## EMERSON'S COUNSEL DECLARE THAT ARTICLE WAS SEDITIOUS AS WELL AS LIBELOUS, BUT DECLINE EDITOR'S CHALLENGE TO PROCEED WITH EVIDENCE.

Emmerson's Counsel Declare That Article Was Seditious As Well As Libelous, But Decline Editor's Challenge to Proceed With Evidence.

### ONE WITNESS IN THE U. S. AND ANOTHER ONE IS ILL

FREDERICTON, N.B., June 20.—(Special.)—When court meets to-morrow the case of the King v. Crockett will be definitely postponed. Later on the indictment will be quietly pulled or laid away.

The record of the day may be briefly summed up as follows:

The crown attacked the defendant's plea by demurrer. This demurrer was argued and overruled. Then Mr. Pugsley in Emmerson's behalf appealed to the judge not to insist upon their going to trial. He wanted the legal questions reserved to the full bench. This being denied him, he suddenly discovered that some witness, whose name he could not at the moment recall and whose whereabouts were unknown, was so important that the case must be postponed until they were able to find him.

When his lordship smiled at this statement the versatile Mr. Pugsley discovered that another witness, Mrs. Allen of Moncton, was too ill to attend. The judge finally cut it short by adjourning the case till to-morrow. A postponement will be granted, no doubt, which means in effect that the case is to be dropped. It is known that Judge Landry is averse to hearing the case, as he and Mr. Emmerson are neighbors at Dorchester, and were political rivals in the past. Indeed his lordship admitted his resignation from the bench so as to contest the riding of Westmorland in the Conservative interest in 1904.

Mr. Emmerson was present throughout the day, and his agitation was very apparent. He declared the proceedings to be quite unjust. He insisted that he must be given the opportunity for an acquittal.

If there is too much effort to stifle the truth about Mr. Emmerson," he is quoted as saying, "then I will publish the truth in my paper. I have a public interest about another minister of the crown from the Maritime Provinces."

It is understood that the witness for whose testimony a commission will be asked to-morrow, is a well-known Canadian now residing in the United States, whose father is one of the wealthiest lumbermen in this part of the country. He happened to be in the city on the day of the trial, and knowing that Mr. Emmerson and the ladies were at the St. Lawrence Hall, went up to see them without first notifying the night clerk.

The defence claims that the clerk found this young gentleman about midnight calling upon a lady in room 10, and that at the time another member of the party was with the minister in room 17. The crown will claim that the testimony of this witness will be favorable to Mr. Emmerson's version. It is very unlikely, however, that he will testify. Indeed, it is quite unlikely that any testimony will ever be submitted.

The demurrer set forth first that the plea of justification was insufficient. The article complained of had stated that Emmerson had been ejected from the hall on one occasion at the St. Lawrence Hall, and did not show with sufficient certainty the manner in which he was set forth as a defence, in that it did not sufficiently specify the date or circumstances of the alleged ejection, nor by whom or for what reason it took place, and did not set forth or show in what respect the two women mentioned were ill-repute, nor whether, where or under what circumstances Emmerson had been keeping company with two women of ill-repute, nor the moral and conduct of members of the parliament of Canada, as well as those of private members of parliament were and are matters of public interest, parliament was the proper guardian of the honor of its members and the proper place in which to make and investigate charges against its members in respect to their private conduct if such charges are of sufficient gravity to affect the public usefulness of the member so charged. So far from its being for the public good it is likely to result in public injury and impair the usefulness of parliament to have the private life and conduct of the members of the government and other members of parliament, and which are not in any way connected with the discharge of their public duty, discussed and debated in the public press.

Not Justified.

The mere fact that there was some discussion in parliament, or that the press might be so much affected by the plea might be by one member and by one newspaper, would not make what might be a defamatory statement any less so and would afford no justification for its publication in The Daily Globe newspaper. The mere fact that a newspaper might properly comment on facts stated in parliament, the mere circumstance of a discussion taking place in parliament, or a particular subject would not justify any newspaper in making allegations of fact of a defamatory nature not stated in such discussion.

Publications of a seditious nature could not be justified only if made to the government or parliament, with whom rested the authority to continue the minister as an advisor of the representative.

Continued on Page 7.

## COUNCIL FOR HAYWOOD WILL ASK DISCHARGE

When State Evidence is All in—Argument to Be Heard To-Day.

BOISE, Idaho, June 20.—Unless 9 o'clock should bring unforeseen delay in obtaining a few final pieces of evidence, the state will close its case to-morrow against Wm. D. Haywood, whom it charges with the murder of Frank Steunenberg.

This announcement was made this afternoon by Senator Borah of the prosecution, and when Clarence Darrow of the defence took up the defence on the afternoon of the 20th, he made it clear that directly the state closed he and his associates would move the court for an instruction directing a verdict of acquittal. It is now anticipated that the state will close by noon, that the afternoon session will be devoted to argument of the expected motion of the defence, and if the court rules adversely on the motion, the opening statement in behalf of Haywood will be made by Mr. Darrow Saturday.

The prosecution succeeded again to-day in showing a direct connection between the store of George Pettibone in Denver, and Harry Orchard while he was at work on the Bradley crime in San Francisco, and promised to prove the connection which Orchard says he had with Pettibone personally by handwriting experts who will be called to-morrow.

Original records of the Pacific Postal Telegraph Co. were produced, showing that in September and October, 1904, remittances of \$97.50 and \$48 respectively were made, the first by "J. Wolf" and the second by "T. Bone." Judge Wood admitted as evidence many of the strongly-worded articles of The Miners' Magazine, in which Steunenberg was bitterly attacked. Mr. Borah read them to the jury. These were admitted as showing the animus of the federation officials against Steunenberg and against Justice Goddard and Gabbert of the supreme court of Colorado, whom Orchard swore he tried to kill.

The state introduced in evidence the decisions of the judges on the Colorado election law, and the habeas corpus application of Charles H. Meyer. To practically every piece of evidence offered during the day the defence took an exception.

## TORONTO IN DARKNESS NIAGARA POWER OFF

Hospitals Lose Light For Over an Hour—One Operation Had Just Been Performed.

Toronto was plunged in darkness at times from 1:30 to 2:30 this morning. In some cases the darkness lasted quite a while. All night factories and the newspaper offices were forced to suspend business because of connection at Niagara Falls was being repaired.

The most serious feature of the temporary outage was that the hospitals were darkened.

At the Western Hospital Dr. Hay and Dr. Stewart of Milton had just completed an operation for appendicitis when the darkness came. It continued for over an hour and during that time the gas service, however, only covers a part of the building and in several parts candles were put in use.

Grace Hospital was in a similarly unfortunate position, but luckily no operation was performed there last night.

## VOW OF YOUTH KEPT. ROMANCE STARTED IN NEWFOUNDLAND FINISHES IN OTTAWA.

OTTAWA, June 20.—(Special.)—A charming little romance was consummated in Ottawa yesterday. Mary Ellen Spratt and Joseph Donnelly were children together at St. John's, N.B., and in their childhood vowed to be true to one another.

After school days they were parted and saw nothing of one another until a few weeks ago, when by a strange chance they met in Ottawa. They were married yesterday by Rev. Canon Sloan and left to spend their honeymoon in Toronto.

## AGAINST AMERICAN PAPERS.

(Canadian Associated Press Cable.)  
LONDON, June 20.—The Daily News says that it would be a very good thing for Canada if it spared itself the injury wrought by American Sunday newspapers.

New Labor Paper  
A new labor paper will be issued shortly in Toronto and Hamilton, with the name of London as editor in chief.

Oscar Hudson & Company, Chartered Accountants, 6 King West, M. 478.

## MILD EXCESSES SHOCK FRANCE

Conditions Bordering on Civil War—Troops Fire Into Mob.

NARBONNE, June 20.—The riotous element of the populace of this place cast off all restraint to-day, and the city became the scene of many wild excesses. A secret police agent was lynched, and other persons were treated with the most extraordinary brutality.

For a gendarme or policeman to appear on the streets alone was to court the risk of being clubbed to death. The troops ultimately were obliged to intervene for the protection of the officers of the law, which resulted in further bloodshed.

The secret police agent, who was lynched, was patrolling the Promenade des Barques, when the mob suddenly invaded the street. They seized him and clubbed him until he was senseless. Then they riddled the body with bullets and pitched it into the canal. Later they fished the body from the water, and, attaching a rope to it, dragged it through the streets, acting ferociously all the while. When the troops arrived on the scene there was sharp fighting.

The mob attempted to rush the soldiers, but the latter with fixed bayonets repelled the assaults. Revolvers were drawn by the rioters and the troops were fired upon until they were forced in self-defence to shoot. Numbers of the mob fell, four persons being killed, among whom was a girl twenty years of age. Eleven others are known to have been wounded, while many others were carried off by friends. Several casualties occurred among the gendarmes.

Police officers were attacked and savagely ill-treated and maimed, but they managed to escape with their lives. Gun stores were raided, and the revolutionaries who were armed with revolvers appeared to be fearless of the infantry. Frequent cavalry charges were necessary to disperse them. Barricades were common sights in the streets, but were torn down by the troops almost as soon as completed.

## PENSIONS FOR INVALIDS ANNUITIES FOR THE POOR

PARIS, June 20.—In the chamber of deputies to-day, after a tumultuous scene, Fernand Buisson, Premier, declared that he was addressing in insulting terms in an interpellation of the government on its repressive measures towards the wine growers, was postponed until to-morrow.

The Premier said he had no particular desire to remain in power.

The conflict which has occurred between the troops and mobs in the south were more sanguinary than at first suspected. At Narbonne, 150 persons were killed and a hundred soldiers and civilians, including a score of women, were said to have been wounded. A number of them fatally. The troops were ordered to fire in the air, shot straight at the mob besieging them in the courtyard of the superstructure.

A whole army corps has been put in motion to deal with the rebellious wine-growers.

The state banquet, which was to be given to-night in honor of the King of Siam, has been countermanded in consequence of the bloodshed.

The newspapers report another attempt to burn the sub-prefecture at Narbonne. Gendarmes fired on the upper storey, and the attackers fled. It is also announced that there has been further shooting in the streets of Narbonne, and that many persons have been wounded. Many wine-growers threaten to pour into Narbonne, and threaten to set fire to the hotels occupied by army officers. Fresh troops are arriving there.

Incendiarism.  
NARBONNE, France, June 20.—A violent mob from the outlying villages gathered last night. They poured petroleum over the door of the sub-prefecture, which they set on fire, but were driven off after repeated charges by the troops. In the course of the fighting the manifestants fired revolvers, but no one was hit. The disorder was augmented by the absence of lights, the mob having cut the electric cables. In other parts of the town barricades were erected. These were formed by the troops and torn down, only to be set up again by the rioters.

Tried to Rescue Prisoners.  
MONTPELLIER, France, June 20.—Serious rioting broke out here last night, lasting all evening. The mob attempted to burn down the door of the prison and rescue the prisoners. The troops were turned out, but were received with volleys of stones and bottles. Troopers were pulled off their horses and clubbed.

DOCTOR'S MISTAKE.  
P. C. Carnahan Had Appendicitis, But Disease Was Wrongly Diagnosed.

Police Constable Archibald Carnahan died at his home, 19 Roseberry, on Monday, shortly after 10 o'clock last night of appendicitis. He had been ill for about a week, but had been treated for stomach trouble. Only half an hour before his death was the real disease discovered.

The deceased who leaves a wife and two children, was 48 years of age and was a native Canadian. He entered the force April 29, 1897, and had been attached to No. 3 division.

He was a brother-in-law of P. C. Blackwell, killed in the wreck at Azilda.

Falls Five Flats, Little Hurt.  
NEW YORK, June 20.—Falling five stories from her parents' flat, at No. 188 Third-avenue, and alighting on a brick pavement, yesterday, Nellie Comerfoot, 8 years old, retained consciousness and said only that her head hurt.

Her little sister, Susie, saw her fall and peeped over the edge of the roof, where the children had been playing. "Are you dead?" asked Susie. "No, but I can't get up. Come and help me," a childish voice answered from the area-way, far below.

THE TRUCE OF THE BEAR.—N. Y. WORLD

## PENSIONS FOR INVALIDS ANNUITIES FOR THE POOR

NEW SOUTH WALES GOVERNMENT  
PLANS PATERNAL LEGISLATION ON A  
REMARKABLE SCALE—THE REASONS WHY.

SYDNEY, N.S.W., June 20.—On the eve of socialistic legislation, more paternal than even Australia has hitherto known, Premier Carruthers to-day announced the plans for the next session of parliament.

The program embraces pensions for invalids, subsidies to friendly societies, and the establishment of a system whereby the poorest persons may purchase annuities. Carruthers today announced the plans for the next session of parliament.

## BOY BURNED STATION TO PLEASE GIRL FRIEND

Queer Tale Related by Lad in Police Court—Planned to Burn Many Buildings.

BELLEVEILLE, June 20.—(Special.)—Dorland Poote, the 10-year-old boy who set fire to the police station yesterday, appeared in police court this morning before Magistrate Mason, on a charge of incendiarism.

The lad said that Amy Stewart, a girl of 16, said to be weak-minded, had put the idea in his head some time before May 24, and had proposed burning all the barns and frame buildings along the east side of the river between the lower bridges, a distance of about 200 yards.

Both of them, Poote said, set fire to Jenkin's livery stable twice, but each time the fire was extinguished. He said he told Chief Newton to ring the fire bell.

Sergt. Hayes took the boy to the scene of the fire at the Queen's Hotel, where the largest burns were burned. He showed the officer how he had set that barn on fire by throwing lighted matches in the rear door, which tallied exactly with the description given by those who first saw the blaze.

He then showed where he had set fire twice to piles of straw next to Jenkin's livery and sales stables, but these were discovered and put out. The boy admitted that he did all this alone. There were three other suspicious fires in the vicinity, but the boy denies all knowledge of their origin. On information received the girl was arrested.

The case was adjourned till Monday, the accused going home with his parents.

## APPROVES ALL-RED SCHEME.

Strathcona All Ardent For the New Route.  
(Canadian Associated Press Cable.)  
LONDON, June 20.—The Chronicle, reporting its interview with Lord Strathcona, says that the grand old man of the empire is full of ardor for the all-red steamship scheme, and is hopeful of its early realization, and confident of its success.

He considers that the new route should not be confined to passenger service.

Canada, he said, was ready with a contribution equal to that of the United Kingdom for the new service to Halifax.

## CLEVELAND VERY ILL.

PRINCETON, N. J., June 20.—Close to death for two days as the result of a malignant internal growth, Grover Cleveland has safely passed the danger point of his illness. Physicians declare he will soon be on the road to speedy recovery.

Known to only a few intimate friends and his relatives, news of the recent grave illness of the distinguished statesman will come as a shock and a surprise to the country.

## STARTED FIRE TO "GET EVEN"

Had Been Sent Down for Theft—Wrote Post Cards Floating Over His Revenge.

Two postcards and a written confession in the hands of the police is the evidence held against Gordon Charles, who will be charged with setting fire to the kitchen of the Richelieu Restaurant, 84 West King-street, Tuesday morning.

He was arrested in King-street last night, charged with vagrancy.

To Inspector Davis he said that he had started the fire to satisfy a grudge against Thomas McMahon, upon whose information he had been convicted of the theft of \$40, for which he served a term of six months in the Central Prison, which was completed a week ago.

He said he entered the building thru Pearl-street. He broke a rear window and crawled in. Once inside he laid two fires with papers and wood, placing one near the stove and one against the wooden partition. These he lighted and made his escape by means of a window. The first intimation that the fire was caused by an incendiary was given when, on the day following, Mr. McMahon received the following postcard thru the mails:

Dear Sir,—Excuse my writing you this line. I think you ought to know what I expect they will take action against me.

On the same day the following postcard was received at the offices of the insurance company, which had paid \$850 on the loss:

I think I might let you know for your benefit that the fire at 84 King West on Tuesday morning was incendiary. I set light to the kitchen of the Richelieu Restaurant at 3.50 Tuesday morning.

I have written Thos. McMahon, telling him also, and I expect they will take action against me.

## FIVE LABOR CANDIDATES FOR TORONTO RIDINGS

Toronto District Labor Council Decides to Enter Contest for House of Commons.

There will be labor candidates in all the Toronto constituencies at the next Dominion election.

That, at least, was decided last night at the meeting of the Toronto District Labor Council, the body which represents the mass of laboring men in the city.

A resolution was passed requesting the secretary of the Independent Labor Party, which was founded last March, to take the steps necessary to bring out candidates, and in subsequent discussion it was urged that if the workmen would only stick together there would be no difficulty about electing labor representatives.

The council will go into the next fight with a much better organization than they have had in any previous election, and every effort will be made to vote the workers the right way.

**SUPERVISING PRINCIPAL STANDS OVER FOR TIME**

**Board of Education Refers Proposal Back to Committee on Legislation.**

The board of education last night sent back to the legislative committee their recommendation for the appointment of a supervising principal for the secondary schools.

Dr. Hunter, who introduced the proposal, was the only member to oppose its reference back. He said he would take full responsibility; that he was prepared to defend it against the opposition of the board, and that the plan would save the city thousands of dollars.

Dr. Hawke supported the resolution to appoint a supervising principal, and said in doing so he was voicing the opinions of several other members of the board.

Trustee Levee opposed this and recommended that it be referred back to the legislative committee. He said the only reason Dr. Hawke could give for supporting the resolution was because some members of the board were foolish enough to support it at a previous meeting. He declared that if a supervising principal was appointed he would oversee the high schools and collegiate institutes, that another superintendent would oversee the public schools, and that these two master minds would be continually at war.

Dr. Hunter also proposed that a superintendent be appointed to oversee the whole school system of Toronto. Trustee Brown opposed this, and said it would merely be saddling the city with another official, where the city will have to stand four-fifths of the expense and the government only one-fifth.

It was finally agreed that the resolution should go back.

The following changes were agreed to: Miss Lillian Scott of Manning-avenue School resigned; Cophas Guillet, teacher technical high school, resigned; G. W. Keith, B.A., of Gravenhurst, and Robert Shaw, B.A., of Richmond Hill, appointed assistants on the high school staff, and will be assigned to classes in September, as required.

The tenders for the enlargement of Leslie-street School, which amounted to \$25,117, were referred back, as they were too high.

**Big Day For Muskoka People.**

Next Saturday will be a red-letter day for lovely Muskoka, when the first C.P.R. passenger train pulls out of the Union Station for the new lake-bound run. All aboard for Bala, only three and a half hours to the very centre of Muskoka! That visitors will appreciate the new service goes without saying. For it brings Bala and the western lake points hours nearer Toronto than ever before, while affording a service to the Royal Muskoka and Joseph and Rosseau resorts second to none. Then the roadbed is good, surprisingly smooth-running for such a brand new track, and the train equipment—parlor, dining, sleeping cars and day coaches—is in every detail up to Canadian Pacific standard.

**USE OF THE METAL CAP.**  
Important Part Played by Soft Tip of Projectile.

The function of the soft metal cap on armor-piercing projectiles has been heretofore ascribed to the melting of the soft metal at the instant of impact, thus lubricating the way for the passage of the harder metal. A German scientist, who has given the matter some attention, now explains that by the presence of the projectile mass the point of the projectile proper is saved from deformation at the instant of impact, and acting as a cushion, distributes the pressure over a fairly large cross-section. Instead of allowing it to concentrate on the point, which would otherwise fracture it. The real point of the projectile is thus preserved in its proper shape to cut its way thru the target.

**Mayor Differs With Some Views of W.C.T.U.—Another Street Railway Accident.**

HAMILTON, June 20.—(Special).—At a meeting of the board of works and finance committee this evening, the city solicitor was instructed to report every accident on the street railway to the Ontario railway and municipal board. It was stated that accidents were almost daily occurrences. The city solicitor has prepared amendments to the street-railway by-law, and an immediate application to the railway board will be made. They call for double the number of cars the company is now running at busy hours, and also for new cars.

The Brotherhood of Locomotive Engineers and Firemen were voted \$200 for their convention here next August. The sum of \$500 was voted for paying East King-street.

Mayor Stewart told the aldermen he would not stand for any overhauling of the street railway. He said that the aldermen, and only one, which was made by Amelius Jarvis & Co., was for the whole amount of \$22,651. This company offered only \$27,000 for the lot. A special meeting of the finance committee will be held Friday.

**Another Accident.**

This evening, on Herkimer, near Charlton-avenue, a car jumped the track, and another traveling in the opposite direction crashed into it. The car dispatched several doctors to the scene, but all the passengers escaped with a shaking up.

Ben Parrott, a carter, who was standing holding his horse at the corner of Robert and Catharine-streets, was knocked down and run over by two men who were horse-racing.

The annual convention of the W. C. T. U. for Hamilton and Wintario Counties opened this morning in the school room of the Centenary Methodist Church. Mrs. Byron Smith was in the chair and M. Edith Turnbull reported six branches in the two counties and a membership of 28. Mrs. Wilford reported receipts of \$454 and a surplus of \$115. Mayor Stewart said he was in favor of a good many objects of the W. C. T. U., but deprecated the continual agitation before the license commissioners for a reduction of license, because the time was not ripe. He said that the plan to a campaign of education and persuasion. Mrs. Rutherford, Toronto, Dominion president, also spoke.

**Baby Broke Neck.**

Ethel, the 18-month-old daughter of Jesse Carver, Mount Hope, fell off a chair and broke her neck.

The Sherman-avenue Presbyterian will ask the presbytery for permission to erect a \$17,000 church.

The clerks of the postoffice, customs and inland revenue departments are organized with a view to securing better pay.

May Gertrude Wooley has issued a writ claiming \$5000 from Dr. William Henderson, Sarnia, for alleged malpractice. She claims that she lost the only reason Dr. Hawke could give for supporting the resolution was because some members of the board were foolish enough to support it at a previous meeting. He declared that if a supervising principal was appointed he would oversee the high schools and collegiate institutes, that another superintendent would oversee the public schools, and that these two master minds would be continually at war.

**Satisfied Laurier Administration is Growing More Out of Touch With People.**

R. L. Borden, K.C., M.P., opposition leader, arrived in Toronto yesterday morning to attend a conference of the Ontario Conservative members. A large and enthusiastic gathering greeted the leader, who gave an address of great encouragement.

Mr. Borden expressed great confidence in the outlook for the Conservative party in the coming federal election. The Quebec conference had given the party great encouragement; in fact, from all over Ontario reports were continually coming in, significant, indeed, that the present administration was in jeopardy.

"The reports in general are very gratifying," said Mr. Borden. "I came here to meet the Ontario Conservatives with a view to ascertaining how organization was proceeding and also to find out what the intentions were as regards holding meetings and a ward meeting. The prospects are very encouraging, and I am sure that reports which reach us continually from all parts of the Dominion are well founded. The present administration is getting more unpopular with the people."

As to the date of the next election, Mr. Borden was unwilling to be interviewed. He preferred to say whenever the election was ordered the Conservatives would be fully organized and prepared to meet it.

It was the intention of the party throughout the plan of the campaign and carry to a successful conclusion a united method of organization, which would have a telling effect.

Those present at the conference included: E. A. Osler, West Toronto; A. C. Macdonell, South Toronto; Edmond Bristol, Centre Toronto; R. Blain, Peel; Hon. David Tisdale, Norfolk; George Taylor, Leacock; East Toronto; W. H. Simcoe, W. H. Bennett, East Simcoe; Uriah Wilson, Lennox and Addington; E. A. Lancaster, Lincoln; W. Wright, Muskoka; E. Armstrong, East Lambton; G. O. Alcorn, Prince Edward; David Marshall, East Elgin; W. Jackson, West Elgin; East W. Ward, Durham; Hamilton; H. Reid, Grenville; East Hamilton; J. D. Reid, Grenville; H. Clements, West Kent; W. B. Northing, East Hastings; R. A. Pringle, Cornwall and Stormont.

**JOINT IS VALUABLE.**  
Seems Superfluous with Helps on Power Boat's Shaft.

Considerable advantage seems to result from the introduction of a seemingly useless universal joint on the shaft of a power boat. The joint seems to be a superfluous, for the reason that it is mounted on a shaft which is perfectly straight, or as near so as possible, but its presence prevents any vibration of the shaft, bearing in mind to be the means of preventing any vibration of the shaft, affecting the operation of the motor. Another innovation which on the face of it seems to be trivial has been literally swarmed on them, while at other times they have been afflicted with myriads of wasps, most of them about half the size of the specimens found in this country, but some of them larger, and all of them vicious. Some of the rivers rise and fall in a week, and some in a single day, according to the rainfalls.

**HARDSHIP FOR SCIENCE.**  
Rough Adventures of a British Surveying Party.

Letters received in this country, says The London Globe, from Major R. H. Fawcett, chief of the British surveying party which is engaged on behalf of the Bolivian government in mapping the northern frontier of Bolivia, as defined in the treaty with Brazil of November, 1903, give a graphic description of the difficulties and hardships encountered by the explorers—for such they virtually were—during the ascent of the Upper Aulry or Acre River, which, above Bahia, forms the dividing line between the two republics. The frontier reaches Bahia by the streamlet of the same name, and this also, after much difficulty, has been mapped and astronomical observations being taken to fix the position of its source, a spot which impresses

SPLIT HEATS AT SEAFORTH ANNA V. BRINO TAKES 7 TO WIN

Zac Medium Wins Two Heats and Jay County Boy One—Jan Bar First in 3-Year-Old Race.

SEAFORTH, June 20.—(Special.)—A day's racing full of surprises and sensations is what 2000 spectators who were at the Canadian Circuit races here to-day were treated to. The day was fine, but the track, owing to rain yesterday, was somewhat sticky. The following is the summary of to-day's races:

FOR GREATER TORONTO. Owing to the village traditions clung to by many aldermen and a few city officials, there is some opposition to the view that immediate steps are necessary in preparation for the Greater Toronto which the wideawake business men of the city foresee.

There has been opposition for 20 years past to every proposal on a liberal scale for the advance of Toronto, and in a very large number of instances the opposition has been so successful that the city to-day is crippled and fettered in consequence.

To listen to some of the arguments adverse to the plan of The World that steps be taken to meet the emergency, it might be supposed that The World was advocating a policy of dragging people into residence. It should be unnecessary to point out that not a word in that direction has appeared in these columns.

The World, in common with nearly everyone else, realizes that 15,000 people enter the city annually. This number will tend to increase rather than decrease, and merchants, manufacturers, bankers, railwaymen and others interested are taking steps accordingly.

There are aldermen and city officials, however, who declare that 15,000 is an entirely abnormal growth, and that 5,000 will more probably represent the annual growth for some years to come. It is useless to point to the experience of the past 20 years in such instances, for the experience of the past 20 years is due to just such views, and to the handicap placed on Toronto by those holding them.

In considering the growth of Toronto it is unnecessary to confine attention to the limits of the city as they stand. The whole tract of 120 square miles, more or less, from Mimico on the west to Scarborough Township on the east, including Toronto Junction, North Toronto and East Toronto, is to all intents and purposes Toronto. The departmental stores, for instance, which make deliveries over the whole district, so consider it.

The population of that tract is very considerably over 300,000, and the annual growth will be found to be much beyond the 15,000 which our city pessimists now dispute.

This growing population at the city gates constitutes a menace to Toronto in a number of ways, which no businesslike administration will fail to consider.

"Let them build their own sewage system and septic tanks," was the remark of an objector when the necessity was broached of providing for the sewage of the constantly growing population without the wall.

The City of Dublin was distinguished for years by the death rate of 29 per thousand, so long as it refused to unite with the many municipalities from which it was only separated by imaginary lines.

It is unnecessary to argue the point. Economy alone, independently of the risk to health, would dictate union for the protection of common interests. Now that the hot weather has set in, those who object to sanitary measures have no right to expect the protection of Providence from epidemic disease.

These localities require water. An outcry from Toronto Junction has just been recorded, the legislature having refused to permit the creation of artesian wells.

The territory in question includes all the important thoroughfares leading from the city. The electric railway companies are straining every nerve to obtain control of the running rights on these roads, the future streets of the city which is inevitable at no remote date, whether our slow-coaches anticipate it or not. Only by extending the city boundaries to include the territory in question, can these road rights be assured to the people.

It is clear that water and sewage are the two urgent requirements of the municipalities to be annexed, as transportation is the important factor to Toronto.

It is held by many that Toronto should not be expected to assume the unlimited liabilities of paving and ornamenting and otherwise providing luxuries for the suburban districts. It is also believed that the suburbs would refuse to be cuffed unless some advantages were to be gained. It is also generally held that to include the suburban property in the city would increase its average value by 30 per cent. No difficulty should be experienced by the negotiators in arriving at terms under these circumstances.

In the United States and in Britain any land placed on the market for building purposes must first be improved by sewerage, paving, and so forth before the city takes it over. This is thought no hardship in any town where it has been customary. In Toronto, to which an unpleasant epithet has been affixed on account of alleged acquisitive tendencies, there are some who think this almost an outrage. This feeling descends from the time of the boom, when people bought lands of promise with paper money. When real sewers and pavements were to be built the credit of the city was engaged.

A return to business methods might very well be adopted in a spirit of compromise with the suburban districts. Necessary services, such as sewers and water and light, could be supplied them in return for a special assessment, the power to levy which could be obtained from the legislature. This plan would also meet the objection of suburbanites who plead heavy city taxes as an objection to annexation.

Having their necessities provided, if they desired luxuries such as asphalt pavements and concrete sidewalks, these could be provided on local terms, which would protect the city at large. The principle indicated could easily be worked out in detail, and as it has been put in practice elsewhere, anticipatory objections will lose their force. If some such step is not taken when matters are at a stage while negotiation is still possible, the lapse of a few years will impose a burden on the city, from which no relief will be possible.

BILL BOARD DISFIGUREMENTS. After fifteen years of persistent effort on the part of the British National Society for Checking Abuses of Public Advertising the house of commons, by a large majority, has passed a bill conferring on local authorities, both of town and country, power to regulate or forbid any advertising display which affects injuriously the amenities of a public park or pleasure promenade, or disfigures the natural beauties of the landscape. As Mr. Richardson Evans, honorary secretary of the society, observed in a recent interview, the present success of the measure marks the introduction of a new principle into English jurisprudence, which will have an ever-growing influence on the future aspect of the country. "For the first time," he added, "a public statute recognizes the claims of the seeing eye to consideration, and for the first time scenery is treated as a national asset."

Mr. Evans has been the leading spirit in the crusade for the preservation of the beauties of nature from the intruders of the advertising fiend. The society has found a warm friend in Prof. Bryce, British ambassador to the United States, and has also had the sympathy of many advertising firms who were forced against their will into following their more Philistine competitors into the pleasure grounds of the people. It has been materially aided, too, by the action of parliament in giving powers to various cities to protect their amenities from disfigurement.

The bill proposes to make it punishable to place advertisements on private premises without the leave of the owner, and existing notices are exempt for five years from the operation of the act. Among those who spoke in favor of the measure were Lord Evelyn Cecil and Mr. John Redmond, the Irish nationalist leader. A similar movement has been in progress in the United States for some time, and the disfigurement of Niagara by advertisements was cited as an example of what to avoid. The regulation of billboards and their exclusion from every locality where their appearance would destroy or impair its natural attraction ought to be carried out in this province. If regulation is impossible to a proper extent, the alternative is to tax them. As Collier's Magazine observed the other week:

If men wish to mutilate the landscape, they should at least be forced to pay for the profit thereby achieved, at least the amount in taxation they would be forced to pay for other structures. Erect a building and you are taxed more than you were when the lot was vacant. Erect a hideous sign, which horrifies your neighbors and is profitable to yourself, and you certainly should be taxed as severely as may be. Whenever it is impossible to regulate billboards, they should at least receive the mild discouragement of paying their share into the public treasury.

ZING IN DRINKING WATER NOT SUFFICIENT TO HOIST

Waterworks Delegates Discuss Technical Subjects and Enjoy Moonlight Ride.

The waterworks men who are wearing the nice little badges are putting many bits of ginger into their convention by liberally airing their views on the papers which have been prepared for them. Opinions often differ on the technical matters which are holding the attention of the delegates and free expression of opinion seems to be appreciated.

The opening paper yesterday dealt with "Waterworks Plants and the Proper Rates for Domestic and Public Services," by Mr. W. P. Mason, M.L.A. The cost of water used for public purposes should be shared by the whole community, was his main contention.

The action of Water Upon Lead and Zinc was the subject of a paper by Dr. W. P. Mason, M.L.A. He quoted a recent report of the Massachusetts Board of Health as follows:

"The board has investigated the question of zinc in drinking water supplies where galvanized iron pipes are used, and, except in case of the use of some ground water containing very large quantities of free carbonic acid, which dissolves zinc and many other metals very freely, the amount of zinc in ordinary water supplies, where galvanized pipes are used, is not sufficient in the opinion of the board to give anxiety."

The Dr. John Galbraith, LL.D., of the University of Toronto, was appointed an honorary member of the American Waterworks Association.

Today is the day of the experience meeting and numerous subjects will be discussed for the purpose of the association's work is mentioned.

TATTOO AT NIAGARA. Thirteen Bands Provide Program in the Spectacular Event.

NIAGARA-ON-THE-LAKE, June 20. (Special.)—Bedraggled and very tired, Lt.-Col. Mason's column, which left last night to defend the Welland Canal from the expected attack of the Cruikshanks' force, returned to the camp at 8 o'clock this afternoon.

Every man was mustered parade day, his name at roll call, under the eagle eye of the camp paymaster, Captain Shandy, and the names are not on hand or accounted for, they are liable to lose their pay altogether.

To-night the tattoo was held with 12 masses, and the music was engaged. Ten thousand people enjoyed the spectacle, and with the first brazen notes of the national anthem every one arose to attend and cheer. The band was doffed. Even visitors from the other side joined in the demonstration. The Michigan Central ran a special excursion.

In every particular the details as arranged by Lt.-Col. Septimus Denison were carried out to the letter. The sound of the 9 o'clock gun, the united bugles sounded the call "First Post," and as the last roll of the drums died away, emerged the brilliant and illuminated quadrangle, playing a new bugle march, "Niagara," the composition of Eugene Major Elton.

The Second Dragoon Band was first to appear, and played "95," the York Rangers gave "Bonnie Dundee," the 33rd "Montreal" session and the 20th regiment "The Campbell's are Coming," the 23rd their own regimental march, the 31st the "Rambler," the 34th "John Peel," the 41st "Lincolnshire Poachers," 77th "Lion of Givre" and so on.

As each band appeared the others joined in its music. Then all joined in the "March of the Volunteers" giving place to 300 voices of the bandmen, who sang one verse "O Canada, our land a hundred" and "Evening Hymn" followed, and the band "Post" was sounded. Fireworks were lavishly displayed during the performance.

UNITED STATES TIMBER POLICY Motives Actuating and Controlling Timber Reserves.

DENVER, Colo., June 20.—The feature of to-day's session at the public lands convention, held here, was an address by Gifford Pinchot, United States Forester, who said in part:

"The national forest policy as we have it now began when the people of the United States themselves began to realize that the timber was being cut faster than it was being reproduced. After the first national forests (then called forest reserves) were created under the act of March 3, 1907, it began to appear that a few rich men were getting control of vast areas of public timber lands, often by methods which I need not describe, but President Roosevelt saw that it would be vastly better to have some of the timber in the government's hands for the benefit of all the people.

"It is the general scarcity of timber, not the national forests, that is raising the price of lumber to the consumer, and this is proved by the fact that prices have risen far more rapidly in the east, where there are no national forests, than in the west, where there are many.

"Another powerful reason stands behind our forest policy. It is needed to protect the waterheda of streams used for irrigation, for domestic water and manufacturing supply, and for transportation.

"The return from the sale of timber will in the end be very large. We can and do give away large amounts of timber to the small man, who is making his home, but there is only one safe and clean way to dispose of quantities of timber which have been introduced in her deck and cabin arrangements charm all who go aboard of her, while her extraordinary speed and steadiness leave nothing to be desired.

BARELY TIME TO FLEE FROM FOREST OF FIRE

R. R. Gamey, M.L.A., Believes Prospectors May Have Been Caught in Flames.

While it is known that forest fires are raging in many parts of New Ontario, the information which the department of lands and mines has received as yet is so indefinite that it is impossible for Deputy Minister White to say at present how much damage has been done, or how likely to be done.

R. R. Gamey, M.L.A., arrived in the city yesterday after a trip up the Montreal River. He says the fires covered an extensive tract of country that will be greatly surprised if some of the prospectors and settlers in the country were not caught and burned to death.

Mr. Gamey himself was going up the Montreal River to visit his properties, when he met his men coming out of the place where the damage done already at probably \$1,000,000.

So far as is known at present most of the timber destroyed is jack pine and tie timber.

It will be impossible for weeks to come to get a true state of the damage of prospectors that struck out into the wilds early in the spring.

O.O.F. ELECT OFFICERS.

W. T. Junken Grand Master, Robert Fleming Grand Secretary.

LINDSAY, June 20.—At the closing session of the Grand Lodge, C.O.O.F., this afternoon the following officers were elected:

Grand master, W. T. Junken, Fenelon Falls; past grand master, D. A. Young, Montreal; deputy grand master, William Irwin, St. Thomas; grand secretary, Robert Fleming, Toronto; grand treasurer, W. H. Shaw, Toronto; grand auditor, Rev. Dr. W. D. P. Wilson, Belleville; grand medical referee, Dr. H. S. Bingham, Cannington; grand auditors, W. T. Young, Markdale, and C. J. Gordon, Lindsay; grand solicitor, Lyman Lee, Hamilton; grand warden, Harry Bliss, St. Catharines; grand guard, A. Kennedy, Lindsay.

JOE GUROFSKY FREED. And His Friends Almost Mob Him in Eagerness to Congratulate Him.

"Joe" Gurofsky, sentenced to one year in the Central Prison for wandering an Italian last Thanksgiving Day, was released yesterday. He had been in prison three months.

The release is based on a report of doctors, who found that the valves of the prisoner's heart were affected.

He left the prison at 4 o'clock. When his carriage reached Queen-street, he was mobbed by a crowd of well-wishers, who were anxious to greet him. He had home on Queen-street last night the same mob, and the door had to be locked at times.

"I thank the Lord I'm free and that it's all over," he said, "I never knew before how sweet it was to be at liberty. The reception I've had to-day, tho, almost makes me glad that I've had the experience of prison life. I'm up there I was treated with the greatest courtesy consistent with regulations. I had imagined I was going among barbarians, but instead I found myself among gentlemen."

POLICE MAGISTRATE'S JOB. South Brant Conservative Association Favor Ex-Mayor Elliott.

BRANTFORD, June 20.—(Special.)—The executive of the South Brant Conservative Association, who met at S. Brewster, defeated candidate at last provincial election, to recommend the appointment of ex-Mayor Thomas Elliott as police magistrate.

Magistrate Woodruff, who was asked to resign by the government, has not yet done so.

TO INVEST MILLIONS. French Syndicate Willing to Spend \$15,000,000.

MONTREAL, June 20.—(Special.)—Hector Pantheon, head of the Paris office of McIntyre, Son & Co., is in the city and states that a syndicate at Lille, France, has \$15,000,000 to invest in Canada, and that their representative has already reached the Dominion.

WILL ERECT CHURCH. Congregation of St. Paul's English Lutheran Will Have New Home.

At the monthly meeting of the church council of St. Paul's English Lutheran Church steps were taken to commence the erection of a church and parsonage on the newly-acquired site on Markham and College-streets early in July.

OPPOSES CHANGE OF NAME. Historic Name of Colony Should Remain.

LONDON, June 20.—Lord Elgin, in addressing the Corona Club, London, expressed his disposition to change the historic name of colonies for "dominions." He was also opposed to drawing any strict line of division between the self-governing and crown colonies.

THE SHIPMAN SYNDICATE. Stockholders of the Sweets Shipman Theatrical Co. Voted an Increase of Capital of \$250,000.

Ernest Shipman was elected general manager for the coming year.

BOND SALLS TO-DAY. LONDON, June 20.—Premier Bond calls for home to-morrow by the Virginian.

EXPERT IS OPPOSED TO VIADUCT SCHEME

Cost and Other Things Against It—Beach Residents and Water Supply.

Pending the completion of the report of the board of trade's engineer the exact contents of report of Barclay Parsons are not being given publicly, but the provision made for the retention of York-street bridge and for bridges at Yonge and Church-streets make it clear that the viaduct scheme didn't figure in the draft. The facts understood to have weighed against the project are the cost, estimated at \$3,000,000, the fact that only four tracks could be accommodated and that shunting would not be prevented. The cement pillars also would affect the lighting of Esplanade establishment.

A deposition of residents of Baimy and Kew Beaches complained to the board of control yesterday of the screechings of a foghorn in Scarborough Beach Park at night; that the park drew so much water that the supply for the district was quite inadequate. It was also objected that a strong current of air in one of the park attractions caused the skirts of lady operators to get beyond control, with embarrassing results.

A by-law providing for the laying of a larger water main in the district will shortly be submitted.

Improvements to be submitted this summer will provide for the raising of \$710,000. The action was taken by an engine at the John-street station; a \$100,000 engine for the high level station and new mains for the north and south-west and one on East Queen-st.

Deputy City Engineer Fellows, referring to the low water pressure in the western section of the city, due to the depth of water in the reservoir having been decreased from 20 feet to 10 feet, says that no improvement can be promised until the tunnel to the island is completed.

J. Ross Robertson, the donor of a number of valuable historical paintings to the city, has agreed to allow his name to be placed thereon as a guarantee of the authenticity of the pictures.

A full-grown African pelican has been added to the attractions at the Riverside Zoo.

NEW BATCH OF K.C.'S. About Two Hundred Lawyers Have Been Recommended.

One of the duties which the provincial government has to get off its hands before Premier Whitney leaves for his old country trip on July 1 is the appointment of King's counsel.

Among those who have been recommended are:

Toronto—Charles Miller, E. J. Hearn, N. Cash, W. E. Middleton, E. R. L. Starr, C. A. Maston, E. W. J. Owens, R. Neville, L. McCarthy, Seymour Correy, Claude Macdonell, M.P.; James H. L. Drayton.

London—Joseph C. Judd, Percy Moore, Elliot, E. T. Essey, N. P. Graydon, R. Fisher.

Hamilton—S. D. Biggar, John Gault, F. R. Waddell and J. G. Farmer.

Windsor—Ernest Wigle, A. St. George Ellis, J. W. Hanna and O. E. Fleming.

Guelph—J. J. Drew and W. H. Cullen.

The entire list contains about 200 names, but it is hardly likely that a majority of these will get the title.

REST FIELD FOR HORSES. Humane Society Appoint Committee to Carry Out Project.

There are glorious prospects for a happy holiday for the horses that come under the notice of the Toronto Humane Society this summer. A project is on foot for securing a suitably located, well-watered field to be used as a "rest" for poor and suffering horses.

A committee composed of Mrs. Body, Mrs. S. J. Wood, Mrs. Taylor, Miss Viko and Miss Elliott has been appointed to carry the matter thru immediately.

The board of managers of the society met yesterday, and \$402 was reported as the proceeds of the garden party given by Mrs. Larratt Smith in aid of the society.

Miss Viko reported that she had interviewed Park Commissioner Chambers and that he had promised to improve the animals in the Riverside Zoo.

Discussion arose over the case of a baker on account of ill-treatment of his horse. It was decided to again bring the case to the attention of Chief Grainger, and if that is of no avail, to unite the whole locality in a petition.

DEATHS IN THE CITY. Deaths registered at the city hall yesterday were:

George Stephenson, 65 years, pneumonia. Clara Ellen Ellett, 18 years, chloroform poisoning.

Florence Cronk, 1-1/2 years, intestinal worms. Arthur Bennett, 53 years, peritonitis. Isabel Gaskill, 62 years, endocarditis. William Henry Cheshire, 78 years, cardiac disease.

Jane Graham, 80 years, old age. Emily Rae, 1-1/4 years, diphtheria. Donald Rae, 8 years, diphtheria. Charles Smith, 82 years, old age. Ethel Mary Craig, stillborn. Amos Switzer, 30 years, hemorrhage. Hugh Cameron, 7 years, diphtheria.

LAKE NIPISSING AND THE FRENCH RIVER. The unimproved attractions that are combined in the region known as the Lake Nipissing and French River district are fast becoming known to the sportsman, and each year sees an enormous increase of fishermen and hunters making these confines their objective point.

The wild and rugged grandeur of its scenery, the health-giving properties of the atmosphere, the primeval wilderness of the surroundings, and its splendid fishing and hunting grounds, are attracting those who do not care for the gayeties of the modern summer resorts, and prefer the untrodden forests, and the pleasures to be derived in outdoor life. North Bay on the line of the Grand Trunk, 27 miles north of the Grand Trunk, starting point for this magnificent locality, and the splendid train service operated by this company makes the district easy of access.

STRIKERS MUST STAND TRIAL. Buckingham Rotors to Be Tried For Killing Detective.

MONTREAL, June 20.—(Special.)—In the court of appeals to-day Justice Tremblay decided that the six Buckingham strikers who are charged with manslaughter must stand their trial. The indictment had been quashed by the district magistrate at Hull on the ground that the regular ten cent stamp was not affixed.

TEAMSTERS STRIKE. MONTREAL, June 20.—(Special.)—This morning some three hundred of the teamsters employed by the Dominion Transport Company struck work for an increase in the wage basis of \$1.75 per day and 20 cents per hour after 6 p.m. They are now getting \$1.60.

HARRY GAYS MOVES UP. Ottawa, June 20.—(Special.)—Harry K. Gays of the Ottawa and New York Railway has been made general passenger agent to succeed G. H. Phillips, recently made superintendent.

TO CENTRAL FOR FOUR MONTHS. For stealing \$125 worth of copper from Thomas Davies, John Naumkin was sent to the Central for four months by Magistrate Denison yesterday.

T. EATON CO. LIMITED

Store Closes Saturday 1 o' Clock DURING JUNE, JULY AND AUGUST

Here's An Extra Fine Eatonia, Men

Secured an extra high grade of fine kid—a great foundation for such dressy smart shapes of the season—Blucher cut. Goodyear welted soles. For style, comfort, wear and all round satisfaction here's a shoe second to none—and \$3.00 is certainly wonderful value.

Pair \$3.00 SECOND FLOOR—QUEEN STREET.

AT OSGOODE HALL ANNOUNCEMENTS FOR TO-DAY.

Chambers. Cartwright, master, at 11 a.m. Judge's Chambers. The Hon. Mr. Justice MacMahon, at 10.30 a.m. Iron City Coal and Coke Co. v. Duthis. Obtained Judgment. Andrew Wilson & Co., on motion before Master in Chambers Cartwright, obtain speedy judgment against I. N. McDonald, a Toronto tobaccoist, on claim for a balance of account of \$1209.47.

Overlooked. Charles S. Warren brought a suit against D. W. Karn & Co. of Woodstock, over certain testimonials of Warren's alleged to be held by the company. The action was taken at Woodstock in April last, but the setting down was overlooked. The defendants moved before Master in Chambers Cartwright to dismiss the action for want of prosecution. Upon the plaintiff undertaking to go to trial at the next Woodstock sitting, the motion was dismissed. The costs were given to the defendants in any event.

Why Don't You Try? At the request of Jerome H. Remick & Co., Chancellor of the weekly court, gave judgment restraining W. H. Parker and Sydney Parker, surviving members of the firm of George Parker & Sons, Kingston, from publishing without the consent of the proprietors, of the copyright, the musical compositions known as "Happy Helms" and "Why Don't You Try?" The defendants are to pay costs fixed at \$60.

Hard to Find Him. Susan Buckner has an action pending against John Buckner and Lottie Jennings, claiming alimony and also to have a certain conveyance set aside as fraudulent and void. Five times futile efforts have been made to serve Buckner with the writ. Upon application to Master in Chambers Cartwright an order was granted for substitution of service.

Banker Deals in Stocks. J. W. Scott, a private broker of Listowel, and S. M. Hay, a Toronto physician, in 1899 entered into an agreement to jointly purchase the assets of the Pacific Coast Mining Co. Scott advanced about \$58 on the transaction. In 1904 everything not being satisfactory, Scott issued a writ asking for an account of the dealings of Hay with the stock. The action not having since been prosecuted, Hay moved before Master in Chambers Cartwright for an order dismissing the action. Judgment is reserved.

DEATHS IN THE CITY. Deaths registered at the city hall yesterday were:

George Stephenson, 65 years, pneumonia. Clara Ellen Ellett, 18 years, chloroform poisoning.

Florence Cronk, 1-1/2 years, intestinal worms. Arthur Bennett, 53 years, peritonitis. Isabel Gaskill, 62 years, endocarditis. William Henry Cheshire, 78 years, cardiac disease.

Jane Graham, 80 years, old age. Emily Rae, 1-1/4 years, diphtheria. Donald Rae, 8 years, diphtheria. Charles Smith, 82 years, old age. Ethel Mary Craig, stillborn. Amos Switzer, 30 years, hemorrhage. Hugh Cameron, 7 years, diphtheria.

KILLED BY PITCHED BALL.

Five-Year-Old Boy Dies From Injury Received at Ball Game.

QUELPH, June 20.—(Special.)—Arthur, the five-year-old son of Mrs. Arthur, who was accidentally struck on the head by a ball a week ago, died this morning.

At the time of the accident the lad was watching a game of ball in the Church League square, when a pitched ball went wide and struck the little lad on the head.

NINETY-FIRST BAND SATURDAY. Noted Musical Organization Will Appear at Hanlan's.

As an extra attraction at Hanlan's Point for Saturday (to-morrow) afternoon and evening, the 91st Highlanders' Band of Hamilton has been engaged.

This is the first appearance of this noted musical organization in Toronto.

Their coming here will no doubt be appreciated by all lovers of high-class band music.

The concert will start at 8 and 8.30 p.m. The free attractions, consisting of the Five Bonisettes, the refined acrobatic symphony orchestra, and the musical comedy, will be given free of charge.

Canadian Venue. Muskoka: a name to conjure with an elysium of all that can be desired in a summer resort.

The Grand Trunk Railway system, fully alive to the importance of the Muskoka Lakes as a pleasure resort, offers during the tourist season a most complete service from Toronto.

Express leaving Toronto at 11.20 a.m., arriving Muskoka Wharf 2.55 p.m., is acknowledged by experienced travellers to be the finest passenger service from Toronto.

Its equipment of beautiful coaches and buffet parlor of beautiful service, its magnificent cars, a la carte service, and buffet parlor of beautiful service, its magnificent cars, a la carte service, and buffet parlor of beautiful service.

OTTAWA, June 20.—(Special.)—M. Tanet, whose suicide in Paris is mentioned in the press despatches, had been two years in the employ of the Dominion archives in the employ of the Dominion archives in the employ of the Dominion archives.

He was a young man on his first trip and his name could not be ascertained.

Deck Hand Drowned. CORNWALL, June 20.—(Special.)—A deck hand on the R. O. Navigation Company's steamer Prescott fell overboard and was drowned last night just as the boat was entering lock 19.

He was a young man on his first trip and his name could not be ascertained.

Dental Association Meeting. GANANOQUE, June 20.—The thirteenth annual meeting of the Eastern Ontario Dental Association was held here to-day.

Dr. E. A. McCordick of Ottawa was elected president for the next year, and Dr. W. H. Davis of Morrisburg was re-elected secretary-treasurer.

Fenelon Falls. The thriving village of over 1500 inhabitants is situated immediately between Cameron and Sturgeon Lakes.

It is the most beautiful of that charming chain of lake and stream, which forms the direct route of the "Kawartha Lakes" waterway.

Being within eighty miles of Toronto, and on the line of the Grand Trunk Railway, Fenelon Falls enjoys all the advantages of a first-class lake service, such as lake and steamboat connections, as well as many other advantages.

The tourists who choose to live in the vicinity of Fenelon Falls, with its scenic beauty, and which can be easily reached from here, even daily, by tourists who choose to live in the vicinity of Fenelon Falls, with its scenic beauty, and which can be easily reached from here, even daily.

By the Grand Trunk City Office, northwest corner of King and Yonge streets, and ask for illustrated booklet, free on application.

Dineen's

140 Yonge Street At Temperance St. "QUALITY CORNER"

HORSE "SHOCKED" BY RAILS.

Startling Theory to Account For Two Recent Accidents.

Can a horse be "shocked" while crossing street railway tracks? And have two recent accidents, when expert horsemen have been thrown and seriously hurt, been due to this cause?

Ten days ago Louis Jones was badly hurt when his horse fell on West Queen-street. The horse was near a trolley-car, which just started as the horse went down on the track, which was wet.

A woman passenger on the car says she saw sparks come from the man's body. Also, it is pointed out that it required several men to control the animal, and that next day a groom, who has been used to riding it for years, found it was beyond him to direct its course in a dizzy ride thru city streets.

A few nights ago, Mr. Campbell, a Calgary ranchman, was thrown near the car tracks on Front-street, near Peter, although he has been used to horses, and the animal he was riding was his own. The horse also was hard to capture and restrain, as the suffering unusual excitement.

Veterinary surgeons say they know of no cases of "electrocution," such as is suggested, while experts in electrical matters declare it would be impossible to get a current from the rails.

Mr. Jones is becoming convalescent now under the care of Dr. Heggie, while Dr. Beatty reports Mr. Campbell's condition as improved, although he is still unconscious.

OBITUARY.

Frank Rubbra. The announcement of the sudden death of Frank Rubbra at Red Deer, Alta., will be received with deep regret by a host of friends in Ontario and in the west. He was an old Toronto boy who went to the Territories and served for some years with the Mounted Police at various posts. He and his brother Charlie enlisted from the police with the Canadian Mounted Rifles for the South African war. He contracted fever during the campaign, and since his return had felt its effects, although apparently strong and always of a most happy disposition. He was attacked with heart trouble on the 12th inst., and before his brother, who is in business at Wistarskwin, could reach him, had expired. He was 33 years of age and leaves a widow and three children, one little girl of 3 years and twin boys a month old. He was second son of Alfred Rubbra, now resident in Montreal, and his brothers are Alf, Rubbra of Toronto; Charlie, Wetaskiwin, Alta.; Percy, now traveling in the Northwest, and sisters, Mrs. Anthony, St. Catharines; Mrs. H. Daw, Birmingham, England; and Miss Maad, Toronto.

Mrs. M. McKinnless. After an illness of a few weeks, the death occurred of Mrs. Margaret McKinnless, widow of the late John McKinnless, at 191 Hamilton-street. She leaves one son, Samuel Dale, and five daughters, Mrs. H. Albert Green, Mrs. William Jamieson, Mrs. James Fraser of Rochester, N. Y., Mrs. J. T. Somerville, and Miss Angela McKinnless of Toronto. The funeral will take place this afternoon, from above address, at 2:30 p.m., in the Necropolis.

Miss Arabella Prince. WINDSOR, June 20.—Miss Arabella Prince is dead from complications developing from a fall down a flight of stairs. Miss Prince was 73 years old, and the last member of the famous Prince family.

John Colley. John Colley, a pioneer resident of Toronto, died on Thursday at his home, 255 Campbell-street, after an illness of six months. He carried on business as a contractor for years.

Starting Four Trips. The Hamilton steamers Modjeska and Magasa are now on a four trip schedule between Toronto and Hamilton, commencing to-day. The hours of departure are, from Toronto, at 7:30 and 11 a.m., 2 and 5:15 p.m., from Hamilton at 7:45 and 10:45 a.m., 2 and 5:15 p.m. This change gives two trips in the morning, instead of one, the 9 a.m. trip from Toronto and the 8:30 a.m. trip from Hamilton being discontinued.

Accused of Murder. STRATFORD, June 20.—(Special).—The coroner's jury to-night found Harry Lockyer responsible for the death of Noah Hill in Saturday's fight.

ACCIDENT AT MARKHAM HAILSTORM DOES DAMAGE

Several Lawn Socials and All Successful—Live News From All Over the County.

MARKHAM, June 20.—(Special).—Mrs. Greenbury of Stouffville died here to-night from concussion of the brain caused by being thrown from a buggy on Monday night.

Mrs. Greenbury, who was visiting her daughter, Mrs. Wesley Johnson, at Markham, was driving with another lady, when their horse took fright at an automobile approaching at no more than four miles an hour. The auto was said to contain a Mr. Bowers of Toronto, another gentleman and two ladies.

Mrs. Wesley Johnson was driving the horse, and when it exhibited nervousness she got out to hold it by the bridle. The animal, however, broke away and ran up the street, throwing Mrs. Greenbury out in front of the Tremont House. She fell on her head, sustaining concussion of the brain. The buggy went over her and she was injured internally.

Dr. Robinson, coroner, was called and pronounced the case hopeless. Dr. J. H. Macdonald was also in attendance. Mrs. Greenbury lingered till 8 o'clock to-night, when she died. County Constable Burns was ordered by the county crown attorney to go to Markham today to investigate, and an inquest will probably be held.

EAST TORONTO. High School Pupils Will Contest in Oratory.

EAST TORONTO, June 20.—Paterson Brook are donating a prize of \$40, to be equally divided between Markham and Scarborough fairs for the best spring oratory, which will be held on Wednesday evening, June 22.

Miss Ethel Hughes, who has been attending Loretta Abbey, is to be congratulated on her success in oratory at her graduating medal she received a gold medal for proficiency.

AURORA. Liberals Anticipate Great Time Tomorrow.

A reform picnic will be held in the Town Park, Aurora, to-day. There will be games and refreshments will be served. Addresses will be delivered by the following: Hon. A. B. Aylesworth, Hon. Rudolph Lemieux, Hon. George P. Graham, Fred Underhill and F. G. Inwood. H. S. Crane, president of the North York Reform Association, will preside. There will be a band concert in the evening.

F. G. Inwood, the Liberal organizer, has arranged the South Norfolk convention, at Port Rowan, on Friday, June 23; Hon. G. P. Graham will speak.

SCARBORO. St. Andrew's Church Have Gala Time—Sports and Sermons Both Good.

SCARBORO, June 20.—What has proved to be an annual anniversary held in connection with St. Andrew's Church, Scarborough, was that on Sunday and Monday. The services were most enjoyed by Rev. J. Leslie Boyd of Sutton West, and were much appreciated. His eloquent and earnest messages will not soon be forgotten. The choir of Knox Church, Agincourt, furnished the music at the evening service, and their singing was to be commended.

On Monday the annual picnic and social was held. The field games and sports in connection with the picnic were an excellent one. A very pleasant feature of this anniversary was a presentation to Mr. and Mrs. Robert Martin, who have been long associated with St. Andrew's, but who recently moved to East Toronto. Mr. Martin acted as treasurer of the congregation for sixteen years. Mr. Alexander McCowan, M.L.A., read the address, and Mr. William Green made the presentation on behalf of the congregation.

UNIONVILLE. Markham Farmers Suffer Heavy Losses—Hail Sweeps Fields.

UNIONVILLE, June 20.—(Special).—Reports received within the last day or two show that the storm which passed over a portion of the Township of Markham at a late hour on Tuesday night was more severe than at first thought. The downfall of hail was terrific, and almost everything in the line of travel was ruined. The storm evidently had its origin somewhere in the neighborhood of Richmond Hill, and passed in a southeasterly direction, thru the township, cutting a swath anywhere from one to two miles wide, until it finally exhausted itself in the northeastern part of the Township of Scarborough. The greatest damage appears to have been caused in the neighborhood of Hagerman's Corners and northwestward for a distance of about two and one-half miles. On the fine farm of Thomas Underwood, the spring crops were greatly damaged, while many of the fine cedar and ornamental trees, with which the place is studded, were blown over and destroyed.

John Cowperthwaite and C. N. Hagerman, on adjoining farms, are also said to be heavy losers. Considerable damage was also done to the crop on the farm of John Young, while the smaller of the two barns was partially unroofed. R. J. Cunningham's barn roof was blown off, and a valuable colt struck by a falling board and killed. Mr. Cunningham's crops, as well as those of his neighbor, Mr. Middleton, were badly destroyed, as were those of James Cowperthwaite, Ed Dixon, Mr. Lunan, H. Middleton and the adjoining farms. Jonathan Lunan's barn was partially unroofed. Farther west the barn of Mr. Nees was moved bodily about 4 inches. The storm followed largely in the track of one even more severe which passed over this section of the country a number of years ago. In the village the storm, while severe, did no particular damage.

THORNHILL. Heavy Barn is Moved by the Wind—Siles and Trees Generally Suffer.

THORNHILL, June 20.—The storm on Tuesday evening made things quite interesting for a while. Several fruit, as well as other, trees, three siles and a barn roof were blown down, and several windows broken.

William Nees sr., concession 2, Markham, reports that the heavy wind moved his barn 4 inches on its foundation, the wall being newly built, was cracked in several places, while the pigeon was completely demolished.

Rev. G. McKinley, who has been pastor of the Methodist Church here for the past four years, will remove to Bolton in the first week in July. Rev. G. W. Robinson, general secretary of

CONSIDER CHARACTER IN SUMMER CLOTHING

All men acknowledge that the character of one's clothing is an index of one's mode of life. The best men wear the best clothing. Our TWO-PIECE SUITS represent the finest tailoring in the country and are made of a material that is often better than costly custom-made suits. They retain their shape throughout the season, and never lose their correct dressy appearance.

In English FLANNELS AND WORSTEDS, all shades of grey, shadow plaids and herringbone effects. Prices range from \$12.00 to \$18.00. Special value at \$15.00.

MEN'S SUMMER FURNISHINGS—Underwear, Hosiery and Neckwear, in proper weights, correct styles and fair prices.

WEXFORD. Anglicans Hold Successful Lawn Social at St. Jude's.

WEXFORD, June 20.—(Special).—The lawn social and concert held under the auspices of St. Jude's Anglican Church, on the grounds of Harvey Armstrong, on the York townline to-night, was an unqualified success. Following the refreshments, which were served on the lawn, an excellent concert was given by local and city talent. The grounds were brilliantly illuminated and presented a handsome appearance. Mr. and Mrs. Armstrong and an able staff of waiters were busy in their efforts to cater to the wants of the visitors. Between 400 and 500 were present, and the receipts were very satisfactory.

DOWNSVIEW. Great Day For Downview—Good Program at High Park.

DOWNSVIEW, June 20.—The Sunday school of Downview Methodist circuit, Downview, Elia and Fairbank held a union picnic to High Park to-day. A program of sports was carried out, the feature of which was a tug of war between Downview, captained by Nelson Boylan, and Fairbank by William Pearson, in which Downview were victorious. Downview football team defeated a team composed of Fairbank and Elia players by a score of 8 to 1.

The pastor, Rev. E. Baker, directed the several events.

SCARBORO Old Boys. The annual reunion of the Scarboro Old Boys, at Highland Creek, on Saturday afternoon, bids fair to be a great event in the history of the association. The Toronto & York Radial Railway will give a special service from the Woodbine, and, given good weather, there will be a record attendance.

WYCHWOOD. WYCHWOOD, June 20.—Trumpeter Fryer of the 9th Mississauga and a Wychwood boy who is in camp at Niagara, is reported ill with pneumonia.

York County. A meeting of the general executive of the York Township Local Option Association will be held in room 22, Confederation Life Building, on Friday, June 21, at 2:30.

WILL BE NO STRIKE. Difficulties Between Western Union and Operators Settled.

NEW YORK, June 20.—As the result of the visit of Mr. Neill, commissioner of labor, and following suggestions made by him, an adjustment of the difficulties between the Western Union Telegraph Company and its operators has been reached, and there will be no strike.

Telegraph Company Indicted. ALBANY, N.Y., June 20.—Two indictments against the Eastern Telegraph Company of Albany were handed down by the grand jury in the county court here to-day, on charges of being a common gambler and keeping a gambling establishment.

Want to Cancel Charter. VICTORIA, B.C., June 20.—(Special).—The corporation of the City of Victoria has made an application in the supreme court to cancel the charter of the Victoria-Sidney Railway.
