Dougald McLachlan & Sons Manufacturers of all descriptions of ruptions of the blood, such as and syphilitic contamination. Impurities, or diseases that have lurked in the system WHOLESALE AND RETAIL, and syphilitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful antidote and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and eruptive disporders of the skin, Tumors. Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipesias, Tetter, Salt Rheum, Scald Head, Ringworm, and internal Ulcerations of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dropsy, Dyspepsias, Fits, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhoea, when they are manifestations of the scrofulous poisons.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even when no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of STEAM BOILERS.
