

HAMILTON HAPPENINGS

ALLIANCE CONDUCTS HAMILTON CAMPAIGN

Open Air Meeting Had to Be Called Off, But Thirty-four City Pulpits Were Occupied.

HAMILTON, June 5.—(Special.)—The Dominion Alliance conducted a temperance educational campaign in the principal churches of nearly every denomination to-day. Two big open air meetings which were planned for Dundurn and Woodland Parks, had to be called off, owing to a continual rain and the morning services were only fairly attended for the same reason. Thirty-four churches, including Christ Church Cathedral and six other Anglican churches, were in the hands of the temperance advocates. Among the speakers were Joseph J. O'Connell, president of the Alliance, who spoke in James-street Baptist Church in the morning, and James Simpson of the Toronto Board of Education, who spoke in First Congregational Church. Other speakers were: J. W. Benough, Mrs. Owen Hitchcock, Rev. E. C. Crewe, Rev. W. Kettlewell, Rev. R. M. Hamilton, Rev. J. B. Kennedy, Rev. J. Moore, Rev. G. R. Cox and Rev. Benjamin H. Spaulding. Subscriptions were taken up in all the churches in behalf of the cause.

Took Their Fill.

The Sunday night street walkers thought they came across a little entertainment that was put on for their special benefit to-night, when they saw a patrol wagon backed up at the curb on King-street, east of John, and they gathered around it to the extent of 200 or 300. The police covered the office of Dr. C. Thompson open and later found \$8 worth of gold fillings missing. Such a crowd gathered that it was necessary to summon more policemen to keep the street clear. The robbery is supposed to have been committed by the same person or persons who have robbed the local dental offices periodically for a year or more.

The Death Roll.

Philip Veldenhimer, 352 Jackson-street, died to-day aged 39 years. He was a resident of this city for 30 years and leaves a widow and family of two.

Michael Washington, a well-known resident of the north end, died to-day, aged 38 years. He passed away at the Genesee Hotel, from an attack of pneumonia.

The death occurred of Robert Overend, who used to live on a farm at Blackheath. He passed away last night at 129 Stanley-avenue, leaving one son and two daughters to mourn him.

Mrs. William Willis, 19 Tom-street, died to-day, aged 23 years. She was a daughter of E. G. Ruppel.

Alex. Ellsworth, 44 Fairbank-street, died on Saturday night at his home. Edward Ellsworth died at the city hospital to-day. He was an Englishman and had been in the country only a short time. Consumption was the cause of death.

The board of health, at a special meeting Saturday afternoon, recommended the board of control to appoint Charles Shain as meat and dairy inspector.

Don Valley League.

With the conclusion of the opening Saturday, the largest crowd of the season was on hand on Saturday in the Don Valley League, necessitating the enforcement of the two base crowd rule. Umpire Eames called play ball exactly at 2:15. This game brought the Cartlons and Gerrards together and the former won rather easily by the score of 15-8. Cartlons were the opening batsmen, C. Coker and Purcell were the opening bowlers and both pitched good ball. The Cartlons were more effective with the bat, while the support Purcell received was very ragged in spots. In almost every inning the Gerrards had men on base, but the necessary hit was not forthcoming as a couple of double plays spoiled their chances.

Wanderers Defeat Parkdale.

Parkdale C.C. bit the dust on Saturday afternoon in the game with Wanderers at the Varsity. The score was:

Silverplate Ware for the Wedding Month

The universal use of silver in presents for the bride suggests to us the giving of a complete price list of plated spoons, forks, etc. The designs and execution are flawless, and the materials are a very heavy plate on hard white metal that will give the maximum of wear under the most exacting conditions

The EATON Thetis pattern shown in the illustration is in a bright finish, with a beautiful wreath design of heaviest sectional plate, a feature which adds greatly to length of service.

EATON Orient pattern comes in a grey finish, bearing a handsome yet quiet floral design. The quality the same as that of the above, which gives it equal durability.

The Tours Pattern is neat. It has a beaded shell border, and comes in heavy plate on hard metal base.

The Moselle or Grape Pattern is in grey finish; the design is intricate, and gives excellent effect when on the table.

Wm. Rogers & Sons' Berwick is a heavy floral design, in bright or grey finish, with sectional plate.

Wm. Rogers' "Beauty" Pattern has a small floral design, and is an extra heavy plating on nickel base.

The "Marathon" Pattern, with its swastika edgcs, comes in bright finish. It's the nearest thing to sterling procurable, and will practically last a lifetime.

Plain Tipped or Beaded Patterns are sensible for everyday use. They have the same weight of plating as the fancier patterns and are decidedly conservative.

AN ECHO OF 1885. Former H. B. Co. Employee Blames Rising on Incompetency of Inspector.

MONTREAL, June 5.—(Special.)—W. D. McLean, who landed at York Factory in 1849, to enter the employment of the Hudson Bay Company at that place, and who in 1885 was stationed at Fort Pitt, and with his family as a prisoner in Big Bear's camp for 80 days during the rebellion, is now in the city.

He declares that Inspector Dickson, son of the great novelist, being deaf and incompetent for the post, sent out scouts with Mr. McLean. Had they remained at the fort, McLean is almost sure that an arrangement could have been reached whereby the Indians would have gone back to their reserves.

He says in fact had about decided to abide by the Hudson Bay Company's advice, when two policemen came along and upset everything. Mr. McLean says there can be no doubt as to the feasibility of a four mile and a half shipping season at Fort Churchill, and that the road can be built from the Pas to Churchill without any expense. Nelson, he says, is not in the race.

PASTOR RUSSELL'S SERMON

A Discourse on Jerusalem.

BROOKLYN, N.Y., June 5.—Pastor Russell returned from his European trip just in time to keep his appointment to speak in Brooklyn's largest auditorium, the Academy of Music. His topic was "Jerusalem," from the text, "Comfort ye, comfort ye my people, saith your God. Speak ye comfortably to Jerusalem, and cry unto her that her appointed time is accomplished, that her iniquity is pardoned; for she hath received of the Lord's hand double for all her sins" (Isaiah xl, 1, 2). As had been anticipated, the crowds were too great for accommodation at the Tabernacle. The spacious Academy of Music was crowded, with a large number of ministers and other men on the platform. After announcing his text the speaker said:

Christendom, with united voice, admits that all of the divine revelation came to and through the Hebrew people. Listen to the argument of the Apostle Paul. "What advantage then hath the Jew? or what profit is there of circumcision? chiefly, because that unto them were committed the oracles of God"—the divine message respecting the purposes, present and to come. The apostle again informs us that the entire gospel message was briefly comprehended in the Creator's promise to Abraham, "In thy seed shall all the families of the earth be blessed" (Galatians iii, 8).

It was the most natural thing imaginable for the Jewish nation to suppose that the giving to them of the law at Mount Sinai, through the mediation of Moses, was the fulfillment of the promise to Abraham. Nevertheless, they were mistaken. Israel's mediator, and the sacrifices they offered, and their tabernacle, with its holy and most holy, the temple, and all the features of the law covenant were types or foreshadows of the "better sacrifices," higher priesthood, better mediator, and glorious blessings of eternal forgiveness and reconciliation yet to be accomplished. Nevertheless the period of Israel's types was not wasted. Not only were the types there given, but at the same time a special class of agents were selected: Abraham, Isaac, Jacob, and all the prophets and worthy ones of that age, holy, consecrated to God, and accepted as agents qualified for the Kingdom conditions. Of these the Scriptures declare, "They fell asleep." They are still asleep in the dust of the earth, awaiting the glorious resurrection morning, and a grand share then with Messiah in the work then to be accomplished. In their lifetime, they were styled the fathers, because Messiah was foretold to be of the posterity of Abraham, and also "David's Son."

But other Scriptures, without contradicting these statements, show us distinctly that "David's Son" and "Abraham's Seed" is to be lord and father of both David and Abraham. Thus we read, "Instead of this, thou shalt be thy children, whom thou mayest make princes in all the earth" (Psalm xiv, 16). David's son, Messiah, will be David's father, or life-giver, when he will raise David from the dead. Similarly he will be the father of all of those ancient worthies; and as David's lord, and "lord of lords," it will be his pleasure to appoint to Abraham, Isaac, Jacob and all of the ancient worthies, and prophets, and faithful ones a glorious share with Himself in the great Messianic Kingdom, which he is about to set up for the ruling and blessing of Israel and all the nations of the earth. Will not this be a grand honor to Abraham and his seed? Could we expect that the Almighty would honor and use in such a high position any except the faithful? Surely not. When Messiah shall make these ancient worthies "princes in all the earth," as representatives of His invisible kingdom, will not this mean honor and dignity to the Jews first?

Our text is one of three declarations in the Old Testament, which assure us that there is a "double" connected with Israel's history. That is to say, Jewish history naturally divides itself into two exactly equal parts; the first of which was a time of favor, intermingled with discipline, but favor nevertheless. The second part of these parts has been one of disfavor and exclusion from divine fellowship. As foretold by the prophet, Israel for many centuries has been without prophet, or priest, and without God; and without communion with God; whereas, at one time they were God's favored people. They now, according to their own admission, are so thoroughly rejected that they have no communication whatever, no light to shine upon their pathway. The prophet's words have been fulfilled, "Let their table become a snare before them; and that which shall be their desire shall be their downfall. Let their eyes be darkened, that they see not" (Psalm lxxx, 22, 23). They have stumbled; they are blinded; but thank God! their blindness is not to be perpetual. The period of their blindness is the second part of the "double," with the fulfillment of that "double" their blindness will begin to vanish, and "All the blind eyes shall be opened." Of that time the Lord declares that "He who scattered Israel will gather them."

We are impressed, not by fancy, but by the Word of God, that Israel's blessing is now fulfilled, that Israel's blessing has already begun, that the opening of Israel's eyes is now in progress. For this reason we have chosen for our text, "Comfort ye, comfort ye. My people, saith your God. Cry unto Jerusalem and say unto her that her appointed time is accomplished, for she hath received of the Lord's hand double (the two parts of her chastisement) for all her sins." Because the "double" is completed we may speak the words of comfort.

Thirty-four years ago we called attention to these facts, but few had ears to hear. When eighteen years ago we visited Jerusalem, having in mind chiefly the fact that the time for the regathering of Israel was nigh at hand, and that the set time to favor

Zion had come, we found no hearing ears among the Jewish people; and Zionism had not then been dreamed of. Our communication with the representatives of the Baron Hirsch Immigration Fund, and also with the executors of the Sir Moses Montefiore Jewish Relief Fund met with scant recognition. Nevertheless, we felt sure that Israel's "double" had been fulfilled, and that her morning of joy would soon break.

Meantime, how much has happened during those eighteen years! Zionism has risen and engendered the hope of the chosen people in every land, and turned their eyes toward the land of promise; not that all are thinking of returning thither, but that every Jew who retains faith in the God of his fathers, and in the Abrahamic promise, is now looking and hoping for the time of blessing, long foretold. They know not about their "double"; they have not been studying the Holy Scriptures, and the teachings of their ancestors, as presented by the Talmud. They have been making a very common mistake to that of Christian people, who have been studying the creeds of the "dark ages" instead of the Word of God.

Glance with me at three different statements by the Lord thru the prophets of Israel respecting Israel's "double" of experience; the second, an experience of equal length without divine favor. Notice first Jeremiah's prophecy (Jeremiah xvi, 8). The telling of Israel's disfavor, and then of their regathering, the Lord declares, "And first I will recompense their iniquity and their sin double"—some of the recompense with favor, and some without favor. Jeremiah's prophecy looks down to the "double" from his own day, which was more than six hundred years before the second part of their "double" began.

Turn now to Zechariah's prophecy, and note that prophetically he takes his standpoint at the very time when the second part of the "double" began. His words are, "Even to-day do I declare that I will render double unto thee" (Zechariah ix, 12).

Come next to our text, and note that the Prophet Isaiah stands with us, and views the matter from the standpoint that the "double" of experience has been fulfilled. "Speak comfortably unto Jerusalem, cry unto her that her appointed time is accomplished, because she hath received of the Lord's hand double (two equal parts) for all her sins. It is our understanding that this "double" reached fulfillment in the year 1878 A.D., and since that date we have been declaring in the best of our ability, as the Lord granted opportunity, these comforting words to Israel, assuring God's chosen people that their period of disfavor has ended, and that they are gradually returning to prosperity; that divine favor began with them in 1878. Yea, more than this, our sermons which to some extent reflect this feature of the divine program relating to Israel's restoration to divine favor, are being read to a considerable extent by Hebrews, as well as by Christians; their eyes are gradually opening, as the Scriptures foretell they shall do.

But how may we know when the turning point of Israel's "double" took place? How may we know that the "double" was completed in 1878? We reply that the answer to the question necessitates an acknowledgment of Jesus as the Messiah. The turning point of his being king, marks the turning point of God's favor, as the prophecy of Zechariah, just quoted, distinctly shows. Neither Jew nor Gentile have appreciated the full import of the incident mentioned in the Gospel; that five days before His crucifixion Jesus rode upon an ass, after the manner of Jewish kings, into the City of Jerusalem, a multitude surrounding Him, and going before Him, shouting, "Hosanna to the Son of David! Blessed is He that cometh in the name of Jehovah!" The Prophet Zechariah called attention to this incident centuries before it occurred, and then gives the Lord's words, "Even to-day do I declare, I will render double unto thee."

Israel's history as a nation began with the death of Jacob, when he gave his blessing to the twelve tribes. The period from that time to the death of Jesus, according to the Scriptures, was 1845 years; and a like period of disfavor, measuring from the day of Jesus' rejection marks the year 1878, as the end of Israel's disfavor,—the time when the message of comfort should go forth. However, divine favor was only gradually taken from Israel, and altogether a period of thirty-six years intervened between the death of Jesus and the utter destruction of Jerusalem. Similarly we should expect that the return of favor would be gradual, a like period of 36 years; and this would bring us to the year 1914, as the time when God's favor for His people will be publicly and openly manifested.

The question now arises, what was God accomplished during the latter half of Israel's "double"? Did He pass by His chosen people to directly bless the Gentiles, or how shall we understand divine providence with respect to this matter?

We answer that Almighty God had one feature of His plan which He did not make known directly and explicitly to Abraham or any other prophet; He kept that feature of His purpose a secret. It is this: Moses could not be a man and yet accomplish the great things which Jehovah intended, as stated in His words, "The law shall be for an eye for an eye, a tooth for a tooth and a man's life for a man's life. In this God set forth His principle governing His course of dealing with men. As by man (Adam) came the sentence of death, and thenceforth upon all of his offspring, even so the divine law of justice on behalf of the race would have the right to give eternal life and human perfection to every member of Adam's race willing to accept it on the terms of the divine law. This was the reason that Christ should die, "the just for the unjust."

As a reward for His obedience to the Father even unto death, Christ was raised from the dead to the divine nature. In this exalted condition He is capable of being a Mediator and of doing a work for Israel and for the world much higher and broader than Moses could effect. Moses, the typical mediator, made atonement for a year with

the blood of beasts; but Messiah with His own blood makes perpetual atonement for the sins of all the people. This is the great Messiah (Jesus) who suffered the death of the cross—for the Jews and for the Gentiles—"for all the people." This is the glorified Messiah, who as the Spiritual Seed of Abraham is about to bless Israel's ancient worthies, and to "make them princes in all the earth;" ministers of His Kingdom for the ruling, blessing and instruction of those who will, out of the present sin and death conditions, to life eternal to full human perfection, with the earth as paradise restored.

But some one may say, where do Christians come in connection with this divine arrangement? And if God's dealings with the world are to be thru Israel, and not thru the church, why has there been so long a delay? Why did not the glorified Messiah once set up His Kingdom, and bring forth ancient worthies from the tomb to be its earthly representatives? Oh, here is another part of the mystery of God's dealing with the world, typical of Messiah, the spiritual seed, but before Isaac began the work of dispensing the blessings to his brethren and to his children, he first took a bride, and this act also was allegorical or typical. In the antitype, Messiah, the spiritual seed, took a bride who is to be His joint-heir in the spirit plane—to share with him the glory, honor and service of His Messianic Kingdom. The period of Israel's disfavor, as a nation, has been the time in which an special class has been called of the Father and begotten of the Holy Spirit to joint-heirship with Christ and His bride.

But did God pass by the natural seed of Israel to give these spiritual privileges to the Gentiles to gather to the Gentiles a people, figuratively to constitute the bride of Messiah? Nay, the scriptures assume us that this spiritual privilege went first to the Jews; they show us that during the three and a half years of Jesus' ministry, and during the thirty-six years following it, the gospel message was given almost exclusively to the Jews, and gathered from that people as many as were found to be "Israelites indeed without guile," as many as were not only of the circumcision of the flesh, but also who were of the circumcision of the heart. God did not continue to deal with His chosen people, but after having gathered from them as many as were worthy of the spiritual blessing of Messiah, He then was the message sent to the Gentiles, to gather from the Gentiles a number sufficient to complete the foreordained and predestined number who will constitute the bride.

So then, my brethren, in proving from the scriptures that Israel's "double" is about completed; that Israel's blindness is about to be taken away, and that Israel's exaltation as the earthly representative of Messiah's Kingdom is near at hand, we are proving to ourselves another thing; namely, that the full number called from the Gentiles to complete the Kingdom with Christ on the spirit plane, as members of His bride class, will soon be completed (Romans ii, 25-32).

PERCY HASWELL PLAYERS OPEN SEASON TO-NIGHT

'The Marriage of Kitty' Will Be Given at Royal Alexandra—Gayety and Majestic Offerings—New Yonge St. Theatre.

Everything is now in readiness for the opening performance to-night of the Percy Haswell Players at the Royal Alexandra Theatre in the delightful comedy, "The Marriage of Kitty." Judging from the great amount of interest that has been taken during the past week the success of the company here is assured. A great many reservations for seats have been made; not only for this week, but for every week during the season of the company here.

"The Marriage of Kitty" is a sparkling comedy adapted from the French, and was one of Miss Marie Tempest's greatest successes. Miss Haswell will be seen in the role of "Kitty," the spirit which she has played with credit to herself, both in stock and on tour. Her supporting company is one of the best that could be gotten together for a summer engagement.

The mid week matinee will be given on Wednesday, with the usual one on Saturday. The prices have been fixed at the low scale of 50c on the lower floor, 25c in the balcony for the evening, and for the matinee the entire house 35c.

At the Gayety. At the Gayety Theatre this week the management of this popular place of amusement promises the largest and most sensational show in the burlesque field. The attraction will be "The Queens of the Jardin de Paris." It is not only better than all the others, but different, for in fact it is more of a spectacular extravaganza than the ordinary burlesque. The costumes are rich and elaborate, the music is bright and catchy, the dancing of the highest order. "The French Ballet" being spoken of as unusually picturesque. During the course of the play ample opportunity is afforded for the introduction of high-class acts. A prominent feature of the matinee production is the two Ferraris, the world's famous whirlwind dancers, and Miss Murrin, the renowned female pantomime, in Sig. Molinari's greatest and latest effort, "All Her Soul," which is considered a masterpiece in pantomime art. The piece is the hands of so clever an artist as Miss Murrin and cannot fail to create a cyclonic furore.

Yonge Street Theatre Opens To-day. Commencing this afternoon a new policy will be inaugurated at Shea's Yonge-street Theatre, when "Top" vaudeville will be presented at Toronto's most popular playhouse three times daily.

The special feature for the week will be the moving pictures of the funeral cortege of King Edward the Seventh. The vaudeville acts to be seen are: Geo. Spinks and Ellen Tate, Adair and Dahn, Charles Hecklow, James A. Welch & Co., New-Hoff and Phelps, and the latest animated pictures.

William Morris, Incorporated, has agreed in the New York Supreme Court with counsel for Charles Prohman that he will not produce "Chastelair," as advertised by him—at least, not under that name. He promised to call his play "The Barnyard Romeo."

George Arliss has sailed for England and will return to Toronto, appear, probably under his own management, in repertoire, which will include "Louis XI," "The Rivals," "The Chastelair," "Marriage," and "Richelieu." He also has in mind a new tragedy of classic Rome.

At the Majestic. The bill for the first half of the week at the Majestic will include Carter and Parnum in a burlesque on melodrama; Rio and Fox, singers and dancers; York and Hearst, illusionists; Hensall and Brown, in a comedy skit; James Rialto, monolog, and vocalists; McGee, illustrated song edulite.

Evangelicals Incensed

Object to Remarks About Luther in Pope's Encyclical.

Berlin, June 5.—The encyclical recently issued by the Pope on the occasion of the third centenary of the canonization of Saint Charles Borromeo, is attracting much attention in Germany. The newspapers if all shades of opinion are carrying on a lively discussion of the subject, and the Conservatives and National Liberals introduced interpellations with reference to the encyclical in the diet yesterday, which are expected to lead to a warm debate this week.

In this encyclical the Pope, in extolling Borromeo as the champion of Catholicism against the Protestant reformation, said that he established at the time of the council of Trent that the principles of Catholicism had been undermined by Martin Luther.

The Conservative interpellation asks the government what it proposes to do in order to meet such insults to the evangelical church and suggest that the Prussian legation to the Vatican be abolished.

INDIANS UNHEALTHY. Alarming Condition of Minnesota Aborigines Revealed by Report.

Speculation in Mining Stocks Maintained at Low Levels

Demoralized Conditions on New York Market Have Tendency to Restrain Trading on Smaller Exchanges.

World Office, Saturday Evening, June 4th. The local mining markets during the last week have shown no outstanding features and trading has been about as dull as possible. Public interest has at no time been a tangible quantity in the dealings and such transactions as have been put thru have been set down as professional operations rather than any outside buying movement. The demoralized condition of the New York stock market has no doubt had an influence all its own in putting a check of greater or less extent on speculation in all classes of securities, and with interest attracted daily to the violent movements on the larger markets, it has been very natural to experience a species of apathy on the mining exchanges. It has been apparent, however, and this is the redeeming feature of the situation at the present moment, that while there is no buying movement of any consequence being met in connection with the Cobalts, there is no inclination to sell stocks at prevailing low figures. As long as conditions maintain as at present there is little likelihood of any recovery being made, but on the other hand as long as liquidation can be held in check there is not much fear of a future break in prices.

THIRTY THOUSAND EXPELLED. Jews, Driven From Russia, Flock to America and Turkey.

Berlin, June 5.—The expulsion of Jews in Russia is increasing day by day, according to the despatches received by the Jewish Aid Society here. Up to the present more than 30,000 Jews throughout the country have been expelled from the forbidden cities, and not less than 7000 of these resided in Kiev. In most of the cases no notice was given to the people, who were compelled to leave the cities immediately abandoning their homes.

EX-MEMBERS OF QUEEN'S OWN. Album Will Be Presented to Regiment by Reunion Committee.

The Queen's Own reunion committee will hand over to the regiment a complete album containing the names and addresses of the thousands of ex-members who will take part in the celebration which commences here June 18. Mr. George I. Riddell, the secretary, at 25 East King-street, desires that as many as possible register with him either by mail or personal visit, and the hearty co-operation of every one connected with the regiment now or heretofore is desired to make the reunion the grand success it is going to be. The progress of preparation for the historic pageants of Ontario made great advances during the past week and several photographs in costume were made. The official medal has been made and it is a very handsome souvenir.

WANTS THE ESTATE
American Lady Claims Galt Property,
Held for Half a Century.

GALT, June 5.—(Special.)—Reconciliation of the late Abolom Shade, founder of the Galt Pioneers, storekeeper and extensive owner, and the most prominent man in the district when the settlement was known as Shade's Mills, has been revived by the receipt of a letter from Miss Mary Uelman of Sharon Springs, Penna., addressed to the mayor of Galt, and claiming a large interest in the Shade estate, in behalf of certain nephews and nieces in the States. The writer asks the mayor to investigate and report as to the disposition of the estate, failing which she will engage a lawyer. If there is anything substantial back of the claim it would involve the title to Galt property held for over half a century. The lady teachers in the public schools applied for an increase in their salaries. The board declined, on account of lack of funds, but passed the application on to the board of next year.
