NEWS FROM THE CITY HALL

TIRED OF DELAYS BUT WILL APPEAR

Controllers Discuss Best Way of Dealing With Running Board Case.

GRANT FOR RECRUITING

Mayor's Suggestion That Five Thousand Dollars Be Given, Held Up.

It is recommended by Works Commissioner Harris and City Solicitor Johnston that the city should not appear at further hearings of the running board dispute unless the Ontario highway and municipal board, at the sitting of the board of control yesterday.

The recommendation brought out considerable discussion, the result of which was a decision that the city will be represented by Controller Thompson moved to that effect, in case of another hearing, which is doubtful. The mayor also objected.

The proposed car is only a makeshift," said Mayor Church. "There is a joker in the clause which permits it to be used for the purpose of conducting a business. There is no use going to the courts."

Controller Spence: I do not see how we would gain by not appearing.

Mayor: The overcrowding last night was terrible. The overcrowding for the past few nights has been unbearable. The company can be fined in the criminal court. The earnings of the company justify a change in spite of what was said.

Reasons for Objection.

Commissioner Harris explained the reasons for his objection and described how the railway board had granted an interim order, and at the hearing he said the chairman had presided.

Mayor: It's a great court.

Controller Thompson: That can be used in your argument.

Commissioner Harris: The 25 cars being built are of a mongrel type. Asked by the mayor his opinion of such a car, after having traveled extensively and inspected cars in other cities, he said: "My opinion is they will not do. After a tour of many cities in the United States, I found that cars with running boards are not being built. We brought back the evidence that a narrow devil-trail, but this company wishes to crowd its cars and the railway board is willing. The statute says the seats must face forward with sufficient space for the conductor to pass thru, and we found such a car in other cities."

Mayor Church: There was a conviction against the company in 1911. An appeal was made, but it did not come up for hearing until four months ago. Is there one law for a corporation and another for a municipality?

Controller Spence: If you know that why didn't you speak long ago?

Mayor: I am only stating that as an example.

Controller Spence: It is a serious charge.

Mayor: Probably the city is somewhat to blame, but the whole thing is not at all creditable to any concerned.

Sitting a Travesty.

"The city solicitor and I have come to the conclusion that the sitting is a travesty and that there is no use to appear again," said Commissioner Harris, to which Controller Spence replied: "It seems to me it is up to me to sit in a strong hearing, and if that is not successful, then take it to the legislature."

Mr. Harris said: "They ask us to state our case before asking the railway company to give evidence. The interim order is gone."

Mayor Church proposed a motion to the effect that the company be enforced thru the legislature to discontinue the running board, declaring that a penalty of \$100 per day for every day the running boards are used, be imposed. The principle of the motion was endorsed by the other members of the board, but the actual act was left with the legal department.

Grant Held Up.

When the question of a donation of \$5000 to the Toronto Recruiting Depot was presented by the mayor, the proposal did not meet with unanimous approval. He was prepared to make this grant to the depot as the city's contribution to recruiting tag day. He said that would bring the total up to \$30,000.

A letter from the recruiting depot detailed the reason why the money was needed. Controller Foster thought that with \$20,000 to \$40,000 in the bank the recruiting offices were in pretty good shape, and questioned the advisability of granting \$5000 at this time.

Controller Thompson was of the opinion that the depot was doing good work and thought it should be helped when help was necessary, but that it would be wise to wait at least until the disposition of the money was decided upon.

As the Citizens' Recruiting League is to meet the controllers today deliberate action was held over until their proposals are heard.

GEORGE WEBB LOWEST TENDER

Submits Estimate of \$34,500 for the Building at Don Incinerator.

George Webb was the successful tenderer on the building of the Don incinerator plant. Twelve tenders were opened at the board of control meeting yesterday morning, the successful figure being \$34,500. The contract remains to be approved by the street commissioner. The next lowest figure was \$36,148. The highest was \$38,000. For the size of the tenders, the amount of money involved and the number received, there is the least difference in prices of any tenders opened this year.

Cohen Arrested

"Cohen has been arrested for exceeding the speed limit" is the name of one of the funniest double disc records made. This is even funnier than "Cohen and the Telephone." It's a dandy. Come in and let us play it for you. Price 5c. On sale today. Toronto, Grand Central Co., 61 West Queen. More open evenings. Adelaide 3579.

INTEREST IN WORK OF BELLAMY HOME

Future of Organization Discussed at Informal Meeting Yesterday.

COMMITTEE APPOINTED

Will Interview Present Board Before Any Action is Taken.

Anxiety on the part of a few over the future of the Bellamy Memorial Home culminated in an informal meeting of the city hall yesterday afternoon, the object being to discuss the situation and if possible arrive at some definite plan. It would appear that someone interested in the home passed the word that it was in need of assistance. It was suggested that a new board be formed to conduct its affairs.

Due to the absence of proof that interference would be welcomed or that the work of the society and the action of an outside body, a committee of three was appointed to interview members of the present board. The report will be heard at a conference to be called as soon as material has been secured. The committee is Mrs. A. M. Huestis, B. M. Taylor and Commissioner Chisholm, convenor.

Acting Deputy Chief Archibald was appointed chairman of yesterday's meeting. At the outset he made it plain that he would have nothing to do with any interference until a notification had been received from the old board stating that it was giving up the work and bearing the official signature. In the meantime it was impracticable to try to go ahead until there was something tangible to work on.

"Personally I think it would be a very serious matter to let the good work of the home drop," he said. This was the unanimous opinion.

Findlay Spence, representing the Prisoners' Aid Association, outlined the work of the society and said it was necessary to either give it up or raise more funds. The prison board is practically closed, he said, owing to the present financial conditions. It was satisfied with the way in which the work had been done and had no fault to find with those doing it. Financial reasons alone made the step necessary.

The meeting adjourned until such time as the necessary information is at hand.

Bellamy Memorial Home was started a number of years ago. It is of great assistance to the women's court and often relieves embarrassments which arise from time to time. It was said to be also a haven for unfortunate women.

WHY CITY GOVERNMENT COST IS INCREASING

Horace L. Brittain Explains to Bureau of Municipal Research.

Horace L. Brittain gave an address on "Why is the Cost of City Government Increasing?" at the National Club yesterday. The luncheon was given by the executive of the Bureau of Municipal Research. J. W. Woods, president of the board of trade, presided.

Mr. Brittain gave a very interesting statistical review of the different departments of the Toronto City Corporation, comparing the present year's expenditures with those of 1910, especially. He pointed out that the larger part of the increase was essential and natural, caused by the growth of the city thru expansion of territory and population. He laid stress on the fact that the city should go more slowly in the way of purchasing park space and pay more attention to better facilities for the schools.

The speaker pointed out that there was also some amateur financing that could be stopped by consulting some of the recognized financial men of the city. He also said that in issuing bonds the city did not place them at the most opportune time, and that during the past two years \$2,600,000 had really been lost out of \$26,000,000 in this way.

DEATH OF MARK VASEY

VICTORIA HARBOR, Ont., Nov. 10.—Mark Vasey, 73, postmaster for the past forty years in Victoria Harbor, died suddenly while acting in the Methodist church as recording steward. He was the first G.T.R. agent here and was a pioneer in all movements towards temperance and moral reform. He was a Liberal in politics.

GOT A REDUCTION ON HIS OLD CHURCH

Court of Revision Sympathetic With Purchaser of Ancient Edifice.

TWO PUZZLING APPEALS

Adjoining Property Owners Before Court With Conflicting Claims.

Three years ago Geo. A. Hunter bought an old church on St. Clair avenue for \$11,000. He bought a white elephant and has not been able to make use of the building in any way. Yesterday he told the court of revision that he thought the assessment might be lowered as it would help him to carry the load. The court was sympathetic and gave him a reduction of \$5,000.

Solomon R. Arkush appealed against the assessment of his property on Orle road at \$110 a foot. He has erected a duplex house on the land at a cost of \$18,000, the building occupying 70 x 174 feet. His neighbor, Grant, has a \$6,000 house on a piece of land 89 x 174 feet and this was only assessed at \$100 per foot, and Arkush believes that his assessment should be made the same as Grant's, and Grant thought he should get a reduction because Arkush had a bigger house on less land. No decision was given and the court will decide whether to raise Grant's assessment of lower Arkush's.

W. H. Munn told the court that two years ago his property at 800 Yonge street was assessed for \$1850, but on appeal was reduced to the former figure. He now thinks he should get a further reduction because the war is on, but Commissioner Archibald pointed out to him that clear they did not consider that Austria was legally bound by the exchanges between her ally, Germany and the United States.

About 27 Americans are believed to have been lost with the torpedoed Italian liner Ancona, according to a cable to the state department tonight from Ambassador Fage at Rome.

The ambassador said the probable victims were Alexander Pastavivo, his wife and four children, of New York, and Mrs. Frances Mascolo Lamura and about 20 unnamed third-class passengers.

Mrs. Cecile L. Grier (first reported Grey) was named as the one known American survivor among the passengers.

A Naples despatch says: "The Italian liner Ancona was sunk by an Austro-Hungarian submarine while trying to escape, it was announced here today, on the strength of what was termed 'reliable information.' Owing to the attempt to escape it was stated, the submarine was forced to use its guns."

German Sub Did It.

The assertion is made by survivors of the Ancona that reports who reports who reached Rome today, that the submarine which sank the steamship was German, although flying the Austrian colors. This has not been confirmed officially.

ANGLO-FRENCH VICTORY GAINED

Repeated Attacks by Bulgars Have All Ended in Failure.

DRIVE SOON TO BEGIN

Movement Toward Strumitza Should Soon Gain Great Impetus.

River, and the occupation by them of the regions of Monastir, Camandoli and Solvitsa, protecting the routes to Babuna Pass.

"Supply trains are circulating freely between Guevgeli and Gradsko. "Lieut.-General Sir Charles C. Monro is expected to arrive at once from Flanzen to take command of the British forces."

General Monro was appointed to succeed General Hamilton at Gallipoli, and his arrival there has already been announced. It was not known that he was going to Serbia.

Four Days' Battle.

Despatches to The Paris of Athens from Saloniki, as forwarded by the H. v. News Agency, state that for four days a violent battle has been in progress in the vicinity of Strumitza, between French and Bulgarian forces. At last accounts the fighting was still going on.

The French were outnumbered by the Bulgarians. General Sarail, the French commander-in-chief, has sent reinforcements to the front.

The Paris press has sent an attack made by the Bulgarians on the French at Krivok, with the object of prevent-

Washington May Send Protest to Austria, But Remains Uncertain.

SEEKS INFORMATION

Rome Despatch Intimates That German Submarine Fired Torpedo.

WASHINGTON, Nov. 10.—Ambassador Fage and American consuls thru-out Italy were instructed today by Secretary of State Lansing to cable immediately all information they could gather regarding the torpedoing of the Italian liner Ancona, and particularly as to whether any Americans were lost.

Up to the time the state department received tonight, the official advice received had mentioned an American woman and an infant as among those on board. Press despatches indicate that a number of Americans may have lost their lives caused much concern in official quarters. There was no real tension, because news despatches which referred to the shelling of the Ancona by the Austrian submarine led to the belief generally among officials that the Italian vessel ignored warnings, and was attempting to escape. This, in the view of this government, would justify a submarine commander in the use of force.

Staid said tonight that no warning was given, a note demanding disarmament, reparations, and assurances that the incident would not be repeated would be sent to Austria.

Officials made it clear they did not consider that Austria was legally bound by the exchanges between her ally, Germany and the United States.

British Regulations Concerning Shipping Order Providing for More Effective Requisitioning is Announced.

LONDON, Nov. 10.—The measures decided upon by the government in pursuance of its recent decision to restrict British shipping more effectively to meet the needs of the war were made today in the following official announcement: "Two orders prohibiting British ships from carrying cargoes from one foreign port to another foreign port after (December 1, unless licensed. The second gives power to requisition ships for the carriage of foodstuffs and necessaries."

C. P. R. TO CHARGE EXTRA FOR FURTHERANCE ORDERS

Cars Remaining Longer Than Thirty-Six Hours at Cartier Affected.

By a Staff Reporter.

OTTAWA, Nov. 10.—The railway commission has rendered a unanimous judgment granting the application of the C. P. R. for approval of an extra charge for cars remaining on hand at Cartier, north of Lake Superior, waiting for furtherance orders after the expiration of 72 hours from the time of arrival. The application was opposed by the Montreal Corn Exchange and the transportation committee of the Montreal Board of Trade.

MAXIMUM STEEL PRICES FIXED BY COMMITTEE

Three and a Half Cents Pound Limit Placed on Orders for Ammunition Work.

By a Staff Reporter.

OTTAWA, Nov. 10.—The munitions committee has fixed the price of steel for ammunition to be made in Canada, not to exceed 3 1/2 cents a pound, including foreign. American steel plants will not take orders from Canada for the present, as they are overbooked. The munitions committee will be engaged in closing up the contracts for munitions for another week.

"I am a Professional GOAT"

The crooked bank directors, trembling over their inevitable exposure, gladly shift their burdens to Wallingford, who professes a desire to be blamed in such matters. Why Wallingford was willing to risk the fury of the mob, is the wildly exciting theme of this week's part of

THE NEW ADVENTURES OF J. RUFUS WALLINGFORD

"I'll bear the blame. If anybody's pinched, it'll be me. If anybody's to travel, it'll be me!" said Wallingford.

But that shrewd individual is doing nothing for nothing, nor is he putting his neck into the noose.

In fact, you will learn how being a professional goat netted him several hundred thousands and the undying gratitude of a beautiful lady.

The pictures of Wallingford are sweeping the country by storm. Each week's installment is absolutely distinct—so you can begin now.

WORLD

ing them from going to the aid of the Serbians in the region of Babuna Pass. The Bulgarians are said to have been repulsed.

French forces have recaptured the town of Velez, in southern Serbia, from the Bulgarians, according to advice received by the Serbian legation in Athens from Guevgeli, forwarded by a correspondent in Athens.

A despatch from Saloniki to The Herald of Athens comes to report that the French troops operating against the Bulgarians are extending their front along the railroad from Krivok, in the direction of Velez.

In the fight preceding the capture of Ormanli, the despatch says, the Bulgarians suffered heavy losses, leaving 1000 men dead or wounded on the field.

Important Serbian Success.

Serbian operating in the defiles of Kutchuk against the Bulgars advancing from Uskub to Prizren report an important success, according to advice from Saloniki, says an Athens despatch.

In the region of Strumitza, British troops have received reinforcements and replaced the French north of Dobran, with the object of harassing the flank of the Bulgarians who are attempting to reach

EPWORTH LEAGUE CONVENTION OPEN

Twelfth Biennial of Toronto Societies at Trinity Methodist Church.

MEMBERSHIP GROWING

Almost Eleven Thousand in Senior Branches of the Organization.

In Trinity Methodist Church yesterday afternoon the twelfth biennial convention of the Toronto Epworth League was opened with the social song service at 5 o'clock, conducted by W. K. Le Drew, R. Corral playing the piano accompaniment. A splendid representation of the senior and junior societies of the city attended and remained for the tea and mass meetings held in the evening. There is now a membership of 10,881 in senior Epworth League societies of Toronto and the 102 junior branches' memberships total 5647. The opening and closing exercises of the evening session were conducted by Dr. W. H. Hincks, Rev. Dr. J. Towell, pastors of Trinity Methodist Church, and Rev. J. W. Atkins of the Metropolitan Church. "Winning the Boys and Girls for Christ" was the subject of the address which was delivered by Rev. F. H. Langford, educational secretary, Epworth League office.

SUNSHINE CIRCLE HELD BIG RED CROSS BAZAAR

Favlova Academy Prettily Decorated for Charitable Fete.

Success in the fullest measure attended the efforts of the Sunshine Circle yesterday and Tuesday night, when the Favlova Dancing Academy, in gala array, was the scene of one of the prettiest bazaars yet held in the interest of the Red Cross. The lighting effects were particularly lovely, creating a pretty glow over the floor space, studded with artistically arranged stalls, cleverly decorated to represent the various allied powers and matrons in courtly frocks and gowns, and the floor was strewn with colorful balloons among the crowd and many willing purchasers. Little girls in white frocks and colored ribbons were seen everywhere selling their baskets of flowers and bonbons. The tea tables, arranged about the upper balconies, afforded a splendid view of the activities in the big hall. The success of this large undertaking is due Mrs. H. D. Road, the president of the circle, and her large and able committee.

NINETY-SEVEN APPLICANTS FOR BUILDING PERMITS

Dur Lady of Charity Trustees to Erect Thirty Thousand Dollar Monastery.

A \$30,000 brick and stone monastery is to be erected on West Lodge avenue, a building permit having been issued yesterday to the trustees of Our Lady of Charity. A permit was also issued to D. A. Walker for the erection of a three-story store and apartments on St. Clair avenue, to cost \$3,000. Ninety-seven applications for permits were received during the week ending Nov. 6, the total value of same being \$15,770. During the week 77 permits were issued amounting to \$72,276.

SCHOOL MEDICAL INSPECTION THORO

Chief Medical Officer Issues Report of Work During October.

HEALTH OF CHILDREN

Doctors and Nurses Co-Operated to Check Spread of Disease.

Dr. Alex. Mackay, chief medical officer for the board of education, in making his report for the month of October, states that during that time 76 children were excluded from the schools for contagious diseases; 64 for exposure to same and 9 for being suspected of having contagious diseases. During the month the medical officers of the department examined 623 children in the class room, 103 special physical examinations were made and in these 133 defects were found. There were 2002 complete physical examinations with 3393 defects found, while 810 were normal. Children found with disease numbered 642 and 49 were especially examined for tuberculosis. The school nurses made 72,211 inspections in class rooms, gave 2024 treatments and excluded 49 pupils suspected of having disease. Seventeen children had adenoids removed, 192 adenoids and tonsils, 49 were fitted with glasses and 21 refitted. At the municipal clinic 122 children had their teeth treated, 413 received complete dental treatment and 214 were treated of toothache, the total number of operations by the dental surgeons being 358.

RECOMMENDS APPOINTMENTS

The following have been recommended by Inspector Cowley to fill temporary positions: Miss M. Thorne, Hughes; Miss D. R. Powel; Miss M. Honsberger, Winchester; Miss A. M. Johnston, John Fisher School; Miss M. H. Robinson, Keele street.

WINNIPEG, MAN. NOV. 10.—HON.

Robert Rogers met representatives of the farmers organizations of Alberta, Saskatchewan, Manitoba and Ontario, at a meeting of the Canadian Council of Agriculture and heard their plea for free entrance of Canadian wheat into the United States. The minister of public works is understood to have expressed considerable sympathy with the desire of the delegates for free wheat and to have said he would impress on the government at Ottawa the fact that the farmers' representatives consider the removal of duty on wheat to be a matter of the utmost importance. The council passed a resolution requesting the government that the government should immediately take steps to secure free access to American markets for Canadian wheat, and expressing their regret "that delay in this matter this season cost grain growers of the west many millions of dollars."

OTTAWA, NOV. 10.—IT IS OFFICIALLY

announced that the S.S. Corsican has arrived safely in England. She had on board the 65th Brunswick battalion, 42 officers and 1,099 men, and the Newfoundland battalion with 6 officers and 260 men.

CORSICAN IS SAFE

OTTAWA, NOV. 10.—It is officially announced that the S.S. Corsican has arrived safely in England. She had on board the 65th Brunswick battalion, 42 officers and 1,099 men, and the Newfoundland battalion with 6 officers and 260 men.

REMANDED FOR SENTENCE

Judge Winchester, in the criminal court yesterday, remanded Peter Novinski a week for sentence. Novinski pleaded guilty to a charge of stealing a sweater coat from the T. Eaton Co.

Don't Wear Heavy Underwear—it is Not Necessary
Get Good, Pure Woolen Underclothing of Lighter Weight

"CEETEE" UNDERCLOTHING
ALL PURE WOOL—GUARANTEED UNSHRINKABLE
MEANS ECONOMY PLUS COMFORT

Light weight is one of the many reasons for the popularity of "CEETEE" Underclothing. A "CEETEE" garment will keep you warmer and more comfortable than a coarser though much heavier garment. It is knitted on special machines, the only machines of the kind in Canada. It is knitted from the finest, purest and longest wool obtainable, (Australian Merino). It is "economy" to buy "CEETEE." Better to spend \$5.00 once than \$3.50 twice.

Worn by the Best People—Sold by the Best Dealers. In all sizes, for Men, Women and Children. Made in England.

WESTERN FARMERS WANT FREE WHEAT

Hon. Robert Rogers Expresses Sympathy With Demands at Meeting.

WINNIPEG, Man. Nov. 10.—Hon. Robert Rogers met representatives of the farmers organizations of Alberta, Saskatchewan, Manitoba and Ontario, at a meeting of the Canadian Council of Agriculture and heard their plea for free entrance of Canadian wheat into the United States. The minister of public works is understood to have expressed considerable sympathy with the desire of the delegates for free wheat and to have said he would impress on the government at Ottawa the fact that the farmers' representatives consider the removal of duty on wheat to be a matter of the utmost importance. The council passed a resolution requesting the government that the government should immediately take steps to secure free access to American markets for Canadian wheat, and expressing their regret "that delay in this matter this season cost grain growers of the west many millions of dollars."

MEMORIAL SERVICE IS HELD IN LONDON

Fitting Tribute is Paid to Late Sir Charles Tupper.

LONDON, Nov. 10.—At the famous Church of St. Margaret, Westminster, within a stone throw of which fifty years ago Sir Charles Tupper sat in those deliberations which resulted in the Confederation of Canada, a service in commemoration of the dead statesman was held today. The King was represented by Lord Rankinborough, the Duke of Connaught by Major Malcolm Murray, the Princess Louise, by J. G. Colman, and the Dominion Government by Sir George Perley. Mrs. Joseph Chamberlain attended.

THINKS CHLORINE MAKES WOMEN'S NECKS LARGER

Montreal Visitor Expresses View, But Medical Health Officer Says Not.

Have the women of Toronto larger necks than their sisters in Montreal? A visitor from Montreal told the medical health officer yesterday that he thought they were. "I have noticed that it was due to drinking chlorinated water," the M.O.H. was ready to say. "I saw a woman whose neck was so large that she could not get her head over the door of her house," he said. "I saw a woman whose neck was so large that she could not get her head over the door of her house," he said. "I saw a woman whose neck was so large that she could not get her head over the door of her house," he said.

GEN. HUGHES WISHES TO GO TO THE FRONT

"I Did Not Say I Was Going," is His Statement.

By a Staff Reporter. OTTAWA, Ont., Nov. 10.—"I did not say I was going to the front," said General Sir Sam Hughes, referring to a resolution passed in the House of Commons yesterday, that he should go to the front when the drive comes to be with the boys on the final push to Berlin.

How to Make Your Hair Soft, Fluffy, Beautiful

An old-fashioned home recipe, consisting of plain bay rum, lavender de compose, and menthyl crystals, is said to be the best in the world for the hair and scalp. Get from any druggist six ounces of bay rum, two ounces of lavender de compose, and one-half dram of menthyl crystals. Dissolve the menthyl crystals in the bay rum, and then add the lavender de compose. If you prefer, your druggist will mix these ingredients for you. A teaspoonful of your favorite perfume may be added if you like. Apply by putting a little of the mixture on a soft hair brush, and combing it through the hair, taking care to reach the scalp. Do this once a day, and you will find the hair soft, fluffy, and beautiful. To stop the hair from falling out, use a medium stiff brush, and brush it over the scalp with the finger tips of a medium stiff brush, the night and morning. Try this simple remedy for a week or two and see if it does not do away with the dandruff and loose hairs. If your hair is normally thick this recipe should keep it so. If your hair is thin, use this treatment regularly for a number of weeks. If your hair is greasy, use this treatment for a number of weeks. This treatment should give you a soft, fluffy, and beautiful hair. Various ready-made hair preparations contain lead acetate. This is poisonous and dangerous and should be avoided. The simple recipe given above is absolutely harmless.

AT HEALTH CONFERENCE

Dr. Hastings, medical officer of health, is in Philadelphia attending a health conference.

WOMEN BORE PART IN WAR RELIEF

Two Hundred Thousand Dollars Raised by Women's Institutes in Ontario.

ANNUAL CONVENTION

Five Hundred Delegates Attend Opening Sessions in Technical School.

Nearly five hundred delegates from all points in Ontario are in Toronto for the fourteenth annual convention of the Ontario Women's Institutes, which is being held in the Central Technical School. The opening sessions yesterday afternoon and last evening were well attended by local and visiting members, who showed great interest in the inaugural exercises and the reading of the annual report by George A. Putnam, superintendent of institutes. The report laid emphasis on the institutes' Red Cross activities, which have been splendid proof of the loyalty and patriotism of the women of this province. The total in cash and goods donated by the Ontario institutes for the Red Cross and other patriotic purposes is over \$200,000, or an average of \$7 per member. To the main office of the Red Cross in Toronto they have sent \$42,200, while those communities in the eastern and western parts of the province have contributed with equal generosity. Local relief hospitals, the patriotic and hospital ship funds have received gifts of money and supplies, while motor ambulances, machine guns and hospital furnishings have been sent overseas. In the absence of Principal McKay of the Technical School, the assistant day principal welcomed the delegates at the afternoon session, which was presided over by Mrs. S. G. Kitchen of St. George's. This branch report was read after the annual, and in the evening several entertaining papers were included on the program. Miss Mary Yates of Port Credit presided, and addresses were given on "Rural Leadership and the O.A.C. by Dr. G. C. Macdonald, and "Canadian Literature" by Miss E. Vrooman-Lorant.

Match Specialties

We have been making matches for 64 years now—domestic matches and every other kind. Some of our specialties are "THE GASLIGHTER," with a 4 1/4-inch stick; "THE EDDYSTONE TORCH," for outdoor use (burns 35 seconds in any weather); "WAX VESTAS," for the smoker, and many other varieties. For home use the most popular match is

"SILENT 5"

But for every use, ask your grocer for

EDDY'S MATCHES

LOSSES OF PRUSSIAN OVER TWO MILLIONS

Estimate Does Not Take Into Account Casualties in Gallipoli.

ROTTERDAM, Nov. 10.—German losses from Oct. 10 to Nov. 2 in dead, wounded and missing were 78,375, according to figures published by the Courant, which presumes these casualties relate to the Champagne.

The total Prussian losses to date, the paper says, have been 2,998,454, not including 240 Bavarian, 228 Wurtemberg, 280 Saxon and 50 navy lists and the lists of officers and non-commissioned officers who have been lost while fighting with the Turks.

THE CHERNIAVSKY CONCERT.

The Cherniavsky concert in Massey Hall, Nov. 12, promises to be a big success, and the proceeds, which go to the Recruiting League, should be large. The Australian Cadets will be there in a body. At this concert, as at all others on their Canadian tour, the great Russian trio will use the Heintzman & Co. piano, made by Ye Olde Firm.

FOUR TORONTO MISSIONARIES ON MILITARY COMMISSION

W. D. McPherson, Chairman of Body to Look After Returned Soldiers.

Four Toronto men are to be on the central provincial committee of the Military Hospitals Commission and W. D. McPherson, K.C., Toronto, is to be chairman. The duties of the commission, when it is organized, will be to find employment for members of the Canadian expeditionary force who return to Canada during the war. Mr. McPherson has gone to Quebec as representative of the provincial organization on the Dominion Hospitals Commission to attend a meeting of that body there. When he returns the commission will be organized.

The following are the members announced: W. D. McPherson, K.C., chairman, Toronto; John B. Laidlaw, Toronto; Robert J. Christie, Toronto; William Banks, Toronto; Hon. Gordon North Bay, Kenneth W. McKay, St. Thomas; W. F. Nickle, M.P., Kingston; George Lynch-Staunton, K.C., Hamilton; Ernest J. Henderson, Windsor; W. L. Best, Ottawa. Charles Norris Cochrane of Toronto has been appointed secretary.

MADE IN CANADA

Join "the live-a-little-longer movement"—by cutting out heavy, indigestible foods—the kind that harden the arteries and put the liver out of business. **SHREDDED WHEAT** supplies all the material needed for building the perfect body and for keeping the mental and physical powers at top-notch efficiency with the least tax upon the digestion. It is ready-cooked and ready-to-serve—always the same quality, always the same price.

Shredded Wheat is made in two forms, BISCUIT and TRISCUIT—the Biscuit for breakfast with milk or cream, or with fruits; Triscuit, the water-tost, delicious for luncheon with butter or soft cheese, or for any meal as a substitute for white flour bread.

to our own conclusions. The arbitration board is not a sacrosanct body, and labor itself has provided that its decisions are not compulsory.

It is one of the unfortunate aspects of wage disputes everywhere that decisions almost invariably displease one side or the other. There must therefore be some give and take.

WANTS MARRIAGE DECLARED NULL

Ruth M. Peppiatt of Hamilton Goes to Appellate Court.

APPEAL IS ALLOWED

Berliner Gramophone Company Given Permission in Patent Case.

Judgment was reserved by the first appellate court at Osgoode Hall yesterday in regard to the application of Ruth M. Peppiatt of Hamilton for a declaration that her marriage to Cecil E. Peppiatt was a nullity.

The marriage took place in January 1912, when Mrs. Peppiatt was under 15 years of age, and she asks that the marriage be declared illegal on the grounds that being under age she had not received the consent of her mother, Mrs. Wright.

The Berliner Gramophone Company was given leave by Mr. Justice Maaten to appeal from the decision of the master in chambers, which was affirmed by Chancellor Boyd, allowing J. B. Pollock of Berlin, Ontario, to set up as defence to a patent action, an attack on the present validity of the company's patent on the grounds of illegal importation and non-manufacture.

An interesting case is proceeding before Mr. Justice Maaten between the city and the Upper Canada College, F. Arnoldi representing the college, complained that the Orillia Parkway along the eastern boundary of the school gave the rascals on the east side of the road a boulevard, while the sidewalk is right up against the college property.

The Ontario Horticulturists have had a good year despite the war, according to the report on the work of the year made by J. Locke Wilson, superintendent of agricultural and horticultural societies, at the opening of the tenth annual convention yesterday.

PHONE ASSOCIATION HOLDS ITS ANNUAL

Canadian Independent Members Assemble at City Hall for Tenth Meeting.

WON SEVERAL REFORMS

Year's Work Gained Right of Appeal to Ontario Railway Board.

About 50 members of the Canadian Independent Telephone Association gathered at the city hall yesterday, the occasion being the tenth annual convention of the organization.

The morning session was taken up with the registration of delegates and the appointing of committees, the address being given by the president, Mr. Andrew Denholm, who represents the Benheim and South Kent Telephone Co., declared that the independent telephone workers throughout the Dominion had taken on their share of the war burden and had contributed generously to the various funds.

The right of appeal to the Ontario Railway Board had been secured, and an appeal has been asked for against the decision of the Ontario Railway Board, whereby the independent telephone companies have to pay so much annually to the Bell Company for long distance service.

Secretary's Report. There are over 500 independent telephone companies in Ontario, according to the report of Francis Deaver, secretary-treasurer of the association, which have between 70,000 and 80,000 subscribers. Between five and six million dollars is invested in these systems. He declared that those interested in the telephone industry should be proud of their achievements, which had not been made without a great deal of hard work, and in the earlier days the surmounting of many obstacles. He was of the opinion that the industry should be made to increase the paid membership even were it necessary to reduce the subscription.

Papers Were Read. The afternoon session was devoted to the discussion of papers. In a review of the independent telephone movement in Ontario, F. D. Macleay of the Canadian Telephone Co., outlined the work that has been done since the first line was established by Peter H. Fox in Prince Edward County, in 1886. In that year Mr. Fox built a line from his own home to the city of Kingston, and later some of his cousins connected up with it, the system grew until in 1900 it was between 100 and 700 subscribers. The next important step in the independent movement was the line established by Peter H. Fox in Prince Edward County, in 1903. Dr. Doan of Harrietsville organized a line, in outlining the development of the various systems Mr. Macleay called particular attention to the Markham-Pickering line, in connection with which the independent movement has had perhaps their greatest fight, when the agreement between the Bell Company and the C. P. R., whereby phones of other companies were not allowed in stations, was attacked. This matter was finally taken to the Dominion Railway Board and an order issued giving the independents the right to place phones in stations.

"In nearly every case," the speaker declared, "local systems have been the outcome of a desire on the part of rural communities to be placed in a position where they could get immediate communication with physicians."

Peterboro was the first city to grant a franchise to a telephone company in competition with the Bell Company, and in granting of this franchise caused the latter company to give the best service possible, and the number of subscribers increased from about 500 to 1500, in view of the threatened competition.

Port William and Port Arthur were the first two cities in Ontario to install municipally-owned systems, this being done in 1902.

Mr. Doan, vice of the Erie Telephone Co., gave a paper on "Collections," J. C. Kelsey, Maintenance and Depreciation of Telephone Plants, and N. St. Clair Miller spoke on "Telephone Accounting."

At 8:20 his morning reports of committees will be received and other subjects of interest to the telephone men will be discussed.

LUCY Preparing For Saturday Games

ARGOS FIGHTING FOR SECOND PLACE

Proceeds of Season's Work to Go to Worthy Cause—Montreal Coming.

The Argonauts are practicing very hard this week for their game with Montreal on Saturday at Rosedale. It is very unfortunate for the Argos that the soldiers' game at Varsity clubs, but Toronto should be able to support both games well. The Argonauts will get a good crowd because they deserve the support this year, and, as their surplus this season goes to a very worthy cause, there are a great many of the dried-in-the-west fans will journey to Rosedale on Saturday and see the Argos finish their season. Argonauts have to win this game to make sure of second place, and the team showed on Saturday at Ottawa that they are a great aggregation, and set up a good class of football.

Reserved seats for the great military hockey game on Saturday night, the Argos' warriors and the Kingston 24th Battery team, captained by Lindsay Wright, go on sale at Spalding's this morning. Great interest is being everywhere manifested in this game, and a record crowd is practically assured. The soldiers have enthusiastically taken the matter up, and a large number, together with Varsity students, will see the blazers, with several bands and antique choirs from the city, will be lots of noise and entertainment.

The Sarnia Intermediate O.R.F.U. Rugby team engaged the Sarnia Collegiate team in a practice on Tuesday night. The workout put the Sarnia team in good shape for Saturday's semi-finals, and the big team were sorely in need of a drill, as they have been playing in good shape since they clinched the district laurels in London. Coach Jack Newton is doing more practice before the game with Hamilton on Saturday, and the squad will be in good shape for the contest. Sarnia officials have arranged to keep the throng off the field at Bayview Park, where all arrangements for the play-off have been made with the Hamilton Rugby Club, winners of their district in the Intermediate O.R.F.U. series. The Border City is very much on the Rugby map at the present time, with a team in the Intermediate O.R.F.U. semi-finals with University of Toronto Schools team, at Stratford.

The Ottawa executive met to go over the season's work next season. If the Intercollegiate is not in action, McGill has first claim on the big fellow, and his presence in Ottawa will depend entirely on the state the war is in.

So anxious are Tigers to hand Frank Shaughnessy's Ottawa a lesson that they will not forget for some time. The players are attending to their practice this week as if the Big Four championship depended on the outcome. They were out for over an hour and Coach Marriott sent them thru their drill with plenty of vim. Sam Manson was the only absentee, and was one of the liveliest workouts Tigers have enjoyed this season.

Frank Shaughnessy's visit to Hamilton will be most interesting. It is the occasion of his first trip there in the role of a rugby coach. Hamiltonians would have liked to have him visit there with his McGill championship in hand, but he did not, and will be a source of revenge to have Tigers trample over his Ottawa now. His visit will also signalize the end of the season in Hamilton of the red, white and black wearers and their new style of attack that has been devised by Shaughnessy. Easterners are confident of making Tigers extend themselves and the battle should be one of the best of the year, even though the Jungles Kings are already champions. The presence of Shaughnessy, one of the brightest of Canada's rugby stars, will also help swell what promises to be a large crowd.

Tiger Intermediates expect to turn the tables on Argos II when they meet to play off the tie. Pud Kent and Billy Poole, the Toronto officials, who gave such good satisfaction in Hamilton last Saturday, have been appointed to officiate at the Ottawa-Tiger game.

Frank Robbins, referee, and Ben Simpson, umpire, are the officials appointed to play the final Big Four game of the year between Argos and Montreal at Rosedale.

There is a possibility of Ottawa trying the Argos for second place. All the Senators have to do is to host the Tigers, of course providing that Montreal winds up the season by winning the game at Rosedale.

SHAG WILL MANAGE OTTAWA HOCKEY CLUB

OTTAWA, Nov. 10.—Owing to the absence of some of the directors of the Ottawa Hockey Club, announced to be held tonight, was postponed until Nov. 15. Percy Butler and L. N. Bates were again selected as the team committee. Frank Shaughnessy will be business manager and A. E. Smith, coach. No players have yet been signed, negotiations with Nighbor not being completed.

The local club announced that it is not looking for Toronto players.

Harry Holmes will leave for the west shortly. He was awarded a \$1000 contract to play for the Patriots, and transportation to the coast for himself and wife. If the Patriots hand out many more of these handsome offers, they will get many a player from the east. A job is also provided in some of the contracts offered eastern players, and in these times of war a good, fat salary and a job go a long way to making up a player's mind.

Sporting Notices

Notices of any character relating to future sporting events, or an admission fee is charged, are inserted in the advertising columns at fifteen cents per line (minimum 10 lines). Announcements of any other organizations or future events, where no admission fee is charged, may be inserted in this column at two cents a word, with a minimum of fifty cents for each insertion.

WITH BIG LEAGUE BARN STORMERS

Globe-trotter Max Carey is doing his annual Burton Holmes stunt thru the west. Carey reports that the teams are drawing well everywhere, despite the opposition directed against them by Ben Johnson and others. President Charles H. Ebbets of the Dodgers met the party in Denver and endorsed the expedition and wished the players success.

Cory Dozier is against the way in the party and the Oshkosh comedian has made thousands laugh at his sharp wit and practical jokes. In Columbus, Wis., the mischievous Cory tried to steal the badge from the coat of the chief of police.

"I could not get it," explained Cory after several attempts. "He has a padlock on it."

In another Nebraska town the folks came in autos, busses, truckloads, and hay wagons from 50 miles around and gladly forked up \$1 to see the major leaguers. During practice Wade Kilfer made a wonderful catch of a long fly with his hands behind his back and turned a back flip-flop.

"Wow, what do you think of that catch?" yelled a farmer in leather boots and beard stamping up and down in the stands. "By heck, I've got my dollar worth already."

"All right, go out and come in again," suggested Grover Alexander.

VARSITY WILL HAVE STRONG JUNIOR TEAM

Plenty of Material on Hand—Dubious About Senior Outfit—News and Gossip.

Hockey enthusiasts at Varsity hope that a junior team will be entered in the O.H.A., and they are also pulling for a senior team as well, but they are not sure what the athletic directorate of the university will have to say in the matter. With Wilkinson, Sheldon, Han and Goulton of last year's team on the job, and with Gossett on the bench, they decided to see about practice hours, and will send a communication to the directors for them to consider this afternoon's meeting.

Plenty of enthusiasm was displayed by the hockey men, and unless the directors see fit to drop their proposals, the Blue and White will be represented by at least one strong team this year.

Harry Cameron has refused his western offer and has signed a Toronto contract. Harry promises to work hard this winter and spend his knitting. If he does, he should again be a star in the pro ranks.

At a stormy meeting, held behind closed doors, and that lasted for several hours, the directors of the Ontario Hockey Association decided to accept the League and relations with the Western Hockey Association and the Pacific Coast Hockey League and relations with the Western Hockey Association and the Pacific Coast Hockey League.

This was the only resolution said to be passed at the meeting, while it was learned from other sources that the directors were in a state of confusion, and was handed over to President Quinn to be read at the meeting.

PRO BALL LEAGUES FIXING UP THE LAWS

The National Association Delegates are in Annual Session at San Francisco.

SAN FRANCISCO, Nov. 10.—The question of the regulation of salaries is expected to be one of the most important matters before the convention of the National Association of Professional Baseball Leagues at its session today.

Commenting on baseball conditions, President Michael Sexton said: "For several years I have anticipated that it would take a catastrophe such as we have suffered to bring the owners to their senses and make them realize that they have thrown their money away. Not only in a financial limit, but with other expense accounts, such as the cutting down of spring training, can we come out."

For the first time since the association was formed, in 1901, the meetings are to be closed to the general public. This step, it is said, was taken for the purpose of expediting business.

One of the most difficult questions to come before the National Board of Arbitration is expected to be that of property rights in some of the eastern cities. The International League wants Hartford and Springfield from the Eastern Association, convention out of twenty-seven minor leagues in existence.

BARON BURIAN IN BERLIN

BERLIN, Nov. 10.—(By wireless to Tuckerton).—Baron Burian, the Austro-Hungarian minister of foreign affairs, has arrived in Berlin, the Overseas News Agency announces.

BASEBALL League Mags Meet at Frisco

MAINTOBA SOCCER ANNUAL MEETING

Upheld Executive That Refused Scottish Club's Protest—Play for Soldiers.

WINNIPEG, Nov. 10.—The semi-annual meeting of the Manitoba Football Association was the most satisfactory gathering of delegates in many seasons in spite of the unglorious state of the championship series, and other matters that have cropped up during the past year. The victory of the Scottish at Toronto was the subject of hearty congratulations from the president, endorsed by the meeting, the failure of Toronto on its own ground to reach the Cdn. Cup from the western teams, being considered a proof of the superiority of the west in soccer. While the financial position of the M.F.A. is very good, it is hoped that the Dominion Football Association will not omit to liquidate its indebtedness to the M.F.A. On this matter the president corrected an impression that it was a debt to himself that the D.F.A. owes. It is to the M.F.A. and if necessary a formal assignment of it to the M.F.A. will be made.

Fred Fisher announced that this is his last year in soccer, but expressed the conviction that somewhere else in Canada is any sport organization as well as the M.F.A. This association, he said, has made wonderful strides in the last year and he gave most of the credit to S. Davidson, acting secretary, whose books were audited by Norman Couch and F. G. Rogers, were highly praised. Fisher's report covered the season's business thoroly.

President MacNeil gave a short but interesting report of the M.F.A. meeting Aug. 11, at which he attended with Norman Couch, as delegates from Manitoba, and declared that the easterners had a wholesome respect for the west, both in committee and on the field. The recent legislation, establishing the one registration form for players, is not going to be the means of doing away with a great deal of confusion as to which club players belong to.

H. H. Bower of Portage in Prairie made a lamentation that the country is not getting along as well as it should in soccer. John Eaton turned the lamentation against the Portage man by showing that it was up to the country clubs themselves to organize.

The executive met and dealt with the matter of the M.F.A. club, but not legally, because of lack of a quorum. It was done then by the ratified, including the return of the M.F.A. championship. It is possible now that the M.F.A. will carry the matter to the D.F.A., but the game has to be played in any event as the player Bower had carried to the M.F.A. club.

The Celtic protest against the Brit players who had figured on the Regina team in the Saskatchewan championship was upheld. This had not been favorably considered by the Winnipeg and District clubs, and the Celtic protest was decided, and the Celtic Cup game in which players and won, is ordered replayed.

The recommendation of the meeting of the association to play a game with the soldiers on Saturday of this week, was decided, and efforts will be made to form a team from the 81st Battalion.

THE OVERCOAT SHOP

"Just a Fortnight from London" MEN'S TOPCOATS \$25

There's an old "quip" about "many men of many minds"—but it does not fit in anywhere in forming an opinion of these—

Splendid London-tailored Top Coats—Because

All who have seen them—and many have—are of one mind—and that is that these garments are the best value in cloth quality—style quality—fit quality—and tailoring quality for the money that "Fairweathers" have ever displayed—and, mind you, that is saying words for them—for "Fairweathers" certainly have been pacemakers in quality—style—and individuality for many a day—

You'll get another idea of outer-garment value altogether if you will but request our salesmen to demonstrate for you—

Warmth without weight—novel but gentlemanly—smartly cut—and an out-of-the-common color assortment—

Twenty-five dollars.

Men's Hats—Caps—Gloves—Umbrellas—Leather Travelling Bags—and Motor Rugs.

Fairweathers Limited 84-86 YONGE STREET, TORONTO Montreal Winnipeg

BOWLING SCORES

In the Bowling Beach Fivepin League at Toronto Bowling Club last night. Kew Beach beat their own record on total pins, counting 2287, besides featuring with an 895 count a miserable game, which is also high game for the season and incidentally won all three games from Traversers. MacBennett was the star for Kew Beach and the season to date with a 590 collection, getting two games over the 200 mark. The kids also distinguished themselves with a 240 total and defeated Finance in all three games. Results in this important contest, totaling 526 pins:

CURLING

Strathroy curlers have elected the following officers: President, W. H. Mitchell; vice-president, D. H. Patterson; treasurer, A. E. Gill; secretary, F. W. Atkinson; captain, R. M. Pincombe; vice-captain, A. F. Malone; auditors, L. H. Dampier and R. A. Wilcott. They will be in good shape to commence the season this year. The treasurer's report shows finances in good condition and everything points to a banner year.

Calgary has organized a new curling club to be known as the Grants. They will have a limited membership of 100 and will curl in a reconstructed ice-house on the Elbow River. The new club will not interfere with the membership of the other clubs in the city, nor their organization. About 60 per cent. of the members are men who have had practically no experience in the curling game, but are well-known business men and sportsmen. The club will have no packed rink and every member of the club will be placed upon a rink.

The officers of the new club are as follows: A. L. Smith, president; G. A. Pinkham, vice-president; A. W. McCall, secretary; George Walker, treasurer; D. J. Young, E. Dunbar, W. A. Ross, C. R. Young, Wilf Forbes, executive committee.

Amount of O. J. C. Profits Not Given Out At Annual Meeting

The annual general meeting of the shareholders of the Ontario Jockey Club was held at the company's office, Imperial Bank Building, yesterday. Sir Lyman Melvin Jones, in the absence of Mr. Seagram, occupied the chair. The chairman stated that the past year, under prevailing conditions, must be considered a good one for the breeding of racing in Canada. The high standard of racing had been maintained, \$108,000 had been given in purses, of which sum a goodly proportion found its way to the breeders of thoroughbred horses in the Province of Ontario. He also stated that he was pleased to learn that under the present rules of racing from every winner of a race for Canadian-bred horses, five per cent. of the first money was retained for the breeder of the winner. This must have its good effect upon the breeding of horses in Canada and this province. The amount of the profits made during the 14 days' racing was not given. The following were elected officers for 1915-1916: President, Joseph E. Seagram; first vice-president, Sir Lyman Melvin Jones; second vice-president, D. W. Alexander; committee, Lieut.-Colonel John S. Hendrie, A. E. Dymont, R. J. Christie, Lieut.-Colonel Wm. Hendrie and Geo. Boardman.

The Shamrocks Profit By Amateur Lacrosse

MONTREAL, Nov. 10.—That Montreal lacrosse fans witnessed almost pure success during the season just closed, is evident from an itemized statement issued by the president, P. S. Connor, and the committee of the club, at the annual meeting. The statement furnished every detail of receipts and expenditures for each game played during the season, and shows a surplus for the year of \$427.27. The statement shows that the receipts for home matches amounted to \$284.70, and the expenses for these matches \$77.99, leaving a surplus of \$167.96 for the home matches. Two trips to Cornwall resulted in an expenditure of \$188.15, which reduced the surplus to \$149.81. A trainer for the season was paid \$85; union fees amounted to \$40; car tickets, \$66; referees, \$20; medical attendance, \$132.95; meals at practices cost \$128.55. The statement goes on and gives the details of every cent received and expended, and the incidental item only amounts to \$15.28. The item for medical attendance also includes \$8 over from 1914. The biggest gate of the season was on Sept. 6, when they played the Nationals, the gross receipts being \$480.70. The expenses for this game amounted to \$234.64, leaving the surplus for this game as \$246.06. Every member of the club played without financial assistance, and they will be rewarded with silver watch fobs. Out of respect for Johnnie Currie, former star player of the Irish team, who died on Saturday night, the meeting adjourned without electing the officers for the ensuing year.

KRAUSMANN'S GRILL.
Noon-day lunch served from 11.30 to 2.30. 40 cents. Steaks and chops a la carte 8 to 6 p.m. King and Church Streets, Toronto.

OLD WELSHIP WINS THE STEEPLECHASE

Athletic Progress In Alberta Branch

Progress all along the line was shown in the comprehensive report given by Leroy Chown, secretary-treasurer of the Alberta branch of the Amateur Athletic Union, to the annual meeting of that organization. During the year the athletic branch granted 791 amateur cards, five sanctions to athletic clubs or associations for meets, and have affiliated now the following clubs and associations: The Alberta Amateur Hockey Association, The Calgary Y. M. C. A., The Edmonton Y. M. C. A., The Alberta Rugby Football Union, Medicine Hat A. A. C., Fort Saskatchewan A. A. C., Edmonton A. A. C., Calgary A. A. C. They also have two clubs applying now for affiliation—the University of Alberta, and the Grand Trunk Pacific Athletic Association of Edmonton.

CHINESE GOVERNMENT NOT TO CHANGE SOON

Washington Informed Monarchy Will Not Be Restored This Year.
WASHINGTON, Nov. 10.—Confirmation of press despatches from Peking saying the Chinese Government had announced that no change would be made in the form of government this year, has reached Washington. It has been no abandonment of the project for restoration of the monarchy, and the announcement is in line with the original program laid down by the council of state when it submitted to the Chinese people the proposed restoration of the monarchy.

APPEAL IS MADE FOR TRUCE TO BURY DEAD

Red Cross Calls on Warring Powers in Name of Charity.
LONDON, Nov. 10.—An appeal for truces to allow the burial of the dead and acquittal relatives of the fallen with their names is being made to the rulers of the warring powers by the International Red Cross. "The most elementary feeling of charity, the most impetuous appeal of pity," it says, "demand all useful measures to acquit families with the fate of the fallen." The appeal asks that imperative instructions be sent to military commanders with a view to the mitigation of needless aggravation of the sufferings of war.

Gage Behind Bat When Shells Stopped Game

On Oct. 16, somewhere in France, two Canadian lines played a baseball game under unique circumstances. With big guns booming in the distance and aeroplanes buzzing overhead, the umpire announced the batteries to the men who had just been relieved of trench duty and were finding rest in playing and watching a game of ball. The teams were made up of men chosen from the Mechanical, Transport and Strathcona Horse, Charlie Gage, the TorontoVarsity football captain of last year, and one of the best one-acre ball-tossers around Toronto, caught for the Transport team. Among other athletes who were present were Levis, the crack little quarter-back of Ottawa II, and the Hamilton Tiger of 1908. Both played for the Transport team. In the seventh innings, with the score 4 to 4, at the shells commenced dropping in the outfield, so the umpire called the contest on account of rain. In a Canadian football game, the Mechanical Transport beat Strathcona Horse by 5 to 2.

"FALL IN LINE" Sunday Concert for Soldiers' Club a Worthy Cause.

A bright and varied program has been arranged by the executive of the Sportsmen's Patriotic Association for the first of the series of Sunday concerts which will be held in the Hippodrome next Sunday, Nov. 14. Arrangements have been completed with the militia department to have a full regimental band in attendance, while a picked squad from the Exhibition camp will demonstrate Kitchener's famous Swedish drill and other physical exercises. The soldiers, too, will provide for among their own ranks some clever singers with the newest and best of the modern song successes. The program will be augmented by the appearance of several local artists, who have volunteered their services, and a short speech by Major Barker. The people of Toronto must understand that the Sportsmen's Patriotic Association are operating the Soldiers' Club under a heavy expense, and it is up to the citizens to come forward and patronize these concerts. There will be no charge and the money subscribed voluntarily will go to the support of the Soldiers' Club. The concert will start at 2 p.m. and will continue until 11 p.m.

DUCKWORTH SENT UP FOR MURDER TRIAL

Grand Valley Man Will Face Jury at the Spring Assizes.

GRAND VALLEY, Ont., Nov. 10.—Thomas Duckworth was sent up for trial today charged with the murder of his brother-in-law, Harry Strutt. His case will come up at the spring assizes. The preliminary hearing was held before Mr. Stewart Tate, County Crown Attorney, who conducted the prosecution and Mr. A. A. Hughson of Orangeville acted for the accused. New evidence, not produced at the inquest, was forthcoming to show that at noon on the day of the murder the accused had purchased cartridges of the type which were found later in the gun, and those which Mrs. Poff produced as having fallen from the gun just following the tragedy. The defence produced no witnesses, but Mr. Hughson's cross examination seemed to point a defence based on justification of the act.

DEBAR TEUTON MEMBERS FROM STOCK EXCHANGE

London Financiers Pass Resolution re Status of Germans and Austrians.
LONDON, Nov. 10.—At a meeting of the stock exchange today a resolution was passed calling upon a committee to take action to prevent the return of German and Austrian members unless they have sons fighting on the side of the allies.

BIG MUNITION SHOP DESTROYED BY FIRE

Machinery in Building Was Worth Millions of Dollars.
SOUTH BETHLEHEM, Pa., Nov. 10.—Fire early today almost completely destroyed the number four machine shop of the Bethlehem Steel Company. Only the skeleton of the big building is standing. Machinery and war material in the building was said to be worth millions of dollars. How the fire started is not known. It was discovered in what is known as the boring mill section of the plant among a quantity of oil.

KINGSTON CITIZEN CALLED BY DEATH

Clark Hamilton, Former Collector of Customs, Dies Suddenly.

BUSINESS MAN DEAD
Cecil Blakey Commits Suicide By Shooting Himself With Rifle.

Special to The Toronto World.
KINGSTON, Ont., Nov. 10.—Clark Hamilton, for over 25 years collector of customs at this port, died today. He retired six years ago. He was the second son of the late Hon. John Hamilton and was born at Queenston, Ont. In his early life, he was engaged in steamboating, and in 1860, on the occasion of the Prince of Wales visiting the city, he was in command of the steamer Kingston which brought the prince up the river. His wife and two daughters, Mrs. E. J. B. Penne, Kingston, and Mrs. Maitland Hannaford, Westmount, Que., survive. Several thousand dollars' damage was done by a fire here caused by spontaneous combustion of the hardware store of Edwin Chown & Son today. Strenuous work on the part of Fire Chief Armstrong and his men saved the business block. Employees on entering the shop of the Kingston Window Cleaning Company found the proprietor, Cecil Blakey, 35, dead on the floor, he having shot himself with a rifle. He just recently purchased the business, and it is believed that worry over financial matters caused him to take his life. He is survived by his wife and five children. Dr. J. C. Connel consulted with Col. Porter, director-general of medical services, on the present physical standards for recruits. It is understood that alterations were suggested in regulations which at present are too stringent, and that these suggestions will come before the militia council.

FINAL HEARING FRIDAY NIGHT

Judge Denton has announced that the final hearing in the Meredith Hodgson investigation will take place on Friday evening at the city hall, when the argument of the lawyers will be heard. Mr. H. Ludwig, K.C., will speak for the city; Geo. Wilkie for Geo. A. Hodgson, and T. H. Lennox for Ald. Meredith. The report will be ready in about two weeks.

MOSS PARK BASKETBALL

Moss Park Basketball League opened last on Monday, when the Senecas defeated the All Stars by two points, the score being 16-8. Both teams were evenly matched but Walker of the All Stars was unable to hold Piton of the Senecas in check before he had found the basket a number of times. The next game, when the Australians meet the Strollers, promises to be a hot one, with such men as Bunack and Zambinder on the forward line.

OSLER RECREATION CENTRE

The first Junior Basketball League game got away to a good start last night. Savage v. Gourlay in the first game, and Crawford v. Wilson in the second, provided the contention. Both games were closely contested, and, while some of the boys appeared a little green at the game, they notwithstanding put up a creditable performance in their first attempt. Following are the results: Country, 17 Savage, 10. Crawford, 12 Wilson, 10.

Hold Ontario Amateur Boxing Championships

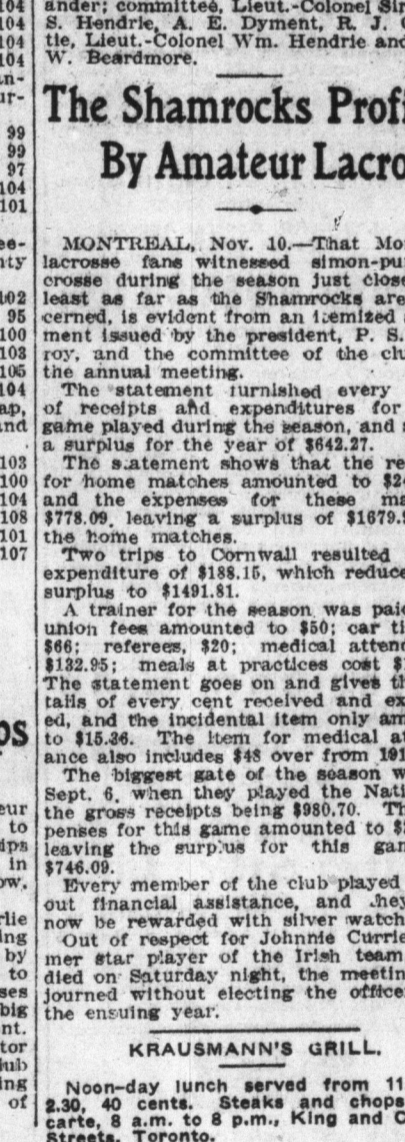

The Ontario branch of the Amateur Athletic Union of Canada has decided to hold the provincial boxing championships at the Arena. It will be a three-night show, with popular prices prevailing. An Ottawa despatch says: Charlie Fraser, former heavyweight wrestling champion of Canada, has been signed by the Civil Service Athletic Association to instruct the boxing and wrestling classes during the winter months, and a big boom is noticeable in this department. Fraser should certainly be an instructor worth while, and the Civil Service Club may go after the annual amateur boxing championships of the Quebec branch of the A.A.U.C.

WAR STOCKS LOWER RAILWAYS HIGHER

Weeding Out of Speculative Accounts on New York Exchange.

C.P.R. LEADS IN RISE

U. S. Steel Also Gained Strength by Gratifying October Statement.

NEW YORK, Nov. 10.—A distinct note of change between standard stocks and those in the speculative class was the significant feature of today's active market.

Declines in war stocks during the precipitate break of the mid-session

U. S. Steel in which trading was the heaviest of any recent day, opened at a fractional decline, but gradually rose 7/8 to 37 1/4, closing at a small fraction under its maximum.

Decline in war stocks during the precipitate break of the mid-session

U. S. Steel in which trading was the heaviest of any recent day, opened at a fractional decline, but gradually rose 7/8 to 37 1/4, closing at a small fraction under its maximum.

Decline in war stocks during the precipitate break of the mid-session

WHEAT MARKET UP SPECULATORS HIT

Unexpected Strength in Liverpool Quotations Gave Upturn to Chicago Pit.

BAD WEATHER HELPED

Snow and Rain in Canadian and U.S. West Aided Rise.

CHICAGO, Nov. 10.—Wintery conditions northward, giving sanction to reports that the maximum of the spring crop movement had been reached, were effective today in lifting the wheat market here.

Unexpected strength in quotations at Liverpool added to the anxiety that wheat traders manifested

Recent weather conditions in the United States and Canada have been unfavorable to the wheat crop.

Record of Yesterday's Markets

Table with columns for Toronto Stock Exchange, New York Stocks, and Chicago Grain Market. Lists various stocks and their prices.

MARKETURNS STRONG FOR MINING SHARES

Declines Fail to Bring Out Stock and Concerted Buying Early Advanced Prices.

The strong technical position of the mining market was well illustrated in yesterday's business. The declines in the market were largely due to the fact that the market was overdone.

COBALT'S NEXT PRODUCER

The Adanac Silver Mines of Cobalt are now working on the 200-ft. level, in addition to sinking the shaft to the 400-ft. level.

TWIN CITY EARNINGS

For the last ten days of October the earnings of the Twin City Rapid Transit Co. were \$28,257, a gain over the corresponding period last year of \$5,258, or 2.05 per cent.

BEAVER DIGS DEEP

The deep shaft at the Beaver Mine is now down to a depth of 1228 feet, and is by far the deepest shaft in the camp.

AUSTRIA'S NEW WAR LOAN

BERLIN, Nov. 10.—Subscriptions to the third war loan in Austria have reached a total of 4,015,000 crowns (\$803,000.00), the Overseas News Agency announced today.

BIG GAIN IN STEEL ORDERS

NEW YORK, Nov. 10.—The unfilled tonnage of the United States Steel Corporation on October 31 totaled 1,655,422 tons, an increase of 847,834 tons over September.

BOARD OF TRADE Official Market Quotations

Table with columns for Official Market Quotations, including items like Manitoba Wheat, Ontario Flour, and Sugar.

PRICES OF SILVER

In London yesterday bar silver closed at 150 1/2 lower at 24 1/2 ounce. The New York price was 90c.

UNDERTONE TO SILVER GOOD

Moon and Goldmin in their letter dated London, 25th October say: The slight signs of weakness in the silver market, to which we referred in our last circular, were of very brief duration, and the undertone has during the week gradually recovered from 23 1/4 to 24 1/2.

REFINED SUGAR ADVANCES

MONTEBEL, Nov. 10.—There was little movement for refined sugar today, and business was quiet, but the trade on spot was fair, including sales of 30,000 bushels of No. 2 C.W. at \$14.15 to \$14.20.

LIVERPOOL MARKETS

LIVERPOOL, Nov. 10.—Wheat—Spot: Liverpool, 11 1/2; Manchester, 11 1/4; London, 11 1/4; Bristol, 11 1/4; Cardiff, 11 1/4.
