

## RUSSIANS HAVE SEIZED VILLAGE 20 MILES NORTHWEST OF CITY OF CZERNOWITZ, SAYS PETROGRAD

### Berlin Says Russian Offensive Spreading Northward and They Attacked Germans North of Pinsk—Berlin Also Admits Loss of Trenches at Zillebeke.

PETROGRAD, June 14.—(via London, 4.10 p.m.)—In their advance upon Czernowitz, the capital of Bukovina, the Russians have occupied the village of Sniatyn, 20 miles northwest of the city, the war office announced to-day.

In addition to their previous captures the Russians have taken 20 officers, 6,000 men, 6 guns and 10 machine guns.

### AGAINST GERMANS NOW.

BERLIN, June 14.—(via London, 4.11 p.m.)—The Russian offensive, which has been directed against the southern portion of the eastern front, broke out yesterday against Field Marshal Von Hindenburg's forces at a point 75 miles north of Pinsk. The Russians made seven successive attacks with masses of infantry. The war office announcement of to-day says they were repulsed.

### THE OFFICIAL STATEMENT.

At army headquarters to-day the following communication was issued:

"On the heights southeast of Zillebeke a portion of our new positions was lost during the course of yesterday's fighting.

"On the right bank of the Meuse (Verdun front) positions of the enemy west and south of Thiaumont Farm were captured during the battles of June 12 and 13. During these operations we captured 793 Frenchmen, including 27 officers and 15 machine guns.

"German patrols conducted effective operations near Mari-court, in the Somme, and in the Argonne.

"Eastern Front:

"South of Lake Narocz reconnoitering detachments destroyed advanced enemy fortifications and brought back 60 prisoners.

"North of Baranovichi the Russians, after a violent artillery preparation, advanced to the attack with dense masses of troops. They attempted seven times to storm our lines. The Russians were repulsed completely and suffered very heavy losses.

"German aviators in the last few days have carried out operations for the purpose of attacking railways behind the Russian front. Repeatedly troop trains have been brought to a standstill and railway establishments have been destroyed.

"Balkan Front:

"There is no change."

London, June 14.—Reports from the eastern front indicate that the Russians are making substantial progress in their effort to capture Czernowitz, the capital of Bukovina. A Reuter despatch from Petrograd says the Russians have interrupted the Austrian communications by cutting the railway running north from Czernowitz. Heavy fighting is in progress in the eastern, southeastern and northern outskirts of the city.

A wireless despatch from Rome quotes the Russian ambassador to Italy to the effect that Russian cavalry has reached a point 20 miles beyond Czernowitz.

NOT CONFIRMED.

## A SIGN OF THE TIMES

By Special Wire to the Courier.  
London, June 14.—(New York Times cable)—A Petrograd despatch to the Morning Post says: "Among the signs of the times should be noted the fact that what might without irreverence be likened to the palladium of ancient Rome, namely the Hon of the Vladimir, mother of God, preserved in the Coronation Cathedral was recently taken to the Imperial field headquarters. The last occasion on which this most venerated of sacred relics of the Russian state may be said to have been taken to the field was on the eve of the battle of Borodino, which sealed the fate of the grand army and began the downfall of Napoleon, which was completed on the field of Waterloo.

## ITALIANS BEAT BACK ATTACKS

### Repulsed Austrian Offensive on Line of Posina, in the Southern Tyrol.

Rome, June 14.—Via London, 2.02 p.m.—Austrian attacks along the line of the Posina in the southern Tyrol, made after intensive artillery preparations on Monday night were everywhere repulsed by our Italians, the war office announced to-day.

"On the line of the Posina, the enemy, after a violent artillery bombardment, made an attack on the night of June 12 toward Forst-Alla, Campaglia, Monte Giove and Monte Brazone, but was repulsed everywhere.

"Yesterday the enemy confined himself to bombarding our positions along the whole front, particularly in the Novogno area, with batteries of all calibres.

"Our troops firmly withstood this fire and prevented the development of an infantry attack.

"On the Upper Boite attempts by the enemy to recapture positions were thwarted completely. Small encounters in the upper Fella and Seebach valleys resulted in a Russian success, but no important developments on the Isonzo front."

### BRITISH SUCCESS GAINED IN PERSIA

### Entered Town of Kerman With Column of Troops Monday.

By Special Wire to the Courier.  
London, June 14.—A Reuter despatch from Tehran says that General Sykes with a British column on Monday entered Kerman, the principal town of southeastern Persia. The purpose of this movement is not known publicly here, but presumably it is intended to maintain order in the British sphere of Persia. Minor disturbances there have been attributed to German and Turkish emissaries.

## ECONOMIC PHASE OF WAR TO BE CONSIDERED

### Conference of Allied Powers Opens in Paris.

Paris, June 14.—12.20 p.m.—Premier Briand delivered an address of welcome to-day to the delegates to the economic conference of the Entente allies. "It is not enough to conquer by military union," he said. "There must also be diplomatic and economic union, which will bring about intensive development of the material resources of the allies for the exchange of their products and distribution among the markets of the world. We have to assure economic liberation of the world, to restore healthy commercial methods and to recover our commercial independence.

The conference, which opened here to-day, differs from the previous gatherings held during the war to consider questions of economics as affecting the Entente allies. The earlier conferences were largely academic and the delegates did not represent governments. The present assemblage is for the direct interchange of views among the governments concerned, which are represented by leading members of the cabinet of each allied country. The ministers of commerce of all the allies and the ministers of finance of four nations are present.

The sessions are secret, and will continue for several days. The main purpose is to evolve a general policy which will be applicable after the war, to secure joint trade relations among the allies and to prevent renewal of Germany's commercial expansion in the markets of the allied nations.

## Co-Ordination of Allies Shown in the Advance of the Russian Armies

### "The Allies Have a Program Which Will be Adhered to," States General Brussiloff, Who at the Present Time is the Man of the Hour in Russia.

London, June 14.—(New York Times cable)—A despatch to the Daily Chronicle from Petrograd says: "I find that the opinion entertained here is that General Brussiloff's advance is the most notable result of the co-ordination of the allies' war plans, of which Brussiloff spoke to me last month. The sector upon which chief progress has been made is the Kovel-Rovno line, where General Puzlovsky commanded the fourth Austrian army with headquarters at Lutsk. This army was depleted lately by two army corps, sent to the Italian front, hence this sudden movement which Brussiloff forecast when he told me: "The allies have a program which will be adhered to."

### STRONGLY DEFENDED

The significance of the movement on the Stripa lies in the fact that the victory involved the division of the strongest portion of the Austrian lines, where there was a mighty trench and wire system and also strong forces of artillery. This region is open country where the trenches generally are between 800 and 1,500 yards apart. The way to this front led through tremendous field fortifications extravagantly elevated by the Russians while aeroplane bird-eye photographs revealed that the whole position had been, practically duplicated by the enemy.

### FIGHTING AT THREE POINTS.

The fighting was most intense at three points: The Kovel-Rovno sector in the neighborhood of Ternopol, and along the Stripa. The first of these is in the region called Polissie, where the armies were brought to a standstill last autumn in the terrible forest marshes and practically uninhabitable. Here the development of that state of continual preparedness which enabled Brussiloff to move at two days' notice, involved the improvement of a system of log roads over the morasses. It is a nightmare country, where the army lives on islands among still channels of black water, where the advanced troops were practically rafted, stranded on mud banks and approachable over logs laid down across the depths.

### SUPERB RECRUITS.

Thus when every precautionary measure had been taken which ingenuity could devise there remained still the plain problem of straightforward fighting in the open. Here in particular, the young troops were brought to the test. Their numbers were enormous. A journey behind the front revealed after every turn division after division in reserve. Repeatedly officers invited me to take note of the superb physique and splendid youth of the men, inquiring, "how's that for recruits after two years of war?"

### THE MAN OF THE HOUR.

Brussiloff is the man of the hour in Russia. The last few days' captures have brought the total of prisoners taken by him since the beginning of the war to nearly 450,000, besides about 800 guns and an unaccountable quantity of other spoil.

### AT TARNOPOL.

The fighting near Tarnopol was the most desperate on the whole front. Along the Bukowina front, the British, characteristically excellent Galician roads, bordered every few hundred yards by statues of Madonna

## Roosevelt Suddenly Taken Ill; But Quickly Recovered

By Special Wire to the Courier.  
New York, June 14.—Theodore Roosevelt was seized with a sudden and severe illness while on a steamer on East River pier to-day, waiting the arrival of his son and daughter-in-law, Kermit and Mrs. Roosevelt and their baby returning from Buenos Ayres, as passengers on the United States army transport Kilpatrick.

The Colonel constantly pressed his left hand under his heart and walked nervously about. Questioned by his wife, he told her he believed the pain would pass away presently, which proved to be the case by the time the vessel docked.

The former president had the appearance of a man who was ill, his face having a pallor and his manner of walking lacking the colonel's characteristic step.

Later it was explained the Colonel was suffering from a very bad cold, contracted some time ago.

## Preparation For Attack Was a Secret Well Kept

### Russian and Austrian Armies Only Twenty to Thirty Yards Apart in Some Places, Yet Austrians in Ignorance of Blow That Was to Fall.

By Special Wire to the Courier.  
London, June 14.—(New York Times cable)—A Petrograd despatch to The Daily News says:

The preparations for launching Brussiloff's great offensive will be remembered as one of the best kept secrets in military history. Here were two armies at close grips from twenty to thirty yards apart in some places, and never separated for more than two miles and yet one of these armies was in complete ignorance of the death blow which the other spent months in preparing.

The Austrians believed in the weakness of the Russian artillery as well as the impregnability of their own front line. The final attack swept them off their feet. A correspondent met on the road near the front 6,000 prisoners, headed by a small, wretched group without trousers, their only clothing being forage caps and shirts. These were Austrian officers captured sleeping in the second line trenches, and were actually attacked from the rear.

## Many German Officers in the Austrian Forces

### Twenty Per Cent. of Officers Captured Are Germans—Germans Sending No Troops to Aid Their Allies.

By Special Wire to the Courier.  
London, June 14.—(New York Times cable)—The Daily Mail correspondent at Petrograd says:

The number of German officers in the Austrian army is proved in a curious way by the examination of prisoners. Among the men 10 per cent are Germans and among the officers 20 per cent.

According to the best information available it does not appear that Germans are sending large numbers of troops to the assistance of their allies. The estimate of four divisions said to have been despatched from the region south of Lida is considered exaggerated. If true it shows that the Germans regard the position of the Austrians as desperate. Only once before have they sent them direct aid and they sent troops to the Carpathians at a moment when the Austrians were very hard pressed.

How hopeful General Brussiloff feels about developing his initial victory into a far greater triumph is shown by a telegram he sent thanking the Union of Zemstvos for their congratulations. He says: "Trusting in the help of God and relying on the strong and unwavering spirit of the troops and the support of the nation behind them, I firmly and confidently hope to gain such a success as will utterly crush the enemy."

## DIED AWAY FROM EXHAUSTION

### Verdun Battle Once More Settles Down to State of Inaction.

By Special Wire to the Courier.  
Paris, June 14.—The fighting around Verdun has once more died down from sheer exhaustion of combatants. An entire division, half of whom were Bavarians and half Pomeranians was used by the Germans in twelve separate attempts Monday to storm the French position north of Thiaumont. From this position the French flanking prevents the enemy from advancing on Vaux plateau. No result having been attained by nightfall, fresh troops were brought up and the attempt made to turn the position from the southwest. After a desperate struggle a footing was obtained in some of the trenches on Hill No. 821, half a mile west of Thiaumont and a mile east of Bras.

No effort was made to increase this advantage yesterday, owing probably to the losses on Monday which, according to prisoners were exceptionally heavy. A man belonging to the sixteenth Bavarian infantry stated that his regiment had been held in reserve for a big offensive against the last fort of Verdun, but that it had been thrown in to support the troops attacking Thiaumont and had lost nearly a third of its effectives.

### G. Stratford is Reported Wounded

### Has Been Admitted to Hospital in England—Held Rank of Corporal.

Mrs. Joseph Stratford received word that her son George had been wounded in the shoulder and a later cablegram that he had been removed to a hospital in England. He is now in the front with a University corps and later became attached to the Princess Pats, having not long ago earned the stripes of Corporal.

There are five of the Stratford brothers now enlisted for King and Empire, four of them Overseas.

Pte. Melvin Thomas of Burford is listed among the casualties as wounded.

### THE LIST.

Ottawa, June 14.—The officers casually list to-day includes eleven names, all of them wounded. The list follows:

June 4th, wounded, shell shock: Lt. G. McC. O'Grady, Western Ontario; Major G. H. Wilkinson, Western Ontario; Capt. A. T. Thomson, Alberta; Lieut. G. C. Farish, Halifax; Lieut. L. M. Douglas, Western Ontario; Lieut. G. B. Walsh, Montreal; Lieut. C. M. Moser, Halifax; Lieut. G. D. White (machine guns); Lieut. A. J. Hudson, pioneer battalion.

Wounded slightly and at duty: Lt. T. F. Pinkham, Calgary.

Wounded: Capt. H. I. Edwards, Winnipeg; Capt. E. W. Bickle, Highlanders, reported wounded in reported wounded, shell shock. Lieut. G. N. Ruter, C.M.R., reported in wire of 6th died of wounds, should have been reported "wounded" only.

### German Estimate of British Losses

By Special Wire to the Courier.  
Berlin, June 13.—(By wireless to Sayville)—The losses of the British navy during the war are placed by German newspapers at more than 600,000 tons.

"Up to the time of the recent great battle in the North Sea," says the Overseas News Agency, "the British lost eleven battleships, fifteen armoured cruisers and eleven other cruisers. To this must be added thirty torpedo boats, twenty gunboats, twenty submarines and other vessels with an aggregate tonnage of 460,000. These losses were increased as a result of the Skagerak battle to more than 130 units with a total tonnage exceeding 600,000."

### Longboat Fined.

By Special Wire to the Courier.  
Toronto, June 14.—Tom Longboat, of the 18th Battalion, who was charged with indecent assault on a waitress named Carrie Thompson, in a Queen street restaurant, was found guilty of common assault by Judge Winchester and fined \$25 and costs, with a warning to leave liquor alone and behave himself for the future.

### No More Collisions.

By Special Wire to the Courier.  
London, June 14.—Announcement was made to-day that William Macconi will bring out shortly a new device which should put an end to danger of collisions between ships in darkness or fog. It is described as a simple contrivance, easily handled, which will be operated from the bridge of a ship.

### "Janey Canuck" a P.M.

By Special Wire to the Courier.  
Edmonton, Alta., June 14.—Mrs. Arthur Murphy, "Janey Canuck" has been appointed police magistrate for Edmonton having jurisdiction over all cases in which women and girls are concerned.

## SERIOUS REVOLT IS REPORTED IN BOHEMIA

### Street Fighting in Prague Broke Out Last Week.

### AUSTRIA IS HARD HIT

### Dissatisfaction Rife, and Spirit of Army is Broken.

By Special Wire to the Courier.  
Geneva, via London, June 14.—(New York Sun cable)—An unconfirmed report has been received here of a serious revolt in Bohemia on June 9.

According to the report there was street fighting in Prague. No details are given.

### HORROR OF ANOTHER WINTER

London, June 14.—A despatch to The Morning Post from Budapest, dated June 6, says:

"Dissatisfaction among the people owing to the unfavorable reports from the Russian front is growing steadily. Men who have been on leave at home go back with eyes full of tears and with another horrible winter in prospect. The spirit of the men is by no means the same as it was when they broke through at Gorlice and Tarnow.

"The army resembles more a wearied mass of old men than the valiant force of the earlier days of the war. Besides the flower of it has fallen there or at the Italian front, where only young and first class troops can be used in the mountain warfare. The Honved regiments are all at the Italian front.

### MANY OLD MEN.

"The majority of the troops on the 400 kilometre Russian front are Austrians, Germans, Roumanians and some German divisions under General Bothmer, some Hungarians and common divisions, among them levies of 43 to 50 years old—men who are sent there to replace the young men moved to the Italian front in April. These had just completed two months training and number not more than 180,000.

"St. Szomoray, a correspondent with the army, says that prisoners taken state that Japanese artillery and soldiers in civilian clothes are assisting the Russians in great numbers."

## C. M. A. FAVORS REGISTRATION

### Transportation Problems Discussed and Women's Offer Heard.

By Special Wire to the Courier.  
Hamilton, Ont., June 14.—This morning's session of the Canadian Manufacturers' Association was a very important one in that the association went on record favoring immediate registration. The transportation question was discussed and a deputation from the women's emergency corps, representing 3,000 women of Toronto, offered their services to the manufacturers as employees. They asked for equal wages as the men for equal work. They said their aim was to release men for military service. Brig-General Logie and Lieut.-Colonel George H. Williams both addressed the assembly and asked for assistance in raising the 11,000 men which Ontario is still short of its quota of the 500,000 from Canada.

The nominating committee met at 5.30 o'clock when the officers for 1916-17 were selected. The committee will report to the association during the trip to Niagara to-morrow. It is confidently expected that Hon. Col. Cantley of New Glasgow, of the Nova Scotia Steel Company will receive the nomination for president and that he will accept the office.

### Fire at Barriefield.

By Special Wire to the Courier.  
Kingston, Ont., June 14.—Soldiers at Barriefield camp fought a serious blaze in the village last night. The house and contents and barns of Chas. Martin were totally destroyed. There is no fire fighting equipment and the soldiers formed a bucket brigade and probably saved the village from destruction.

### Died at 106.

By Special Wire to the Courier.  
Fredericton, N.B., June 14.—Levy Richardson, who yesterday entered upon his 106th year, died during the night.

### CHURCH UNION VOTE

By Special Wire to the Courier.  
WINNIPEG, June 14.—The first vote on church union, taken this morning in the Presbyterian General Assembly, was overwhelmingly in favor of union. The figures were 333 to 108. This was the first vote of the present Assembly on the direct issue.

# BRANTFORD WILL CELEBRATE JULY FIRST ON SATURDAY, NOT ON MONDAY FOLLOWING

## City Council Decided Not to Follow the Usual Custom of Observing Holiday on Monday When it Falls on Saturday—Erie Avenue Pavement Matter—E. B. Cromptons Application For Tax Remission Granted.

A rather lengthy session of the City Council was held last night, although no one matter of paramount importance came up and only two committee reports were presented. The chief item of discussion was the petition from the ratepayers of Eagle Place concerning the Erie Avenue paving. The residents of Eagle Place object to paving this thoroughfare piece-meal, but wish to have it all done at once or not at all. In the discussion on the matter Ald. Ward presented some new and rather startling figures to the council which showed the total cost would be in the neighborhood of \$35,000 instead of \$15,000 as at first estimated. This extra cost came chiefly from the expense of leveling and rebuilding the dyke from South Market street to Ontario street, which apparently did not enter into the calculation of the original figuring as to cost. The petition was referred to the Board of Works, and while the Council did not express an opinion on the probability of the paving being completed, the chances are, in view of Ald. Ward's figures, that the paving of Erie Avenue will be laid over for this year at least.

Because the workmen object to the First of July being celebrated on Monday instead of Saturday, Brantford will vary its usual custom of celebrating the holiday on Monday when it falls this year, on Saturday, and hold the holiday on Saturday, the market day to be held the Friday previous.

The application of E. B. Crompton and Company, Limited, for a partial remission of taxes because of the fire which destroyed their premises a year ago, was granted, the Mayor and Ald. Bragg dissenting.

A resolution of condolence to the relatives of the late Mr. J. J. Hawkins was passed unanimously and the matter of the appointment of a successor was laid over until the next council meeting.

A grant of \$500 was moved to the 125th Battalion. Threatened with the cost which the city cannot well sustain now the council adopted the recommendation of the Board of Works that the matter of pole removal from Colborne street be dropped for the time being.

Except on when there was quite a passage at arms between Ald. Minshall and the chair the meeting was very quiet. Ald. A. O. Secord and Ald. P. H. Secord were the only absentees.

The Council adjourned at 10.30 to meet again Monday, June 20th.

### COMMUNICATIONS

There is a total overdraft against the city at the bank for over \$100,000. Out of ten loads of coal weighed during the month of May, one load was five pounds short. Four were several pounds over.

Mr. John Burroughs objected to paying a license on horses which he has standing in his stables, but does not use for lack of business. He wants the council to consider his request. Referred to the finance committee.

Brantford has to pay \$36.60 as its share of the up-keep of the Workmen's Compensation Board.

The Ontario Municipal Council will convene in Toronto on August 30th and 31st.

A letter was received complaining about foreigners getting their push carts loaded with fruit and ice cream on the sidewalks and thereby at times interfering with pedestrians. Referred to Board of Works.

Annie Ramsay, Colborne street, wants something done about the flooding of the cellar of her house, the city, evidently, in her opinion, being to blame. Referred to the Board of Works.

The Parks Board wrote to ask when the city could have men commence to work at levelling land to lay out Oxford Park in West Brantford. Referred to Board of Works.

Mr. J. E. Miller, Clarence St., asked permission to install a gasoline tank in front of his premises, known as the Studebaker garage. Referred to the Fire and Light committee.

### L. E. AND N. STATION

The order of the Dominion Railway Board concerning the application of the L. E. and N. about their new station site, was laid before the council, the mayor stating that 37 feet had been obtained. "We got all we asked for," said the Mayor. "We got just what I put up a fight for with Mr. Todd in committee," commented Ald. Bragg. Ald. Pitcher thought 37 feet had not been obtained on Colborne street, as a result of the deal, and to settle the matter, plans were produced with exact figures on them. It was then found that from the apex of the angle (at Colborne and Water street) to Colborne street, was 32 feet, of which the city had previous right to ten. Thus the order gives the city 22 feet on Colborne street, just what the Railway Committee had long contended for.

### COMMENDED ALD BRAGG

"I think you deserve all sorts of credit for your efforts," said Ald. Dowling to Ald Bragg.

"I think so, too," said Ald. Pitcher. The report was referred to the Railway committee.

An application for permission to install a gasoline tank at 37 Dalhousie street, was received from the Automobile Owners' Association. Referred to Fire and Light committee.

W. Podd, 56 Balfour street, father of one of the soldiers killed at the front and another serving there, applied for the position of janitor of the new public convenience building on the Market Square. This was referred to the Buildings and Grounds committee.

#### SESSIONS OPEN AT SIMCOE

### Two Civil and Three Criminal Cases on the June Docket.

(From Our Own Correspondent) Simcoe, June 13.—Magistrate Jackson's court opened at two o'clock today. Dr. Fittion, on an automobile charge, was defended by W. E. Kelly, K.C., and the case was adjourned till Saturday for the obtaining of further witnesses. The evidence on the point at issue was slightly contradictory.

E. Sattler, an unfortunately run down a man on a bicycle, did not fare so well. He was fined \$30 and costs forthwith.

The June sessions began at one o'clock under His Honor Judge Boies and bids fair to last the week out. The sitting was spent in selecting and charging the grand jury and opening up a civil case.

Armstrong vs. Petre Co. of Hamilton, concerning a shipment of lumber. The amount at stake is \$360. The plaintiff's witnesses were not all heard at 5 o'clock. W. C. Brown for the plaintiff; J. Caruthers, with T. J. Agor, K.C., as counsel for the defence.

### ERIE AVENUE PAVING

A petition was presented from residents of Eagle Place praying that all of Erie avenue be paved in accordance with the original intention and not half of it. It was signed by 49 names and the first name on it was that of Ald. Ward.

Ald. Ward, in moving that the petition be referred to the board of works said that the residents of Eagle Place were under the impression that the paving was to be completed only to the tail race, that wasn't so, asserted Ald. Ward. Once the paving was laid to the tail race, difficulties would be met with which would delay further work on the matter but only for a few months. Ald. Ward said the petitioners were in accordance with the council in its intention to complete the work as soon as possible.

### ALL OR NOTHING

Ald. Bragg said he was not in favor of leaving unpaved, the portion of the avenue between the tail race and the T. H. & B. Many of the residents wanted all or nothing, and he agreed with them. Pave the avenue totally or leave the matter over until finances improve.

### A SOLUTION SUGGESTED

Ald. Jennings was also in favor of paving the whole thing. The additional cost would not be very high. The people were rather in favor of paving the avenue on one side, the T. H. & B. to the tail race, and the whole of it the rest of the way to give Eagle Place a good approach to the city. The additional cost of the extra paving would be \$3,000.

### A SMALL ROW

Ald. Minshall rose to speak, and a moment later the Mayor started to speak. Ald. Minshall objected and demanded the floor. There was some wrangle over the matter, the Mayor stating he wanted to say something and he was going to say it. "If you don't like my ruling go against it," said the Mayor. "You're not worth it," said Ald. Minshall.

Ald. Minshall then said he was afraid the taxes were heavy enough now. He was in favor of Ald. Jennings' idea of paving a portion on one side.

Ald. Freeborn thought the discussion was unnecessary. The matter was going to the board of works.

Ald. Dowling stated he considered

### TAXES HIGH ENOUGH

Ald. Bragg pointed out that the taxes were high now, and in his opinion, considering the general state of finances, it was not wise to undergo further expense. He was not in favor of paving the avenue unless it was all done.

### SOME FIGURES

Ald. Ward then submitted some figures.

Total cost of paving	\$23,206
New dyke	10,000
Culvert	1,000
Widening of Erie Avenue with attendant work on dyke	2,000
Grand total	\$36,206

Ald. Ward then said if the finance committee could help him out to put the whole proposition through, then he would be the happiest man in Brantford.

That ended the discussion, and the matter went to the board of works. The usual grist of accounts was passed.

### B. AND G. COMMITTEE REPORT

The buildings and grounds committee recommended that Ham and Not be permitted to build an oil house and rebuild a warehouse as approved by the city engineer. Adopted without discussion.

### BOARD OF WORKS REPORT

The board of works submitted the following report.

1. That in reference to the removal of poles from Colborne street, between the Lorne bridge and Bain St. by board of works report No. 19, passed Dec. 6th, 1915, the city solicitors were instructed to make application to the Hydro Electric Power Commission of Ontario, for the removal of the poles of the Western Counties Electric Co. Ltd., and to the Board of Railway Commissioners for Canada for the removal of the poles of the Great North Western Telegraph Company, that the city solicitors be instructed to withdraw these applications for the present.

2. That the report of the city engineer of March 18th, 1916, be filed.

### NO DISSENT

In explanation of Clause 1, Ald. Ward said that the board of works of last year had started this matter, and the Hydro Commission in Toronto was consulted, which cost the city \$600 and more. As a result, the Hydro Board was asked for an order to make the companies remove the poles.

A few days ago word was received (Continued on Page 4)

### But This American Girl Refuses to Give an Interview.

By Special Wire to the Courier.

New York, June 14.—Miss Mary Silliman, a teacher in the American school for girls at Constantinople, and who was arrested in April on suspicion of espionage, returned here today on the Steamship Ryndam from Rotterdam. Miss Silliman said that her arrest, which occurred in April, amounted to nothing more than temporary detention on a nominal charge which the Germans in many cases prefer against foreigners entering the country until their status can be investigated. She was on her way home from Turkey, she said, where she had been doing Red Cross work, and was soon able to clear herself of the charge.

## DO YOU SUFFER FROM Palpitation?

If there is no heart disease Dr. Cassell's Tablets will cure you.

Palpitation may be due either to weak disturbed nerves, and a debilitated system resulting from vital exhaustion, or to flatulence arising from dyspepsia. In either case the only rational treatment is to nourish your nerves and to strengthen your digestive organs. That you can always do by taking Dr. Cassell's Tablets.

The proper course is to take Dr. Cassell's Tablets twice daily, and Dr. Cassell's Instant Relief at night. The first brings new strength and vitality, the second restores digestion and clears away the harmful matter from which flatulent gases arise. Follow this course and palpitation will soon cease to trouble you. We make only one reservation. If you have actual heart disease (which is rare), you should see a specialist, all other forms of palpitation these Tablets will certainly cure. Here is an extract from a letter written some time ago by the late Major-General Sir John W. Campbell, Bart., C.B.—I have pleasure in stating that I have derived great benefit from Dr. Cassell's Tablets, and have found them remarkably effective in restoring my energy and physical vigor. I have every confidence in recommending them.

Dr. Cassell's Tablets are Nervine, Tonic, Alterative, and Antispasmodic, and the recommended remedy for:

NERVOUSNESS	SLEEPLESSNESS	DYSPEPSIA
NERVOUS BREAKDOWN	ANEMIA	PALPITATION
NEURASTHENIA	HEADACHE	EXHAUSTION
Indigestion	Flatulence	Weakness

Send for circular and prospectus at once. Price, 50 cents. Six boxes for the price of one. Write for circulars to the Proprietors: Dr. Cassell's Co. Ltd., Manchester, England.

TESTIMONY AT MURDER TRIAL

Girl Witness Said She Had a "Spite" Against the Accused.

Waukegan, Ill., June 14.—Josephine Davis, chum of Marion Lambert, for whose death last February, Will H. Orpet, is charged with murder, resumed her testimony at the continuation of the trial to-day.

Miss Davis, who has been referred to as the strongest witness for the state, proved to be a better witness for the defense yesterday. She said she had testified falsely at the coroner's inquest, and at the hearing before the grand jury, and she now wished to correct her earlier statements.

The particular points that Miss Davis changed in her testimony were to the effect that she had testified that Lambert to relieve a supposedly delicate condition, and that she had said that Marion was in a happy frame of mind at all times.

She testified that her statements to the grand jury were influenced because she felt "spiteful" toward the defendant on account of the death of her friend.

CANADIANS MAKE BRILLIANT COUNTER-ATTACK AND REGAIN TRENCHES ON WIDE FRONT

Official Communication Calls Their Dash a "Gallant and Successful Assault" - Canucks Retained Ground Won Despite a Severe Shelling.

London, June 14.—Canadian troops, in what was the British official statement describes as "a gallant and successful assault," southeast of Zillebeke recaptured a former British position over a front of more than 1,500 yards.

Notwithstanding a severe shelling, the Canadians retained the ground gained, which is being consolidated. This is the ground lost in the battle of June 2 and 3, where the terrific shelling, met the brunt of a great German assault, and retired a short distance to their second trenches.

Unofficial despatches have stated that the German assault was a serious attempt to pierce the British front. The text of the statement reads: "At 1.30 in the morning the Canadian troops made a gallant and successful assault southeast of Zillebeke. Their objective was our old position in that neighborhood, all of which was captured on the front attacked, extending from the southern portion of Sanctuary Wood to a point about 1,000 yards north of Hill 60—a total front of over 1,500 yards."

INFLECT HEAVY LOSS. "In the course of the assault heavy losses were inflicted on the enemy, and three officers and 123 men were taken prisoner."

"Our troops were subjected to a severe shelling for several hours, supported by our artillery, and retained the ground gained, which is being consolidated. Heavy bombardments by the enemy have continued during the day, to which our artillery replied effectively."

"Attempts of the hostile infantry to counter-attack were frustrated by our artillery fire."

AUSTRALIANS BUSY. "Last night our troops carried out successful raids northeast of Ypres and south of the Bois Grenier. At the latter place a party of Australian troops entered the enemy's trenches, causing him a known loss of twelve killed and probably others, and capturing six prisoners. Two trench mortars were destroyed. The raiding party returned safely, the only casualties being one officer and one man, both slightly wounded."

"On the remainder of the front there is nothing of importance to report during the day. Our artillery bombarded hostile positions about La Boisselle. "There was less shelling than usual around Souche and the Loos salient."

ELEVATOR BURNED, TEN KILLED AND MANY INJURED. Very Fatal Conflagration on Water Front at Canton.

By Special Wire to the Courier. Baltimore, June 14.—There was a loss of life conservatively estimated at from four to ten men and injuries to more than forty others when the Pennsylvania railroad elevator Number 3 on the harbor front at Canton, was burned yesterday. The victims were mostly elevator employees and cargo trimmers.

Two steamships, the Willem Van Drie, Sr., a Dutch vessel and the British steamer Wellbeck Hall which were loading grain at the elevator were also badly damaged by fire and wreckage dropped on them from the elevator.

The flames spread to an ore pier next to the elevator, badly damaging it. Several strings of grain cars in the elevator were burned, destroying altogether about a million bushels of wheat, oats, barley, rye and buckwheat.

While the fire is thought to have been caused by an explosion of grain dust, a theory was advanced that it may have been caused by a bomb. This theory will be investigated, it was said. Conservative estimates placed the loss at more than \$2,000,000.

Colonel Moreton F. Gage, who from 1912 to 1914 was British Military Attaché at Washington, has been promoted to brigadier-general and placed in command of the First Indian cavalry division, now at the front in France.

HON. J. J. FOY HAS PASSED AWAY

Late Attorney-General in Whitney Cabinet Died Yesterday.

HAD LONG BEEN UNWELL

Was Connected With Many Prominent Business Houses.

Toronto, June 14.—Hon. James Joseph Foy passed away at his residence, 90 Isabella street, yesterday, after an illness lasting two years and compelling him to resign his portfolio as attorney-general. Since that time he has been a member of the provincial cabinet without portfolio. His condition had grown rapidly more critical since last week, owing to arterial hardening. He was 69 years old.

Premier Hearst rendered the following tribute to his memory when the news of his death reached the parliament buildings: "I feel very deeply the loss of my friend and colleague, the late Mr. Foy, who has so long enjoyed the respect and affection of all his associates, both in the government and in public life."

"Mr. Foy was recognized as a man of ripe and wise judgment, of most high character and integrity and of unwavering devotion to the public interest."

"As the counsellor and friend of his late leader, Sir James Whitney, and in his own right, Mr. Foy was a man of high character and integrity, and his name will be inseparably connected with the great administration whose policy and traditions it is my duty to maintain and carry on."

Mr. Foy is survived by two sons and two daughters. Both sons are with the colors. Capt. James Foy is with the 77th Battalion, Ottawa. The other son, Richard, wounded at St. Julien, is at Shorncliffe.

BORN IN TORONTO. The late minister was born in Toronto on Feb. 22, 1847. He was the son of the late Patrick F. Foy, who son of this city from Ireland in 1822, becoming partner in the business house of the late James Austin, president of the Dominion Bank.

He was educated at St. Michael's College and Ushaw College, Durham, Eng. He was married in 1879 to Miss Marie Cuvillier, daughter of the late Maurice Cuvillier of Montreal, he became admitted to the bar in 1871, and a member of the law society in 1881. He was made K.C. in 1883 and successfully practiced his profession in Toronto, K. K., John A. Macdonnell K.C., and then becoming head of the legal firm of Foy and Kelly.

Hon. Mr. Foy was first elected to the provincial legislature for South Toronto at the general elections of 1898. He was re-elected at the general elections of 1902, 1905 and 1908 and in the election of 1914. He was appointed commissioner of crown lands by the late Sir James Whitney on May 30, 1905. In December, 1914, he was compelled to resign his portfolio through ill-health, and since that time has been a member of the cabinet without portfolio.

HAD BIG INTERESTS. Mr. Foy was vice-president of the Albany Club and of the National Life Assurance Company. He was also a director of the Toronto General Trusts Corporation, American Surety Company of New York, Dominion Trust Company, Navigation Company and National Sanitarium Association. He has been president of St. Michael's College Alumni Association, Ontario Liberal-Conservative Association, York Hospital, and of the Orthopedic Hospital. He was a delegate to the Irish national convention in Dublin in 1896, to the Ottawa inter-provincial conference in 1906 and 1910, to the Quebec inter-provincial conference in 1916 and to the federal conference on education in London, Eng., in 1907.

He was a Roman Catholic in religion and a member of the Toronto Club, Albany Club and Royal Canadian Yacht Club.

EX-PROFESSOR DEAD. By Special Wire to the Courier. London, June 14.—Silvanus Phillips Thompson died here yesterday. He was a noted authority on physics and was at one time professor of applied physics at the University of London. He was born in 1851.

# L. E. & N. WINS APPEAL BEFORE SUPREME COURT

### Award of Arbitration Board Reduced From \$49,000 to \$33,000.

In the case, The Brantford Ice Company and Ignatius Franklin Schooley vs. The Lake Erie & Northern Railway Company, the Supreme Court at Ottawa yesterday gave judgment allowing the appeal of the Lake Erie & Northern Railway Company and reducing the amount of the award in this case from \$49,000 to \$33,000 and giving the Lake Erie & Northern Railway Company the costs of the appeal.

In 1914 the Lake Erie & Northern Railway Company expropriated the property of the Brantford Ice Company. The arbitrators, who were Judge Huycke of Peterborough, Frank Magee of Hamilton and A. E. Watts, Brantford, awarded the owners the sum of \$49,000 for the property. Mr. Watts did not concur with the other arbitrators in regard to the principle of the award. The Lake Erie & Northern Railway Company took an appeal against the award to the Appellate Court at Toronto. This Court struck out \$800 from the award being the amount allowed for sawdust, but in other respects affirmed the award. An appeal was then taken by the Lake Erie & Northern Railway Company to the Supreme Court of Canada with the result that the award has been reduced to \$33,000. Part of the property expropriated will be used for the new Union Station for the Brantford and Hamilton electric road and the Lake Erie & Northern Railway Company.

W. S. Brewster, K.C., appeared for the Lake Erie & Northern Railway Company, and M. K. Cowan, K.C., for the Brantford Ice Company and Ignatius Franklin Schooley.

## THE S. C. A. IS EXTENDING

### Western Ontario and Manitoba Shantymen Being Aided.

This association has been carrying on evangelistic work for nearly eight years among the lumber and construction camps of Northern Ontario. Its agents have visited and held Gospel meetings in hundreds of camps and distributed Scriptures in many languages. Thousands of men have thus been reached by the Gospel message who otherwise are beyond the reach of ordinary church services. The appreciation of the men in the camps (whether they were Protestants or otherwise) has been a marked and encouraging feature. The work is non-sectarian and no collections are taken up at the services. The expenses of the Association are met by the voluntary subscriptions of all Christian people who are interested. Entry at Fort William and Port Arthur elicited the information that about 10,000 men are employed in lumber camps in the district between Schreiber and Winnipeg. Many ministers and other Christian men living in this district have long desired that some definite and continuous Gospel effort be made on behalf of these men.

All citizens are asked to kindly cooperate with the efforts of the Women's Patriotic League, in the collection of papers, magazines and rubbers, (scrap paper not collected for the present). The services of the former collector have been dispensed with and collections will be made in future by a committee of the W. P. L. to take the end of each month—day of collection shortly to be announced. Please tie papers and magazines firmly in bundles not exceeding 25 pounds. If unable to keep papers, etc., until time of collection, phone Patriotic Rooms, 572, when arrangements will be made to call for them.

## DOVER WAITING ANXIOUSLY FOR ROAD TO OPEN

### Tourist Trade Will Boom When L. E. & N. Starts Running There.

## REAL ESTATE REMAINS FIRM

### But Town Feels Lack of Waterworks and Sewage System.

Port Dover, June 13.—Citizens here are anxiously awaiting the completion of the electric road to the lake front and it is expected that summering at the port will be indulged in, on a greater scale than ever before in the history of Dover. Already preparations are being made by the management of the park to accommodate all comers to this premier Erie port.

Rumors of a larger pavilion being run up at once have gone abroad, but there is no evidence of anything in that line at present though doubtless Mr. Buck will build for the 1917 season. At present the spacious grounds are in excellent condition and townspeople, notwithstanding the rain have their lawns well kept. Real estate is firm with a decidedly upward tendency. The town feels sorely the lack of waterworks and sewage system. Those interested in the re-union on July 1st of former students to celebrate the fortieth anniversary of the tenure of office of Principal Smith of the public school, learn that the re-union to-day that the presentation of colors to the 133rd battalion at Simcoe is to take place on that day.

Fishermen are reporting an average catch of fish and the improved facilities at the dock have also added to the appearance of the lake front. The pier here is in urgent need of repair. The plankings is neglected, warped, and in many places broken through.

Representations are being made to the government to expend at least a portion of appropriations voted some time ago, for temporary improvements before the tourist season opens.

## LEAFS BEAT ROYALS BY TIMELY HITTING

Toronto, June 14.—One of these days we are going to have to record the defeat of Pitcher Urban Shocker of the Leafs. Not yet has he been beaten, but on the morning of Victoria Day he was in difficulties, with Baltimore, whenupon Manning went in and pitched from the fifth to the eleventh without allowing a hit, eventually winning the game which Shocker had started. Yesterday, when the Leafs beat the Montreal Royals 6 to 4, Shocker returned Manning's compliment.

The Royals set upon Manning like a pack of enraged wolves, and collected a home run, two three-baggers and two singles in the fifth and sixth innings. Shocker came to the rescue with one on and two out in the sixth, and blanked the Royals for the remainder of the game, striking out six batsmen and allowing but one hit, a single. That single was made in the ninth, but Shocker settled down immediately and struck out the side.

## Ed. Walsh's Come-back is a Dismal Failure

Chicago, June 14.—Ed. Walsh attempted a 1916 "come-back" to-day, but Washington drove him from the slab in the third inning and made enough runs to win from Chicago 3 to 2. The big pitcher made a gallant start, fanning Judge and Milan in the first, but Morgan's walk and Foster's double gave Washington a run in the second and Harper's two bagger, two singles and a wild throw by Ness, gave the Senators two more in the third, whereupon Russell succeeded Walsh. The score: R.H.E. Washington . . . 120 000 000—3 7 0

## Ruth's Second Homer in Two Days Big Help

St. Louis, June 14.—Boston defeated St. Louis yesterday, 5 to 3. The visitors gained an early lead at the expense of Davenport, who was wild. Ruth, who on Monday tied the score for Boston by driving one over the right field fence with two on bases, contributed another in the same way yesterday. He also drove in a run with a single in the fourth. Score: R.H.E. Boston . . . 102100100—5 11 2

**"Hassan" Pfeffer Holds St. Louis to Two Singles**

Brooklyn, June 14.—Pfeffer held St. Louis to two hits yesterday and with Daubert's good batting, enabled Brooklyn to win by a score of 3 to 1. Long made a scratch hit in the fourth inning, and in the ninth, after the side should have been retired, Hornsby made the second hit. In the other innings St. Louis was retired in order. **Fourth Straight for Indians From Mackmen**

Cleveland, June 14.—Cleveland made it four straight from Philadelphia, knocking Myers from the box again, and winning 11 to 2. Bagby was very effective after the first inning. Turner's triple with the bases filled in the third was a feature. In the series of four games, Cleveland scored 31 runs to 6 for Philadelphia. The score: R.H.E. Philadelphia . . . 200 000 000—8 2  
Cleveland . . . 225 200 00—11 15 0  
Myers, Nabors and Schang; Murphy, Bagby and Neill, Billings.

**One Run For Five Hits, But Cubs Beat Giants**

New York, June 14.—Chicago made it two out of three from New York yesterday, winning the last game of the series by a score of 5 to 2. The Cubs again batted the New York pitchers all over the field. A freak feature of the game was that Chicago made five clean outfield hits in the fourth inning, and scored only one run. Score: R.H.E. Chicago . . . 101100200—5 16 0

On Saturday next the Brantford C.C. plays the 12th Battalion on the O.S.B. grounds at 2.30 p.m. municipal time.

## Tener Circuit Champs Defeat the Pirates

Philadelphia, June 14.—Philadelphia again defeated Pittsburgh yesterday, the score being 5 to 3. Miller was knocked off the rubber by the home team in four innings, and Adams did good work until the eighth, when Niehoff's double, Stock's bunt, which Adams threw to third too late to catch Niehoff, Cravath's out and White's sacrifice scored two runs and won the game. ## PASSENGER TRAIN WAS WRECKED

**No One Hurt—Delegates to Democratic Convention on Board.**

Owensboro, Ky., June 13.—Passenger train No. 145 on the Louisville, Henderson and St. Louis Railroad was wrecked three blocks from the Owensboro station early to-day. Three sleepers left the rails, one being destroyed by fire. No one was killed, but a number of the passengers were injured.

The Kentucky delegation to the Democratic convention at St. Louis including Governor A. O. Stanley and former Governor McCrory were on the wrecked train. That no one was killed is remarkable as one of the sleepers turned completely over. It was necessary to cut the vestibule of the car with axes to liberate the passengers. Spreading rails is said to have caused the wreck.

**Montreal Man Had Not Enough Evidence Against Him to Convict.**

Montreal, June 13.—Philip Lacerte was found not guilty yesterday in the court of Kings bench of the murder of Jeanne Dorion, a woman with whom he had been living in a house in St. Dominique street, Crown Prosecutor Walsh said that he did not consider there was sufficient evidence to convict the accused as the evidence established that the Dorion had on more than one occasion made attempts to end her life.

The dead body of the Dorion woman was found lying on the sidewalk in front of the house where she resided with Lacerte one night three months ago, and it was suggested she had been thrown from a balcony.

## WILSON MAKES ADDRESS TO WEST POINTERS

**Discussed Preparedness, Militarism and the Causes of the War.**

**"AMERICA FIRST" HIS MOTTO**

**United States Should be a Calm, Not a Blustering, Nation.**

By Special Wire to the Courier.

West Point, N.Y., June 14.—President Wilson making his first address since the presidential campaign began, to-day discussed preparedness, militarism, Americanism, the causes of the war in Europe, peace, the Monroe doctrine, alliance, and the ideals of America. He declared it is the present imperative duty of the United States to be prepared, adding "mankind is going to know that nobody divides peace, the Monroe doctrine, alliance, and the ideals of America, speaks what she says."

The president said that the Union should not be a blustering nation, a nation with a "chin on its shoulder," but a calm nation which will withhold its hands as long as possible and strike only for victory.

The president's address ran through the almost entire list of subjects discussed by former Justice Hughes in his telegram accepting the Republican nomination and he declared that the United States is ready to join with other nations to see that the kind of justice he believes in is given.

Shaking his finger emphatically the president told the graduates of the military academy and a large audience that nobody does not put America first can be tolerated.

The president declared the present war did not come by accident, but that it had to come. The United States wants nothing from Europe, he said, and there is nothing she wants that she must get by war. He sounded a warning that no man can tell what the next day will bring forth in the world's events.

The word "Americanism" was used to-day by the president for the first time in recent addresses. He consistently referred to the West Point graduates to whom he was speaking, but referred more to national and international problems. He warned the graduates against militarism.

## INDIA HAPPY OVER GREAT NAVAL VICTORY

**Memorial Service in Simla in Memory of Late Earl Kitchener.**

By Special Wire to the Courier.

London, June 12 via Reuter's Ottawa agency.—A special despatch from Simla, India, says:

The enthusiasm and determination of India to win the war are undiminished. The news of the naval battle off Jutland has been received with interest. The success of the Russian armies has given universal pleasure.

The death of Lord Kitchener is greatly deplored. A memorial service for the illustrious soldier-statesman was held in Simla on Tuesday, when salutes were fired.

Throughout India war gifts continue to pour in. The Maharaja of Patiala has lent his residence in Simla as a convalescent home for wounded officers.

The citizens of Calcutta are raising ten thousand rupees (\$3,300) to maintain for the summer a motor ambulance in France. The St. John Ambulance Association is receiving generous donations, from the public for comforts and necessities for the troops in Mesopotamia where it recently sent another one hundred hospital orderlies. The supply of munitions increases and the quality is of the best.

## MEDICAL ASSOC. GETS GOING

**67th Annual Convention Started Yesterday at Detroit.**

Detroit, Mich., June 13.—The American medical association, formally opened its 67th annual convention here to-day with thousands of physicians and surgeons from all parts of the world in attendance. Dr. Albert Vanderveer of Albany, N.Y., president of the association, called the opening meeting to order in a local theatre.

After addresses of welcome by state and city officials, Dr. Rupert Blue, president-elect of the association was introduced and installed in office. He delivered the principal address of the session. Other officers are to be elected Thursday.

The convention, which will continue four days is divided into fourteen sections, each having its own daily program of papers and discussions at their various headquarters. The sectional meetings were to begin this afternoon.

In addition to the clinics, demonstrations, business meetings and addresses, many social functions will occupy the time of the delegates.

## MONTREAL IS PATRIOTIC ALL OF A SUDDEN

**Too Many Indifferent Natives of Belgium Living in That City.**

Montreal, June 14.—It appears there are a number of Frenchmen and Belgians living in Montreal who have not responded to the appeal to defend the national colors. Alderman Lariviere, leader of the city council, says he will propose a motion asking the Dominion Government to intervene and compel these subjects to perform their patriotic duty.

"I do not see," he said, "why Canadians should go to the front when those more interested remain here in Montreal."

The motion points out that the municipal council of Paris has passed a resolution advising that all subjects of allied nations in France enlist, leave the country or be interned. The board of control will also be asked to award no contracts to an individual or company managed by an ally not doing his duty.

Evidences Positive to Become Before the Ministry to a Minion Enemy in France

By Special Wire to the Courier

New York, June 15.—A dispatch to The Times says:

Great interest has been here by a statement made by Law to The Matin that the army, completely in accord with Joffre, was prepared whenever the French staff saw fit. The statement accepted as a sufficient answer to a charge of British indifference. French losses before Verdun express much satisfaction. Bonar Law's frank statement the outset the military playing Germany's game for a week in March the movement, and have scouted rumors as idle or malicious. Bonar Law's statement far to reassure the people. There is reason to believe in addition to the great Russian under way against the Austrians already begun against Germany on the northern front. A third is about to be by the British in the west, is not now under way.

For weeks there have been signs of a great British impending, which would be active when the Germans British line had been red minimum, and propitious had been begun by the all quarters.

NOW EXTENDS NINE

The British front formed from the Belgian front ends about ten miles north for thirty-two miles down the same distance from Arras last week in March the French as far as a railway, south of the Somme thus occupied a front of five miles, or a quarter of the German front. The substitution for French troops in the German sector, the French goal, believed, to the Verdun del-

made without any offensive part of the Germans.

EXPECTED LAST

Prior to the beginning of the February 21 a British offensive was expected by the large British concentration parade grounds and stood the rear of the British particularly was this so with
