wise beyond all other men, knew my
language of animals, and could talk with
the beasts of the field and the birds of
the air. A rabbinical story is told of
him, which is in this wise:

One day the king rode out of Jerusalem with a great retinue. An ant-hill
lay directly in his path, and Solomon
heard its little people talking:
"Here comes the great king?" he
heard one say. "His flatterers call him
wise and just and merciful; but he is
about to ride over us and creat as with-

wise and just and mercutur, but he is about to ride dyek us and crush us with-out heeding our sufferings." And Solomon told the Queen of Sheba, who rode with him, what the ant said. And the queen made him an answer:
"He is an insolent creature, oh, king !

It is a better fate than he deserves, to be trodden under our feet."

But Solomon said: "It is the part of wisdom to learn of the lowest and weak-est." And he commanded his train to turn aside and spare the anti-hill. Then all the courtiers marvelled great-ly, and the Queen of Sheba bowed her head and made obeissnes to Selemon: "Now know I the secret of thy wis dom. Theu listenest as patiently to the reproaches of the humble as to the flat-

teries of the great." The Vagaries of Juries.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system. No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital or-

Bilious, Remittent, and In-

termittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Ro-anoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derange-ments of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these vari-ous organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's Vinegar Bitters, as they will speedily remove the dark-colored viseid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

*Fortify the body against dis-

case by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed. Dyspepsia or Indigestion, Head-Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters and Miners, as they advance in life, are sub-Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of Walker's Vinegar Bitters occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carluncles, Ringworms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally whatever name or nature, are literally dug up and carried out of the system in a ime by the use of these Bitters. Pin, Tape, and other Worms, lurking in the system of so many thou-sands, are effectually destroyed and reoved. No system of medicine, no ver

mifuges, no anthelminities will free the system from worms like these Bitters. For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence Cleanse the Vitiated Blood Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.
