## REPORT FOR THE YEAR 1850-51.

The Executive Committee have again the pleasure of meeting the members of the ALUMNI OF KING'S COLLEGE, on this the 4th Annual General Meeting, since their Incorporation.

While the Committee have had much to encourage them in their efforts since the Annual Meeting, they have also had to struggle, as far as it was their province to do so, with a very heavy blow aimed at the existence of the College.

The Rev. J. C. Cochran, A. M., having in fulfilment of his offer to advocate the claims of the Society in New Brunswick and this Province, proceeded on his Mission shortly after the last Enconia, succeeded in obtaining a number of handsome donations amounting to £162 12s. 6d., and in enrolling no less than 40 new Annual Subscribers—the greater part of which donations and subscriptions have been paid; and what the Committee deem still more important, a branch Association has been formed in St. John, which the Committee believe has drawn to itself many friends and Alumni of the College, and which must tend most powerfully to invigorate the labors of the Parent Society, and the Committee avail themselves of this opportunity to express their grateful sense of the valuable services of Mr. Cochran, in which they feel assured the members of the Society generally, will cordially unite.

The Committee have also the pleasure of informing the Society, that the Assistant Secretary of the Society of the Propagation of the Gospel in Foreign Parts, has stated in reply to a letter addressed to him by the President of this Society, that the sum of £1000 stg., has been actually paid over and invested by the Society for the Promotion of Christian Knowledge, for the benefit of the College. This sum, it will be recollected, formed part of the amount undertaken to be raised by the late bishop, and was granted by the Society for Promoting Christian Knowledge, solely on the ground of £2000 having been raised by the friends of the College in this Province. The Committee, therefore, feel warranted in congratulating the Association on this addition to the resources of the College, as the fruit in a large measure, of their efforts on its behalf.

On the other hand it must be but too well known, that during the last session of the Provincial Legislature, the long threatened repeal of the permanent grant to the College, was at length carried through all its branches. Your Committee used every effort in their power to avert this calamity; and they deem it but an act of justice to record their sense of the able and eloquent opposition offered to the passage of the Bill, in the Lower House by one of their members, the Hon. Attorney General, and in the Upper House by the Treasurer of the Society, the Hon. Mr. Almon. Their efforts, however, having proved unavailing, your Committee drew up a petition to Her Majesty's Representative, strongly pleading for the refusal of his assent to the Bill, which however, His Excellency stated, that he was advised he could not, on constitutional grounds, withhold. Your Committee then forwarded a memorial to His Grace the Patron of the College, begging that his influence might be exerted to prevent the Royal Assent being given to the Bill; but hitherto they have received no intimation of the results, nor indeed do they indulge any sanguine hope of success.

The Committee trust that the members will see that the interests of the College have not been allowed to suffer, for any want of exertion on their part, but that while using every effort, which it became a body which is merely auxiliary to the board of Governors, to use, they have been defeated by the exercise of superior power.

The charges against the income of the past year, are the grants to Dr. Mantovani of £50 stg.; to the Rev. Mr. Mulholland towards a 2nd Assistant, £40 currency, and a trifling sum for advertizing.

An account is submitted by the Treasurer, showing the amount in his hands, and how invested; and also a statement showing the annual income of the Society, and the amount of funds which may be considered available for the ensuing year, for the general purposes of the Society.

The President of the Society and three of the Committee now retire from office, viz.: Jas. C. Cogswell, Esq., A. M. Uniacke, Esq., and Harry King, Esq., all of whom are, however, eligible for re-election.

(Signed)

By order,

And in behalf of the Committee,

P. C. HILL,

Secretary.

June 21st, 1851.

Since the above was written, information has been received of the Act for repealing the Permanent Grant to King's College having been disallowed by Her Majesty.
