FAMILY ALMANAC AND GUIDE TO HEALTH

NORTHROP & LYMAN CO.
TORONTO, CANADA.

TORONTO LITHO CO.

For sixteen years this celebrated medicine has been sold in Canada, and it has now the largest sale of any medicine in the market.

Its popularity has not been attained by advertising but by genuine worth. The experience of those who have used it, fully demonstrates the skill of its composition and its superiority for all the purposes for which it is recommended.

There is no one that has used this wonderful pain-conquering oil and tested its curative power but gives it the preference over all others, which accounts for its rapidly-increasing sale.

It is constantly making new friends and never loses any of the old ones, which is ample proof that it is a medicine of rare and unparalleled value. Where is there another medicine that has for sixteen years withstood the impartial judgment of the people and increased in sale each year? Not one can be found.

IT DOES NOT merely allay pain and soreness to return again as most medicines do, but the efficacy of the ingredients from which it is made are so wonderfully penetrating that a proper use of it will most certainly remove all stiffness of the joints, lameness of the muscles, and pain arising from any cause; even in spinal disease, a chronic form of which baffles all treatment, a frequent use of Dr. Thomas' Electric Oil will give strength and freedom from pain derived from no other source.

RHEUMATISM is thoroughly conquered by the use of this medicine, with the assistance of a few doses of Northrop & Lyman's Vegetable Discovery to remove the humor or seeds of the disease from the blood and system. Of course to effect a permanent cure the disease must be removed from the blood and no medicine can remove it as quickly as the Vegetable Discovery. All who use both medicines are astonished at the rapidity with which they remove this excruciating and harassing disease, simply by thoroughly rubbing the parts affected with Dr. Thomas' Electric Oil and taking the Vegetable Discovery according to directions.

NEURALGIA, SCIATICA, TIC DOULOUREUX, Lumbago, and such diseases should be treated in the same manner, and a cure will follow without fail.

FOR SORE THROAT, QUINSY, CROUP, COLDS, ETC., it is worth its weight in gold. A few doses will cure sore throat. It never fails in Croup or Quinsy. It has cured Inflammation of the Lungs when the doctors had given up the case. It has cured bad cases of Diphtheria and those who have used it believe there is nothing equals it for that dreadful disease. **CHRONIC SORES,** that refused to heal under medical treatment for years, were rapidly healed by the application of Electric Oil and the use of Northrop & Lyman's Vegetable Discovery to Purify the Blood.

A COUGH, even of long standing, is speedily controlled and cured by it. Swelled Neck and **Lame Back** rapidly disappear when it is used.

The certificates to be found in the book should be conclusive evidence that it will effectually arrest pain of every character, in any part of the body, no matter how severe or of how long standing, if it is thoroughly applied and rubbed in. Those using it in this manner express a conviction of the reality and efficacy of the penetrating ingredients of which Dr. Thomas' Electric Oil is composed. But never forget that where there are Humors or Impurities in the Blood and System Northrop & Lyman's Vegetable Discovery is your sheet anchor of hope for a lasting cure. It is positively unequalled by any remedy or compound in the whole catalogue of medicines for purifying the Blood and removing the source of disease from the system.

REMARKABLE CURES.—Mr. F. Burrows, of Wilkesport, writes that he was cured of a very dangerous case of Inflammation of the Lungs solely by the use of five bottles of Dr. Thomas' Electric Oil.

Mr. R. C. Bruce, Druggist, Tara, says: "I have no medicine on my shelves that sells faster or gives better satisfaction than Dr. Thomas' Electric Oil, and the sale is constantly increasing, the past year being the largest I have ever had. One of my customers was cured of Catarrh by using three bottles. Another was raised out of bed, where he had been laid up a long time with a Lame Back, by using two bottles. I have lots of customers who would not be without it over night."

STILL ANOTHER TRIUMPH.—Mr. Thomas S. Bullen, Sunderland, writes: "For fourteen years I was afflicted with Piles; and frequently I was unable to walk or sit, but four years ago I was cured by using Dr. Thomas' Electric Oil. I have also been subject to Quinsy for over forty years, but Electric Oil cured it, and it was a permanent cure in both cases, as neither the Piles nor Quinsy have troubled me since."

VEGETABLE medicines and vegetable food are of the same origin, consequently, if the latter nourishes the body (and we know it does), it follows that the former will do the same. Northrop & Lyman's Vegetable Discovery is, as its name represents, a vegetable medicine, skillfully combined, thereby forming a preparation which nourishes and invigorates the system, while it permeates and cleanses the Blood from all impurities.

If the Blood is pure and rich you will be in the enjoyment of good health, but if this river of Life is turbid or impoverished the circulation is checked and a multitude of diseases follow. What are

PIMPLES, and Blotches, those unsightly things that disfigure the fairest and loveliest face, and make it an object of indifference, if not disgust? Are they not an evidence of the impurity of the blood? What is

SCROFULA? It is the unsightly eruptions that owe their origin to the same source, and nothing but a blood purifier or cleanser will cure this disease.

SALT RHEUM, *Cancerous Humors*, *Tetter*, *Ring-worm*, *Erysipelas*, *Itch*, *Boils*, etc., are also evidence of the state of the blood, and are Nature's attempt to throw off the poison or impurities that are lurking in that vital fluid. Give Nature a chance by using Northrop & Lyman's Vegetable Discovery, and the eruptions will all disappear.

DYSPEPSIA.—We challenge anyone to produce a case of this disease that the Discovery will not cure. Its operation is thorough, and it removes every vestige of the complaint.

BILIOUSNESS.—For this complaint it has no equal. It gives tone to the stomach, corrects acidity, and brings every part into active work. It drives

MALARIA and all Malarial Diseases, such as Fever and Ague, etc., from the system by

cleansing the Blood, giving activity to the Liver, strengthening the organs of digestion, secretion and absorption.

LIVER COMPLAINT.—Try this valuable medicine for Liver Complaint. It has a good record as you will see by looking at the testimonials from those who have been cured.

KIDNEY AND BLADDER DISEASES have been cured by the use of Northrop & Lyman's Vegetable Discovery, and we don't believe there is any preparation equal to it or that will do as much for these complaints as this celebrated medicine.

CATARRH is a constitutional disease and requires a medicine that will permeate every part of the human system and cleanse all impurities from the blood. This is precisely what Northrop & Lyman's Vegetable Discovery will do.

AS A TONIC it has a remarkable effect on the weak and broken-down constitution, restoring the appetite and giving strength and vitality to the system.

THE LADIES' Favorite Medicine is Northrop and Lyman's Vegetable Discovery. It has a beneficial effect at once by strengthening the system and helping Nature to perform her duty. Female complaints are caused by some part of the body becoming clogged. The Blood may have become thick from some impurity, or the Liver sluggish. Don't waste time brooding over your trouble and making yourself miserable and everyone around you, get Northrop & Lyman's Vegetable Discovery and use it and continue to use it, and you will soon see an improvement in your appetite and your body and mind strengthened.

DID YOU EVER NOTICE how susceptible you were to disease when your blood was out of order? How soon a hearty dinner would be followed by an attack of Dyspepsia or an affection of the Liver? If you expose yourself to the least draught, how easily you caught cold; then followed Catarrh, Bronchitis, Asthma, Rheumatism, or some other disease. Did you ever stop to think that most of these complaints were directly caused by the machinery of the body becoming clogged through the **Impurity of the Blood?**

Take, for instance, a stream of water that is full of impurities, and erect thereon a mill, and you will find that in a very short time the water-wheel that drives the machinery will get out of order and if the impediments are not removed it will soon refuse to move. It is just the same with the machinery of the human body. The blood, or stream of life, must be pure or the big wheel will stop. It may not stop suddenly as in the case of those who die from *Heart Disease*. A strong constitution may enable you to fight with it for years, but eventually it will come to a standstill. But

many have not a strong constitution, and the great reaper, Death, gathers them in before they have reached the age of manhood.

How many valuable lives might have been spared if a little more precaution had been taken, and when our system required renovating get some good medicine for it? We claim that by the timely use of our Vegetable Discovery a vast amount of suffering may be removed and diseases cured, that if not checked would bring the afflicted to an untimely end. Ample proof of our assertion is to be found by reading the following testimonials, and many others to be found in this book:

A MAN'S LIFE SAVED.

I WOULD not be doing justice to the afflicted if I withheld a statement of my experience with Jaundice, and how I was completely cured by using

NORTHROP & LYMAN'S VEGETABLE DISCOVERY.

No one can tell what I suffered for nine weeks, one-third of which I was confined to my bed, with the best medical skill I could obtain in the city trying to remove my affliction, but without even giving me temporary relief. My body was so sore that it was painful for me to walk. I could not bear my clothes tight around me, my bowels only operated when taking purgative medicines, my appetite was gone, nothing would remain on my stomach and my eyes and body were as yellow as a guinea. When I ventured on the street I was stared at or turned from with a repulsive feeling by the passer-by. The doctors said there was no cure for me. I made up my mind to die, as LIFE HAD LOST ALL ITS CHARMS. One day a friend called to see me and advised me to try Northrop & Lyman's Vegetable Discovery. I thought if the doctors could not cure me, what is the use of trying the Discovery, but after deliberating for a time I concluded to give it a trial, so I procured a bottle and commenced taking it three times a day. JUDGE OF MY SURPRISE, at the expiration of the third day to find my appetite returning. Despair gave place to hope, and I persevered in following the directions and taking hot baths two or three times a week until I had used the fifth bottle. I then had no further need for the medicine that had SAVED MY LIFE—that had restored me to health—as I was radically cured. The natural color had replaced the dingy yellow; I could eat three meals a day, in fact the trouble was to get enough to eat. When I commenced taking the Discovery my weight was only 132½ lbs., when I finished the fifth bottle it was 172½ lbs., or an increase of

about ½ lb per day, and I never felt better in my life. No one can tell how thankful I am for what this wonderful medicine has done for me. It has rooted out of my system every vestige of the worst type of Jaundice, and I don't believe there is a case of Jaundice, Liver Complaint or Dyspepsia that it will not cure.

(Signed), W. LEE, Toronto.

FOR THE THOROUGH and speedy cure of all blood Diseases and Eruptions of the Skin, take Northrop & Lyman's Vegetable Discovery.

Mrs. B. Forbes, Detroit, had a running sore on her leg for a long time, commenced using Northrop and Lyman's Vegetable Discovery, and she is now completely cured. Her husband thinks there is nothing equal to it for ague or any low fever.

WHY SUFFER from disorders caused by Impure Blood, when thousands are being cured by using Northrop & Lyman's Vegetable Discovery? It removes Pimples and all Eruptions of the Skin.

Mr. John C. Fox, Olinda, writes: "Northrop & Lyman's Vegetable Discovery is giving good satisfaction. Those who have used it say it has done them more good than anything they have ever taken."

IN ITS WORST FORM.—Miss Julia A. Pilsworth, Toronto, writes: "I had dyspepsia in its worst form for over a year, but after taking three bottles of Northrop & Lyman's Vegetable Discovery a perfect cure followed. I take great pleasure in recommending it to anyone suffering from Dyspepsia."

BEYOND THEIR EXPECTATION.

Mr. J. R. Allen, upholsterer, Toronto, sends us the following: "For six or seven years my wife suffered with Dyspepsia, Costiveness, Inward Piles, and Kidney Complaint. She had a pain in her back so bad that she could not straighten herself for some time after she arose in the morning. Her legs frequently cramped so much that she could scarcely turn over in bed at night. In fact, she was suffering untold agony in both body and mind. We tried two physicians and any number of medicines without getting any relief, until we got a bottle of Northrop & Lyman's Vegetable Discovery. This was the first relief she got and I am happy to state that before one bottle was used the benefit she derived from it was beyond our expectation. We can with confidence recommend it for such complaints as she had, and hereafter we shall always keep a bottle of it on hand as our family medicine."

WHAT two letters in the alphabet indicate very cold weather?—I C.

WHAT is that which lives in winter, dies in summer, and grows with its roots upwards?—An icicle.

"If there's no moonlight, will you meet me by gaslight, dearest Juliana?" "No, Augustus, I won't," she replied. "I'm no gas meter."

As a frightened darkey, chased by an infuriated bull, neared the boundaries of the field, he enthusiastically exclaimed, "Millions for the fence, but not one cent for the brute."

AN exchange tells how the joke was on him. "A bright little girl of our acquaintance asked us the following conundrum: 'How many letters are there in a postman's bag?' We gave it up, and she said there were three—b-a-g."

"WHOM can we trust?" is the enquiry of an exchange. It is of no consequence. "Whom can we induce to trust us?" is the soul agonizer.

WHICH is the oddest fellow—the one who asks a question or the one who answers? The one who asks, because he is the querist.

"GRACIOUS me!" said an old lady in a witness-box, "what curious critters your lawyers are! Do you s'pose I can tell you everything about nothing I don't know nothing about?"

SARCASTICUS and his wife don't agree very well. The other morning he discovered that she had appropriated his only necktie. Sarcasticus: "What in thunder are you wearing my cravat for?" Mrs. S.: "Because I haven't any of my own." Sarcasticus (floomily): "Oh, I see! It is the only tie there is between us."

A GREAT MEDICAL TRIUMPH.

DISEASES OF THE KIDNEYS AND BLADDER.

For the cure of diseases of the Kidneys and Bladder, Northrop & Lyman's Vegetable Discovery is a remarkable remedy. It purifies and enriches the blood; regulates the bowels; acts directly upon the secretions, and the affected organs themselves; cleansing, strengthening, and removing all obstructions and impurities. In these diseases a few bottles of the Discovery are worth their weight in gold.

Mr. Joab Scales, of Toronto, writes:—"A short time ago I was suffering from Kidney Complaint and Dyspepsia, Sour Stomach and Lame Back; in fact I was completely prostrated and suffering intense pain. While in this state a friend recommended me to try a bottle of Northrop & Lyman's Vegetable Discovery. I used one bottle, and the permanent manner in which it has cured and made a new man of me is such that I cannot withhold from the proprietors this expression of my gratitude."

DISEASE OF THE LIVER is far more common than is generally supposed; and, indeed, it is possible for serious disease of that organ to exist without any well-defined symptoms whatever. Comparatively few are constantly free from all irregularities of the Liver, and more particularly Bilioussness.

The remarkable properties of Northrop & Lyman's Vegetable Discovery in restoring the Liver from the various affections to which it is subject, such as Bilioussness, Jaundice, Congestion, Inflammation, etc., are surprising to all who witness their effects.

Mrs. H. Hall, Navarino, N.Y., writes:—"For years I have been troubled with Liver Complaint. The doctors said my Liver was hardened and enlarged. I was troubled with dizziness, pain in my right shoulder, constipation, and gradually losing flesh all the time. All food soured on my stomach, even with the closest attention to diet. I was under the care of three physicians, but did not get any relief. A friend sent me a bottle of Northrop & Lyman's Vegetable Discovery, and it affords me much pleasure to inform you that the benefit I have received from it is far beyond my expectations. I feel better now than I have done for years."

FOR THIRTY YEARS.—Mrs. L. Squire, Ontario Steam Dye Works, Toronto, says:—"For about thirty years I have doctored for Liver Complaint and Dyspepsia without getting any cure. I then tried Northrop & Lyman's Vegetable Discovery, and the benefits I have received

from this medicine are such that I cannot withhold this expression of my gratitude. It acts immediately on the Liver, and its good effects are noticed at once. As a dyspepsia remedy I don't think it can be equalled."

FEMALE WEAKNESS.—If the atmosphere we breathe is deficient in oxygen, the Blood is only partially purified; and if this deficiency of oxygen is made up with carbonic acid poison, which is just the condition of the atmosphere in close warm rooms, the Blood, not only being but partially purified in the lungs, but also receiving poison from the atmosphere, is returned loaded with a variety of poisonous constituents to every part of the entire body, and the consequence is, the universal health receives a broadside volley, The whole system becomes languid and weak, every fibre loose and lax. The most susceptible pores, channels and ducts choked up, Leucorrhœa, or whites, frequently supervene, Digestion and Assimilation are impaired, and Female Weakness is established. The Blood becomes Impoverished, various functions may become deranged, and the foundation is laid for a train of symptoms or diseases, the pangs of which tongue cannot express, and which often terminate in Consumption.

YOU CAN NOW readily understand how the atmosphere in close warm rooms induces Female Weakness. The inmates are constantly exhaling the natural poison from the lungs, and inhaling or consuming the oxygen, until the atmosphere, deficient in oxygen, is loaded with poisonous properties, and consequently the Blood with Impurities, a large proportion of which, in a female, have a peculiar tendency to establish the disease in question. Add to these destroying influences, the debilitating effect of constant heat, and need you wonder at the frequency of the disease in the present age?

TREATMENT.—We are pleased to inform you that for this malady, which has been the source of untold misery, and so seldom cured, we are able to offer you, in Northrop & Lyman's Vegetable Discovery, a remedy that Purifies the Blood and cures the disease. Take sufficient of it to regulate the bowels, producing two healthy operations in the day. There is no disease, or complaint, in which the Vegetable Discovery gives quicker relief, or is more effective in its cure than in what is termed Female Weakness.

SEVEN YEARS OF SUFFERING.—A lady in Syracuse writes:—"For about seven years before taking Northrop & Lyman's Vegetable Discovery, I suffered from a complaint very prevalent with our sex. I was unable to walk any distance, or stand on my feet for more than a few minutes at a time, without feeling exhausted; but now, I am thankful to say, I can walk two miles without feeling the least inconvenience. For Female Complaints it has no equal."

SOMEONE who believes that "brevity is the soul of wit" writes: "Don't eat stale Q-cumbers. They'll W up."

"THE ministry have thrown me overboard," said a disappointed politician, "but I've strength enough to swim to the other side."

WHEN you begin to praise a man for anything he has done you should tell him beforehand that you don't want to borrow any money from him.

A widow being cautioned by her minister about flirting, said she knew it was wrong for unmarried ladies to flirt, but the Bible said "widow's mite."

THE principal resemblances between a man who stops his team on the cross-walk of a crowded street, and a half barrel of flour is that both make about a hundred wait.

THE difference between the preacher, builder, and the architect of a church is simply this: One is the rector, the other the erector and the third the director!

No matter how a young lady's hat is lost, it is almost certain to turn up—either behind or at the side.

WHAT is the difference between a girl and a light-cap? One is born to wed; and the other is worn to bed.

A YOUNG lady being asked by a rich bachelor, "If not yourself, who would you rather be?" replied, sweetly and modestly, "Yours truly."

Nobody likes to be nobody; but everybody is pleased to think himself somebody. And everybody is somebody, but when anybody thinks himself somebody, he generally thinks everybody else is nobody.

"WHY is this called Jacob's ladder?" asked a charming woman as he and she were going up the steepest portion of the Mount Washington railway. "Because," he replied, with a look that emphasized his words, "there are angels ascending and descending occasionally." He squeezed her hand.

DR. J. D. KELLOGG'S DYSENTERY CORDIAL

A SURE CURE FOR
**Dysentery, Diarrhoea, Cholera, Griping
Pains in the Bowels, Summer Com-
plaints, Children Teething,
Sea Sickness, Etc.**

This cordial is prepared from drugs known to the profession as thoroughly reliable for the cure of the above named diseases. And having been used by medical practitioners for a number of years, with gratifying results, we place it on the market with the fullest confidence of its giving entire satisfaction.

All infants are more or less subject to this disease; older children and adults generally bring it on by eating green vegetables or unripe fruit, and in every instance it soon weakens even the strongest. It should be checked on its first appearance, and to do this effectually there is nothing better than Dr. J. D. Kellogg's DYSENTERY CORDIAL, an article possessing excellent medicinal qualities for the disease named above. It acts with wonderful rapidity, and never fails when taken at the commencement.

NO PERSON SHOULD go from home without a bottle of Dr. J. D. Kellogg's DYSENTERY CORDIAL in their possession, as change of water, cooking, climate, etc., frequently brings on summer complaint, and there is nothing like being ready with a sure remedy at hand, which oftentimes saves great suffering, and frequently valuable lives.

Mr. E. D. Newton, Toronto, writes:—"I have used Dr. Kellogg's Dysentery Cordial and found it the best medicine I ever used for Diarrhoea."

Mrs. Stack, Toronto, writes:—"I have much pleasure in saying that four doses of Dr. J. D. Kellogg's Dysentery Cordial cured me of a very severe attack of Cholera Morbus. I never saw anything act so quick in subduing the pain and stopping the purging."

Mr. George Smedley, Toronto, says Dr. Kellogg's Dysentery Cordial cured him of Cholera Morbus.

Mr. J. J. Doyle, Sackville St., Toronto, writes:—"I am pleased to testify to the excellence of Dr. J. D. Kellogg's Dysentery Cordial, and would not be without it. I was very ill with cramps and could not get anything to relieve me until I was advised to use the Cordial, which gave me instant relief."

Sold by all medicine dealers. Price 25 cents.

Copland's Sweet Castor Oil.

EQUALLY SUITABLE FOR CHILDREN AND ADULTS.

Endorsed by over 600 doctors in Canada.

We have recollections that are hard to erase from our memory of a time when the good old-fashioned but disagreeable Castor Oil was the favorite medicine with our mothers. We then feared to tell that we were sick, for we knew what would follow that acknowledgment. We preferred suffering in silence rather than take that nauseous and sickening medicine. But with the advancement of science this feeling has disappeared; one discovery has followed another; and one of the most important in the history of medicine is the discovery of a way whereby Castor Oil can be sweetened and rendered palatable.

TO THE INVENTOR of COPLAND'S SWEET CASTOR OIL is the world indebted for this valuable improvement on a staple household medicine. After careful and long research he made this discovery, and called his preparation

COPLAND'S SWEET CASTOR OIL.

It is of the same strength and medical qualities as the ordinary Castor Oil, and while equally safe and harmless, yet acts with more certainty, and produces neither nausea nor griping. Some children say it is honey; others call it syrup—they all say they like it. One parent says: "My children drink it like water"; another: "We had to hide the bottle or they would have finished it right off"; another: "My little girl has taken it twice without any trouble, and does not know what it is, though she hates the ordinary Castor Oil, and we could never get her to take it without a fight." Yet another: "I wish you success of your SWEET CASTOR OIL; it is a splendid thing, sure to take the place of all the common oil."

Below are names of a few medical men acquainted with Copland's Sweet Castor Oil, who certify that it is a great improvement on ordinary Castor Oil, and recommend it as pleasant, harmless, efficacious, and supplying a long-felt want; L. Brock, M.D., Guelph; D. Macintosh, M.D., Hamilton; E. Clapham, M.D., L.R.C.S., Belleville; Geo. W. Wright, M.D., Berlin; Y. Cowen, M.D., Galt; Geo. Smith, M.R.C.S.E., Stratford; James P. Morden, M.D., Picton; R. R. Addison, M.D., Farmersville; W. H. Street, M.D., London; H. C. Rugg, M.D., Perth; James Patterson, M.D., Almonte; Francis W. Campbell, M.D., Montreal; J. McNaughton, M.S., S.M., Newcastle; Wm. Wade, M.D., M.R.C.S.E., Cobourg.
The undersigned having purchased Messrs. T. Copland & Co.'s interest in the above preparation are now manufacturing it from the original recipe.

"The mouth of the Amazon," said a professor of geography in a St. Louis female seminary, "is the biggest mouth in the world—present company always excepted."

"You are very handsome," said a gentleman to a lady. "Pooh!" said the lady, "so you would say if you did not think so." "And so you would think," answered he, "though I should not say so."

Two grammarians were wrangling the other day, one contending that it was only proper to say, "My wages is high," while the other noisily insisted that the correct thing was, "My wages are high." Finally they stopped a day-laborer, and submitted the question to him. "Which do you say. Your wages is high, or, Your wages are high?" "Oh, off wid your nonsense!" he said, resuming his pick, "yer nathur ov ye right; me wages is low, bad luck to 'em."

"Did you say that my brother Jim didn't know as much as Smith's dog?" "No; I said Smith's dog knew more than your brother Jim."

An old bachelor explains the courage of the Turks by saying that a man with more than one wife ought to be willing to face death at any time.

I have noticed that money is the fool's wisdom, the knaves reputation, the poor man's desire, the covetous man's ambition, and the idol of them all.

"MADAM," said a trance medium, "your husband's spirit wishes to communicate with you."

"No matter," said the widow; "if he's got no more spirit in the other world than he had in this, it's not worth bothering about."

FOR BEAUTIFYING AND PRESERVING

THE COMPLEXION,

Removing Tan, Sunburn, Freckles and all Roughness of the Skin.

How to be beautiful, and consequently powerful, is a question that has engrossed the female mind in all ages. Beautiful women have controlled the fate of dynasties and the lives of men from the earliest days to the present time.

It has been said that beauty is only skin deep. If that is a fact, we can easily make our skin beautiful. Ladies who leave the city for the summer need not carry immense sunshades with them to protect their complexion. Let them take and use a bottle of the PERSIAN BEAUTIFIER.

Ladies who remain much indoors during the winter months find that the skin becomes rough by the slightest exposure to the air. This can be avoided by the use of the PERSIAN BEAUTIFIER.

This preparation not only removes roughness, but imparts a beautiful tint to a sallow complexion, and gives a pearly appearance to a fair skin. It cools the skin, and gives that healthy appearance so attractive in our well-known beauties.

A LADY WRITES:—"I think every one likes boating, and nearly every one suffers when they indulge in that enjoyment, especially if the sun is pouring forth its strongest rays. Our pretty faces are spoiled with tan and sunburn, and coming home our admirers are not quite so attentive as they were. But, many thanks to Northrop & Lyman Co., we can soon be ourselves again. The PERSIAN BEAUTIFIER will remove all the tan, sunburn and freckles we received at our last boating party. It excels every other beautifier, and has a sweet cooling sensation when applied. It leaves a pretty pearly pink, and is not injurious to the skin."

A young lady from Nevada writes:—"Send me two bottles of Persian Beautifier at once, per express, as I must have it at any cost. I used a bottle while in Canada on a visit last summer, and I don't think there is anything equal to it."

PROPRIETORS, TORONTO.

HAVE never been equalled for brilliancy of colors, reliability of shades, and are warranted to color mere goods, and to give better satisfaction than any Dye in the market. Compare them; try them; and be satisfied of this fact.

Do not be persuaded to try Dyes that are advertised to color large quantities of goods; the colors made from such soon change, and the goods become worthless. This is especially so with colors on cotton. Our special Colors for Cotton will be found far superior to all others, not only in the large amounts they will color, but in the fastness and brilliancy of the colors, making them indispensable to all wishing to dye cotton goods for carpets or other permanent use.

These Dyes are manufactured from the best and purest materials, so that you are certain to get good colors every time if your goods are free from grease, and the directions followed.

Old silks, faded ribbons, etc., can be made to look like new by using the Handy Package Dyes.

They are just what you want for coloring carpets, rugs, old dresses, stockings, etc.

Beautiful ornaments can be made out of grass, wheat, oats, and other grain, after coloring them with the Handy Package Dyes.

The person with an ingenious mind and decorative taste can find hundreds of ways to beautify their homes by using the Handy Package Dyes.

REMARKS ON COLORS.—Pure and bright colors can be had only on white goods. Colored goods, especially silk and cotton, can often be made nearly white by boiling in strong soap-suds and rinsing, repeating the process as long as the color comes into the water.

If the Dyes are used on goods already colored, the color obtained will be a combination of the old and new colors.

A Red color, dyed on Green, Slate, or Drab, will make a Brown; on Yellow, an Orange; on Blue, a Purple; on Violet, a Wine.

Green will color nicely over Gray, Drab, Slate, Bismarck, and Blue, making Dark Greens, or Olives.

Blue over Green will make a Peacock color; over Reds a Violet or Purple; over Yellow a Green; over Browns, Dark Bluish Shades.

Browns will color over all colors except Black, making on Green a Bronze, on Red a Garnet, on Purple and Violet a Wine or Maroon.

Purple and Violet will color over Red, Blue and Brown, making Wine, Plum, etc.

All the dark colors will cover over lighter colors, making various shades of the darker colors used.

A poor old rheumatic lady said to her physician, "Oh, doctor! doctor! I suffer so much with my hands and feet!" "Be patient, dear madam," he soothingly responded, "you'd probably suffer a great deal more without them."

SOME boys undertook to play base-ball in a field where a ram was feeding recently. He butted the short stop through a picket fence and forced all the rest to make a home run. The boy who was butted through the fence was the only one who scored, and he carries the score with him.

THEY were at the wedding breakfast, when the groom said to the little girl: "You have a new brother now, you know." "Yeth," responded the little one; "Ma seth it wath Lottie's last chance, so she'd better take it." The rest of the little one's talk was drowned in a clatter of knives and forks.

"I WANT five cents' worth of starch," said a little girl to a grocer's clerk. The clerk, wishing to tease the child, asked: "What do you want five cents' worth of starch for?" "Why for five cents, of course," she answered, and the clerk concluded to attend to his own business.

DR. JOHNSON being once in company with some scandalmongers, one of them having accused an absent friend of resorting to rouge, he observed: "It is, perhaps, after all, much better for a lady to redden her own cheeks than to blacken other people's characters."

THAT was a happy point made at a civic feast by a naturalized German. In responding to a toast, he said: "I am the best Canadian, perhaps, of any of you, because you are all born Canadians, and could not help it, whereas I became a Canadian from choice."

LANGUAGE can but feebly describe the pangs of Rheumatism. This malady is one of the most obstinate which tortures humanity, but a positive, permanent cure is soon experienced by the application of that world-renowned soothing specific, Dr. Thomas' Eclectic Oil. Physicians and others who have observed or experienced the action of Dr. Thomas' Eclectic Oil testify to the thoroughness and promptitude with which it affects a cure. A single bottle of this invaluable remedy often suffices to overcome the difficulty. Not only is it speedy and thorough in its operation, but perfectly safe since it contains only the purest and most salutary ingredients.

THE EFFORTS of distinguished public speakers and performers are often impaired by hoarseness. No specific for Throat and Lung affections has been found to remedy this trouble with such certainty and promptitude as Dr. Thomas' Eclectic Oil. This inexpensive but sterling remedy, used inwardly and outwardly, oftentimes in a few hours entirely overcomes Sore Throat or a Cold, and may be depended upon to produce the best effects in Incipient Bronchitis, Asthma, Croup, Catarrh, Quinsy, and other affections of the Breathing Organs. It is also a sovereign remedy for Neuralgia, Kidney Disorders, Piles, Excoriation of the Nipples, Bruises, Scalds and Hurts of all kinds.

ONLY HALFA BOTTLE.—Mr. A. B. Des Rochers, Arthabaskaville, P.Q., writes:—"Thirteen years ago I was seized with a severe attack of Rheumatism in the head, from which I nearly constantly suffered, until after having used *Dr. Thomas' Eclectic Oil* for nine days, bathing the head, etc., when I was completely cured, and have only used half a bottle."

Mrs. D. Morrison, Farnham Centre, P.Q., writing about Dr. Thomas' Eclectic Oil, says:—"George Bell used it on his son, and it cured him of Rheumatism with only a few applications. The balance of the bottle was used by an old gentleman for Asthma, with the best results. It acts like a charm."

John Hays, Credit P.O., says: "His shoulder was so lame for nine months that he could not raise his hand to his head, but by the use of Dr. Thomas' Eclectic Oil the pain and lameness disappeared, and, although three months have elapsed, he has not had an attack of it since."

EXCELLENT QUALITIES.—Mr. Gilbert Laird, St. Margaret's Hope, Orkney, Scotland, writes:—"I am requested by several friends to order another parcel of Dr. Thomas' Eclectic Oil. The last lot I got from you, having been tested in several cases of Rheumatism, has given relief when doctors' medicines have failed to have any effect. The excellent qualities of this medicine should be made known, that the millions of sufferers throughout the world may benefit by its providential discovery."

FULLY REALIZED.—Mr. James Cullen, Pool's Island, N.F., writes: "I have been watching the progress of Dr. Thomas' Eclectic Oil since its introduction to this place, and with much pleasure state that my anticipations of its success have been fully realized, it having cured me of Bronchitis and soreness of nose; while not a few of my rheumatic neighbors (one old lady in particular) pronounce it to be the best article of its kind that has ever been brought before the public. Your medicine does not require any longer a sponsor, but if you wish me to act as such I shall be only too happy to have my name connected with your prosperous child."

IT NEVER FAILS.—Mr. W. J. Corbett, Creemore, writes:—"A few days ago a customer of mine came in with a Sore Throat, and his neck swelled to almost twice its usual size. In reply to my question as to what he was going to use for it, he said, 'I always use Dr. Thomas' Eclectic Oil'; I at once supplied him with a bottle and he took a dose then and there, and applied some externally; strange to relate, he felt relief before leaving the store, and stranger still, before night the swelling was almost entirely gone. I supplied Dr. Thomas' Eclectic Oil to a large number of parents during an epidemic of Diphtheria, and everyone of them saved their children, while a number that I knew of lost theirs after using other remedies. These facts speak for themselves, and the consequence is that Dr. Thomas' Eclectic Oil is in constant demand all the year round."

CANNOT BE BEAT.—Mr. D. Steinbach, Zurich, writes:—"I have used Dr. Thomas' Eclectic Oil in my family for a number of years, and I can safely say that it cannot be beat for the cure of Croup, Fresh Cuts and Sprains. My little boy has had attacks of Croup several times, and one dose of Dr. Thomas' Eclectic Oil was sufficient for a perfect cure. I take great pleasure in recommending it as a family medicine, and I would not be without a bottle in my house."

Rev. G. W. Brown, Pastor B.M.E. Church, Chestnut Street, Toronto, writes:—"I am pleased to say that Dr. Thomas' Eclectic Oil is all that you claim it to be, as I have been using it for ten years, both internally and externally, and have always received benefit from its use."

MOTHER GRAVES' WORM EXTERMINATOR.
PLEASANT TO TAKE.

Sure and Effectual in Relieving the Sufferer

WORMS are parasitical animals which infest the intestinal canal of the human family. There are five different kinds. The most troublesome are known as the Ascarides, or Thread-worm, and are from one-eighth to one and a half inches long. They infest the lower intestines, causing irritation about the rectum. The Lumbricie is a long, round worm, generally from two to six inches long, but sometimes much longer; they infest the small intestines, and occasionally the stomach. The Trichuris is a long, hair-tailed thread-worm, to be found in the cocum. The Taenia, or Tape-worm, of which there are two kinds, occupy the whole tract of the intestines, and are sometimes thirty to forty feet in length.

Worms attack all ages, from the youngest up to the adult, but more frequently between the ages of three and ten years, and are no respecters of persons, the rich and poor, the proud and humble, alike have to seek relief from their ravages. They are not only a cause of disease, but by their irritation aggravate all other diseases. Their presence deranges the whole system, causing the strong to grow feeble, and the glow of health to fade from the cheek.

THE USUAL SYMPTOMS of Worms in children are, indigestion, irregular appetite, moaning, and restlessness during sleep, grinding of the teeth, swelling and hardness of the abdomen, with frequent slimy stools, countenance pale, picking at the nose, offensive breath, low spirits, irritable and feverish, frightful dreams, headache, pain in the stomach, urine turbid, convulsive fits, and a gradual wasting away of the flesh, etc. When any of these symptoms are noticed, do not delay in getting relief for the sufferer.

In administering medicine to children, one important thing is to get something that will be pleasant to the taste, and at the same time effectual in accomplishing the end desired. In

MOTHER GRAVES' WORM EXTERMINATOR

These two desirable qualifications are to be found. It is put up in the form of a syrup, and is so agreeable that children will not refuse it; in fact, so pleasant that it will have to be placed beyond their reach or they will empty the bottle. As regard its efficacy, we can say that before placing it on the market the originator gave it a thorough test,

with the most gratifying results, and we have no hesitation in placing it on the Canadian market, feeling confident when once introduced it will give such satisfaction that we will not have cause to regret the venture.

THIS MEDICINE DOES not require the help of any purgative medicine to complete the cure. It effectually destroys the Worms, and removes the nests in which their young are deposited, thus relieving the sufferer of their injurious effects.

Full directions with each bottle.

Mr. Geo. Burke, Quebec, writes:—"I have used Mother Graves' Worm Exterminator and found it the best thing I ever used for worms."

DR. KELLOGG'S CATARRH SNUFF

FOR CATARRH, COLD IN THE HEAD, HEADACHE, ETC.

ONE of the most common of all disorders to which the human body is subject in this changeable climate is Catarrh. It is contracted generally by exposure to draughts or damp atmosphere. It may at first be only what is commonly called cold in the head, but if neglected it eventually becomes chronic, and is exceedingly troublesome, causing derangement of the stomach and whole system. The smell is impaired and sometimes destroyed, appetite gone, and general emaciation frequently occurs.

DR. KELLOGG'S SNUFF

Is specially adapted for this disease, and we do not hesitate to pronounce in the strongest terms of its unflinching efficacy in relieving and eventually curing the afflicted.

It **GIVES IMMEDIATE** relief to the dull, heavy pains caused by cold in the head. It opens and purges out all obstructions, strengthens the glands, and gives healthy action to the parts affected.

Mr. Paul Thibodeau, Cavendish Road, P.E.I., writes:—"I have had Catarrh for twelve years, and fifty cents' worth of Kellogg's Snuff did me more good than \$50 worth of medicine which I had from the most eminent medical men of Montreal, Quebec, St. John and Charlottetown. I think one more bottle will completely cure me."

KEEP your conduct abreast of your conscience, and very soon your conscience will be illumined by the radiance of God.

It is good for us to think no grace or blessing is truly ours: till we are aware that God has blessed some one with it through us.

FEELINGS come and go like light troops following the victory of the present, but principles, like troops of the line, are undisturbed and stand fast.

THE golden moments in the stream of life rush past us, and we see nothing but sand; the angels come to visit us, and we only know them when they are gone.

BILKINS, whose language is flowery, called his wife "a daisy," during their engagement; during their honeymoon he called her "a pink," and now when she meets him with a roll-pin, at two o'clock in the morning, he calls her a "night-blooming serious."

EXPECT nothing from him who promises a great deal.

Why is a watch dog bigger by night than by day? Because he is let out at night.

In studying character, do not be blind to the shortcomings of a warm friend or the virtues of a bitter enemy.

Be pleasant and kind to those around you. The man who stirs his cup with an icicle spoils the tea and chills his own fingers.

HONEYMOON, is a month in which many persons appear to exhaust all the sweets of matrimony, so as to have none left for the rest of their married life.

AN exchange says that "the man or woman who has never loved, hugged, kissed, played with, listened to, told stories to, or thoroughly spanked a child, has missed the cardinal joys of life." The children beg to differ on the "spansks."

Will Cure Liver and Kidney Complaints, Dyspepsia, Costiveness, Headache, Purify the Blood and Regulate the Secretions, Remove all Bilious Matter and Prevent Ague.

DR. PARMELEE'S NEW VEGETABLE PILLS differ from all others now before the public in their composition and effect upon the system. Based upon the most scientific principles, and made from Roots, Herbs and solid extracts which have specific virtues truly wonderful in their action upon the Liver and Kidneys, such as Mandrake and Dandelion, found in this country; while others, equally as potent in regulating the secretions and purifying the blood, etc., are found only in Spain and other countries. Thus we see that Nature, in her wise Providence has provided a valuable catalogue of plants all over the land, specific in their very nature for the cure of certain diseases. In this scientific combination it is found that PARMELEE'S PILLS possess the power of acting specifically upon the diseased organs, stimulating to action the dormant energies of the system, thereby removing disease. In this lies the great secret of **Parmelee's New Vegetable Pills**.

Fever and Ague and Bilious derangements are positively cured by the use of **Parmelee's Pills**. They not only cleanse the stomach and bowels from all bilious matter, but they open the excretory vessels, causing them to pour copious effusions from the blood into the bowels, after which the corrupted mass is thrown out by the natural passage of the body.

Mr. J. L. Price, Shoals, Martin Co., Ind., writes:—"I have tried a sample box of **Parmelee's Pills** and find them the best medicine for **Fever and Ague** I have ever used."

Nervous Debility and Diseases of the Liver and Kidneys cured.

Miss Emma L. Beach, Syracuse, writes:—"Physicians called my complaint **General Nervous Debility and Disease of the Liver and Kidneys**. I tried various kinds of medicine for more than a year, without getting any relief. Most of the time I was not able to leave my room. My friends thought I had *Consumption*. I was advised to try **Parmelee's New Vegetable Pills**. I commenced

by taking half a pill every night regularly for a week. My appetite began to improve, and I was stronger. I continued to take half a pill, every or every other night for six weeks. They restored me to perfect health."

The Medicine for Liver and Kidney Complaint.

Mr. Victor Auger, Ottawa, writes:—"I take great pleasure in recommending to the general public '**Parmelee's Pills**' as a cure for **Liver and Kidney complaint**. I have doctored for the last three years with leading physicians, and have taken many medicines which were recommended to me without relief, but after taking 8 of **Parmelee's Pills** I was quite relieved, and now I feel as free from the disease as before I was troubled."

Mr. E. A. Cairncross, Shakespeare, writes:—"I consider **Parmelee's Pills** an excellent remedy for **Biliousness and derangement of the Liver**, having used them myself for some time."

Mr. D. Rollf, Alfont, Madison Co., Ind., writes:—"I purchased some of **Parmelee's New Vegetable Pills** of your agent at Mantua Station, Portage Co., Ohio, and I have not found their equal for cleansing the Liver."

COLIC AND KIDNEY DIFFICULTY.

Mr. J. W. Wilder, J.P., LaLargeville, N.Y., writes:—"I am subject to severe attacks of **Colic and Kidney Difficulty**, and find your **Pills** afford me great relief, while all other remedies have failed. They are the best medicine I have ever used."

Mr. T. J. Humes, Columbus, Ohio, writes:—"I have been afflicted for some time with **Kidney and Liver Complaint**, and find **Parmelee's Pills** the best medicine for these diseases."

OUT OF SORTS.—Symptom—Head-

ache, loss of appetite, furred tongue, and general indisposition. These symptoms, if neglected, develop into acute disease. It is a trite saying that an "ounce of prevention is worth a pound of cure," and a little attention at this point may save months of sickness and large doctor's bills. For this complaint take from two to three of **Parmelee's New Vegetable Pills** on going to bed, and one or two for three nights in succession.

In fact, so great is the power of this medicine to cleanse and purify, that diseases of almost every name and nature are driven from the body.

For inflammation of the Eyes, Eruptions of the Skin, Rough or Pimply Face, take from one to two pills regularly for a short time, which will reduce the inflammation and give a smooth and healthy appearance to the skin.

For *Delicate and Debilitated Constitutions* these pills act like a charm. Taken in small doses, the effect is both a tonic and a stimulant, mildly exciting the secretions of the body, giving tone and vigor.

HOW TO CURE HEADACHE.—Mr. Finlay Wark, Lysander, P.Q., writes:—"I find Parmelee's Pills a first-class article for Bilious Headache."

Mr. Chas. A. Smyth, Lindsay writes:—"Parmelee's Pills are an excellent medicine. My sister had been troubled with severe headache, but these pills have cured her."

THE BEST PILLS.—Mr. Wm. Vandervoort, Sydney Crossing, Ont., writes:—"We have been using Parmelee's Pills, and find them by far the best pills we ever used."

Mr. D. Carswell, Carswell P.O., Ont., writes:—"I have tried Parmelee's Pills and find them an excellent medicine, and one that will sell well."

TAKING THE LEAD.—Mr. F. W. Ashdown, Ashdown, Ont., writes:—"Parmelee's Pills are taking the lead against ten other makes which I have in stock."

DYSPEPSIA AND INDIGESTION.

C. W. Snow & Co., Syracuse, N.Y., write:—"Please send us ten gross of Pills. We are selling more of Parmelee's Pills than any other Pill we keep. They have a great reputation for the cure of Dyspepsia and Liver Complaint."

Mrs. Celeste Coon, Syracuse, N.Y., writes:—"For years I could not eat many kinds of food without producing a burning, excruciating pain in my stomach. I took Parmelee's Pills according to directions under the head of 'Dyspepsia or Indigestion.' One box entirely cured me. I can now eat anything I choose, without distressing me in the least."

Mr. Thomas Ballard, Syracuse, N.Y., writes:—"I have been afflicted for nearly a year with that most-to-be-dreaded disease Dyspepsia, and at times almost worn out with pain and want of sleep; and after trying almost everything recommended, I tried one box of Parmelee's Valuable Pills. I am now nearly well, and believe they will cure me. I would not be without them for any money."

THEY NEVER FAIL.—Mr. S. M. Boughner, Langton, writes:—"For about two years I was troubled with Inward Piles, but by using Parmelee's Pills I was completely cured, and although four years have elapsed since then they have not returned."

Mr. John A. Beam, Waterloo, Ont., says:—"I never used any medicine that can equal Parmelee's Pills for Dyspepsia or Liver and Kidney Complaints. The relief experienced after using them was wonderful."

These Pills do not cause pain or griping, and should be used when a cathartic is required. They are Gelatine Coated, and rolled in the Flour of Licorice to preserve their purity, and give them a pleasant, agreeable taste.

Proprietors for Canada.
 Price 25 cents per box.

For the Cure of all Diseases of the Eye, such as Inflammation, Films, Opacities, Specks, Abnormal Growths on the Mucous Surfaces, and Gangrene.

This most excellent eye medicine stands at the head of the list of remedies for the cure of sore eyes. It has been on the market for a number of years and we have never had one complaint against it, nor has it come to our knowledge one instance in which it has failed to effect a complete cure where the directions are followed.

IF YOUR EYES are weak, sore or inflamed from any cause, the best treatment you can get for them is none too good, and in drawing your attention to Dr. J. D. Kellogg's Eye Water, we do so with the assurance that there is nothing better to be found for the diseases to which the eye is subject, such as ACUTE OR CHRONIC INFLAMMATION, WEAKNESS OR DEFECTIVE VISION, FILMS, SPECKS, OPACITIES, ETC.

THE MOST AGGRAVATED cases of inflammation readily yield to its soothing influence and healing powers. The sight is strengthened, and a uniform healthy action is induced.

Do not suffer the loss of your sight, or go day after day with sore and inflamed eyes, when you can get a pleasant and cooling lotion in DR. KELLOGG'S EYE WATER for 25 cents per bottle. Try it without delay.

Using home-made eye medicines is poor economy, as you run the risk of destroying that sensitive, complex and beautiful structure, the "Window of the Soul."

Mr. James Hendry, Stewart's Bay, Ont., writes:—"I received Dr. Kellogg's Eye Water, and am glad to say that it has done me a great deal of good. It soon removed the inflammation, and is gradually removing the film. It is much easier on the eye than any other remedy I have ever tried. I will recommend it to any one I meet with suffering from sore eyes, etc."

Notice the name, "Dr. J. D. Kellogg's Eye Water," prepared only by

SERVICES heard at mother's knee are never wholly forgotten. They form a little spring that never quite dries up in our journey through scorching years.

THE Arabs invented the art of wood engraving. Those who have had their portraits printed in the daily newspapers will doubtless kill the first Arab that comes to this country.

WHEN you see your neighbor in his back yard engaged in splitting wood you may at any moment send a cold chill down his spine by sharply shouting at him, "Look out for that clothesline!"

"DAR's a mighty fine pair of pants for sich a pore nigger as you am to be a-wearin'." "Yes, dey's gorjus, and no mistake." "How much might dey cost yer, and whar did you git 'em?" "Dey mout a costme two years in de penitenshiery of I tole."

It does not follow that because a man has invested in "wild cat" stock he will make a fair purr-scent-age on his investment. We would add another clause—he oftener has hard scratching to keep even.

"WHY do they call the people who live in the South Sea Islands cannibals?" asked an old lady of a sailor. "Because they live on other people," answered the sailor. "Then my son-in-law must be a cannibal," said she pensively, "for he lives on me."

THERE is a precocious six-year-old boy who is wonderful on spelling and definition. The other day his teacher asked him to spell "matrimony." "M-a-t-r-i-m-o-n-y," said the youngster promptly. "Now define it," said the teacher. "Well," replied the boy, "I don't exactly know, what it means, but I know mother's got enough of it."

DR. J. D. KELLOGG'S HEALING OINTMENT.

A SURE and certain remedy for the healing of every variety of Sore, from a Simple Scratch or Bruise to the most aggravated Fever Sore or Scrofulous Ulcer, including the Healthy Ulcer, the Weak Ulcer, the Indolent Ulcer, and Ulcers of all kinds, Wounds, Bruises, Burns, Scalds, Corns, Chilblains, Cuts, Sore Nipples, Broken Breasts, Boils, Bed Sores, Fistulas, etc., and all affections of the SKIN known by the names of Eczema, Salt Rheum, Erysipelas, Tetter, Scald Head, and every variety of Chronic Disease of the Skin.

This Ointment is a compound of remarkable healing ingredients, and its composition has been arrived at by the most thorough investigation. It stands pre-eminently at the head of all the External Medicines for healing, as it never drives the disease inward to take effect on the Internal Organs.

PILES.--This Ointment has given excellent satisfaction in curing Piles. Some very bad cases have been cured by applying Kellogg's Healing Ointment only, but while we believe that it will cure this troublesome and painful complaint without the assistance of any other medicine, yet we think the only rational means of cure is to use Northrop & Lyman's Vegetable Discovery to remove the cause of the affliction and the Healing Ointment to remove the disease. You thus effect a complete and permanent cure.

Its properties, when applied to sores, go directly to the diseased part, attract the virus to the surface, and heal the sore from the bottom. It is simply asked that the afflicted will try **TRY ONE BOX**, the use of which will convince the most sceptical, and do more to introduce it into favorable notice than volumes written in its praise. In curing

SCROFULA AND ITS SORES,
with the assistance of the **Vegetable Discovery** it is without a parallel. We say, with the assistance of the **Vegetable Discovery**, for to attempt to heal a Scrofulous or any other Sore which owes its origin directly to Impure Blood, and while that impurity is in the system, is folly, as you cannot accomplish this successfully unless you drive the virus from the system. To remove Scrofulous Humor from the Blood and System, it is safe to say there is no known medicine that will do it so effectually as **Northrop & Lyman's Vegetable Discovery**.

FOR THE TOILET.--As this Ointment is exceedingly pleasant, and never becomes rancid, it is admirably adapted for Sore Lips, Pimples, Eruptions or Sores that disfigure the face; *Sunburn, Irritation of the Skin* after being exposed to the wind, Chapped or Sore Hands, and in fact, for all sores that require a cooling and healing Ointment.

For *Dandruff*, Irritation or Eruption of the Scalp, and all diseases that have a tendency to cause Baldness, it will be found a Sovereign Remedy.

Mr. W. S. Lewis, Brierwood, Manitoba, writes: --"For over five years I suffered with Scabs on my Head; tried several doctors in England and Manitoba, but got no relief. One box of Dr. Kellogg's Healing Ointment completely and permanently healed them."

NORTHROP & LYMAN CO., Toronto,
Price 25 cents per box. Proprietors.

It is a preparation combining in a pleasant and agreeable form all the stimulating and nutritious tonic properties of the above-named ingredients, chemically combining the elements that make up the human system and are well calculated to supply and re-create the wasted body. Its agreeableness to the taste, restoring and invigorating properties, combined with its powers to vitalize and enrich the blood, render it peculiarly adapted for delicate ladies and children, many of whom object to bitter or nauseous tonics.

It is a most effective strengthener and restorative, and admirably adapted for impaired digestion. As a nutritious tonic it will be found invaluable in the treatment of impaired Nutrition of the Blood, and in all the various forms of General Debility.

IF YOUR STOMACH is weak use Northrop & Lyman's **BEEF, IRON AND WINE**, to tone and strengthen it.

IF YOUR APPETITE is poor, and you are weak and languid, use this **BEEF, IRON AND WINE**, to improve the appetite and restore to the system its exhausted power, and thus, by the general vigor which it imparts, create an appetite and restore the weak and broken down to health and strength, dispel gloomy spirits, enrich the blood, and tone up the whole system.

It is never too late to mend or to marry says a certain writer. But if you marry a woman who says "Mend I can't," you may be a mendicant yourself before long.

"Six feet in his boots!" exclaimed Mrs. Partington, "what will the impudence of this world come to, I wonder? Why they might as well tell me the man had six heads in his hat!"

"Then you don't believe in marrying for money?" "No, sir; not a bit of it. I believe in marrying for love and good looks." "Ah, I see; not a bad plan. But your wife thought differently, I notice."

WHENEVER I hear a man blowing around about being a "self-made man," I always think how much more of a man he would be if the job had been given out by contract to a school teacher or a blacksmith.

MARY—"Don't you think, Angelina, that the close of the sermon was very fine?" Angelina—"Oh, I was so taken with the clothes of Miss Goldthwaite that I didn't notice the close of the sermon."

"Did you hear about the catastrophe down at the Smiths' last night?" "No, what happened?" "Why Mrs. Smith gave the baby a bottle to play with, and while she was in the kitchen it fell out of the cradle and broke its neck." "What, the baby?" "No, the bottle."

A WINDY orator in the legislature, after a lengthy effort, stopped for a drink of water. "I rise," said Bloss, "to a point of order." Everybody stared, wondering what the point of order was. "What is it?" asked the speaker. "I think, sir," said Bloss, "it is out of order for a windmill to go by water."

NORTHROP & LYMAN'S

VEGETABLE DISCOVERY

A PURELY vegetable compound, that cures every kind of unhealthy Humor, and every disease that depends on Impurity or Impoverishment of the Blood.

For the cure of disease known by the names of Erysipelas, Salt Rheum, Eczema, Scald Head, Scaly Eruption of the Skin, Ulcers, and Fever Sores of all kinds; Boils, Humor in the Mouth and Stomach or Eyes, Sore Ears, and Eruption on the head; Pimples or Blotches on the face; and every Form of Disease of the Skin, and Scrofula, it stands pre-eminently at the head of all other Remedies.

In the cure of Rheumatism, Dyspepsia, Liver Complaint, and Kidney Disease, its effects are surprising to all. For regulating the Bowels, and curing Billousness, Headache, Sick Headache, Neuralgia, Female Weakness, Nervousness, Pains in the Side, Loins and Back, and General Weakness and Debility, its curative powers are beyond money, and beyond price. It is the Great Blood Purifier. The Blood is the Life of the Flesh. Purify the Blood, and it is hard for disease of any kind to remain long in the body.

A BENEFIT is always derived from the first bottle. Two to four bottles usually effect a cure. In more obstinate cases, it takes from three to five or six bottles; and in very aggravated cases, particularly of long standing, even more is sometimes needed; but it never fails in such diseases, where the affected part is not beyond the limits of repair. When the above quantity, in proportion to the nature of the case, is taken, a perfect cure is warranted.

WHEN YOU NOTICE unpleasant sensations after eating, at once commence the use of Northrop & Lyman's Vegetable Discovery, and your Dyspepsia will disappear.

Mr. James Stanley, merchant at Constance, writes:—"My wife has taken two bottles of Northrop & Lyman's Vegetable Discovery for Dyspepsia, and it has done her more good than anything she has ever used."

Mr. R. H. Baker, Ingoldsby, writes:—"I am completely cured of Dyspepsia, that caused me great suffering for three years. Northrop & Lyman's Vegetable Discovery is the medicine that effected the cure, after trying many other medicines."

Mr. J. B. McKinnon, painter, Mount Albert, says:—"Last summer my system got impregnated with the lead and turpentine used in painting;

my body was covered with scarlet spots as large as a twenty-five cent piece, and I was in such a state that I could scarcely walk. I got a bottle of Northrop & Lyman's Vegetable Discovery, and at once commenced taking it in large doses, and before one-half the bottle was used there was not a spot to be seen and I never felt better in my life. I think this medicine the best Blood Purifier ever discovered."

BAD DREAMS GONE.

Mrs. M. Stephens, of Albany, N.Y., writes us as follows:—"I take great pleasure in informing you of the benefit I have received from the use of Northrop & Lyman's Vegetable Discovery. My stomach was so weak that I could not eat anything sour or very sweet, even fruit at tea time would cause Heartburn, Fulness or Oppression of the Chest, Short Breath, Restlessness during Sleep, and Frightful Dreams of disagreeable sights, so that I would often dread to go to sleep. With the use of the Vegetable Discovery this unpleasantness has all been removed, and I now can eat what suits my taste or fancy without the least dread of having to suffer for any indiscretion. My appetite is improved, my rest good, and general health better than it has been for years."

Six bottles Vegetable Discovery cured Miss McMullen, Glengarry, of Headache and Severe Pains in the Back of 1 years' standing, the effects of a fall.

Mr. E. M. Procnier, Springvale, writes:—"For nearly two years I have been troubled with Constipation and Rheumatism. The pains in my legs and shoulder often were such that I could scarcely get about to transact business. About two weeks ago I commenced taking Northrop & Lyman's Vegetable Discovery, and find it doing me a great deal of good. The Rheumatism is leaving my system, and I am feeling better every way."

IF YOU ARE DESPONDENT, low-spirited, irritable, and peevish, and unpleasant sensations are felt invariably after eating, then get a bottle of Northrop & Lyman's Vegetable Discovery and it will give you relief. You have Dyspepsia. Mr. R. H. Dawson, St. Mary's, writes:—"Four bottles of Vegetable Discovery entirely cured me of dyspepsia; mine was one of the worst cases. I now feel like a new man."

Mr. W. Thayer, Wright, P.Q. had DYSPEPSIA FOR 20 YEARS. Tried many remedies and doctors, but got no relief. His appetite was very poor, had a distressing pain in his side and stomach, and gradual wasting away of flesh, when he heard of, and immediately commenced taking, Northrop & Lyman's Vegetable Discovery. The pains have left and he rejoices in the enjoyment of excellent health, in fact he is quite a new man.

SOME one says the age of a political party may be told by its rings.

THERE is no use crying over spilled milk. It may be three parts water.

If all men were to pay as they go there would be less going and more paying.

THE difference between a poor baseball player and black measles is that one strikes out and the other strikes in.

WHEN an embezzler skips from Chicago for Canada by water they speak of his departure as a "clearing out sail."

"I ALWAYS prefer to be on the safe side when I speculate," remarked the trusted treasurer as he alighted from the train in Montreal.

WHEN scouts get on the trail of the Indians it is an indication that there is going to be war. It is about the same thing when a young man gets on the trail of a young lady.

It is said that drummers who travel with rubber goods are always stretching the truth:

GENTLEMAN—"Where's the best place to shoot a lion?" Irish nimrod—"Faix, in the menagerie. I'm ather thinking."

It is said that the "Indians have a wholesome dread of artillery." Indians are very much like other people in that respect.

"A CYCLONE is not circular, as usually thought, but rather oval-shaped." The western people complain that the cyclone is 'round too often.

THE way to keep your credit good is never to use it. It is one of the few things in this world that gets brighter and more valuable with disuse.

MISS SMITHERS—"Charlie, dear, what kind of flower is that?" Mr. Roseman (a young collegian) —"Love, that is not a flower; it is a tobacco plant. Smithers—"Oh, how nice it must look when the plugs are hanging on it!"

OWNERS OF HORSES · REJOICING.

THAT is, all who have either used Dr. Thomas' Electric Oil on their Horses, or witnessed the wonderful effects when used by others.

When your Horses are suffering from a cut, abrasion or sore, it is just the medicine to use.

If your Horse is lame, stiff, or there is swelling of any kind, Dr. Thomas' Electric Oil is just the medicine to use. It allays swelling, removes stiffness of any kind, and is the most soothing and healing medicine that you can use.

IN CATTLE it cures Horn Distemper and in cows Garget; a few applications cure cracked teats; for the last named it is especially good. For Horn Distemper put half a teaspoonful in each ear, and pour a little back of the horns.

WORTH KNOWING.

Mr. James Shannon, Leaskdale, writes:—"I suppose it would be of interest to you to know of two wonderful cures effected on horses by using Dr. Thomas' Electric Oil. A customer of mine had a valuable colt about a week old, which got cold and was unable to get on its feet. I advised him to give it a thorough rubbing with Dr. Thomas' Electric Oil, which he did, and to his surprise the stiffness was removed, and a perfect cure followed. The second astonishing cure was on a fine colt which had been operated on, followed by great swelling. The farriers said he would die, and they could not save him. 'Then, if he is going to die,' said the owner, 'I will go and get a dollar's worth of Dr. Thomas' Electric Oil, and it will at least ease his sufferings.' He got the Electric Oil, and it not only gave the colt relief, but cured him. It is just such remarkable cures as these that advertise Dr. Thomas' Electric Oil, and make our sales so much larger than of any other medicine."

Mr. S. S. Nash, Crediton, writes:—"Frequent applications of Dr. Thomas' Electric Oil, and daily rubbing, completely removed a callous lump on the leg of a valuable horse of mine."

BEST EVER USED.—Mr. W. R. Lazier, Bailiff, etc., Belleville, writes:—"I find Dr. Thomas' Electric Oil the best medicine I have ever used in my stable. I have used it for Bruises, Scratches, Wind Puffs and Cuts, and in every case it gave the best satisfaction. We use it as a household remedy for Colds, Burns, etc., and it is a perfect panacea. It will remove Warts by paring them down and applying it occasionally."

Mr. P. M. Markell, West Jeddore, N.S., writes:—"I wish to inform you of the wonderful qualities of Dr. Thomas' Electric Oil. I had a horse so lame that he could scarcely walk; the trouble was

in the knee; and two or three applications completely cured him."

Mrs. O'Hearn, River street, Toronto, used Dr. Thomas' Electric Oil for her cows for sore and cracked teats; she thinks there is nothing like it. She also used it when her horses had the epizootic, with the best results.

A DETECTIVE'S LEAP.

Mr. Thomas Flynn, Chief Detective, Grand Trunk R.R., says:—"Business called me a short time ago to a village near Kingston. While the train was in motion I jumped off; in so doing I alighted on the sloping part of the ballast, where the track had been raised, with such force as to severely sprain my knee. I was driven to Kingston and had to be assisted to my room. I immediately procured a bottle of Dr. Thomas' Electric Oil, and although my leg was so badly swollen that I could not bend my knee, after three applications of this oil I was out of bed and walked to the station. This was on Saturday afternoon, and on Monday I was able to attend to my business as usual. I also used this wonderful oil for Sore Throat, and it cured it."

ULCERATED SORES FOR NINE YEARS.

Mr. Samuel Bryan, Thedford, writes:—"For nine years I suffered with ulcerated sores on my leg; I expended over \$100 to physicians, and tried every preparation I heard of or saw recommended for such diseases, but could get no relief. I at last was recommended to give Dr. S. N. Thomas' Electric Oil a trial, which has resulted, after using eight bottles (using it internally and externally), in a complete cure. I believe it is the best medicine in the world, and I write this to let others know what it has done for me."

TWO GREAT MEDICINES.

UNION IS STRENGTH.

Miss M. J. Richards, Belleville, writes:—"Nearly three years ago I was taken with a pain in my shoulder so that I could not raise my arm. It rapidly grew worse until a severe running sore broke out. For two years I tried a great many physicians in Belleville and Toronto, and nearly everything that I thought would help it, but got no relief. After being in bed for two months an intimate friend thought if I used Northrop & Lyman's Vegetable Discovery to purify the blood and applied Dr. Thomas' Electric Oil on the arm that it might do me good. I must confess I did not have much faith in being cured, as I had tried so many things and did not get any relief from them, but my friend persisted and I commenced taking the Discovery and rubbing the sore with Dr. Thomas' Electric Oil, and in less than two months my arm was completely healed and as strong as it ever was, while my health never was better."

It may sound like an anomaly, but the man discovered in crookedness is in a strait.

WIFE—"Now that you have bought a cow, who will milk it?" Husband—"O, he says the calf does that. So we'll have all the milk we want."

ATTENDANT—"This is the toucan. Some of the boys call it the plumber-bird." Visitor—"Indeed! Why so?" Attendant—"Just look at the size of its bill and you need not ask."

A BRIGHT little girl who had successfully spelled the word "that," was asked by her teacher what would remain after the "t" had been taken away. "The dirty cups and saucers," was the prompt reply.

"MISS CLARA," said Dumley, who means well, but is clumsy at a compliment, "can you tell me in what respect you resemble a mule?" Before Miss Clara had time to act Dumley solved the conundrum himself, "Because you have such small feet," he exclaimed.

At the summer hotel. Mrs. A. to Mrs. B.— "Did you see Mrs. C. eat her pie with her knife? How vulgar!" Mrs. A.'s little daughter Edith—"Mamma, p'raps her fingers were dirty."

"My son," said an affectionate mother to her son, (who expected to be married very soon), "you are getting very thin." "Yes, mother," he replied, "when I come next time you will be able to see my rib."

"I SHALL have to charge you fifty dollars for my services." Client—"But the amount involved is only forty dollars." Lawyer—"Well, make it forty dollars then; I'm always willing to do the fair thing."

MRS. BROWN—"You told me that if I left my table cloth out all night the fruit stains would disappear. Well, I put it out last night." Mrs. Jones—"Of course the stains were gone in the morning?" Mrs. Brown—"Yes; so was the table-cloth."

AN UNPARALLELED REMEDY FOR
**Coughs, Colds, Influenza, Asthma, Croup,
Hoarseness, Pleurisy, Bronchitis, Con-
sumption, Spitting of Blood, Whoop-
ing Cough, Diseases of the Chest
and Lungs, Shortness of
Breath, etc.**

In this country the degrees of heat and cold are not only various in the different seasons of the year, but often change from one extreme to the other in a few hours, and as these changes cannot fail to increase or diminish the perspiration, they must of course affect the health.

Nothing so suddenly obstructs the perspiration as sudden transitions from heat to cold. Heat rarifies the blood, quickens the circulation and increases the perspiration, but when these are suddenly checked the consequences must be bad. The most common cause of disease is obstructed perspiration, or what commonly goes by the name of catching cold.

COUGHS, COLDS, SORE THROATS, ETC., if attended to in time are easily subdued, but if allowed to run their own course generally prove the forerunner of more dangerous diseases. Nine-tenths of the consumptives date their affliction from a neglected cold, and the diseases that are caused by wet feet, damp clothes or exposure are more numerous than are generally supposed. It is, therefore, culpable folly to neglect this complaint, and it is also folly not to have some remedy in the house available in case of a sudden attack of cold. One of the most efficacious medicines for all diseases of the Throat and Lungs is Bickle's Anti-Consumptive Syrup.

THIS IS NOT A MEDICINE got up for speculation, to gull the poor sufferer, who like a drowning man will catch at any straw, but it is a scientific preparation recommended by the faculty (to whom the principal ingredients of the preparation have been made known), and which is believed to be the best medicine for diseases of the pulmonary organs which has ever been presented to the public.

It was only after a series of skilful

CHEMICAL EXPERIENCE

That the inventor was successful in extracting the active principles or virtues of several medicinal

herbs, which exert a most wonderful influence in curing Consumption, and other diseases of the

LUNGS AND CHEST.

Although there may be cases of Consumption so far advanced that this Syrup may not entirely cure, still the proprietors are confident that there is no case so bad, or of so long standing but what may be materially relieved by the use of Bickle's Anti-Consumptive Syrup. *In recent cases it may be said never to fail.*

This medicine operates by promoting a

FREE AND EASY EXPECTORATION.

which immediately relieves and frees the Throat and Lungs from viscid phlegm by changing the secretions from a diseased to a healthy state, by uniting with a tonic power the property of calming irritation and diminishing excitability; by modifying the circulation, and enabling the Lungs to throw off the matter resulting from Inflammatory action, thus giving the surface a chance to heal; by strengthening the Lungs and giving that tone to the system which counteracts the debilitating influence of disease.

Coughs, Colds, Shortness of Breath, and affections of the Chest, attended with weakness of the digestive organs, or with general debility, seem to vanish under its use.

It is so palatable that a child will not refuse it, and is put at a price that will not exclude the poor from its benefits.

FOR CHILDREN.

When Children are affected with Colds, Coughs, Inflammation of the Lungs, Croup, Quinsy and Sore Throat, this Syrup is of vast importance. The number of deaths among children from these diseases is truly alarming. If parents wish to save the lives of their children, and themselves from much anxiety, trouble and expense, let them procure a bottle of BICKLE'S ANTI-CONSUMPTIVE SYRUP, and whenever a child has taken cold, has a cough or hoarseness, give the Syrup according to directions.

IT IS NECESSARY, in order to be benefited by this medicine, to take it steadily after commencing to use it. Some have taken it once a day, then twice, then not any for two or three days, such cannot rationally expect to receive much benefit from it; but if taken regularly it will, in all cases for which it is recommended, be eminently beneficial, and generally effect a complete cure.

GOOD REPUTATION.—Mr. Wm. Robinson, Teeterville, writes:—"I have sold Bickle's Anti-Consumptive Syrup for twenty years and I recommend it in every case for Coughs, Colds, Hoarseness, etc. It is the best article I have ever known, and has a better reputation than any other medicine in this locality."

THE BEST.—Mr. L. W. Senesac, Stanbridge Station, P.Q., writes:—"We have used Bickle's Syrup for Coughs and Colds, and do not hesitate to pronounce it a first-class article, the best we have ever used."

Mr. E. B. Stewart, Ruthven, writes:—"The people think Bickle's Syrup the best medicine in the world."

VERGE OF CONSUMPTION.—Mr. A. W. Levy, Mitchell, writes:—"I think BICKLE'S ANTI-CONSUMPTIVE SYRUP the best preparation on the market for Coughs and severe Colds. About six years ago I caught a severe Cold which settled on my Lungs, and for three months I had a Cough: I had a physician attending me, but gradually grew worse until I was on the verge of Consumption, and had given up hopes of being cured, when I was induced to try BICKLE'S SYRUP. Before I had taken one bottle I found myself greatly relieved, and by the time I had finished the second bottle I was completely cured. I always recommend it for severe Colds and Consumption."

Miss N. Hornbrook, Toronto, writes:—"I consider Bickle's Anti-Consumptive Syrup an excellent medicine for Coughs and Colds. For a long time I was troubled with a very annoying Cough, but Bickle's Syrup cured me."

THE ONLY RELIEF.—Miss C. Cameron Toronto, says:—"I contracted a Cold, and through neglect it finally resulted in Catarrh of the Stomach, from which I suffered for two or three years. Have used 'Bickle's Syrup' for it, and find it the only medicine that gives me any relief."

Mr. G. C. Betts, Haldane Hill, writes:—"I have sold a great variety of Cough Medicines, and have sold and used in my family Bickle's Anti-Consumptive Syrup, and I do not hesitate or exaggerate when I say it is the best Cough Medicine I have either used or sold. Its effects are noticed immediately."

SO RAPIDLY does Lung irritation spread and deepen, that often in a few weeks a simple cough culminates in tubercular consumption: Give heed to a cough—there is always danger in delay; get a bottle of Bickle's Anti-Consumptive Syrup, and cure yourself. It is a medicine unsurpassed for all throat and lung troubles. It is compounded from several herbs, each one of which stands at the head of the list as exerting a wonderful influence in curing Consumption and all Lung Diseases.

DARLEY'S CONDITION POWDERS

AND ARABIAN HEAVE REMEDY.

For the Cure of Colds, Coughs, Heaves, Thick and Broken Wind, Inflammation of the Lungs, and all Diseases which affect the Horse.

By their use the horse's appetite is improved, all derangements of the digestive organs corrected, softening the skin, and giving to the coat a sleek and shining appearance, and may be used with perfect safety at all times, as they contain no ingredient which can injure a horse, whether sick or well. As a *Condition Medicine*, they are superior to all other known preparations; their effects in this respect are truly astonishing. They may likewise be given to horned cattle as well as horses.

Horses lose their appetite from various causes, but most frequently by the approach of some disease. This circumstance ought not to be overlooked by those who own horses, but should be immediately attended to, as by so doing the disease may be checked, and the life of the horse saved; to do which we are positive there is nothing equal to DARLEY'S CONDITION POWDERS AND ARABIAN HEAVE REMEDY; it purifies the blood, corrects all derangements of the digestive organs, and as a necessary consequence the appetite is restored.

THESE POWDERS have now been in use in this country over twenty years, during which they have effected more cures and done more to improve the condition of horses than all others combined. This statement is confirmed by the testimony of thousands, who have either used them or seen them used by others. They do not, like most articles of the kind, benefit for the time being only; their effects are *permanent and always safe*; they do not contain any of the *mineral or vegetable stimulants* generally used, which, though they appear at the time to benefit, really injure the animal.

CANADIAN LIQUID HAIR DYE

It is a source of annoyance to many young people to see their hair gradually turn grey, and with many this undesirable change takes place before they have reached their thirtieth year.

Various causes have been assigned, and much has been written on the subject, but when all is summed up we are as uncertain in most cases as to the cause as we were when we first commenced our investigation.

One thing we know, and that is, that nothing will restore it to its original state, but it can be artificially colored so as to be equally as beautiful and have all the natural appearance that it at one time possessed.

If the reader is one of the unfortunate ones, and is seeking for a change, we would ask him or her to get a bottle of the

CANADIAN HAIR DYE.

It will change both red and grey hair to a beautiful black or brown, as may be preferred, allowing it to retain all the freshness and lively appearance of the original hair.

Unlike many other preparations, it will neither rub nor wash off, and as it is complete in itself, it is much more convenient than those requiring two separate bottles.

It is easily applied, and quickly and effectually produces the desired color.

It is over twenty years since the Canadian Hair Dye was first introduced, and as it has a larger sale in Canada than all other Hair Dyes combined, this, we think, is conclusive evidence that it has given satisfaction.

Give it a trial and satisfactory results will follow. Price 50 cents per bottle. Sold by all Druggists and Medicine Dealers.

Prepared only by NORTHROP & LYMAN CO., Toronto.

GAINED 15 LBS.—Mr. T. C. Berchard, public school teacher, Norland, writes:—"During the year 1881 I was much troubled with Billiousness and Dyspepsia, and part of the time I was unable to attend to the duties of my profession. Northrop & Lyman's Discovery and Dyspeptic Cure was recommended to me, and I have much pleasure in stating that I was entirely cured by using one bottle. I have not had an attack of my old complaint since, and have gained fifteen pounds in weight."

THE DAYS OF CHILDHOOD.

In infancy the foundation of a good and robust constitution is generally laid. It is, therefore, of importance that parents look well after the ills that are incidental to childhood. Medical men give nearly all their energies and skill to the adult and his diseases, to prolong the days of the man used up in the battle of life, while the most important branch of medical science is completely ignored. Youth is the season for mirth and cheerfulness, and if your children, especially girls, are grave, moping and melancholy they are not in the enjoyment of good health. We do not pretend to say that Northrop & Lyman's Vegetable Discovery is a panacea for all the ills of childhood, but we do say that it has been used with the most astonishing results by children that had become listless, weary and woe-begone, especially by those attending school. It is purely vegetable and will not injure the youngest child. Give it a trial.

THE BEST MEDICINE.

Mr. John Blackwell, of the Bank of Commerce, Toronto, writes:—"Having suffered for over four years from Dyspepsia and weak stomach and having tried numerous remedies with but little effect. I was at last advised to give Northrop & Lyman's Vegetable Discovery a trial. I did so with a happy result, receiving great benefit from one bottle. I then tried a second and a third bottle, and now I find my appetite so much restored, and stomach strengthened, that I can partake of a hearty meal without any of the unpleasantness I formerly experienced. I consider it the best medicine in the market for the stomach and system generally."

A VALUABLE MEDICINE.—Mr.

R. C. Winlow, Toronto, writes:—"Northrop & Lyman's Vegetable Discovery is a valuable medicine to all who are troubled with Indigestion. I tried a bottle of it after suffering for some ten years, and the results are certainly beyond my expectations. It assists digestion wonderfully. I digest my food with no apparent effort, and am now entirely free from that sensation, which every Dyspeptic well knows, unpleasant fulness after each meal."

BILIOUS FEVER.—Mr. C. E. Riggins,

Beamsville, writes:—"A customer, who tried a bottle of Northrop & Lyman's Vegetable Discovery, says it is the best thing he ever used; to quote his own words, 'It just seemed to touch the spot affected.' About a year ago he had an attack of Bilious Fever and was afraid he was in for another when I recommended this valuable medicine with such happy results."

DR. A. TRASK'S

MAGNETIC OINTMENT.

THE GREAT HEALER OF ALL INFLAMMATION.

The proprietors of this sovereign remedy challenge the world to furnish anything, from the days of Esculapius down to the present time, in the Arcana of Medicine, which can vie with or excel the intrinsic properties of this Ointment.

The worst *Sores, Bruises, Cuts, Burns, Skin Disorders, Sprains, Sore Throat, Croup, Rheumatism, Lameness*, and all external and internal affections characterized by **INFLAMMATION**, yield to its influence as if by magic. Wherever there is inflammation try this ointment, and you will never be without it.

It never fails to restore the natural functions of the skin and equalize the circulation of the blood. It penetrates to every portion of the human frame; every bone, muscle, vein, nerve and ligament is searched out and made sensible of its soothing and healing influence. Hence it copes readily with internal as well as external disease. Its success has been marvellous in the most obstinate cases of Inflammation of the Eye, Brain, Throat, Lungs, Bowels, and other delicate organs of the human frame, where the skill of the most eminent physicians has been baffled, while for Sores or Injuries attended with Inflammation, Eruptions of the Skin, as Salt Rheum, Pimples, etc., and Lameness, it is without a rival. Its operation is **SPEEDY**, and containing no minerals, its application is safe, producing immediate relief.

CAUTION.—There are several parties endeavoring to sell a Magnetic Ointment, which is palmed off as the genuine article. Beware of such, and only

take Dr. A. Trask's Magnetic Ointment, and see that the name is blown on the bottle.

Sold by all dealers in medicine.

A WONDERFUL HEALER.

Mrs. W. J. Lang, Bethany, Ont., writes:—"I was one of the greatest sufferers for about fifteen months with a disease of my ear similar to ulcers, causing entire deafness. I tried everything that could be done through medical skill, but without relief. As a last resort, I tried Dr. Thomas' Electric Oil, and in ten minutes found relief, I continued using it, and in a short time my ear was cured, and hearing completely restored. I have used this wonderful healer successfully in cases of Inflammation of the Lungs, Sore Throat, Coughs and Colds, Cuts and Bruises, etc., in fact, it is our family medicine."

Mr. Joseph Rusan, Percy, writes:—"I was induced to try Dr. Thomas' Electric Oil for a lameness which troubled me for three or four years, and I found it the best article I ever tried. It has been a great blessing to me."

A BAPTIST MINISTER'S EXPERIENCE.

"I am a Baptist minister, and before I ever thought of being a clergyman I graduated in medicine but left a lucrative practice for my present profession, forty years ago. I was for many years a sufferer from Quinsy; Dr. Thomas' Electric Oil cured me. I was also troubled with Hoarseness, and Dr. Thomas' Electric Oil always relieved me. My wife and child had Diphtheria, and Dr. Thomas' Electric Oil cured them; and if taken in time it will cure seven times out of ten. I am confident that it is a cure for the most obstinate Cold or Cough, and if anyone will take a small teaspoon and half fill it with the Oil, and then place the end of the spoon in one nostril and draw the Oil out of the spoon into the head by sniffing as hard as they can until the Oil falls over into the throat, and practice that twice a week, I don't care how offensive their head may be, it will clean it out and cure their Catarrh. For Deafness and Earache it has done wonders to my certain knowledge. It is the only medicine dubbed patent medicine that I have ever felt like recommending, and I am very anxious to see it in every place, for I tell you I would not be without it in my house for any consideration. I am now suffering with a pain like Rheumatism in my right limb, and nothing relieves me like Dr. Thomas' Electric Oil.

NORTHROP & LYMAN'S QUININE WINE

—OR—

Celebrated Appetizer and Tonic Medicine.

**Medical Properties : Febrifuge, Tonic and
Anti-periodic.**

IN the foremost rank of American tonics and Anti-periodics stands NORTHROP & LYMAN'S QUININE WINE. The Laboratory of the Chemist never yielded a more salutary preparation, or one in which the Ingredients are more completely harmonized. The Feeble and Nervous derive from it new strength ; sufferers from Dyspepsia and loss of appetite find that it not only enables them to Digest and Assimilate properly, but imparts an unwonted relish for food. Invalids usually suffer from depression of mind. There is no better remedy for Despondency, originated by ill-health, than this Genial Tonic. Pure Sherry and Aromatic constituents of a choice description, enhance its remedial value, and give it an agreeable flavor. It promotes convalescence following exhausting maladies, stimulates and fertilizes the circulation, and increases the muscular power. SLEEPLESSNESS, TWITCHING OF THE MUSCLES, TREMBLING OF THE LIMBS, and other manifestations of nervous weakness, are speedily remedied by it. It is also specially beneficial to children and delicate females, and to BUSINESS MEN, STUDENTS, and those who have much brain work, we would say, "Never be without it." It will strengthen you, keep your system in regular order, and enable you to successfully grapple with the work you have to do. As an Anti-periodic, it possesses great excellence. Chills and Fever, Bilious Remittent Fever, and the minor malarial complaints, Dumb Ague, and Ague-cake, are eradicated by it, and the system fortified against their return. The remedies frequently prescribed for Fever and Ague have reference only to preventing the paroxysm and breaking the chill, without regard to the condition in which the system may be left after the chills have been removed ; whereas, the mere suppression of the paroxysms in reality is but a small part of what is required to effect a radical cure.

GOLDEN OPINIONS

are everywhere expressed in favor of Northrop & Lyman's Quinine Wine. Read the following :

Mr. E. Robinson, Windham Centre, writes :—
"For about ten years I have been troubled with Headache, or Brow Ague as some people call it, a

pain across my forehead accompanied with Billousness. Have tried nearly all the medicines sold in this country, but received no relief or benefit from them. Finally I commenced using Northrop & Lyman's Quinine Wine, and before I had used six bottles I was completely cured, and I have not had an attack of it since, now nearly one year."

Messrs. T. Elliot & Co., Cookstown, write :—
"We are sold out of your Quinine Wine. It is very highly spoken of by our customers who have used it," etc.

Mr. E. T. Mulligan, Toronto, writes :—"In gratitude to you for what your most valuable medicine, 'Quinine Wine,' has done for my wife, I wish to express my best wishes, and hope that all sufferers from disease to which your medicine is adapted will not hesitate in resorting to its use. My wife having been troubled with general debility, and having no appetite or relish for her food, I procured a bottle of your Quinine Wine, and after submitting it to our family doctor, he told me he could prescribe nothing better. Thanking you for what it has accomplished, I am, etc., etc."

A WONDERFUL MEDICINE.

Mr. A. C. Vanbuskirk, Kingston, N.S., writes :—
"Send me three dozen of your Quinine Wine at once. I have only one bottle in stock. It is a wonderful medicine."

Mrs. William Shelton, Toronto, writes :—"I beg leave to acknowledge the good I have received from the use of your most valuable medicine, Quinine Wine. For the past two or three years I have been subject to weakness and loss of appetite, and being recommended by a lady friend to try your Quinine Wine, I purchased a bottle from my druggist, and it gives me the utmost pleasure in informing you that it has done me more good than what is claimed for it. I do, without hesitation recommend it to all sufferers from like diseases."

Mrs. Joseph Spencer, Toronto, writes :—"Having been a sufferer from general debility and weakness, so peculiar to persons of a nervous temperament, I was induced to try your Quinine Wine. After taking the first bottle, it had such a decided effect that my system began to rebuild, and my appetite was so much improved that I decided to continue the medicine ; and I have no hesitation in saying that after I used the second bottle I was quite restored to my natural health. I feel as if I can not find words to express my feelings to you for what your medicine has done. I have also recommended it to my friends troubled in like manner, and in every instance it has met with the same results. I wish your medicine every prosperity."

THIS Remedy is one of the best known for relieving and curing that dreadful disease, Asthma. Where other remedies have been tried, and where doctors have prescribed, without success, this remedy has given immediate relief. It will relieve the difficulty experienced in breathing, and that distressing tightness of the chest so well known to Asthmatics. The patient will thus be enabled to obtain a much-needed rest by being able to sleep naturally and comfortably, and without being forced to sleep in an upright position. This remedy has also been found valuable in cases of Hay Fever, Bronchitis, Catarrh, Cold in the Head, etc.

Whooping Cough has been cured by the use of Dr. Kellogg's Asthma Remedy. Some bad cases have been cured by burning a small quantity of it in the room for two or three nights, after the little sufferers had retired.

REMOVED THE TROUBLE!

Mr. Wm. Pitt, Jr., Shanly, says:—"I thank you for what Dr. J. D. Kellogg's Asthma Remedy has done for me. I was a terrible sufferer with Asthma, but your medicine has removed the trouble."

Mr. Donald H. McKay, West St. Peters, P.E.I., writes:—"For sixteen years I have been afflicted with Asthma, but your valuable powder, Dr. J. D. Kellogg's Asthma Remedy, has done me more good than all the doctors I have consulted, or all the asthma medicines I have tried. Any of my asthmatic neighbors or friends who have given it a trial are delighted with it."

Mr. Chas. Smith, Spence, writes:—"I was laid up with Asthma and unable to work; had several physicians but they did not do me any good. A friend gave me a box of Dr. Kellogg's Asthma Remedy, and it has been a blessing to me, it having relieved me so that I am now able to resume my work."

UNBOUNDED PRAISE!

Mr. Miles Denel, Bismarck, Eaton Co., Mich., writes:—"A customer tried a box of Dr. J. D. Kellogg's Asthma Remedy, and he says it acted magically. His praise of the remedy is unbounded."

Mr. Anthony Donahue, St. Sylvester, P.Q., says:—"I had the Asthma and I used Dr. Kellogg's Asthma Remedy as directed and it instantly cured me."

Alfretta Orde, Greywood, writes:—"I have had the asthma for 16 years, and a small box of Kellogg's Asthma Remedy helped me more than all the medicines I ever tried."

Mr. W. Hopercroft, Carlinch, writes:—"A customer of mine suffered greatly from the Asthma, and spent a small fortune trying to get relief, but until he tried Kellogg's Asthma Remedy nothing helped him; one box of Kellogg's has made a new man of him."

Sold by all medicine dealers; small boxes 25c., large boxes \$1.

REMARKABLE CURE OF DROPSY AND DYSPEPSIA.

Mr. Samuel T. Casey, Belleville, writes:—"In the Spring of 1884 I began to be troubled with Dyspepsia, which gradually became more and more distressing. I used various domestic remedies, and applied to my family physician, but received no benefit. By this time my trouble assumed the form of Dropsy. I was unable to use any food whatever, except boiled milk and bread; my limbs were swollen to twice their natural size; all hopes of my recovery were given up; and I quite expected death within a few weeks. Northrop & Lyman's Vegetable Discovery having been recommended to me, I tried a bottle with but little hope of relief; and now, after using eight bottles, my Dyspepsia and Dropsy are cured. Although now seventy-nine years of age I can enjoy my meals as well as ever, and my general health is good. I am well known in this section of Canada, having lived here fifty-seven years; and you have liberty to use my name in recommendation of your Vegetable Discovery, which has done such wonders in my case."

WEAKNESS OF HEART AND STOMACH.

Mrs. S. E. Cook, Oxford Station, says that both she and her mother have used the Vegetable Discovery for weakness of the stomach, and that it completely restored them, which no other medicine would do. Her father has also used it with good results for weakness of the heart. She says she never used any medicine that did her so much good in so short a time, and in such small doses, and she pronounces it as certainly the best medicine for purifying the blood.

THE GREAT BLOOD PURIFIER.

A WORD TO THE PEOPLE.

"Truth is Mighty and will Prevail."

THE remarkable effects, and most satisfactory results, in every variety of disease arising from **Impurities of the Blood**, which are experienced and made manifest from day to day, by those who have taken **NORTHROP & LYMAN'S VEGETABLE DISCOVERY**, for complaints which were pronounced incurable, are surprising to all. In many of these cases the persons say their pain and suffering cannot be expressed, as in cases of Scrofula, where apparently the whole body was one mass of corruption.

This celebrated medicine will relieve pain, cleanse and purify the blood, and cure such diseases, restoring the patient to perfect health after trying many remedies, and having suffered for years, is it not conclusive proof that if you are a sufferer you can be cured? Why is this Medicine performing such great cures? It works in the **Blood**, the Circulating Fluid. It can truly be called the

GREAT BLOOD PURIFIER.

The great source of disease originates in the **Blood**, and no medicine that does not act directly upon it, to purify and renovate, has any just claim upon public attention. When the Blood becomes lifeless and stagnant, either from change of weather or of climate, want of exercise, irregular diet, or from any other cause, **NORTHROP & LYMAN'S VEGETABLE DISCOVERY** will renew the blood, carry off the putrid humors, cleanse the stomach, regulate the bowels, and impart a tone of vigor to the whole body.

The conviction is, in the public mind as well as in the medical profession, that the remedies supplied by the **VEGETABLE KINGDOM** are more safe and more effectual in the cure of disease than mineral medicines. The Vegetable Discovery is composed of the juice of most remarkable roots, barks and herbs. It is pleasant to take, and is perfectly safe to give an infant. Allow us to ask you a candid question: Do you need it? Do not hesitate to try it. You will never regret it. All druggists have it for sale.

KNOWS THAT IT IS GOOD.—Mr. R. A. Harrison, Chemist and Druggist, Dunnville, Ont., writes:—"I can with confidence recommend Northrop & Lyman's Vegetable Discovery for Dyspepsia, Impure Blood, Pimples on the face, Billous-

ness and Constipation—such cases having come under my personal observation."

Mr. Alex. Robinson, of Exeter, writes:—"I have used four bottles of Northrop & Lyman's Vegetable Discovery, and have been cured of Dyspepsia that troubled me for over ten years. Part of that time I had it very bad, and was at considerable expense trying to get relief; but this excellent remedy was the first and only relief I received."

DISTRESSING SENSATIONS.—Rev. J. Huff, Florence, writes:—"I have great pleasure in testifying to the good effects which I have experienced from the use of Northrop & Lyman's Vegetable Discovery for Dyspepsia. For several years nearly all kinds of food fermented on my stomach, causing heartburn, and gas to accumulate, so that after eating I had very distressing sensations, but from the time I commenced the use of the Vegetable Discovery I obtained relief."

NO HEADACHE NOW.—Mr. Thos. Bell, of Messrs. Scott, Bell & Co., proprietors of the Wingham Furniture Factory, writes:—"For over a year I was not free one day from Headache. I tried every medicine I thought would give me relief, but did not derive any benefit from their use. I then procured a bottle of Northrop & Lyman's Vegetable Discovery, and began taking it according to directions when I soon found the headache leaving me. I am now completely cured, and cannot recommend this medicine too highly. I would not be without a bottle of it even if it should cost me three times its present price."

USE IT IN THE SPRING AND SUMMER MONTHS.

By taking this medicine in the spring and summer, you will derive more benefit from it than at any other time of the year. The **BLOOD** is the more **IMPURE**, and the system run down by the severity of our climate, and requires some good tonic and laxative medicine to give it tone and remove the impurities, which, if not attended to, find their way out in **Pimples, Blotches, Sores, and Scrofula**, and other eruptions of the skin. One bottle of this excellent medicine will generally be found sufficient to remove the impurities, and save you much sickness and expense. It will vigo- rize the whole system, improve the appetite, stimulate and tone the digestive organs, and eradicate all malaria from the system.

When one of the organs of the body is diseased all the rest sympathize with it, and to radical- ly and permanently cure the disease of that organ we must have a remedy compounded of a variety of medicines possessing a variety of properties that will purify the blood as well as permeate, clear and strengthen every organ in the body. Such a panacea is to be found in Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure.

CURES

RHEUMATISM, Lumbago, Lamé Back, Neuralgia, Diphtheria, Croup, Coughs & Colds, Sore Throat, Piles, Frost-bites, Burns, Asthma, Catarrh, Chilblains, Corns, Tooth, Ear and Headache, Bruises, Wounds & Sprains of every description on man or beast. Actually the best External and Internal Remedy known.

CAUTION.—This Cut represents our New Wrapper; take no other, and avoid all similar named articles as they are worthless.

Many people sign their own death warrants by a
and continued disregard of the preliminary symp-
oms of disease. Being in other respects in average
th, they look upon their particular complaint at
the outset as of little import, flattering themselves that
it will get well of itself." That this is in many in-
stances a fatal delusion is conspicuously shown in cases
of Lung disease. Beginning with a mere irritation in
the Throat this malady too frequently terminates,
through neglect and bad treatment, in fatal tubercu-
losis or Bronchitis. Remedy the evil while there is yet
time with Dr. Thomas' Eclectic Oil, which applied out-
wardly and taken inwardly, produces the most bene-
ficial effects. Physicians classify it among the most
salutary of known remedies, and in addition to evi-
dence as to its virtues as a pulmonic, experience has
shown it to be a reliable curative of Rheumatism, Neu-
ralgia, Piles, Kidney Complaints, Soreness and Tumors.

IT SAVED HIS LIFE.

Mr. James Bryson, Cameron, states:—"I was con-
fined to my bed with Inflammation of the Lungs, and
was given up by the physicians. A neighbor advised
me to try Dr. Thomas' Eclectic Oil, stating that his
wife had used it for a throat trouble with the best re-
sults. Acting on his advice, I procured the medicine,
and less than a half bottle cured me; I certainly be-
lieve it saved my life. It was with reluctance that I
consented to a trial, as I was reduced to such a state
that I doubted the power of any remedy to do me good."

A MEDICAL MAN'S EXPERIENCE.

Joseph Beaudin, M.D., Hull, P.Q., writes:—"Dr. Thomas' Eclectic Oil commands a large and increasing sale, which it richly merits. I have always found it exceedingly helpful. I use it in all cases of Rheumatism, as well as Fractures and Dislocations. I made use of it myself to calm the pains of a broken leg with dislocation of the foot, and in two days I was entirely relieved of the pain."

HOW IT SELLS.—Mr. J. D. Burk, Amherstburg, writes:—"Ship order for Dr. Thomas' Eclectic Oil at once. It is the best selling medicine we keep, and I am entirely out."

Mr. James Aylesworth, Tamworth, Ont., writes:—"In my experience of over twenty-five years, I have not known a more popular remedy, or one that has stuck better."

Mr. D. Sullivan, Malcolm, Ont., writes:—"I have been selling Dr. Thomas' Eclectic Oil for some years, and have no hesitation in saying that it has given better satisfaction than any other medicine I have ever sold. I consider it the only patent medicine that cures more than it is recommended to cure."

IT CURES PILES.—Mr. Parpetus Boileau, Ottawa, says:—"I was radically cured of piles, from which I had been suffering for over two months, by the use of Dr. Thomas' Eclectic Oil. I used it both internally and externally, taking it in small doses before meals and on retiring to bed. In one week I was cured, and have had no trouble since. I believe it saved my life."

Mr. Thos. Brunt, Tyendinga, Ont., writes:—"I have to thank you for recommending Dr. Thomas' Eclectic Oil for Bleeding Piles. I was troubled with them for nearly fifteen years, and had tried almost everything I could hear or think of. Some of them would give me temporary relief, but none would effect a cure. I have now been free from this distressing complaint for nearly eighteen months. I hope you will continue to recommend it."

Mr. Joseph Rusan, Percy, writes:—"I was induced to try Dr. Thomas' Eclectic Oil for a lameness which troubled me for three or four years, and I found it the best article I ever tried. It has been a great blessing to me."

Mr. A. M. Hamilton, Warkworth, writes:—"For weeks I was troubled with a swelled ankle, which caused me much pain and annoyance. Mr. Maybee, of this place, recommended Dr. Thomas' Eclectic Oil for it. I tried it, and before one bottle was used I was cured. It is an article of great value."

Holloway's CORN CURE THE GREAT ANNIHILATOR

FOR THE REMOVAL OF ALL KINDS OF
CORNS, WARTS, Etc.

A CORN is simply a thickened cuticle or scarf skin, and is produced by continuous uneven pressure, such as wearing tight or ill-fitting boots or shoes. If not attended to promptly they gradually sink into the mucous network, and then into the true skin, which is the organ of touch. They cause intolerable pain, and sometimes inflammation to such an extent as to form an abscess.

For the Cure of Corns there is nothing better than "HOLLOWAY'S CORN CURE."

Since the introduction of this medicine, it has given remarkable satisfaction. It removes these troublesome excrescences without pain or inconvenience, and is not injurious to the skin. It is safe, sure and effectual, consequently destroys them root and branch. There is no corn existing that it will not cure, if the directions are followed. Give it a trial, and you will not regret doing so.

WHAT IT HAS DONE.

Mr. Joseph Wallace, Louisville, writes:—"I suffered with corns for 40 years, for the last two or three years I could scarcely walk except by the help of a cane. I tried different kinds of corn cures, but got no relief until I got a bottle of Holloway's Corn Cure. After applying it for a

few days only, I removed the corns root and branch. I have pleasure in recommending it to all sufferers."

Mr. William Frank, Peterboro', writes:—"I was troubled with a corn for thirty years. I had it operated upon by four different corn doctors, but it was only by the use of Holloway's Corn Cure that a cure was effected."

ENTIRELY CURED.

Mr. J. W. Brown, Chicago, Ill., writes:—"Where can I get some of Holloway's Corn Cure? I was entirely cured of my corns by this remedy, and I want to get some more to give relief to some of my friends."

Mrs. George Simpson, Toronto, says:—"I have suffered severely with corns, and was unable to get relief from treatment of any kind until I was recommended to try Holloway's Corn Cure. After applying it for a few days I was enabled to remove the corn, root and branch—no pain whatever, and no inconvenience in using it. I can heartily recommend it to all suffering from corns."

Mr. Thomas Sabin, of Eglinton, says:—"I have used Holloway's Corn Cure with the best results, having removed ten corns from my feet. It is not a half-way cure or reliever, but a complete extinguisher, leaving the skin smooth and clear from the least appearance of the corns."

WARTS REMOVED.

Mr. John Atkinson, Cheapside, writes:—"Holloway's Corn Cure removed half a dozen warts from my hands."
