skilled labor proportionately more.

The fact that the bridge is being rebuilt so soon is a revelation to the people of this county, who hitherto have been put off with promises and various methods of circumlocution for periods often extending over years. The fact is the bridge was condemned by the superintendent under the former administration, but his report was marked "Stand" and pigeon-holed by Hon. B. F. Smith then Minister of Public Works, and it was found still filed away when Hon. P. J. Veniot took office. When D. A. Campbell was appointed superintendent a little more than a year ago, his first report was as to the necessity of immediate attention to this bridge. Last autumn Mr. Veniot made a personal inspection and was convinced that no temporary repairs would be practicable and decided a new bridge would have to be built.

The desire of the government to rebuild of concrete and steel, and if the people desired it, to change the location to any practicable site. When the minister came here a few weeks ago he met a delegation of representative

citizens and discovered that there was a unanimity of feeling that the bridge should be located wherever the engineer considered best but one thing the people would not stand for was delay or the resorting to a ferry. Accordingly Mr. Veniot consulted with other members of the government and in less than a week it was announced that Hartland bridge would be entirely rebuilt, and without delay of a day. So the work goes on.

About the whole enterprise there is an appearance of "good business" and a lack of political "shenanigans" that commends itself to all the people.

RIGBY CASE THROWN OUT

Larlee Gets off on Suspended Sentence

In the case of the County Court last week in which A. R. Rigby of Hartland was charged with shooting with intent to do bodily harm, aolle process qui was entered.

In this case the judge maintained that all the proceedings in regard to the laying out of the road had been illegal, but that Rigby's method of defending his property was rather more drastic than the circumstances required. Mr. Rigby claimed that he did not fire leaden bullets but used the special cartridges loaded with wooden pellets used for target practice in the training camps. It is claimed that these pellets will not penetrate the clothing beyond the distance of 30 yards.

The Observer was evidently in error in its assertion last week that all parties across whose land the proposed road ran had accepted settlement.

In the case of the King vs. Larlee, the returned soldier, who while acting as a dominion policeman was alleged to have extorted money from men without the proper papers on their person, the jury had brought in a verdict of guilty. The judge today suspended sentence in this case in view of the good military record and other reputation of the accused. The judge's course in this matter has met with the unqualified approval of the public as Larlee is a very prepossessing young man and very popular with those who know him.

In the case of the King vs. Charles W. Wright the jury found the accused guilty of common assault and he was fined \$50 or three months in jail.

Wright is a returned soldier and he and Dr. Martell met in a restaurant where it seems that Martell struck Wright for which Martell was fined before the police magistrate and shortly afterwards on the same evening Wright attacked Martell and inflicted severe wounds. Wright was charged before the County Court with doing actual bodily harm.

THE BAN IS AGAIN LIFTED

Churches to Hold Services on Sunday and Schools Re-open Next Week

Once again "the ban is lifted." This refers to the influenza epidemic, which in its second scourge caught more victims than the first, although the malady was not nearly in so severe form. The Observer knows of no death occurring in this vicinity as the direct outcome of the latest epidemic, but several have died from pneumonia after having had influenza.

The public will welcome, with feelings of relief and thanksgiving the re-opening of the churches, other places of public assembly, and the school. There have been no religious services in Hartland since the second Sunday in December, but the Chairman of the Board of Health has announced that public gatherings may now be held and the schools re-opened.

Religious services will be held on the coming Sunday as follows:

In the United Baptist church: Prayer meeting at 10:30, Sunday school 2:30, preaching service at 7:30. There will also be preaching service at Lower Brighton at 11 a.m. Rev. E. A. Trites, pastor.

Church of England service in the Town Hall at 11 and 7:30. Holy Communion will be celebrated at the morning service. Members will recall that it has been the usual custom to present the Xmas collection as a gift to the rector. There being no Christmas services the rector of Hartland has not received the usual donation except that a few took pains to remember the circumstance and sent in their envelopes. Those who have not done this are requested to use the Christmas envelope instead of the regular one at either service on Sunday. The wardens have asked The Observer to make a special note of this request.

Methodist appointments on the Hartland-Lindsay circuit for Sunday are as follows: Hartland 10:30, Sunday school at 2:30, also preaching service at 7:30. Service at Lindsay at 3. Rev. Spencer Crisp, pastor, and preacher for the day.

Services in the Reformed Baptist church on Sunday as follows: Social service at 10:30, Sunday school at 2:30, preaching service at 7:30. The pastor, Rev. F. J. Trafton, will also have service at Gordonsville at 11 and Landsdown at 3 o'clock.

The schools will re-open on Monday.

The Star Theatre will re-open on Saturday with a special program, 13th episode of "The Diamond from the Sky."

Rheumatism Entirely Gone

After Twenty-seven Years of Suffering—Swelling and Puffiness Has Disappeared—Not a Pain or an Ache Left.

A most astonishing cure of rheumatism and eczema has been reported here, and Mrs. Ray is enthusiastic in telling her many friends how cure was effected.

Rheumatism and eczema frequently go together, and in this case caused the most keen distress imaginable. All the swelling and puffiness resulting from many years of rheumatism and eczema, and had had that fearful itch for twenty-seven years. It was simply terrible what she suffered. I persuaded her to try \$1.00 worth of Dr. Chase's Kidney-Liver Pills. She is now on the last box, and let me tell you she scarcely knows herself, she is so free from both these diseases. All the swelling and puffiness caused by the rheumatism has gone away, and she has gone down in weight 15½ pounds. She never has an ache nor pain, biliousness nor sick headache all these months. She often says herself, "How glad I am that I know what to do instead of paying doctors so much to make me worse."

There is only one way that the poisons in the blood can be cleaned away and the cause of pain and aches removed, and that is by the healthy action of the kidneys, liver and bowels. Because Dr. Chase's Kidney-Liver Pills act directly and specifically on these organs and insure their activity they remove the cause of rheumatism and other dreadfully painful and fatal diseases. One pill a dose, 25 cents a box, all dealers or, Edmondson, Bates & Co., Limited, Toronto.

Look for the portrait and signature of Dr. A. W. Chase, M.D., the famous "Secret Book" author, on the box you buy.

Big Liquor Haul Near Edmundston

Liquor inspectors McLaughlin, Burpee and Mann had a pretty exciting time making their latest haul in Madawaska county, when they were obliged to use their guns.

The haul was taken from its alleged owner, Maxime Albert, of St. Hilaire, Madawaska county, and consisted of over 300 cases of liquor. After the seizure a crowd of about seventy-five men from the state of Maine appeared and the mob attempted to storm the car in which the liquor had been placed.

The three inspectors were not easily daunted and stood the men off in good style using their guns to show that they really meant business. The inspectors were victorious and the car got safely off on its way to St. John.

Winter Weather Hard on Little Ones

Our Canadian winters are extremely hard on the health of little ones. The weather is often so severe that the mothers cannot take the little one out for an airing. The consequence is that baby is confined to overheated, badly ventilated rooms; takes colds and becomes cross and peevish. Baby's Own Tablets should be given to keep the little one healthy. They regulate the stomach and bowels and prevent or cure colds. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Williams' Medicine Co., Brockville, Ont.

A Last Chance

We learn that the Family Herald and Weekly Star of Montreal are shortly to withdraw their offer of the War Album which has been given to all who this season subscribes to that great paper. The Album is certainly a useful little book to have, containing a vast amount of useful information. The coloring of the flags of all the Allies is beautiful. The new Edition now issued has a complete record of the war. It is said an Edition of 25,000 copies were snapped up by the citizens of Montreal in one day. \$1.25 pays for a year's subscription to The Family Herald with the Album thrown in free. It is a bargain.

Madawaska Health Board

District Medical Health Officer Dr. G. G. Melvin, was last week at Madawaska where a new subdivision of the board of health was successfully organized. The estimated expenditures for the year were voted by the municipal council and the secretary and other officials appointed. The Madawaska sub-division consists of Dr. La Porte of Edmundston; Dr. Cyr and Mr. Cyr, both of St. Leonards; D. L. Daigle, of St. Hilaire; Emile Nadeau, of St. Francis, and Cyprien Martin, of St. Basil. The secretary is T. Hebert, of Edmundston.

Praise for Mr. Tweeddale

Dr. J. W. Robertson, Canada's leading agricultural expert, in a letter to Hon. J. F. Tweeddale, speaks in the highest terms of the effort made by the government of New Brunswick last year to increase agricultural production. The campaign was organized by Hon. Mr. Tweeddale there was a ready response by the farmers, and the result was most gratifying.

Get Rid of Bronchitis.

Mr. W. H. Walker, Calmar, Alta. writes: "I am pleased to say that Dr. Chase's Syrup of Linseed and Turpentine has done much good to myself, wife and children. My eldest girl, 7 years, had bronchitis and the doctor who attended her did not seem to do much good. We got Chase's Syrup of Linseed and Turpentine for her and she soon got well. We always keep this medicine in the house now ready for use and find that it soon cures coughs and colds."

THINGS THAT GROW DOUBLE

Franks of Nature That the Wisest of Men Find Some Difficulty in Explaining.

Nature does some strange things in the formation of vegetables, nuts and different kinds of fruits, an exchange states. It is quite common to find two or more growing together, and naturalists frequently run across some very curious freaks.

Double ears of corn are quite common. They grow side by side, and are sometimes of equal size; but usually one has a little better chance to grow and gets the advantage over the other. A double ear on exhibition in one of the Western states was certainly a curiosity. One side was one variety of corn, while the other side was so different that it was hard to believe the two had grown so close together.

Double heads of wheat are quite common, but double grains are scarce. Grains of rice, however, are often double, and the same is true of rice.

Onions, radishes, beets, carrots, turnips, cabbages and other vegetables are often found in double form.

The prettiest specimens of double peaches are those with two seeds, as they are most distinctly double, being joined at a point about half-way from the stem of the blossom ends.

Perth Locals

Theodore H. Armstrong, one of the oldest and most highly respected residents of Middle Perth, passed away at his home at an early hour on Friday morning as the result of a paralytic stroke which he had suffered in the early fall, and from which he had never recovered. He had been in poor health for a number of years, therefore his death was not unexpected. His age was 68 years. He was one of the ten children of the late Stillman and Maria Armstrong, seven of whom are living, namely, Franklin Armstrong of Fort Fairfield, Albert formerly of this place but now of Lowell, Mrs. Fulton of Lowell, Mrs. Elizabeth DeMerchant, Tobiasse Narrows, Mrs. Bradford Lovely of this place, Mrs. C. H. McLaughlin and Mrs. E. W. Cox of Kilburn. An older brother, Wilbert Armstrong of Fort Fairfield, died about three years ago and a sister, Mrs. James Stewart, about 25 years ago. The deceased leaves besides his widow, who was formerly Miss Crockett, five sons: The oldest, Judson Armstrong of Vancouver, David and F. I. Appropriate music was rendered by Mrs. Nellie Anderson, Mrs. M. L. Wright, Mrs. A. G. Ganter, Miss Dorothy Olmstead, C. L. Olmstead,

Among those from a distance attending the funeral were Franklin Armstrong a brother, Almon, Thomas and Millage Armstrong of Fort Fairfield, Henry Armstrong of Caribou, and others, and Mr. and Mrs. C. E. DeMerchant of South Tilley.

Many friends here of Mrs. Elijah Shaw of Bath, formerly Mrs. Esther Lovely of this town, will hear with deep regret of her death at her home on Sunday, after a long illness. The funeral will take place at the Larlee Creek church on Tuesday.

William Kerr Has New Appointment

The following article from The Telegraph concerns a former Hartland man, well known all over the two counties:

The duties of the office of provincial superintendent of immigration will be carried out by William Kerr until the first of next month, when Fred E. Sharpe, who has been appointed to that position will take office. Meanwhile Mr. Kerr is looking after such matters connected with the Soldiers' Settlement Board as will not wait until the board's office is opened.

Mr. Kerr resigned from the office of superintendent of immigration in order to accept the federal government appointment as assistant to Lieutenant Robertson, maritime provinces representative of the Soldiers' Settlement Board. The provincial government was requested to accept his resignation by Lieutenant Robertson, who was anxious to secure his services and Mr. Kerr desired to take up this work, for which his previous experience has fitted him, and he was released and Mr. Sharp appointed in his place.

Widow of Joseph McGee Dead.

On Wednesday, of last week there died at Union Hospital, Fort Fairfield, Mrs. Maria Elizabeth McGee, widow of Joseph McGee, Esq., a life-long resident of Somerville. After her husband's death, which occurred about nine years ago, Mrs. McGee went to Fort Fairfield and lived with her daughter, Mrs. Frank T. Kimball. Until recently she enjoyed fair health. A few weeks ago she suffered a fall and fractured a hip, and she never recovered from the shock. Besides Mrs. Kimball (Blanche) she is also survived by another daughter, Eulogie, wife of Eric Nelson of Arlton, Mass. Frank E. McGee of Madison, Me., and William McGee of Montana are sons. Deceased children are D'Arcy, Adelaide, Mont, Max, George and Charles. Mrs. McGee is very well remembered here and was highly respected. She was a good mother and a woman of clever mind. She was born in Hodgden, Me., 77 years ago. Her remains will be brought to Hartland for interment when spring opens.

For Baby's Tender Skin.

A child's skin is tender as well as beautiful and eczema may be caused by chafing of clothing, the use of poor soap, exposure to cold or sudden change of temperature. Probably no treatment for eczema has ever proven so successful as Dr. Chase's Ointment, and this applies particularly to baby eczema. This ointment is delightfully soothing, stops the itching and consequently prevents scratching. Gradually the sores are healed up and the skin is left soft and velvety.

Mrs. Patrick Kennedy.

Friends will be sorry to learn of the death of Mrs. Patrick Kennedy which occurred at her home at Lakeville on Wednesday afternoon of paralysis, aged 61 years. She is survived by her husband and one daughter, Miss Charlotte L. Kennedy, at home, and five sons—Edward J. of Centerville, John C. of Lakeville, Sergt. Olo

Salvation Army Drive Going Strong

Cetleton County will go well over the ton in the Salvation Army drive for one million dollars for soldiers' relief work. Windsor was the first district in Brighton to subscribe its full allotment. The town of Hartland, which was allotted \$150, had last evening subscribed and paid well over \$200.

WOMEN'S INSTITUTE

The Woman's Institute met in the Armory on Monday evening after a lapse of two months owing to the influenza epidemic. After the usual opening exercises, several communications were read, one from the Secretary Soldiers' Comforts Association, St. John, saying that a cable had been received from Shorncliffe, England, advising that no more supplies be sent across, but money was required for special comforts for the boys who are holding the lines. It was voted that we send some financial aid; \$5. was also voted for the Red Shield movement of the Salvation Army. The Institute by a unanimous vote placed itself on record in favour of medical inspection in public schools and as a means of co-operation, we endeavour to interest our town and County councillors in the adoption of such legislation. It was decided that our next regular meeting Feb. 17th be a "Gentlemen's evening" when the members will entertain their husbands and other gentlemen friends, including all returned soldiers in our town. The W. I. intends giving another of their pleasing entertainments in the near future.

New Brunswick Has Best Trunk Road Plans

B. M. Hill, Highway Engineer for New Brunswick, has returned from Ottawa where he was with Hon. P. J. Veniot, Minister of Public Works, for a conference with D. W. Campbell Dominion Highway Commissioner. Mr. Hill feels greatly encouraged by the reception given by Mr. Campbell and believes that Federal assistance for improved roads is coming. The great increase in the number of motor vehicles is an important factor in the highway situation. Mr. Campbell had received delegations from the other provinces prior to the visit of Hon. Mr. Veniot and Mr. Hill. He stated that New Brunswick had the best outlined plans for trunk roads and sub-trunk roads of any of any province with the possible exception of Ontario.

Keep Them Smiling

Soldiers Home Coming Campaign

The "Welcome" sign still hangs high on the doors of the Salvation Army Hostels. Help them to keep it there! While our soldiers have need of the comforts—spiritual as well as bodily—DON'T shut the door in the boys' faces—Keep them smiling!

The Salvation Army appeals for a Million Dollars for the boys who won the victory. This is the first time the Salvation Army has made a general appeal for its work. We urge you now, for the sake of the soldiers, and as a VITAL factor in the solution of Canada's Reconstruction problems, send the Homecoming of her boys, to give and to give liberally! Our men in Khaki may not all be home for another year. While there is a company of Canadians in uniform over there or over HERE, there is work for the Salvation Army. Let's see! The weary waiting and the relaxed discipline spell dangers that MUST be guarded against. A happy smile and a comfortable body help to keep trouble at a distance. Do not let the Hostels shut for lack of funds!

The Salvation Army Million Dollar Fund

January 19th to 25th

"First to Serve—Last to Appeal"

A WORD ABOUT THE HOSTELS!—Have you ever been inside a Salvation Army Hostel? If not, ask a returned man about the Hostels in Paris, London, Toronto, Hamilton, or any others that he has stayed in over HERE. Let HIM tell you about the REAL beds, the home cooking, the fried eggs, and hot coffee—and hot baths. If he knows you very well, he may give you a hint about the original comfort the Salvation Army Hostels give these men in from home and all it means!

FERTILIZER

Order Early Ship Early

Whatever may be the conditions as to general business due to the ending of the war, there is nothing unsettled as to the farmer and his supply of Fertilizer.

Twenty million tons of food must be shipped to Europe this year, and the Maritime Provinces must do their share. The spring will not wait to see how things are going to turn out but the planting must be done or there will be no harvest.

There is today probably not more than half the fertilizer in Canada her crops require. The last three years has seen a great shortage, with every ton sold before the planting season began. There are no indications that this season will be an exception.

Late Ontario market reports show a slump in the price of pork from 22 to 17 cents per pound. In the United States the price has been fixed by the government at 17 cents until February 1st and this will be the means of maintaining the price in Canada at that figure. After February 1st a further slump is looked for as there is but little demand now for pork products in the old country.

The farmers have become greatly exercised over the question of larger markets and high priced fertilizer. Petitions are being signed and already some of them have been forwarded to the government. The petitioners ask for a commission to investigate the high price of fertilizer and also ask that an embargo be put on all non-perishable goods until the perishable ones have been first shipped to Europe.

An Open Letter to My Customers :

Now that the war is over business should be better than ever. Everything needed for men's sustenance will be required in large quantities.

There are armies to be fed—armies of Allies, armies of Prisoners, armies of disabled men, multitudes of destitute people throughout Central Europe, Russia, The Balkans, etc., need food. It will be a year or two before the supply of food will meet the world's demands. That means continued prosperity on the farms. Eggs, Butter and Poultry, Hay and Oats will never again be down to the prices they used to be. And on the other hand the things the farmer has to buy are not going to tumble in a hurry. Don't put off buying things are going to be cheap. The things you require are needed more in Europe than here. But wages will keep up as men of all occupations are needed and one thing will even up the other. Although prices have been high since the war commenced people in Canada have never made so much money or found it easier to get along. We are stocking up with new Spring Goods! Come and see Us!

VICTIMS OF LA GRIPPE

Left Weak, Disheartened and An Easy Prey to Other Troubles. A Nova Scotia Man Tells How He Found New Health and Strength.

If you have had an attack of la grippe, or Spanish influenza you are not out of danger until your blood is restored to normal.

Influenza leaves behind it weakened vital powers, thin blood, impaired digestion, and over-sensitive nerves. In this condition the system becomes an easy prey to deadly pneumonia, bronchitis, nervous prostration, rheumatism and even consumption. Ask anyone who has had an attack of influenza what their present condition of health is and most of them will answer "Since I had the grippe I have never been really well." This general feeling of weakness will continue until the blood is built up again, and for this purpose nothing is equal to a fair treatment with Dr. Williams' Pink Pills. From first to last these pills make new, rich, red blood which reaches every organ and nerve in the body, and through this weak, despondent victims of influenza are transformed into cheerful, healthy, happy men and women.

Among the many victims of la grippe who proclaim the value of Dr. Williams' Pink Pills is Mr. Amos Kaulbank, of Petite Riviere, N. S., who says:—"I was taken down with a severe attack of la grippe or influenza. After a time the early symptoms of the trouble left me, but I did not regain my usual strength, and I had always been a strong man. There were times when I felt I could hardly crawl about and I was so run down I could scarcely go about my business. I continued taking medicine but it did me no good. Then I found the trouble was affecting my digestion and the disagreeable feeling from this added to my general misery. I was finally advised to take Dr. Williams' Pink Pills, and I decided to try them. I had only been taking the pills a few weeks when I found my strength returning, my appetite improved, and still continuing the use of the pills a few weeks more found me restored to my old-time vigor. I can most strongly recommend Dr. Williams' Pink Pills to all who have passed through an attack of influenza, as a safe medicine for renewing their strength."

You can get Dr. Williams' Pink Pills through any dealer in medicine, or by mail at 50c a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brookville, Ont.

ONE CAUSE OF HIS SUCCESS

Letter of Charles Dickens Reveals Cause Which Great Writer Gave His Books and Readings.

In a recent sale of Dickens' autographs in London this letter, written while he was in the United States, appears:

"I should never have made any success in life if I had been shy of taking pains, or if I had not bestowed upon the least thing I have ever undertaken, exactly the same attention and care that I have bestowed upon the greatest. Do everything at your best. It was but last year that I set to and learned every word of my Readings, and from ten years ago till last night I have never read to an audience but I have watched for an opportunity of striking out or inserting somewhere. Look at such of my manuscripts as are in the library at Gads' and think of the patient hours devoted to their preparation. I have never been in a hurry. The weather is very severe here, and the work is very hard. Debby (his manager) having been violently pitched into by the mayor of New Haven (a town at which I am to read next week) has gone off boldly this morning with defiant, written instructions from me to inform the said mayor that if he fails to make out his case he (Debby) has to return all the money taken, and to tell him that I will not set foot in his jurisdiction, whereupon the New Haven people will probably fall upon the mayor in his turn and lead him a pleasant life."

Neighboring Amateurs.

Joe Tibbels, hunter of polar bears, polar stars, aurora borealis, and other wild and curious natural phenomena, including ducks, swans and wild rabbits, may be found at sundown and sundown with his trusty pruning knife and safety shears pruning and skaring all his plants and flowers, and Henry Thompson, his neighbor, says: "If Joe would only let nature take its course, the things that intended to come up this spring wouldn't wait until next fall." But Joe says: "I guess I know more about dandelions and pedregers than Henry does. Why, just look at that stem of the dandelion of a yellow bear I shot on the side of the house; he couldn't shoot a thing that looks like that even if he had a gun," and Henry in one of his dulcet neighborly tones replied: "I wouldn't use a gun to shoot at a thing like that," and disappeared through a slim crack in the fence with his snatched cigar.—Milwaukee Journal.

PARLIAMENT

The call of Parliament to meet on February 20th puts a stop to all speculation about the possibility of a general election. There can now be no dissolution at least until a parliamentary discussion has shown what Parliament itself wants. There is much important war and after-the-war business yet requiring attention, and if the politicians would forget about politics and think only of the solution of those problems, the union government would do the work in hand far more satisfactorily than can any party administration. Hon. J. A. Calder, in an address before the Canadian Club at Toronto, a few days ago, not only denied that early election was contemplated, but declared there would be no appeal to the electorate until all our men are home from overseas. The plain meaning of that statement is that the government has accepted the mandate of a year ago as an expression of the public desire that union government should deal not only with the war itself, but also with the problems arising out of the war. Although recent happenings have given unmistakable indications that some former supporters of union government, Conservative as well as Liberal, do not support this view, it probably is the view entertained by a great majority of those elected as unionist, and will continue to hold them together at least until some very clear-cut party issue forces a cleavage on distinct lines of thought. The tariff is the issue generally expected to cause a parliamentary split. It is plain that both free trade and protectionist forces are preparing for a great struggle on that issue, perhaps during the coming parliamentary session, precipitating the break-up which eventually must come. In any event, the activities of Sir Wilfrid Laurier on the one hand, and of Hon. Robert Rogers on the other tend to prepare the public mind for a very lively and interesting parliamentary session.—St. John Globe.

HUSBAND SAVES WIFE

From Suffering by Getting Her Lydia E. Pinkham's Vegetable Compound.

Pittsburgh, Pa.—"For many months I was not able to do my work owing to a weakness which caused backache and headaches. After taking two bottles I felt fine and my troubles caused by that weakness are a thing of the past. All women who suffer as I did should try Lydia E. Pinkham's Vegetable Compound."

—Mrs. J. S. Roumanoff, 600 Knapp St., N. S., Pittsburgh, Pa.

Women who suffer from any form of weakness, as indicated by displacements, inflammation, eruptions, irregularities, backache, headaches, nervousness or "the blues," should accept Mrs. Robert's suggestion and give Lydia E. Pinkham's Vegetable Compound a thorough trial.

Johnston, on the behalf of those present, in a fitting address presented her with a gold watch, a cabinet and purse of gold, as a token of their appreciation of her unflagging zeal in her duties as organist. Miss Estabrooks thanked the donors for their thoughtfulness, and short addresses were made by Deacon Crouse, Mrs. Johnson and others. The remainder of the evening was spent in games and a joyous sing-song in which all heartily participated.

Campbell and Norris DeLong, instrumental music by Mrs. Ward B. Webb; Miss Leah Crouse and Miss Estabrooks. A particularly pleasing number was a solo by Miss Dorey C. Burt, entitled, "The Little Gray Home in the West." A Scotch solo by Mrs. Johnson was well received. The musical part of the program was arranged by Mrs. Johnson and all present were delighted with the entertainment.

A hearty vote of thanks was tendered Rev. S. Johnston by those present for taking the initiative and there by affording them an opportunity of expressing their gratitude in a tangible way to Miss Estabrooks for her faithful services. After spending a most enjoyable evening, all joined in singing Auld Lang Syne, and the National Anthem.

Card of Thanks

I take this opportunity through the columns of The Observer to thank the members and friends of the United Baptist church of Centreville, who met at my home, Jan. 14, for the presentation through the pastor, Rev. S. Johnston, of a very handsome music cabinet, also a hymnal and a gold piece in appreciation of my services as organist for the past number of years.

GENUINE SURPRISE AT CENTREVILLE

Organist of United Baptist Church
Remembered with Handsome
Gifts.

The hospitable home of Mr. and Mrs. B. B. Estabrooks was invaded on Tuesday evening by a number of the friends of their daughter, Miss Jean, who for the past ten years has so faithfully and efficiently served as organist of the United Baptist church. After a social half hour was spent Rev. S. Johnston in a few well chosen and happy remarks, presented Miss Estabrooks, on behalf of the members of the United Baptist church and choir, with a band, some mahogany music cabinet, a piece of gold and a leather bound music folio.

Miss Estabrooks, although deeply affected and almost overcome, was equal to the occasion, and thanked the donors in a very pleasing manner.

B. B. Estabrooks, in a neat speech, expressed his gratitude on behalf of his daughter for the gifts and the kindly thought which prompted the givers, after which E. M. Crouse, Mrs. Johnson, Mrs. W. R. Harold, J. D. McLean, Mrs. Alexander and many others took the opportunity of expressing their appreciation of Miss Estabrooks' faithful work.

A splendid program was rendered, which consisted of solos by Mrs. Johnson and Miss Dorey C. Burt; duet by Mrs. Johnson and Miss Laura Burpee; a Swedish solo by Severn Berg; quartette by Mrs. Johnson, Miss Burpee, Mrs.
