PREFACE

In presenting to our patrons our third Directory of the Town of Woodstock we hope it will meet with their approval. A thorough canvas of the town has been made, and every effort used to obtain the name of every person who should be represented in a Town Directory.

Mistakes will occur, but we are confident that no more thorough canvas of the town has ever been made.

We have aimed to make our work a fit representative of the public spirit and importance of the Town of Woodstock, and an accurate and complete guide to all public places, business locations and private residences of the inhabitants of the town.

THE CLASSIFIED BUSINESS DIRECTORY is a complete mirror of the business interests of the town, and represents it to the outside world only as a Business Directory can.

THE MISCELLANEOUS DIRECTORY furnishes a large amount of information useful to strangers.

THE STREET GUIDE will be found of much value

Thanking our patrons for the liberal patronage bestowed on our work, we remain.

Your respectfully,

THE PUBLISHERS.

Copy of one of Dr. Browett's Diplomas.

To WHOM THESE PRESENTS SHALL COME: Greeting.
Be it known that

J. W. BROWETT,

has completed our prescribed Course of Instruction and has passed a most satisfactory examination on the Theory and Practice of Refraction.

Having attained a laudable proficiency and having proven himself by actual experience duly qualified to scientifically correct the Errors of Refraction of the human eye, he is entitled to the highest honors this College can bestow.

Therefore, by virtue of the authority vested in this College by its Charter, he is hereby declared a
DOCTOR OF REFRACTION (Ref. D.)

In witness whereof, the corporate seal of the College has been affixed, and the Professors in Charge and the President and Vice-President of the Board of Directors have subscribed their names in the City of Philadelphia, this
19th day of May, A. D. 1894.

Punishment Without Glasses,
 pose arose from any eye trouble.

A London lady-patient wrote us recently that to do without her glasses was punishment to her, now that she had by them been relieved of her former discomfort which she did not at first suppose arose from any eye trouble. J. W. BROWETT, Ref. D., M.O., SPECIALIST IN REFRACTION OF THE EYE.

Punishment Without Glasses.
 A London lady-patient wrote us recently that to do without her glasses was punishment to her, how that she had by them been relieved of her former discomfort which she did not at first suppose arose from any eye trouble.

Punishment Without Glasses. A London lady-patient wrote us recently that to do without her glasses was punishment to her, now that she had by them been relieved of her former discomfort which she did not at first suppose arose from any eye trouble.
