PORTLAND, MR, Dec 12th—There has been a rash to get vessels off and cargoes landed in Guba prior to Jan 1st, when increased duties are placed upon imports to that place. There will be a lull now, as there is little offering. Among the charcos is the schr Marcia Reynolds, to load at St John, NB, for North side of Cuba, at 34 ets for box shooks. The coastwise demand for tonnage has fallen off, the closing of navigation at Bangor tausing more vessels t stop here. Lumber rules to Boston, \$225; to New York and Sound ports, \$3 to \$3 25.
