The copy filmed here has been reproduced thanks to the generosity of:

Metropolitan Toronto Library
Social Sciences Department

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Metropolitan Toronto Library
Social Sciences Department

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

ANNOUNCEMENT OF THE PERMANENT SECRETARY.

Members will please call at the office of the Permanent Secretary as soon as possible after arrival, to receive their members' tickets. Members will register at the table of the Local Committee and receive their badges *after* obtaining their tickets.

Attention is directed to the following rule relating to members families :

“ Every member of the Association shall have the privilege of registering members of his family, not including men over twenty-one years of age, by paying the sum of three dollars for each person so registered, and shall receive for them specific badges which will entitle the holder thereof to such privileges as may be extended to the members generally by the Local Committee for the meeting.”

All assessments and admission fees must be paid at the office of the Permanent Secretary, and the assessment for the meeting must be paid before registering and receiving the Association badge.

Newly elected members will obtain their certificates of membership at the office of the Permanent Secretary, upon payment of the admission fee of \$5.00 and assessment of \$3.00.

Members will please report any change of permanent address, or the decease of other members, at the office of the Permanent Secretary.

Blanks for entering the Titles of Communications and for Recommendation to Membership can be obtained in the Local Committee Room.

Subscriptions for the Toronto volume of “Proceedings” will be taken at the office of the Permanent Secretary; and subscriptions are solicited from the friends of the Association, and from such members as wish to obtain duplicate copies of the volume. Every person subscribing \$1.50 or more will receive a copy of the volume as soon as published.

The volumes of the “Proceedings” of the Association can be obtained from the Permanent Secretary, at the price of \$1.50 per volume ; or any member wishing for ten or more volumes in order to complete a set, may obtain them at \$1.00 per volume. The volumes may be had bound in cloth at the extra price of 50 cents each, or in half Morocco at the extra
