## BOARD OF TRADE COUNCIL MEETS

Appoints Committees for Year—Passes Important Resolution

A meeting of the Council of the Wolfville Board of Trade was held Wednesday evening with President Graham, J. D. Harris, J. H. Baltzer, Dr. Grant, J. W. Williams and H. P. Davidson present.

At the request of the Halifax Board of Trade the following resolution was passed, copies of which will be sent to Premier W. L. Mackenzie King, the Ministers of Trade and Commerce and Finance, and to the representative for this county at Ottawa:

"Whereas, it is in the best interests of the Dominion as a whole that the imports and exports of Canada should pass through Canadian ports in the greatest volume possible, and

Whereas, the proposal to restrict the application of the British Preferential duties entirely to goods imported through Canadian Ports is of vital interest to Canadian Ports and for the general advantage of Canada, and

Whereas, the present session of the Dominion Parliament was opened with a speech from the Throne in which the following passage occurs: "It is the intention of the Government so to equip our important ports on the Atlantic and Pacific coasts, so as to enable them to meet all requirements of modern navigation."

Therefore Resolved, that the Wolfville Board of Trade strongly endorses the proposal contained in the speech from the Throne above quoted, and urges upon Parliament the adoption of measures for immediately confining the benefits of the British Preferential Duties to goods imported through Canadian Ports. The principle of which has been formally accepted by Parliament and is embodied in the Customs Laws of the Dominion."

The following standing committees were appointed for the ensuing year: Tourist and Publicity—Edson Graham, J. W. Williams, J. D. Chambers, B. O. Davidson, N. W. Eaton.

Harbor Improvement—J. L. Franklin, E. H. Johnson, A. M. Wheaton, H. A. Peck, C. H. Wright.

Town Improvement—J. D. Harris, L. E. Shaw, J. H. Baltzer, H. E. Calkin, J. L. Franklin.

Membership and Finance—G. C. Nowlan, Dr. Grant, G. K. Prescott, H. E. Blakeney, H. P. Davidson.

Industrial—J. H. Baltzer, J. E. Hales, W. C. B. Harris, N. W. Eaton, E. J. Westcott.

Merchants' Comm.—J. W. Williams, J. D. Harris, H. E. Calkin, W. O. Pulsifer, F. W. Barteaux.

It was decided that the Board of Trade hold a supper in the near future and a committee was appointed to make the necessary arrangements.

## TORONTO'S NEW MAYOR

Thomas Foster was elected Mayor of Toronto on New Year's Day over W. Hiltz, last year's mayor, by a majority of 2,448. Mr. Foster is seventy-three years of age and has been in Toronto's City Council for twenty years. A very light vote was polled.

## WINDSOR DEFEATS KENTVILLE IN VALLEY LEAGUE GAME

WINDSOR, Feb. 16th.—Windsor walloped Kentville 8-2 here on Saturday evening in the first game of the final section of the Valley League. The locals were all over their opponents, Kentville being unable to cope with the checking and vicious backchecking of the Windsor forwards coupled with the defensive play presented by Kuhn, McCann, and S. McDonald. Bennett was the pick of the visiting team, being very aggressive but it is impossible to choose a star from the winners as every man from the net guardian to the big boy at centre played fine hockey.

At the start of the game the ice was in fair condition and the pace the fastest seen here this season. Gertridge won the admiration of six hundred spectators by drawing first blood when he took the rubber from behind his own net and stick-handled through the entire opposition for the prettiest goal of the season. Kentville pressed and Sam McDonald relieved with a rush but his shot was high. Bennett then got in a pretty rush but Kuhn made a nice save and followed with another for W. Kennedy. "Chook" McDonald put Windsor two up when he received a perfect pass from Gertridge in the corner. The fans were applauding Kuhn's fine saves from the Kentville forwards until G. Kennedy set his net.

"Chook" McDonald made it three when he took the puck from a mixup and flipped it in with his back to the goal. Two minutes later Gertridge was injured and was forced to leave the ice. C. Smith replacing him. J. McDonald received the first penalty of the evening when Parker fell over him, and two minutes after his return "Chook" scored when he followed his brother's rush and took his pass from behind the Kentville net. The period ended with Kuhn making a fine save from Corbin.

Not content with their lead of three goals the locals went after more in the second stanza and after penning Barnaby for some time Gertridge scored when he received Moshers' corner pass. Windsor kept trying for another and gave Barnaby a hard time until J. McDonald scored on a corner pass from Moshers. Gertridge received his first penalty of the season for tripping G. Kennedy. From then until the close of the period Windsor played a four man defense and kept the puck out of danger. Kentville's second goal was a chance. W. Kennedy shot from centre ice and Kuhn stormed it with his skate a foot in front of the net. The Kentville goal judge claimed a goal and the local manager demanded his removal. Enthusiasm ran high for a few minutes. But the goal was allowed and the players took up their positions. The locals continued their defensive play and the period ended with the score 6-2.

Owing to the wet ice the play was somewhat slower in the final period but the locals still held the upper hand and Gertridge scored his third goal of the evening when he batted the rubber toward the corner of the net but struck G. Kennedy's skate and was deflected into the mesh not giving Barnaby a chance. W. Kennedy stick-handled through the locals a few minutes later and Kuhn made a brilliant save from close in. G. Kennedy drew a penalty soon after for tripping. Sam McDonald scored the final goal as a result of a rink length run down left lane and the game ended with Kuhn saving long shots from the Kentville forwards.

Windsor—G. Kuhn, goal; V. McCann, S. McDonald, defence; J. McDonald, centre; Moshers, Gertridge, wings; C. Smith, W. Chambers, W. Singer, subs. Kentville—Barnaby, goal; Corbin, Parker, defence; G. Kennedy, Centre; Bennett, W. Kennedy, wings; Cox, Ower, subs.

Referee Ves Laing, of Kentville, handled a hard game in an efficient manner.

## LEANDER COX

Mr. Leander Cox, a highly respected and widely known resident of Habitant, passed away at the home of his son, Edlie Cox, Habitant, on Tuesday evening, Feb. 17th, after a few days illness, aged 87 years. Mr. Cox was for many years a deacon in the Free Will Baptist church, and upon the union of the churches became a deacon in the United Baptist church, which office he has filled faithfully for many years.

## ADVOCATES NAVAL DEFENSE

The question of naval defense for the Canadian coasts will be brought up at this session of the Federal Parliament by A. W. Neill, M.P. for Comox-Alberni, British Columbia. He has given notice that he will move, "that Canada should prepare to bear some portion of the naval defense of our sea-coasts and of our ocean-borne lines of commerce."

## ACADIA LOSES TO WINDSOR

In Fast Game at Windsor Monday Night—Score 6-2.

WINDSOR, Feb. 16.—Windsor won a 6-2 victory over the Acadia sextette in a fast game of hockey played at the local rink tonight. The combination play of the visiting aggregation was a feature of the game, while the work of Elderkin in the visitor's goal was indeed fine.

The visitors drew the first score of the evening when shortly after the opening of play Vincent shot one from the corner a pass from McLatchy. Windsor's only score came when Singer and McDonald forced the puck against Elderkin's feet, minutes after the second period. Three minutes after the opening of the third period, being the only score of the period, Singer, who both teams strove hard to find the net, was first real try-out with the locals and he made good.

Shortly after the opening of the final period Wright received a pass, a length cent, after the latter had gone the other way, and shot a hot one past Kuhn, thus evening the score. Moshers again set his team ahead with a shot from outside the defense. Singer found the board after this, through the rebound when he shot through the visitors and banged "handle" one past Elderkin.

The line-up: Windsor—Goal, C. Kuhn; defense, V. McCann and S. MacDonald; centre, W. Singer; wings, E. Moshers and M. Gertridge; subs, W. Chambers and C. Smith. Acadia—Goal, B. Elderkin; defense, F. W. Wright and R. D. Johnson; centre, McLatchy; wings, Barteaux and Vincent; subs, Eaton and Mackley. Referee—Earl Moshers, Windsor.

# Boosting Wolfville

----is more than merely "thinking" or "saying" good things about the town. Real, honest-to-goodness BOOSTING means that citizen of Wolfville must carry out the following principles every day he lives here:

1. Assume his share of civic responsibilities and contribute his moral and material support to any movement toward good government. An efficient yet human civic administration is the backbone of a prosperous town.
2. Do his part in getting and keeping good churches and schools, for these institutions are the builders of progress for the coming generation.
3. Patronize home merchants and professional men, for they are mainly responsible for the comforts, pleasures and opportunities that this community affords to its citizens.
4. Contribute his every effort toward keeping our streets and yards clean and attractive. An attractive town is good business, for a healthy atmosphere is one of the first requisites for drawing new citizens of the right sort.
5. Be generous in thought, word and deed to his neighbors and fellow citizens. MOST OF THE HAPPINESS IN LIFE IS GOTTEN BY DOING FOR OTHERS AND ENTERING INTO THE SPIRIT OF CO-OPERATION.

These are the principles that, when every person does his best toward actually carrying them out, will bring us all prosperity and happiness. We prosper only as those about us prosper, so----

Every loyal citizen of Wolfville is urged to become an active working partner with us----let's do some REAL boosting for our town by MAKING IT BETTER IN EVERY WAY.

Personal and Social

Miss Maude Melvin, of Canning, is visiting in town, at the home of her aunt, Mrs. A. C. Cox, Main street.

Mr. Ernest R. Wickwire, of this town, has received the appointment of Commissioner of Sewers in and for the county of Kings.

Mrs. L. F. Blenkhorn, of Canning, was a visitor over Sunday in Wolfville, a guest at the home of her brother, Mr. C. A. Patriquin.

Dr. J. D. Logan, of Halifax, has been appointed Dominion Archivist for the Maritime Provinces, succeeding Dr. W. C. Milner, of Wolfville, retired.

A. L. Davidson, of Middleton, was elected vice-president of the Nova Scotia Fox Breeders' Association at the annual meeting held at Bridgetown on February 10th.

Mr. David Thompson fell on the ice on Saturday last and injured himself quite severely. His face was badly cut making necessary the services of a doctor and a number of stitches.

Miss Margaret McCurdy, of New Glasgow, is visiting at the home of her friend, Mrs. C. M. Collins, at Port Williams. Miss McCurdy was a member of the graduating class of '23 at Acadia University and has many friends here who are glad to welcome her back.

Mr. J. Elliot Smith, who has been spending the past year in England, arrived home this week and is being gladly welcomed by his many friends here. We understand it is Mr. Smith's intention to return to England in the near future.

Mrs. J. B. Tingley, who has been spending the winter with relatives at Canning and in Annapolis county, arrived in Wolfville on Monday and expects to remain several months. She has rented Mrs. Kinsman's house on Westwood avenue. Lieut. Harold Tingley, R.N., who has been granted three months shore leave, is expected to arrive in Wolfville on Saturday.

A very enjoyable Valentine tea was held by the Ladies' Aid of the United Church at St. Andrew's manse last Saturday afternoon. The decorations for the occasion were pretty and appropriate, and all the arrangements were dainty and fitting. There was a good attendance of ladies and a creditable amount was raised to be devoted to the work which the society is so well carrying on.

CALENDAR REFORM

First Task of League Commission to Fix Date for Easter.

GENEVA, Feb. 17.—Deciding that its first task is to fix a definite date for Easter, the special League Commission on the reform of the calendar adjourned last night to meet in May.

As for readjustment of the calendar as a whole, a subject that has sorely tried the brains of men for long centuries, the commission is agreed that more profound and minute study are necessary.

SWEEP BY STORMS

Vast Amount of Damage Caused Over Large Section of Europe.

LONDON, Feb. 16.—For the last week the large section of the Alps, including the whole of Italy, the Bavarian alps and in a lesser degree, portions of Austria, France, Switzerland, Portugal, Spain and Morocco, have been visited by snow storms and gales of an extraordinary character, approaching tornado force. These have been responsible for a vast amount of damage to property and crops and unusually heavy delays in the reception of telegraphic despatches, especially from Italy, and the consequent breakdown of telegraphic and telephonic communications.

Only the briefest descriptions of the havoc caused by these storms have yet reached London, and it is feared that when the full tale is told the damage will prove to be exceedingly heavy.

DARK GREEN WOOL CREPE BROCK IS TRIMMED WITH COLORES

This simple dress possesses youthful line, and adds to its youthful air by the use of gay colors for trimming. The model uses gold and henna braid at the neck and hem, while these two colors are repeated in the embroidery that adorns either sleeve. Black fox fur adds an additional trimming note. The little hat is of henna velvet with a gold lace brim.

G. T. SOMERS

President Crown Life Insurance Company, who presided at the annual meeting on Feb 2nd, which launches the Company on its 25th or Silver Jubilee Year. Mr. Somers is also President of the Canada Grain Company, Chairman of the board of Directors of the Standard Bank of Canada, and Vice-President of the Muskoka Lakes Navigation Company.

BEAUTIFUL GOWNS SHOWN IN "BLUFF"

The Sam Wood Paramount production, "Bluff", which will show at the Orpheum Theatre Wednesday and Thursday is a story of New York City, with its fashionable hotels, Fifth Ave. modiste shops and its bluff—a romantic melodrama with many light comedy twists, produced after the usual fashion of the man who made "Prodigal Daughters", "Bluebeard's Eighth Wife", "His Children's Children" and "The Next Corner", and featuring Agnes Ayres and Antonio in the principal roles.

Miss Ayres, as Betty Hollowell, has a hard time making New York recognize her genius as a designer of gowns. The big city has her almost beaten until she gets the idea of putting up a big bluff and bluffing her way to fame and fortune. From this point on the story builds to a big dramatic climax, with Antonio Moreno, playing Robert Fitzmaurice, a young attorney, furnishing much of the drama.

A cast of all big names plays in support of the leading players in this production. There are Roscoe Karns, E. H. Calvert, Clarence Burton, Fred Butler and others just as well known. Willis Goldberg, who prepared the continuity for "Scaramouche", wrote the scenario.

FRENCH CLUB FORMED

A new organization which was recently formed in Wolfville is "La Soiree", a French Club which promises to be an interesting and profitable feature. The officers are as follows: President, Dr. H. T. DeWolfe, Leader, Professor Paul Rogers, Secretary, Mrs. A. B. Balcom, Mrs. (Dr.) Hill, Mrs. (Dr.) DeWolfe and Mrs. (Dr.) Elliott, compose the competent programme committee which will be responsible for the activities of the club.

A recent meeting a paper was read by Miss Palmer, Vice Principal of Acadia Seminary, on "Anatole France", and one by Professor Rogers on the French Drama, both of which were instructive and interesting and were discussed by the members of the club. Miss Frome, of the teaching staff of Acadia Conservatory of Music, gave a delightful French song, which was most enjoyable. The club is to meet every fortnight during the season, the next meeting to be at the home of Prof. and Mrs. Balcom, Westwood avenue.

ACADIA CO-EDS WON BASKET-BALL GAME

Acadia Co-eds defeated Halifax Y.W.C.A. basketball team by a score of 49-25 in the Memorial Gymnasium here Monday night. The game was fast but the visitors could not get the better of Acadia's combination play.

The outstanding players for Y.W.C.A. were the forwards, Ivy Martell and Beulah Robinson whose shooting was excellent, while P. Colbath, J. McLaughlin and A. Doherty starred for the garret and red.

In the first half the teams seemed to be evenly matched with Y.W. piling a good lead at the start and Acadia coming from behind toward the end, so that half time showed Acadia leading by 21-20. Acadia got their combination working in the second half and increased their lead to 49 while Y.W. obtained two baskets. The final score was 49-25 for Acadia.

"Poodle" McDonald refereed satisfactorily. The teams: Y.W.C.A.—I Martell, 12; B. Robinson, 13; B. Martell, M. Stech, R. Schaffer, E. Boal. ACADIA—A. Doherty, 21; J. McLaughlin, 24; P. Colbath, H. Lawson, I. Vogler, B. Smith, C. Chipman, F. Parlee, 4.

CANNING CLAIMS GAME BY FORFEIT

CANNING, Feb. 16.—Owing to the failure of the Kentville team to arrive in Canning tonight for the scheduled league fixture the Canning Club have claimed the game on a forfeit. Kentville's reason for refusing to play was that they did not consider that the ice would be in a fit condition. The rink management, however, announced that the ice was dry and quite suitable to play hockey on. Kentville still refused to play after being advised of this so the game was claimed by Canning. This

win will place the Canning team in a tie with Windsor for first place in the Valley League.

(Note.—At a vote of the Valley League, taken at Windsor Tuesday evening, Feb. 17, it was decided to have the Kentville-Canning league game played in Canning rink Friday evening, Feb. 20.

ACCIDENT TO GASPEREAU LADY

While in town on Tuesday afternoon Mrs. Kenneth Hunter, of Gasperreau, had an unfortunate accident which might have been attended with fatal results. The horse which she was driving became frightened by a dog and started to run. The carriage collided with a sloven and Mrs. Hunter, who was attempting to check the animal was drawn over the dashboard and fell on her face on the pavement.

The accident occurred in front of Young's bakery, and the unfortunate lady in an unconscious condition was carried there and medical aid summoned. Before the arrival of the doctor she regained consciousness, but investigation showed that she was severely injured. All that was possible was done for her comfort and on Wednesday morning she was taken to Westwood Hospital and THE ACADIAN learned on enquiry that her condition was much improved.

At present there are 711,000 farms in Canada, as compared with 6,448,343 in the United States, according to figures published by the Saskatchewan Star. The average farm in the American republic is 148 acres, while 198 acres represents the average in this country; but the value, however, is in reverse proportion, the Canadian holding being valued at \$9,268 and the United States one at \$12,084. The net agricultural production per farm in Canada with 1920 figures as a basis, averaged \$2,136, compared with an average of \$1,703 in the United States. On the basis of all farms, the average expenditure for labor was \$185 in this country and \$210 on the other side of the boundary.

Blue Bird Tea better than ever. Australia is helping out its fruit growers by a loan of 200,000 pounds, or one million dollars.

With the days getting longer and the price of gasoline rising, who can doubt that Spring is on the way?

Are you reading our serial story, "Treasure Trail"? If not you had better start with this issue as it is going to be a very interesting and exciting story.

Up to last Sunday 962,544 barrels of apples had been shipped to the English market since the season opened last summer.

Four and a half cents a box for oranges and seven cents a box for lemons have been appropriated for advertising in the 1925 budget of the California Fruit Growers' Exchange.

If the buffalo robe taken from the car in front of the church at Gaspereau last Sunday night is returned to THE ACADIAN no action will be taken. Otherwise, the culprit, who is known, will be proceeded against.

The enterprising proprietor of Rand's Drug Store has attached an amplifier to the phonograph in the store and has it connected with a horn on the outside of the building, so that when the phonograph is being played the music can be heard on the street at quite a distance.

The innovation is creating a good deal of interest. We find it again necessary to remind our advertisers that changes for their advertisements should reach us not later than Monday in order that they may appear in that week's issue.

We are compelled to operate short handed for some weeks, and it will be of great assistance to us if our advertisers send in their copy early.

The fact that a number of our business houses have not been carrying ads. in THE ACADIAN during the past few issues should not be understood as meaning that they have gone out of business. Meantime the country is being flooded by the attractive catalogues of mail order houses, whose advertising managers never become weary, even in a dull season.

At a dinner recently held at the laboratories of the Merrimac Chemical Co., of North Woburn, Mass., Mr. Edgar M. H. David, formerly of Church Street, who is an employee, was given a prize of \$75.00 as a reward for a suggestion in the way of improving Gouber Salt.

Another instance of the folly of putting too much confidence in strangers happened recently in Wolfville, when a number of people paid their good money to a travelling canvasser for a popular periodical which has so far failed to make its appearance. The moral is deal with the local Magazine Man, and run no risks.

If you need anything in the line of newspapers or magazines consult H. P. Davidson, "The Magazine Man", Phone 217.

RESIDENCE RULE HAS BEEN ADOPTED BY UNITED STATES

Players Must be Registered By August First.

PITTSBURGH, Pa., Feb. 17.—The much discussed "residence rule" has been adopted by the United States Amateur Hockey Association, Secretary Roy D. Schooley announced here after a mail vote on the matter last night.

The rule requires that a player must reside in the city which he represents on the August First preceding the hockey season, or, at least, be a student at some school in the city.

Officials of the league said passage of the measure will mean a resumption of relations between the Canadian and United States ice forces. Its purpose is to prevent the importation of Canadian players for United States teams.

MAY BE OPPOSITION TO BUS SERVICE BETWEEN HALIFAX AND YARMOUTH

The application of Mr. Dauphinee to the Board of Commissioners of Public Utilities for a certificate of public convenience and necessity for a motor bus service in summer between Halifax and Yarmouth via the Valley, came before the Commissioners last week, but as the applicant was not ready to proceed with the matter further adjournment was made until March 3rd. It is expected some opposition to the granting of the certificate will be made.

Flynn and O'Leary were employed as extra men in the repair shop of a large hardware concern. The "boys" were all old friends; and they jostled and sang and whistled without a let-up.

Said Flynn—"T is is the noisiest place I ever worked, Pat."

Said O'Leary—"I believe ye Mike. Th' only time it's quite here is whin someone starts the gas engine and drowns the noise."

Mrs. Joseph Harris entertained the Modern Priscilla Art Club Wednesday evening, Feb. 11th, a large number attending and enjoying a delightful hour.

Mrs. Spurr Woodworth was the hostess at the meeting of the Arts and Crafts Club held Monday evening, Feb. 10th. Rev. Dr. Hodgson returned last week from Yarmouth accompanied by Mrs. Hodgson, who is improving, after a successful operation performed in New York.

Mrs. David Webster has returned from Canning hospital, where she underwent an operation on her throat.

Mrs. Hardy Vaughan, who is a patient at Canning Hospital, is improving.

L. S. Macoun, Ottawa, is on a business trip to Canning, and is a guest at the Waverley.

The Junior class of '26, of Acadia University, held a sleighing and skating party on the evening of Feb. 10, driving from Wolfville to Canning, the number consisting of about 40 young people. The class engaged Canning Citizens' Band, which rendered very excellent music in Canning rink under the direction of Professor Gordon. This party was chaperoned by Mrs. A. B. Balcom and Mrs. Ross, who were accompanied by their husbands, Professor Balcom and Professor Ross. Having previously been invited to the home of Mrs. A. M. Covert, mother of Miss Lou Covert, a member of the class, the party gathered at Mrs. Covert's residence at the conclusion of skating, where refreshments were served and games and music enjoyed, these young people declaring that they had spent one of the best times ever. Mr. Noble, on behalf of the class, moved a vote of thanks to the hostess, who responded graciously. Friends of Mrs. Covert, namely, Mrs. Starr Eaton, Mrs. A. A. Ward, Mrs. Charles Cox, Mrs. Victor Eaton, Miss Bertha Northup, who assisted in serving supper, added much to the pleasure of the guests. The evening closed by the singing of Auld Lang Syne.

Mr. Jack Bigelow, of Acadia, who has been ill, has recovered.

Mr. Horace Grant has accepted a position with Mr. F. W. Robinson, Kentville, entering upon his duties last week.

T. Purser, amateur poultry raiser of Canning, in the month of January, from a pen of 20 White Leghorn pullets obtained 320 eggs, an average of 16 eggs per hen.

W. B. Burbidge, Leo Lyons and T. T. Chipman have been appointed assessors for the Canning Water District for 1925. The assessment is to be completed about March 1st.

Rev. W. G. Heisler and Mrs. Heisler entertained the Debt Destroying League of United Baptist church on Tuesday, Feb. 10th, a delightful afternoon being spent, and at the conclusion of the business hour the cup that cheers was served.

The Basketry Club was entertained by Mrs. A. A. Ward last week.

Mrs. Stoever, four children and niece arrived Feb. 11 from Toronto to visit Mrs. Stoever's parents, Mr. and Mrs. Frederick Schaffheitlin. Mr. Stoever will arrive later, and in April, accompanied by Mrs. Stoever and family, will sail for Germany where Mr. Stoever has accepted a position. They will be accompanied by their niece, who has spent two years in Canada.

### For Baby's Bath

More than that of any other member of the family, baby's tender, delicate skin needs the greatest care and attention. The soft soothing oils in Baby's Own Soap make it especially suitable for babies, and its clinging fragrance reminds one of the roses of France which help to inspire it.

A telegram was received Feb. 12 by R. W. North, conveying news of the death of Mary E. Percy, widow of the late David A. Percy, formerly of Canning. Mrs. Percy, who had been in ill health for several months, passed away at the home of her son, Mr. George Blenkhorne, Boston. Mrs. Percy was twice married, her first husband being James Blenkhorne, of Cumberland County. Those left are two sons, George Blenkhorne, Boston, and John S. Percy, of Dorchester, Mass.

The Mission Circle of the Methodist church met at the home of Mrs. Lorne F. Blenkhorne last week. Miss Florence Cook, president, in the chair. Readings by Mrs. Blenkhorne and Miss Erna Goldsmith were followed by selections on the victrola.

Mr. Jacob Cohen has returned from Halifax.

Mrs. A. D. Payzant entertained a few friends at the tea hour Monday afternoon in honor of Mrs. E. M. Beckwith, a delightful afternoon being spent.

Mr. Bronson Taylor, Medford, underwent a successful operation for appendicitis at the Victoria General Hospital, Halifax, and is improving.

### MASONS HOLD ANNUAL CHURCH SERVICE

Scotia Lodge, No. 28 A.F. and A.M., held their annual church service on Sunday morning, Feb. 15, gathering in the lodge rooms and marching to the Methodist church, where the service was conducted by Worshipful Master, Dr. Thomas W. Hodgson. The choir rendered special music, which added much to the beautiful service. Violin solos by Miss Kathleen Rand were greatly enjoyed. The church was filled with a large and representative audience.

The service opened by the singing of "Jesus, Lover of My Soul", followed by prayer and the reading of Psalm 96. The pastor chose for the scripture lesson 1 Cor. 3: and 1 Kings 7: "Ye are God's Building"; and "The Building of the Temple by Solomon". I need not remind you, said the speaker, what the temple was to the children of Israel—the centre of their national life. When the house was finished, it became the embodiment of their national spirit, the embodiment of the affections and energies of the people. It was symbolic of the recognition of the divine in human life. Where there is no recognition of God there are arrogance and false pride, but where the recognition of God comes there is a safeguard of national life. In the building of this house there was a threefold process: (1) The stone an inert mass in the quarries was brought out. (2) By being brought out it was given an entity of its own. (3) In the process of preparation the rough stone was prepared in shapeliness for use. It was submitted to the power of the chisel, and was ready for removal. Then came the wonder of it all. It was thought wrong that instruments be used to place it—these were intruders on that which was God-consecrated. When the stone was removed to its proper place, it slipped slowly and quietly into the spot designed for it. The Apostle makes constant use of imagery in Solomon's temple. "Ye are the temple of the Most High." Thus to individuals was imagery used, Christ the foundation and builder, and we the living stones for some greater destiny in the edifice God is building.

In the preparation of the stone Solomon used somewhat the same steps as God uses in the building of His church. God extracted from the dead mass, called men from the fishing boats and separated them from the world. In the preparation we find these men like ourselves, impulsive, intolerant. What does the master do with these characters? He draws them near to Him, polishing the rough spots that lie on the souls of men. That power, which is singleness of heart, must reign. That is the quarry scene. Then comes the scene of removal, as Christ works in the hearts of men. The plotting of the Herodians rising in antagonism till Christ was carried away and crucified. Then the clamor and turmoil ceased, and here in the Upper Room the spirit of God came upon them and each man moved in his own place and took their places as living stones in Christ's temple. This represents the last stage in the building, and it has been at work in the history of the world ever since. We can find in Solomon's temple building the symbol of that God divine in the building of His church. The church is a spiritual house not made with hands. It is of living stones. There is not one of us to whom God does not reach out loving hands. He has a place for each of us. Some will say "It matters not what I think or do." Though the busy world may not care what you do or think, one there is who does care. God wants to fashion you to become a

member of His kingdom. Some will say "God left me alone in my temptation." When the stone was brought out of the quarry it was not cuddled, the chisel and axe must do their work. Why does God allow such things? God says "In the world you shall have tribulation." But after all what do you desire? To be made a real support for His temple? Then think of the divine architect and submit. Are you satisfied with your character? Is it fit for His temple? Pray God that He may search you and lead you in the way everlasting, and that He may apply the chisel to fit you for some useful place in His temple. Then there is the silent putting in its place. All debris is left behind and you are brought into the sacred precincts. Is not the discipline worth while, that you may reach that perfection, that Christ-likeness, that enables you to find the place you are fitted for and that is fitted for you. I sometimes wonder if lack of faith does not prevent us from finding our place in God's great plan. Where He has put us in our place, helping Him in helping others, and living in loving fellowship with them. We find the complete life in realizing that we are one of many made ready for Him. So the structure grows. We are being prepared to slip into our place where we shall finally reach the maturity of perfection and work for Him. Living stones chiseled and ready for the Master's service! God grant that each and all of us may thus be made fit for the Master's use.

### GIRL GUIDES BANQUET MOTHERS

The banquet given by the Girl Guides in the Armory Friday evening, Feb. 13, in honor of their mothers, was a great success as are all things undertaken by this splendid band of girls under the faithful leadership of Captain Bigelow and Lieutenant Melvin. The auditorium was artistically decorated with streamers of red and white, interspersed with hearts of red, while tiny hearts, as favors, were carried away by the guests as reminders of an evening of much pleasure.

The guests were welcomed by Captain Bigelow and Lieutenant Melvin, assisted by the Patrol Leaders, Erma Goldsmith, Muriel Goldsmith, Nellie Eaton, Laurbel Bigelow, Clara Meek, and Emma Bennett, while groups of Guides mingled with their parents and friends in happy fellowship. An interesting programme following words of welcome by Captain Bigelow and Lieutenant Melvin consisted of: Piano solo—Guide Marie Byng-Hall. Vocal duet—Guides Ona Ward, Leila Blenkhorne. Reading—Patrol Leader Nellie Eaton. Piano solo—Guide Margaret Bigelow. Piano solo—Guide Marie Byng-Hall. Piano solo—Guide Geraldene Melvin.

The programme was delightfully carried out and the feast that followed was all that could be desired. As guests beside the mothers were Dr. Thomas W. Hodgson, Mrs. Frank Huston, Mrs. C. F. Reynolds, Miss Ada Reynolds and Miss Winnifred Adams. Following the banquet games and music were enjoyed, bringing to a close an evening of much pleasure.

which we are selling at moderate prices. This stock has been giving great satisfaction the past few years.

Canada and the other Dominions are practically assured of some form of preference which will become law when the British Parliament meets in February, which should greatly benefit the orchardists in the Valley. Far sighted growers are ordering our trees for Spring planting, anticipating the better demand for apples in the future.

Pray God that He may search you and lead you in the way everlasting, and that He may apply the chisel to fit you for some useful place in His temple. Then there is the silent putting in its place. All debris is left behind and you are brought into the sacred precincts. Is not the discipline worth while, that you may reach that perfection, that Christ-likeness, that enables you to find the place you are fitted for and that is fitted for you. I sometimes wonder if lack of faith does not prevent us from finding our place in God's great plan. Where He has put us in our place, helping Him in helping others, and living in loving fellowship with them. We find the complete life in realizing that we are one of many made ready for Him. So the structure grows. We are being prepared to slip into our place where we shall finally reach the maturity of perfection and work for Him. Living stones chiseled and ready for the Master's service! God grant that each and all of us may thus be made fit for the Master's use.

member of His kingdom. Some will say "God left me alone in my temptation." When the stone was brought out of the quarry it was not cuddled, the chisel and axe must do their work. Why does God allow such things? God says "In the world you shall have tribulation." But after all what do you desire? To be made a real support for His temple? Then think of the divine architect and submit. Are you satisfied with your character

## PORT WILLIAMS AND VICINITY

Mr. and Mrs. Manning K. Ellis, Belcher Street, with their little daughter, Mary, left on Monday, Feb. 16th, for Vancouver, B.C. While in Vancouver they will visit Mrs. Ellis' sisters, Mrs. MacNaughton, Mrs. MacLaren, also her brother, Mr. Clarence Messenger, who is principal of one of Vancouver's High Schools.

Mrs. Hardy, of Kentville, spent the week end as the guest of Mrs. Elizabeth Chase, Church Street.

Burnett Goudy, with his mother, Mrs. Eldridge, drove to Billtown on Wednesday, Feb. 18th, and spent the day with friends there returning home in the evening.

George Lantz, little son of Mr. and Mrs. Ivan Lantz, was taken to Westwood Hospital on Friday morning, Feb. 13, where he was operated on for hernia. Latest reports are that he is recovering satisfactorily.

Miss Lucy Cogswell spent a few days in Wolfville last week, the guest of Miss Bessie Curry, Main Street.

Mr. and Mrs. Ralph R. Newcombe entertained at a crokinole party of seven tables on Friday evening, Feb. 13th.

Miss Dorothy MacKinnon spent the week end at her home, returning to her school at Arlington on Monday.

Master Eustace Rand entertained a number of his boy friends at a Valentine party on Saturday, Feb. 14th.

The World Wide Guild held a very interesting session on Sunday evening, Feb. 15. After the regular opening exercises, the evening was spent with favorite hymns and their authors, relating a brief sketch of their works and the incidents which inspired certain hymns after which all joined in singing the hymns referred to.

Master Johnny Murphy entertained at a birthday party on Wednesday, Feb. 11, the boys all having a wonderfully fine time.

Miss Edith Murphy, of the telephone staff, Wolfville, spent Sunday with her parents, Mr. and Mrs. Cameron Murphy.

Mrs. MacLean, of Wolfville, spent the week end with her friend, Miss Dorothy Hilsley.

Mr. and Mrs. Geo. A. Dodge and their little son Gordon went to Halifax on Wednesday for a few days.

Mrs. Geo. A. Chase entertained a number of her friends at Bridge on Friday, Feb. 13, at high noon.

Miss Irene Gates, who has been very ill with La Grippe, is able to resume her work again.

Miss Florence Gates gave a Valentine birthday party to her little girl friends at her home on Feb. 14th.

Mr. Kelly, of North Sydney, was the guest last week of Mr. G. H. Hilsley and his daughter, Miss Dorothy Hilsley.

Mr. Bronson Taylor was the guest of his aunt, Mrs. Kempton Beanson, for the week end.

Miss Margaret Hunt, of Greenfield, Queens county, was the week end guest of Miss Irene Gates.

The Port Williams hockey team went to Centreville Wednesday evening, Feb. 18th, and played against the Centreville team Port Williams winning by the score 9-5.

## GREENWICH

Mrs. Lilla Forsythe and Miss Lillian Bishop spent the day last Tuesday in Wolfville with their friend, Mrs. L. Hutcheson.

Mrs. T. A. Pearson and daughter, Mrs. Merry, and little son Eugene spent the day in Wolfville last Wednesday.

A few from here enjoyed the addresses of Rev. and Mrs. Gullison, Wolfville, missionaries on furlough, at the Baptist church at Port Williams last Wednesday evening.

Mr. Dexter Forsythe received the sad news of the death of his father, Mr. Henry Forsythe, last Wednesday. He was a well remembered resident and property owner of this place for many years and his death is regretted by many old friends. He passed away at his home in Belmont, Mass.

Miss Isabelle Meek, who is a guest at the home of her sister, Mrs. Dexter For-

sythe, has been very ill with an attack of La Grippe. Her friends are glad to learn she is now much better.

Miss Evangeline Cox has been confined to her room with La Grippe, but we learn is now improving.

Evelyn Forsythe, little daughter of Mr. and Mrs. Edgar Forsythe of Cambridge, former residents of this place, visited here a few days the last of last week with her relatives.

Social night at the G.C.L. meeting last Friday evening was thoroughly enjoyed by a good crowd.

After usual business, a social time was enjoyed until after 10 o'clock. Reading of many valentines caused merriment, and the valentine contest was interesting, and a couple of our young people won the prize, a nice box of chocolates. Even "hearts" figured in the refreshments served. This week all should be present to enjoy the address or lecture. The speaker was not decided upon at last meeting, but a worth while evening may be expected.

Mr. T. A. Pearson went to Bear River on the midnight train Saturday night to spend Sunday with his son-in-law, returning home early Monday morning.

A few from here went to New Minas Sunday and enjoyed the splendid song service at the Baptist church, by their choir assisted by two of our choir members. Those who attended church service here in the afternoon enjoyed a duet sung by Mrs. W. Curry and Mr. Turpele.

Miss Molly Dodge, of Kingston, who has been here at the home of Mr. and Mrs. T. A. Pearson over two weeks, returned home one day very recently.

Mr. and Mrs. A. K. Forsythe have been housed with bad colds or La Grippe. We hope soon to hear of their recovery to usual health.

Mrs. Brenton L. Merry and two children, who visited here at the home of her parents, Mr. and Mrs. T. Andrew Pearson, over a week, returned to her home in Bear River Monday morning, accompanied by her mother who will visit her a few days.

Auditor—R. S. Hockin.  
Vestry Clerk—F. M. Vaughan.

**WILL THERE BE AN ELECTION?**

The question is being asked on every hand: Will there be a general election this year? To this there can only be one answer: Wait and see. All that one can do is to express an opinion on the probability or improbability of it.

There is nothing in the report that a near general election is improbable because the average member does not want one. What he thinks on the subject is of very little account. The average member rarely does want an election. Why should he? When it is put up to him he wants to know why he should be asked to fight one before it is absolutely necessary.

As an indication of how little the average member has to do with a decision of this kind, one need point only to the last general election. It is no secret that the private followers of the government did not want a general election when it was called, and they could do nothing. The decision in such a matter has to be taken by the Prime Minister. Where he gets his advice is sometimes a mystery, but he certainly does not take a poll of his followers in the House.—Financial Post.

### CHANGE IN INCOME TAX PAYMENTS

In Future All Payments Will Be Made to Collector of Customs

OTTAWA, Feb. 16.—For the first time since their invention the income tax blanks sent out by the Federal Government are this year to be filled in and made payable to the Collector of Customs in the various communities. This is a result of the consolidation of the tax departments of the Government under the Department of Customs and Excise.

It is expected by the Government authorities that there will be a considerable saving of money from the consolidation. It will remove the necessity of separate offices in most cases from those of the Customs office, and thus make a saving in rent and, to an extent in salaries to separate staffs, although as to this latter it is not expected that any considerable reduction of staff for handling income tax will be possible.

### WILL NATURE REWARD THE HARD WORKERS OF SABLE ISLAND?

Nova Scotia prospectors are excited over the reported find of an extensive oil area on Cape Sable Island, off the western tip of this province. The well is so pronounced that oil is said to be bubbling up in the centre of the main street of Clarke's Harbor, a small town on the island, which should not be confused with Sable Island, the grassy yard of the Atlantic. Should the find prove valuable, it will be an outstanding case of providential justice, for the people of this district have for generations eked out a bare living from fishing and such farming as is possible on the barren coast. The whole province rejoices to see them translated from poverty to riches.

### INCREASE IN WORLD'S POPULATION

During the nineteenth century the population of the world grew from 640,000,000 to 1,600,000,000. It has increased at the rate of 20,000,000 a year during the century.
