## WHERE EVERYBODY GOES

### \$100. Cash Prizes!

A ticket will be given with each dollar purchase the same as during the last Community Week. The great difference is that this time there will be eleven chances to win a prize. The first prize will be \$25.00, then there will be five prizes of \$10.00 each, and five prizes of \$5.00 each; \$100.00 in all. Eleven Chances! Eleven Prizes! Try Your Luck!

The last Community Week was such a wonderful success from a "get acquainted" point of view that Humboldt merchants have decided to put on another Community event—this time to last for two weeks so as to give everyone a chance to get in on the big bargains offered.

While in town make yourself at home at this store. A comfortable restroom and washroom will be found here for the convenience of the ladies and they are all cordially invited to use these conveniences to the fullest extent.

C. Brusser.
