BAPTIST YOUNG FOLK ENTERTAIN SOLDIERS

On Monday evening the Phila-
ther and Baraca classes of the
United Baptist Sunday school
right royally entertained the men
of Platoon 15 in the Star theatre.

Howard Adams was chairman
of the proceedings and the ar-
rangement of the affair was large-
ly in the hands of W. D. Keith
and Mrs. S. S. Miller, respective
teachers of the two classes.

After a few introductory re-
marks by the chairman, W. D.
Keith addressed the soldiers at
considerable length. Afterward
the following program was ren-
dered:

Chorus—When the roll is called
in Berlin.

Reading—M. L. Hayward.

Solo—Mrs. F. A. Aiton.

Reading—Miss Jennie Paget.

Quartette—Messdames Aiton and
Dickinson, Messrs Morgan
and Dickinson.

Reading—Frank Hagerman.

Solo—Miss Emma Cogswell.

Chorus—My old Kentucky Home
(all joining).

Male Quartette—Messrs Dickin-
son, Cameron, Morgan and
Adams.

God Save the King.

In a brief address Lieut. Mc-
Dougall expressed the apprecia-
tion of himself and his men—
and it may be said that judging
from the rousing cheers that went
up after the thing was over that
the appreciation was indeed sin-
cere.

The young ladies of the class
furnished refreshments after the
program and a pleasant hour of
social intercourse was spent.

CENTREVILLE NEWS

Dr. and Mrs. Main of St. Step-
hen have been visiting at W. D.
Balloch's.

The following spent their Eas-
ter at other places: E. L. West at
Grand Falls, Miss Marguerite
Campbell at Woodstock, Alonzo
Stiles at Riverside, Albert Co.

Among those who spent their
Easter here were: Mrs. Wheeler
of Woodstock, Mrs. Fisher of
Vancouver, B. C., Roland O'Hara
and Thomas Jones of the 58th
Battery, Fredericton, Ernest
Powell from Woodstock, Donald
Simonson of 115th, Kathleen O'
Hara teacher at Four Falls.

Kenneth Perkins is home from
Gardiner, Me. after an absence of
four years.

Russell Perkins is home for
the summer. He has been at-
tending Veterinary college at
Toronto.

Chas. Wilkinson and Herbert
Long attended court at Wood-
stock last week.

Randolph Reid has moved into
the house on his farm one mile
south of the village. He will rent
his house here.

John Conroy is going to work
for Clifford McWaid, Williams-
town, this summer, and will rent
his house to F. D. Tweedie.

Rex Beckwith has moved into
the Cliff rent.

Rev. S. Johnson has purchased
a Gerard-Heintzman piano from
the McMurray Co., Fredericton.

A. B. Y. P. U. Society was or-
ganized here about a month ago.
They meet on Friday evenings.

Rev. S. Johnson begins special
services at Lakeville this week.

B. B. Etabrooks is removing

the fence around his grounds and
putting in concrete walks and
otherwise beautifying his prem-
ises.

The children of the Methodist
S. S. gave an Easter concert at
3 p. m. on Sunday. Mrs. H. Pen-
na was in charge and is to be
complimented on her painstaking
work in getting up such a credit-
able concert. The singing of
Master Raymond Reid was one
of the "star" features.

At 7.30 p. m. the children of the
Baptist S. S. gave a concert which
was also well rendered. The
church choir sang some excellent
and appropriate Easter Anthems
and hymns. Rev. S. Johnson led
the service. Mrs. W. L. Harold
was in charge of the preparatory
work and deserves much credit
for the result after such a short
time for rehearsals.

The home of Howard Reid was
the scene of a very pleasant cere-
mony on April 23 when Rev. S.
Johnson united in marriage
Charles Hume and Miss Emily
Green.

Some of our farmers are plough-
ing. Rain is needed badly.

T. W. Caldwell of Florenceville
has been taking orders for fertil-
izer in this vicinity.

Potatoes are selling for \$2.25 a
barrel now.

Mildred White, is going to clerk
in the store of her father, G. L.
White, this summer.

R. L. Phillips, representing
the Ford automobiles, was in this
vicinity Thursday.

RECENT "FORD" SALES

The following parties in this
vicinity have recently purchased
Ford automobiles of R. L. Phil-
lips:

Sanitay Dairy,	Woodstock
Thomas Gartley,	Oakville
G. A. Thomas,	Lindsay
Delbert Margison,	Jacksontown
Edward White,	Glassville
F. T. Atkinson,	Florenceville
Jas. F. Boyer,	Bristol
Jas. Board,	Upper Kent
Percy Richardson,	Canterbury
Daniel Stewart,	McAdam
Thomas Evans,	McAdam
E. C. Saunders,	McAdam

Because of a desire to make
their service as efficient as pos-
sible the New Brunswick Tele-
phone Co. last week purchased
three Ford automobiles for the
use of their district managers.
One of these will come to Carle-
ton Co. The Telephone Co. had
formerly used a heavy car in St.
John but in purchasing Fords
they are following the lead of
the Bell Telephone Co. of Quebec
who use 25 Fords in Montreal
district alone.

HARTLAND GIRL IN SALONIKI

In a letter to her mother from
Saloniki, Miss Ethel Boyer, nur-
sing sister says:

I have had such a busy day,
and am so tired to-night. Am in
the officers' ward, really the
nicest place in the whole hospital.
It is so clean, and of course the
men are all gentlemen, but it is
hard, they expect the same as if
they were in a civil hospital.
There are ten hundred and forty
beds in this hospital, and it is
astonishing how some of the
wards are fitted up. They make
all sorts of things out of tin box-
es, soap boxes—nothing is wast-
ed. For dippers we use tin cans
with a stick in the side; lanterns
lighting, candles are used, but
they cost too much, one only
lasts an evening, and besides
they are hard to get. We are
really very "comfy" now; four
sisters to a tent. Have a bed in
each corner, a screen in the cen-
tre, tea table in front. One must
have tea even on active service.
In front of my window stands
my dressing table, a mirror
hangs over that; have a dear lit-
tle stove. The days are simply
lovely, bright sunshine, but the
nights are cool—a change after
4 p. m. It is lovely to think
summer is coming. There is al-
ways something to be thankful
for, mother. All the girls look so
well since coming here, but it is
real active service. Sugar is get-
ting very scarce; no milk now.
Almost everything is very expen-
sive. Coal is only \$60 a ton.

What a happy time it will be
when I get back home. It may
be some time yet, but as long as
I keep well I want to stay. I
would not be happy home. I
want to see the finish. It is
hard, and I know you worry, but
you should not. Every person
has made sacrifice. The war
must be our victory and each of
us must be ready for sacrifice,
but the end must come. I can-
not tell you how happy all my
letters and presents from home
make me. Never have I read
such letters.

Vol. VII. APRIL 26, 1916 No. 46

What will Governor Wood do about it?

RESIGNATION OF "HONEST JOHN"

Pursuant to a request by Premier Clarke, Hon. John Morrissey, Chief Commissioner of Public Works, has resigned. The long letter to the premier and the public which accompanied the resignation is printed in all the daily papers and is remarkable in its revelations.

In long has been known that if any one member of the government told all he knew of the inner work of that remarkable institution there would be the dickens to pay.

It seems that "Honest John" was not as deep in the mire as the rest of them and they were afraid of him. He was long ago slated for dismissal but the trouble was how to go about it.

All the charges of Dugal, Carter and Veniot are overshadowed by the revelations of Mr. Morrissey who substantiates and amplifies the charges of Mr. Carter.

Every elector should read carefully the ex-Commissioner's letter. In it he says the books of the Department of Agriculture were kept open because of an expected refund of \$10,000 by B. F. Smith—made necessary by the opposition enquiries about the "potato scandal."

Mention is made of a recent payment of \$500 on the famous York election fund note by Rev. J. B. Daggett.

The liquor men of St. John paid over \$6000 last year to prevent changing the liquor laws to their disadvantage.

An account was paid at over \$10,000 that had been passed at only a little more than \$600.

Mr. Morrissey's letter "lifts the veil" a little but he asserts the worst is yet to come.

POLITICAL NOTES

B. F. Smith has given himself a certificate of character and the Standard heartily endorses it. Mr. Flemming, it will be remembered, was also endorsed by the Standard and whitewashed by the legislature. Until the patriotic potato business has been investigated, as demanded by Mr. Carter, neither Mr. Smith nor the Standard has any license to preach. The Gleaner says Mr. Smith "has made trouble enough."

The Kite charges have already saved Canada \$1,570,000. Nine days after the charges were made the American Ammunition Company cut the price of fuses already contracted for to the tune of that amount. It has also been proved that the government contention that the Shell Committee were direct agents of the British War Office was not based on facts. There was therefore no ground whatever for the plea that the War Office and not the Canadian parliament should conduct the enquiry. The evidence thus far produced places the government and the Shell Committee in a very unenviable light.

—Times.

B. Franklin Smith, in his speech in the Legislature on Friday

day wandered far afield. He discussed patriotic potatoes, horse importation, sheep importations and F. B. Carvell. M. P. but he omitted to tell the age of Ann, which is a matter of some public interest. He also forgot to explain how he happened to make so much trouble for his party. As an explainer B. Franklin is not a success.—Mail.

In discussing patriotic potatoes in the Legislature on Friday, B. Franklin Smith admitted that he had sold 43,601 barrels to the Government. Considering the fact that the Government started out with the intention of buying only 40,000 barrels "as a token of our loyalty to the Motherland," that was going some. As a potato hog B. Franklin is in a class by himself.—Mail.

The unscrupulous supporters of the government at Fredericton are taking advantage of Mr. Dugal's limited understanding of English to make him appear to have endorsed B. F. Smith. Mr. Dugal's friends will never believe it. The Fredericton Gleaner would hardly be willing to accept the endorsement, even if Mr. Dugal were misled into giving it. But he was not misled, and will not express approval of the hero of the patriotic potato transaction.

—Times.

BATH NOTES

The dry warm weather is enabling the farmers to begin seeding. Already considerable grain has been sown.

The driving operations on the Monquart stream of McLaughlan Bros. is progressing well. There is a large drive of a million and one-half of lumber and unless very warm weather continues or rain comes the prospect of getting the lumber out is not the brightest.

The Easter holidays passed off very quietly; many from this place spent the holidays elsewhere, among them being Miss M. Ethel Simms, who spent the holidays at Chipman at her uncle's, R. L. Simms, principal of the school.

Miss Lella Giberson, who is teaching at Presque Isle, spent her vacation here, as well as her sister, Miss Edna Giberson, principal of St. Andrews Grammar school. Fred C. Squires, the principal of Woodstock Grammar school, was here during the vacation, the guest of his father and mother Robert Squires and wife.

There is considerable building planned for Bath during the coming summer. Among them are houses by Arthur Drost, Edward Drost who have purchased lots from Charles McLaughlan east of the C. P. railway and will build each of them fine homes. They have material already on the ground and men at work. John C. Hayes also intends building a new residence here.

Miss Ada F. Giberson paid a visit to friends and relatives at Centreville this week. Miss Giberson has been stenographer in the law office of Mr. Simms here for the past eight months.

Mrs. Amos F. Giberson, who has been very ill, is slowly improving.

Rev. Mr. Markman, who has been supplying at the Baptist church here for the past few Sundays, left for his home in Albert, Albert county, on Monday last.

Ezekiel Secord has purchased a lot near J. N. Drost's and intends to erect a store building.

C. Carey of Bristol has been spending some few weeks in Bath.

Every one is pleased to hear of the success of Rev. E. C. Jenkins at East Florenceville, and many wish he could be secured to spend a few weeks here.

Where Did the Money Come From?

Concerning a certain political note which Col. Guthrie referred to in his speech, there is an interesting story of how \$500 was

handed over by Mr. Daggett, Hon. Mr. Murray's agricultural secretary. The signers of the note looked to the Government to provide the funds to meet it. That was the understanding and when the due date was approaching upon one occasion, the makers became clamorous for the promised assistance. One of them was told to see Hon. Mr. Murray and did so. Mr. Murray hadn't the money just then, but intimated that he would see Daggett, and the money was soon forthcoming and paid over. Now, where did this money come from?

Mrs. William Anderson

The death of Carrie Amelia, wife of William Anderson, took place at her home, Bridgewater, Me., April 12, after an illness of five days from pleuro-pneumonia, aged 41 years, 10 months, 6 days.

The deceased leaves to mourn a husband, one son, Charles, three daughters, Faye, Alberta, Annie; one brother, Wellington Nelson of Charleston; a father and mother, Mr. and Mrs. Isaac Nelson of Pioneer.

The funeral services were held at the Methodist church, Williamstown, at 2.30 p. m. April 14. Rev. Henry Penna preached from the text chosen by the deceased, Isaiah 33:24, and made several appropriate and appreciative references to the lovable and kind character of the departed.

The choir sang hymns chosen by the deceased: Safe in the Arms of Jesus and Will the Circle be Unbroken? Interment was made in the beautiful cemetery adjoining the church.

The sorrowing husband, mother, father, brother have the sincere sympathy of a large circle of friends in their sad bereavement.

Lansdowne News

The stork left a fine baby girl at the home of Byron Foster.

Gertrude Ebbett and Hazel Foster, teachers at Bannan and

Peel spent Easter vacation at their homes.

Mr. and Mrs. Theodore Clarke visited friends in Houlton recently.

Our school has been closed for some time owing to the illness of the teacher, Miss Alice Clarke of Woodstock. Miss Augusta Campbell is supplying during her absence.

Mrs. C. W. Parlee and daughter Mary of Bath have been visiting here. They were accompanied by Gladys Gee.

R. R. Ross has returned from Fredericton where he has been visiting his brother, Dr. D. W. Ross.

The Sunday School held an Easter concert Sunday evening in the church, which proved a decided success. Mrs. Archie Ebbett had charge. The church was beautifully decorated for the occasion. The program consisted wholly of Easter exercises, music and readings which lasted an hour and a half. A large crowd attended. The offering amounted to over \$7.

The ladies have just completed a shipment of Red Cross work consisting of socks and hospital shirts.

Talmage Foster has arrived home after being away the greater part of the winter cooking in the lumber woods. He has purchased his brother's farm.

Bliss Foster has been at different sections of the county. He is also looking for a farm. We wish him every success.

Pte. Leslie Ginson of D Co., 104 Battalion, Woodstock, spent Sunday with his mother.

Mrs. Edward Caldwell is home after spending the winter in St. John with her husband who has gone overseas.

Miss Belle Melville and brother George spent the week-end at their home.

Mr. and Mrs. Frank Clarke have returned to their residence after being away for the winter.

Mrs. Beverly Pelkey is visiting her parents at Woodstock.

You can feed the fire with utmost ease owing to the generous double feed doors—no scattering of fuel and room to insert big chunks of wood.

OLDER BUT STRONGER

To be healthy at seventy, prepare at forty, is sound advice, because in the strength of middle life we too often forget that neglected colds, or careless treatment of slight aches and pains, simply undermine strength and bring chronic weakness for later years.

To be stronger when older, keep your blood pure and rich and active with the strength-building and blood-nourishing properties of Scott's Emulsion which is a food, a tonic, and a medicine to keep your blood rich, alleviate rheumatism and avoid sickness. At any drug store.

N. B. MAN KILLED AT FORT FAIRFIELD

News has been received of the death under suspicious circumstances of Thomas R. Ryan, a native of Carleton County, in Fort Fairfield, Me. - Ryan was 35 years old and was employed as a farm hand by Charles Fisher. It is alleged that during an altercation Ryan was struck by Victor Violette, aged 25, formerly of Madawaska County. The trouble occurred in a stable at Fort Fairfield, Ryan dying in the hospital. Violette surrendered himself to Deputy Sheriff Geo. Strickland and is held on the charge of manslaughter.

Ryan, who had the reputation of being industrious and peaceable, generally, according to witnesses was somewhat intoxicated and had some words with Violette in the stable. He was ordered out and left but turned as if to come back, when it is alleged that Violette, apparently much angered, struck him. Ryan fell heavily, striking on his head, and was picked up unconscious. When he did not revive, he was taken to the hospital and did not recover consciousness. He is a native of Centerville, N. B., and had been employed on the Fisher farm for several years.

Dr. S. W. Boone of Presque Isle, assisted by Dr. A. L. Sawyer and Dr. W. G. Chamberlain of Fort Fairfield, performed an autopsy. Violette was sent up for trial but has his liberty under \$1000 bail.

MAN IS AS OLD AS HIS ARTERIES

THE failure of the arteries is one of the tragedies of modern life. Men in the very prime of life, and in the midst of business activities, are suddenly cut off. In many cases the blow comes before they realize their condition.

And what is the cause? Most usually overeating and drinking, combined with too little bodily exercise. The blood becomes overloaded with poisons. The kidneys break down in an effort to filter the blood, degeneration of the arteries takes place, an artery in the brain bursts, a clot is formed and paralysis results. Or it may be an artery in the heart that gives way and causes heart failure.

And how is this condition to be avoided? By moderation in eating and drinking, and by keeping the liver, kidneys and bowels regular and active. If you do not get sufficient exercise to accomplish this, it is necessary to use such treatment as Dr. Chase's Kidney-Liver Pills. It is only by the action of these organs that the blood can be purified and the poisons removed from the system. In using

Dr. Chase's Kidney-Liver Pills

you are not making any experiment, for they have no equal as a means of awakening the liver, kidneys and bowels to healthful activity. They prevent such serious troubles as hardening of the arteries, and thereby promote comfort and health and prolong life.

One pill a dose, 25 cents a box, all dealers, or Edmanson, Bates & Co., Limited, Toronto. Do not be talked into accepting a substitute. Imitations disappoint.

Dr. Chase's Recipe Book, 1,000 selected recipes, sent free if you mention this paper.

Production and Thrift

"GAIN or no gain the cause before the farmers of Canada is as clear as it was last year—they must produce abundantly in order to meet the demands that may be made, and I believe this to be especially true in regard to live stock, the world's supply of which must be particularly affected in this vast struggle."—HON. MARTIN BURELL, Minister of Agriculture.

THE FOLLOWING STATEMENTS ARE BASED ON REPORTS CONTAINED IN "THE AGRICULTURAL WAR BOOK, 1916," PUBLISHED BY THE DEPARTMENT OF AGRICULTURE, OTTAWA, ONT.

LIVE STOCK—The herds and flocks of Europe have been greatly reduced. When the war is over there will be a great demand for breeding stock. Canadian farmers should keep this in mind.

MEATS—In 1915 Great Britain imported 664,508 tons of beef, mutton and lamb, of which 364,245 tons came from without the Empire. Out of 430,420 tons of beef only 104,967 tons came from within the Empire.

The demands of the Allies for frozen beef, canned beef, bacon and hams will increase rather than diminish. Orders are coming to Canada. The decreasing tonnage space available will give Canada an advantage if we have the supplies.

DAIRYING—Home consumption of milk, butter and cheese has increased of late years. The war demands for cheese have been unlimited. The Canadian cheese exports from Montreal in 1915 were nearly \$6,500,000 over 1914. Prices at Montreal—Cheese: January 1915, 15 1/2 to 17 cents; January 1916, 18 1/2 to 19 1/2 cents. Butter: January 1915, 24 to 25 1/2 cents; January 1916, 32 to 33 cents.

EGGS—Canada produced \$30,000,000 worth of eggs in 1915 and helped out Great Britain in the shortage. Shippers as well as producers have a duty and an opportunity in holding a place in that market.

WRITE TO THE DOMINION DEPARTMENT OF AGRICULTURE AND TO YOUR PROVINCIAL DEPARTMENT FOR BULLETINS ON THESE SUBJECTS

Tens of thousands of Canada's food producers have enlisted and gone to the front. It is only fair to them that their home work shall be kept up as far as possible. The Empire needs all the food that we can produce in 1916.

Consider Purity in Paint
in Preference to Price.

You wouldn't pay the regular price for Sugar that analyzed 10% of sand. You wouldn't pay "all wool" prices for cotton-and-wool clothing. Why should you pay your good money for impure Paint, when you can get

MARTIN-SENOUR "100% PURE" PAINT

We guarantee Martin-Senour "100% Pure" Paint (except a few dark shades that cannot be prepared from pure Lead and Zinc alone) to be 100% pure White Lead, pure Oxide of Zinc, pure Linseed Oil, pure Colors and Turpentine Dryer; and to be entirely free from adulteration or substitution; and sold subject to chemical analysis.

Every experienced Painter knows that the above formula is right. It is the standard of the paint world.

The report that Edmund Hanning of this town had been wounded in action was unfounded. He writes his mother that his hearing is somewhat impaired by the constant din of explosives, and that he is suffering lameness from exposure. Otherwise he is all right.

Donald McCormack of Somerville has sold his farm to G. B. Nixon at a good price. He intends following his profession—civil engineering. Mr. Nixon's farm now includes what were for years known as the William J. Boyer farm, the Joseph McGee farm, and the Charles McCormack farm, a block containing about 360 of as fertile acres as lie on the continent.

This is "clean up week" in most villages and town throughout America. An organized effort is made by the citizens to get rid of the winter's accumulation of stuff and garbage. Much cleaning up has been done in Hartland by private individuals, but there are places in the streets putrid with filth and vacant lots unwholesomely littered. There is no organization to remedy this trouble as there might be if the town was incorporated.

In an ordinary shoe the hugging of the uppers caused by the spreading of the foot compresses the blood vessels and nerves and prevents a free circulation of blood. Thus the flow of warm blood is retarded and pinched, cold feet is the result, just as a blood is retarded and pinched, cold feet is the result, just as a tightly fitting glove causes the fingers to become cold. When you stand in a **Gold Bond Shoe** there is no compression of the blood vessels and nerves, because the uppers are loosened by the sinking of the foot into the soft white oak sole. The result is a free circulation of warm blood through every part of your foot, keeping it at an even temperature and preventing it from becoming cold.

Because Ford Dealers KNOW

That the Ford car is most serviceable, most economical, and is best adapted to the man who wishes to receive value for his money.

They do not wait to order cars until they have them sold, but have CONFIDENCE to stock cars every month during the winter, knowing that when season opens as surely as the sun rises and sets the demand will exceed the supply.

In the four years in which I have been in the automobile business I never sold half as many cars in the last two weeks of April as I have this. I have received 60 cars on this year's contract, and over 40 of them are placed now.

G. E. WILSON'S STORE SERVICE!

I purpose placing before you a few short descriptions and prices of my spring and summer lines, which we have the pleasure of offering you for the coming season, and I beg to ask that you would kindly look them over carefully and compare the quality and prices with what other merchants are offering. I am sure you will find we are leading all in the value of our goods. Since this awful war has upset all the regular channels of trade it is well that you should buy goods only after careful examination, for we are constantly being offered goods of inferior quality.

A PERSONAL CHAT

I have endeavored, in an honest way, to describe a few of the lines we carry and I would ask you to kindly compare our goods with what others offer.

You will no doubt notice the many different lines among our stock that are highly advertised. I make it a point to these goods after careful investigation, for it is a foolish manufacturer that spends money in advertising an inferior article. He can not do business without repeat orders, which will come only if the article advertised gives satisfaction. Besides the guarantee of the manufacturer I myself stand behind every article that I sell. If any of our goods prove unsatisfactory, it is in my interest to see that the transaction is made entirely satisfactory to our customers. I would ask you to kindly report all matters of dissatisfaction, either in goods bought or the service you receive from us.

I take this opportunity to thank all my customers who have stood by me during the trying times of the last year. I cannot tell you how much I appreciate it, and I desire to repay you for all this loyalty by giving you better values than I have hitherto offered.

QUALITY is my aim in every purchase that I make—for money expended in goods of good quality is money well invested. Any amount spent in poor merchandise is wasted.

Hoping to be favored with your valued patronage during the coming Season,

I am YOURS VERY TRULY
