PRAYERS.

The Honourable the Speaker informed the Senate that he had received a communication from the Secretary to the Governor General stating that His Excellency the Governor General would proceed to the Senate Chamber to open the Sixth Session of the Parliament of Canada this day at three o'clock in the afternoon.

The Senate adjourned during pleasure.

After a while, His Excellency the Governor General having come, and being seated on the Throne,—

The Honourable the Speaker commanded the Gentleman Usher of the Black Rod to proceed to the House of Commons and acquaint that House that,—

It is His Excellency the Governor General's pleasure that they attend him immediately in the Senate Chamber.

The House of Commons being come,

His Excellency the Governor General was then pleased to open the Sixth Session of the Eighteenth Parliament by a Gracious Speech to both Houses, as follows:—

Honourable Members of the Senate:

Members of the House of Commons:

During the months which have elapsed since the close of the special session, my Ministers have given unremitting attention to the organization and prosecution of Canada's war effort. The Government has been in constant consultation with the Government of the United Kingdom, and the measures adopted have been those which it is believed will best serve the common cause.

Vigorous action has been taken through all branches of the armed forces to provide for the security and defence of Canada, and for co-operation with the Allied forces on land, on sea and in the air.

For the effective prosecution of the war, Canada's industrial, financial and other resources are being steadily mobilized and all war activities co-ordinated. The production and marketing of agricultural and other primary products have been given constructive direction; and safeguards have been provided against undue enhancement, under war conditions, of the prices of food, fuel and other necessities of life.

Since last you met the developments of the war have made increasingly clear the nature of the struggle in which we are engaged. The very existence of nations that cherish independence and democratic ideals is menaced by enemy forces of ruthless aggression which aim to dominate mankind by terror and violence. The Canadian people have shown their determination to share with Britain and France to the utmost of their strength in the defence of freedom.

My Ministers are of the opinion that the effective prosecution of the war makes it imperative that those who are charged with the grave responsibility of carrying on the government of Canada should, in this critical period, be

fortified by a direct and unquestioned mandate from the people. My advisers, accordingly, having regard to existing conditions and the stage of the life of the present Parliament, have decided upon an immediate appeal to the country.

Honourable Members of the Senate:

Members of the House of Commons:

In all that pertains to the discharge of your responsible duties, may Divine Providence be your strength and guide.

The Commons withdrew.

His Excellency the Governor General was pleased to retire.

The Senate was resumed.

The Honourable Senator Dandurand presented to the Senate a Bill intituled: "An Act relating to Railways."

The said Bill was read the first time.

The Honourable the Speaker informed the Senate that a copy of the Speech of His Excellency the Governor General had been left in his hands.

The same was read by the Honourable the Speaker.

On motion, it was—

Ordered, That the Speech of His Excellency the Governor General be taken into consideration on Tuesday, next.

The Honourable Senator Dandurand laid on the Table:—

Copies of Orders in Council passed under the authority of the War Measures Act since the close of the Special Session, up to and including 17th January, 1940.

The Honourable the Speaker presented to the Senate the Report of the Librarian, for the year 1939.

The same was then read by the Clerk, as follows:—

LIBRARY OF PARLIAMENT

REPORT OF THE LIBRARIAN FOR 1939

To the Honourable the Speaker of the Senate:

The General Librarian of Parliament has the honour to submit the Report on the Library for 1939.

Work on the Supplementary Catalogue of books donated and purchased during 1939 has been rapidly proceeded with and the Catalogue will be issued in a very short time.

On July 31st last, Mr. Oswald Soulière, French Cataloguer, who had been in the Library for twenty-eight years, was retired on superannuation. After competitive examinations, the Civil Service Commission appointed Mr. Lucien Lusignan to the vacant position. Mr. Lusignan is a Master of Commerce of the Montreal University and a graduate of the Library School of the same University. He had also previously been a Library Assistant since 1934.

The promotion of Mr. E. E. Trudel to the rank of French Senior Library Assistant created a vacancy in the position of Library Assistant. After having complied with the rules and regulations of the Civil Service Commission, Mr. Louis Tarte has been appointed to that position. Mr. Tarte is a B.A. of Ottawa University and a graduate of the Montreal University Library School.

The work of indexing the Catalogue on cards has been steadily going on.

During the year, some 80,000 volumes of Sessional Papers have been transferred to a large room in the Records Building allocated to the Library by the Minister of Public Works. While this does afford some relief, it does not settle the question of the congested state of the Library.

At the outbreak of war there was a great demand for British and Canadian documents published during and just after the last war; the Library fortunately had an adequate supply of these. Copies of all emergency legislation, white papers, and other documents were immediately ordered from England, and a standing order has been given to our English agents for all future publications.

The privileges of the Library have been given to the various visiting British missions.

There has been indeed a marked diminution in the output of books of general literature in England and France since the beginning of war; moreover the delivery of books from abroad has been delayed owing to the difficulty of transport. Nevertheless, to both the English and French sections of the Library many new and important works on economic, international, and historical questions, et cetera, have been added during the past year.

Among the more interesting or valuable donations received during the year were *The Great Chronicle of London*, a gift from the Rt. Hon. The Viscount Wakefield of Hythe, G.C.V.O., and from Frederick John Nettlefold, Esq., of London, the fourth and final volume of the *Catalogue Raisonné* of the pictures and drawings in his famous collection.

Respectfully submitted,

FELIX DESROCHERS,
General Librarian.

Ordered, That the same do lie on the Table.

With leave of the Senate, and—

On motion, it was—

Ordered, That when the Senate adjourns to-day, it do stand adjourned until Tuesday, next, at eight o'clock in the evening.

The Senate adjourned.

The House of Commons being come,

Their Speaker, the Honourable James Allison Glen, said:—

May it please Your Excellency,—

The House of Commons has elected me their Speaker, though I am but little able to fulfil the important duties thus assigned to me.

If, in the performance of those duties, I should at any time fall into error, I pray that the fault may be imputed to me, and not to the Commons, whose servant I am, and who, through me, the better to enable them to discharge their duty to their King and Country, humbly claim all their undoubted rights and privileges, especially that they may have freedom of speech in their debates, access to Your Excellency's person at all seasonable times, and that their proceedings may receive from Your Excellency the most favourable interpretation.

The Honourable the Speaker of the Senate answered:—

MR. SPEAKER,—I am commanded by His Excellency the Administrator to declare to you that he freely confides in the duty and attachment of the House of Commons to His Majesty's Person and Government, and not doubting that their proceedings will be conducted with wisdom, temper and prudence, he grants, and upon all occasions will recognize and allow their constitutional privileges. I am commanded also to assure you that the Commons shall have ready access to His Excellency upon all seasonable, occasions and that their proceedings, as well as your words and actions, will constantly receive from him the most favourable construction.

His Excellency the Administrator was then pleased to open the Session by a Gracious Speech to both Houses, as follows:—

Honourable Members of the Senate:

Members of the House of Commons:

You have been summoned to the first session of a new Parliament at a time of the greatest conflict in the history of mankind. Upon the outcome of the struggle will depend the maintenance of civilized society and the inheritance of human freedom for our own and future generations.

Since Parliament last met, the nature of the conflict, the character of the enemy, and the perils which menace all free nations, have become only too clear. In that short space of time, the world has seen the peaceful and peace-loving peoples of Denmark, Norway, Holland, Belgium, and Luxembourg made the victims of the treachery and barbarism which have marked the successive outrages of Nazi Germany. It has also witnessed the invasion of Finland, and, despite the epic resistance of its heroic population, the partition of that unoffending country. At any time, the lust of conquest may vastly enlarge

the theatre of war. These tragic events have but served to intensify our determination to share in the war effort of the allied powers to the utmost of our strength. In this resolution the Government has been fortified by the direct and unquestioned mandate of the Canadian people.

The organization and prosecution of Canada's war effort have commanded the unremitting attention of My Ministers. The constant consultation and complete co-operation maintained with the governments of the United Kingdom and France have been materially strengthened by the recent visit to those countries of My Minister of National Defence.

You will be fully informed of Canada's action both in the military and economic fields. You will be asked to consider measures deemed essential for the prosecution of the war, and for the social and economic requirements of the country.

While the present session of Parliament will necessarily be mainly concerned with Canada's war effort, and the measures essential to the achievement of ultimate victory, My Ministers are of opinion that, despite what to-day is being witnessed of concentrated warfare, it is desirable, as far as may be possible, to plan for the days that will follow the cessation of hostilities.

As a contribution to industrial stability in time of war, and to social security and justice in time of peace, resolutions will be introduced for an amendment to the British North America Act which would empower the Parliament of Canada to enact at the present session legislation to establish unemployment insurance on a national scale.

The report of the Royal Commission on Dominion-Provincial Relations, which has just been received, will be tabled immediately.

Members of the House of Commons:

You will be asked to make financial provision for expenditure necessitated by the existing state of war.

The estimates for the current fiscal year will be submitted to you without delay.

Honourable Members of the Senate:

Members of the House of Commons:

Since the last session of Parliament, a much beloved Governor General has passed from our midst. In the death of Lord Tweedsmuir, Canada mourns one whose character and achievements had endeared him to our people; the British Commonwealth has lost a wise and understanding counsellor, and the fellowship of writers a gifted interpreter of the graces and humanities of English literature. I join with you in the expression to Lady Tweedsmuir and the members of her family of the deep sympathy of the Canadian people.

His Majesty the King has been pleased to appoint the Earl of Athlone as His Representative in succession to the late Lord Tweedsmuir. The sense of duty and the public services which have distinguished the lives of the Governor General designate and the Princess Alice ensure for His Excellency and Her Royal Highness an eager and cordial welcome to Canada.

As you assume, in these dark and difficult days, the grave responsibilities with which you have been entrusted by the Canadian people, may your resolution be sustained by the knowledge that it is the liberties of all free peoples that you are helping to preserve. Unless the evil powers, which threaten the very existence of freedom, are vanquished, the world itself will inevitably be reduced to a state of international anarchy.

I pray that Divine Providence may guide and bless your deliberations.

Just one year ago, Your Majesty and Her Gracious Majesty the Queen were receiving the united acclaim of the Canadian people as your memorable tour of the Dominion was drawing to its close. To-day, our feelings of loyalty and affection for Your Majesty and our regard for the freedom of British institutions symbolized in the Crown are stronger and deeper than ever.

We have witnessed with all the pride of devoted fealty how Your Majesty has discharged your high and solemn duty with undaunted courage, wisdom and understanding.

In this dark hour when the ruthless ambitions of wicked men have shattered the hopes of the civilized world, the people of Canada vividly recall how faithfully you laboured to prevent the calamity that threatens the world's freedom.

Your peoples stand resolute in the defence of the liberties of mankind. Steadfast in the noblest of causes, united in purpose, we are heartened by the inspiration of your example.

We pray that Divine Providence may continue to guide and guard Your Majesty in the discharge of your high responsibilities and that you may be vouchsafed continued strength and many years in the maintenance of the glories of your ancient Throne.

PRAYERS.

The Honourable the Speaker read to the Senate a Message from His Majesty the King, as follows:—

BUCKINGHAM PALACE,
LONDON, 14th June, 1940.

Honourable Members of the Senate of Canada:

I am greatly touched by the terms of the resolution adopted yesterday by the members of the Houses of Parliament of Canada on the occasion of the official celebration of my birthday. Twelve months ago I left Canada convinced from my own personal experience that nowhere in the world were Justice and Freedom more truly appreciated, and neither in peace nor in war would the people of Canada ever suffer themselves to be deprived of their institutions grounded on those ideals. The dire events of the year that has passed have confirmed that conviction a hundred-fold. Canada from the first clearly understood the true import of this terrible struggle, and the immense issues that hang upon its outcome. She hesitated not at all, and the resolution with which she has thrown herself heart and soul into the conflict has been, I can assure you, an immeasurable strength to me and to all in the old world.

PRAYERS.

The Honourable Senator Beaubien, from the Special Committee on War Co-operation, presented their first Report.

The same was then read by the Clerk, as follows:—

TUESDAY, 25th June, 1940.

The Special Committee on War Co-operation beg leave to make their first Report, as follows:—

1. The War Co-operation Committee was appointed by Resolution of the Senate, passed on June 4, 1940, reading as follows:—

“That a committee selected by the leaders of the Senate be constituted for the purpose of advising how best the members of this House can help the country in its war effort.”

2. Your Committee has held four meetings and reviewed together various lines upon which it was thought Members of the Senate might be able to contribute to what are now vital and pressing war objectives.

3. It is the unanimous view of your Committee that the efforts of Honourable Members of this House should be directed toward bringing about in Canada a much more general, and, if possible, universal, appreciation of the peril Canada, as Canada, is in; of the indescribable catastrophe defeat would bring to each and all of the people of our country, and of the immediate, imperative need that every citizen, young and old, become animated and possessed by a sense of duty and of sacrifice to the end that we may insure the preservation of our institutions and of our Nation.

4. It was recognized on the part of all Members of the Committee that such conviction is now held by the vast majority of Canadians, but that there are some of our population in all the Provinces still more or less indifferent; others (small in numbers) more or less dangerous, and very many without any adequate comprehension of the stark realities of this hour.

5. At our various meetings, earnest consideration was given to means of remedying the situation described, and the agencies which might be availed of for this purpose by Honourable Members of this House individually, and as well, in some organized form. These agencies clearly are:—

- (a) The Press—daily, weekly and periodical;
- (b) The Radio;
- (c) The newsreel and theatre;
- (d) The platform.

The Press

6. It was recognized that tremendous service has already been given by the Press of Canada, and the entire Committee was confident that the newspapers of the Dominion, both daily and weekly, and as well, periodicals and magazines would co-operate with every desire of the Committee and with the efforts of Honourable Senators to make still more impressive and complete the service already rendered.

7. In this connection evidence at some length was given by Messrs. Lash and Malençon, the two heads of the Government Bureau of Public Information. It was impressed upon these men that what, in the judgment of the Committee, was required in the way of news service was chiefly the presentation of such facts and the driving home of such simple, understandable arguments as would make everyone realize the seriousness of the present danger to our country

and all its inhabitants, and the immediate necessity for each man and woman ordering his or her work and daily contacts and conversations as to aid the Nation to the utmost in its efforts. The witnesses expressed the utmost confidence from past experience that any suitable and readable material provided the Press by Honourable Senators would be gladly welcomed.

Radio

8. Mr. Gladstone Murray, General Manager of the Canadian Broadcasting Corporation, was heard by your Committee. The same views as to the immediate steps necessary to reach the overwhelming objective now to be kept in mind were pressed on Mr. Murray. In these representations Mr. Murray immediately and wholeheartedly acquiesced. He expressed the entire willingness of the Canadian Broadcasting Corporation to place its facilities at the disposal of such speakers as might be carefully chosen for Dominion broadcasts and for local broadcasts, and earnestly welcomed the suggestion that your Committee should assist in naming impressive speakers and gaining their consent to co-operate in a Canadian-wide appeal through the Radio for a universal call to duty. Mr. Murray was convinced that a very well organized information campaign through the Radio would have excellent effect.

9. Your Committee has arranged to co-operate to the fullest to help in this programme, and asks Honourable Members of the Senate to make themselves available where and when called upon for the purpose thereof. It is your Committee's confident belief that independent broadcasting stations will also loyally assist to this end.

Newsreel

10. Mr. Grierson, of the Government Motion Picture Bureau, appeared before your Committee and told of the efforts of his organization to assist in attaining the objectives your Committee has in mind by means of newsreel presentations. The members of the Committee were much impressed by Mr. Grierson's account of the Bureau's activities and by the character of the work being done. Suggestions were made to him and were welcomed by him as to other efforts that might be exerted.

The Platform

11. Under this heading it was the belief of your Committee that Members of the Senate might be most generally useful. The avenues of approach to the public vary in the different Provinces. It was represented to your Committee that in most of the Provinces Service Clubs are generally available but that, unfortunately, in the two summer months, July and August, such Service Clubs are usually dormant. It was hoped, however, under the very extraordinary circumstances of this year, their officers might be glad, as a public service, to make these Clubs available as mediums of reaching the public. This applies to Canadian Clubs and other like organizations. Your Committee feels that all these can be of help in a campaign of this kind and that such campaign should include public meetings, on a wide scale to be addressed by as carefully selected a group of speakers as can possibly be made available. The Members of the Committee are making recommendations to perfect arrangements throughout Canada and most earnestly we invite prominent and effective public speakers to help, and stand ready to help, in the immediate execution of this task. We are certain that Honourable Members of the Senate will be glad where possible to do their part, and to continue such activity at every available opportunity.

12. We urge particularly that the public be aroused to the great danger facing this country and discouraging any tendency to trifle with a great crisis; that disaffected elements everywhere be made to understand that a Democracy in a crisis can act with all the authority that must appertain to a Nation, and on the principle that he who is not with us is against us. A thoroughly aroused and resolute public will tolerate no encumbrances in a great emergency such as this. A vigilant public can contribute much to make the heavy task of government efficient, and the cause of the Nation triumphant.

13. Your Committee proposes, with the approval of the Senate, to continue to function for the purpose of insuring, so far as it can, the carrying on and intensification of the work outlined above.

All which is respectfully submitted.

C. P. BEAUBIEN,

Chairman.

Ordered, That the said Report be taken into consideration to-morrow.

Resolved,—That a Message be sent to the Senate to acquaint their Honours that this House disagrees with their amendment to the Bill No. 25, An Act to amend the Farmers' Creditors Arrangement Act, 1934, for the following Reasons:—

(1) Because the findings of a Board of Review are based mainly on questions of fact determined after consideration of the farmer's circumstances and the present and prospective capability of the farmer to perform the obligations prescribed by the Board, and the productive value of the farm.

(2) Because the Boards of Review in the Provinces of Alberta, Saskatchewan and Manitoba as now constituted, comprising a Judge of the Supreme Court of the Province, as Chief Commissioner, a Commissioner representing the debtor, and a Commissioner representing the creditor, are considered to be in a better position, after listening to all evidence, to render a final decision than an Appeal Court with nothing but the record of a case before them.

(3) Because the Courts now have jurisdiction to hear appeals in cases where errors of law are alleged to have been made by a Board of Review.

(4) Because it is inadvisable at this late stage of the operation of this Act to provide for appeals from proposals which may have been or may be confirmed by Boards of Review.

(5) Because the provision for appeals would increase the costs of the administration of the Act and delay the final disposition of a farmer's application.

Ordered,—That the Clerk of the House do carry the said Message to the Senate.

Attest.

ARTHUR BEAUCHESNE,
Clerk of the Commons.

Ordered, That the said Message be taken into consideration to-morrow.

(2) The Minister of Finance shall not be subject or required to answer in or to attend at any garnishment proceedings; he shall be liable as a third party garnishee in his representative capacity only and he shall be subject in matters to which this Act extends to orders and directions, specific or general, of the Governor in Council.

(3) The judgment creditor shall produce to the Minister of Finance a certificate of the judgment, the garnishee order and an affidavit made by some person having knowledge of the facts stating the amount due on the judgment and for what it was recovered and establishing the identity of the judgment debtor as an officer, servant or employee of His Majesty in the right of Canada.

(4) The Governor in Council may authorize the Minister of Finance to retain by way of deduction out of any sum or sums of money which, from time to time, may be due or payable by His Majesty in the right of Canada to any officer, servant or employee of His Majesty in such right (such deduction to be by instalments or otherwise as that Minister may, in the interest of the efficiency of the public service, determine) the amount of any judgment debt due or payable in any garnishment proceedings instituted under the authority of, and in compliance with, this Act, and to pay out such sum or sums of money so deducted to the provinces, municipalities and persons who are, pursuant to their respective garnishee orders and to this Act, entitled to be paid it or them."

PRAYERS.

The Honourable Senator Beaubien (Montarville), from the Special Committee on War Co-operation, presented their second Report.

The same was then read by the Clerk, as follows:—

SATURDAY, 3rd August, 1940.

The Special Committee on War Co-operation beg leave to make their second Report, as follows:—

Since the first report to the Senate, made on 25th June last, the Committee has held five meetings at which were heard the following Gentlemen:—

Colonel Wilfrid Bovey, of McGill University, Head of the Department of Ectra Muros relations of that institution.

Colonel Mess, President of the Association of Canadian Clubs of Canada.

Commissioner S. T. Wood, of the Royal Canadian Mounted Police.

Mr. Gladston Murray, Director and General Manager of the Canadian Broadcasting Commission.

Valuable information and suggestions were obtained from these witnesses.

As a result it was decided to request the Association of Canadian Clubs of Canada to collaborate in the holding of a series of meetings through its ninety-three member clubs. These meetings are to be held in the immediate weeks ahead, and their object is precisely that outlined in your Committee's first report, namely, the bringing of the Canadian public to a clear view of the dominating world facts and dangers by which we are surrounded, to a firmer realization of the immediate and paramount interest and duty of Canadians in the present titanic struggle, and the stimulation of their zeal to support the efforts of this nation, and to co-operate in maintaining its integrity and freedom from subversible influences until final and complete victory. The arrangement of these meetings will be under the direction of the President of the Association of Canadian Clubs, Colonel James Mess, and we are glad to be able to advise that other service clubs throughout the country have, with very creditable unselfishness, agreed to co-operate.

Your Committee would respectfully urge upon the Government the consideration of the erection, without delay, in this country of a powerful short-wave radio station of 50,000 kilowatts. It is considered that such a course is distinctly advisable to supplement the present British Broadcasting station, and to make more secure the facilities now used from that station which are so vital to Empire co-operation, and to the general transmission of truth throughout the world. It is believed that the expenditure which is estimated at \$350,000 to \$400,000, and the cost of maintenance, can be used to advantage in any event after the war for advertising and for trade purposes, especially throughout this Continent and Europe.

In making this recommendation, your Committee has in mind an opportunity to secure a most important section of the construction material which is now, fortunately available, and which will enable construction to be completed in a fraction of the time which otherwise would be necessary.

Your Committee would further recommend the organization of a series of broadcasts throughout Canada in certain foreign languages for the purpose of removing the influence of false and unfounded broadcasts through foreign-speaking sections of Canada by enemy countries.

We are pleased to report that, due to the activities of your Committee, a considerable number of addresses have already been delivered by people of standing, which it is believed has been of substantial benefit. It is earnestly

hoped and urged upon the Honourable Members of this House that they utilize every opportunity, whether by platform speaking or by broadcasting, to contribute their very best at all times to the objective set out in this report.

All which is respectfully submitted.

C. P. BEAUBIEN,
Chairman.

With leave of the Senate,
The said Report was adopted.

A Message was brought from the House of Commons by their Clerk to return the Bill (113), intituled: "An Act to amend The Prairie Farm Assistance Act, 1939,"

And to acquaint the Senate that they have agreed to the amendments made by the Senate to the said Bill, without any amendment.

A Message was brought from the House of Commons by their Clerk in the following words:—

SATURDAY, 3rd August, 1940.

Resolved,—That a Message be sent to the Senate to acquaint Their Honours that this House

- (a) agrees to amendment No. 1 to Bill No. 99, An Act to amend an Act respecting Debts due to the Crown;
- (b) disagrees with amendment No. 2 for the reason that it is desirable that Bill No. 99 should come into force on assent being given; and
- (c) disagrees with amendment No. 3 for the following reasons:—

1. Because the proposed amendment is of doubtful constitutional validity. The province has exclusive authority in relation to the jurisdiction and procedure in civil matters in provincial courts. By the provincial statutes the garnishee must be "within the jurisdiction of the court" or "within" the province, or "resident in" the county. It is doubtful if Parliament can in effect extend the jurisdiction of the provincial courts to include the Minister of Finance as a garnishee;

2. Because under the present state of the law the Crown cannot be impleaded in the courts without a fiat. This principle constitutes the main impediment in the way of garnishee proceedings. The proposed amendment would in effect amount to the abandonment of this prerogative of the Crown in a limited class of cases. It is most important that the position of the Crown in relation to the Courts should not be altered in this respect without full consideration being given to the whole problem of proceedings against the Crown;

3. Because the question of recognition by the Crown of voluntary assignments of debts due from the Crown is allied to the subject matter of the amendment and it is not clear why it should not also be dealt with;

4. Because the proposed amendment only permits garnishee proceedings to be taken in respect of any judgment for or on account of any tax or other debt not sounding in damages. The justification for excluding other judgments is not clear.

5. Because the grounds for making a distinction between officers, servants or employees of His Majesty in the right of Canada on the one hand and other persons to whom amounts may from time to time be due from the Crown on the other is not apparent from the proposed

legislation, will not be apparent to the public, and require consideration. In particular, it is not clear why such persons as Senators, Members of the House of Commons, judges, and persons entering into contracts with His Majesty in the right of Canada are excluded from the provisions of the amendment;

6. Because under the proposed amendment a creditor is put to the expense of obtaining a judgment and garnishee order and forwarding them to the Minister of Finance but the Minister of Finance is not under any obligation to make deductions from the sums payable to the debtor of such person;

7. Because in the form the proposed amendment is open to the following objections:—

(a) The expression "third party" is well understood to mean a person made a party by a defendant who claims to be entitled to contributions or indemnity from such person. A garnishee is not a third party.

(b) This proposal is to extend to claims by the provinces for taxes. Where the Crown seeks to recover its taxes from third persons such remedies as the Writ of Extent are ordinarily employed rather than garnishee proceedings. It may even be doubted whether the Crown is entitled to proceed by way of garnishee since such expression as "person" and "judgment creditor" used in the provincial statutes relating to garnishee proceedings are not apt to describe His Majesty. The municipality too has special remedies to enforce payment of taxes.

(c) The expression "garnishment" implies compulsion and is an inappropriate term to use with reference to His Majesty even though the statute provides merely for voluntary and not compulsory payments.

(d) The Exchequer Court has by statute exclusive jurisdiction over claims against the Dominion Crown and it should be made clear that the Senate proposal is to apply notwithstanding anything contained in the Exchequer Court Act.

(e) The Minister of Finance has no "representative capacity" to represent His Majesty in the courts; that representative capacity is vested in the Attorney General of Canada.

8. There has been no demand from the public for this legislation and it is an inappropriate stage of the session at which to open up a matter of such extent and importance.

Ordered,—That the Clerk of the House do carry the said Message to the Senate.

Attest.

ARTHUR BEAUCHESNE,

Clerk of the Commons.

Ordered, That the said Message be taken into consideration presently.

The Senate, accordingly, proceeded to the consideration of the said Message. After debate, and—

On motion of the Honourable Senator Dandurand, it was—

Resolved,—That a Message be sent to the House of Commons to acquaint that House that the Senate doth not insist upon its second and third amendments made to the Bill (99), intituled: "An Act to amend An Act respecting debts due to the Crown," to which the House of Commons have disagreed.

Ordered, That a Message be sent to the House of Commons accordingly.

The Senate adjourned during pleasure.

The Senate resumed.

The Honourable Senator King, from the Standing Committee on Banking and Commerce, to whom was referred the Bill (118), intituled: "An Act to amend The Canadian Wheat Board Act, 1935," reported that they had gone through the said Bill, and had directed him to report the same to the Senate, without any amendment.

With leave of the Senate,

The said Bill was then read the third time.

The question was put whether this Bill shall pass.

It was resolved in the affirmative.

Ordered, That a Message be sent to the House of Commons to acquaint that House that the Senate have passed this Bill, without any amendment.

The Honourable

Ordered, That the same do lie on the Table.

After a while the Right Honourable Sir Lyman P. Duff, acting as Deputy of His Excellency the Governor General, having come and being seated at the foot of the Throne,

The Honourable the Speaker commanded the Gentleman Usher of the Black Rod to proceed to the House of Commons and acquaint that House that—
“It is the Right Honourable the Deputy Governor's desire that they attend him immediately in the Senate Chamber.

The House of Commons being come,

The Right Honourable the Deputy Governor General was pleased to close the First Session of the Nineteenth Parliament of the Dominion of Canada with the following Speech:—

Honourable Members of the Senate:

Members of the House of Commons:

When the present session opened in May, one free country after another, in quick succession, had become the victim of Nazi aggression. Before its adjournment on August 7, Italy had joined her Axis partner as an open enemy. French resistance had collapsed, and the government of France had surrendered. Britain herself was threatened with invasion. The theatre of conflict had begun to spread into other lands beyond the confines of Europe. Japan and China

were still at war. Among the nations of the world, the United Kingdom and the British Dominions, alone, stood in arms, in the defence of the world's freedom.

Canada has willingly accepted the widening responsibilities which events have placed upon her. The measures which you have taken have had in view the immediate task of sharing more completely in the defence of Britain and securing our own country more effectively against internal subversion and external attack. They have also had in view the long range task of ensuring the ultimate defeat of the enemy.

To serve these ends, the structure of the Administration has been altered and enlarged. A Ministry of National Defence for Air and a Ministry of National Defence for Naval Services have been created. The scope of the Department of Munitions and Supply has been expanded and its organization strengthened. A Department of National War Services has been established. The government has been empowered by the National Resources Mobilization Act to bring to the defence of Canada and the advancement of the common cause all the resources of the country, both human and material. In the different branches of war activity there has been a steady expansion and acceleration of training, transport, manufacture and production.

By the Unemployment Insurance Act you have made a valuable contribution to industrial and financial stability in time of war, and to social security and justice in time of peace. It is deeply gratifying that approval was given by all the provinces to the necessary amendment to the British North America Act to permit of the enactment of unemployment insurance by the Parliament of Canada.

Members of the House of Commons:

I thank you for the financial appropriations which you have made. The determination of the Canadian people to support and advance the cause for which we have taken up arms, has been reflected in the unselfish acceptance by all of its heavy financial burdens.

Honourable Members of the Senate:

Members of the House of Commons:

It has become only too apparent that the lust for conquest will continue to enlarge the theatre of war. The struggle to preserve freedom will be long and hard. May Almighty God guide and uphold its brave defenders.

The Honourable the Speaker of the Senate then said:—

Honourable Members of the Senate:

Members of the House of Commons:

It is the Right Honourable the Deputy Governor's will and pleasure that this Parliament be prorogued until Thursday, next, the seventh day of November, to be here holden; and this Parliament is accordingly prorogued until the seventh day of November.
