Agitators Sent Up For Trial

Winnipeg, Aug. 12—The Crown completed its case in the preliminary hearing of the eight labor leaders charged with seditious conspiracy—William Ivens, W. A. Pritchard, R. B. Russell, R. J. Johns, R. E. Bray, Geo. Armstrong, John Queens and A. A. Heaps—today and the accused were informally committed for trial at the November Assizes. Warrant of commitment was withheld pending an appeal for renewal of bail before a county judge on Wednesday forenoon.

Winnipeg, Aug. 12—James Grant, John Farnell and A. W. Martin were committed for trial today in the police court.

The three are each at liberty on \$3,000 bail. They were alleged to have been active in planning the silent parade which precipitated the Winnipeg strike riots on June 21.

Oscar Schoppel, branded as an undesirable alien and ordered deported by the immigration board of inquiry, must leave Canada. The Manitoba Court of Appeals refused to grant an application made by counsel in Schoppel's behalf that the deportation order be annulled and all proceedings quashed.

The following was given out for publication by the acting immigration commissioner this afternoon:

At a meeting of the immigration board, held on Saturday, Aug. 9th, an order was made for the deportation of Samuel Blumenberg (one of the alien labor leaders arrested during the recent strike), upon his admission that he had made statements in connection with his entry into Canada which were contrary to the facts within the provisions of the Immigration Act.

Winnipeg, Man., Aug. 12—Magistrate R. M. Noble, formally committed the eight Winnipeg strike leaders Wm. Ivens, R. E. Bray, A. A. Heaps, R. B. Russell, John Queens, W. A. Pritchard, R. J. Johns and George Armstrong for trial at the November assizes today, and the decision as to bail will be given by Justice Cameron tomorrow. The prisoners were released until then on the promise of defense counsel, E. J. McMurray, to Crown Prosecutor A. J. Andrews, K. C., that the prisoners would appear. Before Justice Cameron, A. J. Andrews stated that he neither opposed nor consented to admission of the accused to bail. He read excerpts from the communist manifesto put in at the trial as evidence and also from posters advertising meetings to be addressed by one or more of the accused. The activity in spreading propaganda has been not feasible in the present month. He declared that in view of the fact that he had information that lead him to believe that a general tie-up in the Dominion was staged for October 1, he thought such propaganda indiscreet.

McMurray explained the addresses given at meetings by the fact that the accused had to raise necessary funds for their defense in this manner.

Returned Soldiers Reception Public Meeting

The adjourned Public Meeting to arrange matters for the Returned Soldier Reception to be held on Wednesday August 27th was held in the Town Hall last Friday night. Mayor D. P. Doyle presided and the following gentlemen were present.

R. C. Clarke, Wm. Stables, J. P. Ryder, Perley Russell, Wm. Ferguson, A. H. Cole, G. G. Stothart, C. P. McCabe, H. H. Stuart, Chas. Sargeant, J. E. T. Lindon and R. Jarvis.

The meeting devoted the evening to discussions regarding the proposed program to be carried out on the day of the Reception. The views of the different gentlemen present were many and varied and after a number of ideas were suggested the following program was unanimously decided upon, and Mr. A. H. Cole, chairman of the Advertising Committee was authorized to publish the same. The following is the proposed program.

Address of Welcome, extending freedom of the Town to the Returned Soldiers, by Mayor D. P. Doyle, in front of Band Stand on Public Square at 9.30 a. m.

2. Review of Returned Soldiers at 9.45 a. m.

3. Automobile (containing Returned Soldiers) and Polymorphian Parade to leave Farrell's Field at 10.30 a. m.

4. Returned Soldiers to be conveyed by automobiles to Dinner at 12 noon.

5. General Field Sports in the Farrell Field at 2.30 p. m.

6. Base-Ball Game in Farrell Field at 3.30 p. m.

Speeches by Prominent Citizens from Band Stand at 8 p. m.

8. Fire works at 9.30 p. m.

It was moved, seconded and passed that Ald. Perley Russell be in charge of the Fireworks with power to choose his own committee members. It was moved, seconded and passed that Wm. Ferguson be given charge of the securing of tickets, to be presented to the Returned Soldiers, for their private use in procuring refreshments on sale at the town booths.

Adjourned.

Wednesday August 27th the day of the Reception to Newcastle's Returned Soldiers is to be a gala one.

Whitneyville Entertains Her Heroes

The returned soldiers of North Esk and parts of South Esk parish were entertained last Tuesday night in Whitneyville Hall by the Whitneyville Women's Institute. Some 20 soldiers and one nurse were honored, and about 25 of these were present. The hall was crowded, at least 225 people being present.

Miss Fern MacLean presided. An address to the returned heroes was read by Rev. Stanley Weaver, Baptist pastor, and presentation of a monogram the clip to each was made by Misses Eliza Touchie and Fern MacLean.

Albert Whitney and Jas. McColm very feelingly replied on behalf of the recipients.

A programme of music, recitations and readings were carried out. The soldiers present gave three cheers for the Women's Institute, to which several ladies very cordially replied. Supper was then served to all in the building.

Those remembered in the address and presentation were the following: Nursing Sister Miss Edith MacGregor, of Cassilis, Edward Touchie, Wm. Touchie, Warren Touchie, Stillman Allison, Hiram Allison, Jas. Allison, Thomas Allison, Harold Whitney, Albest Whitney, Arthur Walsh, John Hutchison, James McColm, Morrison Jordan, Homer Goodfellow, Walter Goodfellow, Harold Hill, Albert MacKay, Sr., Clarence MacIntosh, Vincent Holland, Wilbur Matchett, Harry Tozer, James Travis, James Somers, Walter Burns, Harry Johnston, Walter Matchett, Samuel Mullin, Charles Mullin, Fred Gordon and Neil Gordon.

Fitting reference was made to those heroes who died in action.

Redbank and vicinity will have a similar celebration for South Esk parish at an early date.

St. John Honored Returned Heroes

St. John honored the Returned Soldiers of the Province last Thursday in a right royal manner.

Threatening in the morning, the weather man, after all, proved kind and the sun came out gloriously by the time the parade had assembled in King street east and the crowds had turned out to admire the decorations.

It was high noon before the parade had made the round of the route mapped out and by that time, many of the citizens had seen it more than once and saw it break up with a sigh of regret.

This parade with the place of honor in Joy Day's events reached and surpassed all that was expected of it. Marvellous ingenuity and wonderfully elaborate care were shown in the gorgeous floats of the spectacular procession which, starting in good time and marching with perfect order wound through its wide spread course to the strains of martial and patriotic music rendered in spirited style by the bands that formed part of its imposing whole. The people of the city and all the many visiting soldiers and civilians flocked to the route of march and thronged it in some places ten rows deep, cheering and clapping with hearty vigor and often livering up proceedings, by witty and playful criticism of those taking part in the parade.

The crowd got as good as it gave and never had the city witnessed a more cheery and good natured turnout. The route of march was sufficiently long to enable some people to get more than one look at the parade by striking across the city to a different viewpoint, and the procession itself took fully an hour to pass a given point.

Soldiers Warmly Greeted.

The judges had a difficult task in choosing the best of the floats. Every conceivable variety was represented but one and all had a welcoming greeting for the soldiers in whose honor and for whose pleasure the events of the day were held. Those who walked in the procession, uniformly distinguished by badges, or wonderfully arrayed in parade costume, sturdily stood to their undertaking and with few exceptions made the complete route. Along the whole length of it they met none, but smiling faces and when the starting point in King Street east was reached once more and the parade disbanded every float had its group of eager congratulators. The weather man, as stated, had done his best in giving a warm and clear, but not too hot, morning and from start to finish the Joy Day parade was an unmitigated success. There was nothing half-hearted or lukewarm in its welcoming and grateful message to the soldiers.

Respected Citizen Dies Suddenly

The death of Mr. Patrick Keating Sr. occurred suddenly early Sunday morning at his home in the Post Office Building. Deceased had been in good health up to about two weeks ago, when he suddenly took ill at the home of his daughter Mrs. P. J. McEvoy. He rallied from this illness and was beginning to feel well again, and awakened Sunday morning, apparently in very good health. While awaiting his breakfast he suddenly collapsed and died within a very few minutes. Death was due to heart trouble. The late Mr. Keating was well and favorably known and his sudden death has cast a gloom over the community.

Deceased was born in Newcastle, and lived here all his life, dying at the age of 84 years. His wife predeceased him eight years ago. He leaves to mourn the following children Mrs. P. J. McEvoy and Edward, of Newcastle, and Byron of New Haven, Conn. The funeral will be held from his late residence at 9.15 a. m. Wednesday. In terment in St. Mary's Cemetery.

Longshoremen Strike

The laborers employed by the Fraser Lumber Co. Ltd., of Nelson, to load the steamer docked at their wharf went on strike this morning demanding a nine hour day and wages at the rate of 65 cents per hour. After refusing to load the steamer at Fraser's the strikers paraded to the Ritchie Mill wharf and succeeded in getting the men employed there to join them in their demands. After accomplishing their purpose, the strikers then decided to go to the D. J. Buckley Mill at Nordin and were successful in getting the men employed there to join them.

NOTICE

Automobiles not carrying RETURNED SOLDIERS will not be allowed to drive or park their cars around the Public Square on the Returned Soldiers Reception day. Please remember this.

Notice

All persons intending entering a float in the Parade will kindly send their names and description of entries to Mr. Chas Sargeant so that there will be no confusion at the Farrell field from which place the Parade will start.

OBITUARY

MRS. PERCY McMAHON

Many friends in Newcastle will sincerely regret to learn of the death of Mrs. McMahon, wife of Mr. Percy McMahon, the well-known C. N. R. despatcher, which occurred on Sunday in the Moncton Hospital. Mrs. McMahon was operated on about two months ago, but complications set in and resulted in her death. The deceased lady was well known and highly esteemed, having a wide circle of friends. She was 35 years of age and was the daughter of the late Daniel McMillan, of Kensington, P. E. I. Besides her husband and two children, Margaret and George, she is survived by her mother, who resides in Summerside, three sisters, Mrs. Cameron and Mrs. McNeil, of Summerside and one residing in Boston, and a brother John McMillan, of Big Valley, Alta.

America's Greatest Success Will be Introduced Here

Facts About Tanlac

Twelve million bottles sold in four years.

At present rate of sales grand total will reach 15,000,000 bottles by end of present year.

Large and modern laboratories at Dayton, Ohio, occupy 60,000 square feet of floor space.

Capacity of plant recently doubled to take care of rapidly increasing business. Present capacity 36,000 bottles daily.

Branch plant recently established in Canada, with a capacity of 8,000 bottles daily.

Demand for preparation has broken all world's records for same length of time, and is constantly increasing.

Publicly endorsed through the daily press by men of prominence throughout the United States and Canada, including supreme court judges, mayors of leading cities, lawyers, doctors, bankers, state and government officials, prominent educators and well-known ministers of the Gospel.

Now sold from coast to coast and from Gulf to Great Lakes, throughout the United States and Canada.

Tanlac is purely vegetable and is composed of the most beneficial roots and herbs known to science. Formula complies with all national and state pure food health laws of United States and Canada.

Absolute merit responsible for unprecedented success.

World's Record Broken by Tanlac

Over One Million Bottles Sold First Ten Weeks of this Year

Tanlac has brought a new romance to the commercial world. It is the story of an acceptance and appreciation of merit never before attained by a proprietary medicine. Staid business men to whom the actual figures of the production of Tanlac have been presented have scouted them until the proof was shown. The production of Tanlac now stands at the rate of almost four million bottles per year. The exact figures are 3,532,503. The sale of a million bottles in the first nine months, which far exceeded any record ever made by a proprietary medicine, now seems insignificant.

OVER 17,000 BOTTLES A DAY.

Sales this year bid fair to smash all previous records, as the sale for the first ten weeks of this year amounted to over One Million bottles, an average of over one hundred thousand bottles per week, which is at the rate of more than seventeen thousand bottles per day. It seems almost incredible, but these are actual figures and such is the record established by this wonderful medicine.

"One firm alone," said Mr. G. F. Willis, the international distributor of Tanlac, "has given orders for a total of 150,000 bottles within eighteen months' time. The firm I refer to is the Spurluck-Neal Co., of Nashville, Tenn. Mr. C. S. Martin president of this great firm, who is also president of the Southern Drug Jobbers' association, will verify this statement.

"Tanlac is the result of many years of arduous study by Mr. Cooper and his principal chemist. In fact, the two of them have carefully watched its development from the beginning of the experimental stage to its present state of efficiency. So remarkable have been the results obtained from this medicine that I doubt seriously if either of these men realize the immensity of their success. Like many other great discoveries, it has required time to prove its far-reaching effects."

RETAILS 700 BOTTLES OF TANLAC IN ONE DAY

Atlanta, Ga.

Mr. G. F. Willis, Fourth Nat'l Bank Bldg., Atlanta, Ga.

Dear Sir: Replying to your inquiry we are pleased to advise that we are now selling Tanlac at the rate of

Tanlac, the Celebrated Medicine Which Has Been Accomplishing Remarkable Results in the United States and Canada, Will now be Sold in Newcastle and Throughout the Province--Remarkable Sales Record of Twelve Million Bottles Phenomenal and Unprecedented.

Tanlac, the celebrated medicine which has been accomplishing such remarkable results throughout the United States and Canada, and which has been having a phenomenal sale wherever it has been introduced, will now be sold in Newcastle, the exclusive agency having been awarded to E. J. Morris. The amazing success achieved by this medicine in only four year's time is not only phenomenal, but unprecedented.

The discovery of Tanlac, the beginning of its manufacture, the establishment of the large and modern laboratories at Dayton, Ohio, occupying more than 60,000 feet floor space, reads more like fiction than facts from latter-day commercial history.

Twelve Million Bottles Sold In Four Years

Although placed on the market but little more than four years ago, over twelve million bottles have been sold, and its sales record probably has never been equaled in the history of the drug trade in America.

From coast to coast and from the Gulf to the Great Lakes, Tanlac is known and honored. Millions have taken it and have pronounced it the greatest medicine of all time. No matter where you go throughout the United States, whether East, West, North or South, Tanlac is a household word and is now unquestionably the most widely talked of medicine in the world today.

Briefly, this is the record of the truly marvelous medicine which will now be placed within the reach of every one. In only a few week's time it will be placed on sale in practically every large city, town, village and hamlet throughout the entire section.

LEADING DRUG FIRMS OF AMERICA TELL OF SALES

Communications From Prominent Dealers All Over America Tell of Unprecedented Success of Tanlac

The following are extracts from letters and telegrams from prominent dealers all over the United States and Canada telling in plain, cold figures of the remarkable growth and development of Tanlac throughout America.

- Memphis, Tenn. We have bought and distributed 177,492 bottles of Tanlac and find it the greatest seller we have ever handled or had anything to do with.
- MAXWELL-CLARK DRUG CO.
- Nashville, Tenn. Our books show that we have bought and disposed of over fifteen carloads of Tanlac (189,909 bottles), in this immediate territory, setting a record as the largest sale by us in a given time of any proprietary medicine in the history of our business.
- These sales were made with no effort on our part and without a single complaint from any of our patrons or sub-agencies.
- SPURLOCK-NEAL CO. C. S. MARTIN, Vice-President and Gen'l Mgr.
- Knoxville, Tenn. Experience with Tanlac most satisfactory. Have handled it two years and have sold over 110,100 bottles since taking the agency.
- KUHLMAN-CHAMBLISS CO.
- We have handled Tanlac since January 1, 1917, and have sold to date 196,408 bottles. Our dealings with Mr. Willis highly satisfactory.
- GREINER-KELLY DRUG CO.
- Jacksonville, Fla. Have been handling Tanlac sixteen months and have sold at retail in our two Jacksonville stores approximately 20,000 bottles. Account very satisfactory in every respect. Cannot speak too highly of proprietors.
- BETTES PHARMACY, INC.
- Houston, Tex. We began handling Tanlac November, 1916, and have disposed of about 167,040 bottles. Has been a most satisfactory account and we are enthusiastic in our support.
- SOUTHERN DRUG CO.
- considerably more than 2,000 bottles per week.
- On one Saturday alone we sold through our eleven Atlanta stores approximately 700 bottles at retail direct to customers.
- Have had the exclusive agency since September, 1916, and have sold over 75,000 bottles.
- JACOBS PHARMACY CO.
- Atlantic Ga. We gladly give our experience with Tanlac. We took the agency in October, 1915, and have sold to date 162,444 bottles at wholesale. Account very satisfactory.
- LAMAR-RANKIN DRUG CO.
- Birmingham, Ala. Since we began handling Tanlac we have sold 170,472 bottles in our territory.
- We have found it the largest seller we have in proprietary medicines.
- DOSTER-NORTHINGTON DRUG CO.
- Seattle, Wash. Since we accepted the wholesale distributing agency for Tanlac in this territory on March 14, 1918, we have sold 78,624 bottles of the preparation.
- STEWART & HOLMES DRUG CO.
- TANLAC TO BE SOLD OVER ENTIRE PROVINCE**
- In only a few weeks' time Tanlac will be placed on sale in practically every large city, town, village and hamlet in the province.
- A number of agencies already have been established in a very limited time, but it is desired by the manufacturers that the distribution be made more complete and far-reaching.
- Druggists and dealers who are interested should write or telegraph G. F. Willis, Fourth National Bank Bldg., Atlanta, Ga.

Earl Grey Has Difficult Task

London, Aug. 13.—Viscount Grey, it is learned, has not yet decided when he will go to Washington, although announcement of his plans is expected soon. His poor eyesight, which has given him much trouble, caused him to consent to only a short term as ambassador. A year ago it was heard he might become blind, but since then his eyes have improved, although he still does but little reading or writing.

Questions arising out of the peace settlement, which Bonar Law announced in the House of Commons to-day would require the attendance of Earl Grey, the new British Ambassador to the United States, are understood here to include a readjustment of the complicated financial relations between Great Britain and the United States growing out of loans and credits advanced by America. There also must be an almost immediate recasting of many existing treaties between the two countries, necessitated by the radical changes following the war. Many of these conventions date back for more than a century, and were said by officials to have been applied to modern conditions only by the exercise of the greatest liberality of construction. The LaFollette Shipping law swept away completely one treaty relating to the rights and duties of sailors and port authorities, and this never has been replaced.

In the early days of the war there were many issues between the State department and the British foreign office growing out of interference with American commerce by British warships, and British orders-in-council, and the many claims for damages by American ship owners and merchants pending when the United States entered the war are technically reopened. Earl Grey conducted the negotiations for his government.

There has been a suggestion, too, that conditions in Mexico were such as to demand consideration on an international basis in view of the large interests of foreign investors, and especially British, in that country. For a number of years the British government has refrained from enforcing demands upon Mexico for reparation for the killing of British subjects and for heavy monetary losses inflicted on British individuals, preferring to leave to the United States the adoption of measures to meet these conditions. It is believed now that one of the first duties of Viscount Grey will be to attempt a permanent settlement of the British issues with the Mexican government after reaching a satisfactory understanding with the American state department.

Liberal Leader to Run in Glengarry

Ottawa, Aug. 13.—That Hon. W. L. MacKenzie King, recently elected Leader of the Liberal party, will seek election in the vacant constituency of Glengarry—Stormont now appears, certain. It was rumored that he might seek entry to the commons through Quebec east represented, prior to his death by the late Sir Wilfrid Laurier but it is generally felt that this would not be politically wise or judicious on his part.

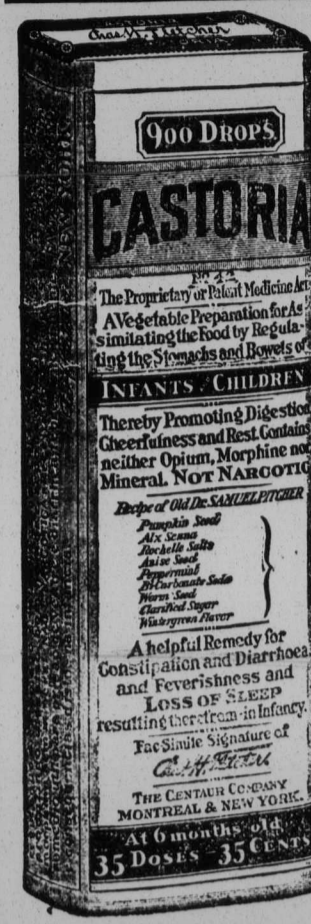

Glengarry electors are very largely of Highland Scotch and French Canadian stock. Mr. King is of the former ancestry and his running in Glengarry would no doubt be popular. The seat is traditionally Liberal, while Stormont tacked onto it through the last redistribution, is good fighting ground.

It has been stated that a farmers' candidate would be in the fight in Glengarry. This would present some difficulty inasmuch as it would not be an auspicious thing for Mr. King to open his career as Liberal leader in opposition to the farmers' organizations. The same, however, would be true of North Ontario or Assiniboia.

BLIND MAN RUN OVER

While playing a piano accordion on the streets of Chatham Saturday evening, J. G. Gorman, of Hamilton, Ont. a blind man, was run over by a reckless driver. Mr. Gorman's left arm being badly damaged. A warrant was sworn out for the culprit's arrest Monday, but before it was served the accused had escaped on the harvest excursion.

Charlottetown, Aug. 14—Speaking before the Rotary Club today, Chief Justice Matheson, President of the Prince Edward Island Branch of the Navy League said that with the \$250,000 allotment for this province out of the general fund, ten thousand dollars would be expended for purchase and equipment of sailors' institute ten thousand for an endowment fund and five thousand for extension of in-

Weekly Agriculture Report

In many districts, haying is practically completed. In others, and particularly in the Eastern part of the Province, considerable remains to be cut. From this section comes the report that owing to farm labor being scarce and the weather unfavorable, much hay will be too old before cutting to make the best fodder.

High prices of clover and grass seed are encouraging more farmers to save seed for their own use and to sell. There is more clover and timothy being saved for seed than has been for some years. Clover is seedling exceptionally well and gives promise of a good yield.

Grain crops are ripening in some Counties. Some barley has been cut in Carleton County. Oat harvest will start this week in that County, although it will not be general until next week. In the Northern and Eastern Counties the crops are about ten days later. Generally speaking the grain crops look well and will be up to the average. Local storms have done damage in some districts to the crop.

Potatoes have been benefited by recent rains and are continuing to make good growth. No blight has been reported up to the present, although some cobbler fields are showing the effect of the wilt. The crop generally can be said to be well up to the average for the time of year, taking the province as a whole. In some sections they are slightly below while in others they are above.

Under Livestock it is stated that there seems to be very little demand for young pigs, while the market for pork continues strong. Beef is quoted at 14 cents dressed weight. A report from Victoria County states that ten car loads of calves and young stock have been shipped out of that County during the week. They were purchased largely by Jewish buyers. No price was given but it was stated that it was higher than usual. Pastures are keeping in splendid condition for live stock. It has been an exceptionally good year in that respect and all classes of stock are in good condition.

Farming Mill Selection

The true function of the fanning-mill is to remove weed seeds, light grain and any coarse material that may be present. For this work it is indispensable; no seed should be sown which has not been thoroughly cleaned and graded. There are, however, certain limitations to this method of selection which are not always appreciated by the grain grower.

All impurities cannot be removed by the use of the fanning-mill as is sometimes claimed. It is true that a large part of them will be removed, but there are always kernels of wheat, oats, and barley that cannot be separated. A short, plump, pin out will be removed from wheat nor will the long, pump kernel of wheat be removed from oats. Barley and oats present a very difficult problem and the per cent of impurities remaining is much larger.

Fanning-mill selection maintains the yield of a pure variety, but does not increase it as many suppose. The constant increase in yield that some have obtained from year to year has been due to the fact that originally their seed was impure, and the larger seeds happening to be the most productive, were selected to the exclusion of the smaller and less prolific grains. Also, by the accidental mixture of a few large seeds of another sort, it can be easily understood how the type of variety may be altered if fanning-mill selection alone is practised. However, this possibility can be avoided, and should not deter any person from the use of the fanning-mill. Unless the grain is thoroughly selected by this method, seeds that are low in vitality will be sown, the result being either a defective germination or else weak plants that are handicapped throughout the season by a poor start. Grain from such plants is inferior in size and plumpness and reduces the quality and yield of the general crop.

To grow pure grain of strong vitality, the fanning-mill must be used in conjunction with the seed plot. In this way fanning-mill selection reaches its highest point of efficiency. All plants that are different in type can be removed before harvesting and this leaves to the fanning-mill only the work of rejection of the weed seeds and inferior grain. This combination ensures pure grain and maximum production.

INTESTINAL PARALYSIS

"Fruit-a-lives" Quickly Relieved This Chronic Trouble

589 CASBARIAN STREET, MONTREAL.

"In my opinion, no other medicine is so curative for Constipation and Indigestion as 'Fruit-a-lives'."

I was a sufferer from these complaints for five years, and my sedentary occupation, music, brought about a kind of Intestinal Paralysis, with nasty Headaches, belching gas, growliness after eating, and pain in the back.

I was induced to try 'Fruit-a-lives' and now for six months I have been entirely well". A. ROSENBERG.

LEMONS WHITEN AND BEAUTIFY THE SKIN

Make this beauty lotion cheaply for your face, neck, arms and hands.

At the cost of a small jar of ordinary cold cream one can prepare a full quart of the most wonderful lemon skin softener and complexion beautifier, by squeezing the juice of two fresh lemons into a bottle containing three ounces of orchard white. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whiter and beautifier.

Just try it! Get three ounces of orchard white, at any drug store and make up a quart pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It is marvelous to smoothen rough, red hands.

ROD AND GUN

Bonnycastle Dale, the well-known Canadian Naturalist, is the author of the leading article in ROD AND GUN IN CANADA for August, it is entitled "Salmon Fishing At Campbell River." The wondrous beauty of the Campbell River Falls is to be seen in the page photo-illustration that accompanies the article. Other articles and stories of note are: "Tahar The Turtle," by A. O. Phillip; "Rideau and Trent Canals," by L. Sherwood; "The Beverley and Newboro' Lakes," by Tych Boushall, and "The Summer Call To The Northland," by Walter Thornton. An illustrated account of the 1918 Tournament of the N. S. Geides also appears in this splendid issue. Along with the usual high grade Guns and Ammunition, Fishing, Kennel and Conservative Departments, Canada's premier outing monthly is published by W. J. Taylor, Limited, at Woodstock, Ont.

WEDDINGS

FURLLOTTE—DUGUAY.

Newcastle, Aug. 12—The marriage of Anthony Furlotte, of Jacquet River and Miss Matilda Duguay, of Chatham Head was solemnized yesterday morning in St. Patrick's church, Nelson. Rev. Father Power performed the ceremony. They were attended by Mr. Walter and Miss Irene Furlotte, brother and sister of the groom. Mr. and Mrs. Furlotte left for a short trip to Jacquet River, after which they will reside at Chatham Head.

The groom recently returned from overseas.

McKINNON—POWER

Newcastle, Aug. 13—St. Patrick's church Nelson, was the scene of a very pretty wedding yesterday morning at 7.45 o'clock when Miss Nellie Power, of Nelson, came the bride of Eimer McKinnon, of Douglastown, C.N.R. operator at Rogersville. Rev. Father Power performed the ceremony. Miss Stella Power, sister of the bride, was bridesmaid, and the groom was supported by his brother, Mr. Colin McKinnon. The bride wore a becoming gown of white crepe de chene with veil and orange blossoms, and carried a bouquet of pink and white carnations. The bridesmaid was gowned in pale blue crepe de chene with silver trimmings and carried a bouquet of sweet peas. A wedding breakfast was served at the bride's home, after which Mr. and Mrs. McKinnon left for a wedding trip to Toronto. They will reside at Rogersville. The bride's going away dress was of grey silk with blue hat with pink trimmings and marabout furs.

The bride received many valuable gifts. The groom's gift was a substantial cheque and to the bridesmaid a cameo ring.

HOW YOU CAN TELL GENUINE ASPIRIN

Only Tablets with "Bayer Cross" are Aspirin—No others!

If you don't see the "Bayer Cross" on the tablets, refuse them—they are not Aspirin at all.

There is only one Aspirin, that marked with the "Bayer Cross"—all other tablets are only acid imitations.

Look for the "Bayer Cross"! Then it is real Aspirin, for which there is no substitute.

Aspirin is not German but is made in Canada by Canadians, and is owned by a Canadian Company, all rights being purchased from the U. S. Government. Genuine "Bayer Tablets of Aspirin" have been proved safe by millions for Pain, Headache, Neuralgia, Colds, Rheumatism, Lumbago, Neuritis.

Handy tin boxes of 12 tablets—also larger "Bayer" packages, can be had at any drug store.

Aspirin is the trade mark (registered in Canada), of Bayer Manufacture of Monoaceticacidester of Salicylicacid.

KING COLE PEKOE ORANGE TEA

"A Cup of Rare Delight"

FRAGRANT and full of flavor. The quality of KING COLE Orange Pekoe is well expressed in the phrase "The 'Extra' in Choice Tea." Always ask for it by the full name KING COLE Orange Pekoe.

Perfectly packed in bright lead foil and price marks on every package.

Barrett's EVERLASTIC RUBBER ROOFING

You can see the quality of Barrett's Everlastic "Rubber" Roofing as soon as you open the roll.

The best of materials, the utmost skill possible in manufacture, and the experience of over sixty years in making high-grade roofings goes into every roll.

Thousands of rolls of Barrett's Everlastic Roofing have been used by the Canadian and U. S. Governments, the leading railroads, and the largest contractors in the country. Dollar for dollar, it is the best "rubber" value obtainable today.

Don't waste your money on poor roofing that will need to be renewed in a short while. It will pay you a better bet to insist on Barrett's Everlastic and see that you get it. The name Barrett is your guarantee against disappointment. You will find it on every roll of the genuine Barrett Roofing.

WELCOME TO OUR HEROES

Newcastle should open its heart on Wednesday 27th inst. to her noble sons, who dared death on the battle-scarred fields of Europe, that liberty and justice might not perish. The gallantly decorated streets and buildings, the myriads of flags, the somewhat gorgeous electrical displays and the varied programme of amusements will be but the symbol of this town's warmth of feeling, for those who offered their lives for King and country. On no previous occasion has there been so much cause for thankfulness and rejoicing, and if for many there are mixed feelings of joy and sorrow—sorrow because of loved ones who will not return—the desire to honor the men who on that day have first place in our thoughts will be the greater, for their presence among us emphasizes the heroism and sacrifice of the loyal sons of our town who sleep peacefully in the quiet cemeteries 'over there.'

When the flame, which eventually involved almost the entire world as belligerents was lighted by Germany's ruthless ambitions, the young men of Newcastle and the Province at large flocked to the colors. They crossed to France full of hope, and from that day until the end of the war, they justified the confidence which we placed in them and won for Canada a proud name among the nations of the world. As soldiers they ranked with the best British regulars, which is a compliment few armies ever had paid to them. The people at home were thrilled with pride by the reports of their bravery and willingness to die rather than bow to an enemy who knew no right and who in fighting disregarded all the rules of international warfare. As a result of their initiative and devotion, coupled with that of the victorious allies the world was made safe for democracy. The British Empire stands impregnable, mightier and more solid than ever. And so, on that day set apart for their reception Newcastle should welcome its sons who fought for us overseas, not as returned soldiers for whom we must shape the course the nation must follow, but as brothers who must work with us, who have come back to assume their full share of the social and political responsibility which has been tremendously increased by the crisis through which Canada has passed.

THE EBONY BLOCK
CAST

Peet WhiteThe Lightning Raider
Henry GellThomas Norton
Warner GrandWu Fang
Frank RedmanHop Sing
"The Lightning Raider" is the sobriquet given to the cleverest thief in the world by her associates of the underworld. Beautiful, daring and gifted with super-intelligence, she matches her wits against the powers of the law and always comes out best in every encounter. The pretty profits of ordinary thieving are scorned by "Lightning," who always plays for big game. A hundred thousand-dollar painting, a gem so rare and large that it is practically priceless, or a paper that may change the destiny of a nation, will lure this girl, but common burglary or even bank robbing are far below her intelligence. She is a thief-de-luxe, a feminine Raftes who stoops for sheer love of the game. In the first episode of "The Lightning Raider" she is revealed playing the game she loves. She is in the control room of the Museum of Art in New York City. It is ten-thirty at night and Lightning has just spread adhesive tape over a glass case contain-

ing the thing that has lured her. It is a squat Karatal vase, turquoise-hued, pot-bellied as when it was moulded, by the cunning hand of Chien Liang centuries before. Ugly as sin and as priceless as virtue it stretches forth unseen hands to the girl. She knows that two policeman are waiting below the window by which she has entered the museum, to capture her when she leaves; but, she quietly cuts the glass top of the case, removes the detached section fixed to the adhesive tape and reaching in brings out the hideous little vase worth a king's ransom. Fooling the police who were waiting below, by a trick, she slid down the rainpipe to the ground and jumped to the running board of a passing taxi in which reclined Thomas Norton, a young millionaire. The police soon followed in another taxi and when the chase became too hot she thrust the precious vase into Tom's hands, and jumping from the cab, made her escape via an elevated train. An hour later she visited Tom at his apartment and found him terribly agitated over the theft of an ebony block, a token left him by his father at the time of his death. He suspects Wu Fang, a crafty Chinese criminal, and Lightning, who is Wu Fang's most hated enemy, agrees to help him find the block. The next day she takes him to Wu Fang's den, which is built at the convergence of two sewers beneath New York and through an aperture they see him at his desk with the ebony block in his hands. Then they return to the street and Tom tells Lightning the history of the block. His father had years before been employed by Wu Fang in the rubber forests of Brazil. He had fallen in love with a beautiful Chinese girl whom Wu Fang was holding prisoner, and had finally taken the girl and fled to America. The ebony block was Wu Fang's most cherished possession and they had taken it in order to have a hold on Wu Fang. Years later Tom's father had been mortally wounded by an emissary of Wu Fang, who had never ceased in his attempts to secure the block and before his death had given it to Tom with the injunction to guard it as he would his own honor as it was the most dangerous thing in the world. Lightning then told Tom to return to his apartments and she started out to have her first interview with Wu Fang. She found him in his den, came down to business at once. She demanded the block but Wu Fang clasped his hands and half a dozen villainous-looking Chinks entered the room. Lightning immediately clasped her hands, and six of her men followed the Chinks into the room and covered them with revolvers. Wu, apparently beaten told Lightning to open a chest and get the block but as her hand touched the chest she turned suddenly and asked where he kept his snakes. His crestfallen look revealed that she had guessed rightly and to have opened the chest would have meant sudden and horrible death. Then he pointed to another chest but as Lightning stood in front of it she suddenly grasped a shelf overhead and hung on as the hidden trap door dropped leaving her suspended by her hands. She quickly swung her little body to the floor and said to Wu, "Now that you have used up your old tricks give me the block," emphasizing her words with a revolver pointed at the China man. He drew it from the capacious folds of his sleeve and handed it to her. A new episode of "The Lightning Raider" will be shown on Monday of each week at the Happy Hour.

Visit Newcastle on Wednesday Aug. 27th the big set day in the history of the North Shore.

Guard Baby's Health
In The Summer

The summer months are the most dangerous to children. The complaints of that season, which are cholera infantum, colic, diarrhoea and dysentery, come on so quickly that often a little one is beyond aid before the mother realizes he is ill. The mother must be on her guard to prevent these troubles, or if they do come on suddenly to cure them. No other medicine is of such aid to mothers during hot weather as is Baby's Own Tablets. They regulate the stomach and bowels and are absolutely safe. Sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

The advent of the automobile has brought forth a class of people who, although they toil not, often go for a spin. It is more of a compliment to be trusted than to be loved.

COPENHAGEN
CHEWING TOBACCO

Copenhagen is used differently from ordinary chewing tobacco. Take a small pinch, for a start, and put it between the lower lip and gum, in the centre. Afterwards you can increase the size of the pinch to suit the strength of the chew you desire. Copenhagen is strong, because the tobacco of which it is made is cut into fine grains, which makes it impart its strength thoroughly and quickly. Hence, a little "chuck" goes a long way, showing that Copenhagen is not only an unusually economical chew, but also one of the finest quality, being made of the best, old, rich, high-flavored tobacco.

Newark, N. J.—"For about three years I suffered from nervous breakdown and got so weak I could hardly stand, and had headaches every day. I tried everything I could think of and was under a physician's care for two years. A girl friend had used Lydia E. Pinkham's Vegetable Compound and she told me about it. From the first day I took it I began to feel better and now I am well and able to do most any kind of work. I have been recommending the Compound ever since and give you my permission to publish this letter."—Miss FLO KELLY, 476 So. 14th St., Newark, N. J.

Mac of the C. P. R.

To the thousands who pass through the gates at Place Viger Station, Montreal, year in and year out it is hardly necessary to introduce the genial official who greets the travellers, he is "Mac". That's "Mac". The hundreds who spend their holidays up in the Laurentian mountains; the hundreds who have their summer cottages on the line, all know Mac and he knows them, and intimately. There are lots of little things that Mac does for his travelling friends that earn their everlasting gratitude. You see, Mac is not merely a station-master, sort of man and official in attitude, but he is an advisor—a friend—in whom the patrons of the C.P.R. can rely when they are in travelling difficulties. And they always get satisfaction. Mac is known to go out of his way to help the travelling public and it is doubtful whether any C.P.R. station official has more friends than Mac. His temper never seems to suffer, despite the trying times he sometimes has and even the most humble traveller is assured of a courteous and kindly reception at Mr. Maguire's hands.

Mac is a Popular Man. When the trains bring him back to the heroes of the way pulled in, many hands were shed through the car windows to shake hands with Mac, who being a veteran of 1885 himself, has always had a warm spot in his heart for the "old" laddie. Mr. Maguire was under fire in the rebellion of 1835 and bore the medal and the Saskatchewan bar. He also possesses the good conduct medal and has been thirty years in the employ of the Canadian Pacific Railway. As a station-master, Mac is ideal. His courteous, his friendliness and his heartiness have won for him the

esteem, not alone of the travelling public but of his superior officers. He can enforce discipline but still retain his friends—surely an excellent quality. Here's to Mac! Long may he preside over the destinies of the travellers who go and come in the Place Viger Station—From The Montreal Standard.

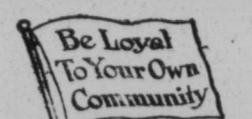

Tender forms and Specifications can be obtained at the office of the General Tie Agent, No. 9, Toronto Street, Toronto.

Tenders will not be considered unless made on forms supplied by the Railway.

No tender for quantities less than 10,000 ties will be considered.

The lowest or any tender not necessarily accepted.

I Regained My Health

And Dr. Chase's Nerve Food Will Do as Much for You Under Similar Conditions.

Because we all have nervous systems which get out of order at one time or another it is of vital importance that we know the best means of restoration.

When we get tired and languid, suffer from headaches and irritability, find difficulty in obtaining rest and sleep and begin to feel downhearted and discouraged, it is because the nerves are not obtaining proper nourishment.

Medical treatment must necessarily fail unless it supplies nutrition to the starved and depleted nerves. This is exactly why Dr. Chase's Nerve Food has proven so wonderfully successful. Through the medium of the blood it feeds the exhausted nerves back to health and vigor.

This letter explains how it succeeds in the most stubborn cases. Mrs. S. Mearns, 22 Hyla street, London, Ont., writes: "About a year ago I had a complete collapse from my nerves. I was taken to the hospital for a treatment, but it did not give me much relief. When I was brought home again, I went to the country for a change of air. I seemed to be a little better while there, but after my return home I did not feel much better. I used to have nervous spells when my limbs would begin to shake, then grow cold, and I would be completely exhausted. I was also troubled with an accumulation of gas on my stomach, which caused palpitation of the heart. At last I decided to try Dr. Chase's Nerve Food, and after I had used them for a while, I could see that they were helping me, so I continued using them until I became quite well again. I became real strong and healthy, could sleep well at night, and was able to do my own housework. As I got stronger, the nervous spells disappeared, and I have not had one since."

Dr. Chase's Nerve Food, 50 cents a box, a full treatment of 6 boxes for \$2.75, at all dealers, or Edmondson, Eaton & Co., Limited, Toronto. Do not be talked into accepting a substitute. Imitations only disappointing.

New H.C. Of Living Board

Ottawa, Aug. 13—The Canadian Board of Commerce has been officially constituted with Judge Robson, of Winnipeg, as chairman and W. F. O'Connor, K. C., former cost of living commissioner, as second member and these two gentlemen have had a conference with the Government and have already started work.

Judge Robson arrived in Ottawa today and shortly afterward met members of the Government. The third member of the board it is expected, will be named within a couple of days. The board will act under the combined and fair prices act and is given power to institute investigations on its own motion or at the request of ministers or other responsible persons bringing matters to the notice of the board.

When seen this afternoon by the Canadian Press, Judge Robson was emphatic in his statement that there would be no fuss and formalities attached to the working of this board.

The chairman of the new board stated, however, that the board would of necessity investigate the facts behind a complaint before holding sittings at any point. This was necessary, he stated, because the board has jurisdiction from coast to coast and a complaint might take them from Halifax to Vancouver on a wild goose chase if it were only made because of some mans theory.

The two members of the new body had a long conference this afternoon, and will be together most of the time during the next few days drawing up simple rules of procedure and getting together the necessary small staff and officers organization for their work.

Suppressed Sinn Fein Meetings

London, Aug. 14 The government announced that owing to increase in crimes in County Clare it has been decided to suppress all Sinn Fein and kindred organization in that county.

Several despatches received recently from London have told of disturbances in Clare and East Clare. On Aug. 3rd a party consisting of twenty to thirty men attacked the Broadfield police barracks. A brisk fire was maintained upon the barracks for more than an hour, with the police answering it. One constable was said to have been slightly wounded. Two days later at Ennistimon, County Clare, Sergeant Flordan and Constable Murphy were shot and killed, while on Aug. 9 at Molins, East Clare, some thirty men attacked a police hut with rifle and revolver fire. This fight lasted more than an hour. None of the police were hit, but the despatch said it was believed two of the attackers were wounded.

A proclamation issued from Dublin Castle July 7 declared all Sinn Feiners and the Irish Volunteers in the County Tipperary unlawful associations.

Some men voluntarily join the ranks of the benedicts, and some have to be drafted.

Occasionally a man spends a lot of time at his club because there is no place like home.

Even if Adam had eaten the apple first he would have claimed that Eve dared him to do it.

Disappearing Forests

We are beginning to realize at last (says a writer in Conservation), that our Canadian forests are disappearing very rapidly, but very few, even among those of us familiar with our woods, appreciate how fast this process has actually become. Fires, insects and fungi are the greatest enemies we have to deal with. The fire problem is rapidly being solved. The injuries by insects and fungi, on the other hand, have, until recently, been practically unrecognized. The actual conditions, however indicate that these injuries are annually much greater in our forests than those caused by fires. This subject is of the utmost importance to the lumbermen and Provincial authorities of Eastern Canada and should receive immediate and very serious consideration.

Hon. P. J. Veniot In Accident

With Mr. Hill driving the car, Hon. Mr. Veniot left Fredericton last Wednesday morning, accompanied by Harvey Mitchell, an official of the Federal Agricultural Department and Tiley Maxwell, an official of the Provincial Department of Public Works. The bridge, where the accident occurred, is at the foot of a steep hill down which they coasted, and it is believed they were running at too fast a speed to make the required turn which caused them to crash through the railing.

Another auto party coming along soon afterwards found the wrecked car turned upside down on a pile of logs in the bed of the stream some fifteen feet below the level of the bridge with four of its occupants pinned under the wreckage. They were extricated, and later it was said that their injuries consisted only of some painful bruises.

ROYAL YEAST CAKES

Royal Yeast has been the standard yeast in Canada for over 50 years, and it is a well known fact that bread made with Royal Yeast possesses a greater amount of nourishment than that made with any other.

Funeral of Late Andrew Carnegie

Lenox, Mass., Aug. 14—The funeral of Andrew Carnegie was held at Shadow Brook, his summer home in the Berkshires today. There was no eulogy and there were no pall bearers. The service was as simple as were the habits of his life.

Fully one half of the sixty persons present were members of the household. The others were intimates of the family.

The ritual of the Presbyterian Church was used by the officiating clergyman, Rev. William Pierson Merrill, of the Brick Presbyterian Church, Fifth Avenue, New York.

A mixed quartette from this church sang the three hymns which have been the favorites of the philanthropist and former iron master.

Interment will be this afternoon in a lot chosen by Mr. Carnegie some years ago at Sleepy Hollow, near Tarryton N. Y.

Andrew Carnegie had given away \$350,695,653 up to June 1, 1918 according to a compilation of his benefactions prepared by the Carnegie Endowment for International Peace. He is said to have died with only about \$30,000,000 left. His principal gifts are summarized as follows:

Carnegie Corporation of New York \$125,000,000.
About 3,000 library buildings, \$60,000,000.
College endowments, \$17,000,000.
Church organs, \$6,000,000.
Carnegie Institution, Washington, R. C., \$22,000,000.
Carnegie Foundation for the Advancement of Teaching, \$16,000,000.
Carnegie Institute of Technology, \$10,000,000.
Endowment for International Peace, \$10,000,000.
Steel workers' pensions, \$4,000,000.
Church Peace Union, \$2,000,000.
Hague Peace Palace, \$1,500,000.

MILLED OF BLENDED WHEAT

"Beaver" Flour is just as good for Pastry as for Bread. It is the product of Ontario winter wheat, blended with western spring wheat to increase the strength. "Beaver" Flour has the best qualities of both kinds of wheat—the whiteness, lightness, delicate flavour and perfect Pastry making qualities of Ontario winter wheat—coupled with the extra strength of western spring wheat. Being scientifically blended in exact proportions, the blended wheats are always the same in strength and quality—and so is the flour.

If you have never tried a blended flour, you cannot imagine what a difference there is between "Beaver" Flour and the usual western spring wheat flours. Get a sack of "Beaver" Flour at your dealer's, and try it for yourself.

OCCUPIED ST. JAMES PULPIT
The Pulpit of St. James' Presbyterian Church was occupied at both services last Sunday by Rev. W. Whelpley of Kouchibouguac, Kent Co. The Rev. Mr. Whelpley is a returned veteran, and his discourses were attentively listened to by the congregation.

SUNDAY SCHOOL PICNIC
The Methodist Church held their Sunday School Picnic at Bushville last Wednesday. The str Max Aitken conveyed the children and their friends to the grounds and returned them again to their homes. A large attendance of children and friends thoroughly enjoyed the outing and the children were provided with all the outdoor games and amusements usually given at entertainments of this kind. A hearty lunch was partaken of by all present and the picnickers returned to their homes, after enjoying a pleasant day.

MAN KILLED AT MONCTON SPEEDWAY
Moncton, August 15—Hugh Watson, of St. John, died in the City Hospital here this afternoon as the result of injuries received during the runaway of Harry Mac, one of the horses in the 230 class, at the race track yesterday. The runaway horse hurdled the fence near where Watson was standing and he was struck on the head by the animal. Nothing serious was thought of Watson's injuries at the time, but about an hour later his head began to trouble him and he was taken to the hospital where he shortly afterwards elapsed into unconsciousness, dying about four o'clock this afternoon.

METHODIST CHURCH OFFICIAL BOARD MEETING
The first quarterly meeting of the Methodist Church official Board was held on Monday evening 11th inst. The salary for the pastor this year was fixed at \$1200 over and above horse hire. The following were appointed delegates to the Finance Meeting of the North Shore District to be held in Newcastle, Aug 28th; Messdames J. H. Pothanier and T. W. Crocker, Misses Edith McLean, and Maud Atkinson, Messrs John H. Ashford, J. R. Allison, J. Robinson Allison, A. E. Petrie, H. T. Atkinson, H. H. Stuart, Howard Williston, and Joseph Sobey of Maple Glen. A Resolution expressing regret at the approaching departure of Mr. H. H. Stuart was adopted.

RECEIVED INJURIES
Last Wednesday evening while motoring with some friends, Miss Lyle McCormack, noticing some sparks coming from the car and thinking that it was on fire, became so startled that she attempted to jump from the automobile, with the result that she was badly bruised about the face and arms and rendered unconscious. She was conveyed to Chatham by her friends but they were unable to locate a Doctor and did not receive medical attention until the party reached Newcastle, where her injuries were attended to by Dr. Nicholson which did not prove to be very serious. Miss McCormack is extremely fortunate in not receiving more serious injuries as the car was running at a fair rate of speed at the time and the road was of a hard rocky nature.

DRS. REFUSE TO ISSUE PRESCRIPTIONS
It is reported that the members of the medical profession in town have decided to absolutely refuse to issue any prescriptions for alcoholic liquor under the N. B. Prohibition Act. This is due in a large measure to the humiliation they have undergone by the Prohibition Inspectors. The Chatham Doctors have advertised their intention of refusing and the Newcastle fraternity have fallen in line. What the result of such a crisis will be is in doubt, but it is likely the government will step in and bring about a solution of the difficulty.

SILVER WEDDING ANNIVERSARY
Chief Train Despatcher and Mrs. Matthew McCarron celebrated the silver anniversary of their wedding last Thursday night. Some 40 friends were present and the evening was very pleasantly spent with music and various other kinds of social intercourse, supper being served. The musicians of the evening were Misses Margaret Sullivan, Mrs. Jos. Smallwood, of Halifax, James Sullivan and Miss Mary McCarron Mr and Mrs. McCarron were presented with a handsome silver service by the friends of the family, while the members of the family gave a beautiful sandwich tray.

NEW SERIAL AT OPERA HOUSE
The Happy Hoff presented the first episode of the new serial "The Lightning Raiders" last Monday night before a packed house

This new serial is in a class by itself, featuring "Pearl White" in a series of daring, ingenious and miraculous escapades, stunts and thrills. This serial is in fifteen episodes, and will be shown every Monday evening until finished. It has received wonderful recognition and judging from the first episode, it is sure to hold its world renowned reputation as being the finest serial yet produced. For the benefit of those who were unable to attend the first episode, a synopsis of same will be found elsewhere in this issue and we would strongly urge our patrons to read this synopsis and in future "Fall Not" to see the remaining episodes. There is no question but this serial is the best yet shown in Newcastle.

WENT TO ST JOHN
A number of our local returned soldiers attended the celebration given in honor of the Returned Soldiers of the Province by St John last Thursday and also took part in the reception tendered the Prince of Wales on Friday. They all speak highly of the manner in which they were treated and report that the reception given the Prince of Wales was one which will not soon be forgotten.

SOCIAL DANCE.
A social dance was held in the Town Hall last Friday evening at 8.30 o'clock. A large attendance was present and an enjoyable evening spent. Music was furnished by McEachern's Orchestra and was thoroughly enjoyed by all. The Secretary of the committee holding the dance was Mr. D. A. Jackson, who is in a large measure responsible for the pleasant affair. The Chairmen were Messdames, E. H. Sinclair, W. A. Park, C. D. Manny, J. R. Lawler, L. D. Murray, J. Robinson, W. L. Darick, G. P. Burchill, A. Tracey Goud and D. S. Creaghan

RETURNED SOLDIERS RECEPTION
The different committees in charge of the Returned Soldiers reception have completed their arrangements and if the weather man is generous the 27th of August promises to be a banner day in the history of Newcastle. The Parade Committee have decided to give cash prizes of twenty five dollars each for the best band and for the most original Polymorphian float. With this as an incentive the public is assured of a Parade as never before seen in the Province. A committee made up of Mayor Doyle, C. P. McCabe and A. H. Cole are arranging for out door amusements on the Park and at the Farrell Field. They have in view many features for the amusement of young and old alike. Two huge wheels of Fortune featuring Dolls, Teddy Bears and Chocolates. The famous Hoop-La game, Canes, Hit-the-Mole. All sorts of games of chance and games of skill. Every minute you spend and every dollar you invest will bring you big returns in fun and money. Every store in the town will be closed that day and the Captain on the Park will take care of your inner man. The several committees have worked hard and long to make this Reception a success and the residents of the County from Boiestown to Tabusintac are already making their plans to attend what is sure to be the BIGGEST DAY ON THE NORTH SHORE.

The Man Who Wins
Is Always Full of Life and Energy—Failures are Weak and Bloodless.

Some men seem to have all the luck. If there are any good things going these men seem to get them. They make other people do their will—they are leaders. If they are business men they are successful; if they are workmen they get the foreman's job. They have the power of influencing people.

The same thing is true of women. Some have the charm that makes men seek them out; others are always neglected. But this is not luck. It is due to a personal gift—vitality. Men and women of this sort are never weak, puny invalids. They may not be big, but they are full of life and energy. The whole thing is a matter of good blood, good nerves and good health. Everyone would wish to be like this and the qualities that make for vitality and energy are purely a matter of health. By building up the blood and nerves sleeplessness, want of energy, weakness of the back, stooping shoulders, headaches and the ineffectual sort of presence which really comes from weakness can all be got rid of. Dr. Williams' Pink Pills have made many weak, tired men, vigorous and healthy, and many pale, dejected girls and women plump, rosy and attractive, by improving their blood and toning up their nerves. If you are weak, ailing, lowspirited or unhealthy, begin to care yourself today by the use of Dr. Williams' Pink Pills. You can get these Pills through any drug store or you can get them through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co.
