BEAVER BOARD
If you are building or going to complete some unfinished rooms, let us show you some colored samples, illustrating the beautiful color effects obtained by using this sanitary and durable board for walls and ceilings in all classes of buildings.
We carry a large stock in assorted sizes.

MAIL ORDERS.
We solicit out of town orders which receive our personal attention. The length of time taken to fill orders is governed very largely by how busy we are in the department of our factory in which the particular goods are made. While we have exceptional facilities for promptly turning out goods, it is important to place orders as far ahead as possible. Orders are filled by us in the rotation in which they are received, and customers can always depend on our doing everything in reason to give prompt despatch.

Our Office is connected with the N. B. Telephone by two separate lines insuring prompt attention.
Office Hours—7 A. M. to 6 P. M.

CENTRAL BOOK STORE

Wendall P. Thompson.

Many friends throughout the province will join with the citizens of Campbellton in mourning the death of Wendall P. Thompson, who died at his home here early Monday morning.

Deceased, who was in his 28th year was a general favorite among the boys and his drug store was a favorite place when business was quiet, for the discussion of problems and the war. His cheery ways made him friends everywhere and upon all sides. Early last week he was stricken with pneumonia and despite careful nursing and medical attention he gradually grew worse. He is survived by his mother, two sisters, Mrs. John White of this town and Mrs. Benj. Robinson of New Carlisle and three brothers, William A. of Minneapolis, Mass., Arthur B. of Stoughton, Mass., and Fred A. of Portsmouth, N. H. The bereaved have the sympathy of all.

The funeral services were held Tuesday afternoon and because of the health regulations were held out of doors. Rev. Hugh Miller conducted the services and they were largely attended. The pall-bearers were Alex. McLennan, A. A. Andrew, C. A. Alexander, F. J. McRae, Jas. Woodworth, and B. J. Collier.

Mrs. Edmund Langlois.

The death of Mrs. Edmund Langlois, wife of Fireman Edmund Langlois of the C. G. R. took place Saturday morning at the temporary hospital, of pneumonia. Deceased is survived by her husband and a child of ten months.

Mrs. Joseph C. Caron.

The death of Mrs. Joseph C. Caron, occurred Tuesday night, after a few days illness of pneumonia.

Miss Helen Hogg.

Mr. and Mrs. Robt. L. Hogg will have the sympathy of all in the death of their bright little three years old daughter, Helen, which sad event occurred Tuesday night, after a few days illness of pneumonia.

Mrs. Joseph C. Caron.

The death of Mrs. Joseph C. Caron, occurred Tuesday night, after a few days illness of pneumonia.

MANY DEATHS FROM PNEUMONIA

Campbellton mourns the loss of Citizens During the Past Week.

During the past week Campbellton has been called upon to mourn the loss of several of its citizens who died from pneumonia.

George Oliver Killam.

Friday afternoon Mr. George Oliver Killam, son of Mr. and Mrs. Chas. Killam passed away after a short illness. He was stricken with pneumonia on Wednesday and despite all that medical treatment and good nursing could accomplish he passed away as above stated. The late Mr. Killam who was in his 26th year was a locomotive engineer on the C. G. R. and was looked upon as one of the most careful and faithful drivers upon the road.

Deceased leaves to mourn the loss of a kind and devoted husband and father a bereaved wife and two small children, Hazel, 2 years, George, 1 month; to whom the sympathy of the community is extended in this their hour of sore bereavement. He is also survived by his parents, Mr. and Mrs. C. A. Killam, one brother, Arthur, and one sister, Mrs. H. V. Ramsay.

Only recently, a brother, Charles, was killed in action in France and the bereaved family have the heartfelt sympathy of all.

The funeral services were held on Sunday afternoon, Rev. Mr. Rowley assisted by Rev. Hugh Miller and Ensign Squarbriggs officiating, and was particularly largely attended, citizens generally being in attendance to pay their last tribute of respect to the departed. The various railway organizations attended in a body.

The floral offerings were many and beautiful testifying to the general high esteem in which this young man was held. Among them were:

Wreath—From wife and family.
Wreath—Father, mother, sister and brothers.

Wreath—Mr. and Mrs. J. C. Smith and Family.
Wreath—Mrs. P. Mullins and Mrs. H. Sharpe.

Wreath—Mr. and Mrs. S. R. Shirley and family.
Wreath—Members of Snowdrift Division 138 B. of L. E.

Wreath—Lodge 448 I. A. of F. M. Shield—G. I. A. & B. L. E.
Fern Spray—E. B. Price.

Wendall P. Thompson.

Many friends throughout the province will join with the citizens of Campbellton in mourning the death of Wendall P. Thompson, who died at his home here early Monday morning.

Deceased, who was in his 28th year was a general favorite among the boys and his drug store was a favorite place when business was quiet, for the discussion of problems and the war. His cheery ways made him friends everywhere and upon all sides. Early last week he was stricken with pneumonia and despite careful nursing and medical attention he gradually grew worse. He is survived by his mother, two sisters, Mrs. John White of this town and Mrs. Benj. Robinson of New Carlisle and three brothers, William A. of Minneapolis, Mass., Arthur B. of Stoughton, Mass., and Fred A. of Portsmouth, N. H. The bereaved have the sympathy of all.

The funeral services were held Tuesday afternoon and because of the health regulations were held out of doors. Rev. Hugh Miller conducted the services and they were largely attended. The pall-bearers were Alex. McLennan, A. A. Andrew, C. A. Alexander, F. J. McRae, Jas. Woodworth, and B. J. Collier.

Mrs. Edmund Langlois.

The death of Mrs. Edmund Langlois, wife of Fireman Edmund Langlois of the C. G. R. took place Saturday morning at the temporary hospital, of pneumonia. Deceased is survived by her husband and a child of ten months.

Mrs. Joseph C. Caron.

The death of Mrs. Joseph C. Caron, occurred Tuesday night, after a few days illness of pneumonia.

SOMETHING NEW IN ENTERTAINMENT

Chautauqua To Come Here Next Season For Three Days.

Campbellton will next year have the privilege of enjoying the three days program of lectures and entertainment provided by the country-wide famous organization known as Chautauqua. This organization has been in existence in the United States for a number of years and has been so developed that it is considered a fixture in the national life. President Wilson referred to the great work being done by Chautauqua as a national institution since the United States entered the war, and impressed upon the leaders of the movement the great necessity of continuing its activities throughout the country unimpaired by any and all exigencies which might arise.

During the past season Chautauqua has been conducted in a number of New Brunswick towns and has been received so enthusiastically that arrangements have been made for its return next year. Several new towns are being added to the circuit for next year, among which is "Campbellton." Dr. Wm. F. Bohn, a lecturer of experience and at present acting as an organizer, was here during the past week and succeeded in securing a number of prominent citizens as a local committee of management for the appearance here of Chautauqua next autumn. This committee is to take charge of all local arrangements dispose of tickets and have everything ready for the three days programme when the Chautauqua players arrive. This committee consists of the following:

Chas. A. Alexander, W. F. Napier, Rev. Hugh Miller, H. B. Anslow, Rev. J. F. Rowley, B. J. Collier, D. C. Firth, R. H. Wilson, A. H. Ingram, W. F. Yorton, R. A. Black, E. A. LeGallais, A. A. Andrew, W. R. Fitzmaurice, D. R. McRae, J. S. Christie, D. E. Richards, H. R. Smith, W. P. Gray, J. S. Benson, M. A. Kelly.

DR. MICHAUD DEAD.

Many friends here will regret to learn that Dr. Michaud of Bathurst died Sunday. Deceased had been ill for some days with pneumonia, after an attack of influenza. He was Mayor of Bathurst for two years, and was a very clever and popular physician.

occurred at the hospital on Sunday morning from pneumonia. Deceased is survived by her husband and five small children.

Mrs. F. Belanger.

In the death of Mrs. F. Belanger which occurred at her home on Sunday afternoon Campbellton loses another of its esteemed citizens. She leaves to mourn the loss of a kind and devoted wife and mother a bereaved husband and several grown up children.

Mrs. Edward Thibideau.

The death of Mrs. Edward Thibideau took place at the hospital here Sunday afternoon of pneumonia. Deceased is survived by a husband and nine children who have the sympathy of all in their sad bereavement.

Mr. Harold Campbell.

Mr. Harold Campbell, aged 19, passed away at the hospital on Sunday evening after a few days illness from pneumonia. Deceased was a resident of Black Cape, but for sometime past has been residing in Campbellton, being employed with Mr. Price delivering ice. The funeral service which was held yesterday morning Ensign Squarbriggs officiating was largely attended. Interment was made in the Rural Cemetery.

Miss Helen Hogg.

Mr. and Mrs. Robt. L. Hogg will have the sympathy of all in the death of their bright little three years old daughter, Helen, which sad event occurred Tuesday night, after a few days illness of pneumonia.

Mrs. Joseph C. Caron.

The death of Mrs. Joseph C. Caron, occurred Tuesday night, after a few days illness of pneumonia.

NEW REGULATIONS FOR SUBSTITUTES

Consumers Must Now Use Substitutes in Every Baking of Wheat Flour.

The Food Controller has issued a new regulation under order No. 67 in respect to the sale and use of wheat substitutes as follows:

"Substitutes" when sold to whole sale, retailers and consumers shall mean pure and wholesome barley, rye, oats and corn flour.

No dealer shall purchase any wheat flour who does not at the same time purchase substitutes in the proportion of 1 pound of substitutes to every 4 pounds of wheat flour, except such dealers holding a permit and such manufacturers for use in his factory only.

Every consumer is required to mix with each baking one pound substitutes for every four pounds of wheat flour.

Previous notices, oats, rice and some other articles were allowed as substitutes. This has been done away with and now some form of flour substitute must be used.

SITUATION STILL SERIOUS HERE

Nine New Cases Admitted to Hospital Yesterday—Ten Pneumonia Cases.

The influenza epidemic is still serious here, with a large number of new cases being reported daily. Nine new cases were sent to the temporary hospital yesterday. This makes forty-two cases cared for, of which ten are pneumonia patients, and two of these are very bad.

To-day nine deaths have resulted here and two at the Mission. With better understanding of the disease fewer cases of pneumonia are developing. The doctors are impressing upon all the importance of taking proper care of every case, no matter how mild. The low death rate is certainly encouraging.

Throughout the town there are still some cases which need the care of a woman and help is always in demand at the temporary hospital. Volunteers are asked to notify His Worship Mayor Alexander, when they will be assigned duties.

The sisters in charge of the hospital, the Board of Health and the committee which has been looking after the hospital are very grateful for assistance rendered during the past two weeks. The Sisters also wish to thank the many citizens who have sent delicacies to the hospital for the patients. They also specially desire to thank Mr. Irvine Floyd who has for this week been supplying all the beef used at these institutions free of charge.

As a whole it is thought that, so far as the town is concerned, the worst is over and things will from now on be on the mend.

In the surrounding districts reports are reaching town that the epidemic is spreading. In the lumber camps up river along the I. N. R. a number of cases have been reported, and some of the cases sent to the hospital are from this district.

Camp bosses are disinfecting their camps and endeavoring to stamp out the disease. Large supplies of medicines have been sent up the line and every care is being taken to guard against pneumonia.

NEWSPAPERS HARD HIT BY THE WAR

850 Have Suspended and 250 Have Had to Consolidate.

Chicago, Oct. 22.—The war's effect upon newspapers was told to-day at a meeting of the Inland Daily Press Association.

H. N. Kellogg, chairman of the Special Standing Committee of the association, asserted that labor conditions had forced the consolidation of 250 daily papers in the United States and the suspension of 850 papers since the war began.

EXPLOITS OF THE CANADIANS

Artillerymen Distinguish Themselves at Cambrai.—Utter Contempt of Death.

With the Canadian Forces in the Field, Oct. 22.—(By J. F. B. Livesey, correspondent of the Canadian Press.)—Some remarkable exploits were performed by Canadian gunners during the battle of Cambrai. In storming the Canal du Nord on the morning of September 27, it was of the utmost importance to have the field artillery right up in support, as failure to make a good crossing near Inchy meant holding up the entire battle plan for the previous day. A lieutenant made a personal reconnaissance along the canal for his battery, and that night took his section of eighteen pounds in front even of our outposts, losing half his horses and ammunition, but being able at zero hour to open fire across the canal with open sights at point-blank range.

During that advance a lieutenant of the divisional column made a reconnaissance under heavy shell fire of the passage across the canal, and then by his persistent disregard of danger and good leadership took a column of wagons forward and established an ammunition reserve depot a thousand yards east of the canal. He kept up the supply there until the bridges were built. Throughout the fighting since August 8 this officer has on every occasion pushed forward ammunition dumps into the thick of the battle, thus enabling the artillery to give immediate support to advancing infantry lines.

On September 8, a captain of a battery followed up the barrage near Stilly and establish his "O-pip" on the right flank of the infantry. Seeing them held up by machine gun fire he went forward, laying the telephone wire and then directed the fire of the battery on houses where an enemy post was ensconced. The infantry at this point had an exposed flank of some thousand yards and were being heavily fired upon by machine guns. Seeing that they had lost their officers, he led the assault, calling upon the infantry to follow, and though wounded in the leg, persisted so long as he was able to hobble.

A sergeant of the first Canadian Signal Company drove the first vehicle across the Canal du Nord, established report with the centre and laid lines under continual heavy fire to brigade and battery positions. Three times in half an hour he re-erected himself wireless aerials which were shot down during these operations. The signaller showed utter contempt of death in making and preserving lines of communication.

HUNTERS RETURNING.

The hunters are returning to town but as yet no reports of moose being shot have reached us. Many deer have been brought out.

LITTLE STOCK IN THIS PEACE TALK

Statement of General the Hon. S. C. Mewburn, Minister of Militia.

Edmonton, Oct. 23.—"I do not take much stock in this peace talk," said Major General Mewburn, Minister of Militia, Tuesday night. "Our answer to the German Government's note should be to redouble our efforts. We shall send over every man and gun and every ton of supplies that we possibly can. Canada will not slacken its energy one moment. That is the best way to obtain peace."

SIR C. FITZPATRICK IS APPOINTED

Official Announcement of His Appointment as Lieutenant Governor of the Province of Quebec.

Quebec, Oct. 22.—Sir Charles Fitzpatrick, Chief Justice of the Supreme Court of Canada, has been appointed Lieutenant-Governor of the Province of Quebec, to succeed the late Sir Evariste LeBlanc. The appointment is confirmed.

Purple Turnips—Gladys Duncan, Howard McDonald, Verner Harquail, Allister McMillan.

Cucumber—Gladys Duncan.

Corn—Verner Harquail.

SPANISH INFLUENZA RAGES IN CANADA

Thousands of Cases Reported With Many Deaths.

THOSE WHO ARE MOST SUSCEPTIBLE TO IT

"FRUIT-A-TIVES"—The Wonderful Fruit Medicine—Gives the Power To Resist This Disease.

The epidemic of Spanish Influenza which played such havoc in Europe, has reached this continent. Thousands of cases of the strange malady have appeared and many deaths are already reported. Surgeon-General Blue of the United States Public Health Service having stated that "Spanish Influenza will probably spread all over the country in six weeks."

Practically every ship which touches our shores from abroad, brings those infected with the disease.

Surgeon-General Blue urges that "the individual take all the precautions he can against contracting the disease by care and personal hygiene." Plenty of exercise should be taken; the diet should be regulated, etc.

Spanish Influenza affects most severely elderly persons and others whose powers of resistance are weakened by illness, work or worry, especially those whose "run-down" or "not feeling up to the mark."

The really great danger from the disease is not so much in the disease itself, as that it often develops into pneumonia.

What everyone needs now is a good all round "fruit-a-tives". This wonderful fruit medicine is not a germ-killer. It is a body-builder; a strength-maker; a blood-purifier; a power in protecting against the ravages of disease.

"Fruit-a-tives" regulates the kidneys and bowels, causing these organs to eliminate waste regularly and naturally as nature intended.

"Fruit-a-tives" keeps the skin active, and purifies and cures the blood. "Fruit-a-tives" tones up and strengthens the organs of digestion, insuring food being properly digested and assimilated.

Everyone can take ordinary precautions, avoid crowded places, and use "Fruit-a-tives" regularly to insure sound direction, to keep the bowels and kidneys regular and the whole system in the best possible condition. Then we are safe from disease.

"Fruit-a-tives" is sold by dealers everywhere at 50¢ a box, 6 for \$2.50, trial size 25¢ or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa, Ont.

Pumpkin—Joseph Dechaine.

Beans—One half pint ripe, Gordon Watling, Murray Black, Dorothy Ingram, Norrine Harquail.

Peas—One half pint ripe, Winice Duncan.

Home Efficiency Exhibit.

One jar each of the following:—

GERMANY DENIES DOING WRONG

Kaiser in Latest Note to U. S. Declares He is Seeking a Peace of Justice.

London, Oct. 21.—The German reply to President Wilson's note, the text of which was received here today by wireless, says Germany hopes the United States will approve of no demand which would be irreconcilable with the honor of the German people and with the opening of the way to a peace of justice.

Germany protests against the reference of the case to the League of Nations and to the League of Nations. The German government says that the German people have been purposely destroyed lifeboats with passengers. The German government says that the facts be cleared up by neutral commissions.

Germany has demanded that submarine commanders be punished for the torpedoing of passenger ships.

The German government says that President Wilson that an opportunity be brought about for fixing the details of the evacuation of occupied territories.

Germany Claims Sanction of Law for Acts of Vandalism.

London, Oct. 21.—Germany claims the sanction of international law for carrying out destruction of property during retreats, and says her troops are under strict instructions to spare private property and care for the population to the best of their ability.

Where transgressions occur, the note says, the guilty are being punished.

The German government suggests to the President that an opportunity should be brought about for fixing the details. It trusts that the President of the United States will approve of no demand which would be irreconcilable with the honor of the German people and with opening a way to a peace of justice.

The German government protest against the reproach of illegal and inhuman actions made against the German land and sea forces, and thereby against the German people.

For the covering of a retreat destructions will always be necessary, and they are carried out insofar as permitted by international law. The German troops are under the most strict instruction to spare property, and to exercise care for the population to the best of their ability.

Where transgressions occur in spite of these instructions, the guilty are being punished.

The German government further denies that the German navy is sinking ships, has ever purposely destroyed lifeboats with their passengers.

The German government proposes, with regard to all these charges, that the facts be cleared up by neutral commissions.

In order to avoid anything that might hamper the work of peace, the German government has caused orders to be despatched to all submarine commanders, precluding the torpedoing of passenger ships without, however, for technical reasons, being able to guarantee that these orders will reach every single submarine before its return.

FINISH YOUR BEEF.

The Hon. T. A. Cresser, Minister of Agriculture, calls upon Canadian farmers to finish their beef animals for market. Too many light weight animals have been slaughtered.

"It is of the greatest importance," says Mr. Cresser, "that our farmers should make every effort to finish their stock before marketing, so long as space for transatlantic cargoes is as limited as at present. The British Ministry of Food will pay the ton prices only for bacon which is cut from select hogs, weighing between 150 and 250 pounds, live weight. The beef carcasses, in order to be favorably considered should weigh at least 500 pounds.

Campbellton, N. B. October 24th, 1918

Most up-to-date towns are always on the lookout for anything which will give employment to its citizens of some new industry which will bring new families in. We hope Campbellton is no exception to this rule.

Some months ago The McLennan Foundry & Machine Works Ltd. wrote the Town Council asking for certain concessions because of the fact that that Company were establishing a shipbuilding plant here. They did not ask for a cash bonus, free water, free electric current or anything of this nature, but only that the town exempt from taxes their entire plant for a period of fifteen years.

Outside the fact that this shipbuilding plant is a necessary work it should be fostered and encouraged in every way so that it will grow and prosper, and with it our town will grow.

The request of the McLennan Foundry & Machine Works, Ltd., for exemption is a very modest one and should be granted without a dissenting voice, yet for months their letter has been "laid on the table" and the Council has taken no action.

Had the project been in less energetic hands this lack of action on the part of the Council might have discouraged the going on with the work, but we are glad to say Campbellton to-day has this industry and we hope the Council will speedily do the right thing.

The McLennan Foundry & Machine Works, Ltd., is an industry of which this town should be justly proud and its founder and manager, Mr. Alexander McLennan has certainly proved himself a "live wire." Under his management we have in Campbellton what is considered one of the best of the small shell factories in the Dominion, and McLennan shells have earned a name for themselves. Mr. McLennan has made a success of the enterprise in the last eight years and now with the establishment of a shipbuilding plant the town can surely grant a little encouragement in the line of exemption as requested. Just at this time a little kindly interest, and encouragement would be only a just reward for past enterprise in which every citizen has shared.

GOOD ROADS.

Road Supervisors in very many parts of the Province who have taken great pains to make ditches and otherwise to follow out the drainage instructions for the benefits of the trunk and branch roads are complaining bitterly of the carelessness of very many of the residents in their districts who evidently think that a road ditch is only made to be obstructed, for instead of building small pole bridges across the ditches so as to get into their fields, they level up the road by throwing in the newly made stones or brush into the ditch. The Supervisors say that if they are asked to remove the obstruction, in many cases they either refuse to do so or else say that they will attend to it and never get round to it. The result is somewhat discouraging.

THE PULMONARY TONIC
Recognized as the standard of medicinal preparations for diseases of the Throat, Bronchi and Lungs. It acts as an antiseptic to the respiratory organs and supplies to the whole system the energy necessary to conquer the disease.
DR. ED. MORIN & CO., Limited
Quebec, Canada.

MORIN'S WINE
CRESO-
PHATES

for the very heavy rains of the past month have caused an unusual flow of water in the road ditches and wherever this meets with such an obstruction as described above, the water invariably gullied out the new roadway and does, in some cases, hundreds of dollars worth of damage. There is a section of the Highway Act of 1918 which says that no person shall under the penalty not exceeding \$20.00 with costs of prosecution or imprisonment for thirty days—pile any wood, logs, lumber or stone or refuse within the limits of way of any highway and leave the same within the limits of the said right of way for a longer period than twenty-four hours.

"Any person who shall continue any encroachment or obstruction on any highway or ditch after a notice verbally or in writing by the Supervisor requiring him to discontinue or remove the same, shall be deemed to have encroached on or obstructed such highway or ditch within the meaning of this section."

The Highway Act further says that any person who by obstructing a highway, causes injury to the same, shall be liable to repair such injury under the instructions and to the satisfaction of the Supervisor, and in case he does not after being notified by the Supervisor, the same shall make such repairs and may recover the cost thereof together with costs of suit.

The Act therefore is very plain about obstructions in the ditches or roads but no doubt is generally understood to be so by those who disregard the public interests and upkeep of the roads by placing obstructions in the ditches. The Road Engineers and Supervisors all consider it of the utmost importance that particularly during the fall and spring residents should exercise the very greatest care in keeping the ditches clear and assist to perfect the drainage of the road system without which good roads are impossible.—Cor.

Germany wants a "peace of justice." The answer to any such appeal is given in burning words by Glenn Condor in the Rotarian. He says: "Germany has violated all the creeds of men. She has at defiance every law by which the people of the earth keep faith and friendship. She has set the world ablaze. If it were possible that the Hun could prevail, all that is best in the religion of humanity, all that is purest in the brotherhood of man, would be destroyed, and smouldering ruins, hiding the dead bodies of justice and right, would bestrew the world. We must finish this business! God speed the day."—Ex.

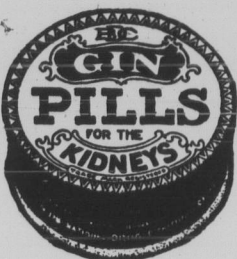

The people of Canada are asked to subscribe \$500,000,000 of Victory bonds. A good rate of interest is offered. It is a good and perfectly safe investment. The money must be raised or Canada default in her duty to the fighting men at the front. Moreover, if the money is not raised there will be harder times in Canada. But the money must be raised, and taxation pays no such dividends to the taxed as will be paid on Victory bonds. Every dollar that is free and can be spared should go into Victory bonds.

HE IS A CROOK.

When you hear a man running down his home paper on any other local industry, take a good look at him. Ten to one he will have an eye as restless as a horse thief; and he will hitch around in his chair as though he had a touch of St. Anthony's dance. Talk with him awhile and you will discover that he has made a failure of everything he has ever tried (except being disagreeable), and nine times out of ten he is dependent on the public for favors or support; you will find him of a meddlesome, peevish, jealous, hateful and unreliable nature; a man who is always complaining, and although he has but little, if anything of his own, one would imagine to hear him talk that he had quick claim deed to the earth and a first mortgage on heaven. He knows everybody's business and why shouldn't he? He has none of his own to take up his time. Such people, like mosquitoes, were not created in vain, perhaps, but one fact remains staple, they do not add materially to the pleasures of conducting legitimate business.

Competition.

"There once were two cats of Killenny"
Who thought there was one cat too many,
So they scratched and they bit
And they fought and they spit
Till instead of two cats there weren't any.

The Little Doctor always ready—always on hand to relieve kidney and bladder troubles, and help nature purify the blood.
The National Drug & Chemical Co. of Canada, Limited, Toronto, Ont.

DALHOUSIE.

Dalhousie, Oct. 22.—With no public meetings to be held on account of sickness, no parades to be held in small towns, and considering the cost of material to build arches not counting the scarcity of labor, the shire-town committee have wisely decided with the approbation of His Honor Judge McLatchy, to offer prizes to all the Dalhousie merchants and others who would best decorate their windows with war and Victory Loan attractions. Already a number of attractive features are being considered by our merchants and their staffs, which will result in being a grand advertisement of Canada's last War Loan in so far as the town of Dalhousie is concerned.

Many souvenirs of the present war that have been brought home by returned soldiers, and others sent by those who are still fighting to preserve our homes will be exhibited in the store windows next week.

The following circular was sent to all our business men by the Dalhousie Victory Loan Committee. It speaks for itself.

THE VICTORY LOAN OF 1918

The Victory Loan Committee of Dalhousie with the approbation of His Honor Judge McLatchy, President for the County of Restigouche, with the view of practically advertising the VICTORY LOAN BONDS offer prizes to the merchants and others of the shiretown who will best decorate their windows with WAR and VICTORY LOAN attractions to assist in making a success of CANADA'S FIFTH WAR LOAN.

The Prizes to be as follows:—

- 1st, \$8.00
- 2nd, 6.00
- 3rd, 4.00
- 4th, 3.00
- 5th, 2.00

As the VICTORY LOAN DRIVE is to begin on Monday, October 28th, we respectfully suggest that all merchants and others entering this competition have their windows completed on Friday evening, Oct. 25th.

Signed,

D. McDONALD,
C. H. LABILLOIS,
THOS. G. SCOTT,
S. BLANCHARD,
Committee.

"THE LITTLE LESS."

You surely have not missed the little less wheat in your bread? Yet it has reduced our Canadian consumption by 200,000 barrels a month, or 12,000,000 bushels a year.

We sent 125,000,000 pounds more pork and 75,000,000 pounds more beef to the Allies last year. We saved that at the table too.

We hope to save 100,000 tons of sugar a year by spoonfuls.

All has been done just as "Little drops of water, little grains of sand, Make the mighty ocean. And the pleasant land."

Will you remember it is in your hands?

10 CENT "CASCARETS" FOR LIVER AND BOWELS

Cure Sick Headache, Constipation, Biliousness, Sour Stomach, Bad Breath—Candy Cathartic.

No odds how bad your liver, stomach or bowels, how much your head aches, how miserable you are from constipation, indigestion, biliousness and sluggish bowels—you always get relief with Cascarets. They immediately cleanse and regulate the stomach, remove the sour, fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the intestines and bowels. A 10-cent box from your drug-plate will keep your liver and bowels clean; stomach sweet and head clear for months. They work while you sleep.

YOUNG GIRL KILLED AT BATHURST

Bathurst, N. B.—Oct. 21.—A most regrettable accident, by which the life of little Helen Miller, the six year old daughter of Mr. and Mrs. Percy Miller of East Bathurst, was suddenly terminated, occurred near the home of the little one's parents last week. The unfortunate child's brother, together with another lad, named Eddy, both boys hardly yet in their teens, had borrowed a gun from a neighboring boy not much older, and had been doing some shooting. At the time of the accident young Eddy had the gun and it is supposed was firing at some post or mark when the fatal charge was shot. The load of shot struck the little girl on the right side of the breast and tore a ghastly hole through her body at least an inch in diameter, death resulting instantly.

GENERAL LIPSETT KILLED BY SNIPER

Was Commander of Third Canadian Division.

(By Leased Wire to The Transcript.)

London, Oct. 20.—(by the Canadian Associated Press).—Major General Louis Ames Lipsett, C. B., C. M. G. lately commanding the third Canadian division at the front has been killed by a sniper.

Major General Lipsett went to France with the third Canadian division.

HARD ON NEWSPAPERS.

The newspaper business in Canada has been dealt another blow, and one it is safe to say many small papers will not survive. The price of all newspaper paper has been advanced \$12 per ton, the price has been advanced 50 per cent. To give some idea what this advance means to the newspaper proprietors of the country, it is interesting to note that the Montreal Star claims the new price will mean for it an additional annual outlay of over \$300,000. It will cost the Toronto Globe in the neighborhood of \$150,000 more a year.

Even the smaller papers are hard hit, as there does not seem any way to pass the extra cost on to the consumer, as in the case with almost every other commodity. This extra outlay will mean that publishers who wish to stay in the game will need to collect more sharply. The day of long overdue subscription accounts is at an end, in fact the government, or the man who represents the government in the news print negotiations, suggests that no paper be sent to subscribers more than three months beyond the time for which it is paid. As far as possible all free copies will have to be struck from the mailing lists. The Halifax Herald has advanced its price to \$9 a year, and that means absolutely in advance. The paper is cut off immediately the year has expired. That is good business, and other papers will be forced to do likewise, or go out of business altogether.

FOOD SHORTAGE IN ITALY.

Dr. James W. Robertson, who recently toured Britain, France and Italy, on behalf of the Canadian Government and the Canada Food Board, reports conditions in Italy as extremely severe, although improved by good crops of fruit and vegetables during the past summer. There has been a diminution of over fifty per cent in the production of milk, butter and cheese, and the total ration in Germany, according to the Italian Food Controller, was better at the time of Dr. Robertson's visit than that of Italy.

Face the Wind.

Recently a lady asked a tramp, "What determines your course when you are tramping on the roads?"

"Well," he answered, "I always turn my back to the wind."

There you have the true tramp motto: "Turn your back to the wind." There you have the keynote of vagrancy and fecklessness and failure. The motto of efficiency is "Face the wind." Face your troubles. Face your difficulties. Face the things that are impossible. Face the things that are unfair. No good thing has ever been gained by the man who always like a dry leaf down the lanes of life.

"WHEN THE DEVIL WAS SICK, THE DEVIL A SAINT WOULD BE."

London, Oct. 22.—A Christiania despatch to the Morning Post says the German Emperor is suffering from a serious mental disease and the Kaiser after recent events is becoming more and more pious, praying many hours daily.

Are you saving for Victory Bonds?

CHANGE YOUR TIME.

Saturday night before you retire put your clocks back one hour. The daylight saving time ends at 2 o'clock Sunday morning, Oct. 27th.

NOTICE.

Unless the regulations regarding influenza are changed before Tuesday, the 29th instant, there will be no meeting of the Campbellton Musical Club for October.

PROFESSIONAL.

Dr. A. Pierce Crockett, eye, ear, nose and throat specialist, of St. John will be at the St. Louis Hotel, Campbellton, Friday, Oct. 25th, where he may be consulted professionally. Oct. 17-25.

QUITE A CHANGE.

An honored citizen who thirty-seven years ago got his first glimpse of Campbellton and Restigouche stepped off the train on Oct. 10th and waded through snowdrifts to his hotel. This year the 10th was a beautiful bright, warm fall day.

MOVING BUILDINGS.

Mrs. J. A. McRae has had the wooden building on the north side of Water street moved back and will move the store now occupied by her over the street, where it will be encased in concrete blocks. This goes away with two of the wooden buildings and others have been ordered to move.

HOUSE BURNED.

Sunday evening the fire brigade was called out for a fire at Mrs. Neil Smith's house at Mill Creek bridge. The fire was well under way before the alarm was sounded and the house is a complete loss. A portion of the furniture was removed. The loss will be about \$2000.00 with only \$600.00 insurance.

IN MEMORIAM.

Wright—In ever loving memory of William Wayne Wright, who passed to his eternal rest Oct. 27th, 1916. "Fallen asleep in Christ." Though we may mourn Thou in life the dearest, They shall return. Christ, when Thou appearst; So shall Thy voice And in Jesus sleeping. Bidding rejoice Comfort those now weeping, Inserted by his wife.

HALLOWE'EEN.

Next Thursday, Oct. 31st, is Halloween.

NEW RESIDENCE.

Mr. Harry Wood, train despatcher has erected a very pretty cottage on Bay View Avenue.

FORMER EPIDEMIC.

It is just thirty years since a serious epidemic of influenza raged throughout this district.

BEAUTIFUL WEATHER.

The weather for the past week has been very fine and like the real Indian Summer we hear about.

NO GOOD ON APPROBATION.

Until the present epidemic abates we will give no goods on approbation. OAK HALL, McRAE & McRAE.

MADE A DISCOVERY.

Mr. Chas. Corrier of Nash's Creek had discovered some minerals and will share the find if valuable with anyone who will have an assay made. If interested write Mr. Corrier.

OFFICE HOURS.

My dental office will be closed at 5 o'clock each afternoon until the present epidemic is over and no work will be done after that hour. J. H. BRENNAN, Dentist.

CORRECTION.

In the list of contributors to the K. of C. Fund, published in last week's Graphic, there was a slight error, W. F. Thompson, should have been credited with a donation of three dollars instead of one, as published.

DIED AT CUBA.

St. John papers contained the report of the death of Harold B. MacKendrick, son of Mr. Dawson MacKendrick of that city which took place at Cuba of influenza. The deceased was 29 years of age and was very highly respected by all. He was a nephew of Postmaster MacKendrick of Campbellton.

PRICES GOING UP.

On account of the increase in the price of paper all classes of commercial printing will advance shortly. New price lists are being issued. We are still accepting orders for printing at our old list. If you are running short get your order in at once. Little Stock.

NO PUBLIC FUNERAL.

SERVICES CAN BE HELD Under instructions of the Department of Health, all assembling of persons together is forbidden. Consequently no public services shall be held at any home on the occasion of funerals during the period of quarantine. The Department of Public Health has declared the number of ten persons as an assembly.

BORN.

At Campbellton on October 23rd, to Mr. and Mrs. H. M. McLennan, a daughter.

MUST BE DEMENTED.

A young man named Nealis, son of Mr. Frank Nealis of Head Tide, was taken in charge by Chief Adams at Richardsville yesterday. He had been found lighting fires in the Richards mill yard. He is thought to be demented. Pending medical examination he is being confined.

IMPROVED PROPERTY.

The neat palling fence that Mr. Joseph Boudreau has erected in front of his unoccupied basement and yard has much improved the appearance of this property and should be an example that many others on Water Street should follow, thus hiding from sight unsightly vacancies.

ASSAULT CASE.

Two Hacheys of Athol have appeared in the police court. The younger, a son-in-law is accused of assault. In some altercation over the young man's children the father-in-law claims he was hit a none too loving tap on the head with the butt of a revolver. The case has been adjourned until Saturday.

TELL THE PEOPLE.

A sure way of getting other people's money is to have something they want, and let them know it, and what price they must pay. These facts told simply, plainly and honestly through advertisements, correctly written and placed in the right newspaper, will as surely bring you money in exchange for your goods as the day succeeds the night. And The Graphic is the right paper because it reaches the people you want to reach.

SHOULD BE STOPPED.

The residents of Oak Bay and surrounding places are expressing in no uncertain way what they think of certain Campbellton young men who every day go over to Oak Bay in motor boats and with high power rifles fire at the wild geese and ducks. The bullets frequently sing by and escapes from being shot are frequent. It has got to be so bad that when working in their fields, farmers have to quit as soon as the tide comes in. They threaten to get their rifles out and shoot back. The law is against shooting with rifles and it should be enforced.

THE TRACTORS.

ARE THE CONTRACTOR A movement, starting in Montreal and continuing in Chatham, Ontario, might well be carried throughout Canada. This is the contracting idea as applied to farm lands. City men with a little capital are forming syndicates to buy tractors and break idle land under the direction of practical contractors. This principle could be applied to regular farm lands and would help solve the labour problem for the Canadian farmer.

VOLUNTARY RATIONS PLAN.

New Brunswick has adopted a voluntary rationing scheme for the homes of her people. This plan was prepared in conference of representatives of local food committees, women's institutes and domestic science teachers. It was revised and approved by the Canada Food Board. Similar plans are being formulated in the other provinces, revised in certain minor details to fit local conditions.

NATIONAL FISH DAY.

October 31st is National Fish Day. It is the new national day when for its benefit ought to be as well known as Thanksgiving. The intention is to make known the tremendous wealth of our Canadian seas and lakes, now largely going to waste because people's tastes have run toward meat. At present the annual value of Canadian fisheries is \$52,000,000 or only about one-eighth of a dollar a week for each person. Forty-three years ago it was \$35,000,000. The fish industry and fish consumption have not kept pace with the general progress of the country. A revival is long overdue. The average price of fish is about one-half that of meat, so that the housewife who insists upon getting fish from her local dealer combats the high cost of living. National Fish Day was established to give a right direction to the thought of the people respecting fish in the ordinary home diet. Eat fish October 31st.

DALHOUSIE WOMEN'S INSTITUTE

Report of the Dalhousie Women's Institute from July 1st to Oct. 31st, 1918.

At the annual meeting held in St. Mary's Hall June 11th, 1918, the regular business was transacted following by the election of officers for the ensuing year.

Re-elected President—Mrs. S. J. Beckingham.

1st Vice-President—Mrs. J. Barburie.

Secy.-Treas.—Mrs. H. E. Hosquard.

Auditors—Mrs. C. L. Grant and Mrs. L. D. Jones.

Board of Directors—Mrs. Ed. Paquet, Mrs. H. McNeil and Mrs. Tomlinson.

A report from the knitting committee stated one hundred and forty pairs of socks shipped July 8th, to Soldiers' Comforts Association, St. John.

We take this opportunity of thanking the ladies of Dalhousie Junction for forty-five pairs of socks, and also the ladies of Summerside for one hundred and ten pairs of socks.

At the regular monthly meeting in October a hearty vote of thanks was tendered Mr. W. H. Priest, manager of the Dalhousie Lumber Company for their splendid donation of two hundred and fifty dollars (\$250.00) also Hon. C. H. LaBelle and Mr. W. A. R. Cragg for their assistance in supplying materials needed for wrapping and packing the soldier boys' Xmas parcels.

Boxes containing seventy eight parcels were packed during the week of Oct. 8th. Each parcel consisting of the following:—

1 pair socks, 60c.; 1 towel, 25c.; 1 lb. maple sugar, 25c.; fruit cake, 35c.; 2 figs tobacco, 30c.; 1 package cigarettes, 15c.; 1 cake soap, 10c.; 1 candle, 25c.; 1 box chocolate, 10c.; 1 chocolate bar, 5c.; 1 package of gum, 5c.; 1 can of coffee, 30c. Total \$2.52 1/2.

RESTIGOUCHE, QUE.

Restigouche is experiencing an epidemic of influenza, there being about twelve cases in all. On Sunday deaths occurred, when Mr. Edmond Loubert of Maria, who has been living here for some time, died, after a very brief illness. He was buried on Sunday evening at Restigouche. He was twenty-two years of age and is survived by his mother and two brothers of Maria, Que.

BLACK CAPE.

There is quite a lot of sickness in this community, and a few cases of influenza are reported.

The sad news has been received here of the death of Harold Campbell which occurred in the hospital at Campbellton on Sunday after a brief illness of pneumonia.

Mr. Harry Fairservice was called up to Quebec last week to report for Military examination but we are pleased to see that Harry has been returned home.

Miss Ida Fairservice and Miss Janie Powell have returned from Port Dalhousie where they have been employed in harvesting fruit.

Churches and Schools have been closed on account of the epidemic of influenza.

Tragic Story of the Awful Horrors of War

(Continued from page 2).

things. When the English were drawing near to Bohain, she said that all the German soldiers began to laugh and shout. "Some of them called out to me, the English will soon be here. They are already at Frenmont. Bravo, the war will soon be over. They had only one thought, it was to get taken prisoner by the English, so that they should have good food, for they are starving, and never get enough to eat and they want the war to be over quickly, and do not mind how."

I could write many narratives of the things I heard in Bohain and in Selvigny, and in other villages, stories such as Guy De Maupassant wrote about the war of 1870, but more grim. There is no space for this, and what I have told is typical.

In Caudry it was the same. There were 700 factories round that town employing 6,000 work people before the war making silk and tulle and cloth as in Bohain, and two and a half years ago the enemy sent down a commission to report upon them and after that all the machinery was removed and much of it was broken, and the industry of the people was ruined.

A few days ago there were heart rendering scenes when 5,000 males between the ages of 14 and 60 were sent away further into the German lines. They were assembled in the chief square, where they carried little parcels and handbags, and from their wives and mothers and children there rose loud wailing and all the men wept as they embraced those who were dear to them and there was an agony of human hearts. Why write any more. There reaches me the astounding news that Germany has surrendered. If this be true, and I can hardly believe it, because after all these years of war my imagination cannot adapt itself to the belief of such a sudden ending. There will be no need to write any more of these horrors but henceforth these will be the joy of recording the gradual healing of the heart of the world and getting back to life after all this death and the memorial of all that heroic youth which has fallen in the gaining of this victory by which liberty comes to us again and justice is done.

SIMPLE REMEDIES GIVEN IN LETTER TO BOSTON PAPER

Dear Nomad—Being a reader of the Boston Transcript nearly every day, I was shocked to learn by last Friday's issue of the large number of death from pneumonia the last ten weeks in Boston. Also quite a number from la grippe, especially as these two ailments are speedily cured by simple remedies that are hereby given: viz., "Remedy for the cure of pneumonia":

"Take six to ten onions, according to size, chop moderately fine and put in a large spider or stew pan over a hot fire; let them cook for a few minutes, then add about the same quantity of rye meal (if rye is not obtainable, use Indian meal), then add enough to form a thick paste. Let this cook a few minutes, stirring it that it may be thoroughly cooked. In the meantime have two cotton bags made large enough to cover the lungs. Fill one and apply to the chest as hot as the patient can bear, and in very severe cases it is well to apply to the back also. During this, prepare another poultice to take the place of the first, and apply in ten or fifteen minutes; then the first can be re-heated and applied again. Generally three or four applications will clear the lungs—and the patient is out of danger."

This remedy I firmly believe would have saved the lives of every one of the large number named in your paper the Friday of last week. It is remarkable that double and typhoid pneumonia yield just as readily to it as cases of a milder form.

To prove this I will mention two or three cases. A friend of mine several years ago, (Mr. Solon Wilder, treasurer of the town of Lancaster, Mass.), was stricken with double pneumonia. Dr. Hartwell, of Ayer, medical examiner, said there was no hope from the first, as there was no known remedy for double pneumonia, and his family doctor gave him up the day previous to my seeing him. It was only by the earnest entreaty of his brother that I was induced to go and apply the remedy. I found him just faintly breathing, and I doubt if he could have lived more than one or two hours at the longest when I applied the first poultice, as only a portion of one lung was in action and he was sinking fast. Yet after the third poultice his lungs cleared and he could speak in his usual tone of voice and was out of danger, and in a few days was able to attend to his daily duties.

This simple remedy cured one of the worst cases of the typhoid type of this disease that I have known in the thirty years that I have studied this malady. His name was John R. Peirce, a farmer, in the north part of this town. In his delirium he would tear the poultices off his chest and throw them against the side of the room as fast as the attendant could put them on, and it was only after a nearly all night vigil that the remedy could be kept on long enough to clear his lungs which was finally accomplished, I think, by binding them on. The family physician, Dr. Godfrey, was powerless to aid by any medical remedy, but as soon as the lungs were cleared in the fever and delirium left him, and in a few days he was able to be around as usual.

My friend, the late Doctor John Urch, one of the most successful physicians of Boston, used this remedy for several years, and told me that he never lost a case after he commenced to use it, having been given up by two physicians; yet this remedy saved them all. Dr. John McCallister, of Waltham, told me that he never lost a case, using this remedy for more than twenty years, several of which had been given up by other physicians.

The Grippe—This disease is caused by inhaling its poisonous germs, that float in the atmosphere, and while those cause fevers go to the intestines and secretions, these always go first to the stomach, and if not removed within three days will be absorbed into the system and will find their way always to the weakest part, generally the heart or lungs.

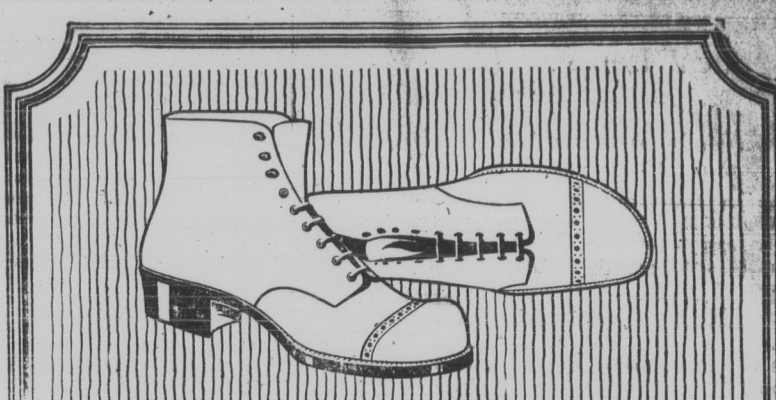

Genuine la grippe can be told from a severe cold by a peculiar distressed feeling in the head, followed by pains in the cords of the neck down to the shoulder. The germs then are in the stomach, and if two tablespoonfuls of castor oil mixed with a teaspoonful of lemon juice be taken, the poisonous germs will be carried out of the system and the cure is accomplished. I have never known this to fail when taken within three days after the attack, although I have seen a person where the disease was so far advanced that he was delirious, yet cured within twenty-four hours, and in a few days after took his seat in the legislature, to which he had been elected.

This was during the scourge about fifteen years ago, when over a thousand died in Boston alone.

Yet there was one physician who used this remedy that never lost a patient out of the many he treated, while they were dying by scores under the treatment of others.

Truly the foolish and weak things often confound the wise and mighty.

HENRY S. BROWN

The medium broad high top is popular with many men who want a roomy wide-fitting shoe. Blucher, black or brown leathers, \$6 to \$10

The High Cost of Whims

THE United States Government has found it necessary to issue strict orders regulating the styles of shoes. Why? Because the high cost of fads imposes a burden all along the line—upon manufacturer, dealer and consumer, and upon the Government itself.

Such action may be avoided in Canada, if you—the consumer—will co-operate with the manufacturer in reducing the demand for extravagant styles—if you will buy prudently, for service rather than for effect.

To do this will be a direct benefit to you. You will get better and longer service, more comfort, and your shoes will be quite as neat and attractive. You will need fewer pairs of shoes in the course of a year.

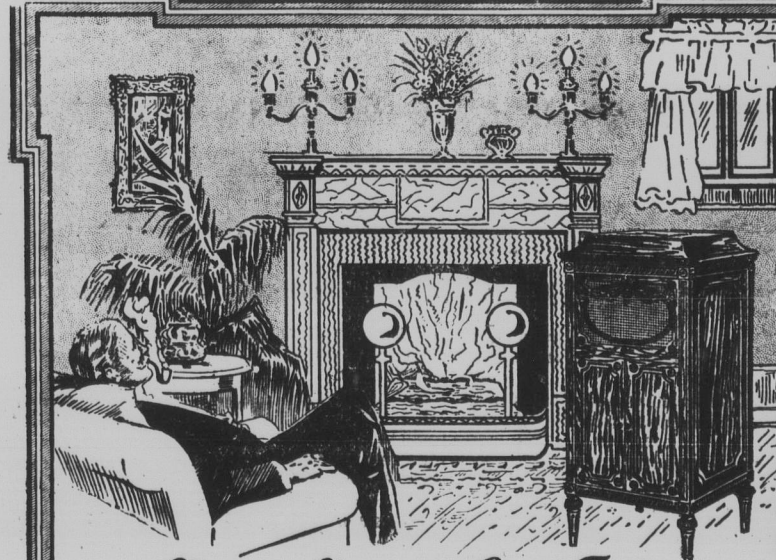

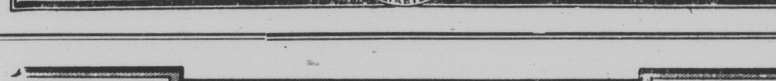

More than that: you will help to cut down needless extravagance, to reduce superfluous stocks on the dealers' shelves, to keep prices down, and to release essential supplies of leather for our forces overseas.

A.H.M. War-Time Selections offer Special Service Value for Men, Women and Children. Ask your dealer for them.

Music-- Nature's Great Tonic

WHEN evening comes and finds you weary, with jumpy nerves and the whole world out of tune, put on your slippers, pull up your favorite "comfy" chair in front of your own cosy fire, load the good old jimmy pipe and then turn on your Pathephone.

Away flies the haunting care, gone are the morbid fancies, soothed are the ragged nerves and in their place are comfort and sweet contentment.

In these Mighty Times an extra drain is placed on our endurance. We owe it to Ourselves, to our Country and to our Boys at the Front to keep smiling. MUSIC will help take the sting out of our worries and anxieties. An hour of music each day and we tackle our problems with new vigor and freshened outlook.

The Pathephone is the supreme achievement amongst music makers. Through its beautiful art cases comes the combined record libraries of the world, and the Pathephone plays all other records as well as the famous Pathe record itself which requires no steel needles. Although the most beautiful phonograph made—being copies of famous period furniture—it costs no more than the ordinary talking machine.

By the following summer another domestic loan was needed, and a call for \$100,000,000 brought in \$201,444,800, of which \$50,000,000 was from the banks and \$151,444,800 from the public. In March, 1917, the third Canadian war loan was floated. The call was for \$150,000,000 and \$260,763,000 was realized, of which \$60,000,000 was from the banks and the balance from the public. It will thus be seen that the part played by the 'public greatly increased' in each new issue.

PERSONALS

Mrs. H. G. V. Farrar is the guest of friends in Moncton.

Miss Maude Lodge of Runnymede, is visiting Miss Irene Murray.

We are glad to see Dr. Martin about again after his recent illness.

Mr. Farnsworth and little son of Amherst visited friends here recently.

Miss Katie Hart of Millerton is visiting in town the guest of Miss Nellie J. Duncan.

Mrs. and Mrs. F. E. Dennison of Moncton visited Mr. and Mrs. H. G. Millican recently.

Mr. Austin McDonald left last week for St. John where he has joined the 9th Siege Battery.

Mr. Charles MacLean of Halifax is visiting his parents Mr. and Mrs. John MacLean.

Mr. Harold Herdman has returned to his home in Calgary after visiting in town for some time.

Mr. Irwin Cormack has returned to Toronto, after spending his vacation in town visiting friends.

Mr. Fred Alexander of the Convalescent Hospital, Fredericton is spending a few days at his home here.

Mr. Frank Fitzgerald left on Monday night's limited for Quebec where he will go for the Medical Board.

Miss Ethel Hogan has returned from a pleasant vacation spent with friends in Amherst, Truro and New Glasgow, N. S.

Mrs. Jasper Davison left on Wednesday for St. John owing to the illness of her daughter Mrs. Ed. Sargent.

Mr. and Mrs. Adam Porter paid a short visit to Montreal last week where they were the guests of Mr. Porter's sister and friends.

Mrs. Alphonse Lacasse and Miss Lacasse of Manchester, N. H. were in town last week to attend the funeral of the late Mr. Aurelle Lacasse.

Mrs. John Henrickson of Dalhousie has received word that her mother, Mrs. Edward Good formerly of Dalhousie, is very ill in Waterville, Me.

Mr. and Mrs. Gordon R. White have returned to their home in Fort Fairfield, Maine, after visiting in town the guests of Mr. White's parents.

Friends are glad to see Mr. Lester Amnstrong out again after being confined to his home for a couple of weeks with a severe attack of influenza.

Miss Jean Jardine, who has been attending Mount Allison Ladies' College, Sackville has been called home owing to the illness of her father, Mr. Jas. P. Jardine.

Miss Amanda Quinn, student at the University of N. B. Fredericton is spending a few weeks at her home until the present epidemic is over and college re-opens.

Mr. and Mrs. Geo. A. Duncan, Miss Nellie Duncan and Mr. Frank Fitzgerald spent Sunday last in Broadlands, Que., the guest of Mr. Duncan's sister, Mrs. Alexander Downes.

Mrs. Martha Gallant and her son James paid a short visit to her sister, Mrs. Barry of Fergusson Manor recently, accompanied by Mrs. David Smith and Mrs. Thomas Smith of Upper Nelson, N. B.

Mr. Billie Richards, son of Mr. and Mrs. John Richards has returned from Montreal, where he has been a patient at the Royal Victoria Hospital for some months. Friends are glad to see him around again, much improved in health.

Mrs. M. A. O'Neill and Miss Winnie O'Leary of Pawtucket, R. I. and Mr. Robt. O'Leary of the Royal Bank of Canada staff, Rexton, are visiting their aunt and uncle, Mr. P. O'Leary and Mrs. Thomas Cantwell of this town.

WEDDINGS

FERGUSON-FARRER.

Mr. Robert Guy Ferguson of Flat Lands who a few months ago returned from the front where he had bravely done his "bit", was on Tuesday evening in the Manse, Tide Head, by Rev. R. MacKay united in marriage to Miss Mina Bell Farrar, daughter of Mr. and Mrs. Isaac Farrar, Kedgwick. The marriage was performed in the presence of Mrs. Farrar the bride's mother, Mrs. David Ferguson, Miss Adeline Ferguson, Mrs. MacKay, Mr. Nathaniel McDavid. The young couple are well known and very popular in Flat Lands, Kedgwick and neighboring districts and are receiving the congratulations of a wide circle of friends and well-wishers. They will reside in Flat Lands.

SWEENEY-GALLANT.

Two of the best known of Bathurst's young people, Harry Melvin Sweeney, only son of Mr. and Mrs. Wm. Sweeney, and Mary Bertille Gallant, daughter of Mr. Amos Gallant and the late Mrs. Gallant, were married at the Sacred Heart Church on Wednesday morning.

The ceremony was presided over by Rev. Father Whiten, and the church was very prettily decorated for the occasion with flowers and autumn leaves by Miss Regina Leger.

The wedding march was played by Miss Emma Power and a picked choir rendered the music of the Mass most effectively. The bride, who was given away by her father was very prettily gowned in Copenhagen blue velvet with overside of georgette crepe and cut steel trimmings with velvet hat to match, and badger fur and carried a shower bouquet of chrysanthemums and maiden hair fern.

She was attended by her sister, Miss Dora Gallant, as bridesmaid, while Mr. Edwin Melanson supported the groom. The bridesmaid wore a costume of black velvet and satin with badger fur and black velvet hat, and carried a bouquet of pink roses and fern. Mrs. A. Meahan, sister of the bride, matron of honor, was dressed in purple broadcloth with large black picture hat.

After the ceremony the bridal party with the immediate relatives of both parties repaired to the home of Sheriff and Mrs. A. J. Meahan, where a sumptuous dinner was served and the happy couple left by the Limited for a honeymoon trip to Montreal and other Canadian cities amid showers of confetti from large numbers of friends gathered at the station.

The wide popularity of the bride was evidenced by the large number of valuable presents which she received in cut glass, silver and china. Particular mention might be made of the handsome fur worn by her, the gift of her sister, Miss Dora Gallant. The groom presented to the bride a handsome gold wrist watch, to the bridesmaid a silk umbrella and to the groomsmen a pearl tie pin.

On their return from their honeymoon, Mr. and Mrs. Sweeney will reside in the home recently acquired by the groom on St. Patrick St. which he has remodelled and fitted with every modern convenience for the reception of his bride. As one of Bathurst's soldiers who has done his part at the front and has been honorably discharged from military service after suffering physical disability as a result of his experience there everybody extends to him and his bride their best wishes for happiness and prosperity in the rest of his life's campaign.—Bathurst Northern Light.

The many friends of Mr. Harry Wilson are glad to see him out again after his severe illness.

CASUALTY LIST

The casualty list of the past week has the names of the following North Shore men.

Infantry.

Killed in Action:—

F. Brideau, Bathurst, N. B.

Corp. T. S. Wiseman, Stoneham, N. B.

D. Doucet, Petit Rocher, N. B.

M. Carter, Dalhousie, N. B.

Wounded:—

R. Firth, Flat Lands, N. B.

Died of Wounds:—

W. A. Eddy, Bathurst, N. B.

Wounded and Missing:—

A. Doiron, Campbellton, N. B.

Howard Luke, who has been khaki for nearly four years, going over in February, 1915, with the artillery, thus early in the war, has been wounded for the first time though he has had almost three years in the battle line in France. He completed his training in England and went over to France in January 1916. His father, Mr. Wm. Luke who resides at Chatham received word that he had been wounded with a gunshot wound in knee and admitted to No. 23 Casualty Clearing Station.

Previous to enlisting Bombardier Luke resided in Campbellton, where he was employed with J. R. McKenzie, tailor.

Mr. and Mrs. A. O. White of Campbellton on Wednesday received official word from Ottawa, that their son Lieut. Chas. Eugene White, previously reported wounded and missing, was so slightly wounded that he remained on duty. He was wounded on Oct. 7th. Although before listed in the casualty list as wounded and missing this is the first official word his parents have received.

OBITUARY

Mr. and Mrs. Randolph Adams, Church Street, have in the bereavement that has visited their home, the sincere and heartfelt sympathy of their friends. On Friday morning, after a lingering illness, their little son, John Arthur, aged thirteen months died.

The funeral was held on Saturday and was conducted by Rev. P. A. Walker, who delivered a very touching and sympathetic address, speaking on the words of the hymn "There's a Friend for Little Children."

The hymns sung were "There's a Friend for Little Children" and "Safe in the Arms of Jesus." Prof. Sterne had charge of the music, assisted in the singing by members of the Presbyterian Choir.

Though Mr. and Mrs. Adams have not long been residents in Amherst they have made many friends who will sympathize with them in their sad hours of bereavement. Those who have passed through similar experience need not be told how such little loved ones are missed.

The floral tributes were many and beautiful.

Wreath—From Mother and Father.

Cross—Grand-mother and Grandfather (Mr. and Mrs. Davis).

Spray, Star of Bethlehem—From Miss Pearl Davis.

Sheaf—From Misses Flora and Inez Canning.

Cut-flowers—Lizzie McNulty.

Carnations—From Mrs. McNulty.

Chrysanthemums—From Mrs. McSwain.

Spray—From Mr. and Mrs. Carson Gourlay.

Cut-flowers—From Mrs. Canning.

Roses and Carnations—From Mrs. Walker.

Spray—Mrs. J. B. Miller, Pugwash.

Campbellton Lady Praises Fawcett Imperial High Oven

Campbellton, N. B., Sept. 21st, 1918

Messrs. Chas. Fawcett, Ltd.

Sackville, N. B.

Gentlemen:—

The Imperial Double High Oven Range, which I got through W. T. Cook of this town, is proving very satisfactory.

I have no hesitation in saying that I shall recommend it very highly to my friends.

Yours very truly,

(Sgd.) Mrs. F. Courtland Charlott.
