THE TWENTY-FOURTH ANNUAL REPORT

OF THE

PROVINCE OF QUEBEC RIFLE ASSOCIATION.

©—1892.—©

Your Council, in rendering an account of the working of the Association for the past year, regret that they cannot congratulate you on the state of the Finances.

In the first place, the donations and subscriptions were not as large as was expected. The collecting for the Sufferers by the fire in St. John, Newfoundland, interfered considerably with the subscriptions to the Association. In the second place, the weather during the week of the Matches was so extremely wet, that it interfered materially with the shooting of the regular Matches, and very seriously with the selling of Extra Series Tickets, from which source special returns were expected this year, as extra time had been arranged for, in the time-table to allow of a good lot of Extra Series shooting.

Another serious loss to the Association was the dropping of the Annual grant of \$300 by the Provincial Government. This item having been omitted in the estimates and naturally overlooked by the Honorable Treasurer.

The indebtedness of the Association from last year, to the members of the Executive Committee, was wiped off early in the season, but has had to be renewed, in part, to enable the Treasurer to pay off all the existing liabilities. His statements will give you full details of this matter.

RANGES.

The Ranges at Cote St. Luc are now in very good order, and the targets work most satisfactorily. Two first class targets were opened for practice for the first time this year, and will prove a great boon to members of City Corps who have won, or wish to win, a place on the Bisley Team.

A telephone line from 800 and 900 yards firing points to the first class butt was strung at the expense of the Association, making the telephone service on the Ranges most complete.

A house for the Caretaker of the Ranges, and Armoury for the competitors is still wanting, but we trust the incoming Council will make a strong effort to induce the Department to build one this coming year.

#### PRIZE MEETING.

In accordance with the suggestions in last year's report the programme was again drawn up for a meeting to last four days, with a time-table to accommodate 180 competitors. The value and number of the prizes were on the same lines as last year.

A Long Range Match was added to the programme, 7 shots each at 800 and 900 yards, open only to the Twelve first aggregates in Matches Nos. 5, 7, and 8.

There was a slight increase in the Entries over last year, the total being 1756 Entries, as against 1636 last year, and 2021 for 1890. The Team Entries were 43 against 28 last year, and 47 in 1890.

The largest number of Entries in any one regular Match was 149 in the Frontier, as against 129 last year and 174 in 1890.

The largest number of entries in Extra Series, was in the 600 yards 474 entries. The time for Extra Series Shooting was much increased, though on the other hand the incessant rain during the Matches was a great drawback, and prevented a large number of competitors from shooting a much larger number of Extra Series Tickets than they otherwise would have done.

The heavy expenses attendant on the carrying out of the programme, as at present drawn out, has engaged the serious attention of the Executive Committee and your Council, and in view of the fact that the average number of competitors which can be expected to attend the Matches is about 150, the question arises, should not an attempt be made to reduce the programme so that it can be carried out in three days, and at a much less expense than at present.

The new Council should take this matter up early in the season, and give it their earnest consideration.

A suggestion has been made that the P. Q. R. A. should encourage the riflemen of the Province, by closing some of the Matches to outside competitors residing in other Provinces.

Your Council would strongly protest against any such action. The Matches of this Association have been open to the competitors from all parts of the Dominion ever since its organization in 1869, and it would be a step backwards, instead of forwards, to commence closing our Matches to the other Provinces.

The suggestion from last year's report, that the Matches should be held the first week in July, instead of the second week in August, did not seem to meet with the approval of the competitors.

The officials for the carrying out of the Matches were, as follows :—

Executive Officer,	- - -	Lieut.-Col. MATTICE.
Range Officers,	- - -	Major W. E. HODGINS.
“	“ - - -	Major J. P. EDWARDS.
“	“ - - -	Captain YOUNG.
Statistical Officer,	- - -	Major WALSH.
Quarter Master,	- - -	Captain LYDON.

We have 49 Individual members, and 19 Affiliated Associations.

The Cornwall Association affiliated for the first time this year, and we trust will continue to send competitors to our regular Matches.

In accordance with the resolutions of last year, no invitation lunch was supplied in the Council Tent during the Matches.

#### PRESENTATION OF PRIZES.

There was no presentation of Prizes this year, nor any At Home ; the Finances of the Association not warranting the expense.

A general invitation, was, however, sent through the daily papers to the friends of the Association to visit the Ranges at any time during the Matches, especially on Tuesday.

#### FINANCES.

The Treasurer's Statement will show you a balance of \$40.87, with a few small accounts still unpaid, and a liability to the members of the Executive Committee of \$400.00.

A list of the property owned by the Association will be found at the end of the Report, and we would suggest that a Committee be appointed to place a valuation on the articles contained therein.

The whole respectfully submitted.

XVI.—Any competitor—

(a) Who shall fail to comply with the conditions laid down for any particular prize ; or,

(b) Who shall infringe on any of the instructions and regulations for the conduct of the Meeting while shooting for any particular prize ; or,

(c) Who, when competing for an aggregate prize, shall omit to enter, or shall enter incorrectly, his previous score or scores on the register or ticket provided for that purpose ;

(d) Who shall shoot dressed partly in uniform and partly in plain clothes—  
(See Reg. III., Sec. 4.)

Shall, on the occurrence being proved to the satisfaction of the Executive Committee, have his score for that particular prize disallowed.

## FINES.

## XVII.—Any competitor—

Who shall fire a fouling shot, except at the place provided, or who shall accidentally fire at the wrong target, shall be fined one dollar, to be paid forthwith to the Range Officer.

In cases where a competitor is excluded from "further competition," or where his score is disallowed for any particular prize, *the circumstances only* under which the penalty was incurred shall be posted on the notice board, as a warning to others, without the name of the individual implicated.

In case of "disqualification," the names of the offenders, as well as the particulars of the case, shall be posted on the notice board.

## MITIGATION OF PENALTIES.

XVIII.—The Executive Committee shall have power to mitigate or remit any of the above penalties.

## 3—PRIZE WINNERS.

XIX.—Unless otherwise specified, no one will be allowed to take more than *one* prize in any competition.

XX.—Winners of prizes, on signing the certified receipt, will receive the amount or amounts due to them from the Treasurer of the P. Q. R. A.

## 4.—DISTANCE AND TARGETS.

The ordinary Targets, divided into three classes, shall be of the following dimensions:—

1. The marking will be as follows:—

<i>a.</i> Bull's Eye .....	5	..... White Disc.
<i>b.</i> Inner .....	4	..... Red Disc.
<i>c.</i> Magpie .....	3	..... Black and White Disc.
<i>d.</i> Outer .....	2	..... Black Disc.

*f.* *Misses* will *not* be signalled ; but if a target has been lowered under the impression that it has been hit, and if no hit is found on it, after raising it the Marker will wave a red flag, which will signify a miss.

2. When *two shots* strike the target simultaneously, that which has the highest value will alone be signalled with the signal disc, and the competitor whose proper turn it was to fire at the target will be credited with that shot, provided he has fired. Both shots will, however, be shown by spotting discs,

3. On a target being lowered, the position of a hit, if any, and its value, will be shown by spotting disc, when the target is again raised.

4. The signalling shall not be questioned, but if a shot is not signalled, and the officer in charge of the firing points be satisfied that a reasonable doubt exists as to whether the shot may not have struck the target, he may ask the officer at the butt to examine the Target. *The result of this examination as signalled shall be final.* Any competitor challenging a shot shall deposit the sum of twenty-five cents with the officer in charge at the firing points, which shall be forfeited in case no hit is found on the target.

5. If, on a target being raised, the spotting disc appears manifestly to disagree with the signal disc, the Register Keeper shall stop the firing at the target, and report the circumstance to the Range Officer, who shall decide the shot after enquiry of the Officer in charge at the butt ; but no deposit shall be required, nor shall there be any appeal from the decision given.

6. All claims for shots signalled must be made before another shot is fired at the target in question.

7. If, at the moment at which a competitor fires, his target should be lowered in such a manner as to falsify the result of his shot, the Range Officer is empowered to cancel the result of such shot, and to permit the competitor to fire another shot in its place.

8. All alterations of the Registers must be initialed by the Range Officer making them, but no alteration, except in case of a clerical error, shall be made without his having first signalled to the butt.

9. No person will be permitted to go and examine a target during the Meeting except the Range officer, or such person or persons as he may duly authorize to do so in his behalf.

*Military Match Targets.*

(4 feet by 2 feet 6 inches high ; 3 Divisions.)

1. Lower belt, 15 in. high ; score value 5 points.
2. Middle belt, 10 in. high ; score value 3 points.
3. Upper belt, 5 in. high ; score value 2 points

*In Skirmishing.*

When the number of hits counted on the target exceeds the number of shots allowed in the competition, three marks shall be deducted for every such hit in excess of the number of shots, unless it be proved that such hit on the target in excess of the number of shots allowed could only have been made by competitors in the squad firing more than their usual number of rounds, in which case the squad shall be disqualified.

## 6—RIFLES.

The rifles shall be Snider and Martini-Henry rifles, either the Government issue or of *bona fide* Government pattern, and bearing the Government Viewer's mark.

1. Weight of Snider not to exceed, without bayonet, 9 lbs. 12 oz. Weight of Martini-Henry, without bayonet, not to exceed 9 lbs.

2. No pad or shoe for the heel plate of the butt will be allowed.

3. Minimum pull of trigger, 6 lbs.

4. Sights to be strictly in accordance with those of the Government issue. Filed sights will not be allowed.

(a) All sights may be temporarily blackened or whitened, but no application of a permanent nature will be allowed. No shading of sights will be permitted.

(b) The back sight may be tilted forward or backward, or supported at an angle by any extemporized means.

(c) The sliding bar may be reversed, and used on either side of the uprights. *One* permanent centre line for the Snider and *three* for the Martini-Henry will be allowed, and *temporary* marks or lines of any kind, removable at pleasure, may be allowed.

## 7.—AMMUNITION.

\* Competitors must use the ammunition provided by the Association, the cost of which is included in the entrance fee.

## 8.—POSITION.

a. Unless otherwise specified, the shooting at all ranges shall be from the firing points, and may be any position with the head to the target.

1. When a competitor retired or completed his shooting, the competitor losing his turn, or retiring, shall receive a scoring ticket to the Range Officer, and the time detailed on his ticket shall be regular fee. Time will be regular.

2. In all competitions, when possible, be formed.

3. Where but *one* competitor is present, delay, but the Officer in charge must witness the shooting, and the score will be invalid.

4. No two competitors shall be allowed *except with Martini-Henry* during a competition, unless by accident, which must be reported.

5. In the case of a competitor, or of such delay as the Range Officer beyond the time allowed, the competitor by a sanction, after such caution, the Range Officer shall decide to proceed with his firing.

## 9.—ORDER OF SHOOTING.

1. When a competitor has joined a squad he shall not leave it until he has retired or completed his firing, without leave from the Range Officer; any competitor losing his turn, or being absent without leave, or who does not hand his scoring ticket to the Range Officer at the firing point to which he is squaded at the time detailed on his ticket, will be disqualified for the match, and lose his entrance fee. Time will be regulated by the Association clock in the Secretary's office.

2. In all competitions, except those open to "Any Rifles," competitors shall, when possible, be formed up by threes, and fire shot and shot *alternately*.

3. Where but *one* competitor is present, he shall fire his shots without undue delay, but the Officer in charge of the firing point, or *some person named by him*, must witness the shooting, and countersign the Register. Failing such verification, the score will be invalidated.

4. No two competitors shall shoot in any competition with the same rifle, *except with Martini-Henry*; nor shall a competitor change his rifle at any range, during a competition, unless his first rifle should become unserviceable through an accident, which must be verified through the officer in charge.

5. In the case of unreasonable delay in firing on the part of any competitor, or of such delay as the Range Officer may consider likely to prolong the firing beyond the time allowed, the Range Officer shall have the right to caution and time the competitor by a sand glass, purporting to run one minute, more or less, and, if, after such caution, the competitor does not fire before the sand has run out, the Range Officer shall declare the score forfeited, and call on the next competitor to proceed with his firing.

6. The competitor must, after delivering *each shot*, pay attention to the score called out by the Register Keeper, and himself see that such score is correctly entered on the blackboard, so that any objection to the score recorded may be investigated before the next shot is fired, and before leaving the firing point ascertain that the total has been correctly entered by the Register Keeper.

N.B.—The right of objection in the above case only extends to the registration of scores by the Register Keeper, and not to Marker's signals.

## 10.—TIES.
