This Examination will take place, in the case of Students entering in the Michaelmas Term, at the end of the second year. The subjects for this Examination will be :

DIVINITY.—One of the Historical Books of the New Testament in Greek.

Evidences of Christianity.
Church Catechism.

CLASSICS.—Portions of two Greek and two Latin Authors.
Latin Prose Composition.

MATHEMATICS.—Euclid. Books I., II., III., IV., VI.

The particular authors to be fixed at the beginning of the Lent Term of the preceding year.

The names of Students who pass this Examination will be arranged in three classes, in alphabetical order ; the first class consisting of those who shall have obtained at least half the whole amount of marks in each subject : the second of those who shall have passed creditably, though below this standard : the third of those to whom the examiners shall have only not refused their certificate of approval.

Any Student who shall have obtained a first class in the Previous Examination, and shall also have passed a satisfactory examination in the Honour Subjects in Classics at the end of the second year, shall be allowed

to declare for Classical Honours, and shall be exempted from attendance at Mathematical Lectures during his third year.

The like exception will be granted on the like conditions (*mutatis mutandis*) to Mathematical Students.

Those Students who shall have been rejected at the Previous Examination of their own year, or who shall have been absent from such Examination, shall be required to attend the Previous Examination of the succeeding year.

If any Student shall absent himself from the Previous Examination of his year without the written permission of the Provost, he shall be considered not to have kept the Easter Term of that year.

Students entering in the Lent or Easter Term must offer themselves for examination at the same time with those who entered in the preceding October.

HONOUR EXAMINATION AT B.A.

Those who shall have been approved at the Pass Examination for B.A. may present themselves for further examination for Honours in Classics or Mathematics. The result of such examination will be published in the College Hall, and in the public prints, in three classes : the order of merit in each subject being determined by the number of marks obtained in this examination, together with those obtained in that subject in the Pass Examination.

The Examiners in Classics or Mathematics may, at their discretion, add a fourth Honorary class to their Honour list, consisting of those who, not being candidates for Honours, have highly distinguished themselves in the classical or mathematical parts of the Pass Examination respectively.

Trinity College.

TRINITY COLLEGE was, by an Act of the Legislature of the Province of Canada, passed in the year of our Lord 1851, constituted a body corporate, consisting of the Lord Bishop of Toronto, (or in case of the division of the diocese of Toronto, of the Bishops of the several Dioceses into which the Diocese of Toronto shall be divided,) the Trustees of the College, and the College Council.

On the first of January, 1850, an Act of the Provincial Legislature came into operation, constituting the University of Toronto; and under the provisions of this Act, the Faculty of Divinity was suppressed, and the use of the ritual of the English Church forbidden in King's College, now known as University College.

This important change in the constitution of a foundation, which owed its origin mainly to the long continued and persevering efforts of the Bishop of Toronto, appeared to his Lordship, and to the great body of the Churchmen of the Province, to render indispensable the erection of a College for the instruction of members of the Church of England.

The Bishop, consequently, on the 7th of February, 1850, issued a Pastoral Letter to the Clergy and Laity of the Diocese, inviting their co-operation in the good work. This appeal was nobly responded to, and about £25,000 currency was subscribed in money, lands, and stock in building societies.

In the same year his Lordship proceeded to England, where he received very liberal assistance in carrying out his great design. The Society for the Propagation of the Gospel in Foreign Parts made a vote of two thousand pounds, payable by instalments of four hundred pounds per annum, and also gave seven acres and a half of land, within the precincts of the City of Toronto. The Society for Promoting Christian Knowledge granted three thousand pounds, and the University of Oxford five hundred pounds. The subscriptions of individuals exceeded four thousand pounds.

On Wednesday, April 30th, 1851, the foundation stone of the College was laid; and on Thursday, the 15th of January, 1852, the Inauguration took place, and from that day the regular course of instruction commenced.

In the year 1852, the Ven. A. N. Bethune, D.D., Archdeacon of York, raised further subscriptions in England: and, in 1852-3, the Rev. William McMurray, D.D., by the appointment of the Bishop, made a tour in the United States, for the purpose of soliciting subscriptions on behalf of the College. He met every where with a most cordial reception from the members of the sister Church, and obtained, in books and money, a sum little short of 10,000 dollars.

Within the Diocese successful efforts were, at the same time, made by the Rev. T. B. Fuller, D.D., and by the Rev. Saltern Givins—the former, by the Bishop's appointment, undertaking the canvass of the western, the latter that of the eastern section of the Diocese.

In April, 1853, Dr. Burnside placed at the disposal of the College the munificent sum of £6,000, in lands and money—a portion of which has been devoted to the foundation of two Burnside Scholarships for Students in Arts, in order permanently to associate with the College the name of this noble benefactor.

In the year 1864, the Rev. William McMurray, D.D., D.C.L., Rector of Niagara, was deputed, by the Corporation of Trinity College, to visit England for the purpose of seeking aid towards the endowment of the College. The result of his laborious and successful endeavours was the realizing of an amount in money or in books of about \$20 000. The books given are mentioned in detail, in the account given of the Library of the College. Dr. McMurray's mission having been interrupted by the necessity of returning to Canada, the Rev. W. S. Darling was appointed in the following year to take up the unfinished work, and he succeeded in collecting \$2,525.

The Hon. James Gordon, M.L.C., bequeathed to the College in 1865 the sum of £500 currency.

In the year 1866, Enoch Turner, Esq., of Toronto, bequeathed to the College £2,000 currency, payable on the death of his wife, out of his "Gas Stock, to be applied towards carrying on the charitable and holy purposes for which the College was incorporated."

Other benefactions to the College will be found mentioned in connection with the Library, or under the head of Scholarships.
