L'exemplaire filmé fut reproduit grâce à la
générosité de:

Library of Congress
Photoduplication Service

Les images suivantes ont été reproduites avec le
plus grand soin, compte tenu de la condition et
de la netteté de l'exemplaire filmé, et en
conformité avec les conditions du contrat de
filmage.

Les exemplaires originaux dont la couverture en
papier est imprimée sont filmés en commençant
par le premier plat et en terminant soit par la
dernière page qui comporte une empreinte
d'impression ou d'illustration, soit par le second
plat, selon le cas. Tous les autres exemplaires
originaux sont filmés en commençant par la
première page qui comporte une empreinte
d'impression ou d'illustration et en terminant par
la dernière page qui comporte une telle
empreinte.

Les cartes, planches, tableaux, etc., peuvent être
filmés à des taux de réduction différents.
Lorsque le document est trop grand pour être
reproduit en un seul cliché, il est filmé à partir
de l'angle supérieur gauche, de gauche à droite,
et de haut en bas, en prenant le nombre
d'images nécessaire. Les diagrammes suivants
illustrent la méthode.

(CIRCULAR.)

TREASURY DEPARTMENT,

May 20th, 1808.

Sir,

It appears by information received from several quarters, that flour and other provisions may be wanted in some places not mentioned in the circular of 6th instant; and that supplies for the places therein named will not, in every instance, be procured, by the mode which had been contemplated, as speedily and regularly as is necessary. It is desirable that those inconveniences should be obviated so far as it can be done without endangering the system: and although it be difficult to fix a general rule applicable to many exceptions, yet it seems that moderate shipments of flour and provisions, not exceeding in value one eighth part of the amount of the bond, cannot, when no other cause of suspicion occurs, be considered alone as either intended or calculated to evade the embargo. I think therefore that such shipments, to such an extent, to places to which similar articles have been usually exported from your district, may be allowed, particularly when made in vessels regularly trading between the two places; provided always that you have no other reason to believe that there is an intention to evade or violate the embargo. Some latitude may also be given in the case of vessels belonging to other ports and now in your district, which had actually laden or purchased their cargoes, and lay under no suspicion whatever. This letter must be considered as explanatory of the circular of 6th instant, and not as altering the instructions contained in the circular of 28 ult. to which you will be pleased strictly to adhere.

I am respectfully,

Your obedient servant,
