HAVE PURE BLOOD

Hood's Sarsaparilla Makes Rich, Red

Your heart works night and day without a pause. It is the principal organ of the circulation of your blood. It is of the utmost importance that it should do its work well. The quality and quantity of your blood have much to do with its action. If this fluid is pure and abundant, your heart and other vital organs act with more energy than when it is defective in quality or deficient in quantity.

Hood's Sarsaparilla makes the

blood pure and abundant. It is the one old reliable medicine, that has been sold for forty years, for puri-fying the blood. There is no better blood remedy, appetizer, stomach tonic or nerve builder. From the very first dose of Hood's Sarsapa-

rilla improvement begins. Be sure your druggist gives you Hood's, for nothing else can possibly benefit you as much and nothing else can take its place. Get

BE GALLANT

This Man Protected a Woman, Now He's Worth

New York, May 3.—A despatch to The Herald from Philadelphia says:

As a result of a bit of gallantry to 0 00 a woman more than three years ago, 0 00 Frank H. Canning, formerly of this city, and later of Clarksboro, N. J. is to receive \$200,000 as soon as he can be located. He is supposed to be working in an eastern powder mill and detectives are searching for him.

Mrs. J. T. Elkins, of Detroit, widow of a wealthy ranch owner, died several weeks ago, leaving an estate of \$400,000. Half of the money goes to Mr. Canning, the remainder to a charitable institution in Detroit. Mrs. Elkins was formerly Miss

Irene Chadley, of this city.

Miss Chadley was returning to her home on a trolley car one night. She was the only woman on the car, the other passengers being half a dozen intoxicated men, and Mr. Canning. Suddenly a fight started, and one of the men brushed against Miss Chad ley and threatened her. Canning plac-ed himself in front of the woman and ed to overcome the rowdies Chadley was so upset, that Canning called a cab and rode with her to her

HUNS ATTACKED

French Drove Them Back and Inflicted Heavy

By Special Wire to the Courier.

Paris, May 3, 12.20 p.m.—A German attack in the Argonne, near Harazee was repulsed with serious losses for the asasilants, the War Office anrounced this afternoon.

In Verdun region last night there was heavy fighting with artillery.

The text of the statement follows:

"In the Argonne district, after a spirited bombardment with shells which released irritating gases, the undertook yesterday evening a small atack in which three companies took part upon our trenches between Harazee and Four de Paris. The Cermans were successful in gaining a footing for a few moments in our advanced positions, but they were unable to maintain their success and had to retire. They sustained heavy

losses by our fire. "In the region of Verdun there has been fairly intense activity on the part of opposing artillery forces in the sectors of Dead Man Hill and Douau-mont. One of our long rnge pieces bombarded the railroad station at Sebastopol, to the east of Vigneulles.

Flames were observed at the station.

"In the Lorraine district there has been an encounter between patrols "The night passed quietly on the

remainder of the front."

THE COURIER

Wednesday, May 3, 1916.

The Situation.

The French are more and more commencing to take the initiative in the Verdun fighting. For weeks they were simply on the defensive in this mighty struggle, well content to hold their own while at the same time inflicting severe losses upon the enemy. Now Joffre's troops are assuming the aggressive, and with excellent results. During heroic attacks north of Verdun they have won nearly a mile of authority as something not to be uncasy. Probably he succeeded in the case of the great mass of the people who do not understand fluancial matters, and who, in Germany, are taught to believe the voice of authority as something not to be The French are more and more near future.

making the announcement Premier one of the worst periods of trade de- not go into that. Asquith was able to refer with pride pression ever known. to the fact that under the volunteer system some five million men had been enrolled, but at the same time had been enrolled, but at the same time had been enrolled. But at the same time had been enrolled, but at the same time had been enrolled, but at the same time had been enrolled. But at the same time had been enrolled, but at the same time had been enrolled, but at the same time had been enrolled. But at the same time had been enrolled, but at the same time had been enrolled. But at the same time had been enrolled but at the same time had been enrolled but at the same time had been enrolled. But at the same time had been enrolled been enrolled, but at the same time he said it was felt, under the existing plan, necessary forces could not be will follow the time-honored custom will follow the time-honored custom mean to them. Why the Russell Company did not why the Russell Company did not get notice that fuse tenders were called for on September 10, 1915.

Mr. Hellmuth contended this had secured on time. The statement will appeal to the common-sense of anyone who gives the subject due consideration. It is very clear that the authorities will know where they are at to a much greater extent when they have ascertained material to deal will follow the time-honored custom of autocracies in starting another war abroad to divert public attention from the conditions at home. That will mean more debt and more disaster. One thing is certain; that any country which has the evil fate to be conquered with that will be literally bled white.

Which has the evil fate to be conquered by Germany in the future will be literally bled white. with, instead of awaiting the volition NGTES AND COMMENTS

has resigned as Secretary for Ireland, it may have been torpedoed. and that three of the Irish revolution-ary ringleaders have already been to \$200,000 because he defended a shot. These things are as they should wealthy woman in a street car scrap.

Germany's Financial Con-

cellor of the Exchequer (Finance About the only friends they have seem for the first division. The shell com-Minister) is reported to have said that to exist among some cranks in the mittee let 500,000 fuse orders to the bullets, which was a picturesque way of saying that money talks in war as well as in peace. The superiority of the Allies over Germany in this respect is strikingly shown in the financial history of the struggle. It is a highly technical subject, and it is difficult to write about it in plain every day. English but the cheets that Kyte was up in the air land to cancel a contract for 200,000 fuse parts with the Boston Steel and Gauge Company.

Mr. Nesbitt: "But I understand the order was given to start the fuse making industry in Canada?"

Col. Carnegie: "The company had great disappointment, because it lad to cancel a contract for 200,000 fuse parts with the Boston Steel and Gauge Company.

Mr. Nesbitt: "But I understand the order was given to start the fuse making industry in Canada?"

Mr. Nesbitt: "But I understand the order was given to start the fuse making industry in Canada?"

Col. Carnegie: "The company had to cancel a contract for 200,000 fuse parts with the Boston Steel and Canada Company.

Mr. Nesbitt: "But I understand the order was given to start the fuse making industry in Canada?" of saying that money talks in war as The fuse enquiry has already demdifficult to write about it in plain every-day English, but the charts that have been published from time to time, showing the relative depreciation, showing the relative depreciation and the many showing the relative depreciation. Showing the relative depreciation and the many showing the relative depreciation and the relative depreciation an tion of British and German securities to the Dominion Government's lack States? show also that the British national in supplying war munitions. A more credit stands like a rock while that barefored falsehood than that was credit stands like a rock while that of Germany is obviously tottering. It never penned. Canada, for a country fuses could not be made in Canada is no exaggeration to say that the not equipped for such productions, has depreciation of the German mark—in reality done remarkably well. The Col. Carnegie: "The Russell Comdepreciation of the German mark— in reality done remarkably well. The pany had the hundred fuse and not the standard coin equal to about 25 leading Grit organ probably thinks the eighty let in the States."

Leading Grit organ probably thinks the eighty let in the States."

Mr. Nesbitt: "And what was the atproblems that faces Germay to-day. picked off trees.

Messrs. Fisher Unwin, of London, have recently published a little pamphlet by E. D. Davis, entitled "The Finances of Great Britain and Germany." The author points out how the mark has depreciated to the extent of thirty per cent. The gravity of this is not realized in some of the neutral countries at any rate by the small inprices than the water bottle on the commissioners' desk.'

The worned and inspired both General manufacturers together.

But he had no more to do with fixing manufacturing done in Canada."

Col. Carnegie said it was General Hughes who saw Messrs. Russell and vestors, some of whom are apparently commissioners' desk. persuaded by the German Government that by purchasing war loans at their present price they will secure a handsome profit when the war is over and the ship of state rights itself. But will the ship of state right itself. But will the committee?"

the ship of state right itself, and if Col. Carnegie: "Nobody had any so, how long will it be before it will happen? The present downward tendency may become a vertical drop.

The thirty per cent. depreciation may mr. Nesbit of a fuse me in Canada?

Mr. Johnston: "Not General in Canada?"

Col. Carnegie: "No."

Col. Carnegie: "No."

Mr. Johnston: "Did he attend the mr. Nesbit of the carmeters."

The thirty per cent. depreciation may become sixty per cent. before there is any appreciation at all.

Germany has floated three war loans at 97½, 98½ and 99 respectively. But any financier knows that it is impossible to issue millions and billions of successive loans, all charged upon the same security, without a discount. If the price does not drop it is obviously because the market has been rigged and the later loans engineered. The German Government has deliberately encouraged the holders of stock in one loan to pawn it to secure funds for investing in the second, and the stock of the second loan has been similarly pawned in many cases to provide the contract and the meetings of the committee?"

Col. Carnegie: "Only the final burnied." We never went to General Hughes for sanction for contract prices, preliminary or final."

Mr. Johnston: "The order-in-council authorizing the duties of this commission states, it is alleged, Col. Alliston had a large interest in the profits arising from fuse contracts and used his influence with General Hughes to secure contracts through the shell committee?"

Col. Carnegie: "That is so, General Bartram and I talked over the Russell Motor Car contract and the General Hughes to secure contracts through the shell committee?"

Col. Carnegie: "That is so, General Hughes to secure contracts through the shell committee?"

Col. Carnegie: "In the order-in-council authorizing the duties of this commission states, it is alleged, Col. Alliston had a large interest in the profits arising from fuse contracts and used his influence with General Hughes to secure contracts through the shell committee?"

Col. Carnegie: "That is so, General Hughes to secure contracts and the General Hughes to secure contracts and the General Hughes to secure funds at the contract of the con we were tired out after a bad day and often night's work, we used to go to often night's work and the often night's work

third investment of 100 marks. Have I invested 300 marks? Has the government received 300 marks? Or have both of we get nothing?

done good work with the corps, and a fine lot of boys is the result.

Capt. W. Joyce, of the 215th battalion, Lieut. Oxtaby, of the 125th, and detrained and experienced the and Lieut. G. E. Sweet, 215th, and Lieut. G. at the inspection, all speaking highly their morning chorus. We covered over six miles and at last landed safely. John Farrell, Ontario immigration official, has opened an employment burgan for farm labor in Bay City previous to us, and some of whom are

Pte. A. H. Coles sends the follow-ing interesting letter to his father up fine now. Are camped in a deep and mother, Mr. and Mrs. H. Coles, valley, and the one striking example 27 Sarah Street. Church.

At Sydenham St. church last evening, the members of that congregation who had enlisted for active service in the defence of the Empire were fittingly honored by the church. The affair was held in conjunction with the annual "Old Rubber Night," but on by Epworth League. There was a large attendance and the evening was a most enjoyable one. At the conclusion of a capital program the members who had enlisted and had previously been calked to the platform were presented with fine military money belts by Rev. Wm. Smythe, the pastor and Mr. George Alderson, the recording steward, on tehalf of the church. Those who were unable to be present will have theirs forwarded to them wherever they are doing service. A handsomely framed honor roll will also adorn the walls of the edifice. Pte. Isaac Hewitson responded on behalf of his fellows in arms in a really fine speech, He gave his reasons for donning khaki. He felt it his duty to enlist and had no apology to offer. The question Shorncliffe Camp.

Set before us is—to our left is a large golf course, all green and with sheep herding upon it. Of course this is the Fifth Straight Loss
