The copy filmed here has been reproduced thanks to the generosity of:

D. B. Weldon Library  
University of Western Ontario  
(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

D. B. Weldon Library  
University of Western Ontario  
(Regional History Room)

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

THE  
**LONDON STANDARD**

**DAILY AND WEEKLY.**

**The only Independent Paper in the West.**

THE DAILY STANDARD is published every evening at four o'clock, at the office, 426 Richmond Street. It contains a concise record of events occurring throughout the world up to 3.30 p. m., each day, and a greater amount of local news than any other evening paper. Its editorials are short, spicy and entertaining, and its reading-matter, both original and selected, is unsurpassed by any Canadian daily newspaper. A popular feature of the STANDARD is its humorous department, to which the most brilliant wits of America, as well as the "funny men" of this city, are regular contributors.

The circulation of the STANDARD in the city and suburbs is larger than that of any other London evening paper. It is therefore a better advertising medium than any of the other city papers. This fact is readily acknowledged by all who have advertised in the Standard for a sufficient length of time to enable them to form an opinion in the matter.

The STANDARD is sold by the newsboys at one cent per copy, and delivered to subscribers at the rate of twenty-five cents a month, payable in advance.

Advertising rates made known on application.

—A brick-layer's laborer is called a hod-fellow.

Says the captain to Pat,  
"Come, I'll have none o' that!"  
As Paddy of whiskey was drinking his fill,  
With a satisfied sigh,  
As he finished the "rye,"  
Says Paddy, "Be jabbers, I don't think ye will!"

—Perversion of Scripture: "Whatsoever a man seweth, that shall he rip."

—The young man who didn't get out of the way of the omnibus in time says he felt rather stage-struck for a moment.

—A long tramp—a tall vagrant.

—It is easy to bamboozle a hotel-keeper in Japan, where the houses are made of bamboo.

Curious Epitaph:—

"To a'l my friends I bid adieu;  
A more sudden death you never knew.  
As I was leading the old mare to drink,  
She kicked and killed me quicker than a wink."
