Kirk-Session Report.

The Kirk-Session reports with thankfulness that the spiritual state of the congregation, as manifested in many ways, affords much that is encouraging and gratifying.

During the year 40 persons have been received into full communion with the church, on profession of faith; 32 by certificate; and 10 who had lapsed through carelessness have been restored—making a total of 82.

On the other hand 6 have been removed by death and 17 have left the city—making a decrease of 23.

The Communion Roll now numbers 426. This does not include students.

There have been during the year 45 baptisms, nearly double the number of last year; 13 marriages and 15 deaths.

The Kirk-Session feels that they and the congregation have been greatly bereaved since their last Report was made. Scarcely had the year begun when Mr. John Fraser, one of the oldest members of Session, and held in high esteem by all who knew him was taken away; and before it closed another vacancy was made in the Session by the death of the Reverend Dr. Bain, who, though his connection with the church was of recent date, had endeared himself to all. "The Lord gave, and the Lord hath taken away; blessed be the name of the Lord."

The Kirk-Session congratulates the congregation on the near prospect of entering new St. Andrew's, and fervently prays and confidently anticipates that it will be in truth a holy place to many a life, round which many a sacred memory will cluster, and the centre of benevolence and beneficence radiating to a circumference seen only by God.

In name of the Kirk-Session.

J. MACKIE, M.A.,
Moderator.

January 29th, 1890.

Report of the Board of Managers.

ONTARIO HALL, 29TH JAN'Y, 1890.

The Managers beg to submit the annual financial statement herewith. The receipts for strictly congregational purposes show an increase over the previous year of \$215.06. This increase, while it has not been sufficient to meet all the expenditure, indicates a hopeful condition of affairs.

We notice a considerable addition to the Supplementary Revenue, and as Mr. R. S. Dobbs has kindly consented to act as the Treasurer of this fund in future, we confidently anticipate still more encouraging results.

We look forward with great expectations to occupying new St. Andrew's Church, now nearing completion, and feel assured that there is a brighter future, a larger increase, and a more vigorous life for all the features of our church work than it is possible to estimate.

It is with pleasure that we recommend the following gentlemen as members of the Reception Committee:—Messrs. Thos. Donnelly, Wm. Gill, W. T. Minnes, John Polly, Geo. Sommerville, W. R. Taylor, W. Thompson, Andrew Brown, R. Sinclair, John Hendry, Alex Robinson, Jas. Minnes, Jr., G. A. Macdonald, Frank Ireland, C. Strange, Wm. Nickle, R. Creighton, and F. Patterson. These gentlemen, we have no doubt, will so arrange their duty that strangers and the congregation generally may be promptly and comfortably seated at Divine Worship.

The retiring Managers are Messrs. C. Hamilton, A. Ross, W. G. Craig, Jas. Minnes, who are eligible for re-election.

All which is respectfully submitted.

T. D. MINNES,
Secretary.

W. G. CRAIG,
Chairman.

There are 251 scholars on the roll, and the average attendance has been 187. The small attendance has been due to the inconvenient place of meeting, and also to the number of wet and stormy Sundays. 220 scholars committed to memory verses of Scripture, and 190 studied the Shorter Catechism.

The Women's Home Association have pleasure in reporting that during the past year their meetings have been largely attended ; that the liveliest interest in the affairs of the Society has been manifested ; that there has been a plentiful supply of willing and well qualified workers ; and that no inconsiderable work has been done.

The members of the Association to whom districts have been assigned have visited the families in them at least once every month. When sickness or the infirmities of age have required it, their visits have been frequent, always willingly paid and gratefully received.

Over 200 Records with St. Andrew's Notes have been circulated monthly during the year, keeping every household fully informed of the work and wants of the Church and the congregation. It is pleasing to report that owing to the satisfactory state of the funds the price of the Record with Notes has been reduced.

A stained glass window has been placed in the Church at a cost of \$1,000. The scene depicted is that of the Apostle Andrew introducing the Greeks to Christ. The design may be said to be that of the Association, and it has been very well executed by Messrs. Castle & Son, Montreal. It is hoped that it will be considered suitable, and will meet the approval of the congregation.

For upholstering the Church a house to house collection was made by the Association, instead of holding a sale, and the result has been satisfactory. Cushions of the best material covered with crimson damask are now being provided for every pew.

Additional communion plate, two cups and six salvers, has also been furnished, for which a subscription was made chiefly by the communicants.

Silver collection plates have also been supplied out of the funds of the Association.

Towards the salary of the City Missionary one member of the Association has received \$48.75.

The collections for the Schemes of the Church have not yet been completed, but it is hoped that there will be no falling off if there be no increase. \$1,000 a year for the missions of the Church is what the Association is aiming at, and which it will reach in the near future if not this year.

It is with much regret that the Association reports that owing to change of residence for a time, Miss Strange has resigned the office of Recording Secretary, the duties of which she discharged so admirably for many years. The Association feels that it owes a debt of gratitude to Miss Strange and looks forward to welcoming

her back. In conclusion, the Association expresses the hope that in new St. Andrew's the divine spirit of charity, self-renunciation and ceaseless activity may pervade the life of every member, young and old; that the Association may be increasingly helpful to the Church; that through us as individual Christians, and as a Christian Church, the kingdom of Grace may come to many a life and be greatly advanced in the lives of all believers, that the divine origin and abiding benediction of heaven upon the Church may be clearly manifested to all.

In name of the Women's Home Association.

Secretary and Organist.....Alexander Milne.
Librarian.....J. Halliday.
Teacher Bible Class.....A. McPherson.

Teachers—Misses Fisher, Patterson, Kennedy, Davidson and McKenzie, and Messrs. T. Scott, W. Kennedy and W. Gill.

There are 54 scholars on the roll, and the average attendance has been 45. 31 study the Shorter Catechism. The International Scheme of Lessons is used.

During the past year we lost Mrs. Fisher, one of our teachers, owing to her removing to the city.

We have a Library of say 120 volumes.

We thank our Heavenly Father for His goodness during the past year, and also St. Andrew's Church for their interest in asking for this report.

By the statement of this account submitted herewith it will be seen that the amount of cash on hand 31st December, 1889, is \$1925.08; that the subscriptions now due and unpaid amount to \$235, to which, as usual, is added the cost of the small organ in use, viz., \$200, making a total of \$2360.08. This sum, deducted from the amount due on organ, \$4260, leaves a balance of \$1899.92 to be provided for, which will be required as soon as the organ is finished.

The amount collected for the year is \$193 85 less expenses \$3 72, is \$190 13, which has been paid to the Treasurer of the Ordinary Fund.

There are a number of contributors whose names do not appear, owing to their having supplied themselves with new envelopes without handing in their names. The number of the envelope only is given.

This fund will in future be in charge of Mr. R. S. Dobbs, who has kindly accepted the office of Treasurer.
