The copy filmed here has been reproduced thanks to the generosity of:

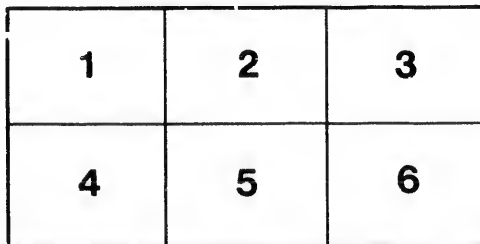

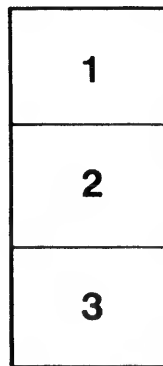

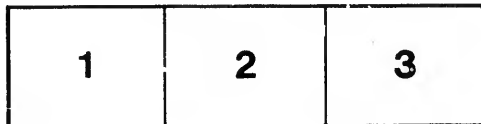

Library of the Public  
Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

La bibliothèque des Archives  
publiques du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

## STANDING RESOLUTIONS.

---

*Resolved*,—That it shall be required of every Financial Secretary, either by himself or by a proxy, to meet the Treasurers of the several Connexional Funds, to report the receipts of their respective Districts, on Tuesday, at two o'clock, P.M., the day before the annual meeting of the Conference.

### Collections for Connexional Funds.

*Resolved*,—That it is the judgment of this Conference that when collections for connexional purposes are appointed

to be taken in any of our churches, the whole of such collections throughout the day shall be appropriated to the respective Funds to which they are related, without any deduction for the Circuit, or any Trust, or other Fund.

#### Superannuated Ministers' Fund.

*Resolved*,—That whereas the rule requires that all widows, claimants on the Superannuated Ministers' Fund, shall be members of our Church: therefore, it shall be the duty of the Chairman of each Annual District Meeting to make enquiries into the case of widows residing within their respective bounds, as to their membership, and report the fact annually to the Conference.

#### Income of Domestic Missions.

*Resolved*,—That the Financial District Meeting shall examine into the circumstances and probable income of Domestic Missions, in the same way as in respect to Circuits, and suggest the amount that should be appropriated for the support or assistance of such Missions.

#### Chairmen and Domestic Missions.

*Resolved*,—That the Chairmen of Districts forward to the Missionary Secretaries the amount recommended by the several September Financial District Meetings for the Domestic Missions, as soon as practicable after the close of each meeting.

#### Preachers Attending College.

*Resolved*,—That in all cases when Preachers, who have travelled four years, are then allowed by the Conference to attend College, their reception into full connexion, and their ordination, are thereby deferred.

Relating to the Book Room.

*Resolved*,—That every Minister and Preacher is henceforth peremptorily required to settle his account with the Book Steward, at or before the Meeting of Conference.

*Resolved*,—That in the case of any Minister or Preacher who is indebted the amount of \$100 to the Book Room, the Book Steward shall be authorized to draw on the Treasurer of any Connexional Funds on which that brother may have a claim, to the amount of not more than 25 per cent. of his claim annually, until his debt is paid; and that a like proportion prevail when the indebtedness is larger than the sum named.

*Resolved*,—That the brethren indebted to the Book Room, they not being claimants on the Connexional Funds, be required to settle all overdue accounts.

Probationers.

*Resolved*,—That any Probationer, assisted by the Educational Fund, who, within the period of ten years after Ordination, may wish to withdraw from the Conference, shall be required to refund the amount of aid given him before receiving a Certificate of Standing, provided always that this requirement shall not apply to those who retire from ill health.

*Resolved*,—That this Conference requires Candidates for our Ministry to preach a Trial Sermon before the District Meeting by which they are recommended, or before a Committee appointed by the District Meeting, who shall report their opinion of the sermon, and embody it in the recommendation of such Candidate to the Conference.

---

**Registration of Baptisms.**

*Resolved*,—That the Conference re-affirms its resolution of 1843, on the Registration of Baptisms, viz. :—

1. That it shall no longer be required to keep Registry Books on the various Circuits, but that there shall be kept, at the Conference Establishment, in Toronto, one General Registry of Births and Baptisms for the whole Church.

2. That the General Registrar shall be the Book-Steward for the time being. The Registrar shall furnish each ordained Minister yearly with a small ruled blank-book, for the convenient and uniform entry and return of Births and Baptisms. The Minister shall return the said book, with the entries, to the Registrar at the Conference after. The returns shall be copied into the General Registry Book, which book shall be kept in the custody of the Registrar.

**QUESTION VIII.**

**Who have Died ?**

**1. STEPHEN BROWNELL**

Was born on the 6th of February, 1801, in Moulinette, County of Stormont, Ontario. He commenced to serve God in the days of his youth. Before he had reached his seventeenth year, he was led to see and feel the need of conversion, under a sermon by the

now almost forgotten Rev. James G. Peel. The conviction then produced on his mind, led him in June, 1813, to unite with the Methodist Society in the village of Milleroches, shortly after which he found peace in believing. From that time he became deeply interested in spiritual things. He served the Church in the various offices of Leader, Exhorter, and Local Preacher, till 1833, when he was employed by the Rev. Dr. Green, then Presiding Elder of the Augusta District, as a supply on the Clarendon Mission. He was received on probation by the Conference of 1834, and appointed to the Ottawa Circuit, where he remained two years, preaching with acceptability and success. Under his ministry, in conjunction with that of his Superintendent, the Rev. A. Hurlburt, a revival of religion took place on the Circuit, in which some four hundred souls were converted, among whom may be mentioned, the honoured and efficient Secretary of the W. M. Society, the Rev. Dr. Taylor.

Through a period of thirty years, Brother Brownell continued to give proof of his ministry, occupying some fifteen different fields of labour, in various parts of the Province, mostly new Missions, in each of which he is remembered as an active, laborious, and successful Christian Minister. Few men were better qualified for the work assigned them. He was sympathizing, affectionate, frank, and generous. His large and varied experience was of great service to the new settler, to whom in his visits he imparted useful information as well as sound religious advice. This made him always a welcome visitor to the people of his charge, by whom he was greatly beloved. As a Minister, his knowledge of the deep things of God was extensive; his attachment to our doctrines and discipline was unwavering; his preaching was plain, pointed, energetic, and successful; he was simple in manners, upright in conduct, strictly conscientious in duty, and he has left a record behind him of which his brethren are not ashamed.

When forced, by failing health, to retire from the more active work of the ministry, he settled in Moulinette, the village in which he was born, and continued to witness a good confession—preaching and living a religion of spiritual joy. He was honoured and beloved by all classes.

His death was unexpected. He had walked to Cornwall on the eleventh of March, and preached twice on the following day

without any great inconvenience ; but on his return home on Monday, he felt that the labour had been beyond his strength. Inflammation of the lungs ensued, and for ten days his sufferings at times were most intense, but his mind was kept in perfect peace. At midnight of the 22nd of March, the message came, and he answered the divine will with perfect submission. Almost his last words were, "Unto them that believe, he is precious : All is well !—All is peace !—All is well !"

Thus died Stephen Brownell, reposing in the merit and mercy of the world's Redeemer, in the seventy-first year of his age, and the thirty-seventh of his Christian ministry.

## 2. STEPHEN MILES

Was born in the State of Vermont, in the year 1789. In early youth he learned the art of printing, and subsequently accompanied his employer, Mr. Mower, to Montreal, and published the *Canadian Courant*. In 1810 he left Montreal, accompanied by Mr. Kendall, and on arriving in Kingston, published by their joint efforts the *Kingston Gazette*, the first newspaper ever published in that city. Bro. Miles was for many years connected with the press. Of his parentage, or where he was converted, we have no definite account, but it appears from an entry made in his diary, that he united with the Wesleyan Methodist Church in October, 1818. He writes thus : "This day I enter the service of my God."

Bro. Miles was an honest, earnest, zealous man, and, when he gave his heart to God, he became an earnest, zealous Christian. His house was made a home for the Ministers of the gospel, and he took great pleasure in entertaining these servants of God. He was wont to speak warmly and gratefully of the visits of such men as William Case, Ezra Healy, and Franklin Metcalf. As a Christian, it might be said of him, "Behold an Israelite indeed, in whom is no guile." He was a true disciple of Christ, and fully devoted to His cause, and by his life and conversation commended that religion which he so fully experienced to all who came in contact with him. He was for several years a very useful Class-Leader and Local Preacher. In 1836 he retired from business, and at the call of the Church entered fully into the work of the Ministry. As a preacher

he was a clear and earnest expositor of Scripture. With a heart enriched by Divine Grace, he preached the word with power and to much edification. Few Ministers have been more beloved, he being remarkably kindhearted and loving to all. He was more especially the children's friend. He carried out fully that part of the discipline, "Will you diligently instruct the children in every place?" "Will you visit from house to house?" For some time previous to his death, he had lost his sight, and was much enfeebled in body, yet was always cheerful and happy. His memory so failed, that, he seldom knew his nearest friends, yet he seemed to know more and more about Jesus, and often in a transport of joy, sung some of his favorite hymns. It might be said he died not of disease but of age, passing away without a struggle or a groan, his last words being "All is well!" Thus went home to God, Father Miles, December 13th, 1870. Aged 81, and in the 35th year of his ministry.

### 3. THOMAS LAWSON,

A native of England, was brought to a saving knowledge of the truth at the age of thirteen, and subsequently, after laboring in the Primitive Methodist Church, entered our ministry, in connection with which he faithfully and satisfactorily discharged the duties of his office for more than fifteen years, six of which were laboriously spent on our Indian Missions.

In 1868, our honored brother was appointed to the Grand River Mission, where his labors were owned of God to the conversion of several Onondagas and others, and most sanguine expectations were indulged in by the people of his charge in regard to the future; but, on the 22nd of October, 1870, the Master said, "It is enough!" and his happy spirit at once united with the noble band of missionaries from every land, in celebrating victories won for Christ amongst Pagan nations. Bro. Lawson was in the act of crossing the Grand River in a scow, when suddenly the chain snapped asunder, and he was precipitated into the rolling flood, and soon was numbered with the dead.

The now deceased brother is said to have lived, for some time prior to his removal from us, very near the better land. At the close of the last service conducted by him at the Mission, he

remarked that he was very happy, and had a desire to depart and be with Christ.

The stroke is felt most keenly by the bereaved widow and family, and is most sympathizingly shared in by ministerial brethren and others.

Thus passed away, in his 46th year, a brother whom we hope to meet again in the "*Ishpeming*," of which his fellow-laborers in the Mission field so often sweetly think and sing.

#### 4. BENJAMIN COLE.

Bro. Cole was born in the ancient city of Quebec, in 1825, where he spent the days of his youth in follies and amusements too common to that period of life. Having become converted to God under the ministrations of the Wesleyan Methodists in 1849, he gave himself up at once without reserve in entire consecration to his Redeemer. Of a sanguine temperament, impulsive in his disposition, and thoroughly Protestant in his views and feelings, at the time of the unhappy Gavazzi riots in Quebec and Montreal, he was one of the volunteers who rallied around that champion of Protestantism, and very narrowly escaped with his life. After labouring for some time as a Sabbath-School teacher, superintendent of the school, and organist of our church in Quebec, he became convinced that it was his duty to devote himself to the work of the Christian ministry, he hesitated not; but though filling a lucrative situation, with every prospect of speedy advancement, he cheerfully abandoned all and entered upon the self-denying and laborious life of a Wesleyan minister. This was in 1855. His circuits were large and laborious, but Bro. Cole never spared himself nor shrank from duty. He was generous, cheerful, social; a good and enthusiastic musician, a true friend, and, better than all, deeply pious. These qualities made him a welcome inmate at the dwellings of our people, who were always ready to greet him with a smile. But he was popular in the best sense of the word: he was useful in saving souls and building up the Church of the Redeemer. At the Conference of 1870 he was compelled, by total physical prostration, to accept a superannuated relation. For the last twelve months previous to his decease his sufferings had been great, but he sustained them with Christian patience. Although

himself suffering from intense pain, he had always a cheerful smile and loving word for those who visited him. The young looked up to him as a father—the aged blessed the day they first saw him. As he drew near the last struggle, his consolations were abundant. “*Precious Jesus! Nearer home; every pin loosened so gently; ready to go!*” When asked if he wished to live, he said: “I would like to labor a little longer in the vineyard, but I am ready to go.” He particularly desired that while he was passing away those around him should sing his soul into bliss. His favourite hymn was “My God, I am thine,” etc. This beautiful hymn was sung and another was begun; but, rousing all his energies, he cried, “Rock of Ages:” and as these words passed the lips of the singers, his happy spirit winged its flight to everlasting bliss. Thus triumphantly passed away our dear friend and brother, at the residence of his endeared friend, Robertson Lincoln, Esq., in Abbotsford, in the 46th year of his age and the 15th of his ministry, on the 2nd of August, 1870. “They that be wise shall shine as the brightness of the firmament; and they that turn many to righteousness as the stars for ever and ever.”

##### 5. GEORGE ROBSON.

Brother Robson was born at Perth, Ontario, in the year 1838; and died at Castleton, December 12th, 1870. He was carefully trained in the knowledge of the Ho'y Scriptures by pious parents, whose example and teaching impressed his mind with the excellence and importance of religion. At the age of seventeen, he was led to seek the salvation of his soul, and united with the Wesleyan Church. After his conversion to God, he became a most zealous and earnest worker for the salvation of souls.

In 1862, he entered upon the work of the Christian Ministry, and with diligence and pleasure pursued his evangelistic labors, making full proof of his ministry. As a student, he was faithful and successful, at the same time an earnest worker for God, leaving behind him lasting monuments of his abundant labors.

Possessed of good natural abilities, a most loving and generous heart, and a deep sympathy for the souls of men, his preaching was impressive and powerful, winning souls to Christ, and building

up the church on the "sure foundation." In the Sabbath School, he found a sphere of usefulness and pleasure; and as a temperance advocate he was intelligent, eloquent, and successful. But the period of his active and useful life was short, and was followed by a long and painful affliction, which he endured with patience and resignation, "for he had respect unto the recompense of the reward," and felt the sufficiency of the gospel he had so faithfully preached to others, to sustain and comfort his own soul. Through all his sufferings, his confidence in God was strong and unwavering, and his prospect of heaven grew brighter as the time of his departure drew near. He shared the victory of faith, and was more than conqueror through the blood of the Lamb. His last expressions were,—“The cleansing blood!” “My own Saviour!” “Precious Jesus!”

#### G. ALEXANDER LESTER,

Was born in Monahan, Ireland, on the 10th of February, 1828. Two years after the death of his father, he came with his mother to Canada, and settled in Lanark. He enjoyed the benefit of religious training, and his early life was singularly blameless. Under the ministry of Rev. E. B. Harper, in Belleville, in the year 1860, he found peace with God. Shortly afterwards, being prompted by the Divine Spirit to engage in the work of the ministry, he placed himself at the disposal of the Conference, and was received on trial in June, 1861. He was appointed successively to the Milford, Newboro', Elgin, Perth, Playfair and Westmeath Circuits. On the latter Circuit, fatigue and exposure, together with a fall from his carriage, received just before starting for Conference, impaired his feeble constitution, and he returned home ill. After a brief interval of rest he attended a camp-meeting, where he took cold, and continued subsequently to sink until the 8th of August, when he breathed his last.

Brother Lester was a man of more than average ability. His sermons were original, logical, and practical; and his language simple, chaste, appropriate, and forcible. He was exceedingly studious, and devoted much time to reading, without neglecting pastoral duties. His piety was deep and practical, and while he

was so conscientious as to be considered by many over scrupulous in his judgment on his own conduct, he exercised the broadest charity towards others. He carried his habits of punctuality so far as to expose himself sometimes even to unnecessary hardships.

His death, as might have been expected from such a life, was peaceful and happy. No words of regret, fear, or doubt fell from his lips, but he frequently uttered expressions of hope and triumph. In the death of Brother Lester, the church has lost a useful Minister; and of him it may be truly said, "He was a faithful man and feared God above many."

---

#### 7. JAMES W. SLOAN.

The Rev. J. W. Sloan was converted to God in early boyhood, and before he began his work as a gospel minister, entered into the rest of perfect love. Impelled by love for perishing souls, he obeyed the call of God and the church, and devoted his life to the Christian ministry.

In 1853, he received his first appointment to the Brock Circuit. After spending a year at college he was appointed to the Hastings Road Mission. Three years he labored successfully on this toilsome field, and then was removed to Roxboro', where he was the honored instrument in the conversion of many sinners. In 1867, being threatened with consumption, he was obliged to retire from the active work, in which he so much delighted, and to take one year's rest. His last appointment was to the Warsaw Mission; here, earnest zeal for his Master led him to labor beyond his strength; but with failing health he rejoiced to witness an extensive revival of religion on this Mission.

On the 2nd of last March, his faithful and pious wife fell a prey to consumption; while at the same time, he was so low, as not to be able to attend her funeral. In a dying state he was removed to the residence of his mother-in-law, on the Millbrook Circuit; here he lingered for two months, witnessing to the last, that "the blood of Jesus Christ cleanseth from all sin," and rejoicing in the hope of a glorious immortality. He exclaimed "My work is done, and I rejoice in having labored in the vineyard of the Lord,—now

all is well." On the 2nd of June, he requested his attendant to raise him up, when he exclaimed, "Mother, do you think I am dying?" and immediately expired.

Thus lived and thus died,—in hope of a glorious resurrection, a faithful, laborious, and successful Methodist Preacher.

## MISCELLANEOUS PROCEEDINGS.

### REPORTS OF SPECIAL COMMITTEES.\*

#### THE REPORT OF THE COMMITTEE ON MEMORIALS

Was presented, and the following adopted :—

Your Committee have given a careful consideration to the communications from the Montreal Centre Circuit Quarterly Official Meeting, the Trustee Board of the Great St. James Street Church, Montreal, and the Quarterly Official Meeting of the Chatham Circuit, requesting that our law be so modified that the Stationing Committee may reappoint a minister for more than three consecutive years to the same Circuit ; and they are of opinion that in view of the recent return to the restriction of ministerial residence to a period of three years, after a short trial of the extension to *five*, and also in view of movements now making to effect a Union of all the Methodist Bodies in Canada,—it is inexpedient at present to disturb the law of our Itinerancy.

And they recommend that the Conference instruct the Letter-writers to send a respectful reply to the memorialists conveying this as their judgment upon the question.

In reply to the Resolution from the Peterboro' District, your Committee submit the following :—

To the request that "Donations, surprises, etc., be accounted for as so much paid on ministerial allowances," they give as their opinion—

1. That while Circuits are bound, by every consideration of honor and justice, to pay the claims of their ministers in full through the regular church officers, it would be an

undue interference with individual rights to require presents or donations to be accounted for other than the donors desire.

2. In regard to the alleged irregularities in the Annual Return of Members, your Committee deem the provisions of the Discipline quite sufficient for their correction ; and they respectfully submit that the Church Courts are open for adjudication upon all cases of delinquency.

3. The request that "Lay Members of the District Meeting may have a vote in the election of the representative to the Stationing Committee," we deem it inexpedient to adopt at the present time, especially in view of the constitutional changes now under contemplation.

4. The Resolutions approving the steps taken for the promotion of Methodist Union, your Committee heartily endorse, and recommend their reference to the Union Committee.

The Memorial from the North York Temperance Association, your Committee recommend the Conference respectfully to acknowledge, and they propose that the following resolutions be adopted and published in the Minutes :—

1. That this Conference reiterates its frequently expressed views on Total Abstinence, and would renew its earnest recommendation that every minister preach at least one sermon in each year to every congregation under his charge, enforcing Mr. Wesley's sentiments against the drinking and the sale of intoxicating liquors.

2. That this Conference earnestly recommends some form of Temperance effort in connection with all our Sabbath-schools, and urges on all superintendents and teachers, because of the potency of example, the practical adoption of Total Abstinence, and that they place in the hands of the children such books and tracts as will serve to inform them on the subject of Temperance, and guard our youth against the pernicious drinking practices which now prevail to an alarming extent.

3. That inasmuch as the rules of our Church virtually constitute it a Temperance Society, we heartily approve, and respectfully recommend the general adoption of a practice now prevailing in some of our Circuits of incorporating into the meetings of the Church, one for the discussion of the subject of Total Abstinence, which may also assume the character of a Literary or Mutual Improvement Society.

We, moreover, devoutly hope that our church will practically respond to the prayer of the York memorialists, and heartily identify itself with any judicious measure inaugurated to secure the *prohibition, by law*, of the manufacture and sale of *intoxicating drinks*; and we would respectfully suggest that until this consummation shall have been realized, a public meeting be held during each session of Conference, for the promotion of Temperance.

The request from the Barrie District that in the election of Representatives to the Conference, Superannuated Ministers be allotted their proportion irrespective of the District to which they belong, your Committee deem impracticable.

The Resolution of the Kingston District, praying that greater facilities for the supply and distribution of Tracts be provided, your Committee suggest should be recommended to the favourable consideration of the Book Committee.

The request from the Brantford District, that the District "Totals of Church Property, Quarterly Official Meetings, value of property and debts thereon," be published in the Minutes of this year, your Committee recommend to be adopted.

THE PROVINCE OF QUEBEC.

*Resolved*,—1. That we recommend Stanstead as the location.

2. That the name of the Institution be "THE STANSTEAD WESLEYAN COLLEGE."

3. That the Institution be Proprietary ; to have a Board of twenty-one Directors, of whom seven are to be ministers, appointed by the Conference yearly ; the remaining fourteen to be laymen. chosen by the shareholders, seven of whom are to be members of the Wesleyan Methodist Church.
4. That the chief officer of the Institution be appointed by this Conference.
5. That the minimum sum of twenty-five thousand dollars be subscribed before the Institution shall go into operation.
6. That the appointment to Stanstead for this year be made with a view to the advancement of this movement.

The Report was adopted ; after which it was

- Resolved*,—1. That the Conference has heard, with great pleasure, of the steps taken by the Quebec and Stanstead Districts towards the establishment of an Institution for higher education in the Eastern Townships of the Province of Quebec.
2. That the Conference accepts the principles embodied in the Report of the Committee as a liberal and safe basis on which to found a Christian and Methodist Educational Institution ; and that it will afford that moral aid and support which may be possible in making it efficient ; and that the friends who have undertaken this noble work may depend on the patronage and hearty sympathy of the Conference in the working out of the enterprise.

#### THE REPORT OF THE COMMITTEE ON METHODIST UNION

Was presented, and the following adopted :—

- Resolved*,—That this meeting deems a Union of the different Methodist bodies in this country,—upon such principles as may be agreed upon by the said bodies,—highly desirable.
- Resolved*,—That in the opinion of this meeting a Scheme of Union to be generally acceptable should embrace the following points :—

1. That a general Conference should be formed, to meet, say once in four years, having power to make Rules and Regulations for the whole Church, subject to such restrictions as may be mutually agreed upon by the several uniting Methodist Churches, acting according to the provisions of their own Constitutions.
2. That if, on appeal to the Quarterly Meetings of the Connexion,—which shall take place before the next Conference,—it shall appear that there is a strong wish on the part of our people for direct legislative representation in a General Conference, rather than to retain the indirect but ultimate and decisive veto power on legislation which they now possess, this Conference, in view—and in view only—of the proposed Union, will not let this question stand in bar; provided always, that there be no interference with the recognition of the ministerial order and office, with the ministerial power of stationing ministers, and with the ministerial privilege of trial by their own peers.

The remaining portions of the Report were postponed, and the following adopted :—

*Resolved.*—That this Conference has heard with pleasure the Report of the United Committees appointed on the practicability of a union of the various Methodist bodies in this Province, and rejoices in the manifestation of a growing desire for combined effort, and united brotherly and ministerial influence for the more speedy and effectual diffusion of the blessings of our common Christianity. As this movement is intimately connected with the sympathies and privileges of the laity of our Church, and especially with the members of the Quarterly Meetings, therefore, be it resolved, in order wisely to accomplish an object so desirable, which involves such grave and important subjects, the proposal be again remitted to the consideration of a Committee to be appointed for that purpose.

[See Standing Committees, page ix.]

It was subsequently

*Resolved.*—That the President and Secretary of Conference be authorized to decide the time when, and the manner in which, the Resolutions on Methodist Union shall be laid before the Official Quarterly Meetings, and to whom the Reports are to be sent.

It was also

*Resolved.*—That the Conference of Eastern British America be invited to appoint a deputation to meet with the Committee appointed by this Conference, with a view to the union or confederation of the whole Wesleyan Methodism work in British North America.

REPORT OF THE SPECIAL COMMITTEE ON SUNDAY  
SCHOOL AFFAIRS.

1.—FOR A SINGLE SCHOOL.

*Question 1.*—What directions are necessary for the organization and government of our Sunday-Schools?

*Answer 1.*—Let all new schools be organized on our denominational basis.

*Ans. 2.*—When it is deemed practicable to organize a new School, the Superintendent of the Circuit shall appoint, with the concurrence of the Quarterly Official Meeting, a suitable person to superintend the same; and the person so appointed shall, with the concurrence of the Circuit Superintendent, appoint the necessary teachers, and proceed to organize the School on the basis of the disciplinary Constitution.

*Ques. 2.*—What shall be the Constitution of our Sunday Schools?

*Ans.*—All Wesleyan Sunday Schools, throughout the Connexion, shall be conducted on the basis of the following

CONSTITUTION.

ARTICLE I.—NAME.

This School shall be known as the ——— Wesleyan Methodist Sunday School, and under the supervision of the Quarterly Official Meeting of the ——— Circuit or (Mission).

ARTICLE II.—MANAGEMENT.

The management of the School shall be vested in a Committee consisting of the Ministers and Preachers on the Circuit, and the Officers and Teachers of the School, (such teachers—except in the case of new schools—being of one year's standing as teachers), together with not less than five other persons, (members of the W. M. Church) to be elected as hereinafter provided.

Should any Teachers' Meeting prefer to appoint from among themselves a certain number (in addition to the Officers) to represent them in the Committee, they may do so.

#### ARTICLE III.—INSTRUCTION.

The instruction given in the School shall be the doctrines of the Word of God, as expounded in the standards of the Wesleyan Methodist Church.

#### ARTICLE IV.—OFFICERS.

The Officers of the School shall be a Superintendent, Secretary, Treasurer and Librarian. If deemed necessary, an assistant in any of the above Offices may be appointed. The Superintendent and Assistant Superintendent must be members of the W. M. Church.

#### ARTICLE V.—ELECTIONS.

The Officers of the School shall be appointed by the Committee of Management at the meeting next preceding the Anniversary. The Superintendent of the Circuit shall nominate the Superintendent of the School, who shall nominate the other Officers.

The additional members of the Committee (not less than three nor more than five, as provided in Article II.), shall be nominated by the Superintendent of the Circuit, and appointed by the Quarterly Official Meeting of the Circuit next preceding the Anniversary of the School.

No person shall be permitted to retain a situation as Officer or Teacher whose moral character or religious opinions, in the judgment of the Committee of Management, or of the Quarterly Official Meeting of the Circuit, shall be deemed a sufficient ground of unfitness for service in our Sunday Schools.

#### ARTICLE VI.—MEETINGS.

Regular Meetings of the Committee shall be held at least once a quarter for the transaction of such business as relates to the interests of the School. The following order of business is recommended:—1. Singing and prayer; 2. Calling the Roll; 3. Reading Minutes; 4. Unfinished business; 5. Reports of Committees, Superintendent, Treas-

urer and Librarian, and Minutes of Teachers' Meetings ;  
6. Miscellaneous.

Special Meetings of the Committee may be called by the Secretary at any time, at the request of the Minister, the Superintendent of the School, or any three members of the Committee. The subject of a special meeting must be stated by the person or persons requesting such meeting, and it shall not be proper to introduce any other business at that time.

#### ARTICLE VII.—TEACHERS' MEETINGS.

A Teachers' Meeting shall be held, when practicable, in each month, composed of the Superintendent, (who shall be Chairman in the absence of a Minister), the Officers and Teachers,—at which meeting all matters connected with the internal management of the School shall be discussed and decided. Nomination of Teachers shall be made by the Superintendent at a monthly meeting, and voted upon by the Teachers at the next meeting. The Minutes of each Teachers' Meeting shall be read at the next regular meeting of the Committee of Management, and subject to their approval or otherwise.

#### ARTICLE VIII.—ANNIVERSARY.

A public Anniversary Meeting of the School shall be held in the month of ——— in each year, when the reports of the School, as adopted by the Committee of Management, shall be read, the officers and Committee for the year announced, and such other exercises as, in the judgment of the Committee, may be deemed expedient.

#### ARTICLE IX.—SETTLEMENT OF DIFFICULTIES.

Should any difficulty arise, in connection with the management of the School, which the Committee cannot satisfactorily adjust, the Minister, Superintendent, or any three members of the Committee may, on giving due notice to the Committee of their intention, refer the matter in dispute to the next Quarterly Official Meeting of the Circuit, where the case shall be heard and finally decided.

#### ARTICLE X. ANNUAL REPORT.

The Superintendent of the School shall prepare, or cause

to be prepared, once a quarter, a general and statistical Report of the state of the School, which shall be laid before the ensuing Quarterly Official Meeting.

GENERAL PRINCIPLES.

It is an understood principle of Methodist discipline that the Superintendent of the Circuit is, *ex-officio*, Chairman of all Committees. In the absence of the Superintendent, and his colleague, the Superintendent of the School, may preside.

The Catechisms of the Wesleyan Methodist Church shall be regularly used in all our schools.

No alteration of, or addition to, the foregoing Constitution and Regulations shall be valid until the same has received the sanction of the Conference.

It was then *Resolved*,—That the foregoing Constitution and Regulations be adopted as Connexional law on the subject of Sabbath-schools.

The Recommendation of the Committee that Superintendents of Wesleyan Sunday-schools should be *ex-officio* members of the Quarterly Official Meetings, was referred to the consideration of the Quarterly Meetings of the Connexion.

It was subsequently

*Resolved*,—That at the Annual District Meeting the Chairman shall enquire into the condition of our Sabbath-schools when the laymen are present, at which time the Schedules shall be presented.

*Resolved*,—That a Sabbath-school Library Committee be appointed by the Conference, whose duty it shall be to make such a selection of books, by personal examination, as may safely be put into the hands of our scholars, carefully excluding all light literature.

*Resolved*,—That the Sabbath-school returns of each Circuit be published in the Minutes of Conference each year, as in the case of Church members ; thereby securing a permanent record, and greater carefulness and precision in the collection of statistics.

## SUSTENTATION OF VICTORIA COLLEGE.

Whereas it is desirable to make more adequate provision for the sustentation of Victoria College, and also for the training of Candidates for the Christian ministry, therefore

- Resolved*,—1. That each Minister and Preacher of the Conference shall contribute or obtain for the above objects during the ensuing year, a sum equal to the following per centage on his income, viz., on all incomes under five hundred dollars, one half per cent.; on all incomes of five hundred dollars and upwards, but less than one thousand dollars, one per cent.; and on all incomes of one thousand dollars and upwards, one and a half per cent.
2. That income shall include all salaries and other monies received from Circuit and Connexional Funds, except house rent, horse keeping, and travelling and moving expenses.
3. That two-thirds of the sum so raised shall be appropriated to the liquidation of the debt which has accumulated against the College since the withdrawal of Legislative aid, and the balance in providing general and theological instruction for candidates in training at the College,—the theological training for the present year to be under the direction of the Rev. Wm. Morley Punshon, M.A., President of the Conference, who will visit Cobourg from time to time, and render such personal assistance as his other duties will permit.
4. That in the opinion of this Conference it is advisable for the authorities of the University to take early steps to establish a curriculum suitable for students wishing to proceed to the degree of Bachelor of Divinity, and to make such other arrangements as may tend to give efficiency to the Theological Department of the University.

*Resolved*,—That the collection for the Educational Fund be appropriated, for the ensuing year, to the sustentation of Victoria College, except so much as may be required for the support of the young men who are sent to College by the Conference.

## REPRESENTATIVES TO OTHER CONFERENCES.

*Resolved*,—That the Rev. William Morley Punshon, M.A., President of the Conference, be, and is hereby, appointed the Representative of this Conference to the next ensuing Conference of the Parent Body.

*Resolved*,—That the Rev. Dr. Rice and the Rev. James Elliott be a deputation to represent this Conference at the next ensuing meeting of the Conference of Eastern British America.

*Resolved*,—That the Rev. G. R. Sanderson, the Rev. Lachlin Taylor, D.D., and the Rev. Alexander Sutherland, be, and are hereby, appointed Delegates to the next Quadrennial Session of the General Conference of the M. E. Church in the United States, to be held in Brooklyn in the month of May, 1872.

#### ACT OF PARLIAMENT CONCERNING DEEDS.

The following was reported from the Church Relief Committee, and concurred in by the Conference :

*Whereas* under the provisions of our old Church Deeds many difficulties arise from the limited number of Trustees, the fact that no provision is made for resignations, that frequent cases of removal of Trustees to other parts of the country take place, thereby preventing the presence of a sufficient number for doing business ; therefore be it

*Resolved*,—That this Committee, feeling the necessity of a plan being adopted which will be of general application, recommend the Conference to appoint a Committee to prepare and secure an Act of Parliament which will permit these Trustees and Quarterly Meetings, who desire to do so, to place their property under the provisions of the Model Deed.

It was further agreed that the Committee thus to be appointed should take into consideration the provisions of the Model Deed as originally prepared, in order to ascertain what legal requirements are necessary, and make provision for such requirements.

#### VOTES OF THANKS.

*Resolved*,—That we have listened with much pleasure to the Report of our late Representative to the British Conference, the Rev. GERVASE SMITH, M.A., and we tender him our cordial thanks for the fidelity and success with which he has represented our interests in that venerable body.

*Resolved*,—That the cordial thanks of this Conference be presented to the Rev. ALEXANDER SUTHERLAND, for his effective services as Secretary of the Conference during the past year.

*Resolved*,—That the thanks of the Conference are due, and are hereby presented, to the Assistant Secretaries, the Revs. WM. SCOTT, and JOHN SHAW, and to the Journal Secretary, the Rev. E. B. RYCKMAN, M.A., for their efficient services.

*Resolved*,—That the cordial thanks of this Conference be presented to the Rev. G. R. SANDERSON, for the attention which he has given to the arrangements for the entertainment of its members, and for his kindness and courtesy to all his brethren during their stay in this town; to his colleague, the Rev. D. L. BRETHOUR, for his co-operation, and for his trouble in the distribution of letters to the members of the Conference; and also to the Rev. J. E. HOWELL, M.A., for the aid kindly given in distributing letters.

*Resolved*,—That the cordial thanks of the Conference be given to the Rev. G. R. SANDERSON, for his long-continued and efficient services as Secretary of the Stationing Committee.

*Resolved*,—That we hereby heartily express and record our grateful appreciation of the cordial hospitality and kindness shown us by the residents of Belleville and its vicinity during the Sessions of this Conference, and request that this Resolution be read from the pulpit next Sabbath.

*Resolved*,—That the thanks of the Conference be presented to the various Railroad and Steamboat Companies for their generosity in allowing the Ministers to travel at half fare.

It was moved by the Rev. Dr. EVANS, and seconded by Wm. CLENDINNING, Esq.

“That the recommendation of the late Conference respecting the diminution of the number of the officers of the Society, having received full and respectful consideration, the Committee is of opinion that in the present state of our great work, and the prospects of its rapid extension, it is not advisable to attempt its prosecution with a reduced number of Agents at the Mission Rooms; but that the Committee earnestly urges the importance of such distribution of official labors as will enable the officers to visit more frequently the various Missions, and assist at the anniversaries of the Branch Societies.

After a full discussion, the motion was put, and the vote, being counted, stood—For Dr. Evans’ motion, 47; against, 7.

The Committee then proceeded to appoint the officers of the Society as follows:—

	{	W. T. Mason, Esq.

On motion of John Macdonald, Esq., seconded by W. H. Gibbs, Esq., it was

*Resolved*,—That in view of the pressing necessities of the new and destitute settlements in Ontario and Quebec, the vast field opened up in the Province of Manitobah and British Columbia, for Missionary effort, the wants of the still neglected Indian Tribes in these provinces; as well as the desirableness of maintaining a true Missionary character by prosecuting foreign Missionary work,—It is desirable that our present Domestic Missions become self-sustaining Circuits as speedily as possible, and thus better enable the Society to send help to distant fields, and that the present appropriations be made in view of such early independence.

In regard to the 3rd Resolution referred to the Committee by the Conference, it was

*Resolved*,—“That in view of the possible changes that may be made in the revision of the Constitution of this Society, the consideration of the Resolution referred from the Conference be deferred until the next meeting of the Committee.

The Committee took up the question of appropriations to the various Missions, and these being completed, the Committee adjourned to meet in the Town of St. Catherines, on such day as may be appointed by the Sub-Committee of Consultation and Finance.

Belleville, June 10th, 1871.

The Committee are glad to report that all the amounts due from the several Districts have been promptly paid. The Treasurer has met the claims of 870 children, amounting to \$21,600, and leaving a balance in hand of \$282 08.

During the year, 53 new claimants have arisen, 24 have passed off the Fund by age, and 9 have died, so that there is a net increase of 20 to provide for—in all 890. The increase in the number of members, however, is such that the Fund can still pay to each child \$25 a year. In order to this, the usual rate per member of 35 cents, including those on trial, is recommended.

The Committee have pleasure in acknowledging their obligations to the General Treasurer, Rev. J. C. Slater, for the diligent and satisfactory manner in which he has performed the arduous duties connected with his office, and in recommending that his appointment, as well as that of the General Secretary, Rev. J. H. Starr, be continued.

In answer to the resolution of the Brockville District and the memorial of the Brockville Quarterly Meeting, in reference to the claims of the children of Superannuated ministers, the Committee beg to report—

1st. That it was not the intention of the Kingston meeting of 1854 to embrace those children in the provisions of the Fund; nor was it so understood when those provisions were sanctioned by our quarterly meetings; nor were the claims of such children paid until some years after the Fund was established.

2. The plan adopted of paying the claims of such children was considered tenable only on the ground of conforming to English usages.

3. To enable the Fund to meet these claims, the brethren in the active work voluntarily forego the amount of five dollars on each child, receiving only \$25 instead of \$30, as allowed by the Constitution and the sanction of the Quarterly Meetings.

4. This Committee, therefore, recommend that no alteration be made in the law as published in present Discipline.

## THE REPORT

OF THE

### SABBATH SCHOOL COMMITTEE FOR, 1871.

---

RESPECTED BRETHREN,—

Your Committee rejoices in being able to report a marked improvement in our Sabbath-school work. The returns from the various Districts are much more complete than those presented last year, and there is a gratifying increase in all the items embraced in the reports.

Within the enclosure of the Christian Church are many trees—of the Lord's right-hand planting—which have been furnished by this recognized nursery; still, it must be admitted that the grand harvest, of which a bountiful sowing has given reasonable hope of expectation, has not been garnered.

We have no opportunity of arriving at the exact number of conversions which occur from year to year; but if we take the scholars meeting in class as the nearest approach to the estimate, the number seems exceedingly small, being less than one-twelfth of the entire number of scholars reported.

Much benefit must result from the wide-spread circulation of Sabbath-school literature. Thousands of our own excellent *Advocates*, and large numbers of other valuable periodicals are regularly supplied to the scholars and teachers, furnishing the best antidote to the pernicious literature so abundant in these days. The *Banner* is taken by many schools; but in others it is regretted that no journals are taken which are especially calculated to aid the teachers in their work.

Periodicals issued by those who are actually employed in the work of advancing Sunday-schools, and are thus in a position for extensive observation, are well calculated to benefit those who are engaged in the work of teaching.

We are glad to report that our excellent Book Steward is now fully prepared to supply valuable library books and other Sabbath-school requisites at a very cheap rate; and we would respectfully recommend our Sabbath-school officers to examine the stocks which he has constantly on hand before going elsewhere.

Your Committee would respectfully recommend the Conference to appoint a "Sunday-school Library Committee," whose duty it shall be to make such a selection of books, by personal examination, as may safely be put into the hands of our scholars, carefully excluding all light literature.

In 586 schools the Catechisms of our Church are taught to a greater or less extent. Your Committee feels impressed with the importance of provision being made in our Scheme of Lessons for the regular use of the Catechisms.

We are glad to find that of the teachers there are 7,729 who are members of the Church. Your Committee is of the opinion that it would be of permanent benefit to the Church to publish the Sabbath-school Returns of each Circuit in the MINUTES each year, as in the case of Church Members, thereby securing a permanent record and presenting an increased incentive to carefulness and precision in the collection of statistics.

Your Committee would respectfully suggest to the Conference the propriety of directing that the columns in the Schedules distinguishing between the sexes, in the returns of teachers and scholars, and that giving the proportion of Methodist publications, be left off when new Schedules may be prepared, thereby effecting a saving of eight columns without materially lessening the value of the information furnished. Also, that columns be inserted showing the average attendance of scholars and teachers, and the number of conversions during the year, as we have now no means of arriving at these facts.

Your Committee deeply regrets that the resolution of last Conference, which contemplated bringing the interests of Sabbath-schools more prominently before the Annual District Meetings, has by some means been overlooked in the preparation of the new book of Discipline, and respectfully requests the Conference to direct that there be a resolution published in the MINUTES of the present year, to meet the case.

The General Statistics of our Schools are, as reported to your Committee, as follows :—

**TABULAR STATEMENT.**

ADDRESSES AND REPLIES.

ANSWER OF THE BRITISH CONFERENCE OF 1870,

TO THE

ADDRESS OF THE W. M. CONFERENCE IN CANADA, 1870.

---

REV. AND DEAR BRETHREN,—

Receive our fraternal greetings in the name of the Father, and of the Son, and of the Holy Ghost. Your Address was most welcome. Amid thunder of battle between two powerful nations on the neighboring Continent of Europe, your kindly message comes like "good news from a far country," to assure us of the spiritual presence of our Master upon the earth, and of His approaching empire of peace among men. "Hallelujah! for the Lord God omnipotent reigneth."

We rejoice in your prosperity. The sympathies of our kindred are strengthened by the influences of our common religion. Whilst cherishing a catholic brotherliness for all "who love the Lord Jesus Christ in sincerity," we yet feel closest affinity with those who, like ourselves, inherit the traditions, and are bound in the ecclesiastical associations of Methodism.

Hostile invasion has threatened the frontiers of your consolidated Dominion; the pretensions of an impotent infallibility have been put forth among you; Ritualistic and Rationalistic influences, in many forms, hang around you as around ourselves; but none of these things, we rejoice to

know, move you from the great object of your ministry. "Your heart" is still "as our heart," and we again join you in united, solemn purpose and unabated zeal to accomplish the work for God with which we are entrusted.

Our esteemed Brother, the Rev. Gervase Smitu, A.M., whom your late Conference appointed as its Representative to this Conference, has gladdened us with tidings of your growing numbers and influence, the increasing intelligence of your people, and your bold efforts to leaven the whole region from the Atlantic to the Pacific with Christianity. We trust that from its infancy your vast Dominion may, through the Providence of God, and by the instrumentality of Methodism, among other agencies, receive so true a training as to make you, in the magnificent future which awaits you, a land which shall be as "the glory of all lands," and a "joy of the whole earth."

Your reference to your distinguished President is just such as we should have expected. We remember, with undiminished admiration, his eloquence and his administrative abilities. These we have for the present lost, and the severity of our loss we do not attempt to estimate; but our regret is lessened by the reflection that his varied gifts, in the ripeness of his manhood, and the maturity of his religion, are establishing and adorning churches in which will be eventually folded hundreds of our children, as year by year, in increasing numbers, they seek a home in the lands of the West.

For your Co-Delegate, the Rev. Dr. Evans, with whose missionary zeal and labors we are familiar, we entertain the greatest respect.

The proposed alterations in your manual of doctrine and discipline have been submitted for our consideration. We find that they are chiefly verbal, and relate to details of administration. They have our cordial concurrence.

Our present session has been characterized by similar features to those which distinguished your late Conference. With some diversity of opinion on many points, we cherish

with undiminished fervor mutual brotherly affection, and a common zeal for the work of God. Our material prosperity increases on every side. Chapels and school-houses in larger numbers than ever bear evidence to the liberality of our people. Our Foreign Missions annually become more expensive, and our Home Missions awaken wider sympathy. Our Theological Institutions secure enlarged support; and our entire ecclesiastical machinery becomes increasingly complete. God accords also to the diligent labor of His servants the rich reward of converted souls. Our returns show a net increase of 2,925 members in Society, with 20,433 on trial for membership. Our Sunday Schools contain more than 600,000 scholars, with 105,000 teachers. Never have we held so influential a position in our land: our responsibility, therefore, never was so great as it is today. We tremble as we remember the issues dependent on our fidelity: our personal talents, our wealth, our ecclesiastical organization, and all the other gifts of God's bounty which we possess, we desire afresh to lay upon His altar, and humbly to dedicate them with solemn vows to His glory. Never have we felt more the need of His spirit. The bones are gathered and assorted in the valley, the skeletons are covered with sinews and flesh, not only the form of life, but also, thank God, some of its power is with us; but as the fight thickens, and the foes of Christ and His cause multiply, we are conscious that nothing but an intenser Divine energy can give us the victory. Therefore, in faith taking firmer hold of the Mediator, we cry aloud for power from on high.

With all confidence we leave to your next Conference the election of its President, who, according to custom, will appoint his Co-Delegate; and with the renewed assurance of our fraternal affection, we commend you to God and the Word of His grace.

Signed on behalf and by order of the Conference,

JOHN H. JAMES,

ADDRESS OF THE CONFERENCE  
OF THE  
WESLEYAN METHODIST CHURCH IN CANADA,  
*In connection with the British Conference,*  
TO THE  
CONFERENCE IN ENGLAND.

REVEREND FATHERS AND BRETHREN,—

Your truly interesting and encouraging Address has afforded us heartfelt satisfaction. The facts you state have excited our gratitude and animated our faith; and the sentiments you express reminds us of the ever grateful truth that Methodism is the same in doctrine, spirit, and power on both sides of the Atlantic.

This unity pervades all branches of the Methodist family; and in proportion as the spirit of primitive Methodism prevails in each of these branches, the circumstantial divergencies which have separated them appear more and more insignificant, and the spirit of entire oneness increases in strength. So strong and general has this spirit become in Canada, that resolutions have been adopted by the Conferences of several Methodist bodies in favor of their consolidation into one united Methodist Church, and representatives have been appointed by them respectively to meet in a united Committee, which has agreed upon and recommended certain general principles of union. There is reason to hope that the time is not remote when the isolated and often conflicting exertions of the several sections of Methodism, shall be combined and united into one communion in the divine work of spreading Scriptural holiness over the land.

While, as you state, the public mind in England, and throughout Europe, has been agitated by a bloody war on the part of two great nations, which has called forth the

noblest expressions of British sympathy and benevolence in behalf of the many thousands of the wounded and dying, the people of Canada have enjoyed perfect external and internal peace; and we devoutly hope that all misunderstandings between Great Britain and the United States, will be so adjusted, as to give assurance, not only of peace throughout the continent of North America, but between the two great nations of the Anglo-Saxon race.

The increasing population and multiplying settlements of this country, and the additions to our Dominion of the provinces of Manitoba and British Columbia, impose new and large contributions upon our labors and the liberality of our people; but in accordance with the aggressive character of our system, and impelled, we trust, by the missionary spirit of our divine Christianity, animated, moreover, by the example of our forefathers, and the experience of the past, we are resolved to keep pace with the progress of population, to follow the new settler into the wilderness, to comfort him in his loneliness, and guide him in his pathway to the rest of a better home; whilst, at the same time, we seek to strengthen and build up the work of God in our growing cities, towns, and older settlements.

During the past year, seven of our Ministerial brethren have been removed from the ranks of the church militant to those of the church triumphant—certifying in death, as they had done in life, that the gospel is the power of God unto salvation to every one that believeth; but our ranks have been increased by the ordination of twenty-one laborers to the full work of the ministry, and the reception of forty-five new laborers on trial—making our present number of Ministers 633; whilst the present membership of our church, irrespective of congregational hearers, amounts to 66,799—being an increase of 2,111 over the preceding year.

All our institutions have advanced during the year, as have the means of supporting and extending them, by the increased liberality of our people, whose pious exertions to sustain the cause of missions, to support the Ministry, and to erect suitable places of worship, are beyond all precedent, as they are beyond all praise.

In our various labors we have been greatly assisted and encouraged by the counsels and labors of our beloved President, the Reverend William Morley Punshon, A.M. The experience of another year has only deepened our sense of the greatness of our obligations to you for permitting him to remain among us; and any language we can employ would fail to express our grateful estimate of his varied gifts, his administrative talents, his powerful ministrations, his generous sympathies, his extensive travels, and his vast labors. We and our people, and many of other religious persuasions, have deeply sympathised with him in the heavy domestic affliction through which he has been called to pass, whilst we have thankfully admired the resignation and persevering activity with which he has sustained it.

In accordance with your permission, we have re-elected Mr. Punshon as our President for the present year; and we have, by the same mode of ballot, nominated him for appointment as our President for the next year. According to our expressed wish at our last Conference, our respected brother, the Rev. George R. Sanderson, has been appointed Co-Delegate for the present year; and we have nominated our honored brother, the Rev. John Borland, for appointment as our Co-Delegate for the next year.

We have also appointed Mr. Punshon as our Representative to convey to you our respectful salutations and the expression of our unabated affection, and to communicate to you full information in regard to our affairs and the state and prospects of the work of God in our land. We only express the strong wishes of our people and of our country at large, when we earnestly hope that Mr. Punshon may long be permitted to live and labour in Canada.

Reverend Fathers and Brethren,—your own Address, the love and harmony which have characterized all the proceedings of the present session of our Conference, the state and wants of our country, together with our own vows and obligations, impress us with the determination to consecrate ourselves afresh to the great soul-saving work in which our fathers have so faithfully led the way, and for which alone we desire to labor, live, and die. Knowing that our whole

power with men for good depends upon our power with God, that our strength and spirit in this work result from our dwelling in God and God dwelling in us, we give ourselves anew to Him who gave himself for us ; we seek to be filled with the love and compassion of Christ ; we implore a fresh baptism of the Holy Ghost, that we may be mighty through God in conflict with the principalities and powers of darkness, that we may be successful in bringing many souls to glory, and in diffusing throughout the land the truth as it is in Jesus—the sure foundation of law and liberty, the essential element of true civilization and happiness.

One with you in the great work of the world's salvation, we intreat the aid of your intercessions, while we pray that the richest benedictions of grace and wisdom, of love and power, may crown your labors with abundant success.

Signed by order and on behalf of the Conference of the Wesleyan Methodist Church in Canada.

ADDRESS OF THE CANADA WESLEYAN  
METHODIST CONFERENCE,

TO THE

CONFERENCE OF EASTERN BRITISH  
AMERICA.

---

REV. AND DEAR BRETHREN,—

That the Address of our last Conference, through circumstances over which we had no control, should have failed to reach you at the proper time, is to us cause for sincere regret, especially so, that in consequence thereof we are without your fraternal greetings in reply.

We assure you of our continued and increased interest in all that pertains to your growth and prosperity as a part of the great family of Methodism. One in ancestry and filial relationship to the Parent Body—one in doctrine, discipline and untiring zeal for the salvation of souls, we feel that your sorrows are our sorrows, and that your triumphs are our triumphs. In the words of our honored and venerated founder, your mission and ours is to spread scriptural holiness over the land ; and never recreant to a trust so sacred, we shall never fail of the divine blessing, and surely never fail of success in our great work.

You have no doubt watched with great interest the untiring steps which have been taken towards a union of the different Methodist bodies in Ontario and Quebec, and we hope the day is not far distant when, upon a basis broad and strong, that union may be consummated. And while, by the Act of Confederation, the ministers and people embraced within the boundaries of your Conference are now with us subjects of one Dominion, we confidently look forward to the time when, beneath the flag of that Dominion, there will be but one mighty Methodist organization with its voice of praise and prayer, and the proclamation of a free and full salvation by a living ministry, reaching from the shores of the Atlantic to the shores of the Pacific Ocean, and we have great pleasure in informing you of the appointment of a Committee to confer with a deputation of your Conference with the view of accomplishing so desirable an object.

Recognizing, as you do, the value of secular education upon Christian principles, and especially the value of an educated ministry in the stupendous efforts you have put forth for the accomplishment of those objects, you will rejoice in our success in a similar department of Christian work. Upwards of eighty-three thousand dollars have been subscribed towards the endowment of the University of Victoria College, and of that amount more than forty thousand dollars have been paid and invested. The College is annually sending forth numbers of young men, second to the graduates of no other, and who, with cultivated in-

telleets, and, in many instances, sanctified hearts, must exert a salutary influence upon their country's future.

The Wesleyan Female College continues to enjoy a large measure of public confidence and support. If the moral and religious training of the families of the Dominion forms its character, and if the mother's influence forms the character of the family, we cannot place too high an estimate upon the value of the work of the sister institutions of the two Conferences—yours in Sackville and ours in Hamilton.

To know that the labors of the Rev. John Burwash, M.A., meet with your hearty approval gives us no surprise, and affords us much satisfaction; and we cordially accede to the request of the College Board that his appointment be continued for another year.

Our record of the past year contains much that is full of encouragement. With the rapid growth of agriculture, manufactures, and commerce, our people are increasing in wealth and liberality, and, consequently, we enjoy, as a Church, a large measure of temporal prosperity. Churches and Parsonages are being built in large numbers, and many of the former are models of architectural skill and beauty. Our Connexional Funds are liberally sustained, and the Missionary income exhibits a gratifying increase.

With thankfulness and gratitude to the Great Head of the Church, we are enabled to report an increase in membership of more than two thousand. But amid much that is encouraging, our want, in answer to earnest, fervent and believing prayer, is a mighty baptism of the Holy Spirit, influencing all classes of society and extending to every congregation.

The present session of Conference has been one of great harmony and brotherly love, and its public services in a very especial manner have been marked by the presence of the Master and the unction of the Holy Ghost. Its memories must be ever fragrant; and carrying with us, to our different fields of honorable toil, high resolves for increased devotion to God, we constantly hope for an enlarged outpouring of the Holy Spirit, not confined to any instru-

mentality or locality but wide-spread and universal. Our prayer is,—“ May God hasten it in His time.”

We have great pleasure in informing you of the appointment of the Rev. Samuel D. Rice, D.D., and the Rev. Jas. Elliott, one of our ex-Presidents, to carry to you our fraternal greetings, and trust that their presence and addresses will aid you in your Conference business, and increase the interest and efficiency of your public services.

And now, dear brethren, for the present we say farewell, praying that the blessing of the Great Head of the Church, whose we are and whom we serve, may largely and visibly rest upon you in all your Conference deliberations, and upon the congregations to which you minister in holy things.

Signed by order and on behalf of the Conference,

A. SUTHERLAND.

ADDRESS OF THE  
CONFERENCE OF THE WESLEYAN METHODIST  
CHURCH IN CANADA,  
TO THE  
GENERAL CONFERENCE OF THE M. E. CHURCH  
IN THE UNITED STATES.

---

REVEREND AND DEAR BRETHREN,—

It is not merely as a form and usage, that we renew, every fourth year, our official and fraternal intercourse with your venerable body. We do so with a lively sense of the oneness of Methodism over the world, and of the importance of maintaining that oneness; with a grateful recognition of the interesting relations existing between ourselves and the Methodism both of the United States and Britain, regarding ourselves as a sort of connecting link between

the two ; and with a feeling of the responsibility arising from our common relations to the past religious history and future religious destiny of the North American Continent, we pray that our Methodistic and Evangelical relations may mutually become more and more strong, brotherly, and holy.

When we think of what God hath wrought through you in a few score of years, and observe the undiminishing, nay, rather the ever-increasing, vigour of your agencies, and the enterprising breadth of your far-seeing plans, and when we think of the inevitable progress of your country in population, wealth, and education, and your own future as a great American Church, as well as a mighty Missionary organization, we do not wonder at the seriousness and hopefulness with which you regard the share which Christ has allotted you of the work of universal evangelization. To lay the foundation of churches in America, which are hereafter to mould the characters of its immense populations, and then to send thousands of Missionaries to the heathen world, is truly a work of unparalleled importance, and one in which we rejoice in some measure to share.

God has entrusted to us a great charge in this new Dominion of Canada, now extending from the Pacific to the Atlantic, containing a vast extent of territory, the destined future home of scores of millions of people. And we are endeavouring earnestly to obey every Divine call to occupy new fields, and we feel encouraged by the most animating prospects. Since we last addressed you our membership has been very considerably increased, and our people have added, by new erections, more than half a million of dollars to the value of our church property. Our Sabbath-schools also, are in a very prosperous estate ; while a desire to provide more adequately for the religious instruction of our youth will, we hope, cause much increased attention to this great duty of the church. Our missionary operations are every year assuming greater magnitude, and the increasing liberality of our friends is enabling us to enter many of the numerous open doors inviting us to take possession in the name of Christ.

We admire the extent of your educational plans, the munificence which enables you to execute them,—the wide success of your educational work; and we are encouraged by remembering that your body has achieved all this after many years of early discouragement, because your faith in your future enabled you to persevere. Though our institutions are few, compared to yours, they have conferred various and important benefits on the church and on the general community; and though we have not the same ample provision as you, we also have faith in the educational future of Methodism. Methodism had to originate,—to create from nothing, with the Divine help, all her educational institutions; and if so short a time has produced results so surprising what may not be expected fifty years hence?

The subject of Methodist Unity has been exciting, for a few years, considerable attention in this country. The Conferences of the different Methodist bodies have, for several successive years, appointed Committees to feel their way to some practicable terms of union. We have, at our present session, adopted several resolutions, designed to facilitate the very desirable object we all have in view, and venture to hope that every difficulty will gradually disappear. We hope also soon to see the Conference of Eastern British America united into one body with ourselves.

It appears to us that the distinguishing and most hopeful feature of our times, the most remarkable development in the history of nations, and one grand security for the progress of liberty and the Gospel among men, is the fact that Divine Providence is now planting in every part of the earth great Protestant and English speaking nations. These are destined to become a universal and transforming leaven of health among the nations of the world. We therefore rejoice with you to witness the growing tendency to seek a closer union among the evangelical churches; and we recognize it as the obvious duty of all of Methodist name to seek a closer fellowship, because one of the benefits of fellowship between the churches is the promotion of international peace and good will. And

should not all who read the English Bible to unite, the world over, to preserve the world's peace, to break the world's fetters, and to hasten the world's millennium?

We appreciate the value of your expressed desire, while adapting your agencies to your work so as to secure their increased efficiency, to preserve in all their integrity the essential principles of Methodism. The doctrine of conversion, and the converting doctrines of the Gospel, as well as those means by which, among us, sinners have been converted, and those by which they have been preserved and perfected, are as precious to us as ever. The world is always practical enough, in its estimate of religion, to judge of it by its manifest effects.

We do indeed deeply sympathize with you, in remembering the great bereavements with which it has pleased God to visit you, in the death of several of your most eminent and useful ministers. We doubt not that the Divine Spirit will guide you, as it has ever guided you, in filling the place of the distinguished Bishops who have departed to their reward.

We have been greatly interested in listening to your welcome address, and have been edified and refreshed by the presence and intercourse of the Rev. J. W. Lindsay, D.D., and the Rev. Asbury P. Lowry, D.D., your honored representatives. We heartily commend to your fraternal regards the faithful and beloved brethren, Revs. G. R. Sanderson, Lachlan Taylor, D.D., and Alexander Sutherland, by whom we send this address, and who will more fully make known to you all our state. And now, honored and very dear brethren, we pray God to magnify his grace in you more and more, and that our common Methodism may more and more abound in all holy and saving works.

Signed in behalf and by order of the Conference,

WM. MORLEY PUNSHON, M.A.,

BELLEVILLE, JUNE 14, 1871.

THE ANNUAL ADDRESS  
OF THE  
CONFERENCE OF THE WESLEYAN METHODIST  
CHURCH IN CANADA,  
TO THE  
MEMBERS OF THE CHURCH UNDER ITS CARE.

DEARLY BELOVED BRETHREN,—

At the close of another Conference, and under the blessed influence that has accompanied its sessions and its services, we are privileged once more to address you in words of pastoral counsel and affectionate greeting. The sessions have, in addition to the business usually presented, been occupied with questions of momentous interest to our Church. Important among these is that which relates to the Union of the different Branches of Methodism in Canada. "The general recommendations" adopted by the united Committees of the Canadian Churches, and referred to the respective Conferences by which they were appointed, were duly and fully considered by our Conference. Resolutions, embodying the views of the brethren assembled, were cordially adopted, and will be published in the printed Minutes of the Conference. From these you will learn our readiness to aid in facilitating any feasible plan to bring into closer connection the different sections of Methodism in our Dominion, and our willingness to co-operate in any hopeful project for its accomplishment.

The debates arising during the sessions from the various questions presented, could not but evoke, on some occasions, in so large an assembly, in which freedom of expression is impartially conceded, some diversity of sentiment. But while candor, fidelity and independence characterized the discussions, they were ever marked by courtesy, and conducted in the spirit of Christian love.

In speaking of the religious services connected with the Conference, we may remark, that whether we refer to the overflowing congregations which waited upon the ministry of the word, and for prayer, upon the week-days; to the solemn and sanctifying service on the evening of the first day of Conference, when hundreds of ministers and people surrounded the table of the Lord; to the public reception on the Friday evening of the twenty-two young brethren who were received into full connection with the Conference; to their ordination on the following Sabbath to the full work of the ministry; or to the thousands who thronged the sanctuary of the Lord on that Sabbath, and listened with great delight to the preaching of God's precious Word,—we rejoice to say that these services were attended by more than ordinary manifestations of the Spirit of God. We are assured that much prayer, both by ministers and people, had been offered for the Divine blessing to attend the services of the Conference; and to this, under God, may be attributed those gracious influences with which we have been favoured.

In reviewing the labours of the past year, we thank our Heavenly Father in being permitted to chronicle success. As evidence of spiritual prosperity, we are enabled to report a numerical increase, after the losses arising from deaths and removals, of 2,111.

The fruits of deepened religious principle have been presented by you in augmented liberality in your gifts to the treasury of the Lord. The first to be noticed among these is the support of your ministers. With your own improved circumstances, you have not been unmindful of those whom God has appointed to labor with you, and "watch for your souls, as they that must give account, that they may do it with joy and not with grief."

The Missionary Fund, notwithstanding the large amount which it has reached in former years, not only maintains its position, but has advanced beyond it, and this year also reports an increase in income; the increase over last year being \$5,000.

We cannot but remind you of the heavy responsibilities which rest upon us as a Missionary Church; now especially

as no aid in support of any of our missions can be looked for from the Parent Society ; and we are constrained to maintain and extend both our Home and Foreign work as God opens doors for us to enter. Our Home Missions must, from the increase of population which the tide of immigration is bringing to our shores, continue to make large demands upon the missionary treasury. In regard to the Foreign field, we are now in possession of the fullest information as to the importance and the necessities of the Missions in Manitoba, and in the remoter North-Western sections. And those in the most recently confederated Province of British Columbia, from the invaluable intelligence communicated by our honoured and beloved President, as the result of his recent visit to that country, come before us with stronger claims, and with irresistible appeals for additional labourers. You will be pleased to learn that one of the most experienced ministers of the Conference has responded to the call of the Church, and, with his family, leaves in a few days, to undertake the charge of the Missions in that land. He is to be accompanied by one of the young brethren who was ordained on last Sabbath, and who willingly and cheerfully goes to engage in the toils of Mission work in that distant part of Canada. We are sure you will not fail to follow these beloved brethren with many and earnest prayers.

In reference to the other funds of the Church they also have been well sustained. The Contingent Fund exhibits an increase of about \$500. The Superannuation Fund has exceeded that of the past year nearly \$1,000. The Church Relief Fund is also in a state of improvement,—increase in income, \$45. And the Educational Fund shows an advance of \$792.

Under the question of Finance we may notice the prosperous condition of our Book Room, as shown by the triennial report presented at the Conference. Also the exertion and liberality apparent in the erection of churches (many of them spacious and elegant), and the enlargement of others. Several parsonages have been built, some improved, and others have been more comfortably furnished.

The expenditure on churches, &c., is nearly half a million of dollars, during the past three years.

Our Educational Institutions have been favoured with a year of most encouraging prosperity. Victoria College maintains its commendable position among the Universities of the Dominion, and is enabled to assure us, in the report presented, that its recent sessions have been most successful, and that its halls have been attended by a number of students not exceeded in any former year of its history.

The Directors of the Wesleyan Female College at Hamilton are enabled this year to furnish the most hopeful and encouraging report of any year since its commencement, and the future is full of promise.

It must be cause of much satisfaction to parents to know that, in sending their sons and daughters to be educated in the institutions which are under the guardianship of the Church, they not only secure for them superior educational advantages, but the moral safeguards and the spiritual influences which are so generally known to distinguish the University at Cobourg and the College at Hamilton.

Our duty in reference to the Educational interests of our Church, cannot be evaded, neither can they be overestimated.

The interest arising from the investment of the College Endowment Fund not yet being available, and the Government grant having been withdrawn, some immediate steps were absolutely necessary to meet the current expenses of our institution. Rather than advise another public collection, which was suggested by some, the members of the Conference placed themselves under obligation to contribute or obtain during the year the amount required. We commend to your perusal the resolutions adopted on this subject.

The obligations which the support of our seminaries of learning involves should not be regarded as a burden, rather welcomed as a privilege. The accepted tax for their support will repay a hundred-fold, even though you limit the result to the lowest standard of temporal benefits. But there is a higher benefit; there is a consideration of the moral power which they exert in the country,—a country which, under God, we have had much to do in cultivating. If we

would maintain the occupancy of the field which we have rescued from its wilderness state, we must keep pace with the advanced intelligence of the day. As it regards the ministers of our Church, who *are*, and who *are to be*, your instructors, and the instructors of your children, in those questions especially which are of transcendant, because they are of eternal, importance, they must be, (and you yourselves demand it,) in every sense equal to their mission: endowed by nature with gifts, enriched by heaven with grace, and aided by that knowledge which it is the office of education to confer.

The character and influence of our Sabbath-schools is in this connection appropriately considered. From the information received, we learn that much attention continues to be devoted to this department of the church. The past year has been one of unprecedented success. With the increased facilities furnished in illustrated periodicals and numerous Sunday-school libraries to attract and instruct the children, and retain them in the school, much good is done. Ministers and superintendents of schools cannot, however, be too careful in guarding the spiritual welfare of the scholars. Do not permit the attractions of the schools to be too dependent upon these things. Store well the minds of the children with sound doctrine, not forgetting that our incomparable series of catechisms is eminently adapted to aid herein. Caution is necessary in keeping improper books out of your libraries. No exertion should be considered too great in securing healthy literature for the youth of the church. To this end we commend to you the selections furnished by our own Book Room. We solicit your hearty co-operation in the still more extensive circulation of our official organ, the CHRISTIAN GUARDIAN, which, we are happy to say, is ere long to appear in an enlarged form, and much improved in every sense. We also ask for your continued exertions in securing the more wide spread distribution of these valuable papers, the SUNDAY SCHOOL BANNER and the SUNDAY SCHOOL ADVOCATE.

We cannot too strongly urge upon you, surrounded as you are, in common with others, with the cares and tempta-

tions of this life, the sedulous cultivation of that spirituality which is indispensable to practical godliness, and that holiness of heart which is the strength and consolation of the soul. We affectionately beseech you to be faithful to private devotion, and to all those means of grace which are among the peculiar characteristics of Methodism, at the same time that they are among the chief sources of her strength. By you, who are heads of families, let the morning and evening domestic worship never be neglected. In this, and in all the virtues of Christian character, be ye examples to your children and to your households. Give no sanction to those amusements which are so damaging to the souls of men, and so destructive to advancement in the divine life. Endeavour to influence those committed to your care against the evils of extravagance in dress, which is among the most dangerous tendencies of the times. Costliness of living is, with its manifold evils, inflicting its legitimate penalties on many. Be it yours, by frugality and by simplicity, to escape its snares yourselves, and to reprove it in others.

The terrible evils of intemperance cannot be too vividly portrayed. The Conference, fully alive to the extent of those evils, re-affirms its judgment on the subject, and again records its strong conviction as to the value and necessity of those temperance organizations in which its ministers take so deep an interest.

Should your mind be in any wise disquieted by the many forms of error with which the glorious gospel of Christ is sometimes impiously assailed in these days, we press upon your attention the remembrance and the consideration of the blessings which that gospel has already conferred upon you, and distributed around you; and we would further have you think of the "blessed hope," with which it has inspired you. We have no new Saviour to offer to you, no new gospel, like some, to present. There is only one Saviour, there is only one gospel. Should there be any that would "trouble you" by their teachings, and who "would pervert the gospel of Christ" by their writings, then remember the solemn asseveration of the apostle—"Though we or an angel from heaven preach any other Gospel unto you than that which we have preached unto you, let him be accursed."

Some of those who have gone in and out among the people shewing unto them the way of Eternal life, shall do so no more. Our Heavenly Father has been pleased to call to rest and reward several of our much beloved brethren, among them the veteran and the youth. They died in the triumph of that blessed faith which they had preached to others. But while the Master takes some away He gives others to fill their places. This year He has called seven to their rest, but he has also called forty-five to labour in that part of the vineyard which he has given our Church to cultivate.

Beloved brethren, we entreat you remember those who are appointed in the Lord to be your ministers. Whether the brethren who ministered to you during the past year, or others (perhaps total strangers to you,) are directed by the Conference to become your pastors and teachers, give to them that welcome which a Christian alone can give, and which a Christian should never withhold, remembering that the most affectionate attentions may lose much of their intended benefits by delay.

Our earnest prayer is that the grand object of preaching Jesus and the resurrection may be fully realized during the year on which we now enter. Our duty is not only to warn sinners but to build up believers; to present Christ to all, "warning every man and teaching every man in all wisdom, that we may present every man perfect in Christ Jesus."

It is more than probable that some of you who now listen to these words of counsel and affection, will not be present to listen to a similar address twelve months hence. Should the summons in the interval reach you, may you be ready; and may your change be from the trials of this life to the glories of a better.

Be true to your covenant vows; renew your consecration to God; continue in the old paths. Ever by your unswerving fidelity rejoice the hearts of those whom Christ has honoured as the instruments of your salvation.

May your hope of heaven never be dimmed. May our hope of meeting you at the right hand of God in "that day," ever be bright and cheering. "For what is our hope,

or joy, or crown of rejoicing? Are not even ye in the presence of the Lord Jesus Christ at his coming? For ye are our glory and joy." "For now we live if ye stand fast in the Lord. For what thanks can we render to God again for you, for all the joy wherewith we joy for your sakes before God." Now "the Lord make you to increase and abound in love one towards another and towards all men, even as we do towards you. To the end He may stablish your hearts unblameable in holiness before God, even our Father, at the coming of our Lord Jesus Christ with all his saints."

Signed by order and in behalf of the Conference,

EDUCATIONAL INSTITUTIONS.

REPORT

OF THE

TREASURERS OF VICTORIA COLLEGE, 1871.

The Treasurers of the College, in submitting their Annual Report, desire, in the first place, to acknowledge their obligations to that kind Providence which has watched over them and the interests committed to their care during the year. They are also thankful to know that the results of the year have been such as to encourage them to press more strongly than they have ever yet done the claims of the College upon the people of Canada; for they are satisfied that the Institution has increased its hold upon the sympathy and patronage of the public at large.

In presenting their financial statement, the Treasurers would like to be able to report the track clear from all obstructions of a pecuniary character; but we have not yet reached that point. Still the College prospers; and we expect will continue to prosper increasingly, notwithstanding all embarrassments; and will do its part towards making this Dominion what God obviously designs it to be,—a great, prosperous, intelligent, and religious country.

To meet obligations, we have had to use the credit we have with the Banks, as well as with individuals; making it necessary for us to pay in interest and discounts a much larger sum than it is at all desirable, and which must not be continued if we would keep from getting so far in arrears as to make it difficult to get clear of an embarrassing balance against us. The decision of the Conference last June, to secure an increase of one-third upon the December Collections of 1869,—which to the credit of many of our Minis-

ters has been done,—would have given us substantial aid, had it not been for two new claims which were put upon our funds, viz., an allowance to a retiring Professor, amounting at present to \$549, and which will run over three years; and a considerable portion of the appropriation made by the Educational Committee to the young men sent to the College by the Conference. These two additional claims have nearly used up that part of the one-third increase which has been paid, leaving us, financially, in the same position as we were last year. Also, from 160 Circuits, up to the closing of our books, we have received nothing. Hence, instead of \$4,000 which it was supposed we would realize from the increased amount of collections, we have received only \$2,528.68 to make up for the \$5,000 taken from us by the Provincial Legislature. It needs, therefore, no great amount of argument to make it apparent, that we had either to borrow, and trust to the success of future efforts to obtain relief, or let the Professors go unpaid, and the character and interests of the Institution suffer. We have good grounds, however, for expecting better things. There have been, during the last year, a larger number of young men attending the classes of the University than in former years; and there has been an increase in all the items of local income. The amount available for income from Graduation Fees, also, is considerably larger than it has ever been before. This, we hope, may be regarded not only as a reliable but an increasing source of income.

From various causes, the assistance which we expected from insuring our church property, in the Queen Company, for the benefit of the College, has not been fully realized. Still, the number of Insurances effected have yielded more than double the amount reported last year, being sufficient to justify the arrangement, and to encourage us to persevere, hoping ultimately, though perhaps slowly, to bring the Trustees into it, especially in the Cities and Towns. In the rural districts, the majority of the Trustees, who insure at all, think it to their advantage to go into some Mutual Company, which often turns out to be the most expensive. The Queen is a first-class stock company, and the Directors are among the most reliable men in the Dominion; so that our

interests may be considered perfectly safe in their hands. We hope, therefore, that all who can come into the Conference arrangement, will do so, and thereby help the College.

As yet the Institution has received no assistance from the Endowment Fund. The interest that has accrued from investments has been re-invested, and added to the principle to facilitate the consummation of the scheme.

And although the desired \$100,000 is not yet secured, there is a sufficient amount collected and invested, now drawing interest, to give the Institution such support another year as, with the continuance of the December Collection, will improve our financial position, until the whole of the contemplated Endowment is secured.
