The copy filmed here has been reproduced thanks to the generosity of:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

Bell Pianos

Are made to stand criticism.

PROP. J. B. LABELLE, Organist Notre Dame Cathedral, Montreal says:

"I received the magnificent piano of the Bell Co., which I ordered for my own personal use. I had been expecting a first class instrument, but the piano, which is a veritable jewel, surpasses all my hopes. It possesses a splendid quality of sound, rich, pure and melodious, with great evenness of the scale. The action is rapid, with great elasticity. I declare it an honor to Canada to possess a manufactory able to send out pianos like those of the Bell Co., which are unquestionably the best pianos made in Canada."

DO YOUR EYES FLOW ..

Or do your eyes close when exposed to a bright light? Better let a refractorist, who is an expert, make an examination. He can tell you just what the trouble is, if there is a trouble. If you should wear glasses, the sooner you do so the better for your future health and peace of mind.

SYNOPSIS.

ACT I.—House of Isa Conboy, in the malaria district, a few miles from a certain large city.

ACT II.—The Rip and Tear Laundry, situated in a certain large city.

ACT III.—Mrs. Ultra Styles' residence, in the same city.

NOTE.—Probably every individual in the audience has heard the old saying, that "one half of the world does not know how the other half lives." The author in this piece attempts to explain to the one half how the other half really does live, and by what means. The members of the company, who are musically inclined, will render selections to relieve the monotony of the explanation.
