THURSDAY, March 3rd

"DAREDEVIL JACK". Episode 15, (last) "The Triple Chase." Comedy, "June Madness" and first episode of our new serial

"Ruth of the Rockies"

Featuring the old favorite RUTH ROLAND, Episode 1 "The Mysterious Trunk." A fascinating story of the great out of doors of the big-hearted West, the kind you will go miles to see. The story is jammed with exciting thrills and action, hair breath escapes, death defying stunts in which the star plays an important part. A sensational broadside of thrills.

SATURDAY, March 5th

A Pathe Production Watch for Posters

Monday and Tuesday, March 7th-8th

Select Pictures presents the 6 reel Super-Feature with an all star cast "WHEN BEARCAT WENT DRY."

It is a stirring tale of life in the Mountains of Eastern Kentucky. Illicit stills, moonshiners, feuds, fights, love and courtship are the elements that enter into the making of this feature.

Two Shows Thursday and Saturday nights, one show Monday and Tuesday.

FRIDAY, March 11th

SILVER THREADS AMONG THE GOLD. Pictures and Vaudeville. Watch for adv. next week.

New Goods

I am opening this week, four dozen men's and youths' suits, and will offer them to you at very reasonable prices.

I am overstocked with raincoats and to clear them out I am offering them at greatly reduced prices. As the wet weather will soon be with us, it will pay you to take advantage of this offer.

My prices are now adjusted to the new spring level so you can buy with confidence.

Begin your buying now and start our factories working again. The dollar you spend today will come back again tomorrow

Wm. E. GESNER

Agricultural Short Course

Under the direction of Dr. M. Cumming, Secretary Agriculture

FOUR DAYS FROM

Tues., March 15th, 1.30 p.m. to Fri., March 18th, 9.30 p.m.

REDUCED C. N. R. TRAIN SERVICE

Closing of the Middleton-Port Wade Division Now Under Consideration

When it was learned Thursday that it was the intention of the C. N. R. to discontinue the running of trains on the Middleton-Port Wade division, a special meeting of the Board of Trade was immediately called, at which the following resolution was passed unanimously:

WHEREAS, the Board of Trade of Bridgetown learns with regret that it is the intention of the C. N. R. to discontinue all train service over the Victoria Beach Branch,

AND WHEREAS, at the time the main line of railway was built, a freight way was given by the town of Bridgetown, costing the town \$10,000.

AND WHEREAS, since the completion of said railway two of our largest manufacturing industries have built and equipped modern factories connected by railway sidings to said lines at an approximate cost of \$100,000 and are and have been shipping and receiving large quantities of freight, the charges on which during the past year amounted to \$17,000.

AND WHEREAS, the discontinuing of this service will seriously cripple these industries,

AND WHEREAS, there are several large apple packing warehouses on the said line of railway, which will be rendered useless,

AND WHEREAS, large quantities of beef, hay, coal, etc., are being shipped over this line, which business would be seriously impaired, AND WHEREAS, the total amount of freight charges collected at the Bridgetown station during the past year, reached approximately \$25,000.

AND WHEREAS, large quantities of freight are now ready for shipment on said line.

THEREFORE RESOLVED, that the Board of Trade of Bridgetown urgently request that the said service be continued.

Copies of the above resolutions were ordered sent to the Railway Commission, the officials of the C. N. R., and to A. L. Davidson, M. P., for Annapolis and Digby Counties. The Mayor and town council also took prompt action and similar resolutions were prepared by the town solicitor and also sent forward.

The keeping open of this line is an important thing for the town of Bridgetown and it is hoped that the wishes of the citizens and general public will be granted.

Mr. W. H. Maxwell, Secretary of the Board of Trade immediately received a reply by wire from Mr. Davidson, saying that he had taken the matter up with the railway department, and would give the affair his prompt attention.

"RUTH OF THE ROCKIES"

Is a western serial of sensational adventure going from Broadway to the plains. A fifteen episode drama, set in the perilous surroundings of cavernous ravines, yawning chasms and high mountain peaks!

A plot where the quick wit of a woman, her horse-riding ability and her quickness on the trigger makes her a worthy opponent for the strongest of men.

Clothes that would challenge the creations of a New York modiste are contrasted with soft sombrero and red bandana of the west!

A bristling western action serial! Thrilling sensational entertainment! A romance that palpitates the heart!

Do not miss the first episode at the Primrose Theatre (tomorrow) Thursday night. See adv. in another column.

Capt McDonald has so far recovered from his recent illness as to be able to resume the command of the S. S. Empress and took charge again last Friday.

THE LOYAL ORANGE LODGE

Annual Session Met in Deep Brook Annapolis County, Feb. 15th

The Annapolis County Loyal Orange Lodge met in Annual Session at Deep Brook on Feb 15th inst. The afternoon session was taken up in General Routine business and matters of interest to the Association throughout the Annapolis Jurisdiction.

At the evening session the County Officers were elected as follows:

Co. Master, C. B. Sims, P. M. L. O. L. 2627

Co. Dep. Master, E. E. Burke, Div. Cer. L. O. L. 2627

Co. Rec. Sec. A. C. Freeman, W. M. L. O. L. 2627

Co. Fin. Sec. Ernest Purdy, P. M. L. O. L. 95

Co. Treas. Shipley Spurr, L. O. L. 95

Co. Lecturer Wm Spurr, L. O. L. 95

Co. Dep. Lect. R. V. Dittmars, P. C. M. L. O. L. 95

Co. Div. Cor. Clarence Adams, L. O. L. 95

The various Lodges report an increase in membership and state that this year will be a banner year in this respect, as the principles of Orangeism are becoming more widely known and people are consequently bound to "fall in line".

The Avard Longley Lodge at Paradise reports things booming and with a fast increasing membership and their monthly sessions are interesting and instructive.

They are now in a fair way for a large and prosperous Lodge, and valuable material is being added at each meeting.

The other Lodges of the County report in a like manner, so that collectively as well as individually the Lodges can make a worthy report at the next Grand Lodge meeting.

At 8.30 p.m. the Lodge adjourned to partake of an exceptionally fine supper, served in the church by the ladies of Deep Brook and to which much credit is due.

Their hospitality was again set forth by the giving of a midnight lunch before the members left by the night express for their homes.

It is possible that in the near future a Royal True Blue Lodge will be organized and if such a step is taken we feel confident that the Orange Association will receive a boom that will cause it to grow greater and give forth the fruits of its efforts to a marked degree.

We are further informed that the Grand Organizer, Rev. Edward Morris, will pay a visit to this jurisdiction in the immediate future in which case all classes should make a point to hear him, as in his official capacity he is a "Whirl-Wind".

A. C. FREEMAN, Co. Rec. Sec. L. O. A.

LIST OF HOTELS AND BOARDING HOUSES

The Dominion Atlantic Railway are revising their list of Hotels and Boarding Houses published in book form for distribution in the United States.

Those who have not already supplied information should forward at once to the office of General Passenger Agent, Dominion Atlantic Railway, 117 Hollis Street, Halifax, N. S. their address, name of the hotel, proprietor's name, number they can accommodate, rate per day, and rate per week.

These books are published without cost to the hotel keeper.

ANOTHER GOOD SHOW

The management of the Primrose theatre announces that beginning Monday and Tuesday 7, and 8, they will present the big super-feature "When Bearcat Went Dry."

This is the picturization of the much read and talked about novel of Charles Neville Buck. The scenes of this photoplay are laid in the Cumberland mountains on the border of Virginia and Kentucky. The thrilling scenes of life in this wild country are pictured with absolute fidelity. Illicit stills, fights, feuds, and love romance are pictured in a most interesting manner.

Plaintiff also claimed damages \$2,000.

Checks and authorization covered all with the exception of \$963.04. This was withdrawn slip on the Royal Bank, signed by Mr. W. G. Clarke and handed to the defendant and on which the judgment is based.

The defendant made Mr. W. G. Clarke a third party to the suite but according to the Judge's ruling Mr. Clarke escapes fulfilling his obligation through a legal technicality.

Mr. W. G. Clarke is still the head of the plaintiff or controlling company.

PORT LORNE

The storm of Sunday night and Monday was very severe in this locality.

At a Pie Social held on Feb 9th fifty dollars and fifty cts was realized for repairs on parsonage.

Capt Samuel Beardsley, Sr., appreciates very much the kindness of friends in St. Croix Cove who one afternoon last week landed nine loads of wood in his dooryard.

In The Supreme Court

Bear River Electric Company vs. Romans

This is an action claiming inter-alia to recover from the defendant a sum of money deposited in the Royal Bank in the name of the defendant, who was manager, and Mr. W. G. Clarke, who was president of the plaintiff company; it could be withdrawn by either of them, but was an asset of the company.

It is claimed by the defendant that he received this money as a bonus for past services to the company from the president, who claimed to own it, as a liquid asset of the company, when it was being re-organized and the president was getting control of all the issued stock.

The president signed the check or receipt withdrawing the money and placed it in defendant's hands.

As between the plaintiff and the defendant, I do not think any valid defence to this claim has been established and in regard to it there must be judgment for the plaintiff with cost.

I think the plaintiff has failed in respect to the other matters claimed in the action and the defendant will have costs on these issues to be set off.

Accepting the defendant's evidence, I do not think he is entitled to indemnity against the president, W. G. Clarke, who was brought in as a third party. Clarke was under no legal obligation to him. I do not think I would be justified in finding that there was any legal consideration for Clarke's promise to plaintiff and it is therefore unnecessary to determine precisely what that promise was.

Plaintiff also claimed damages \$2,000.

Checks and authorization covered all with the exception of \$963.04. This was withdrawn slip on the Royal Bank, signed by Mr. W. G. Clarke and handed to the defendant and on which the judgment is based.

The defendant made Mr. W. G. Clarke a third party to the suite but according to the Judge's ruling Mr. Clarke escapes fulfilling his obligation through a legal technicality.

Mr. W. G. Clarke is still the head of the plaintiff or controlling company.

PORT LORNE

The storm of Sunday night and Monday was very severe in this locality.

At a Pie Social held on Feb 9th fifty dollars and fifty cts was realized for repairs on parsonage.

Capt Samuel Beardsley, Sr., appreciates very much the kindness of friends in St. Croix Cove who one afternoon last week landed nine loads of wood in his dooryard.

Mrs. T. W. Templeman made a trip to Annapolis recently, returning the same day, accompanied by her aunt, Mrs. Tracy Parker, of Deep Brook, who will spend the winter with Mrs. Templeman.

PORT LORNE

On Friday, February 18th, a number of men, young and old, placed twenty cords of wood in Capt. J. D. Brinton's yard. The ladies arrived in the evening. Music and games were enjoyed until a late hour.

On Friday afternoon, the 25th, a similar affair took place at the home of Mr. Edward Marshall, Arlington, when a dozen men chopped a large pile of wood. On the same night a pie social was held in the school house at Arlington. Proceeds for school purposes.

The tern schooner Stewart C. Salter, from Annapolis for Parrsboro, anchored off the Granville shoals during the big storm and proceeded on Monday.

TUXIS BOYS' PUBLIC DEBATE

Bridgetown Defeated Middleton by Half Point Friday Evening

An enthusiastic crowd of citizens from Bridgetown and neighbourhood, including a large number from Middleton, filled the court house in Bridgetown Friday night to listen to a debate by the Tuxis boys from Middleton and Bridgetown. The subject was "Resolved that a Legislative Union of the Maritime Provinces is advisable."

Rev. E. Underwood, rector of St. James parish, local chairman of the Boys' Work Board, filled the duties of chairman in a very efficient and genial manner. The judges were R. C. Sidenius, of the Y. M. C. A. quarters, Halifax, who is very deeply interested in boys' work throughout Nova Scotia; Rev. Haddon Balcom and Robie S. Leonard of Paradise.

The affirmative was argued by Messrs. Forster Davidson (leader) Carl Messinger and Cyril Joudry, of Middleton, and the negative side by Messrs. James Fay (leader) Maurice Armstrong and Charles Longmire, Bridgetown.

The speakers held the closest attention of the large audience, both sides winning applause from the Bridgetown people and the visitors, no partiality whatever being shown.

When the judges retired no one felt like gambling on the decision. While they were out several were called on by the chairman who gave short addresses, among whom were O. P. Goucher, and Dr. F. S. Messinger, of Middleton; H. W. Sangster, Barrister of Windsor; and John T. Archibald, Principal of the Bridgetown Schools. Members of the Tuxis squares also entertained with music and stunts, all of which were greatly appreciated.

When the judges returned Rev. Haddon Balcom announced that Bridgetown won the figures being 105 in favor of Bridgetown, to 104 1/2 in favor of Middleton. It was the opinion of the judges that while Middleton won on argument, the Bridgetown boys made the best presentation.

This is the first contest of this kind in these lines ever held in Bridgetown.

The winners will meet Digby boys within a week or two and thus decide who is to hold the trophy presented by Mr. A. L. Davidson, M. P., father of Friday night's leader of the affirmative.

St. John Telegraph: What is said to be the largest smelt ever caught in these parts is on exhibition in the window of George H. Magee's store in Main street. It weighs fifteen ounces and is more than a foot long. It was caught by Mr. Johnston, a resident of Kennebecasis Island.

YARMOUTH SCHOONERS' GOOD CATCH OF HALIBUT

YARMOUTH, February 24—W. D. Sweeney's schooner Grace and Ruby Capt. Wiley Ross, came in last evening after completing what may be termed a record fresh fishing trip for this season of the year. The vessel left about twelve days ago and a week ago Tuesday, in the evening sailed from Liverpool, where she went for bait, to the Banks but after reaching the fishing grounds Capt. Ross found the weather very rough and unsuitable for trawl fishing. In spite of that, however, his crew succeeded in making three good sets by which they secured about 25,000 lb of fish, 15,000 lbs of which being marketable halibut. As the weather showed signs of again becoming bad, Capt. Ross deemed it best to come into port, and will tomorrow land his trip of fish, which will be the earliest date that a catch of halibut has been taken out at this port for many years. The fish was sold at a good price and was purchased by Henry A. Amiro, Yarmouth. South, who tomorrow will ship the halibut via the steamer Prince George to the Boston and New York markets.

NEWS OF THE WEEK

ALL THE DOINGS AND UNDOINGS OF THE PAST SIX DAYS.

VIRGINIA EAST

Mrs. George Cress' little daughter, Miss Agnes, Mrs. Lurtha Wright and grandson Master Corie, of Clements-ville, spent Thursday with Mrs. John Kroy and Mrs. Avarad Robar.

Professor William Riley, of Bridgetown, was a recent guest of his brother, Mr. John Riley.

Miss Lee Etta Riley has returned to her home after spending two weeks with her aunt, Mrs. William Riley, at Bridgetown.

Master Harry Spurr, of Annapolis Royal, is spending a few days with his grandmother, Mrs. J. Robar.

Mrs. B. Wambolt, of South Milford, is spending a few days with her daughter, Mrs. D. Wright.

Mr. and Mrs. T. Hamilton, of 1525 River, spent Sunday with Mr. and Mrs. Odber Robar.

Mr. Cecil O'Connell, of Grey Wood, was a recent guest of his brother, Mr. Roy O'Connell.

FALKLAND RIDGE

There are a few cases of mumps in our neighborhood at present.

Mrs. Richard Tritheway, of Riversdale, was the guest of her son Harold Mason on Thursday.

E. H. Marshall, who has been suffering with an attack of hic coughs is able to be out at his work.

Miss Loretta Wilson, of East Dalhousie, was the guest of her friend, Mrs. Ella Weaver, the 18th.

Mrs. H. A. Marshall, who has spent the past week at Parkdale, the guest of her daughter, Mrs. Robert Wentzell, arrived home on Wednesday.

About 22 of our people young and old attended the "Valentine Bean Social" at Dalhousie East on Feb 14. All report plenty of the good things to eat.

The Rev. Mr. Durkee, of Digby, who has accepted a call to this field, has arrived and is spending the P.M. and evening at the home of Mr. Dea. C. R. Marshall, Feb 18.

HOW YOU CAN TELL GENUINE ASPIRIN

Only Tablets with "Bayer Cross" are Aspirin—No others!

There is only one Aspirin, that marked with the "Bayer Cross"—all other tablets are only acid imitations. Genuine "Bayer Tablets of Aspirin" have been prescribed by physicians for nineteen years and proved safe by millions for Pain, Headache, Neuralgia, Colds, Rheumatism, Lumbago, Neuritis, Handicaps in boxes of 12 tablets—also larger "Bayer" packages, can be had at any drug store. Made in Canada. Aspirin is the trade mark (registered in Canada), of Bayer Manufacture of Monoaceticacid of Salicylicacid.

While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company, Ltd., will be stamped with their general trade mark, the "Bayer Cross."

CENTRELEA

Mrs. Louis Messenger is quite ill at time of writing with a very heavy cold.

Mr. Stanley Crockett, of Port Williams, is spending the week end with his parents, Mr. and Mrs. Alton Messenger.

YARMOUTH PERSONALS

Mrs. J. F. Stevens received word last Tuesday from the Providence City Hospital, saying that her daughter Hilda was very ill with diphtheria. We wish our young nurse a speedy recovery.

Mrs. Poole, of Digby, is visiting her daughter, Mrs. J. W. Grant.

Miss Driffield, of Digby, is visiting Miss Marion Churchill Prince Street.

Mrs. (Dr.) Arthur Horsfall, of Annapolis Royal in the guest of Mrs. Lloyd Porter.

Sheriff H. A. A. P. Smith, provincial migratory bird officer, of Digby and C. O'Dell, game inspector, of Annapolis Royal, are registered at the Grand Hotel.

MODERATION LIQUOR BILL

In British Columbia Will Include a "Beer Clause" for Hotels Clubs etc.

VICTORIA, B. C., Feb 23—Eleventh hour changes in the draft of the Moderation Liquor Bill which will be tabled in the Legislature this afternoon, will give effect, it is said to demands for the insertion in the Bill of a "beer clause."

This clause, it was intimated last night, will provide for the sale of beer in hotel rooms, restaurants, hotel bars, cabarets and clubs, the b.c.r. however, to be sold only in sealed packages, thus observing the principle upon which the people approved at the plebiscite.

This fact, it is understood, must be secured, not only by the Government stores and will only be sold to patrons possessors of the required permit, the attendant being required to "hand production of the permit" before the package is handed over.

It is intimated, too, that the bar feature will be eliminated and such establishments will have to provide tables for their patrons.

WINTER HARD ON BABY

The winter season is a hard one on the baby. He is more or less confined to stuffy, badly ventilated rooms. It is so often stormy that the mother does not get him out in the fresh air as often as she should. He catches colds which rack his little system; his stomach and bowels get out of order and he becomes peevish and cross. To guard against this the mother should keep a box of Baby's Own Tablets in the house. They regulate the stomach and bowels and break up colds. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

PAY AND PAY NOW

If one man keeps ten dollars in his pocket all week and pays it out Saturday, and another, instead of waiting, makes his payment on Monday, one of those bills lies idle for the week, but the other may be in rapid circulation, solving, setting, closing up five hundred or a thousand dollars worth of business.

When one man pays his bill another man is enabled forthwith to pay his. But if everybody holds back, business slows down, and while there may be plenty of currency it is not current enough—it is huddled, held, retarded in a thousand hands. There is thus withheld from circulation the currency without which business cannot move briskly.

UP TO DATE FRUIT GROWERS

Mr. G. R. Nichols, of South Berwick, agent for Niagara Spray Dusters, was in Annapolis Co. for a part of last week. He was successful in placing several machines and reports Anna, Co. on the map as regards fruit improvements.

MUST HAVE A LARGE NAVY

American Admiral Talks Possible War With England and Japan

NEW YORK, Feb. 23—Speaking at a dinner of the Society of the Cincinnati here last night, Rear Admiral H. P. Huse, new commandant of the New York Navy Yard, declared that if the United States stopped building battleships it will be because some other nation has not got the money to build and wants the United States to stop.

In determining naval strategy and the size of the navy, he said, naval officials must know against what country they are planning to arm.

"I know," he continued, "that it will make some of you catch your breath, if I say we have to have a navy large enough to fight England. It might be said that such talk should not be indulged in, that you might say there is no talk in England about a possible naval engagement with the United States."

Admiral Huse asserted that in England there is open discussion of just what would be the trouble with the United States. He asked why there should not be an open discussion in this country.

"We have to know in the navy," he said, "against whom we build ships. This is necessary so that we can decide on what kind of ships we must build."

"We must construct different ships against Japan than against England."

UNEMPLOYMENT IN ENGLAND

Labor Leader Says That Parliament Alone Can Solve the Problem

LONDON, Feb. 23 The Labor Party and the Trades Union National Congress, at a conference today on the question of unemployment passed a resolution declaring the Government's policy of extending the "unemployment insurance act was lamentable and inadequate to meet the present situation."

The Government's action "bears little relation to the existing human suffering," the resolution added. It proposed the continuance of constitutional, parliamentary efforts to induce Government action for the benefit of unemployed, and urged that every opportunity be taken to use the bye-elections to bring pressure to bear upon the Government through the defeat of every coalition candidate.

J. H. Thomas, the railwaymen's leader, in moving the resolution declared that Parliament was incapable of dealing with unemployment which was largely due, he said, to Great Britain's foreign policy. He would deplore any direct action by the Labor interests, he said, holding that a general strike would be futile and contending that Parliament alone could solve the problem.

In the course of the conference a lively scene occurred when a resolution providing that a deputation of the unemployed be allowed to address the delegates was defeated amid disorders and demand for the right of free speech.

FARMERS IMMIGRANTS FOR N. S.

Mr. W. B. McCov, Commissioner of Industries and Immigration for Nova Scotia, reports that a large number of enquiries are being received from all kinds of people as to prospects for settlement in Nova Scotia. Among these are many farm buyers and farm workers, both from Great Britain and from the congested districts of the United States.

All applications from Great Britain are now being dealt with at the office of the Provincial Agent-General in London. Mr. John Howard, where personal enquiry into qualifications can be made. Indications now are that many people of considerable means are ready to leave the British Isles whenever exchange conditions become reasonably favourable.

No one dreams of large numbers coming to this province such as the prairie provinces are able to absorb. Nevertheless there are lines of agriculture which are very attractive and very profitable in Nova Scotia. At the present time movie films are being prepared for exhibition abroad, of potato culture and the apple industry, fishing, mining and lumbering operations.

During the past fiscal year some 660 settlers and industrial workers came to this province, bringing with them a total capital of \$176,183. The Annapolis Valley absorbed the majority of the farm settlers, although some were also sprinkled over Pictou, Cumberland and other eastern counties.

PROFESSOR OR SWITCHMAN

During last year's campaign for better pay for college teachers the president of one of the universities asked: "Are we paying the men who train our minds less than we pay our men who mind the trains?" When John D. Rockefeller a little more than a year ago gave \$500,000, to relieve the distressed teachers the General Education Board proceeded to learn exactly what pay the professors are getting. Comparing the figures with the railroad wage scale of July 20, 1920, we find that the answer to the college president's question is yes. Of the 8,540 teachers in the 250 academic institutions investigated by the General Education only 40 per cent. received as much salary as a yard switchman gets approximately \$2,000 a year. Only 30 per cent were as well paid as a passenger fireman.

Only 15 per cent. made as much in a year as a passenger conductor makes. Only 12 per cent drew \$3,300 a year, the earnings of a passenger engineer. And one-third of these 8,540 teachers received such low salaries that there is no parallel for them in the railroad business. Under the award of last July the the railway clerks and brakemen make about \$1600 a year. Nearly 3,000 of the teachers were paid less than \$1,500. And all this was after the teachers had increases of 25 per cent. Only one teacher in a hundred receives more than \$6,000 a year. Only two in a hundred make \$5,000. There is not a profession which rewards long years of study with handsome income. Their condition in the days when their salaries had not risen at all to meet the increased cost of living was perilous, not only to their own

ST. JOHN'S Nfld., Feb. 23—

The schooner Asquith which sailed from this port forty days ago for a 400 mile passage to Sydney (N.S.) was blown to the West Indies. She arrived safely yesterday at Barbados, some two thousand miles out of her course, according to a cablegram received tonight. All hands aboard were reported well.

We are informed that Mr. Aubrey Baltzer has purchased Messrs. J. & G. McCormick's farm, and will take possession about the middle of April.

VESSEL BLOWN 2,000 MILES

ST. JOHN'S Nfld., Feb. 23—The schooner Asquith which sailed from this port forty days ago for a 400 mile passage to Sydney (N.S.) was blown to the West Indies. She arrived safely yesterday at Barbados, some two thousand miles out of her course, according to a cablegram received tonight. All hands aboard were reported well.

For real "honest to goodness" value you will use Red Rose Tea. The same good tea to-day as for over 26 years.

RHEUMATISM FOR OVER 16 YEARS

No Return Of The Trouble Since Taking "Fruit-a-lives"

103 CHURCH ST., MONTREAL.

"I was a great sufferer from Rheumatism for over 16 years. I consulted specialists; took medicine; used lotions; but nothing did me good. Then I began to use "Fruit-a-lives", and in 15 days the pain was easier and the Rheumatism much better. Gradually, "Fruit-a-lives" overcame my Rheumatism; and now, for five years, I have had no return of the trouble. I cordially recommend this fruit medicine to all sufferers."

P. H. Mc HUGH.

50c a box, 6 for \$2.50, trial size 25c. At all Dealers or sent postpaid by Fruit-a-lives Limited, Ottawa.

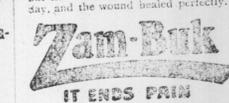

Children

who have once had Zam-Buk applied never forget how it soothes and heals their hurts. Wise mothers never use anything else. A touch of heral Zam-Buk—a balmage made of almost any clean rag—no more tears or worry. Zam-Buk is so pure and so refined that it provides the ideal healer for every sort of wound, abrasion or soreness.

Ask For

Mrs. J. E. Bierwirth, of Carnduff, Sask., writes—"My little boy cut off the end of his finger and it seemed a case for a doctor. However, I applied Zam-Buk to stop the pain and bleeding and it gave the child such relief that I continued the treatment. Using nothing but Zam-Buk, I dressed the finger each day, and the wound healed perfectly."

60c. box, 3 for \$1.25. All Stores and Chemists.

A Winter Requisite

A good Hot Water Bottle is a real winter necessity. We are at present displaying in our window a nice line ranging from \$1.60 to \$2.75.

Also Fountain Syringes, Air Cushions Bulb Syringes, Rubber Gloves, etc. Some of these lines have a very sweeping two year guarantee, in the event of fault or weakness, are replaced free within this period.

The Practical Work of a Mining School.

(1) Mining students ready to go underground in a coal mine near Sydney, N.S. (2) Students examining the great landslide at Turtle Mountain, Alberta.

Not very many years ago a great
many people looked on an education
at the University as unnecessary and
perhaps even harmful for a young
man proposing to enter business or
manufacturing. The old professions
of Law, Medicine and the Church
were of course, different, and de-
manded college training; but fitness
for success in even the greatest in-
dustrial or engineering undertakings
was commonly supposed to be best
gained by apprenticeship in an office
or works, and the boy who left school
at fourteen to run errands and sweep
out the office was often lauded as
having outdistanced his rich neigh-
bor who had "wasted" four or five
years in learning a lot of theory, and
with it acquired habits of luxury, and
a sense of his own superiority to
other men.
The above belief was due in part
to ignorance of what college life
really is, and in part to a failure to
distinguish between the old and new
methods of teaching. Fortunately,
time has cleared away much of this
misunderstanding and has proved to
all observant people that nothing can
equal a scientific education as a pre-
paration for any branch of advanced
industrial work, but it is doubtful if
even now the public understands
just what is done by our Universities
in training young men for the En-
gineering Profession.
Perhaps no clearer illustration of
the modern method can be found
than in the teaching of Mining En-
gineering as given, for instance, at
McGill. The students begin their
course in October and spend seven
months attending classes in Math-
ematics, Physics, and other fundamen-
tal subjects, and in carrying out ele-
mentary experiments in the labora-
tory. Then, after the spring exam-
inations they go to a camp in the
country, and do practical surveying
for four weeks. This ends their
obligatory work for the year, but they
are urged to spend at least the main
part of the vacation in Machine
Shops or on Surveys or other en-
gineering enterprises, and it is sig-
nificant of the earnest spirit of the
students that fully 80 per cent do this
and at the same time earn good
wages and thus acquire at least a
fair part of the money needed to meet
their next year college expenses.
The second year is similar to the
first, except that the work both
theoretical and practical is more ad-
vanced, and these first two years are
the same for all Engineering students
no matter what branch of the sub-
ject they propose to practice; but in
the third year, they specialize, and
the miners give a considerable part
of their time to Mineralogy, Geology,
etc. The practical work at the end
of this year is still further special-
ized and is in the form of a travelling
school. Sleeping cars are chartered
for a month or more, a dinner is en-
gaged when necessary, and the
party accompanied by a professor
and a small group of competent in-
structors, is taken to some important
mining district. About one-fifth of
the time is given to practical field
Geology—another fifth to visits to
Ore Dressing and Metallurgical
plants, and the remainder to actual
visits to mines carefully selected in
advance so that the widest possible
experience can be gained. The stu-
dents go underground, spend their
time watching, and if possible work-
ing, with the regular miners, and
each day after returning to their travel-
ling home they compare experiences
and write up notes, under direction
of the staff. At one end of the
school proper all of the men are
given opportunities to employ them-
selves for the remainder of the summer,
in the mines visited, and thanks to the
broad-mindedness of our Canadian
Mine Managers many of them old
McGill graduates) the students thus
get invaluable experience, and at the
same time earn very substantial pay.
The value of this very practical
summer school can only be fully ap-
preciated when the men return to
college for their fourth and final
year, which is devoted to a study of
the advanced technology of Mining.
Matters which might otherwise be
difficult to understand are quickly
appreciated, the interdependence of
theory and practice are made clear,
and the students complete their
course with a more mature and bal-
anced understanding of their profes-
sional duties and responsibilities.

SHE TOOK HER
MOTHER'S ADVICE

Now is in the Best of
Health because she took
Lydia E. Pinkham's
Vegetable Compound

Keswick, Sask.—"My mother has
taken Lydia E. Pinkham's Vegetable
Compound and upon learning of
my troubles advised me to try it,
as I seemed all run down after the
flu and had leucorrhoea very bad.
I have taken Lydia E. Pinkham's
Vegetable Compound and Lydia
E. Pinkham's Blood Medicine
and used the Sarsaparilla Wash also.
Dr. Brown's Capsules and Prescription
and am much better in every way. I
am willing for you to use my letter as a
testimonial as I recommend your
medicines."—Mrs. IRENE NELSON,
Keswick, Sask.

It is not always in business that a
woman is forced to give up her work
on account of ill health. It is quite as
often the woman who does her own
work at home. When backaches and
headaches drive out all ambition, when
that bearing-down sensation attacks
you, when you are nervous and blue,
the one great help for such ailments is
Lydia E. Pinkham's Vegetable Com-
pound.

The Cause
of Colds

Men who work indoors—
in offices, stores, factories
and warehouses, are in
constant danger of con-
tracting coughs and colds,
through over or under
heated buildings and cold
draughts. Their most
reliable protection is

HAWKER'S
Tolu and Cherry
BALSAM

which quickly and effect-
ively checks these colds,
preventing dangerous
complications.

Mont McDonald,
Barrister, St. John, says—
"Four months I suffered with a
severe bronchitis which baffled
all treatment. Hawker's Tolu and
Cherry Balsam was suggested and
less than two bottles completely
eradicated the cough. I recommend
it to all similarly afflicted."
25c. and 50c. bottles, at
all drug and general stores.
The Canadian Drug Co., Limited,
ST. JOHN, N.B.

Cause of
Early Old Age

The celebrated Dr. Michenhoff,
an authority on early old age,
says that it is "caused by poisons
generated in the intestine."
When your stomach digests food
properly it is absorbed without
forming poisonous matter. Poi-
sons bring on early old age and
premature death. 15 to 30 drops
of "Seigel's Syrup" after meals
makes your digestion sound, so

Probate Sale
In The Court of Probate
1921

Province Of Nova Scotia, County of
Annapolis, In The Estate R. Allen
Crowe, Deceased.

To be Sold at Public Auction on the
premises at Bridgetown, in the
County of Annapolis, on MONDAY,
the 7th day of March, A. D. 1921, at
two o'clock in the afternoon, pur-
suant to a license to sell granted
herein by the Court of Probate for
the County of Annapolis on the 27th
day of January, A. D., 1921:

ALL the estate, right, title, claim,
property and demand which the
said R. Allen Crowe had at the time of
his death in and to all those certain
pieces or parcels of land and premises
situate, lying and being in Middle-
ton, Bridgetown and Annapolis Royal, in the
County of Annapolis, bounded and de-
scribed as follows:

1st LOT— Situate in Middleton, afore-
said—Beginning at the corner of School
Street and Station Street, thence south
along west side of School Street one
hundred feet, thence west eighty-two
feet and six inches north parallel with
School Street to Station grounds, thence
east along south side of Station grounds
to place of beginning.

2nd LOT— Situate in Bridgetown,
aforesaid—Beginning at the east side of
Queen Street on the line dividing prop-
erty formerly owned by Joseph Buckler
and now owned by Frederick Primrose,
and running east on said line thirty-
seven feet, thence turning and running
south on a line parallel with Queen
Street, until it comes to the line between
the property herein described, and
property of the late Richard James,
Esquire, and now occupied by Angelina
C. James, thence west on said line to
Queen Street, thence north along said
Street to place of beginning.

3rd LOT— Situate in Annapolis Royal,
aforesaid—Beginning on Saint George
Street, at the western corner of Charles
Dargie's land, thence running north
westerly along said Saint George Street
twenty-one feet, thence north-easterly
parallel with said Dargie's western line
fifty-two feet, thence south-easterly
twenty-one feet to the northern corner
of said Dargie's lot, thence south-west-
erly along said Dargie's western line
fifty-one feet to the place of beginning,
together with a right of way from Saint
Anthony Street to the rear of said lot,
subject to gates and bars.

TERMS: Ten per cent deposit at time
of sale, balance on delivery of deed.

GORDON W. CROWE,
Executor.

Dated at Middleton, N. S., the 27th
day of January, A. D., 1921.

Can Any Canadian City Beat This?

THE mild and equable all-
the-year-round climate of
Victoria on Vancouver Is-
land—a climate which is
bringing so many Canadians and
Americans to the beautiful Em-
press Hotel—is demonstrated most
convincingly by the record of the
thermometer. According to fig-
ures supplied by the meteorological
office of the Dominion Government
the lowest point reached during
the year 1920 was 25 degrees Fahr-
enheit in the month of January,
while in only one month, namely,
July, was any higher point reached
than 84 degrees. The mean in the
hottest summer month of August

was 61 degrees while the
mean over the whole
year was 50 degrees.
The winter months of
January and February
show mean temperatures
of 39 and 42, although
temperatures in both months were
recorded as high as 53 degrees.
No wonder that the grass is all-
ways green and that Spring comes
early in this equable and delig-
htful climate. Victoria is par ex-
cellence Canada's City of Flow-
ers, and the Empress Hotel as its
social centre is a perennial attrac-
tion for young and old.

WEDNESDAY, March 2nd, 1921

The local house opens on Wednesday March 9th, announced by proclamation in the Royal Gazette: This session may be one of the most important in many ways for some years. It is the first time that the Farmer and Labor parties have had any considerable representation and the course of action they will take will be watched by people of all parties, not only in this province, but all over Canada.

For one thing it is expected that a large number of bills will be introduced by the labor members, some of them of an entirely new character as far as the province of Nova Scotia is concerned. The highways scandal will no doubt be the subject of much debating. What is a legislation of general interest will be introduced by the Murray Government, which will have a majority over all other parties combined, has not been very clearly announced.

CHRISTIAN SCIENCE OF PRAYER

Continuing the series of addresses on "The Christian Science of Prayer" in St. James' Church on Sunday evening, the Rector, reminding his hearers of the two fundamentals—viz. A personal faith in a living God, and a right understanding of what Christian prayer is—intercourse with God based on a mutual relationship acknowledged, valued, and used; and also of certain causes of failure, went on to point out certain conditions of success. The first of these is to recognize the importance of "doors." "When thou prayest enter into thine inner chamber, and having shut thy door, pray to thy Father which is in secret" such is the preparation for prayer enjoined by Jesus. Adapted to the subject under consideration this means the deliberate effort to shut out from the mind, for the time being, all the clamorous hosts of interests and duties, pleasures, plans and cares which crowd our lives, and distract us with their claims.

But if there is an outer door to be closed in order to keep our prayer time free from distraction, so there are inner doors to be opened if we would not hinder the working of God's power within us. Every corner of the heart and life must be opened up to the grace of God through prayer if it is to have free course, and if we are not to pray in fetters.

Another condition of success is "A right aim." The one true aim in Christian prayer is to make it possible for God to work in and through us to His honour and glory. This is illustrated by the pattern prayer given us by Jesus. It does not mean mere passive resignation, but rather an active co-operation with the Almighty, and most merciful Father who knows our needs before we ask and our ignorance in asking. The pattern prayer used vocally and deliberately with the endeavour to realize the meaning and power of each word, as well as the order in which the separate clauses ran, cannot but help tremendously to strengthen the intention and shape the desire in Christian prayer. The subject next Sunday evening will be "In touch with God."

A GOOD ENTERTAINMENT

As will be seen by our advertising columns the Paradise Dramatic Club will present in Longley's Hall, Paradise, Friday evening March 11th, the three act comedy drama "When a Feller Needs a Friend". Our readers always look forward with pleasure to the entertainment put on by the Paradise Dramatic Club few amateurs can excel them and some of the characters are taken almost as good as professionals. We trust they will be greeted with full houses this season and that arrangements will be made to have them play in the Primrose Theatre, Bridgetown.

I. O. O. F. AT MIDDLETON

The Rebekah lodge gave a supper and entertainment in the Princess theatre Monday evening. Owing to the heavy fall of snow the attendance was limited, but the supper was excellent and the musical entertainment of a very high order. A considerable sum was realized above expenses, to be devoted to the home for Oldfellows.

Minard's Liniment For Diphtheria.

Local Happenings

The W. M. A. S. will meet at Mrs. M. C. Foster's on Tuesday afternoon, March 8th, at 3.30.

Just as soon as weather permits the work of erecting a \$100,000 school building in the east end of Truro will be commenced.

A full attendance of the Third Degree team is especially requested in Crescent Lodge I. O. O. F., tomorrow (Thursday) evening.

While coasting a week ago John Fisher met with a painful accident breaking his wrist. His many companions wish him a speedy recovery.

Capt. G. H. Perry, of Yarmouth, was clubbed to death with an iron bar upon his door step late Saturday night. It is said there is no clue as to the identity of the assailant.

Capt. J. D. Brinton, of Port Lorne, has the Editor's thanks for a number of Gravenstein apples, the flavor of which could not be surpassed at this season of the year.

At an adjourned meeting of a number of the citizens held in the Board of Trade room last Friday evening it was decided not to organize a past time Club until some future date.

Once more we remind our correspondents that we cannot print village notes or any other items unless we have the name of the writer, not for publication but we must know from whom we are getting our information.

The regular monthly meeting of the Women's Institute will meet in the Board of Trade rooms Thursday afternoon at 3.30. Subject for roll call "Salads". A full attendance is especially requested to consider matters of importance.

VALLEY MAIL SERVICE REDUCED

Word reached here early Saturday morning that the Owl train known to railway men as Nos 96 and 97 now running on the D. A. R. will be withdrawn between Kentville and Annapolis after Monday, March 7th. These trains carry an evening and morning mail, which make them extra valuable to the business men of Halifax and those who reside in the Annapolis Valley. This matter will be taken up by the Halifax Board of Trade, the Bridgetown Board of Trade and other Boards along the line to see if it is possible to increase the subsidy for mail service or in some way have the service continued.

THE FIRST APPLE SHIPMENT

Annapolis was the first port from which apples were shipped to England. The late A. W. Corbett, father of Captain George E. Corbett, of Annapolis Royal, made the first shipment in 1864 in a small schooner. There were no chilled rooms in those days. To preserve the apples during the voyage he packed icy lumber in the hold of the vessel among the barrels of apples. Now the export of apples from the Annapolis Valley has become an enormous business. The largest orchard on the continent possessed by an individual owner is that of S. B. Chute, Berwick.

BORN

JACKSON—At Ingewood, February 23rd, to Mr. and Mrs. William Jackson, a son.

WHITE—At Young's Cove, February 23rd, to Mr. and Mrs. Minard White, a daughter.

DIED

MOREHOUSE—At Digby, Thursday morning, February 24th, Dorothy Walsh, infant daughter of Mr. and Mrs. Guy Morehouse, aged seven weeks. Funeral services are being held today (Friday) and interment is at Sandy Cove.

The Paradise Dramatic Club

will present their three act, comedy drama

"When a Feller Needs a Friend" in Longley's Hall, PARADISE, FRIDAY EVENING, March 11th

Special music between the acts. Reserved seats, 50 cents, general admission 35 cents. Tickets for sale at E. Brooks & Sons, Paradise, N. S. Proceeds for community purposes.

CARD OF THANKS

Mr. E. S. Piggott and family wish to express their heart felt thanks to all who ministered to the departed one during his long illness, also for floral offerings and expressions of sympathy. 48 1 ip

When you fuss about the weather, it's a sign you're getting old.

LOCAL DEATH ROLL

MRS. PHEBE MARSHALL

There passed away at Lynn, Mass., Feb 6th, 1921, Mrs. Phebe Marshall beloved wife of Warren Marshall aged 72 years. Mrs. Marshall was born at Arlington daughter of the late Jordan and Elizabeth Messinger. She leaves to mourn her loss a husband, four daughters and three sons, four sisters and two brothers. At an early age she became a member of the Baptist Church and the pride of her life was to adorn her profession and her happiest days were spent in the service of her Master. For a number of years after her marriage they lived in Clarence, from there they moved to Middleton and from there to the United States. Recent years they have been residing in Lynn, Mass. She was ill about two weeks, pneumonia being the cause of her demise. The funeral services were held in the First Baptist Church, Park St., The Rev. Dr. Harriman officiating. The numerous floral contributions showed the high esteem in which she was held by relations and friends. Our sincere sympathy goes out to the bereaved husband and children, also brothers and sisters who are left to mourn her loss.

On Monday the messenger of death visited East Waldeck, claiming as its victim one of the oldest residents, Elias Eisenhour, at the age of 84 years and 9 months. He was born in Mahone Bay and moved here fifty years ago, and has ever since made his home and carried on the butchering business until up to his death. He was well and active until within a few days, and was well liked both socially and in business. He was twice married and leaves to mourn their loss, a widow, two daughters, Mrs. F. A. Kingsbury, of Waltham, and Mrs. C. A. Gaudet, of Malden, Mass., and one son, Charlie also several grandchildren who have the sympathy of a large circle of friends—Other papers please copy.

Thursday at noon, February 17th, 1921, the death occurred of Miss Minnie Banks, the beloved daughter of Mr. and Mrs. Wallace Banks, of Brickton, Annapolis Co., N. S. Muriel, who was loved by all she knew her was in her eightieth year. The funeral service was held on Saturday afternoon, 19th Feb., conducted by her pastor, Rev. J. A. Swetnam, who spoke words of comfort to the sorrowing parents and family from the text: She is not dead but sleepeth. The entire family have the sympathy of a host of friends "Their loss is her gain".

Thursday at noon, February 17th, 1921, the death occurred of Miss Minnie Banks, the beloved daughter of Mr. and Mrs. Wallace Banks, of Brickton, Annapolis Co., N. S. It is strange how many people who would not think of missing a church service will continue to owe for the local paper. A Baptist clergyman, of Sandy Cove, one day while preaching to a congregation in Little River, said "If you owe for your local paper, pay for it. If you haven't the money, take off your coat and earn it".

TEACHING FUTURE FARMERS

Lamb Competition

With agriculture the first industry of Canada and likely to remain so, the farmer is a factor of paramount importance in the Dominion's national life, and the better farmer he is, the greater the benefit to the country. His sons and daughters are the farmers and farmers' wives of to-morrow and so their education is really one of the most important problems of the country. To keep the children of the farm on the land, the education of the young people commences seriously in their early years, and so it is incumbent upon all who have national agricultural progress at heart to make the education of the young people along agricultural lines as pleasant as possible. Agriculture is a life profession, the study of which is never exhausted, and the earlier one commences seriously to learn it, the greater are the chances for the most absolute success in the pursuit. As so many boys and girls in Western Canada are being taught in their early years how to farm so as to obtain the utmost from the earth and yet maintain it in all the richness of its virgin state, and to rear the best type of animal and discover for themselves the fallacy of bringing to maturity the scrub animal. Instead of viewing farm work through the drudgery of chores in which they see little romance, they become imbued with the nobility of the agricultural profession and are keen to adopt the pursuit as their life work.

This object is best achieved by giving the child his own plot of soil to cultivate or his own calf or lamb to raise, playing upon the natural instinct of love in possession, and the inherent desire of creating. To encourage the young idea

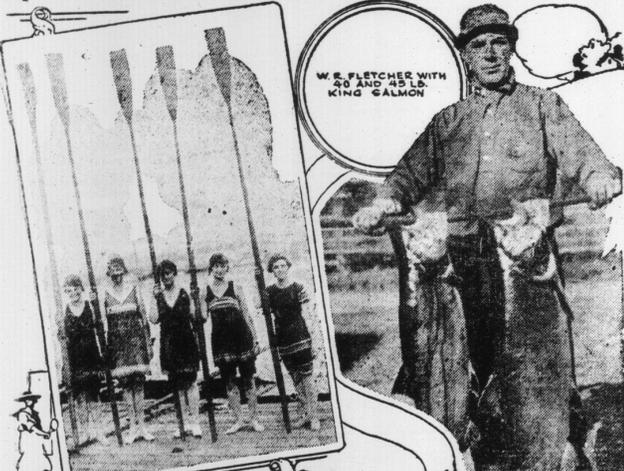

Miss B. Dewdney's Champion Shorthorn Heifer

special classes are arranged for at provincial exhibitions at which the youngsters can exhibit the grain and cattle for whose production and growth they are responsible, and compete with other boys and girls of the west, receiving all the benefits of competitive criticism. The competitions cover many classes of farm endeavor and there are equal chances for the youngsters of both sexes in the awards. Though girls, in many cases, are just as interested in grain and livestock as their brothers, there are many classes in which they shine alone, all of which have relation to the multifarious duties of the western farmer's wife.

No one can doubt the success of this system of education which is present at one of these exhibitions and pervades the atmosphere of the judicial events. Excitement was high as exhibit after exhibit is eliminated, and reaches its peak in the culminating selection of grand champions. And in regions which carry off world honors, it can readily be understood that these winners are most creditable examples of their kind. But the most valuable feature of the work is the love of good farming for itself which is fostered in the minds of the young generation, and the inspiration to raise more and better produce to their own and the national gain.

Sport A-Plenty on Vancouver Island all the Time

W. R. FLETCHER WITH 40 AND 45 LB. KING SALMON

When Captain Vancouver discovered Vancouver Island 23 years ago, he declared that it required only to be nourished by the industry of man, with villages, mansions and cottages to be "the most lovely country that can be imagined." Man, has ably supplemented Nature since then, and the traveller who has crossed the United States to California returns east through Canada to enjoy the beauties of Victoria and Vancouver and the Canadian Pacific Rockies.

Owing to its mild climate in winter, Vancouver Island is as great a playground for lovers of sports as it is in summer. There are splendid roads and famous drives for the motorist, water sports of all kinds are popular, and golf, tennis and cricket have thousands of devotees.

Victoria and Vancouver girls are clever with the oars, particularly the girl scullers of the Vancouver Rowing Club who have won laurels even in competition with crews of the sterner sex. In the picture they are (left to right), Miss Elsie Cooper, Miss E. Shamp, Miss R. Matheson, Miss Florence Cooper and Miss Leonie Landon.

Vancouver Island is a great resort for fishermen who lure their finny prizes from both fresh and salt water. One of the games of these is the tye salmon, so called by the Indians, the name meaning king fish. Victoria has many expert fishermen, among them W. R. Fletcher, a conductor on the Equilmalt & Nanaimo Railway, who recently caught two tye salmon weighing 40 and 45 pounds, respectively.

"When one of these boys hits the spoon," says Fletcher, "he'll keep you 'stepping some' for a while. He'll tow you around, dive for the bottom of the sea, then come up and jump five feet in the air. Sometimes he'll fight for nearly an hour before you land him in the boat."

Purity. Quality. Economy

The combination of purity, quality and economy has made Magic Baking Powder the standard baking powder of Canada. Positively contains no alum or other injurious substitutes. Its use insures perfect satisfaction.

JAPAN PROPOSES TO SEEK POWER TO RULE IN THE FAR EAST

TOKIO, Feb. 23.—The Foreign Office is drawing up a proposal to the Powers for revision of the covenant of the League of Nations, so as to harmonize with changes in world conditions since the covenant was formulated, according to the Asahi Shimbun.

The Government especially desires the insertion of a clause asserting Japan's special position in the Far East, and Japan's responsibility for maintaining peace in the Far East.

The paper says that the proposal has been kept secret as it must be approved by the Cabinet and Diplomatic Advisory Council before being presented.

RICH RED BLOOD MEANS HEALTH

Pale Cheeks and Bloodless Lips Are a Danger Signal.

To be pale is no longer the fashion; to be languid is an affliction. Today the most winsome girl is the one with the pink tinge of health in her cheeks, lips naturally red, and eyes sparkling with life. Add to this a quick active step and everyone can tell the girl whose veins are full of the pure, rich blood of health. How different she appears from her ailing sisters, whose aching limbs and weak backs make them pale and dejected. Anaemia is the cause of so much suffering among girls and women that it cannot be too widely known that Dr. Williams' Pink Pills have transformed thousands of delicate anemic invalids into happy, healthy women. These pills help to put rich red blood into the veins, and this blood reaches every part of the body, giving strength, rosy cheeks and brightness in place of weakness, prostrating headaches and a wretched state of half health. Miss Edna E. Weaver, R. R. No. 1, Chippewa, Ont., says "I was very much run down, weak, nervous and troubled with pains in the side. I tried different medicines but without any benefit until I began the use of Dr. Williams' Pink Pills. Under the use of this medicine I gained strength, had better appetite, slept better and the pain in my side disappeared. My health has since remained excellent and I advise any one troubled with anaemia, or weakness, to give Dr. Williams' Pink Pills a fair trial."

Try Dr. Williams' Pink Pills for anaemia, rheumatism, neuralgia and nervousness. Build up your blood and note how the purer and richer blood fights your battles against disease. Take Dr. Williams' Pink Pills as a tonic if you are not in the best physical condition and cultivate a resistance that with the observance of ordinary rules of health will keep you well and strong. Get a box from the nearest drug store and begin the treatment now, or send to The Dr. Williams' Medicine Co., Brockville, Ont., and the pills will be sent you postpaid at 50 cents a box or six boxes for \$2.50.

Now that the spar measurements of the Shelburne craft have been made public it is possible to compare them with those of the Bluenose as follows:

Bluenose	Shelburne
Vessel	95 feet 92 feet
Mainmast	52.6 feet 52 feet
Foremast	79 feet 81 feet
Foretopmast	48.6 feet 43 feet
Mainboom	81 feet 80 feet
Maingaff	46 feet 48 feet
Foreboom	32 feet 32 feet
Foregaff	32 feet 32 feet

Like the Bluenose her sails will be made of the same canvas as used on regular fishing vessels.

Capt. Conrod left for his home in Clarence, Annapolis Co., Wednesday and is confident that McGill's will turn out a fine craft, eligible for the elimination series and a stronger contender for the title of Canadian challenger.

SHELBURNE RACER A FINE CRAFT

Rapid Progress is Being Made in the Construction of the Cup Contender

The vessel being built at Shelburne as a possible contender in the International Ocean schooner race next fall is expected to be launched the first of April. Her topsides have been sealed and her deck beams placed. Captain Joseph Conrod, of Clarence, for whom the vessel is being built, was in Halifax Monday and is very optimistic about the new vessel.

The keel was laid on January 1st, and the work has gone ahead most satisfactorily. She is being built in the yards of the McGill Shipbuilding Company, where many a fine craft has been turned out. Before April 15 it is expected to have her enroute to the Banks.

This new vessel, which is as yet unnamed, will be of the semi-hull sprit type, similar to the Delawana, only along finer lines. She has been designed by Amos Pentz, Mayor of Shelburne, and is the 159th vessel that he has drawn plans for.

She will not have the length and beam of the Bluenose, being built at Lunenburg, but will have a greater depth. She will measure 128 feet overall, 25 feet beam and 12 feet deep, while the Bluenose will be 141 overall, 27 feet beam and 11.5 feet depth. The Shelburne vessel will carry about 10,000 square feet of canvas compared to the Bluenose's 16,927 square feet.

Now that the spar measurements of the Shelburne craft have been made public it is possible to compare them with those of the Bluenose as follows:

Bluenose	Shelburne
Vessel	95 feet 92 feet
Mainmast	52.6 feet 52 feet
Foremast	79 feet 81 feet
Foretopmast	48.6 feet 43 feet
Mainboom	81 feet 80 feet
Maingaff	46 feet 48 feet
Foreboom	32 feet 32 feet
Foregaff	32 feet 32 feet

Like the Bluenose her sails will be made of the same canvas as used on regular fishing vessels.

Capt. Conrod left for his home in Clarence, Annapolis Co., Wednesday and is confident that McGill's will turn out a fine craft, eligible for the elimination series and a stronger contender for the title of Canadian challenger.

HOME MADE BEER

A friend of mine was feeling glum. He had no means of cheer; Although he had sufficient hops, To make a keg of beer.

His folks for many centuries, Had made a special brand That cheered the cockles of the heart, And paralysed the land.

He bought a peck of raisins fine; He bought a load of yeast; And 'till he had the puncheon filled, The poor man never ceased.

'Twas placed beneath the cellar floor, Of mortar and cement, That it might bide its time in peace, And gently there ferment.

As weeks rolled on he hardly gave The keg a single thought; And after several months had gone, The beer was clean forgot.

But one calm night the neighbors all Were thrown on the floor, The owner of the beer was blown, Clear through his cellar door.

His corpse was found upon the street, No sign was there of breath; The Verdict of the Coroner, Was "Accidental Death."

So do not try, oh worthy friends, To brew a keg of Beer, For being blown through walls of brick, Is hardly worth the cheer.

PROVINCIAL APPOINTMENTS

To be School Commissioners for the towns named: Digby, P. W. Holdsworth; Middleton, Fred B. Armour.

Mother

"California Syrup of Figs" is Child's Best Laxative

Beware! Say "California" or you may not get the genuine "California Syrup of Figs" which doctors recommend for babies and children of all ages. Nothing else cleans the little bowels and regulates the child's stomach and liver so gently, so thoroughly. Directions on each bottle. But you must say "California". Don't be talked into an imitation fig syrup which hasn't the delicious, fruity taste or the perfect "laxative physic" action.

Hiawatha Dusters

MAGEE & CHARLTON

LOCAL DEATH ROLL

R. C. WRIGHT
WINDSOR, N. S., Feb 23—Rupert Churchill Wright, manager of the Royal Bank branch here, died last evening. On Sunday morning he was supplied as organist at the Methodist Church, but was not equal to the effort in the evening. His condition showed considerable improvement since then, but early last evening a sudden change was noticed and he passed suddenly away. He was sixty-three years of age, a son of Charles Wright, Halifax. The late Rev. Fred Wright was a brother. Mr. Wright was an efficient bank manager and came here from Yarmouth in 1904, and transferred to St. John (N. B.) in 1909, where he remained for a year and then returned to Windsor. He is survived by his wife and four daughters, Mrs. Alfred Longard and Mrs. Lindsay Allen, both in Halifax, and the Meses Bertha and Annie at home. To the Methodist church the loss in activeness, sincerity and sport is distinct. Charles Wright, Middleton (N. S.), is a brother. The town in general expresses genuine sympathy in losing so worthy a citizen. A funeral service was held at Mr. Wright's late residence this evening, and on Thursday morning the body will be taken to Halifax, where on Friday, the funeral will be held from the house of Mrs. Alfred Longard, 197 Oxford Street, to Campbell cemetery.

MRS. FRANCES SURRETTE

Mrs. Frances Surette, widow of John B. Surette, of Wilmington (Mass.), died this week in West Medford (Mass). Mrs. Surette was born in Eel Brook, Yarmouth county (N. S.) eighty-two years ago, a descendant of one of the first French settlers of the Annapolis valley. She lived in Eel Brook for fifty years, going to West Medford, Wilmington, thirty-two years ago to live with her son, John B. Surette, Jr. She is survived by nine children, fifty-seven grandchildren and thirty-four great grandchildren. Joseph Surette, of Weymouth (N. S.) is one of the sons.

EVERETT H. ARCHIBALD

Word has been received from Pasadena (Cal) of the death of Everett H. Archibald, of the prominent Archibald family of Colchester county (N. S.), of which Sir Adams Archibald was a member. Mr. Archibald went to Massachusetts from Truro twenty years ago and entered the motor carriage industry. He was president of the Archibald Wheel Company of Lawrence (Mass.). He was born in Truro on Jan 14, 1860. He is survived by a wife and two children.

MRS. LYDIA GRAY

PARRSBORO, N. S., Feb 23—The death of Mrs. Lydia Gray, a former resident of Parrsboro, occurred at the home of her daughter, Mrs. Jane F. McKinnon, Waterville (Me.), on February 13. The funeral took place from the home of Edward Warren, her brother, on Sunday afternoon, February 20. Rev. C. W. Cook officiating. The late Mrs. Gray is survived by three daughters, Mrs. McKinnon, Mrs. Byron Livingston (Mass.) and Mrs. Fred Wade, of Weymouth (N. S.).

MILLET GATES

Mr. Millet Gates, an enterprising farmer of Middleton, dropped dead on Monday while at his work, his death being due to heart failure. Funeral services were held Wednesday afternoon from his residence, Commercial Street, north.

COULD NOT RAISE HER HAND OR FOOT

Halifax Woman Had Suffered From Rheumatism Five Years Before She Got Tanlac

It is such a relief to be free from pain after all my years of suffering that I feel like going out and telling everybody what a wonderful medicine Tanlac is, said Mrs. H. W. Conrad, of 131 Cunard street, Halifax, N. S. "For five years before I started Tanlac I suffered so with rheumatism in my legs and side that at times I could hardly move. At night I would raise my hand above my head and it was such a torture to try and do my work that I simply had to let it go undone. I was troubled a lot with indigestion and lost so much in strength and weight that I was a mere shadow of my former self. Although I tried almost everything in the way of medicines nothing seemed to reach my ease until I tried Tanlac. "After taking seven bottles of the medicine I am like a different woman and feel fully ten years younger. The rheumatism has left me and it is such a comfort to be able to sleep peacefully throughout the night. I have also been relieved of all stomach trouble so that I can eat anything, and my appetite is just splendid. I feel so energetic all the time that my work is a real pleasure to me and I can hardly find enough to do."

HOCKEY NEWS

AT MIDDLETON

A hockey game was played one night last week between the high school girls and the young ladies of the town. It resulted in a win for the latter by a score of 5-3. The game which was very hotly contested was witnessed by a large number of local fans.

(Yarmouth Times)

The hockey game between Church Point and Yarmouth team played here Thursday resulted in a win for the former, score 8-5.

There was a good sized crowd in attendance.

Digby, Saturday—(Special to the Times)—In the Hockey Match last night Yarmouth won over Digby by a score of 7 to 1. The game was a poor sample of Hockey and many penalties were exacted.

(It is expected that Digby will play Yarmouth a return game here next week.)

STOMACH TROUBLE CASES, INDIGESTION

"Pape's Diapepsin" is the quickest, surest relief for indigestion, Gas, Flatulence, Heartburn, Sourness, Fermentation or Stomach Distress caused by acidity. A few tablets give almost immediate stomach relief and shortly the stomach is corrected so you can eat favorite foods without fear. Large case costs only few cents at drug store. Millions helped annually.

BABIES ON THE MARKET

In Baltimore a woman put an advertisement in a newspaper offering to adopt a baby and take it to California with her. She received 100 replies, she says, mostly from girls of sixteen to twenty years who were separated from their husbands, and forced to support themselves and their babies. "They wrote long letters describing pathetically the charms of the little babies," asserts the advertiser. "This is a sad commentary on some of our modern ways. Marriage is being rather lightly regarded and is being hastily entered into by many who find leisure later to do the repenting act. And housing conditions and high rents are sorry blows to young love nowadays. The Baltimore instance brings to attention a tragedy which is all too common today."

SEVEN DEAD IN MINE BLAZE

DUQUOIN, Ills., Feb 23—Seven men are believed to have lost their lives in a fire that has been raging in the Kathleen mine at Dowell, seven miles south of here since this afternoon.

The fire started in a gallery, a half mile from the shaft, imprisoning the workmen. Heat and gas prevented rescuers from getting near the fire.

"Well then," said Tommy, picking up a saucer, "I'm going to milk the cat."

FARM NEWS

Canada needs more cows and fewer satin upholstered limousines; more alarm clocks and less jazzy orchestra music.

Get acquainted with the flock so you will be able to pick out the good hens for a breeding pen a little later in the season.

It is reported that there are 7,900,000 more cows in the United States now than in 1914, and 1,900,000 more farms than in 1919.

If you would have 200 pound pigs at six months the young pigs must receive no setback. A check in the progress of pigs is easily and quickly brought about.

Are you endeavoring to train your eye to detect signs of distress in your stock? Are you studying how to render first aid? Every stockman should know how to treat minor ailments but also know when it is time to call in the veterinarian.

Argentine breeders are demanding that they have more assurance as to the identity of the animal they import. There is a ruling that pedigree cattle arriving in the Argentine must have a photograph signed by the breeder attached to the pedigree certificate.

It is impossible to gasp, from a national viewpoint the significance of good seed. Every year there are thousands of bushels of dirty and weak seed sown on the land and it produces an inferior crop. It is only a wealthy man who can afford to sow poor seed.

It is strange but nevertheless true that when prices begin to soar some men rush into that line of business, but when a slump comes they are just as quick to unload. The result is they miss the greatest advantage of a good market and are hit a broadside when prices lower. Those who are on top today have stayed with the game through thick and thin.

Only the very best quality of product will keep Canada on the map for agricultural and animal products, during the years to come. The grading of products and paying according to quality may appear hard to some, but we must accept those principles if we are to compete with other countries who are making quality and high standards a trademark to sell their goods.

According to a press despatch 700 Holstein cows, comprising a first consignment of milk cows given by America to Germany, arrived in Hamburg a short time ago, when they were quarantined pending action by the American donors and German officials who will determine their final destination. It is planned to retain them to the cows so that they will not be included in the cattle levy demanded by the Allies. An American dairy cattle company is supervising the gift enterprise.

In order to encourage the employment of field men to carry on propaganda and publicity, especially to boost "better bulls campaign" and get Jersey herds entered in the record of performance and accredited herd lists, the Canadian Jersey Cattle Club at its annual meeting at Toronto last week decided to offer \$2,000 towards the expenses of employing a field man for Ontario, Quebec and the Maritime Provinces, if breeders in these provinces would put up a similar amount.

"CASCARETS" TONIGHT FOR CONSTIPATION

Just think. A pleasant, harmless Cascaret works while you sleep and has your liver active, head clear, stomach sweet and bowels moving as regular as a clock by morning. No griping or inconvenience 10, 25 or 50 cents boxes. Children love this candy cathartic too.

HOW MUCH CLOSED!

Children Cry for Fletcher's CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

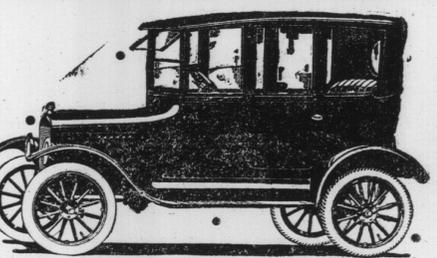

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

Results of Half Yearly Examinations of Bridgetown School

The following pupils of the various grades of the Bridgetown School have been successful in their half yearly examinations. A number whose names do not appear were absent, while others failed to make a pass mark. Some of those who have failed as well as some who have made a pass are not giving the attention to their home lessons they should. Will the parents note carefully the phrase they say or girl as the case may be holds in this list and cooperate with the teachers by encouraging the preparation of lessons at home?

SPRAY, DUST OR CUT DOWN YOUR ORCHARD

You Will be Unable To Sell Your Apples in Future Unless You Have Clean Fruit

APPLE BUYERS are determined not to buy any apples from unsprayed or undusted orchards therefore you are out of the business unless you arrange for dusting or spraying.

THE AMOUNT OF MONEY LOST during the past Season on spotted apples nearly ruined the buyers and they will not be foolish enough to be caught again.

If you want advice in connection with the purchase of a Spraying or Dusting Outfit send me a postal card or ring me up.
