## LETTER POSTAGE RATES.

**Letter Postage**—Canada and United States, 3c per oz. Other countries, 5c per  $\frac{1}{2}$  oz., except British Bechuanaland, Orange Free State and Interior of Africa, served by way of Cape Colony and Natal, 10c per  $\frac{1}{2}$  oz.

Insufficiently prepaid letters posted in and addressed to Canada are charged with double the amount of postage due thereon.

When posted wholly unpaid they will be sent to the Dead Letter Office

Insufficiently paid letters for or from the United States are charged with the deficient postage on delivery. Letters for the United States must be prepaid at least one full rate, 3c.

Wholly unpaid letters for or from the United Kingdom or other countries are charged double postage on delivery, and insufficiently prepaid letters double the deficiency.

Letters addressed to mere initials, to fictitious names, will not be delivered unless a street address, the number of a box or some other definite direction is added.

Letters bearing mutilated stamps or stamps so soiled and defaced as to make it impossible for the sorting clerks to decide whether they have been used before or not will be sent to the Dead Letter Office.

**Postal Cards**—Nothing whatever may be attached to a postal card, nor may it be cut or altered in any way. A previously used post card, bearing a one cent stamp will not be accepted as a post card.

### Useful Hints about Mailing Letters.

Register all valuable letters, and use, except on those for hot countries, sealing wax for letters containing money.

Transmit money by Money Orders.

Make complaints and enquiries in writing.

Preserve and request correspondents to preserve envelopes of mis-sent or delayed letters.

Send to the Postmaster envelopes of letters about which you seek information or make complaint.

Business men should be careful to authorize but a limited number of persons to receive their letters and only those in whom they have full confidence.

Report promptly to the Postmaster or at the Enquiry Office undelivered letters or other mail matter.

Letters and papers should be addressed to the street and number at which they are to be delivered.

Notice of change or residence should be promptly given to the Postmaster in writing, and renewed at the end of three months or it will then lapse.

In addressing letters, add the name of the county in which the Postoffice addressed is situated; if to a city, add street and number.

Letters to the United States should be addressed to the State as well as to the Postoffice.

A letter addressed to a particular street will be taken out by the letter carrier and not delivered at the wicket unless returned by the letter carrier.

A letter or packet, once posted becomes the property of the person to whom addressed, and must be forwarded to its destination. On no application, however urgent, can it be delivered back to the sender.

**INFORMATION REGARDING TICKETS.**

RATES at which tickets may be sold are fixed by the management of transportation companies, and cannot be changed by the ticket agent.

**UNLIMITED FIRST-CLASS TICKET** entitles the holder to ride in first-class coaches. They are good for use for an indefinite period, and allow stop-overs at any point, subject to the regulations of the line or lines over which they read.

**LIMITED FIRST-CLASS TICKET** entitles the holder to every privilege accorded to an unlimited ticket, but must be used within a certain specified time from its date of sale. It is usually limited to two or three days longer than the actual time required to reach destination. Stop-overs may be had within such limit.

**SECOND-CLASS TICKET** entitles the holder to ride in a second-class coach. It does not allow stop-overs at any point.

**CHILDREN** 5 years of age, and under 12, are charged half-fare; those under 5, free.

**CONTRACT TICKETS**—If you attempt to travel on a ticket bought for another person and usually marked, "Not Transferable," it is the duty of the conductor to take it up and collect full fare, of which the passenger cannot expect a refund nor the return of the lifted ticket.

**UNUSED TICKETS** are generally redeemed by the company as an act of courtesy. Unused tickets, or parts of tickets, should be forwarded to the General Passenger Agent of the issuing line, with an explanation of why they were not used. The return portion of a round-trip ticket is generally redeemable at the difference between the amount paid for it and the regular trip rates between the points for which sold.

**STOP-OVERS**—If you wish to stop off at any point and your ticket allows it, you must ask the conductor for a stop-over check without which you will be obliged to pay fare on resuming your journey.

**LOST TICKETS**—If you lose your ticket you are out of pocket the value thereof. Give notice of your loss to the conductor, pay your fare to him, taking a receipt for the amount paid. Then write the General Passenger Agent of the road, enclose receipt, and explain the circumstances. The railway company will adjust the matter.

**PLACES OF INTEREST IN AND AROUND  
NANAIMO.**

**The Mines**—No. 1 shaft of the New Vancouver Coal Company's mines, on the esplanade, a few minutes walk from any part of the city will well repay a visit. Here are located the company's offices, the power house for the subterranean electric tramway, and the stabling accommodation for the mules and horses. Visitors are allowed to descend the shaft, permission being first obtained from the manager. The other mines belonging to this company are also well worth visiting.

**The Bastion.**—An old Hudson Bay Fort, situated on the waterfront at the end of Fitzwilliam or Bastion street. It is one of the picturesque relics of the early days.

**The Government Offices and Jail,** Containing many curiosities and relics, also Stewart's famous artillery.

**Chase River,**  
**Nanaimo River,**  
**Oyster Bay,** } To the south of the city. These places afford a beautiful drive for visitors. Good trout fishing in the rivers and excellent shooting in the neighborhood.

**Mount Benson.** About four miles from the centre of the city, from which one of the most magnificent views on the Island can be enjoyed. A good road has been constructed almost to the summit.

**Departure Bay.** A short drive from the city or an easy pull in a rowboat. The scenery here is beautiful. The view across the bay to the far distant Cascade Mountains cannot be equalled.

**Nanoose Bay,** A charming settlement to the north of the city, will well repay a visit. Excellent fishing and shooting can be obtained

**Protection Island.** Immediately opposite the city. Can be reached in a few minutes. Here is situated another shaft of the N V Coal Coy. Good shooting can be enjoyed.

**Gabriola Island,** or Big Island, is a favorite resort of sportsmen and artists. The island is easily reached either by sail or row boat, or by the weekly steamer.

**Newcastle Island.** North of Protection Island, is beautifully situated and is the favorite picnicking ground for the city.

**Boating** can be enjoyed in Nanaimo under the most favorable circumstances. In every direction are scattered the beautiful Islands which make Nanaimo's harbor the best protected on the coast, all worthy the visitor's inspection. Sail and rowboats can be easily obtained at low rates.

**Chinatown,** just at the northern end of the city limits, though not very extensive, is an interesting spot.

**The Public Hospital,** Beautifully situated at the top of Franklin street, is a model of cleanliness and all that such an establishment should be. Visitors are admitted during the afternoon.
