dents may be filled up at the pleasure of the Society. A Special General Meeting may be called at any time when the President, or, in his absence, two or more Vice Presidents, or the Executive Committee, shall consider it desirable to appoint such Special General Meeting.

8th. The Executive Committee shall meet monthly during the year, with the exception of July, August and September; and a Special Meeting may be called by the President, or, in his absence, by a Vice President.

9th. The Members of the Church in every part of the Province are invited to co-operate with the DIOCESAN CHURCH SOCIETY, by forming Local Committees under the direction of their respective Clergymen, either in each Mission or Parish, or in more than one Mission or Parish united, as shall be deemed most convenient, and in strict accordance with the designs and Rules of the DIOCESAN CHURCH SOCIETY. Every Rural Local Committee shall have the power of appointing any one member of the Society to be a member of the Executive Committee. It is recommended to the Local Committees to forward their funds, as they may be collected, to the Executive Committee, who will faithfully apply them to the general objects of the Society; but when the Local Committee desire it, they shall receive Books at cost and charges, to the amount of one-fourth of their remittances, or the said one-fourth may be placed in the hands of the Endowment Sub-Committee, for the benefit of the Parish or Mission where the money was contributed.

To these objects, generally, the contributions will be applied; while those who desire it may have their individual contributions scrupulously confined to any one or more of these objects. And as some Members of the Church, who are not unmindful of the great spiritual wants of their own neighborhood, still feel constrained, in pious gratitude for the blessings they enjoy, to allot something, however small, from the means with which a gracious Providence has blessed them, towards the spread of the glorious Gospel among the nations which still sit in darkness—

11th. This Society will gladly receive and forward to the Society for the Propagation of the Gospel, whatever sums may be given for the conversion and instruction of the Heathen; to which object such sums will be strictly confined by the East India Committee of that Society.

12th. The Accounts of the Society shall be closed on the 31st December in each year, and shall be audited in one month from that time, by auditors to be appointed by the Executive Committee:

13th. An Annual Sermon shall be preached before the Society. The Preacher, time and place, to be appointed by the President.

14th. None of the above Bye-Laws shall be altered except at a general meeting of the Incorporated Society; and a full year's notice of a proposal to change any of them must be given previous to the meeting at which the proposed alteration is to be effected.

15th. At each Annual Meeting of the Society the first five on the Executive Committee shall go out of office; but all or any of them shall be eligible for re-election. The new members shall be placed at the bottom of the list.

PREVENT us, O Lord, in all our doings, with Thy most gracious favour; and further us with Thy continual help; that in all our works, begun, con-

tinued, and ended in Thee, we may glorify Thy holy name, and finally by Thy mercy obtain everlasting life through Jesus Christ our Lord. AMEN.

O God, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with Thy favour our Sovereign Lady, Queen VICTORIA; and so rule her heart that she may in all things seek Thy honour and glory. Prosper with Thy blessing the designs of this Society. Comfort with Thy grace those benefactors who contribute to its support. Bless the ministry of Thy servants, the Clergy; the endeavours of all who are engaged in promoting the knowledge of true religion in the parent Kingdom, and the labours of those Missionaries who are spreading the same in the Colonies of the Empire. And may Thy Holy Spirit direct all our consultations to the advancement of Thy Glory and the good of Thy Church, through Jesus Christ our Lord. AMEN.

O MERCIFUL God, who hast made all men, and hatest nothing that Thou hast made, nor wouldest the death of a sinner, but that he should be converted and live: Have mercy upon all Jews, Turks, Infidels, and Heretics, and take from them all ignorance, hardness of heart, and contempt of Thy Word; and so fetch them home, blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd, Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy Spirit, one God, world without end. AMEN.

ALMIGHTY God, Father of all mercies, we, Thine unworthy servants, do give Thee most humble and hearty thanks for all Thy goodness and loving kindness to us and to all men; more particularly, for the providential support by which this Society has been hitherto sustained. But above all, for Thine inestimable love in the redemption of the world, by thy Blessed Son, for the means of grace, and for the hope of glory, which Thou hast given us in the same our Lord and Saviour Jesus Christ; to Whom, with Thee and the Holy Ghost be all honour and glory, world without end. AMEN.

OUR FATHER, which art in Heaven, Hallowed be Thy name. Thy kingdom come. Thy will be done in earth as it is in Heaven. Give us this day our daily bread. And forgive us our trespasses as we forgive them that trespass against us. And lead us not into temptation; but deliver us from evil: for Thine is the kingdom, the power, and the glory, for ever and ever. AMEN.

WHEN THE BUSINESS IS ENDED.

THE grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all, evermore. AMEN.

## ANNUAL GENERAL MEETING.

THE Annual General Meeting of the Society was held, in accordance with the 7th Bye-Law, on the 8th day (being the second Thursday) in February, 1855. The Right Hon. the President took the chair at half-past three. There were but few members of the Laity present.

After Prayers and reading the minutes of the preceding General Meeting, it was Resolved to adjourn until the following Thursday.

The adjourned Meeting was held in the National School Room, on Thursday the 15th February. The Right Rev. the President took the Chair at 2 P. M.

After Prayers and reading the Minutes of the preceding Meeting, the President stated that the first subject for consideration was the proposed change in the time for the Annual Meeting of the Society, notice of which proposal had been given at the Annual Meeting on the 1st February, 1854.

It was moved by the Rev. J. Shreve, D. D., seconded by N. Clarke, Esq., and

*Resolved*, "That the time for the Annual Meeting be changed to a more convenient season of the year."

It was moved by the Rev. W. Bullock, seconded by the Rev. E. Gilpin, Jr., and

*Resolved*, "That the time for the Annual Meeting of the Society be appointed, within certain limits, by the Executive Committee; and that thirty days public notice of the time be given."

It was moved by B. Zwicker, Esq., M. P. P., seconded by W. C. Silver, Esq., and

*Resolved*, "That the limits be from the 15th September to the end of October in each year."

The seventh Bye-Law was therefore altered in accordance with the above.

The Rev. W. Bullock, in order to avoid difficulty and prevent delay, gave notice, "That, as the change of time for the Annual Meeting is an experiment that may possibly fail, he intended after the expiration of a year to move for further change."

There was an understanding that the Report of the Executive Committee to be presented at the next meeting, should be the Report of the year 1854.

The Rev. J. M. Campbell, A. M., gave notice, through the Secretary, that after the expiration of a year he would move for "the repeal of that particular part of the 10th Bye-Law which disallows the appropriation of any of the Society's money to the Widows' and Orphans' fund, except 'only such as shall be specifically given to the Society for that express object.'

The Right Rev. the President read the names of those members of the Executive Committee who, according to the 15th Bye-Law, went out of office, and the meeting proceeded to elect by ballot members of the Society to fill up the vacancy. Meantime, the Secretary submitted a letter from L. Hartshorne, Esq., resigning his position as Treasurer of the Society.

It was moved by W. C. Silver, Esq., seconded by T. B. Aikins, Esq., and

*Resolved* unanimously, That L. Hartshorne Esq., be appointed a Vice-President of the Society.

The Secretary was directed to convey by letter to Mr. Hartshorne, an expression of the respect and affection entertained for him by the Society; together with an acknowledgement of the great service he had rendered by his labours as Treasurer of this Society, and also of a Committee of the Society for the Propagation of the Gospel, previously existing in this Diocese.

The Secretary was also directed to request that Mr. Hartshorne would accept the office of Vice-President as the only token of esteem and confidence in the Society's power to bestow.

It was unanimously *Resolved*, That W. C. Silver, Esq., be appointed Treasurer.

The following members of the Society were elected to fill the vacancy in the Executive Committee: T. A. Brown, Esq., T. B. Aikins, Esq., J. W. Ritchie, Esq., P. C. Hill, Esq., Edward Binney, Esq.

A vote of thanks was passed to the Secretary and Assistant Secretary for their services during the past year, and they were reappointed to their respective offices for the ensuing.

It was directed that a Public Meeting of the Society be held at the Temperance Hall on the evening of Tuesday, March 6th.

It was *Resolved*, That all payments made by the Society be continued at the present rate until the Meeting in the Autumn.

The Meeting adjourned to the day to be appointed under the amended 7th Bye-Law.

## GENERAL MEETING.

THE first General Meeting of the Society under the amended 7th Bye-Law, was held in the National School, on Wednesday, 10th October, 1855, being the day appointed by the Executive Committee.

There were present, the Lord Bishop in the Chair, the Venerable the Archdeacon, the Honble. the Chief Justice, and L. Hartshorne, Esq., Vice-Presidents of the Society, and a large number of Clergy and Lay delegates from the country.

After Prayers and reading the Minutes of the preceding General Meeting, The Right Revd. the President briefly addressed the meeting on subjects relative to the Society and Diocese generally.

The Secretary read the Report of the Executive Committee for the year 1855, showing a favourable state of the Society's affairs during the past year, and an encouraging prospect for the present.

It was moved by Capt. Ousely, seconded by the Rev. R. F. Brine, and Resolved, that the Report of the Executive Committee be received and adopted, printed and circulated, under the direction of the Executive Committee.

It was moved by Capt. Ousely, seconded by Rev. J. Snyder, and Resolved, that all the office-bearers of the Society be continued in office until the next annual meeting of the Society.

The Right Rev. the President drew attention to a recommendation in the Report, that some method should be adopted for better carrying out the 5th object of the Society, by distributing Books and Tracts in strict conformity with the principles of the Church of England. It was the unanimous opinion of the meeting that the object might be well effected by the employment of a Colporteur.

The Report of the Widow's and Orphan's Fund was then read and received, the meeting proceeded to consider separately the proposed Rules and Regulations, which passed in the following form :—(see Appendix.)

The Rev. J. Cochran gave notice that at a future General Meeting of the Society, he would propose an amendment to the 14th Rule of the Widows' and Orphans' Fund.

A. M. Uniacke, Esq., moved an amendment to the 9th Bye Law of the Society (of which change due notice had been given), which was seconded by the Rev. W. Bullock, and passed. The amendment is as follows : "The Rural Local Committee of any parish or mission shall have the power of appointing any one member of the Society to be a member of the Executive Committee."

It was Resolved that no change be made in printing the names of subscribers in the Annual Report.

It was moved by N. Clarke, Esq., seconded by Capt. Ousely, and Resolved unanimously, that all donations of £10, and upwards, be funded, and the interest only applied to the general purposes of the Society.

The list of grants for assistant missionaries was then taken up, and £50 each was granted for another year (ending September 30, 1856) to the following places :

Albion Mines,  
Bridgewater,  
Liverpool,  
Newport,  
Stewiacke,

Annapolis,  
Chester,  
Melford,  
Pugwash,  
Westport,

Also to the Rev. J. Breading, Beaver Harbour, £75. and to the Rev. W. Jarvis, Guysboro, £25, and the usual grant for a travelling missionary on the Western coast of Nova Scotia.

It was moved by Capt. Ousely, seconded, and Resolved—

That the Society will not make its usual grant toward the payment of an assistant missionary appointed to a separate cure, unless the people there consent to pay toward the endowment fund of their Parish or mission all the proceeds of whatever Glebe Lands may be in that Parish.\*

It was moved by the Rev. T. C. Leaver, and seconded.

That the Bishop be invited to request the Clergy to have an annual collection in their Churches in aid of the funds of the Endowment Sub-Committee.

It was moved in amendment by Rev. T. H. White, seconded by A. M. Uniacke, Esq.

That the Endowment Sub-Committee be requested before any further action is taken, to submit a plan for the distribution of the funds.

The amendment was put and passed.

It was the opinion of the Society that the next Public Meeting be at the same time of the year with the annual meeting.

The meeting adjourned.

## PUBLIC MEETING.

A Public Meeting of the Society was held at the Temperance Hall on Tuesday evening, 6th March, 1855.

The Lord Bishop took the Chair at 7 P. M.

The Venerable the Archdeacon read the Prayers appointed for the use of the Society.

The Bishop in his introductory address gave a brief sketch of the present position of the Society, and the advance it was making in various parts of the Diocese.

The Secretary read an abstract from the minutes of the Society's proceedings during the past year.

The Honble W. Rudolf, in the absence of the Chief Justice, who was unable to attend, moved the first Resolution, which was seconded by W. C. Silver, Esq.

*Resolved*, That the blessings which have hitherto attended the Missionary labours of the Society, call for our thankfulness to Almighty God, and should

The second Resolution was moved by the Rev. J. Stannage, seconded by R. G. Haliburton, Esq., A. M.

*Resolved*, That the Society, desires to express gratitude for the success which has attended the arms of our country, and the hope that it will open a new way for the spread of Christianity, the first step to which has already been taken by the appointment of a large staff of Chaplains and Missionaries in the East by the Society for the Propagation of the Gospel.

A collection was then made in aid of the funds of the Society.

The Rev. W. Bullock moved the second Resolution, which was seconded by Mr. Marriott.

*Resolved*, That as the struggle in which our country is now engaged may tend to diminish the income of the parent Societies in England, and the aid they can afford to this Diocese, it becomes us, who are in a great measure free from the heavy burdens of that contest, to increase our exertions for the support of our Church.

The meeting then sang the Doxology, and was dismissed with the Apostolical benediction.

## REPORT OF THE EXECUTIVE COMMITTEE, FOR 1854.

THE Executive Committee, while making their Annual Report to the Society, cannot but be impressed with the favored position which we enjoy. While we hear of wars and rumours of wars—while our fellow countrymen are enduring the toils and braving the dangers of warfare in its sternest character, we, through the mercy of God, are removed from its reality, and exempted in a great measure from the burdens and privations attendant upon so severe a struggle. We have reason for much gratitude to the Disposer of all events that we are allowed to dwell in quiet, every man under his own vine and beside his own cistern ; and we should be ready to testify our thankfulness not by words only but by our actions.

We too are engaged in a warfare in which we have promised manfully to fight against sin, the world and the devil, and it is by greater devotion to this contest that we can best evince our gratitude to God for present favors.

The income of the parent Societies in England has been seriously affected by the burden of increased taxation for the support of the war; and they are consequently less able than formerly to assist this Diocese. It should therefore be our grateful task, upon whom this burden falls but lightly, to redouble our exertions for the support of our Church.

It is evident that the most critical period in the history of the Church in this Province is fast approaching, viz., the transition from reliance upon paternal aid to the more vigorous position of self support.

A severe trial must await those who first meet the difficulties of the change, yet we doubt not the effect will be ultimately beneficial, and the Church will be able daily to adapt itself more and more to the wants of the people and to the circumstances of the country.

We have no fear of the results of that change if only with faithful hearts, in unity and brotherly love, by zeal tempered with knowledge, we labor together in that work for which we will be held individually accountable.

We look upon the Diocesan Church Society as the means provided by Divine Providence for encountering the difficulties of our altered position, and we regard it as the centre which should unite and direct the efforts of every Churchman in the Diocese.

The Society has but one, and can have but one object in view, which is to spread abroad and maintain the true knowledge and love of God, as it has been revealed in His Word, and is set forth by that Church which he has appointed as the pillar and ground of the truth.

A review of our proceedings during the past year affords much cause for gratitude to Almighty God for the success which has attended our labors, and for encouragement to proceed steadily in the work we have begun.

We have good reason for hope that much and permanent advantage has accrued to our Church from the efforts which have been made to carry out those objects of the Society which are most pressing in their claims for attention. While the steadily increasing income affords a good practical proof that the Society retains the confidence of the Churchmen of the Diocese, and that they are daily more impressed with its importance as the means for supporting our Church and affording a bond of unity among themselves.

Your Executive Committee have much satisfaction in giving the following brief statement of the Society's receipts during 1854.

The total amount received during the past year was £1,772 6 4½, of which £899 15 6½ was for the following especial purposes:—

These appropriations left the sum of £872 10 10 at the disposal of the Executive Committee for the general purposes of the Society. The similar income for the year 1852 was £707 18 0, and for 1853 it was £847 6 9.

The most important object of the Society in the present state of the Church in this Province, is evidently the support of Missionaries.

Our funds are not sufficient to meet all the demands which have been made for assistance in supporting Missionaries, while the necessity for more spiritual teachers is daily increasing.

Toward this object the sum of £575 has been expended during 1854.

Besides the great blessings which spring from this expenditure, it is found that even in a pecuniary point of view the Society meets with no great loss. For wherever Missionaries are aided from our funds, there the people are willing to acknowledge their obligation by increased contributions, and to give practical proofs of their gratitude.

A Local Committee has during the past year been formed at Bridgewater, to which place the Society has made a grant of £50, and although the people have been called upon to make great exertions in supporting their Clergyman, yet they have not omitted to acknowledge their gratitude by a contribution to our income.

At the commencement of the past year, the Society was aiding in the support of eleven Missionaries at the annual responsibility of £625. These have continually been represented as diligent and zealous in their sacred calling, and well calculated to win and retain the respect of those to whom they administer.

The Society's grants were made to the following places :

|                    |                    |

The increase of the receipts in 1854 induced the Executive Committee to devote £50 more out of the Society's income to Missionary purposes. This step was taken in Feb'y, 1854, and the amount was finally granted, upon the recommendation of the Bishop, toward the support of a Missionary at Bridgewater in the County of Lunenburg.

At the suggestion of the Bishop the Committee transferred the grant of £50 for an additional Missionary from Wilmot to Milford, arrangements having been made at the former place which would provide for the ministrations of the Church without aid from this Society.

In October last the Executive Committee took into consideration the inadequate support of the Missionary at Guysboro', and granted toward his income £50,—one half of which grant was to be continued no longer than the current year.

Thus at the close of 1854 the Society had made grants to thirteen places

for the support of Missionaries ; entailing a yearly liability of £725, which is a large proportion of the income.

The Society is therefore essentially a Missionary Society, gradually extending its arms to the various extremities of the Diocese, providing for the maintenance of the true Church within our borders, and preparing and strengthening itself for the time when the whole support of the Clergy must be derived from those among whom they minister.

The provision for the Endowment of Parishes is steadily though slowly increasing. Each year adds to the fund about £130 from fourths of contributions received by the Parishes toward their own endowment.

The sum of £131 17s. 3d. has been this year added to the fund ; arising from the reserved fourths, and a grant of £10 from the Society.

The total amount now under our care for this object is £677 12s. 1d. This is owned by about twenty-five different Parishes or Missions. The property of each in this sum is of course small ; but it is a beginning, and engenders a spirit of accumulation.

By a late Resolution the Society is enabled to receive and hold in trust any monies that may be contributed for Church purposes, and to pay the annual interest to the object for which it was entrusted. Several parishes have already taken advantage of this permission and have entrusted money to the care of the Society.

The sum of £43 10s. 11d. has been paid to the Committee of the S. P. C. K. for Books to be returned to several of the Parishes in place of the one-fourth of their remittance. Your Executive Committee cannot but regret that so little has been hitherto done under this head, and would earnestly call the attention of the Society to the 5th object mentioned in the 10th Bye-Law, which relates to the supply of Books and Tracts in strict conformity with the principles of the Church of England, in the hope that some method may be adopted of carrying this design into better effect, either by the employment of a Colporteur or otherwise.

The following grants have been made to Churches :—

|                                    |
|------------------------------------|
| £10 to a new Church at Turn's Bay. |
| 10 " " " Hubbard's Cove.           |
| 10 " " " Wallace.                  |
| 10 " " " Ship Harbor.              |

£30 has been paid out by the Society during 1854, to aid in erecting new Churches. It may be remarked that these are smaller donations than were formerly made, but the funds of the Society are so nearly absorbed by the support of Missionaries as to leave but little for other purposes.

It is generally thought more advantageous to provide a support for the Missionary than to aid in building more Churches than can be periodically and regularly opened for Divine Service.

There are now six applications before your Committee for aid under this object. It is hoped that the increased income of the current year may warrant a favourable reply.

The Investment Committee have succeeded in finding a good investment for the £450 which has been reserved to secure, for at least one year, the payment of those Missionaries for whose support we are partially responsible.

The Auditors have reported that the Accounts of the Treasurer have been found correct and satisfactory, and we would refer you to them for particulars of all receipts and expenditures, and a clear statement of monies held in trust for various purposes connected with the Church. It is sufficient here to remark, that the balance in favor of the Society at the end of 1854 is £165 5 11.

The efforts which the Society had commenced to make some provision for Widows and Orphans of the Clergy were suspended for a time, that they might not interfere with the collection for King's College, Windsor. It may not be out of place here to remark that the attention of the Society is again turned to this very important subject, and in its behalf we would invoke your warmest sympathy.

The money belonging to St. Margaret's Bay, together with the amount collected by the Rev. J. Stannage for the Endowment of that Parish, and for some time held in trust by the Society, amounting in all to £1026 4s. 2d., has been returned to Mr. Stannage to be invested in stock in the Bank of N. S.

A Resolution was passed Oct. 14, 1854, by the D. C. S., directing the "Endowment Sub-Committee to receive and hold any money given in trust "to the Society for church purposes, and to pay over the annual interest "arising from the same when invested toward the furtherance of the special "object for which it was given."

Every application for aid in the erection of a Church must contain the following information :

- 1.—The precise situation, especially with reference to the nearest Church, and to the amount of population within five miles of the Church.
- 2.—The Title of the Ground on which the building is to be erected.
- 3.—The size of the building; the numbers it can accommodate; and probable amount of the congregation that will usually attend it.
- 4.—The supposed cost of the building; the progress it has made toward completion; and the amount of contributions on the spot in money or labour.
- 5.—The frequency and regularity of the proposed services in the Church.
- 6.—The manner in which the pews are to be disposed of—number of free seats, &c.

It is the wish of the Executive Committee that no Clergyman should, when building a Church, rely upon aid from this Society without first ascertaining whether it is in the power of the Society to grant any assistance.

All grants to Churches are made on the following terms, viz.—That the first moiety be called for within one year, and the second within two years from the date of the grant. The first moiety may be claimed when the exterior is finished, the second when the interior is finished.

With reference to a Resolution authorizing the employment of Assistant Missionaries, it was Resolved on the 17th August, 1849;

"That no part of the Funds of this Society shall be paid under that Resolution, until the first and each subsequent Quarterly payment of the £50 to be provided by the People in such cases, is actually paid in advance to the Treasurer of the Local Committee."

A question having arisen whether a Member of the Society might devote his annual subscription to any particular object of the Society, the matter was referred to the Executive Committee on the 19th March, 1852; and the following opinion was expressed :

*"Resolved,*—That it is the opinion of the Executive Committee, that it is the intention of the fifth Bye Law, that the annual payment of five shillings to the general objects of the Society constitutes a Member; but that any person may devote his money to any particular object which is recognized by the Society."

At a Special General Meeting of the Society Oct. 14th, 1854, it was Resolved—"That the Rule under which the assistant missionaries of this So-

At a meeting of the Executive Committee April 20, 1855, it was directed that the following *form of Legacy* be printed in the next Report:

"I give to the Diocesan Church Society of Nova Scotia the sum of £ to be applied to the general purposes of the Society, and the Receipt of the Treasurer of the Society shall be sufficient discharge for the same."

At a meeting of the Executive Committee March 16th, 1855, it was directed that the Jubilee fund be transferred to the Governors of King's College, Windsor, upon Receipt of a Resolution from that body, "declaring that they accept the money, amounting to £146 15s. 8d., as a trust, and that they will keep it as a distinct fund, the interest of which is to be applied toward the payment of the salary of a Theological professor at King's College, Windsor."

At a meeting of the Executive Committee Oct. 19th, 1855, the following Resolution was adopted:

"That in future all subscription lists received before the 31st March in each year will appear in the next forthcoming Report, while those received after that date shall be omitted."

The attention of the Secretaries of the local Committees is particularly requested to the above Resolution.

### WIDOWS' AND ORPHANS' FUND.

The Sub-Committee to whom the subject of provision for Widows and Orphans of deceased clergymen was entrusted have succeeded in raising the sum of £1000, as a basis of the proposed plan. The scheme has now gone into operation, and the Society is ready to receive applications from those who wish to participate in the benefits of the fund under the Rules and Regulations adopted for its management.

The income for the payment of pensions will be derived from three sources, viz: the interest of the above-mentioned £1000, the premiums paid by the Clergy, and the proceeds of an annual sermon in every parish or mission in the Diocese. It is thought that not less than £250 may be reasonably expected from the above sources, which is at once a provision for 10 pensions at the present rate of £25. The calculations which have been made prove the plan to be decidedly safe. Whatever surplus funds may be in the hands of the Sub-Committee will be added to the original capital of £1000 for the benefit of those who take certificates of pension. The following Rules will clearly explain the management of the fund.

### DIOCESAN CHURCH SOCIETY.

#### RULES AND REGULATIONS.

The following is the 11th object of the Diocesan Church Society :

" It shall also be one of the objects of the Society to provide for the Widows and Orphans of deceased Clergymen, but no part of the Society's funds shall be appropriated to this object except such as shall be specifically given and paid into the Society therefor,"

1st. In accordance with the above, the Society will open a special Account for this object, to be called "*The Widows' and Orphans' Fund.*" This fund shall be formed and consist of all subscriptions, donations, legacies, and other contributions, given and paid to the Society for this special object, and of all premiums received under these Rules, and of all benefits arising therefrom; and this fund shall be held and applied to and for this particular object and none other.

2nd. A standing Sub-Committee of seven members shall be appointed, in whom, together with the Secretary of the Diocesan Church Society (who shall be paid as Secretary of this Sub-Committee), shall be vested the whole management of this matter.

3rd. The Diocesan Church Society undertakes to pay, out of this Widows' and Orphans' fund, the pensions which become due under the following Rules.

4th. Every Clergyman of the Church of England within the Diocese, wishing to avail himself of the benefits of this fund, shall, within six months from the 10th October, 1855, or within one year from taking orders, or from his admission into the Diocese, apply to the Secretary for a Certificate of pension, and shall pay the annual sum or premium therefor, as hereafter mentioned.

5th. Any applicant after such period of time shall only be permitted to receive such Certificate at the option of the Sub-Committee, and upon such terms as they shall direct.

6th. The following shall be the rate of the yearly sum or premium payable by every Clergyman applying for a Certificate, according to his age at the date of his first application. It being understood that any Parish or congregation contributing to the fund more than £2, then the excess be counted toward payment of the premium of the Minister or Ministers for that year.

7th. If any Clergyman marry the second time, he shall pay the annual sum or premium for the age he may be when he marries the second time.

8th. Upon payment of the first sum or premium, the applicant shall receive a Certificate, as hereafter mentioned, and the same sum shall be paid by him, up to the time of his death, on the first day of January in each year.

9th. If any person fail to pay the amount of his premium within 40 days after the payment becomes due, all claim to the pension under his Certificate shall be forfeited, and the same shall thereupon become null and void. But if he desire to have his claim to the pension renewed, it shall be in the power of this Committee to readmit him upon such terms as they see fit.

10th. Permanent removal of the Clergyman from this Diocese, to any place beyond the limits of British North America or the United Kingdom, except with the leave of this Sub-Committee expressed in writing, or under such conditions as they may impose, forfeits all claim to the pension.

11th. If any Clergyman shall go beyond the limits mentioned in Rule 10th without the leave of the Sub-Committee, he shall forfeit all claim to the pension.

12th. The widow of every Clergyman who shall have paid the annual sum or premium (subject to the above exceptions) shall receive a pension of £25 per annum during widowhood.

13th. If at any time it is the opinion of the Sub-Committee that the state of the funds will safely warrant their so doing, they shall have power to increase the amount of the pensions.

14th. If the widow die or marry again before the expiration of ten years from her husband's death, the child or children of her deceased husband shall receive the pension for the residue of the ten years. But no part of the pension shall be received by those children who have arrived at the age of sixteen years, if males, or eighteen years if females—while those who are still under those respective ages will receive the full amount of the pension,
