DRY KILN, DOOR AND BASH FACTORY
CAMPBELLTON, N. B.

BRAYER BOARD.
If you are building or going to complete, some unfinished rooms, let us show you some colored samples, illustrating the beautiful color effects obtained by using this sanitary and durable board for walls and ceilings in all classes of buildings.
We carry a large stock in assorted sizes.

MAIL ORDERS.
We solicit out of town orders which receive our personal attention. The length of time taken to fill orders is governed very largely by how busy we are in the department of our factory in which the particular goods are made. While we have exceptional facilities for promptly turning out goods, it is important to place orders as far ahead as possible. Orders are filled by us in the retention in which they are received, and customers can always depend on our doing everything in reason to give prompt despatch.

**Our Office is connected with the N. B. Telephone by two separate lines insuring prompt attention.
Office Hours—7 A. M. to 6 P. M.**

CAMPBELLTON HOLDS NAPIER TROPHY

First Games of Series Create Great Interest Here and at Bathurst.

The first games for the Napier Trophy were played at the curling rink at Bathurst and Campbellton last evening and much interest was manifested at both towns.

At Campbellton the games ended first with a lead for the home curlers of eleven points. Later the results at Bathurst showed that at that town Campbellton had also a lead of eleven points or twenty-two in all, thus keeping the cup at home this year.

The scores were as follows:—

AT BATHURST.	
Bathurst	Campbellton
O'Donnell	12 A. McDonald 11
Shirley	8 Capt. O. Mowat 20

AT CAMPBELLTON.

Bathurst	Campbellton
Branch	8 Reid 20
Burns	15 Allingham 12

After the games the visitors were entertained.

MATAPEDIA BOY DIED OF WOUNDS

Was Twice Wounded Before Receiving Fatal Wound—A Brother in Service

It was officially announced some time ago of the death of Pte. Hudson A. Harvey of Matapedia, P. Q. who enlisted in Campbellton on September 9th, 1915. He went to Sussex where he was drafted into the 55th Battalion. After being in England a short time he

CHANGES IN POLICY AT OPERA HOUSE

Program to be Changed Every Second Day—Array of Big Feature Pictures.

On next Monday, commencing with the showing of the Evelyn Nesbit Thaw picture, the policy at the Opera House will be changed, instead of every day, each program will be shown for two days. Changes being made, Monday, Wednesday and Friday. Mr. McRae the new manager announces that he has been successful in securing for presentation here an imposing array of special productions, together with a higher grade of features than shown here in the past. The Goldwyn bi-weekly special service. The Vitagraph, Blue Ribbon, and Fox standard productions will form but a part of the regular program.

Some improvements will be noted in the manner of conducting the theatre. A new screen has been provided, the projection apparatus brought up to date, a new system of ventilation installed and a talented orchestra engaged to render appropriate music, to the picture.

Some of the stars appearing here shortly are: Mae Marsh, Annette Kellerman, Mary Garden, Madge Kennedy, Kitty Gordon, Maxine Elliott, Jane Cowl, Mabel Normand, Theda Bara, Evelyn Nesbit Thaw, Peggy Hyland, Olga Petrova, the Lee Kids, Francis X. Bushman, Harold Lockwood, Henry B. Walthall, Warren Kerrigan, George Walsh and numerous others.

Following is a list of some of the specials scheduled for presentation here in the near future.

FORMER CAMPBELLTON HOTEL MAN DEAD

Mr. Andrew Gorman Once Manager of Waverly Hotel Died at Amherst.

The sad news was received here yesterday that Mr. Andrew Gorman who for some time was proprietor of the Waverly Hotel here, and who suffered a heavy loss when it was burned two years ago, had died at his home at Amherst Tuesday morning. Mr. Andrew Gorman was manager of the Robertson House, of Bathurst, N. B., which was destroyed by fire a few weeks ago. He contracted a severe cold at the time and had since been confined to his home at Amherst, N. B. He was well known throughout the Maritime Provinces and to the travelling public, and many will regret to learn of his death. He is survived by his wife and four children, who reside at Amherst, N. S. They are Catherine and Helen, attending the Convent at Chatham, N. B., Harold and Oakville, at home; also three brothers and one sister, Patrick, of Nelson, N. B.; Thomas of Bathurst, N. B.; Jerry, "Somewhere in France," and Mary, of Nelson, N. B.

DALHOUSIE DRUG STORE ROBBED

Some one With a Thirst Carried off Liquor and Cigars.

Dalhousie, March 20th. Police—Henry Arsenault was making his last tour of the lower end of the town after midnight on Sunday when he noticed a bottle in the snow between two buildings. He was surprised to see a full bottle of liquor. This led to his discovery of the Clifford Pharmacy having been robbed on Sunday night after the street lights were out. Mr. Clifford was immediately notified and upon his investigation of the premises it was found that someone had entered the store by a side window and had removed all the liquor, about fifteen bottles and some cigars. The Clifford Pharmacy have the new dorpship of liquor for the town of Dalhousie.

RATEPAYERS MEETING

FAVOR BOND ISSUE

Shiretown to Buy Mill Site and Extend Water and Electric Plants.

The meeting of the Dalhousie ratepayers which was held on Tuesday evening in the Opera House was well attended. There was a good sprinkling of ladies present.

Mayor Stewart occupied the chair. Ex-Mayor Montgomery and E. R. Richard, solicitor for the town spoke on behalf of the town council.

Resolutions favoring a bond issue for \$4000 to purchase mill site for P. Q. Lumber Company and \$20,000 for extension and improvements to water and electric light system were passed. Also a resolution confirming the present town act with reference to the franchise.

Petitions are being signed in Dalhousie in favor of and against the legislation that is being given notice of, to be presented to the legislature.

MILLINERY OPENING.

Miss Henderson wishes to announce that she will hold her Millinery Opening on Tuesday and Wednesday March 26th and 27th. An invitation is extended to all.

PTE. HUDSON A. HARVEY DIED OF WOUNDS.

was drafted into the 21st Canadians with which battalion he went to France.

He was in the trenches a year and six months when he was wounded twice. He was then transferred to the C. T. M. B., where he died of wounds on December 10th, 1917.

Pte. Harvey was a son of Mrs. Joe Harvey of Matapedia and a young

A PROMISING NEW WHEAT.

By bringing out Marquis wheat the Dominion Department of Agriculture did a service to Canada and to the Empire that it would be difficult to over-estimate. On account of its vigorous habits of growth, excellent yield and superb milling qualities this variety which year after year as an exhibit from Western Canada has carried off premier honors at the International Soil Products Exhibition in the United States, has largely supplanted the old standard Red Fife that also gained for Canada wheat an enviable reputation in the flour markets of the world.

A service rendered by the introduction of Prelude a few years later was also of great importance, inasmuch as it extended the wheat-growing area of this country by millions of acres. To these two very valuable accessions to the hard wheats of Canada is to be added a new sort that comes between Marquis and Prelude in the matter of yield and ripening. This new sort has been produced at the Central Experimental Farm, Ottawa, by Dr. Chas. E. Sanders, the Dominion Cerealist, who gives the following account of the new wheat in the March number of The Agricultural Gazette, the official organ of the Federal Department of Agriculture:

The new wheat, which has been named Ruby, Ottawa 623, possesses characteristics in ripening and other qualities midway between Marquis and Prelude. It is hardier, possesses hard, red kernels, gives a fair yield, and makes flour of the highest quality in regard to colour and strength. Bread made from it ranks in the first class. This wheat is the result of a cross between Downy Riga and Red Fife. Downy Riga was produced from two early sorts, Gehun, an Indian variety, and Onea from Northern Russia. Ruby is recommended for trial where Marquis does not ripen satisfactorily. A very limited distribution of five pound samples is being made to farmers requiring an early sort. A sufficient crop will be grown this year on the Experimental Farms to provide for a generous distribution next spring."

NEW HIGHWAY ACT INTRODUCED BY HON. MR. VENIOT

New Act Explained And Carries Out Promises Made By Premier Previous to Election

Hon. P. J. Veniot presented and explained the new Highway Act. He said the bill embodied in its provisions the programme relating to highways, which the then opposition had adopted prior to the last election and on which they were returned to power by the people. He was willing to accept any suggestion put forward with the view of making the act more perfect. He regarded the act as one of the most important pieces of legislation that could come before the House. Although he had only been in office a short time, he had managed during the last year to visit nearly every section of the province. He had travelled 9,800 miles in automobiles and had had experience with all kinds of roads, so he might claim to be more familiar with the roads than many. One section of the bill proposes to divide the roads into two classes—trunk roads and branch roads. This division was to be made by the Minister of Public Works, and before acting it was his intention to discuss the matter fully with the members. In 1916 the then opposition had adopted the principle that to make highway legislation successful it was necessary to get as close to the people as possible. They had also taken the ground that road supervisors should be elected as school trustees are now elected. Therefore to carry out this principle section 6 of the bill provides for the election of road supervisors for branch roads at

HON. P. J. VENIOT, MINISTER OF PUBLIC WORKS FOR NEW BRUNSWICK

addition to posting his accounts, he must forward a copy to the public works department. Statute labor will be made optional under the new act, differing in this respect from the present law. At a meeting of the ratepayers to be held in the month of April they shall decide the matter by a majority vote on a resolution, a copy of which is attached to the bill. If they vote to adopt statute labor, it will be carried on the same as under the old act. If they vote against statute labor there will be none performed in that particular district. Provision is also made for the adoption of statute labor with respect to trunk roads. A meeting may be called on the petition of fifteen ratepayers

A LIFETIME OF SUFFERING

Prevented by "Fruit-a-lives" The Wonderful Fruit Medicine

38 MARSHWATER ST., HULL, QUE. "In my opinion, no other medicine is so good as 'Fruit-a-lives' for indigestion and constipation. For years, I suffered with these dreaded diseases, trying all kinds of treatments until I was told I was incurable."

One day a friend told me to try 'Fruit-a-lives'. To my surprise, I found this medicine gave immediate relief, and in a short time I was all right again!"

DONAT LALONDE
100, a box, 6 for \$2.50, trial size 25c.
At all dealers or from Fruit-a-lives Limited, Ottawa.

and the matter decided by a majority vote of those present.

Section 16 deals with the matter of road taxation. Under the existing law the road tax on property is twenty cents on the \$100. The new act proposes to increase this to the extent of one-quarter of one per cent, or five cents on the \$100. The poll tax is now \$1.50, but the new act will increase it to \$2.

While the road tax had been increased, it was also proposed to increase the allowance to those who performed statute labor. The bill allows twenty cents per hour for labor, thirty cents for a man with a horse and proper tools, and forty cents per hour for a man with a team.

The bill also changed the method of collecting the road taxes. Under the existing law the collecting was done by the supervisor and paid over to the men who performed the work. In his travel through the province last year he had studied this method and arrived at the conclusion that a different plan should be adopted. In many cases under the existing act there was a duplication of accounts, and whether it was intentional or not he was not in a position to say. The supervisor sent in accounts chargeable to the municipal fund, which were paid by the secretary-treasurer. Frequently accounts for the same work were charged to the provincial fund, which meant that province and municipality paid for the same work. Although he had acted with great care in separating these accounts in his department, he felt that the law should be changed.

The bill provides that the collecting should be done by the collector of rates, who, after receiving the money, would place the same in the hands of the secretary-treasurer, who would deposit it to the credit of the province. He was hopeful that under the change in the system, the delinquent taxation list would be done away with. At the present time he was safe in saying that the sum of \$50,000 was outstanding in delinquent road taxes. It was proposed to have the supervisor report monthly to the department of public works, and he wished to add that money collected in a particular district would be expended for the improvements of the road in that district. Section 19 gave authority to the minister of public works to inaugurate a patrol system. He had visited Maine last summer, and had travelled over 500 or 600 miles of roads in order to investigate the patrol system. It had taken four years to perfect the system in Maine, but he was hopeful of having one in this province, equally as good, at the end of two years.

An agitation had been going on in this province for several years with the object of changing the rule of the road. It was an important matter, and he did not feel that he should take it upon himself to make the change without taking the opinion of the Legislature.

The bill proposed to hold the coal companies responsible for any injury resulting to the roads, and if they declined to make repairs, in order to do so, the public works department could have the work done and make a charge against the companies.

A similar plan would be adopted with respect to railways. It was proposed to have the railways give more attention to the condition of the roads at level crossings, and a clause had been inserted in the bill dealing with the matter. He had noticed also that when railways, in changing grades of lines running parallel with highways, were inclined to disregard the effect such changes have on the roads. He had inserted a clause in the bill which he hoped would bring about an improvement in regard to this important matter.

While the people were clamoring for good roads, it might not be out of

TWENTY PEOPLE BURNED TO DEATH

Truro, N. S., March 16.—One of the worst accidents in the history of lumbering in Nova Scotia took place at midnight last night at Alvin Siding on the Canadian Government Railroad, four miles from Riverdale and about fifteen from Truro when the lumber camp of A. A. Sutherland was burned to the ground and twenty people were burned to death.

Of those in the camp only four escaped and two of these are in a very serious condition.

The camp was owned and operated by A. A. Sutherland, of Oxford, and his son, Max Sutherland, both of whom escaped uninjured. The names of the other two men are not ascertainable. They were in bad condition and were forwarded immediately to Aberdeen Hospital, New Glasgow.

Mr Sutherland and his son were aroused at 12.30 when the camp was in a mass of flames. They were sleeping in a separate apartment upstairs from the men and this accounts for their escape.

The sleeping apartments of the men had evidently caught and burned up before the men became aware of the flames.

PARCELS TO PRISONERS.

The German Authorities have issued a memorandum to the effect that parcels for Prisoners of War interned in Germany must be addressed to the "parent" (or main) camps to which the prisoners belong and must not bear the names of any branch or working camps or of any other place to which the prisoner might be detailed for special services.

The memorandum states that prisoners who have been detailed for services outside the "parent" camps have been enjoined by the German Authorities from the very first, to inform in this sense any relations or other persons from whom they expect to receive postal parcels. Parcels for prisoners of war in hospitals also come within the meaning of these regulations.

In the interests of the prisoners it is therefore essential that these regulations should be strictly adhered to as otherwise the German authorities will not deliver the parcels to the prisoners of war for which they are intended, and it is suggested that persons in Canada when writing to prisoners in Germany should ascertain definitely the name of the "parent" (or main) camp so that they can comply with the regulations in addressing parcels to prisoners.

R. M. COULTER,
Deputy Postmaster General.

Hello! is that you mother dear?"

"Yes, Sue. What is it? Something awful must have happened for you to call me up at this—"

"It's not 'awful'. But Herbert hasn't been feeling well and the doctor gave him pills to take every four hours. I've been sitting up to give them to him, and now it's about time for his medicine, but he's fallen asleep. Should I wake him?"

"I wouldn't if I were you. What is he suffering from?"

"Insomnia."

Many a man goes behind because he looks too far ahead.

place for some of those who have occasion to use them to exercise a little more care. There were some manufacturers of lumber who take no heed of the damage that might result to roads early in the spring, so long as they can haul heavy loads over them. A clause would be inserted in the bill to meet this condition of affairs. He regretted that some automobile owners did not have the regard for the road which they should have. Some owners of heavy cars seemed to take delight in driving over the country roads early in the spring, when the frost is coming out of the ground. If any farmers had any suggestions to offer which would have a tendency to better any clause of the bill he would be only too happy to accept them.

TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your hair! Get a small bottle of Dandruff right now—Also stops itching scalp.

This, brittle, colorless and scraggy hair is mute evidence of a neglected scalp of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Dandruff tonight—now—any time—will surely save your hair.

Get a small bottle of Knowlton's Dandruff from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Dandruff. Save your hair! Try it!

Sunday, March 24th.
8 p.m. Paschidice, Subj. "The Witness of the Spirit."
7 p.m. New Carlisle, Subj. "A Refuge in the Storm."
Wednesday, New Carlisle.
Thursday, Paschidice.
Friday, Fort Daniel, Thank-offering Service.

RETURNING TO DUTY.
Capt. O. A. Mowat has received word to proceed overseas to rejoin his battery. Capt. Mowat was invalided home last fall severely wounded in the foot, but he has now fully recovered. He was offered several military positions in Canada, but declined them feeling that his place was at the front. Ollie has been an active courier and hockey player this winter. He played hockey Monday night, and carried against Bathurst Wednesday where the rink skipped by him won out by twelve points.

WILLIAMS OPENING.
We are sparing no trouble to make our display one of the best yet shown.
MISS M. L. BARTHE.

SCHOOL CHILDREN INJURED.
Two little girls attending the Grammar School were injured yesterday afternoon by falling ice from the roof. Fortunately, neither was seriously injured although both are confined to their homes to-day.

MEMORIAL SERVICE.
A most impressive memorial service was held in St. Andrew's Church Sunday evening to the memory of Pte. Frank Boucher who was killed in action last November. Rev. Mr. Miller spoke touchingly of the brave young man, who was only nineteen years of age, who had given his life in the service of his country.

JUNIOR HOCKEY.
A very interesting game of hockey was played Saturday on the McLean rink on Athol St. between the Princess Pats and the 20th. The score being 2-0 in favor of Princess Pats. Billy Currie and Mowat Blackhall were the respective captains, and the proceeds of the game, \$1.25 was very generously handed in to the Treas. of the S. C. A.

OBITUARY.
The death occurred at Hopetown, Que., on February 27th of Mrs. Susanna Travers, widow of the late Adam Smith and sister of James Travers of Shigwague, P. Q.
She leaves two sons, A. H. Smith and J. S. Smith and two daughters, Mrs. John D. McRae of St. Godfroi, Que., and Miss Elizabeth D. Smith, graduate nurse of Milwaukee Co. Hospital, Montana, Wis., who is now in Montreal.

CONTRIBUTION TO LAUDER FUND.
At the last meeting of the Caledonian Society it was suggested that a dollar contribution be taken to help along the Harry Lauder one million pounds for the benefit of disabled soldiers. During the evening (28) members subscribed.
Any other member of the society desiring to contribute towards this fund will please leave the money with Mr. Alexander McLennan, the post master A. D. McKendrick or the Secretary.
H. R. SMITH.

The Cause of Heart Trouble
Early digestion causes the generation of gases in the stomach which inflame and press down on the heart and interfere with its regular action, causing faintness and pain. 15 to 30 drops of Dr. Scott's Emulsion after meals acts digestion right, which allows the heart to beat full and regular.

DALHOUSIE

Dalhousie, March 19.—Notice was posted in town signed by Mayor James E. Stewart calling the ratepayers of Dalhousie to meet this evening in the Opera House to consider town affairs.
The whist party that was to have been held early in the winter for patriotic purposes and which was postponed on account of the small post out break in the shiretown, will likely take place in April in the Club room.
Several passengers who came from South on the Accommodation and Limited on Friday evening, enroute to Dalhousie, had to spend the night at the Junction, only reaching town after nine o'clock on Saturday morning. The branch train was unable to get to the Junction to connect with the regular trains on account of the heavy drift. It was the worst night of the season here.

Many old Restigouche friends will be sorry to learn of the death in California of Dr. W. J. G. Dawson, superintendent of the State Hospital at Elridge, California. His wife who survives him, belonged formerly to Dalhousie. She was Miss Eugene Shaw, daughter of the late Dr. Shaw, who practiced in Dalhousie before Confederation. One son survives, who is a physician in California. Dr. Dawson had been ill ten days with pneumonia. He was about seventy years of age, a native of the North Shore, and for sometime had practised in Newcastle, N. B.

Miss Jessie Dunn, Dalhousie Junction has been visiting Dr. and Mrs. F. Keith at Moncton.

Mr. E. Reue Richard returned here from a trip to Fraserville, P. Q. on Friday's Limited.

Mr. Ed. Italiai and bride have returned home from a trip to Halifax. They visited St. Joseph's College.

Mr. Henry Arsenault has tendered his resignation as policeman of Dalhousie. Reason given, not enough salary.

Miss Louise Dillrow, aged seventy-five, who was found dead and her aged sister Miss Emma, alone and helpless in their home in St. John on Friday last, were sisters of the late Dr. Dillrow of Dalhousie. Miss Emma, the surviving sister, was removed to the hospital.

They were apparently in good circumstances, as there was \$300 in cash found in the house.

Mr. Robert Johnston, Loggieville, has been here for sometime looking into the affairs of the A. & R. Loggie Ltd., business. He has been with the firm since he was a little boy and holds the best position in the gift of the firm. Besides the Loggieville and Dalhousie branches this progressive firm is doing business at Richibucto, Tracadie, Mulgrave and at other points. During the fishing season they employ a great many people. Mr. Johnston is very popular with the staffs and with the public.

Mr. E. P. Gaudet spent a couple of days in Moncton last week. He returned on Saturday accompanied by his father Mr. Raphael Gaudet, who will spend sometime here.

Miss Anna Poirier, teacher at Upper Balmoral spent Sunday here with her sister Mrs. F. Senette. Miss Poirier has been offered again recently a position to be assistant editor of one of the French papers at Moncton. She is well qualified for the work and is giving the matter consideration.

Mr. Harvey McMillan of Jacques River was in town last week the guest of Mayor J. E. and Mrs. Stewart.

Mr. A. Dickinson, Chatham, has become manager of the store business here of A. & R. Loggie Ltd. He replaced Mr. M. H. McDonald who is now travelling for the Webster, Sherbrooke Cigar Co. Mr. McDonald makes his headquarters in Dalhousie. His wife and her sister occupy the fine residence owned by Mrs. James Jamieson.

Mr. Pasteur Allain and wife have arrived from Ottawa, to live with Mr. Allain's parents Mr. and Mrs. Isidore Allain at Summerside. The latter is one of our most prosperous farmers.

Mrs. James Wall, Campbellton, was in town on Sunday the guest of her parents Mr. and Mrs. John B. Delaney.

Miss Yvonne Samson has been visiting friends in Campbellton this week. Mr. Alex. LeBillets, Maguasha, who was so ill, is reported to be much improved.

Mr. D. A. Stewart Ex. M. P. P. Campbellton was in town yesterday a guest at the Queen.

Mr. Charles Brown, Escuminac, P. Q. registered at the Queen on Monday evening the ladies of St. Mary's Episcopal Church held a salmon supper in their hall from 5 to 11 o'clock. The affair was very well patronized.

IF YOUR CHILD IS CROSS, FEVERISH, CONSTIPATED

Look, Mother! If tongue is coated, cleanse little bowels with "California Syrup of Figs."

Mother can rest easy after giving "California Syrup of Figs" because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again.

Sick children shouldn't be scared to take this harmless "Fruit Laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. Ask your druggist for a bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups.

NEW CARLISLE.

On Tuesday March 12th Gaspe ladies hockey team played the town ladies team here. The line up was as follows:—

Gaspe.

D. Guignon Goal
M. Fitzpatrick Point
M. Levesque C. Point
D. Suddard Rover
Centre
J. Clements Wing
Miss McKenzie Wing
D. de Ste Croix Captain
D. Suddard Referee
O. Calhoun

New Carlisle.

L. Gilker Goal
M. Caldwell Point
Ella Caldwell C. Point
Mrs. B. LeBlanc Rover
Mrs. A. Dawson Centre
Miss K. McLellan Wing
Mrs. P. Crozier Wing
L. E. Sutherland Captain
H. Bedard Referee
J. E. Roy—Judge of play.

The game was an exciting one from beginning to end. During the first half the home team netted a goal but for some reason it was ruled out. In the second half the home team again netted a goal but from an off-side and it was not counted, but just at the last, the visiting team sent a good clean one in goal and the game stood 1-0 in favor of Gaspe.

After the game an hour's skating was enjoyed and at a later hour luncheon was served in Mrs. Menard's lunch room.

It will perhaps be remembered that New Carlisle ladies went to Gaspe two winters ago and played a good game there, the score being 3-0 for New Carlisle.

Mrs. A. D. Cabot chartered the Gaspe ladies on their visit here on Tuesday.

Messrs. J. de Ste Croix, Valois and Chapados of Gaspe witnessed the ladies hockey game on Tuesday.

Friends are glad to welcome back Mr. James Flowers, after being absent for some time. He finds things changed very much here. There must be some attraction in New Carlisle for Jim.

On March 4th there passed away one beloved by all in the person of Mr. J. A. LeBrock after a lingering illness which he bore with wonderful grace and courage, at the age of 53. Mr. LeBrock only gave up work in his store a few months previous to his death, he always kept about, looking after things, but the disease crept in slowly, that of heart trouble, and while everything was done that could be done by medical skill and kind and careful nursing, the end came at the midnight hour.

The deceased was born in Jersey, Channel Islands but had resided in this country for the past thirty eight years. He leaves to mourn his loss his faithful wife, two daughters at home, Lulu and Opal and one son, Ralph. Much sympathy is felt for the family as Mr. LeBrock was a kind husband and father and was looked up to and respected by the whole community.

The funeral took place Thursday and was conducted partly at the house and grave by the Masonic Order of which he was a member. Rev. George Anderson offered prayer and after the singing of a hymn, "Asleep in Jesus", the large gathering followed the remains to the Presbyterian church where Mr. Anderson gave a very touching and inspiring address making special mention of deceased as to his Christian faith. The Masons conducted the service at the grave.

Lieut. O. Sherar left by train Sunday noon the 17th for Quebec to take up his duties there for some time. On the 10th just one week previous to his leaving a bright little baby boy came, much to their delight.

MATAPEDIA.

The weather still keeps cold, and no sign of spring yet.

Miss Bertha Downs is spending a few days the guest of her aunt Mrs. Alex. Irvine.

There will be a whist party at the home of Mr. Alexander Gallant on April 1st for the benefit of the R. C. church. All are invited to attend.

Mr. and Mrs. Austin MacNeil spent Sunday last in Broadlands.

Miss Mae Adams has returned from a trip to Robinsonville.

Mr. S. M. Adams has returned from a trip down the Bay de Chaleur.

After the recent storm on Friday,

the road in one place was impassable, four girls doused men's garments and shoveled the road. "Where are the road overseers?"

MATAPEDIA RED CROSS.

The Workers gratefully acknowledge the receipt of twenty dollars, through Mrs. Alex. McNaughton, this being the proceeds of the Xmas tree and Concert at Dee Side.

The following finished work has been handed in:—

Mrs. D.A. Chambers, 2 pr. socks; Mrs. D. Irvine (St. Alexis Station) 4 pr. socks; Miss Maggie Irvine, 2 pr. socks; Mrs. Mary Pollock, 2 pr. socks; Miss Christina Adams, 2 pr. socks; Miss Annie McLeod, 2 pr. socks; Mrs. W. Taylor, 1 pr. socks; Miss Beatrice Myles, (Crampy Brook) 1 pr. socks; Miss Greta Mann, 1 pr. socks; Mrs. D. A. Lawlor, 1 pr. socks. If any names have been omitted, will knitters kindly send same in to Mrs. Ryan.

The regular meeting will be held at the home of Mrs. Donald Adams on Friday, March 29th.

ATHOL.

Messrs. Hugh Daley and Charles Johnston are spending a few days in Chatham.

The members of the S. C. A. met on Tuesday at the home of Mrs. A. B. Klippert and on Tuesday week at the home of Mrs. John Hill.

School Inspector P. G. McFarlane visited our school this week.

Mr. George Wilkins spent the week end at his home here.

Mrs. Beckingham of Dalhousie visited Mrs. Fred Warman last week.

Mr. and Mrs. Adolphus Hacquell are receiving congratulations on the arrival of a daughter.

The friends of Mrs. John Glover will be pleased to learn that she is recovering from her illness.

Mr. George Nadeau who has been away during the winter months has returned home.

Mr. Percy Hacquell returned home from Matapedia on Saturday.

FOOD VALUE OF POTATOES.

Canadians who eat them freely can help to save wheat flour.

People who wish to help in food conservation should consider potatoes as a partial substitute for wheat flour. Potatoes are the chief staple of the semi-perishable foods. Canadians do not eat their fair share of potatoes even in normal times. We have been largely a wheat, beef and pork consuming people. These staples are now required for overseas and it behooves us to substitute other foods for them whenever possible. We consume, perhaps, two and one-half bushels of potatoes per capita per year, or about one-third of a pound per day—equal to one fair sized potato. In some European countries one pound per day per capita is consumed, and in some districts four pounds per day, and nearly twenty-five bushels per year.

Despite the increase in price since the war, potatoes are still among the cheapest of foods. One pound of roast beef costs ten times as much as a pound of potatoes, and twenty per cent of beef is bone. Three and a third pounds of potatoes supply 1,000 calories of energy, at a cost of less than 10 cents, while about 2,500 calories are required for full grown people working indoors. That is to say, if all foods were as cheap as potatoes we could live on 25 cents a day. Healthy men have lived and worked for months on a diet of nothing else than potatoes, oleomargarine and a little fruit potatoes contain protein of the very best kind. They also contain mineral salts which neutralize harmful acids in the body. The food material in potatoes is 98 per cent digestible.

Canadians have large supplies of potatoes, carrots, onions and turnips and by consuming these vegetables

Save Food

In a time needing food economy many people are not getting all the nourishment they might from their food.

It is not how much you eat, but how much you assimilate, that does you good.

The addition of a small

teaspoonful of Bovril to the diet as a peptogenic before meals leads to more thorough digestion and thus saves food, for you need less.

freely, they can economize with bread.

More than 300 ways of cooking potatoes are known. They combine well with many flavors. They can be used to economical advantage with meat and fish, in stews, croquettes, hash, chowders, meat pies etc. One half a cup of mashed potatoes and two cups of flour make a bread mixture that helps the flour go further.

Good cooks know the ways of using potatoes are various—boiled, steamed, lyonnaise, baked, chipped, fried, hashed, brown, creamed, scalloped, stuffed, au gratin, and stores of combinations.

Canada has plenty of potatoes and, although the price is high compared to normal times, it is not high in comparison with other foods in war times.

10 CENT "CASCARETS" FOR LIVER AND BOWELS

Cure Stomach, Constipation, Bloating, Sour Stomach, Bad Breath—Candy Cathartic.

No odds how bad your liver, stomach or bowels; how much your head aches, indigestion, biliousness and sluggish bowels—you always get relief with Cascarets. They immediately cleanse and regulate the stomach, remove the sour, fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the intestines and bowels. A 10-cent box from your drugist will keep your liver and bowels clean; stomach sweet and head clear for months. They work while you sleep.

POTATOE PRICES ARE AWAY DOWN

Farmers Who Have Potatoes Should Sell Them at Best Prices Offered Now

The price of potatoes has dropped until \$1.50 is the price offered on the St. John river, and no buyers are shipping from this district.

A dealer who loaded a car down the coast telephoned a buyer here offering a car at \$300 was told that the price was away down and would not make him an offer.

The following letter appeared in the Northern Light and applies as well in this district as in Gloucester.

West Bathurst, N. B.
March 12th, 1918.
The Editor of the Northern Light,
Bathurst, N. B.

Dear Sir:

As considerable enquiries are reaching me from different parts of the County respecting the potato situation, I feel that I might reply to these enquiries through the columns of your paper.

To put the matter briefly, it can be easily estimated that about 150 car loads of potatoes are for sale in the County of Gloucester, and if there were a market for this stock it would be impossible, owing to the car shortage, to ship these potatoes within the next six months.

In order to effect a sale for any portion of the potatoes being held in this County, it will be necessary for them to be loaded and ready for shipment before May 1st. As to prices I am being continually advised that the market is continuously tobogganing, and the only suggestion I have to offer for the people holding potatoes is to sell and sell quickly if able to get a buyer to load.

A great many missed the opportunity last fall of selling potatoes all the way from \$2. to \$4. per barrel f. o. b. on the track, and while it is unfortunate that their judgement led them to expect that the spring prices would be higher than prices offered last fall, still they have no one to blame but themselves.

Thanking you Mr. Editor, I am
Yours truly,
J. BENNETT HACHEY.

Dunlop "Gibraltar RedSpecial" Belting

Abnormal Friction Pull vs. Elasticity of Friction

BETWEEN every ply of specially-selected, heavy Cotton Duck in Dunlop "Gibraltar RedSpecial" Belting is a layer of pure Rubber which, through a Dunlop calendering process, so permeates the fabric that it binds the several plies into one integral piece.

Some belt manufacturers offer to sell their product on the basis of "Heavy-Poundage in a Friction-Pull" Test. To obtain the latter result it is not necessary to secure such an expensive Rubber Friction as is used in "Gibraltar Red Special." This fact alone ought to be a pretty good gauge of the value of the "friction-pull" test.

In buying "Gibraltar RedSpecial" you get the advantage of years of careful laboratory work on our part with this result: The friction is of that "just-right" elastic quality which allows for the give and take necessary in rounding the pulleys; hence the reason "Gibraltar RedSpecial" is known for maximum Power, Speed and Service.

UNLIMITED capacity for service is an intrinsic quality with Dunlop "Gibraltar RedSpecial" Belting. The success of nearly a quarter of a century in the manufacture of Rubber Products is built into Gibraltar. The original Made-in-Canada Red Rubber, Frictioned Surface Belting, "Gibraltar RedSpecial" has stood the inflexible test of time in turning the wheels of industry in a multitude of Canadian plants from the Atlantic to the Pacific.

**THE
PHONOGRAPH
which really sings.**

The NEW EDISON
"The Phonograph with a Soul"

actually sing. It has stood beside Anna Case, Giovanni Zenatello, Guido Ciccolini, Arthur Middleton, Thomas Chalmers and a score of other great artists; and has sung duets with them, and then sung in comparison with them.

The musical critics of more than five hundred newspapers concede in the columns of their own papers, that it is only by watching the lips of the artist standing before them, that they can tell whether it is the artist singing or The New Edison singing.

We almost hope you will disbelieve what we say—and come to our store and make us prove our statements. You will not be asked to buy. We merely wish to prove that the New Edison Recreation of music is a fact.

A. E. ALEXANDER & SON, - Campbellton, N.B.

**CONSTRUCTION OF THE
SPLIT-LOG BRAG.**

A dry, sound red cedar log is the best material for a drag, the hard wood being usually too heavy for this purpose. The log should be from seven to eight feet long and from ten to twelve inches in diameter and carefully sawn down the middle. The heaviest and best slab should be selected for the centre, both flat sides to the front and set on edges thirty inches apart, giving the back half a set-back of sixteen to eighteen inches at the right end so that when the drag is drawn along at an angle parallel to the ditch on the right side of the road, the end of the back half will be directly behind the front half, as otherwise the ditch end of the rear slab would stick out past the ditch end of the front slab, crowding into the bank and interfering with the proper working of the drag.

Two cross-pieces are wedged in two-inch auger holes bored through the slabs and on the right hand side a piece of scantling is inserted between the ends of the slabs. This is of great value in strengthening and stiffening the end of the front slab.

In working a clay or gumbo road it is advisable to put iron on the lower edge of both flat sides. Handless may be attached to a piece of iron, similar to a piece of wagon tire, the irons to be hinged to the back of each end of the front slab. By pressing the handles the drag could be raised, thus depositing a load of dirt which is desired to fill a hollow or increase the crown at some particular spot.

A platform of inch boards held together by three cleats should be placed on the slabs between the slabs. These boards should be spaced at least an inch apart to allow any earth that may heap up and fall over the front slab to sift through upon the road again. The end cleats should be placed so that they will not rest upon the cross stakes, but drop inside them. These cleats should extend about an inch beyond the finished width of the platform. An extra weight may be added if necessary but it is seldom needed.

To use the drag, attach a chain to the left cross piece which is behind the front slab, running the other end of the chain through the hole in the front slab near the right end. It is a mistake to hook this end of the chain over the front slab as in the case of the other end for when the drag strikes a stone or snag there is great danger of toppling forward. With the right end of the chain drawn through the hole in the slab as suggested, this danger is entirely obviated.

The operation of the drag is very simple though there are many fine points that may be learned by experience. For the ordinary smoothing purposes, the drag may be drawn up and down the road one or two rounds commencing at the edge and working towards the centre. Usually it is drawn at an angle of about 45 degrees. For the last stroke or two the drag may be drawn backwards with the round side of the slab to the front and with comparatively little angle.

There are two stages when roads will drag and one when you cannot do a job satisfactorily. The first stage is when they are in a very sloppy condition in spring or in other seasons after a heavy rain. A road may then be shaped up wonderfully well, and after the surface has a chance to dry a little, before it is cut up with traffic, it will make a smooth, fine road. Dragging at this stage fills ruts and sends the water to the ditch. After this soft stage, comes a sticky stage when the mud will roll up under the drag and the road cannot be reduced to a satisfactory condition. After this again, when the surface approaches a crumbly texture, the drag may be used very successfully.

RELY ON NORTH AMERICA

Lord Rhonda says: "The Allied Larder is dangerously empty but we are carrying on in the resolute belief that we can rely on the people of North America to prevent our food supplies from becoming so diminished as to imperil the issue for which we are all fighting."

It Works! Try It

Tells how to loosen a sore, tender corn so it lifts out without pain.

Good news spreads rapidly and drug stores here are kept busy dispensing freestone, the other discovery of a Cincinnati man, which is said to loosen any corn so it lifts out with the fingers. Ask at any pharmacy for a quarter ounce of freestone, which will cost very little, but is said to be sufficient to rid one's feet of every hard or soft corn or callus.

You apply just a few drops on the tender, aching corn and instantly the soreness is relieved, and soon the corn is so softened that it lifts out without pain. It is a sticky substance which dries when applied and never inflames or even irritates the adjoining tissue.

This discovery will prevent thousands of deaths annually from lockjaw and infection heretofore resulting from the suicidal habit of cutting corns.

**Grandmother's
Pies are done**

HOW luscious they look as she takes them from the oven. Here is a kind well worth your attention, made from dried apples, small raisins and brown sugar. "Spring mince pies" grandmother called them. She had many other delicious pies and pudding made from brown sugar

—in fact she hardly used any other sugar for cooking.

**Lantic
Old Fashioned Brown Sugar**

is just like the sugar that Grandmother used to use. It comes in Light, Brilliant and Dark Yellow, but the Brilliant Yellow is about right for most of the things Grandmother made and for your own favorite brown sugar dishes.

You should keep brown sugar in your pantry and you should use it often. It has a delicious characteristic flavor essential to the success of many dishes. It is economical, too, costing less per pound than granulated.

If you don't know how to make Grandmother's good old-fashioned dishes, no matter. We have just printed a delightful new booklet called "Grandmother's Recipes." It is devoted entirely to brown sugar goodies. Send for it today enclosing 2 cent stamp to cover cost of mailing and please add the name of your grocer.

Lantic Old-Fashioned Brown Sugar is made by the same firm that makes the famous Lantic "FINE" Granulated.

Atlantic Sugar Refineries, Limited - Montreal, Que.

**Income Tax Forms
Are now available**

Returns must be filed on or before 31st March

THE Dominion Income War Tax Act requires you to fill in one or more of the five special Forms provided before 31st March, 1918. In order to assist the public to understand just what is required of them, information on each Form is given below. Read carefully, then get three copies of the form that fits your case and fill them in. Answer all questions fully and accurately. For making false statements, a penalty of \$10,000 or six months' imprisonment, or both, is provided.

Individuals.—All persons unmarried, and all widows or widowers without dependent children, whose income is \$1500 a year or more, must fill in Form T1. All other persons whose income is \$3000 or more, use the same Form. Where any income is derived from dividends, list amounts received from Canadian and Foreign securities separately. Fill in pages 1, 2 and 3 only. Do not mark on page 4. Partnerships, as such need not file returns, but the individuals forming the partnerships must.

Corporations and Joint Stock Companies.—No matter how created or organized, shall pay the normal tax on income exceeding \$2000. Use Form T2—giving particulars of income. Also attach a financial statement. Under Deductions, show in detail amounts paid to Patriotic Fund and Canadian Red Cross or other approved War Funds.

Trustees, Executors, Administrators of Estates and Assignees use Form T3. Full particulars of the distribution of income from all estates handled must be shown as well as details of amounts distributed. A separate Form must be filled in for each estate.

Employers must use Form T4 to give names and amounts of salaries, bonuses, commissions and other remuneration paid to all employees during 1917 where such remuneration amounted in the aggregate to \$1000 or over.

Corporation Lists of Shareholders.—On Form T5 corporations shall give a statement of all bonuses and dividends paid to Shareholders residing in Canada during 1917 stating to whom paid, and the amounts.

Figures in every case are to cover 1917 income—all Forms must be filed by 31st March. For neglect, a fine of \$100 for each day of default may be imposed.

In the case of Forms T1 and T2, keep one copy of the filled in Form and file the other two with the Inspector of Taxation for your District. In the case of T3, T4 and T5, keep one copy and file the other two with the Commissioner of Taxation, Dept. of Finance, Ottawa.

Forms may be obtained from the District Inspectors of Taxation and from the Postmasters at all leading centres.

Postage must be paid on all letters and documents forwarded by mail to Inspector of Taxation.

**END STOMACH TROUBLE.
GASES OR DYSPEPSIA**

"Pape's Diapysin" makes sick, sour, gassy stomachs surely feel fine in five minutes.

If what you just ate is souring on your stomach or lies like a lump of lead, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach-head-ache, you can get relief in five minutes by neutralizing acidity. Put an end to such stomach distress now by getting a large fifty-cent case of Pape's Diapysin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder caused by food fermentation due to excessive acid in stomach.

Corp. C. B. Farrar who spent a few days in Toronto last week, has returned to St. John where he will be for some time.

TICKET PRICES INCREASE.
An increase of 15 per cent. on all tickets on the C. G. R. over 25c. came into effect Monday.

DON'T FORGET.
To see Mary Pickford in "The Little American" at the Imperial Theatre on Friday and Saturday, the 22nd and 23rd. First show starts at 7.15 p.m.

ILLUSTRATED TALK.
An illustrated talk with lantern slides will be given in the Assembly Hall of the School on Tuesday evening, the 26th at 8 o'clock.
These views will show the different stages of forest lumbering operations and the different stages of growth in the forests. It is an interesting subject and all are invited.

HOCKEY AT DALHOUSIE.

The Dalhousie Hockey fans witnessed a very interesting game here on Tuesday evening when Chatham College Hockey team crossed sticks with the Dalhousie Hockey Club's picked team. The College team are champions of the southern part of the province but met their match on the North Shore when the local team trimmed them with a score of 5 to 6. The game was clean and fast all through and was a battle royal.

The line-up was as follows:

DALHOUSIE.
Goal H. Trudelle
Point Sanson
Centre Thompson
Cover Point Steeves
R. Wing Henderson
L. Wing Starrak

ST. THOMAS.

Goal Carton
Point McEachern
Cover Point McKenna
Centre Ploy
R. Wing Lyons
L. Wing McNeely

Much credit is due Vaughan Mott who as promoter of the game showed great interest in seeing that the visitors were well treated. The visitors were taken to a hot salmon dinner after the game at St. Mary's Hall. They spoke highly of the Dalhousie boys as being good sports.

CAMPBELLTON BOY GASED.

Mr. Sandy Adams has received a telegram stating that Private Ernest Adams, who went overseas with the first contingent and was with the cyclist corps had been gassed and was admitted to field Ambulance Dept. on March 18th. Pte. Adams is a brother of Policeman Adams.

TIPPERARY CLUB MEETING.
A meeting of the Tipperary Club will be held at the home of Miss Hazel Lingley on Friday evening, the 22nd.

MILLINERY OPENING.
At Miss M. L. Barthe's on Tues. and Wed., the 26th and 27th.

NORTH SHORE CASUALTIES.
The following casualties have been reported during the past week:—
Artillery.
11—E. B. Harquail, Dalhousie, N. B. Infantry.

Presumed to have died—E. R. Borden, Upsalquitch, N. B.

Sheriff's Sale

I will sell at public auction to the highest bidder in front of the Post Office, at the Town of Campbellton in the County of Restigouche on, THURSDAY, MARCH 28TH, 1918. At the hour of two o'clock in the afternoon all that lease hold lot, piece or parcel of land, situate, lying and being in the Town of Campbellton aforesaid, being a lot of land bordering on the Grist Mill Road, on which was originally known as the Dalhousie property, bounded and described as follows:—Commencing at a point on the southern side line of a reserved road or street at the north-east corner of a lot of land leased to one Onesime Muscivelle, thence running in an easterly direction along the said reserved street, one hundred feet to the north-westerly side line of the road running to the Grist Mill; thence running south fifty-two degrees, fifty minutes west eighty-five and three tenths feet to the northeasterly boundary line of the said Muscivelle lot; thence running northwesterly along the same eighty-nine feet to the said reserved street or place of beginning. The same having been seized by me and to be sold under and by virtue of an execution issued out of the Restigouche County Court against William Darbyson at the suit of McKenna Bros. Dated at Campbellton, N. B., this 7th day of March, A. D. 1918. TIMOTHY ROBINSON.

Is Your Headache Caused by Imperfect Eyes

It is stated on good authority that 90% of all headaches are caused by imperfect eyes, and I have proved this true by my own experience. If this fact was generally known much unnecessary suffering could be avoided, and prevented, and more glasses would be worn.

If you are subject to this distressing affliction you should see me at once, and give me the opportunity of examining your eyes, and fitting you with glasses, that will bring you instant relief.

H. R. HUMPHREY
