Attention for publication in the Herald should be in the office by Tuesday. Persons wishing their advertisements changed must advise us Saturday forenoon.

OUR EXHIBITIONS.

As will be noticed we have devoted nearly all our space this week to exhibitions. On Wednesday, Thursday and Friday of last week the County exhibitions were held. Some account of which, together with the prize lists, will be found below. These exhibitions were, in both cases, very creditable, but the grand Provincial Exhibition, opened at the Driving Park, near this city, yesterday, is the one that attracts the interest and claims the undivided attention of the public, and justly so.

Everything connected with the grounds, the building and the exhibits is first class. The Driving Park grounds could scarcely be surpassed for choice of locality or adaptability to the purpose for which they are used. They command a good view of the Hillsborough which sweeps by their side, and from which they rise by a gentle acclivity. The trotting track is one of the best in America, and the Exhibition buildings are surpassed by few in the Dominion.

Inside the main exhibition building are displayed in grand style the choicest specimens of the agricultural and manufactured products of the Province. It is needless to say that everything looks splendid. Outside all classes of stock are fully and excellently represented. In horses alone there are over two hundred entries. These, when shown in the grand parade, will be a sight worth witnessing. The exhibits of cattle, sheep and poultry are also first class, and redound to the credit of our Island home. This week we have only space to make these few passing remarks. In our next issue we hope to be able to lay before a readers a full account of the exhibition and trotting.

About noon yesterday Benjamin Rogers, Esq., President of the Driving Park Association, in the absence of the Lieutenant-Governor, opened the Exhibition. He reviewed the history of exhibitions in this Island, and showed the great progress that had been made in recent years. His Worship Mayor Harland followed. He also spoke of the great progress that had been made in our Provincial exhibitions, and congratulated the Directors of the Exhibition on the magnificent show here presented. Professor Guelph, Oct., being introduced, said he had only been twenty-four hours on the Island, but had made good use of his time. He had come with the expectation of seeing fine agricultural products in this Province; but he was not only disappointed, but he was surprised to witness at the Exhibition. He had attended the Toronto Exhibition, but was free to say that many of the exhibits here shown surpassed anything he saw there. The live stock, he said, was superior to what he saw at the Toronto Exhibition.

John Henley then made a brief address. He congratulated the Directors upon the Exhibition building and the exhibits, and said he looked forward hopefully to the future of Prince Edward Island. The building is lit up at night by the incandescent electric light, and stands as an attendance to disprove any error made. All that is required to make the affair a grand success is a continuance of fine weather.

KING'S COUNTY EXHIBITION.

The exhibition, under the auspices of the King's County Exhibition Association, took place at Georgetown, on Wednesday, Thursday and Friday of last week. A large concourse of people assembled from the surrounding country, and the very best of order prevailed throughout the entire day. About 11 o'clock a special train from Charlottetown arrived at Georgetown, and the exhibition, bringing quite a number from the city and intermediate stations. Among those from Charlottetown, were Hon. D. Ferguson, Hon. B. W. Fitzgerald, Esq., Dr. J. P. Phillips, Dr. W. A. Wood, J. J. Davin, A. M. Lane, Representative of the city, and others. Among those present from the county, were, Messrs. Brown, Hon. D. Gordon, Hon. James G. Brown, A. J. McDonald, Messrs. T. L. McDonald, Cyrus Shaw, J. C. Underhill, and John McLean, M. P. P.

At about two o'clock Hon. D. Gordon, in a brief speech, opened the Exhibition. He called attention to the generous grant given by the Government for the exhibition, and outlined the course pursued by the Directors in carrying out the wishes of the Government. He referred to the very creditable exhibition of the horses in the Dominion in its own behalf, and outlined the course pursued by the Directors in carrying out the wishes of the Government. He referred to the very creditable exhibition of the horses in the Dominion in its own behalf, and outlined the course pursued by the Directors in carrying out the wishes of the Government.

With the building the exhibition was open to the public on some future date; but the exhibition was well attended, and was attended with much interest. The display was very fine, and the exhibits of all classes were well shown. The public, and especially those from the city, were very much interested in the exhibition.
