A MILLINER'S CARD.

When lovely woman longs to marry,
And snatch a victom from the beaux,
What charm the soft design will carry,
What art will make the men propose?
The only art, her schemes to cover,
To give her wishes sure success—
To give her to fix a cartive lover.

To gain, to fix a captive lover,
And 'wring his bosom' is—to dress.

'She's secret as the grove! allow,'
'I do —I cannot doubt it;
But 'tis a grave with tombstones on,
That tells you all about it."
A Grahamite in Cincinati arguftes thus:
If wine is poison' so is tea—
Only in another shape?
What matter whether one is killed —
By cannister or grape.

general, it was common to tringthem with unches of artifical wheat, or barley, in ear

sorts of subjects-the voluntary system-English travellers, and their reports--the Lord Durham appears to have got into a state of the arts in America—aristocracy and scrape with the lawyers, and not only Lord mobocracy—Canadian politics—smuggling Brougham but Lord Lyndhurst-and the -lactories -church establishments-in short Brougham but Lord Lyndhurst—and the Lords concur with them—condemn the punishment of the State prisoners to Bermuda
without a trial, but say they cannot be kept
there a moment. Lyndhurst said in the
House of Lords, that the prisoners have a
lègal remedy not only against Lord Durham,
but Admiral Paget who brought them; and
the expatriation of Papineau, Brown and
Callegban without trial he condemns as O'Callaghan without trial, he condemns as opinion that the United States take the lead monstrous. He says they can go back when of the whole of the civilized earth. All this they please in defiance of the ordinance, a greater part of Peers also admitted all this Again it was admitted on all sides, even by the ministry, that Lord Durham had no pow-This discussion created a great deal of tangled; and whenever he finds himself

Lord Melbourne rose, and said

"He thought it would be most respectful one of the most reagations as well as amusing to their lordships, and convenient to the writers of his time and country. It may enhouse, at once, to state the course he meant to pursue in the committee on this bill.— that the further is said to be now in London.

rebellion against the mother country, and mons on the Post Office, have come to the which was undoubtedly bent on the dismem- resolution to make two pence the uniform berment of the empire. Their lordships rate of postage all over the country, for lettright depend upon it such would be the practical effect of ther conduct, and was the

device the bill was carried through an additional stage the same evening, for had any amendment whatever been introduced in the sales between extensive for exportation, included in the consequence extensive for exportation, including a 5000 bbls principally of Western consequence extensive for exportation, including a 5000 bbls principally of Western consequence extensive for exportation, including a 5000 bbls principally of Western consequence extensive for exportation, including a 5000 bbls principally of Western consequence extensive for exportation, including a 5000 bbls principally of Western consequence extensive for exportation, including a 5000 bbls principally of Western consequence extensive for exportation, including a 5000 bbls principally of Western consequence extensive for exportation, including a 5000 bbls principally of Western consequence extensive for exportation, including a 5000 bbls principally of Western consequence extensive for exportation, including a 5000 bbls principally of Western consequence extensive for exportation, including a 5000 bbls principally of Western consequence extensive for exportation, including a 5000 bbls principally of Western consequence extensive for exportation, including a 5000 bbls principally of Western consequence extensive for exportation, including a 5000 bbls principally of Western consequence extensive for exportation, including a 5000 bbls principally of Western consequence extensive for exportation, including a 5000 bbls principally of Western consequence extensive for exportation, including a 5000 bbls principally of Western consequence extensive for exportation, in the course of the most of the state of the same stitute of the same stitute. The public meeting on Wednesday last, on the subject of Religions Public meeting on Wednesday last, on the subject of Religions, in the public meeting on Wednesday last, on the subject of Religions, with the public meeting on Wednesday last, on the subject of the found the found in the course of the found the fou

if he were among them, they would devour the Majesty's subjects on a footing of perior stlence. Lord Melbourne might well say that their conduct was not only imprudent 3—That, therefore, we feel it to be a duty that their conduct was not only imprudent but unpatriotic. It proves that they care nothing for the Canadas, nor for the well are of Engladd herself, when weighed against the advancement of their own selfish and party purposes. From the moment of Lord Durban's nomination to the high duty in which the canada who wishes for the peace are propagated. he is now engaged-a duty in the performan prosperity of the Colony, to join with us in ces of which he makes sacrifices, personal our protest.
and pecuniary, such as they would be the lest 4.—That the welfare of the country impe and pecuniary, such as they would be the lest to encounter, they have careed and cavilled at every thing he has said or done, with a bitterness and malignity that no honourable mind could exhibit; and have gone beyond no longer a bone of contention, a bar to imthe Tory press itself, abusive and unscrupuloss as it is, in misieprepenting his conduct, and endeavoring to defeat, his measures.—
They condemn before they know, and if they could, would gladly compel birs to abandan ance of a general and imperial system of Education perassage recovery. In 1817, when straw bonnets first became

could, would glaidly compel him to abandon his tension, reckless of the consequences to the colony or the kingdom.

Happily for the Canadas, we believe that Lord Durham will not gratify them by deserting the arduous post which at the pressing instance of his sovereign he has assumed—

Intelligent observers in this country, being some thousands of miles nearer his point of action than are his maligners in England, and we may say without presumption, conmaking by the Church party both in Fagland. Our barns are now transferred to drawing rooms, And husbands who indulge in active lives, To fill their granaries may thresh their waves?" A Fine Words on Slavery.—Every critter and we may say without presumption, considerably better acquainted with the circumstances among which he has to act, are better able to appreciate his measures and their tended in infancy, sickness, and old age, and has spare time enough given him to airo a good deal, too. A married woman if you come to that, is a sixe, cail her what you will—wife, woman, angel, termigant, or devil, she's a slave; and, if she happens to get the upper band, the husband is a slave; and that are his maligners in England, and this country, or the unscriptions efforts now making by the Church party, both in Fogland and this country, or the lact, that a general system of Education is about to be established: we all ke see the necessity of standing the fullest confined that the fullest confined that the following sentions, are those which we have conscientions order out of claos in the lower province; that the properties of the unscriptions and this country, or the unscriptions and this country, or the fact, that a general system of Education is about to be established: we all ke see the necessity of standing the fullest confined that the fullest confined that the following sentions and this country, or the fact, that a general system of Education is about to be established: we all ke see the necessity of standing that this time to testify temperately. But the British Government, that the full that the principles embodied in the foregoing Resolutions, are those which we have conscientions order out of claos in the lower province; that the share the circumstance among with the circumstance and this country, or the fact, that a general standing by the Church party, both in Fogland and this country, or the fact, that a general standing by the Church party, both in Fogland and this country, or the fact, that a general standing by the Church party, but his country, or the fact, that a general standing by the Church party, but his country, or the fact, that a general standing by the Church party, but t not conceal them themselves—at all events, it was his duty not to conceal from them—that great interests were at stake, and that consequences the most serious might result from the course which their fordships had asked upon this subject.

The river as Beler, the nearest point to due not help thinking, too, that the course adopted by their fordships might be construed into taking a decided part and making a decided part and part confidence which shall ensure the confide

or one thing the people of England and of The Halilax Roya! Gazette of Wednesday THE CANADAS.

From the Montreal Courier Sep. 13.

The tender solicitude for our liberties and welfare which certain parties in the Imperial measures are defeated by the factions opposite the provinces may be very sure. That if he st, says:—"Major Head, who arrived here welfare which certain parties in the Imperial measures are defeated by the factions opposite the courier state of Durham to inquire the courier that Earl of Durham to inquire the courier state of the course state of the courier state of the courier state of the co tion they encounter, there will be little charice into the operations of the Crown Land Sys
