The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method.

L'exemplaire filmé fut reproduit grâce à la générosité de:

La bibliothèque des Archives
publiques du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

AN ADVANCE IN GOLD HILL SHARES.

A full meeting of the directors of the Gold Hills Exploration and Development Co. of Toronto (Ltd.) was held yesterday at the Queen's Hotel, Mr. H. M. Price, Quebec, D. L. Mather, Rat Portage, J. G. Bowes, Hamilton, John R. Minhinnick, London, having all come from a considerable distance to attend the meeting, which was in all respects a most enthusiastic one. It was decided to advance the price of shares to 15c on the 1st of March. The advance is no doubt based on the fact that the directors have obtained most favorable reports from their consulting engineer relative to several properties under option in the Port Arthur and Rainy River districts, which will shortly be actively developed. It is also understood that Mr. J. B. McArthur, the Rossland director, has started prospectors to work in the great Lardeau district, where the Horne-Payne English syndicate have so extensively purchased, and which it is thought by the knowing ones, will more than rival Trail Creek in its richness. The experience and thorough knowledge of Mr. McArthur, of Rossland, and Mr. Mather, of Rat Portage, in their respective districts have been of great value to the company and its shareholders, as they are in a position to personally advise in all claims submitted to the board. This company is an exceedingly strong one, and the directors are men of well-known business ability and integrity. We therefore do not hesitate to say that the stock is a good investment. *World*, Feb. 19.

A meeting of the directors of the Gold Hills Exploration and Development Company, of Toronto, limited, was held at the Queen's hotel yesterday. The Hon. J. D. Edgar, the president, presided. Those present were:—Dr. Oronhyatekha, first vice-president; Mr. W. J. Douglas, second vice-president; Mr. John Foy, Dr. Strange, of Toronto; J. G. Bowes, of Hamilton; J. R. Minhinnick, of London; H. M. Price, of Quebec; A. D. Hardy, of Brantford; and D. L. Mather, who came from Rat Portage to attend the meeting and advise as to the prospects of the Company in his rapidly growing district.

No particulars were given to the press, but it was learned that very favourable contracts had been closed by Mr. J. B. McArthur, Q.C., the Company's Directors at Rossland, for securing valuable locations in the new British Columbia fields of Lardeau, Boundary Creek, Big Bend, and Slocan, as well as East Kootenay, soon to be thrown open by the building of the expected railroad through the Crow's Nest pass, and which promises to be a new 'El Dorado' of mineral wealth. The outlook was so bright, and the sale of the first issue so satisfactory, that the directors concluded to advance the price to 15 cts. on the first of March. Those who desire to obtain any of the remaining shares should send in their orders at once to secure allotment.—*Mail*, Feb. 19th.
