Technical and Bibliographic Notes/Notes techniques et bibliographiques

The Institute has attempted to obtain the best original copy available for filming. Features of this copy which may be bibliographically unique, which may alter any of the images in the reproduction, or which may significantly change the usual method of filming, are checked below.

L'Institut a microfilmé le meilleur exemplaire qu'il lui a été possible de se procurer. Les détails de cet exemplaire qui sont peut-être uniques du point de vue bibliographique, qui peuvent modifier une image reproduite, ou qui peuvent exiger une modification dans la méthode normale de filmage sont indiqués ci-dessous.

The copy filmed here has been reproduced thanks to the generosity of:

Seminary of Quebec
Library

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Séminaire de Québec
Bibliothèque

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

DES

NOMS DES PERSONNES QUI ONT RÉCLAMÉ DU SCRIP,

EN VERTU DE L'ACTE DE 1841.

Bibliothèque,
Le Séminaire de Québec,
3, rue de l'Université,
Québec 4, QUE.

RÉPONSE

A UNE ADRESSE de l'assemblée législative à son excellence le gouverneur général, datée le 23 juillet, 1850, priant son excellence de vouloir bien faire mettre devant cette chambre "un état des noms de toutes les personnes auxquelles du scrip a été accordé en satisfaction de réclamations pour terres depuis que l'acte des terres de 1841 est venu en opération, indiquant la nature de la réclamation, la date du paiement, le nom de la personne à laquelle il a été donné et le montant d'icelui ; aussi, une liste des noms de toutes les personnes qui ont encore droit de recevoir du scrip."

Par ordre,

J. LESLIE,
Secrétaire.

Bureau du secrétaire,
Toronto, 4 juin, 1851.

DÉPARTEMENT DES TERRES DE LA COURONNE,
Toronto, 4 juin, 1851.

MONSIEUR,—J'ai l'honneur de présenter ci-joint un état des noms de toutes les personnes auxquelles du scrip a été accordé en satisfaction de réclamations pour terres depuis que l'acte des terres de 1841 est venu en opération, ainsi que requis par la résolution de la chambre d'assemblée transmise de votre bureau le 24 juin, 1850.

Cet état va jusqu'au 30 avril dernier.

La liste des noms de "toutes les personnes qui ont encore droit de recevoir du scrip" ne peut être faite avec un degré d'exactitude suffisante ; et l'on conçoit qu'il ne serait pas à propos de soumettre cet état au public (même s'il pouvait être terminé), basé comme il serait sur des réclamations qui ont dormi pendant une longue série d'années.

J'ai l'honneur d'être, etc.,

J. H. PRICE.

L'Honorable
Secrétaire provincial.

ETAT DES NOMS de toutes les personnes auxquelles du scrip a été accordé en satisfaction de réclamations pour terres depuis que l'acte des terres de 1841 est venu en opération, jusqu'au 30 avril, 1851.
