It is estimated that a monument suitable to mark the grave of General Wolfe will cost about \$20,000. Of this amount nearly \$12,000 has already been subscribed, \$6,297.75 by the citizens of Vancouver, \$4,493.00 by the citizens of Winnipeg, and \$1,000 by Lord Strathcona and Lord Northcliffe. A little more than \$8,000 is still needed, and it is felt that as Vancouver and Winnipeg have subscribed more than half the sum required, there should be no difficulty in securing the rest in the other cities of Canada.
