MENRY OSBURN.

To the Electors of the County of Charlotte.

Influenced both by the me may and ought to be urged in our legis-lation. I shall endeavor to meet as many of you as possible in your various localities, and THE NORTH BRITISH REVIEW for May by address at public meetings, or otherwise has been received from L. Scott & Co., New as may be expedient, speak of the various topics more immediately affecting the welfare of New Brunswick.

It must suffice now to remark that I shall. whether elected or not, humbly support all Governments (administered upon honorable and correct principles) and measures tending the interests of this, my native County, and the Province generally ; carnestly advocate all enaciments of material rerm in distinction to rash changes or sudden innovations; support all such Railway extension as the finances of the Province-justify and the interests of this County call. for, and in all other matters, local and eral, foster such laws as will secure impar-

tial justice, irrespective of all minor considerations, to all classes of our citizens.

A Liberal I claim to be, in that sense of the word which is superior to all mare partizan lines or party trammels, and which claims the greatest good for the claims the greatest good for the greatest number and immunities or class-privileges for none.

Your Obd't Berv't, O. S. GRIMMER SERVED THEM RIGHT. says during the past thre 1000 small dealers have be ished in England for usin measures.

SERVED THEM RIGHT.—An English paper says during the past three months more than 1000 small dealers have bee arrested and punished in England for using false weights and measures.

THE Provincial Government having decided that New Brunswick should be properly represented at the Great Exchibition in London in 1862, and having authorised the Provincial Board of Agriculture to receive, refering and prepare such articles as will best accom-Ships of War.—There are four ships of war now lying in Halifax harbour, the Nile. St. George, Gladiator, and the Jason. The latter is said to be a splendid specimen of a Steam Frigate.

The Intended husband of Princess Alice of England, is described as a serious young man, with decided religious teedencies, and known at home for works of piety and benevolence.

NEW ADVERTISEMENTS

NOTICE.

In 1862, and having authorised the Provincial Board of Agriculture to receive, relect, and prepare such articles as will best accomplish such object, the Board invite the co-operation of all persons disposed to become "private exhibitors," and will take charge of any articles coming within the following conditions required by Her Majosty's Commissioners in charge of the London Exhibition, viz: every articles coming within the following conditions required by Her Majosty's Commissioners in charge of the London Exhibition, viz: every articles coming within the following conditions required by Her Majosty's Commissioners in charge of the London Exhibition, viz: every articles coming within the following conditions, required by Her Majosty's Commissioners in Charge of the London Exhibition, viz: every articles coming within the following conditions, required by Her Majosty's Commissioners in Charge of the London Exhibition, viz: every articles coming within the following conditions, required by Her Majosty's Commissioners in Charge of the London Exhibition, viz: every articles coming within the following conditions, and Fridays, and Canterbury Tuesdays, Thurscharge of the London Exhibition, viz: every articles coming within the following conditions, and Fridays, and Canterbury Tuesdays, Thurscharge of the London Exhibition, viz: every articles coming within the following conditions, and Fridays, and Canterbury Tuesdays, Thurscharge of the London Exhibition, viz: every articles coming within the following conditions, and Fridays, and Canterbury Tuesdays, Thurscharge of the London Exhibition, viz: every articles coming within the f
