The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

Remarks.

All the Alumni are earnestly requested to become members of this association, and assist in promoting the objects it has in view. The membership fee is two dollars per annum. The fund arising therefrom which has hitherto been small, (many of the Alumni having allowed their membership to lapse,) has been expended chiefly in the bestowment of some of the prizes mentioned in the list given herewith. It is hoped that many of our Alumni will feel it a pleasure to become donors of such of the prizes as they may select. Personal application will be made to some of them to that end. We wish also to enlarge the list of prizes.

The association hold their Annual Meeting in June, at Wolfville, where they dine together on Anniversary Day. A very pleasant dinner took place this year at which a large number of the Alumni and their friends were present.

Excellent speeches were delivered by Hon. P. C. Hill, Provincial Secretary of Nova Scotia, who received part of his education at Horton Academy, Rev. A. W. Sawyer, D.D.,

Annual Report.

REPORT OF THE EXECUTIVE COMMITTEE OF THE ASSOCIATED ALUMNI OF ACADIA COLLEGE, FOR THE YEAR ENDING JUNE, 1876.

The Committee are glad to be able to report the association in an improved condition financially, as compared with last year. The Matriculation Prize due in June last but which was not presented for want of funds, has been paid during the year, and the generous responses which are being made to the calls of the Treasurer give us reason to hope that by the end of the year upon which we are entering the society will be entirely free from debt.

There is still due from the society, however, the sum of \$25.00 to Rev. Dr. Cramp, for money borrowed, and the sum of \$10.00 to Mr. Campbell, for balance due on Matriculation Prize of two years ago. Besides these sums the Matriculation Prize won by Adoniram Judson Denton, in September last is now due, and provision must also be made for the monthly essay prize of \$25.00 offered by the association.

Your Committee have met as business required during the year, but nothing of sufficient importance to require mention has come before them. More than ordinary efforts have been made, to render the celebration of our Anniversary successful this year; and besides the ordinary dinner, special provision has been made for after dinner exercises of a literary character which the Committee hope will add much to the interest of the occasion. Distinguished gentlemen representing the press and the Legislatures of Nova Scotia and the adjoining Province, have accepted invitations to be present to add to the Entertainment, and to give eclat to our Anniversary gathering. An account of the expenses connected with the arrangements made for these guests will appear in the report of our Treasurer which will be submitted to you.

In accordance with a resolution passed at our last Annual Meeting, the Committee did not offer the usual "Alumni Essay Prize," and there has been no competition for this prize during the past year accordingly.

The resolution passed at our last Annual Meeting, in respect to the appointment by the society of some of the Governors of the College, was not carried into effect, owing to the inability of our Secretary to attend the last meeting of the Baptist Convention, and your Committee again recommend the matter to the favorable consideration of the association. Your Committee feel that the usefulness of our association would be very much enhanced if arrangements could be effected whereby the Alumni should have some voice in the government of the college, and in the conferring of degrees, especially of those purely honorary in their character.

Your Committee beg to call attention to the act founding the "University of Halifax" passed by the Legislature of Nova Scotia during its last Session, and recommend that the association give some expression of the views entertained by the society in respect thereto.

In accordance with our constitution the officers of the Society go out of office, at the present Annual Meeting, all of whom, however, are eligible for re-election.

Respectfully submitted,

EDWIN D. KING,
Secretary.
