The copy filmed here has been reproduced thanks to the generosity of:

Metropolitan Toronto Reference Library  
Baldwin Room

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

LIST OF

## English Newspapers, Periodicals, &c. FOR 1869.

The change in the Postal Laws, making prepayment on all Magazines and Periodicals compulsory, and the imposition of *five per cent. duty*, has necessitated an entire revision of our List of Prices. So far as regarded the prepayment of Postage, the law was suspended during 1868, but it will be enforced after the 1st January, 1869. The duty we have had to pay for several months past, without being able to make any additional charge.

As one cent per number is the lowest for which any single Magazine under 4 oz. can be sent, it will be seen that the increase is most on the smaller Magazines—those which have hitherto been sold for 30 cents per year; the law, however, allows any number of copies for different parties to be sent under one cover, and a our copies of the British Workman, or eight copies of the Band of Hope, can be sent for the same postage as one copy, persons residing in the same neighbourhood can remit together, and save a large proportion of the Postage. It is impossible to give in a brief list the prices for various quantities, but we shall be happy to-reply to any enquiry on the subject.

The greatly increased cash outlay for Duty and Postage renders it more than ever necessary that **PAYMENT FOR MAGAZINES SHOULD BE MADE IN ADVANCE.** Those who have no account with us will therefore remit before January, if they wish their Papers and Magazines continued. The non-receipt of the January numbers will thus be understood by those who have not prepaid.

The following is not offered as a complete List of the Papers and Magazines published in Great Britain, but of those which we have found more or less in demand here. A complete List of all the Papers and Magazines published in the United Kingdom can be seen at our establishment, any of which we can supply to order. We import by every steamer, so that our friends may rely upon being supplied at the earliest date.
